Happy State Convention!

It is hard to believe that the time for our annual convention is upon us already. It's time to celebrate our successes, enjoy some fraternity with new friends and old friends, and recharge our batteries by seeing the results of our works at the local, state, and Supreme level. We have several exciting features at this year's convention including an adoration chapel on Friday and Saturday, and a luncheon and workshop for council chaplains on Thursday. One new thing that we are implementing, after receiving multiple requests in the past few years, is a slight change to the open caucus procedures on Friday. We will be providing an opportunity for candidates for state office or for delegate positions to the Supreme Convention to deliver a short (1 minute for delegate candidates or 2 minute for officer candidates) presentation on why they should be considered for election. This is separate from the normal nominations which will be presented as usually by seated delegates

on Saturday. So, if you are interested in being considered for candidacy on Saturday, you are highly encouraged to be present for the Open Caucus on Friday, and be ready with a concise and informative presentation. I look forward to seeing you all soon and having a great convention!

At the same time, we need to remember that "it ain't over yet!" We still have two full months left in the fraternal year, and there's a lot of work left to do.

For example, in membership, we are finally running at full stride - we got over ten percent of our annual quota in one month in April, and we are only about 265 members short of our goal for the year. Do the math - if each council can bring in one member each month in May and June, we can reach our intake goal. I really need you to do this, because our net-net membership (which includes the combination of deaths and suspensions against the intake) is still at a negative this year. Our state is a leader in Columbianism, and we need to demonstrate that leadership by remaining positive in overall growth every year.

The great news is that we have several new Hispanic Round Tables and several new parish-based councils in the works, thanks to the excellent efforts of Hispanic Membership Chairman Mike Calderon and NCD/RT Coordinator (West) Eugene Daly, working with some great Grand Knights, priests, and District Deputies. There are hundreds of Catholic men who are literally waiting to be asked to join our Order. Be proud of what we stand for - and share it.

Speaking of standing for something, we are inescapably called to stand up right now. At the State Convention we will hear a message from our Supreme Knight's representative - as well as a video message from Supreme Knight Carl Anderson himself - about the need to stand up for religious liberty. My prayer is that the current onslaught of attacks on our Faith will serve as enough of a wake-up call to Catholics (and those of other religions) that we will finally stand up in numbers sufficient to make a difference in affecting our culture and our country. For too long we have sat silent while our culture has eroded around us. Hoping that someone else will stand up to do something hasn't worked well so far; much as we would prefer to sit back and let someone else act, it is time to heed God's call and step up ourselves.

(Continued on page 2)

## Message from State Deputy Don McBride (Continued)

As we've been discussing for several months, we have a real opportunity to do something in the short term. We are working feverishly to place Referendum 74 on the ballot so that we can preserve traditional marriage and overturn the redefinition of marriage that will otherwise go into effect July 6. We are pursuing 150,000 signatures by June 6, and so far we are only a little over a third of the way to the goal. I know that many Knights have followed the call of our Bishops to gather signatures in the parishes, and this has been a great effort. But it's time to "take it to the streets" – literally. Go to public events, stand on street corners or storefronts, visit your neighbors and friends. We will be held accountable by God if we do not do everything in our power to stop this law from going into effect – and at this point, the only thing that can do so is to gather another hundred thousand signatures. Actually I am certain some of those hundred thousand signatures have already been gathered – because I have been receiving questions from councils asking what to do with their completed petitions. Please immediately mail all completed (or partially completed) petitions directly to Preserve Marriage Washington at the address shown on the petitions.

In pursuing petition signatures, there are a few key points to keep in mind. One argument for signing the petition is to assert that the issue is of such fundamental importance that it belongs in the public forum – with a vote of all the citizens – rather than being decided by the legislature and the governor. Another key point is that the newly enacted change in the definition of marriage is unnecessary – because of changes to Washington State laws in 2007, 2008, and 2009, same-sex couples already are guaranteed all the rights and privileges associated with civil marriage. Thirdly, if you are challenged by people saying that the effort to preserve marriage is discriminatory, you can assert that to recognize difference is not discrimination. Biologically, it is inarguable that every child has a mother and a father, and it has long been recognized both by civil society and the Church that it is beneficial to children to be cared for by their mother and father in a committed, lifelong union. The argument that the concepts of motherhood and fatherhood are meaningless and disposable (along with the concepts of husband and wife) would inescapably diminish the value of marriage in our society, and diminish the dignity of the child and their fundamental right to have a mother and a father.

I'll close with one bit of good news, which I shared with many of you by email during April after the last bulletin came out. WE WON by helping to stop HB2330, the terrible legislative attempt to mandate insurance coverage for abortions in Washington. I have been told that our efforts as Knights of Columbus made a significant difference in blocking this bill which was expected to otherwise pass during the recently concluded legislative session. In light of the upcoming battles at the polls and in the public forum, I find it especially heartening to know that we CAN make a difference. Praise God!

Faternally,

*Don McBride*, State Deputy

## STATE SECRETARY MESSAGE

### STATE SECRETARY'S PLEA

As we approach the WSC Annual Meeting in the upcoming days in Spokane, it is incumbent upon you to get your Council "Delegate Certification" reports and "Per Capita" payments to me.

And please remember that your Certification of Delegate report must be submitted if you are to be seated as a voting delegate at the convention. **Too many are still missing from 56 Councils!**

And, your Council "PER CAPITA" payment must also be paid if your Council delegates are to be seated. **Too many are also missing from 49 Councils!**

I also need your Chairman, District Deputy and Grand Knight reports as you can't imagine the detail required of me to get them built into a workable composite report in a timely fashion unless I get them from you without delay.

It is especially necessary in the next days to get the Chairman reports. If you are responsible for a State Membership or Program, I need your report. I don't want to put a message in lieu of your report stating that "NO REPORT WAS SUBMITTED"! We must be 100% this year.

I am traveling to the Idaho Convention this weekend and standing in for our Worthy State Deputy. I'll look for your kind replies this next week. Please send them to me at...

