### Message from the State Deputy

My Dear Brothers,

See my new picture. Ain't it purty...Don't answer that. My eye finally healed enough so I wouldn't qualify for a Halloween poster this year.

When you read this Bulletin article, we will have completed all of our 10 Regionals. I would like to give a special thank you to WSA Scott Hulse for his work in setting up these locations with the DD's and GK's help. All of the officers, MD Mike Rutland, PD Dang Nguyen and Finance Administration Chairman Kevin Fraley are to be commended too, for all their help in making this all a success. It's a tremendous commitment and they did a stellar job. Tom Williams provided a virtual link to all Regionals with great success. The productions got better and better from one Regional to the next, provided adequate Wi-Fi was available. It has been a blessing to get out and meet in person, while following Covid protocol.

Another special thank you goes to our Supreme Regional Growth Director, Chuck Davlin. Absolutely great help to us in all aspects, as he made all but two Regional's, and that was due to a change in schedule by us. What a commitment he made for our benefit and continues to do so.

As of this writing, we are at 394 new members for the year, or 63.96% of quota. We are up 247 members Net/Net (new members minus, transfers out of State, suspensions and deaths). Our total membership stands at 16,777. I am very proud of your accomplishments, keep up the great work you are doing.

Most of the new members are from online. Once they are online members, Renato Sacramento assigns them to a council, then it's up to the council FS to pull them from the Prospect tab. Mike Rutland, Membership Director, can help if you have any trouble. His address and phone number is on our Washington State website. If that doesn't work, call me.

As a result, 16 councils have met their first 100 day incentive, a Pizza Party for their council members and family. 12 of the 16 have met their annual intake quota, one of the most difficult parts of Star Council to attain. We have another 9 that almost met the 100 day incentive. I suspect by the middle of November, we will have 25 councils who have met their membership goal for the year. Fantastic job!!

We now have two "Intent to Form a Council" applications. That is also great news!!

KCHelp caught the eye of many attendees. I suspect this State will begin to see more KCHelp locations pop up. A VERY worthwhile program and gratifying, while remaining very visible. Presentations by Chairman Jerry Rhoads and WSW Larry Devlin were truly inspirational. Great work guys!!

Our Tootsie Roll Program is finally showing some signs of life after Covid shutdowns last year. Fred Meyer, our biggest partner, is still not allowing doorway activity.

## Message from the State Deputy Cont'd

Don't let that stop you. There are many mom and pop stores around the State that have seen the results of this wonderful program at work in their local areas. It's great advertisement for their business, as locals seek to continue supporting their community by donating to the Tootsie Roll Program. Don't worry about it being the right time of the year to hold a Tootsie Roll Drive. In these times, we need to focus on the program itself, and not so much the time of year.

Cor Christi was also a focus of our Regionals. Pennies for Heaven, through your council's efforts and investment return from Asset Advisors, has made it possible to donate \$26,500 to Cor Christi, McGivney Hall supporting Bishop White seminary. \$37,600 was distributed to each of the three diocese supporting Vocations, as well as \$5,000 extra dollars to the Yakima Diocese to support their seminary mission in Mexico. \$10,000 was allocated to Holy Theophany, as well. All total, \$154,300 was donated out of your council donations and dividends/growth in investments. What a great program this is, started in 1959 (I think). Long time ago anyway.

## State Chaplain's Message

Dear Brother Knights,

November somewhat naturally brings us into a state of reflection. With the changing of the weather and the shortening of the daylight hours, outdoor activity is on the decline, and we probably find ourselves indoors a little more. Maybe there is also a bit of a lull between the busy of summer and the busy of Thanksgiving and Christmas. For me, November feels like a time for winding down, which affords me extra time for reflecting.

The Church encourages us to reflect on the four last things -- death, judgment, heaven, and hell -- as we near the end of the liturgical year. We all know the phrase "Tempus fugit; memento mori" (*Time is fleeting; remember death*), but I wonder how often we put it into practice. I assume most of us spend more time thinking about living than about dying . . . which isn't a bad thing, but we should also remember that our living is ultimately oriented toward our dying. And our dying is, in Christ, made a doorway into eternal life for those who die in God's friendship.