**GEORGE CZERWONKA, P.O. BOX 1627, VERADALE, WA 99037-1627.**

Wayne C Hogan, VSM. PSD  
State Ceremonial Chairman

Washington has fourteen councils that have achieved the ceremonial requirements for the Star Council Award. These are councils: 676, 1379, 1643, 7908, 8179, 8297, 8872, 10653, 11253, 11948, 13374, 13560, 13794 and 15136. My congratulations to these councils and their grand knights.

There are twenty-seven councils that have submitted two or three Form 450C reports. **These councils should immediately conduct or participate in first degrees to ensure they have met the ceremonial requirements to achieve the Star Council Award.**

There are thirty-seven councils that have submitted one Form 450C report. **They still have time to meet the ceremonial requirements for the Star Council Award if they take immediate action to conduct or participate in first degrees.**

The seventy-one councils that have not submitted the Form 450C report should review their files to determine if they have conducted or participated in first degrees, if so, they should submit the Form 450C. The council's receipt of the Star Council Award is contingent on the submission of four Form 450C reports.

All councils should review their files and if they have conducted or participated in a first degree but did not submit the Form 450C. They should do so immediately. **They should submit the form 450c for each degree the council conducted or participated in but do not report all first degrees on one form 450c.**

Remember to meet the ceremonial requirements for Star Council you must conduct or participate and **submit your four first degrees on four separate Form 450C.**

All councils were provided with information on the ceremonial requirements. These are printed on the Form 450C and are, *councils must conduct or participate in at least four first degrees within the fraternal year to qualify for the star council award.*

*Councils are encouraged to conduct first degrees as often as needed to ensure the timely initiation of every membership prospect.*

*While the first degree may be conducted by reading the parts, the memorization of the degree remains the preferred method. Degree teams that have committed their parts completely to memory may be certified by the district deputy on form no. 543, notice of certification of first degree team.*

The exemplification of the First Degree Ceremonial must be reported on Form 450 by the District Deputy, which includes his comments. The Form 450C is completed and signed by the **Grand Knight or Financial Secretary**. **The host council is to immediately submit the Form 450C after each exemplification of the First Degree**, even if the host council does not have a candidate. **The Form 450 and 450C are available to be submitted electronically from the Knights of Columbus website at [www.kofc.org](http://www.kofc.org) or may be printed and mailed.**

**All councils are reminded that they have the ability to conduct their own First Degree at their own council and may read the parts (if necessary) or use the "Narration CD" in case they become short-handed.**

The purpose of this requirement for Star Council is to have councils conduct their own first degrees and with their own team members for their candidates. That is why the Large Print First Degree Book was issued to every council in the Order along with a CD which the council may use for the Chancellor and Deputy Grand Knight parts. Supreme's goal is to have every council conduct a monthly first degree for their own candidates and not send their candidate to another council to conduct the first degree for their candidates when they now have the ability to conduct their own degrees.

Is it too late for my council? NO.

Can my council still achieve the four first degree requirements? YES.

How can my council achieve the four first degree requirements? TAKE IMMEDIATELY ACTION,  
NOT NEXT WEEK, NOT TOMORROW, BUT NOW!

Do you want your council to achieve the Star Council Award? ONLY YOU CAN ANSWER THAT QUESTION

## Membership Director

My Brother Knights,

We are in full swing with our Membership Program as we are moving toward the finish line. As of today, we are close to 70% of our Membership Goal and if we keep pushing these next two months I know we will make it. **ONE MEMBER PER COUNCIL PER MONTH-THAT WILL GET US THERE!!!**

Now that we have got this big Machine rolling what we need to do is keep it rolling right through the summer and into our next Fraternal Year. Let's all make an effort to really get a good start next year by keeping the Membership Momentum going. We all want our State to make the Circle of Honor. This is a goal that is of utmost importance to everyone in the Knights of Columbus from the Supreme Knight to the newly inducted 1st Degree Members. Remember, **if we aren't growing then we are dying**, and our church is depending on us for help now more than ever.

### RECRUIT! RECRUIT! RECRUIT!

In the spirit of what I said above, make sure that all of you that are attending the State Convention take the opportunity to see one of Washington's favorite sons, **WSMPC Patrick Maloney PSD**, who will be holding a **Washington State Convention Membership Workshop Friday May 18, 2012, 11:00 AM-12:00 PM in the AUDUBON ROOM** one hour before the Regular Convention Session. We have room for 90-100 guys so come and grab a seat. In addition to collecting the "pearls of wisdom" that Pat will share, everyone who comes will be eligible for a door-prize drawing at the end.

Let's keep it up, finish this year strong, and **"KEEP OUR MEMBERSHIP MACHINE ROLLING"** right into next Fraternal Year.

Fraternally,

Bob Baemmert  
Membership Director

## Vocations/PFH/RSVP

Refund Support Vocations Program (RSVP) –

Under the RSVP program, local councils and assemblies agree to make an annual contribution of \$500 or more to an individual seminarian or novice to help with his personal expenses. For every \$500 given to an individual, the Supreme Council will

refund the council or assembly \$100. **A single application form (#2863) must be filled out and returned to the Supreme Office to qualify for refund and an award plaque.** A copy of the complete is sent to the State Chairman.

Completed RSVP refund application forms are due June 30, the end of the fraternal year. Every year many councils scramble to fill out and send in the forms. The RSVP refund forms must be submitted with proof, either copies of the cancelled checks or other documentary evidence. This means you cannot wait until June 15<sup>th</sup> to send the checks to the seminarians you are supporting and expect to get the cancelled checks back in time to meet the deadline.

In addition to financial support, let us not forget our commitment to spiritual support for seminarians. They need our cards, letters, and prayers. Invite your seminarians your council supports to your council meetings and other council events.

The following seminarians have birthdays this month: Alex Wilson, Kyle Ratuiste, Tyler Smedley, and Roletto Amoy. Please keep them in your prayers.