It's alarming how few people give truly serious thought to the reality of death, what awaits them beyond death, and the impact their present living will have on what happens after they die. The Church (a good mother) does not want us to be unaware about these important matters, and she certainly does not want us to be presumptuous. Rather, she encourages us to be industrious about the work of preparing our souls (by God's grace, of course!) to the best of our ability.

The Church also encourages us in November to engage in the activity of remembering. We give special attention to the memory of our brothers and sisters in Christ who have gone before us: those in heaven (the *Church Triumphant*) and those in purgatory (the *Church Suffering*). The remembrance of the former spurs us on in our pursuit of greater holiness, and the remembrance of the latter prompts us to pray and offer sacrifice for those souls who depend so much on us to obtain God's help for them.

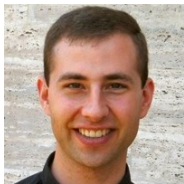

I want to urge you this month not just to *think* that it would be a good idea to ponder the four last things and to remember the saints in heaven and the souls in purgatory, but *to actually do it!* Be deliberate and intentional about bringing end-of-life topics into your prayer and conversing about them with God. Read at least a few lives of the saints over the course of this month -- especially ones that are unfamiliar to you. Pray extra prayers for the dead, and even consider having a Mass offered for a deceased relative, friend, fellow parishioner, or for all the souls in purgatory.

When I ponder the last things and remember the dead, I find that it ends up having an impact on my day-to-day living. I begin to see, more and more, the decisions and events of life in the broader perspective of their eternal value instead of the limited scope of their immediate pleasure, pain, value, or uselessness. It helps me to seek God's will more consistently and constantly.

Finally, a word of thanks to all our Knights who are also veterans. You are in our thoughts and prayers this month, too, especially on Veterans Day.

Vivat Jesus!

## A Message from the Bulletin Editor

Spirit, fill the hearts of Thy faithful: and kindle in them the fire of Thy love.

### St. Andrew November Saint of the Month

Called by the Lord, St. Andrew, brother of Simon Peter and disciple of John the Baptist, was a fisherman. He preached the Lordship of Jesus, and his message spread throughout the world. While a disciple of John the Baptist, John identified Jesus as “the Lamb of God.” Andrew began to follow Jesus and was one of his first apostles. He found delight in bringing others to Jesus, and told him brother, Simon, one day:

“We have found the Messiah,” and he brought Simon to Jesus (John 1:35-42)

Andrew was also the apostle who found the young boy in the crowd with five loaves of bread and two fish, that became the meal for more than 5,000 people. (John 6:1-15) Tradition has that St. Andrew preached north of the black Sea and in Greece, and died bound to an X-shaped cross, at Patras, Greece. He is the patron saint of Russia and Scotland, and patron of the fishing industry.

## State Secretary's Message

My Brother Knights,

We just completed ten Regional Meetings throughout the state, and it was so good to see many knights in person. A lot of work occurred to make these meetings happen and I want to thank WSA Scott Hulse for coordinating the details. Many thanks to the District Deputies, Grand Knights, Financial Secretaries and several council officers and members who attended the meetings. For those who were unable to attend you will find a recorded version on our state website. One of the important themes from the meetings is to give it your best effort in your councils – and nothing less. You have a choice to be joy-filled and to radiate that in the parishes and communities.

Here is an update on council billings as of October 26, 2021:

Liability Insurance (August 2021):	73.99% paid
Pennies for Heaven Goal (January 2021):	85.13% paid
Per Capita (January 2021):	98.56% paid

Remember that the Per Capita and Liability Insurance billings are due upon receipt. These two billings do not require a council vote. Councils still outstanding should send in payment within the next few weeks.

Pennies for Heaven Goals are voluntary. The goal for each council is \$3.65 per member (minus inactive members). Any amount remitted above a council goal is greatly appreciated to support seminarians in their studies and religious vocations. I encourage councils to give this program their best effort and exceed their goal.

Some of the checks you have sent to me in late August through October have not been deposited until recently. In the last few weeks, the State Council has changed banks for better service. Key Bank is our new bank for Washington State Council; Columbus Charities, Inc.; and the Pennies for Heaven Fund, Inc.

District Deputies should have calendars marked for the District Deputy Winter Meeting on December 3-5, 2021. The meeting will be held at the Bellevue Hilton. Watch for details in the mail and respond to the State Warden with your registration information.

As we approach Thanksgiving, let us pause and thank God for His abundant blessings upon us and our families. I am thankful for all of you who work hard to make this world a better place.

Be Joy-filled! And Have a Happy Thanksgiving!

***“If we wish to make any progress in the service of God we must begin every day of our life with new eagerness. We must keep ourselves in the presence of God as much as possible and have no other view or end in all our actions but the divine honor.”***

## State Treasurer Message

My Brother Knights,

I wanted to share with you the presentation I gave at the Regional meetings, it seems appropriate to me during these troubled times.

*"I wish the Ring had never come to me. I wish none of this had happened."*

*"So do all who live to see such times, but that is not for them to decide. All we have to decide is what to do with the time that is given to us."*

These are the words of noted Catholic author JRR Tolkien in the "Lord of Rings" trilogy. The backstory is that a group has been tasked with an almost impossible task, to destroy an evil ring. The first quote is from a character named Frodo, and the second from a Wizard named Gandalf. Frodo is struggling to complete the mission and is feeling overwhelmed by the situation. Sounds kind of familiar, doesn't it?

At the time JRR Tolkien wrote these words, his two sons were serving in the British Army during World War II. Tolkien himself was a veteran of World War I, having fought in the Battle of the Somme in 1916, a five month battle that resulted in more than a million casualties. You can imagine that as a veteran he knew what his sons were facing in combat, yet he found the courage to write those words. The lesson is simple yet profound - all we must do is decide how to spend the time we are given, not worry about why things are so bad. It really comes down to the choices we make and how we react to difficult times.

An example - a young Macedonian nun was faced with almost unbelievable poverty and misery on the streets of Calcutta. She was one small person in the face of so much destitution, no one could have blamed her if she just walked away. But, she chose to stay and serve the most humble, the untouchables of society, lifting people from the gutter and taking care of them. Today, we refer to her as Saint Theresa of Calcutta and the Missionaries of Charity that she founded has more than 5,000 nuns working her mission.

Another example - a young parish priest is called to court, where a recent widow will likely lose her children since she has no money. He is one man, pastor of a small and poor parish, what could he possibly do? Well, he stood up and said that the widow had a \$1,000.00 life insurance policy, so she was allowed to keep her children. Then he went back to his parish, gathered the men and told them what he had done. He collected that \$1,000.00 for the widow and in the process formed the Knights of Columbus. We now refer to him Blessed Fr. Michael J. McGivney and our Order is more than 2 million men strong!

What choices are you making today? What wonderful things might we see down the road from strong Catholic men making hard choices to do what is right and building God's Kingdom here on earth? Stay strong, my brothers, this troubled world needs us and I am grateful to share the journey with you.

Vivat Jesus!

Fraternally,

Tom

## State Advocate's Message

My Brother Knights,

The resolution process is one way that Councils can focus the Washington State Council and the Supreme Council on activities and policies that will contribute to Council success. The fraternal year halfway point is rapidly approaching. All Councils should be evaluating their progress toward achieving their goals and considering any changes in their Council activities that will facilitate successful achievement of their goals. Likewise, the Washington State Council is evaluating its progress toward making sure that all Councils have the resources and support they need so that all Councils are able to successfully and objectively achieve results that satisfy their goals. We should all therefore be considering any changes that will encourage, support and enhance our Order's principles of Charity, Unity, Fraternity and Patriotism.