**Vivat Jesu!**

## MESSAGE FROM STATE ADVOCATE

Hopefully, every Council filed one of the Form 990's to let our government know that your Council exists as a Tax-Exempt entity. At my last check, yesterday, we have 14 Councils in this State that are in the process of regaining their Tax-Exempt Status after losing it some time last year. Those Councils that are **"WORKING ON IT"** are listed here:

676,763,1460,1699,2103,8136,8266,8297,10534,11252,11357, 11789,12786, and 13597

If you are one of these Councils and you have an update for me, I would love to get one. Also, if you are interested in what your current Tax-Exempt Status is, you can get that information by having your EIN ready and calling the IRS Customer Accounts Services toll-free at 1-877-829-5500.

Brothers, the Resolutions for this year's State Convention are now posted on the State web-site [www.kofc-wa.org](http://www.kofc-wa.org) on the home page. **BE ADVISED YOUR COUNCIL WILL NOT BE MAILED A SEPARATE COPY.** Download the Resolutions and review these Resolutions with your delegates and advise them on how you would like them to vote. Your voice will be heard this way.

Finally, I just finished reading and grading all of the finalists in the Awards competition for the State Convention. You guys have done some remarkable things this year and I hope you get to shine at the State Convention. See you there!

Fraternally,

Bob Baemmert Washington State Advocate

## FATHER MICHAEL MCGIVNEY GUILD

"We change lives, we save lives" very well expresses charity lived out in the life of Fr. Michael J. McGivney and his spiritual sons, the Knights of Columbus. In our daily lives as Knights, we have the opportunity to give of ourselves in terms of time, treasure and talent.

The opportunities are limitless; they depend only on the ingenuity and generosity of our Brother Knights. One such opportunity exists here in the State of Washington in the Kennewick area – "KC-Help". KC-Help is a service that provides long-term loan without cost of durable medical equipment such as hospital beds, walkers, canes, powered scooters and the like to persons who need but cannot necessarily afford these devices.

Sylvia and I have benefited greatly from the assistance provided by KC-Help. Through their generosity, she received a walker, a four-footed cane, and a power scooter to help her maintain her mobility. During my recent illness, having the power scooter aided me in maintaining my daily routine as well.

Hopefully, there will be a KC-Help durable medical bank soon in Vancouver. It will be part of an existing charitable organization under IRS regulations 501(c)3. It cannot be a part of the Knights of Columbus, which is a fraternal benefit organization under 501(c)8. District 11 is in the process of finding funding for storing donations to the KC-Help program.

It is my dream that someday there will be a number of KC-Help groups around the state of Washington beyond the ones already thriving in Richland, Kennewick, and Wenatchee, fulfilling a definite and well defined need.

Indeed, it is a logical extension of the dream of Fr. McGivney that his Knights always be in the forefront of providing works of Charity, Fraternity and Unity.

Duane Vincent  
Chairman, Fr. McGivney Guild

## Community Chairman

As I mentioned in one of my letters in the State Bulletin this past year, your communities have offered limitless opportunities for your councils to shape the world around you. Your presence and council-sponsored program activities have had huge impacts in local communities across the state. There is nothing we can't accomplish

when our collective efforts are united in the pursuit of a common purpose.

So far, I have received a number of outstanding Service Award submittals that are worthy of winning the Community Service Award for the Fraternal Year for 2010-2011. These noteworthy projects are diverse and varied and included:

- Support to food banks and soup kitchens
- Support to our senior citizens
- Support for the homeless
- Community blood drives
- Hosting Special Olympics sporting events
- Support for Specific Olympics and others with disabilities through our Tootsie Roll Program
- Fund-raising pancake breakfasts and dinners for many worthy causes and organizations
- Community celebrations and meals to honor our Seniors, Active Duty members and our Clergy and Ministers
- Sponsored festivals and other community events that brought positive attention and good will to our Brotherhood and the Catholic Church
- Outreach programs to support fighting crime
- Supporting a medical mission to assist the poor in Central American
- Blue masses to support our Brother Knights in Blue.

My Brothers, keep up the good work!!!! You make us all proud to be Knights!!!

My Brother Knights, thank you for all you do in the service of your communities. God Bless and congratulations on your worthy achievements. My Wife, Linda and I look forward to seeing you all again at the State Convention in Spokane

## GENERAL PROGRAM DIRECTOR

My Brothers,

May is here and so are the Awards submissions for presentation at the Convention on May 18-20th. This is a cherished time of year when we State Officers get to work like crazy to decide the winners but more importantly it is the most rewarding time of year as we read the stories of all the wonderful people and events that took

place this past fraternal year. Our commitment to the principles of the Order and truly living "the greatest commandment", to love others as ourselves, shines the very brightest during this time... as well it should.

Although we have had numerous submissions, some were too late for consideration. While those are worthy of a certificate of Recognition, they cannot be judged for an award as they exceeded the deadline, and those are the rules.

For the first time, this year, we went to all electronic transmission from the General Programs Director to all State Officers for judging... what a fantastic change. The amount of time involved was reduced so well that I was able to give the rest of the State Officers and extra 3 days to give greater consideration to each entry. Further, the expense of copying and mailing overnight to all five Officers was completely eliminated... a huge savings.

Next year, we will be looking at all submissions from Councils to Chairmen and from Chairmen to General Director, as well as from the GPD to State Officers to be electronic. (Ohhh, the times we live in, huh? A mere 10 years ago this would have been unthinkable...)

Let's look forward to a great Convention and the chance to renew old friendships as well as build new ones.

See you there.

Fraternally  
Pat Kelley/Warden  
General Programs Director

## A Special Award for Excellence

### State Secretary George Czerwonka is Recipient of "THE TOPEL AWARD"

George and Sharon Czerwonka were invited to attend the annual Bishop White Seminary - Rector's Dinner held on April 30<sup>th</sup>. After a reception and Prayer Service in the Chapel, a Dinner was held at Gonzaga University.

Rector. Very Rev. Steven Dublinski introduced Most Rev. Blase Cupich, Bishop of Spokane, as the principal speaker. He had just returned from a meeting with Pope Benedict XVI in Rome. Seminarian Dale Tuckerman, who attends the North American College, accompanied Bishop Cupich on his visit with the Pontiff as did another seminarian at the NAC from the Bishop's former diocese.

Bishop Cupich also introduced **Rev. Msgr. William Van Ommeren and Rev. Charles Skok** acknowledging their 60<sup>th</sup> Anniversaries. **Their combined service to the priesthood of 120 years is a milestone that we are proud of as Knights of Columbus.**

Rector Dublinski next read the bio of the 2012 recipient of "The Topel Award"! Little did State Secretary George Czerwonka know that he was being singled out for the award. He slowly began to recognize some of the accolades being attributed to the himself and wife, Sharon, for their personal contributions to Bishop White Seminary and for his work the past three years in leading the BISHOPS CAMPAIGN to help pay down the construction debt remaining on the new seminary building and chapel.

#### The Award reads:

**"The Topel Award is given to a person who demonstrates outstanding support of Bishop White Seminary. The Topel Award is named for the third bishop of Spokane, The Most Reverend Bernard J. Topel, Ph.D. Bishop Topel's commitment to priestly formation led him to found Bishop White Seminary in 1956."**

**The 2012 recipient of the Topel Award is  
Mr. George H. Czerwonka, Jr.  
State Secretary, Knights of Columbus**

He accepted on behalf of Washington State Council and all the councils, member Knights and their families that made a pledge and offered their gift's to reduce the Bishop White Seminary construction debt. And for all councils yet to offer their gift's stating that "our work is not done, and we still have many miles to go to reach our objective of all councils contributing to Bishop White Seminary". A summary of those contributing councils and individuals is contained in the May 2012 bulletin

Many priests and supporters of Bishop White Seminary were in attendance including **Past State Deputy Edward Mertens and FDD and Membership Development Chairman Thomas Sokol and wife, Marie.**

**Prayers for the sick and those in need are one of the most important duties of Knights. Financial Secretaries have the responsibility of informing WSS George Czerwonka of any Brothers or family members who have died or who are in need of our prayers.**

**We will purge the lists each semi-annually. Please keep us apprized of those in need on a regular basis. Death notifications should include name and addresses of next of kin and sent to WSS. Supreme can be notified on line in the Member Management program (or by Form 100 if the FS has not yet moved to this program).**

## District Deputy Director Message

### Suggested Plan to Revitalize a Council

The following is a suggested plan to revitalize a needy council, put together by DD 2 Tommy Rosati. Sometimes a council needs a way to find its way out of the dump. The State Council has had success helping those councils who ask for help.

**Problem A: Lack of solid, consistent leadership**

**Solution:**

1. **Commitment** from the GK, DGK, Chan & FS at a minimum; preferably a commitment from ALL of the Officers, however, this is often times not possible.
2. Upon being elected as GK, he should **IMMEDIATELY meet** (privately) **with the Pastor** of the Parish and ask him what **HE** wants & needs from the Council & specifically ask for his support (*i.e. ask the pastor if the GK [or another Council Member] could speak after Masses for the purpose of conducting effective Membership Blitzes & to personally invite him to attend Council Meetings. Once the Pastor is "on board" & supportive of the Council, Members will often times follow instinctively*).
3. **Training of Council Officers** as to their positions & responsibilities. This could be done with the District Deputy with or without the rest of the Officers in the District.
4. If more effective Officers are needed & no Council Members are "stepping up," one option (though usually not the best option) is to ask proven & effective **Members** from the surrounding area. (*I only suggest this as a last resort.*)

**Problem B: Lack of effective Council Officers working together as a team**

**Solution:**

1. **Officer's Meeting** to be held 7-1 day prior to the business meeting. This can be done at an Officer's home, restaurant or at the Parish. This should be an informal meeting the same day & time each month & may include snacks & beverages with the sole purpose of "getting (& keeping) the Officers on the same page."

**Problem C: Lack of an effective, basic way of communicating with Council Members (email distribution list, phone tree etc.)**

**Solution:**

1. Coordinate with District Deputy & Financial Secretary to **assemble a complete list of the Membership's contact information** (name, address & phone number) & use this information for below mentioned survey (problem D solution #1) and to establish an email distribution list and or a phone tree. This can be done **via "The Power of Ten"** (See **State Web Page**) with the commitment of a core group of Officers (see solution #1 to Problem A).

**Problem D: Lack of participation/attendance at Business Meetings & Programs from the general membership**

**Solution:**

1. **Survey** the **ENTIRE** Council Membership as to what Programs THEY want and what THEY need & expect from their Council. Use this information to restructure the Council's Programs to better engage the Membership (see below for Program suggestions). *This survey can also be used to improve communication (see above, Problem C).*
2. Once the survey is completed, **communicate** (often) with the Membership as to its results and your commitment (as the GK) to see that the survey is taken seriously.

## District Deputy Director Message (Continued)

3. Use the above Officer's Meetings (solution #1 to problem B) to **better organize & plan the Business Meetings** & give the Membership a good reason to not only attend, but take an active role in the Meeting. Few items of business should be brought before the entire Council that were not previously discussed at an Officer's Meeting.
4. Formulate a SOLID plan for new **Member recruitment**. *(Sometimes "new blood" is needed for new ideas & a new [unclouded by history] perspective.)* Your DD can help you with this.
5. If the **Pastor** can **attend a Council Meeting** (above), make a big deal out of it with the Members and treat that Priest with the respect he deserves when in the Council Chambers *(i.e. 3 gavel raps for all to stand when he enters or leaves the Chamber etc.)*
6. The GK & DGK need to **dress for success!** Wear at least a collared shirt & tie (preferably a jacket) when facilitating a Business Meeting. *(This has more to do with making a statement than anything else, i.e. the GK is taking this role seriously enough that he feels he should dress nicely.*
7. Set up a monthly Council **"Social Knight."** This is an informal time for Members & potential new Members (& their families) to simply get to know each other. At first, few may show up, but if they are done consistently (same day & time every month), more & more will show up over time. Maybe make them "a potluck;" maybe have a TV & DVD player set up for children; maybe have some board or card games etc.
8. **Communicate** reminders (at least bi-monthly) to the entire Membership regarding Business & Social Meeting dates & times & ask them to attend.
9. **START THE BUSINESS MEETINGS ON TIME & KEEP THEM TO ONE HOUR OR LESS!!**
10. **PRAISE IN PUBLIC, PREACH IN PRIVATE!!** There have been too many instances (I have witnessed myself) of "calling people out" when mistakes are made. This is not helpful in any way & **MUST STOP!** EVERYONE should be treated with dignity & respect at ALL TIMES!