Councils are encouraged to propose resolutions that will improve our governance and administration. Resolutions may include proposals for amendments to the Washington State Council bylaws. Any proposal for changes to the Supreme Council bylaws must be approved by the Supreme Council. The resolution process is NOT intended to "challenge well settled policies of the Knights of Columbus that represent the sound judgement of the Supreme Council and that have served the Order well for many years." Please review directions for submitting resolutions that are summarized in the Desk Reference for Council Officers on the Supreme website (KofC.org) before submitting a resolution for consideration.

All resolutions proposed by Councils for consideration at the 2022 Washington State Knights of Columbus Convention must be received by the State Advocate no later than 15 March, 2022. A letter from the Council's Grand Knight stating that a Council's resolution has been approved by a majority of members attending a Council meeting where a quorum specified in the Council's bylaws are present as reflected in the Council's meeting minutes must accompany the resolution submitted in hard copy printed format before the resolution will be considered by the Washington State Council's Resolution Committee.

Please submit all resolutions in writing to Scott Hulse, State Advocate, 6911 Holeman Avenue, Blaine, Washington 98230. Councils may send drafts of proposed resolutions electronically to the State Advocate ([scottehulse@gmail.com](mailto:scottehulse@gmail.com)) for review and advice. However, only resolutions submitted in hard copy printed format will be considered by the Resolution Committee.

Thank you to all Councils for help guide our Washington State Council's programs and activities by proposing resolutions encouraging positive and constructive changes and guidance.

Vivat Jesus!

Fraternally,

Scott

## State Warden's Message

My Brother Knights,

First, I would like to express my appreciation to everyone who took time out of your valuable weekends to attend the Regional Meetings. I am grateful to all our dedicated leadership across the State and your passion for really making a difference through the work you do on behalf of the Order. It's a real eye-opener to hear about your busy schedules and innovative approaches to accomplishing the various programs that you are involved in. If you couldn't attend, please reach out to your District Deputies or Council leadership for a recap. Most of the presentations are available on the State website if you'd like to review them.

November is a particularly special month in that we traditionally take time out to focus on remembering and praying for our fallen Brother Knights, their spouses, and their widows during Memorial Masses said in their honor. We all have heartfelt memories of our mentors and friends we have learned from, worked with, and prayed with over the years and this month is an opportunity to really take stake in those memories. I know that widows of fallen Knights are deeply appreciative when we honor the memory of their spouses with an Honor Guard or roll call at a Memorial Mass. So, please I call upon you to work with your pastors to keep this tradition intact.

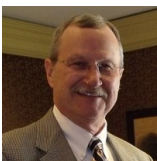

Then, there is Veteran's Day. It goes without saying that the Knights of Columbus is and has always been a faithful supporter of all Veterans of the armed services. If you have not yet planned an event or two on behalf Veterans, I hope you will offer to join in and support the VFW or American Legion. I know of Councils and Assemblies who are placing flags on the gravesites of Veterans and others who are participating in various Veteran's Day celebrations in their communities. I will be doing both. Please join me!

Thanksgiving is a special holiday for expressing our gratitude for the many blessings in our lives. Even during the troubling times we've experienced during the pandemic, we have a lot to reflect on and be thankful for. I am thankful for the Knights of Columbus and opportunities it has afforded me to make a difference in my community which, in turn, inspires me to reach out to every Catholic man I meet and encourage him to join us.

So, Veterans, I thank you for your service and commitment to preserving the freedoms that we enjoy in our Country. My Brother Knights, I thank you for your service to our communities, our parishes, and to one another.

Vivat Jesus!

## A Message from the Ceremonials/Immediate Past State Deputy

My Brother Knights,

As I now sit in the (easy-chair) of IPSD I can see how fortunate our Washington State Council and our State Deputy are towards not only membership but his ability to visit with so many of our members. A privilege we did not have access to during my terms. However unfortunate that seemed I am pleased to see that we, as a State Council, are moving forward.

Online Membership continues to be our strong point, but in-person efforts are catching up fast. That's great. It is just as important to get new members to join us in our efforts towards Charity and helping our church. It is also just as important that once a person joins that they take their Degrees and learn the lessons of the Order as Fr. McGivney asked us to do. (Remember the days of not being considered a member until after one at least took their First Degree?). To not learn the lessons of the Order as soon as possible after joining could lead some well-intended folks towards a different path than Fr. McGivney intended. Food for thought?

It has always been believed that local Degree Teams were always the best at conveying not only the message of Fr. McGivney, but also that would also offer a local connection to the men performing those lessons. While this is still true few actual Degree Teams have formed and are doing this work. Yes, using the online version is acceptable for teaching the lessons but they never really represent the personal connection that enhances those lessons as well. A few are doing very well but we need more.

Please make an effort to form a Council Team or at least District team...and soon. Your new members will thank you for it years later as they take your place in the leadership roles of the Order.

As IPSD, I am gratified by the accomplishments of our State Officers and Chairmen and how well the visits around the State have been accepted. It is unfortunate that due to this darned Virus I have been unable to join them. Something I really miss, but the Wife's health must come first as I know you understand.

Pat Kelley

## State Membership Director's Message

My Brother Knights,

As we come to the end of the first month of the second quarter, Washington remains #1 in North America for recruitment. You my brothers, are doing an AWESOME job bring in new members to our order. As a matter of fact, 64% of the new members being recruited are under the age of 51. I mention that fact because these are the brothers that will one day be leading our councils.

Last month I wrote about the importance of council membership committees. This month I'd like to touch on Online Membership. Online Membership is the orders way to modernize recruitment. It gives us an opportunity to reach across generations, interests, and availability while strengthening the KofC brand and communication strategy.

First, let's state what it **does not** do. Does **not** change the requirements for membership. Does **not** create a new class or type of member. Does **not** eliminate degrees. Does **not** eliminate councils. Does **not** eliminate dues. (MCIVENY 2020 and Field Agent promo codes are the exception through the end of 2021)

Online members are encouraged to transfer into local councils. When an Online Member transfers to a local council, that council will receive credit like a new member has joined the council. Online Members should be vetted the same way a new and transferring member to the council is vetted using the Admissions Committee. Online Members must be voted on by the council and go through the exemplification of Charity, Unity and Fraternity **before** being transferred.

If your council recruits a new member using the Form 100, there is still a way to bring them in to the order using Officers Online. Simply transpose the candidate's information from the Form 100 to the Candidate tab. While not part of the Online Membership process, doing it this way expedites the onboard process and eliminates emailing and snail mailing the Form 100 to Supreme.

Bottomline, Online membership has been designed to streamline the recruitment process. It modernizes an antiquated system and ensures the order keeps up with technology. I know this is change. But this is change we all should embrace.

**BECOME AN ONLINE MEMBER FOR FREE!\***

Now through December 31st, enter Promo Code **MCIVENY2020** for 12 months of free online membership.

\*Online Membership only. Annual dues of \$30 will apply on your Membership Anniversary. Local council dues vary.

Vivat Jesus,

Mike Rutland

## State Program Director's Message

My Brother Knights,

We recently wrapped up the last of 10 regional meetings around the state, and I have to say I enjoyed meeting all of you. If you have any follow-up questions that you need help finding answers to, please don't hesitate to reach out to me.

As we move into November, the traditional "Black Friday" is coming up, and that is a reminder to execute on your Coats for Kids distribution, if your council is participating. Don't forget to report results to Chairman Mike Winkler.

As with all programs that you complete throughout the year, don't forget to also report activities on [form 10784](#) to the Supreme Council and submit your [Monthly Service Report](#) to me. The chairman for each of your events should submit the Form 10784 and MSR's should be submitted by your general programs chairman.