Problem E: **Lack of basic programs**

Solution:

1. Upon review of the above survey, **determine which Programs the Council wishes to support.** Some easy to do & manage Programs for the Council to consider include:

- I. Tootsie Roll Program
- II. Wheelchair Program
- III. Ultrasound Program

**"THANKS FOR A GREAT YEAR AND WE'LL SEE YOU AT THE CONVENTION IN SPOKANE!"**

**RULE # 2 - NEVER FORGET RULE # 1**

**STEVE SNELL, FDD, PFN, PGK -- STATE FAMILY**

**BOB**

Bob wears an old denim jacket, and carries an unlit cigarette between his lips. The dire warnings on the package doesn't mean much to Bob. When you've traveled the many uncharted back roads that Bob has, you've seen a side of life most haven't, you're not that scarred of not breathing, or so says old Bob. **He'll light up as soon he remembers which pocket he buried his matches in, or maybe he left them in one of the dingy bars he visited last night. Bob's biggest challenge at the moment is finding a match, by the way, he lives in the moment, lots of them.**

**Bob is sitting in a working man's diner brooding over a cup of lukewarm coffee, dreaming he had the money for a bowl of soup, this magical moment is interrupted by someone trying to start an old pickup. The old cold engine coughs. Old cold Bob's beat-up lungs cough. Bob is not the picture of health, in fact his picture is a little blurred at the moment.**

He has several problems besides being hungry, he is living in one "broken moment," after another. Be that as it may, Bob's position is not a totally hopeless one, after all Jesus came to save the sick, the downtrodden, the infirmed, the morally rejected; spirits totally broken beyond their own repair, like many others they are hopeless for themselves but ripe for God.

**THE FOOD FOR FAMILIES PROGRAM** is an example of Knights "being there" with hands on caring. The first step in the Knight's journey is to mend a broken spirit with compassion and a helping hand. With the Lord's help they will begin to mend Bob with a hot meal and hope.

*Please continue to support food banks, soup kitchens and any avenue for feeding the hungry. Send in the food for families form and our state will receive credit.*

**"Supreme has extended the dead line until June 11th."**

Brothers we are asking you to be there, **we still have time to be there!**

**STEVE SNELL, FDD, PFN, PGK -- STATE FAMILY CHAIRMAN**

## Tootsie Roll Program

Valuable time is ticking away for your council to sign up for the Tootsie Roll Drive October 5-7<sup>th</sup> and procure locations. Our council has confirmed 6 locations and they are all from last year's drive. See how easy it is to procure locations from the previous year? Once you get through that first year, it's a breeze.

Statewide, we had a final total of \$79,214 and 35 brave councils for our first year. This is simply amazing and twice what I expected. I am still hearing positive responses and pictures. Over 25 organizations benefited from efforts in YOUR local area. This is on top of the WSC Special Olympics support.

The Convention is fast approaching and there will be 6 awards handed out for our inaugural Tootsie Roll program. For the first year, all participating councils will receive an appreciation certificate for participation. After this year, it will only be awards.

I am so looking forward to our Drive this year. Please send me your Council Chairman Forms located on our website at [columbuscharities.net](http://columbuscharities.net). That is where you go to locate all other information and Forms on the Tootsie Roll Program.

I am looking forward to seeing you at the Convention. Come by and get a Tootsie Roll.

God Bless,  
Kim Washburn  
State Tootsie Roll Chairman

## FS Trainers Tip of the Month

WFS', do you realize that you can simplify reporting of new officers and Service program personnel in Member Management instead of manual preparation of forms 365 and 185? You can copy the current list into the "next fraternal year", edit the changes, print off the updated lists to mail or just save the file and email to appropriate State Officers. Supreme has then been updated as a result of what you have just done.

Council Advocates, you also have access to the Council by-laws and the Officers Desk reference area when you log online with Supreme. Lots of issues can be resolved by your review of the many FAQ's and many topics are explained in great detail. If you are not certain how to access these topics, drop us an email and we will help you.

Because we have so many long term ill members, we will only clear the sick list twice a year. If someone in your council has recovered, just drop me an email to remove them from the list. Send it to [bulletin@kofc-wa.org](mailto:bulletin@kofc-wa.org).

Vivat Jesus!

## General Insurance Agent East

### Basic knowledge on insurance products

For this month's column, I thought a little "Life Insurance 101" might be beneficial.

Whole life insurance is the most basic plan of permanent life insurance protection, and calls for premiums to be paid for your entire life, or to age 100. You may also consider another permanent life insurance product – one with guaranteed cash values – that offers a limited period of premium payments. The Knights of Columbus offers three permanent life insurance products for which premiums do not have to be paid for all of life.

"Twenty Pay Life" is exactly as the name suggests: a permanent plan with premiums payable for 20 years. After the premiums are paid for the 20 years, the plan is "paid up" and no more premiums are due. Unlike its term counterpart, however, the plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

Another such plan is our "Life Paid Up at 65." With this permanent product you pay premiums until you reach age 65. Then, premiums stop (just in time for retirement), but the plan remains very much in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

I have detailed information on all of these products. At your convenience, I'll meet with you and your wife to perform a free, custom-tailored needs analysis, to help determine which of our many life insurance products is right for you and your family. Call me and I'll put you in touch with your agent.

Fraternally,

Vincent Polis, General Agent

### *Armed Forces Day*

**Armed Forces Day** is celebrated on the third Saturday in May. The day was created in 1949 to honor Americans serving in the five U.S. military branches – the Army, Navy, Marines, Air Force, and Coast Guard – following the consolidation of the military services in the Department of Defense.