Form 10784 submit after completion of each event

Monthly Service Reports due by the 10th of each month (Aug 10 through April 10 only)

November is also a reminder to remember all the souls of our families, Brother Knights, and friends that have gone before us to reap their eternal reward. Also pray for all the souls that don't have anyone remembering them.

Most importantly, **BE SAFE** and create your COVID recovery plan. If your council already has one, review and revise it, as needed

Vivat Jesus!

**State District Deputy Director's Message**

My Brother Knights,

We are rapidly approaching the halfway point in the Knights of Columbus fraternal year. Each District Deputy should be considering progress Councils in their District have made toward achieving objectives and goals that were established at the beginning of the year. I will contact each District Deputy individually and speak with you by telephone during the coming month. I will ask for your oral assessment of each Council's progress in your District. These discussions are intended to help the District Deputies and me prepare for the Winter District Deputies Meeting in Bellevue Friday, 3 December, through Sunday, 5 December 2021. All District Deputies are expected to attend the Winter District Deputies Meeting.

Specifically, please be prepared to describe and discuss each Council's:

- Objectives and goals,
- Council successes other than member recruitment,
- Member participation in Council activities including meetings,
- Achievements with member recruitment,
- Council's need for encouragement and support, and
- Anything that is affecting a Council both positively and adversely. In other words, what is contributing to or inhibiting the Council's successful achievement of their objectives and goals.

All discussions should be considered private and confidential; however, each District Deputy is encouraged to consider what parts of these discussions should be included while preparing their semi-annual District Deputy's report for each Council (online form 944B).

Thanks to each of our District Deputy's in Washington State for the time and effort you have provided each of the Councils in your Districts to assure their success.

Vivat Jesus!

A very Happy Thanksgiving to you and your families. We are truly blessed! Again this year, as in years past, we “continue to have” much to be thankful for! Although crisis lingers, always remember we have each other. Our faith in Christ and the intercession of His Mother is strong, and the Order prevails! Be strong Brothers!

Amidst the assault on our Faith, our Families, and Liberty, always remember the power of prayer. We are reminded that prayer does conquer all dark actions.

Always be attentive, be prepared and look-out for each other. Especially our priests and the parishes they serve, we owe them much. Saint Michael the Archangel defend us all. The commemoration of all the faithfully departed November 2 is a very special day to remember. Say the rosary this day.

This month acquire the Building the Domestic Church Kiosk and reading pamphlet's provided by Catholic Information Services (CIS). This is a tremendous asset to have. Observing parishioners response to this reading material continues to be noteworthy! Again, remember to have FS/Council purchase.

As Faith Director, I signed up to receive the first St. Joseph Pilgrim Icon. There will be two additional icons arriving sometime in the future. Additional information from supreme on how to implement the program is forthcoming too. The St. Michael Icon was deferred for another time.

Brothers' devotion to Our Lady, via the rosary, make a commitment to saying the rosary daily. And always carry your rosary wherever you go.

Once more this month, hunt for The Memorare. The “Memorare” is a prayer to the Holy Mother asking for her help. “Memorare” is the Latin word for “remember”. This prayer is originally from a longer prayer form the 15<sup>th</sup> century known as “To Them at Your Feet, Sweet Virgin Mary”. Enjoy and be strong!!

## State Faith Director's Report — Cont'd

“Give until it hurts” might seem like a tired old cliché, but it has merit nonetheless. It’s fairly easy to give from our excess — what we don’t really need — but real sacrifice begins when we go beyond that. The widow in the parable, in giving what too many people would be a bit of loose change, offered a more meaningful gift than the wealthy who donated far larger sums they would hardly miss. But there’s another layer of meaning here: Unlike the wealthy, the widow gave everything she had to God and put her trust completely in his divine providence. May we recognize that she made the wiser investment.