The United States' longest running city-sponsored Armed Forces Day Parade is held in Bremerton, Washington. In 2012, Bremerton will celebrate the 64th Armed Forces Day Parade.

Please continue to send donations to me, so that I can make additional submittals to Supreme and achieve our second year's goal early. (Some councils/assemblies have mistakenly sent checks directly to Supreme and I cannot take credit for them.)

**Contributions have slowed down; the only donation received since the April 2012 state bulletin was from Assembly 1183 and Council 10532**

### UNPAID PER CAPITA BY COUNCIL #

**Worthy Grand Knights...the apparent troubles with getting the Per Capita, Pennies for Heaven and Insurance Survey notices to your Financial Secretary has delayed payment of many Per Capita and Pennies for Heaven payments. Your kind review and completion will be most welcome...**

**In addition, we are lacking a significant number of Convention Credentials also. With the annual convention only a few weeks away, it is incumbent upon each Grand Knight and Financial Secretary to ensure their council per capita is paid and their Delegate Credentials are submitted too.**

## Wheelchair Program

The Order's partnership with the Global Wheelchair Mission provide hope and independence for thousands in need

### Mission

The American Wheelchair Mission is a non-profit organization with a goal to deliver brand new, free wheelchairs and mobility aids to physically disabled children, teens and adults throughout the world who are without mobility or the means to acquire a wheelchair. With a strong focus on the needs of the Americas, the American Wheelchair Mission will continue to change the lives of entire families with the gifts of hope, dignity, freedom and independence.

### Impact

The delivery of a wheelchair to a person without mobility improves the quality of life for the entire family. Children can go to school, adults can go to work to provide for their families and the elderly can get out of a bed they may have stayed in for years at a time. We estimate that each wheelchair we deliver impacts an average of 10 lives in a positive way.

### Need

It is estimated that more than 100 million people throughout the world are in need of a wheelchair but cannot afford one. These people cannot be helped by canes, crutches, walkers or prosthetics. A wheelchair is their only hope for mobility. On average, developing countries around the world have about three percent (3%) of their population physically disabled and unable to afford a wheelchair. In the 60 or so countries with civil unrest, landmine and unexploded ordnance problems the percentage of physically disabled can rise as high as Angola's twenty percent (20%). Afghanistan, Iraq, Cambodia and Sierra Leone are not far behind. Colombia is the only country in the western hemisphere with landmines actively being planted by anti-government rebels, and has a growing problem. The reasons for physical disability include war, disease, accidents, lack of health care, aging and others. The delivery of wheelchairs to physically disabled people allows children to go to school, adults to go to work and provide for their families and the elderly to get out of a bed they may have stayed in for years at a time. But a wheelchair does not only change the life of the recipient. We estimate an average of ten lives are improved by the delivery of each wheelchair. Families can attend worship services and social gatherings together; people who have crawled on the floor or ridden on a skateboard can now look family in the eye for the first time and feel dignity. The prayers of entire families are answered with the gift of a wheelchair.

### Process

The brand new wheelchairs we deliver would sell for \$500 in a medical supply store, but we purchase them by sea containers of 100 to 280 wheelchairs, deliver them directly to the country of destination and can do this for an average of only \$150 per wheelchair. Please see the Our Program section of this website for more details.

This program is **not** an annual event culminating at the State Convention. As soon as you can make a donation, please do so. Your donations need to be sent to the State Secretary, George Czerwonka. Global Wheelchair Mission is a 501(c) (3) tax-exempt organization.

I want to **challenge** every council to help kick start this program by writing a \$200 check and sending it to our State Secretary. If you accept my challenge, we will raise \$29,800. This will get us our first container of wheelchairs and a balance toward the next.

My brother knights, requests have come for wheelchairs. As much as we want to honor these requests, your help is needed. In order to honor these requests, **we need to raise \$16,500** in order to get a container of wheelchairs. Can your council/assembly make a donation? Can your council/assembly do a fundraiser, i.e. "Wheelchair Sunday"? Please look at your budgets and see if there room to help those with mobility issues. I pray that there is and some other prayers will be answered.

Don't forget the side effect of this program, increased council membership. When you do the "Wheelchair Sunday" or other fund raisers, please be prepared with form 100's.

### **Hispanic Membership**

Congratulations to Holy Family, St Brendan, St Andrews, St Mary, which now have Mesas Redondas Hispanas on the west side, Kennewick and Othello on the East side.

Thanks to all Pastors that have rendered help when a recruitment presentation is made after a Spanish mass. This not only brings awareness that the Caballeros de Colon are evangelizing to the Hispanic community but you as Knights of Columbus are making sure that the benefits that the fraternal order has are made available every Catholic family.

Sometime recruitment is a tough sale. In my parish of St John the Evangelist we see abundant youth as in all parishes. Some parishes do not have a youth program, so get one started and make it known that this is being done by the Caballeros de Colon for the good of the parish community.

An example of youth involvement would be a soccer program if one is not already in place. Soccer is like a first love to youth of today, especially Spanish speaking youth. Get a field, have the youth sign injury waivers forms for protection and ask for volunteer coaches as there is an abundant supply who has coached before.

St John mesa not only is growing, but also has a first degree team with substitutes. Seattle has a first degree team that will conduct a ceremony, April 30<sup>th</sup> for candidates as a result of presentation after Spanish mass at several parishes.

Any event brings awareness of what the Knights are all about. Wear your badges to soccer practice, when you step on parish campus and all parish functions. Arrive early so as to hold the door for the faithful when they enter to attend mass. Introduce yourselves by name and as being a part of the Caballeros de Colon or Knights of Columbus and get to know everyone in the parish. It's amazing the response one gets when the door holder mentions we have breakfast after mass and would like to personally invite you. It's all positive.

There is growth in every parish, especially those that have Spanish mass. In order to schedule a presentation after mass in your parish, seek permission from the pastor, or ask me to call him. Have Spanish printed materials on hand and two 4<sup>th</sup> degree men in regalia on the day of the presentation. The presentation should be about 3-4 minutes in duration. Have a table in the rear of the church for handout materials and members that can answer questions. Be sure to review all Form 100's that have been signed.