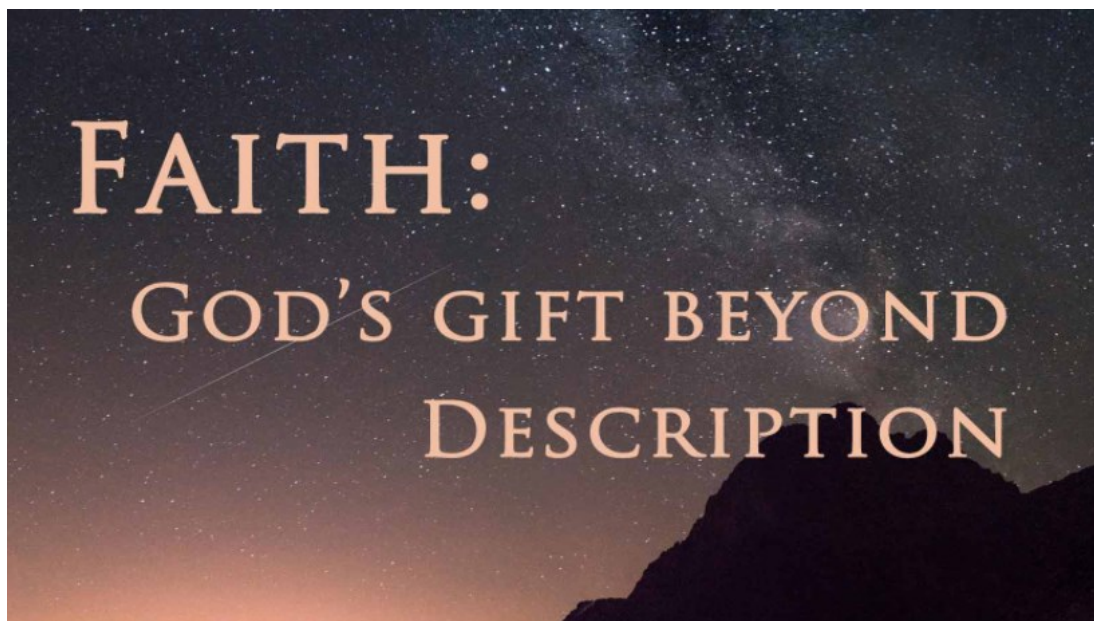

**Challenge by Supreme Chaplain Archbishop William E. Lori:** This month, I challenge you to review your charitable giving and to pray about whether God is asking you to contribute something more. Second, I challenge you to participate in your council’s Food for Families or Coats for Kids Faith in Action program.

**Questions for Reflection:** How does God wish you to balance providing for yourself and your family with serving others? Do you find you put your trust in material goods and wealth, rather than in God? What are some specific, concrete ways you might do better at sharing your blessings with the less fortunate? Brothers’ devotion to Our Lady, via the rosary, make a commitment to saying the rosary daily. And always carry your rosary wherever you go.

Once more this month, hunt for The Memorare. The “Memorare” is a prayer to the Holy Mother asking for her help. “Memorare” is the Latin word for “remember”. This prayer is originally from a longer prayer form the 15<sup>th</sup> century known as “To Them at Your Feet, Sweet Virgin Mary”. Enjoy and be strong!!

Fraternally and Vivat Jesus

## State Family Director's Report

My Brother Knights,

Priestly Mission of the Domestic Church

The priestly mission of the family is lived by praying together and offering the family's daily life and activities to God. Members also live their priestly mission by receiving the sacraments as a family.<sup>17</sup> When families pray, they welcome God into their home and embrace the new manner of love found in Christ that helps them overcome their struggles, doubts, fears and uncertainties.