All good things take time. You gentlemen by your evangelism and reaching out to the Hispanic culture are doing God's work, thus being our brothers keepers.

Viva Cristo Rey, Viva Nuestra Madre de Guadalupe,  
Mike Calderón

## 2012-2013 Second and Third Degree Schedule

### Wayne C Hogan, VSM. PSD State Ceremonial Chairman

The new third degree ceremonial was announced by Supreme Knight Anderson at the Supreme Ceremonial Meeting in Dallas, Texas on March 26, 2011. Upon receipt of the new third degree ceremonial books in April 2011, Washington immediately ceased conducting the old third degree and conducted the two new third degrees on April 30 in Mercer Island and Colton. All third degrees scheduled in 2011-2012 were the new third degrees and conducted together with the second degree.

There will be a **major change, effective July 1, 2012** in the way Washington schedules and conducts second and third degrees. **The second and third degree will no longer be conducted together.** This was announced at the District Deputy Mid-Year Meeting on December 3, 2011. Also, effective July 1, 2012 the Washington State Council will only publish the Third Degree Schedule. Each district deputy will schedule and publish his own Second Degree Schedule. Another change in 2011-2012 was that Washington scheduled a second and third degree in every month and we will continue to schedule a third degree every month.

To prepare for the conducting of separate third degrees in July 2012, separate second degrees will begin to be conducted in May and June 2012. The scheduling and conduct of second degrees is the responsibility of the district deputies. The second degree will be conducted primarily on a weeknight either prior to or immediately after a council meeting. The second degree is about 40 minutes, plus limited time in the Antechamber. For the second degrees to be successful, every council should prepare a list of all only first degree knights in their council. At least two months prior to the scheduled second degree, the council should contact each of these first degree knights and make arrangements for them to receive their second degree. The council should ensure maximum attendance at these second degrees to demonstrate their support of a brother knight. About a month prior to the second degree every grand knight should inform his district deputy as to the number of candidates and members that will be attending the second degree. The council should present the new second degree knight with his membership card and Second Degree New Member Certificate, Form 269.

These changes will require district deputies to schedule second degrees frequently, at least one each quarter, to support the third degrees. Presently Washington has ten certified second degree teams, these are Districts 1, 3, 7, 8, 9, 11, 12, 13, 15 and 21. District 1's second degree team was certified on April 12. District 2's second degree team is scheduled to be certified in mid-May. This will bring the total of certified second degree teams to eleven.

Eastern Washington has only two certified second degree teams, Districts 7 and 8. Districts that have been issued second degree books but do not have a certified second degree team are, in eastern Washington, Districts 6, 10, 18 and 33 and in western Washington, Districts 4, 22 and 24. Some of these seven districts are working to form and train second degree teams to be certified while a few others are considering forming a second degree team. They are recruiting team members and if any knight is interested in joining a second degree team should contact his district deputy. If other districts determine a need to form a second degree team, contact me.

Third degrees scheduled on Saturdays, recommend the degree be conducted in conjunction with the Saturday Vigil Mass. Invite the candidates to bring their wives and participate in a Corporate Mass with their brother knights and their wives of the scheduled districts. Coordinate with the pastor and reserve pews for the candidates, members, ceremonialists and wives. Prior to the mass, have the chamber set-up and register the candidates and present them with a ribbon. After mass, the candidates will proceed to the Antechamber, the members and ceremonialists proceed to the Chamber. The third degree requires about one hour and an a half from arriving at the Antechamber until degree is concluded. An appropriate ladies' program for the wives will be provided by the host council. The program should be at least one and a half hours and following mass the ladies will proceed to the ladies' program. After the degree, the new Third Degree Knights and the members will join their wives for snacks, coffee and tea or other appropriate refreshments. With third degrees scheduled following or preceding the Saturday Vigil Mass or the Sunday Mass should permit more opportunities for the clergy to attend the third degree. If the Third Degree is scheduled on Sunday, consider having the Corporate Mass the last scheduled Mass. The availability of rooms on Sundays should be considered. As with Saturday degrees the Sunday degree may be conducted prior to or after the Sunday Masses.

Inform the priests in your area of this new schedule and invite them to observe the new third degree. Depending on availability of facilities, the degree may be conducted prior to or after the Saturday Vigil Mass.

As with tracking first degree knights, it is critical that the councils maintain a list by name of all second degree knights. As with the second degree, at least two months prior to the scheduled third degree, the council should contact each of these second degree knights and make arrangements for them to receive their third degree. The council should ensure maximum attendance at the third degrees to demonstrate their support of a brother knight when he is receiving his third degree. About a month prior to the third degree every grand knight should inform his district deputy as to the number of candidates and members that will be attending the third degree. During the registration the second degree knight must present his second degree membership card. If he does not have his second degree membership card his grand knight or his financial secretary must vouch that he is a second degree knight. First degree knights will be turned away until they are a second degree knight. His grand knight or financial secretary will present to the registrar the candidate's third degree card for presentation during the degree. The council should present, at an appropriate function, the new third degree knight his Third Degree New Member Certificate Form 270.

Additional information on the planning, scheduling and conducting second and third degrees will be provided.

## Security of Ceremonial Books

### Wayne C Hogan, VSM. PSD State Ceremonial Chairman

The importance of properly securing our ceremonial degree books cannot be overstated. The requirements have always been that the ceremonial degree books must be carefully guarded so that they may not fall into the hands of strangers. The Financial Secretary is the custodian of the council's ceremonial degree books and the Grand Knight should see that this requirement is followed. The Second Degree Team Captain is the custodian of the districts second degree books and the District Deputy should see that this requirement is followed.

Prior to Supreme issuing the revised First Degree books, dated June 10, 2005, in December 2005, all District Deputies were instructed in the proper security procedures. These included that all ceremonial degree books were to be kept in the secure container such as a strongbox, safe, etc., with a lock and key. Further, that all **first and second degree books are not to be permanently issued to team members. Supreme prohibits the permanent issuing of ceremonial books to team members.** The team members and those who are learning parts are to sign out for the book only long enough to memorize their part. This should be no longer than two weeks. If a team member requires the book longer than two weeks, he should return it and resign out for the book. The Financial Secretary is to maintain a sign-out form, listing the name of the knight who is signing out the book, the serial number of the book, the time and date it is signed out and the time and date the book was returned.

A complete set is five first degree books, dated June 10, 05 (burgundy cover), 1 CD and 5 songbooks. All councils who had a certified first Degree Team or had been issued first degree books prior to December 2005 were automatically issued in December 2005 a set of first degree books. Supreme Knight Carl Anderson in his letter of December 2, 2010 to the Grand Knights authorized the reading of the first degree and enclosed with his letter was a copy of the new edition of the Large Print First Degree book. Also, included was a CD recording of the Chancellor's and Deputy Grand Knight's parts. Even though **the book was mailed to the Grand Knight, it is NOT his degree book.** He should have transferred it to the Financial Secretary.

Due to the number of degree books issued, the serial numbers printed in the books were not the standard serial numbers, but were random numbers from three to six digits which may or may not have been in sequence. All subsequent issued books their serial number follow the standard numbering, which for first degree books is: Our state number is 46. The following number is the degree 1 for first degree, followed by the council number and for second degree books a three digit number. For example, books issued to Richland council 3307 will have the serial number: 461-03307A ("A" being the initial books, "B" indicating the second set issued, etc.).

A complete set is 4 second degree books, dated Nov 1, 06 (gray cover) 1 CD and 5 songbooks. The second degree books issued to the Second Degree Team Captains is as follows: Our state number is 46. The following number is the degree 2 for second degree. Followed by Supreme control number based on when the Second Degree Team requested the degree books. For example, books issued to District 3 have the serial number: 462-202A ("A" being the initial books, "B" indicating the second set issued, etc.).

**The copying of the ceremonial books is strictly prohibited.** This includes scanning the ceremonial book and saving it as a computer file. If copies of the ceremonial books are discovered during the physical inventory, the district deputy is to remove them and forward them to the State Ceremonial Chairman for disposition.

It is imperative that all ceremonial degree books are accounted for. **Strongly encourage that every council, when conducting their audits, have the trustees inventory the First Degree Ceremonial books,** the CD, the song books and the degree paraphernalia and robes.

This year the conduct and submission of the Inventory form for ceremonial books has been poor. After nine months, only 17 districts have submitted their inventory this is slightly over half of all districts. **The inventory reports received indicate that nine complete sets of first degree books, eight degree books and nine Large Print first degree books cannot be located.**

Councils that cannot find or account for all their first degree books must search for them in filing cabinets, briefcases, safes, storage boxes, etc. They should contact every team member, past or present, any knight who wanted to become a team member and may have been issued a book. They should begin with the grand knight and financial secretary in December 2005 who received the books and ask them who they gave the books to and to whom they transferred the books. Then contact the next grand knight and financial secretary and trace the control of the books to the present grand knight and financial secretary. They were responsible for the security of the ceremonial books and should know what happened to them when they controlled the ceremonial books.

It will be very embarrassing for you if your council's ceremonial books are listed for sale on EBay. Last year this happened to another jurisdiction when a complete set of first degree books were being sold on EBay. Do not let this happen to your council.

## State Treasurer and Forms Message

Brothers All,

As we near the state convention - please make sure you look at the lists below and if your council is present.....please get with me to resolve the delinquent reports!! There should be no reason these reports continue to be missing.

For your council's sake, let's make sure the Columbian Award application gets filed on time. Remember without this filing, no Supreme Council award can be presented/won.....yes, that includes the Star Council award. Please, no late entries on this report. The must be filed on time. To aid that process, if you get them to me by end of May I can work with Supreme to ensure they are received and recorded in time. I'll work **for** you if you work **with** me!

Let's get these in before any more time slips by.

Vivat Jesus!

**Ed Parazoo**

## For Greater Glory - The Story of Cherished Freedom

### Christiada

The relics of six Knights of Columbus priests, martyred during the period of anti-Catholic persecution in Mexico in the 1920s and 1930s began a pilgrimage of the United States in Houston on April 27.

Surrounded by scores of Fourth Degree honor guard, as well as bishops and priests from throughout Texas, the relics were present at the co-Cathedral of the Sacred Heart in Houston for the opening Mass of the Knights' Texas State Convention. Bishop Kevin Farrell of Dallas served as celebrant and homilist for the Mass, and used the example of the martyrs to illustrate the importance of the need today for Knights to stand up for religious liberty today.

The six priests — Fathers Pedro de Jesus Maldonado Lucero, Miguel de la Mora de la Mora, Jose Maria Robles Hurtado, Luis Batiz Sainz, Rodrigo Aguilar Alemán, and Mateo Correa Magallanes — were all martyred for their faith by the Mexican government during the religious persecution in Mexico in the early 20th century.

“For many years, this period of history has been all but forgotten on both sides of the border,” said Supreme Knight Carl Anderson. “This year, with the release of both a major motion picture and a book on this subject, the story of the struggle for religious freedom in Mexico will begin to be told. It is our hope that the pilgrimage of these relics will remind us all of the sacrifices made on behalf of religious liberty on this continent less than 100 years ago. It is a timely reminder that — from Ancient Rome to 1920s Mexico to today — persecution does not stifle the faith, but emboldens it.”

**For Greater Glory** — a film being released June 1 — takes the history of this period to the big screen with an all-star cast including Andy Garcia, Peter O’Toole and Eva Longoria.

A link to a promotional movie trailer is provided for your consideration [www.forgreaterglory.com](http://www.forgreaterglory.com). The delegates to the 129<sup>th</sup> Supreme Convention in Denver last August were blessed with the opportunity to view this video and to hear an Archbishop from Mexico speak on the subject with personal knowledge as his father was deeply involved in the conflict.