Prayer is the act of directing one's mind and heart to God with the help of the Holy spirit because "we do not know how to pray as we ought" (Rom 8:26).<sup>18</sup> Through reading the word of God together, families grow in their faith and increase their devotion for God. Through sharing the very personal act of prayer together, families become unified in trust and love. They begin to see their loved ones "with the eyes of God," seeing "Christ in them."<sup>19</sup> They develop a supernatural outlook on life that increases joy and sustains them through difficult moments. As Pope Francis says in *Amoris Laetitia*:

Family prayer is a special way of expressing and strengthening this paschal faith [in Christ's death and resurrection]. A few minutes can be found each day to come together before the living God, to tell him our worries, to ask for the needs of our family, to pray for someone experiencing difficulty, to ask for help in showing love, to give thanks for life and for its blessings, and to ask our lady to protect us beneath her maternal mantle. With a few simple words, this moment of prayer can do immense good for our families.<sup>20</sup>

The act of prayer extends beyond the words said together; the verbal prayers tune the mind, the will and the senses to the peace that comes from God, a peace that should carry through all activities and moments of daily life. When times are difficult, family member scan maintain their peace by transforming annoyances and hardships into a quiet prayer offering of love for God and for one's own family, in union with Jesus on the cross.

These daily offerings should be united with the perfect offering of Christ in the Holy Eucharist. When the gifts are being brought forward at Mass, give over sufferings to the lord for him to transform them into an ever greater love, sealing anew the marriage bond:

The family's communal journey of prayer culminates by sharing together in the Eucharist. ... Jesus knocks on the door of families, to share with them the Eucharistic supper(cf. Rev 3:20). There, the spouses can always seal anew the paschal covenant which united them and which ought to reflect the covenant which God sealed with mankind in the cross. ... for the food of the Eucharist offers the spouses the strength and incentive needed to live the marriage covenant teach day as a "domestic church".<sup>21</sup>

Families should also seek to strengthen their domestic church by frequently receiving the sacrament of reconciliation together. In a certain sense, just like in the Eucharist, every experience of reconciliation by spouses is like a renewal of wedding vows because it removes sin and releases the graces flowing from the sacrament of marriage.<sup>22</sup>

## State Youth Director's Report

My Brother Knights,

As the new fraternal year is upon us, it is time to start planning the youth activities for next fraternal year. Having the youth participating in programs is a way of getting families familiar with the Knights and a way of enticing dads to think about the Knights. Many councils have wonderful programs and are attracting a healthy participation from the youth. What can your council do to promote the youth programs?

### **Supreme Supported programs: Catholic Citizenship Essay**

This contest encourages today's youth to be more connected to their community and their faith. The goal of this program is to involve young Catholics in grades 8 to 12 (public, private, parochial or home schools during the current school year) in civic discourse and instill in them religious and life-affirming values. The essay should be 500-750 words on a specific topic, changing every other year. Entrants will be judged on grammar, style, and how clearly they present the theme in a way that showcases creativity, imagination and overall development of the topic

### **Soccer Challenge**

The Soccer Challenge is a great way for councils to engage in their communities with an athletic event for youth that encourages the values of sportsmanship and healthy competition. Children demonstrate the most important skill in soccer – shooting accuracy on the penalty kick – and compete to reach the international level of competition. The program is also a way to introduce the Order to your community and recruit faithful family men of service. Councils should consider holding a Soccer Challenge based on your community Covid protocol. Council winners should kick the required district 25 additional kicks to be used in a composite scoring. There will be no physical state final.

### **KCIC Poster Contest**

Conducting a Knights of Columbus Keep Christ in Christmas Poster Contest is a fun and easy way to put your faith into action and get youth in your community involved in their faith. It is fun to conduct because of the opportunity to witness the creativity and optimism of the youth in your community. It is easy because you can tap into existing structures like schools and do a lot of preliminary work. It can also provide excellent local, and potentially international, publicity for your council.

### **Free Throw Contest**

Since 1972, councils have sponsored the Knights of Columbus Free Throw Championship for boys and girls from the ages of 9 to 14 to provide an athletic outlet and encourage the values of sportsmanship and healthy competition. Kids compete within their own gender and age and progress from local level to district, regional and state/province competitions. This program is a great way to introduce the Order to your community and recruit faithful family men of service.

## Prayer for Restoration of Health

Dear Jesus,  
Divine Physician and Healer of the sick, we  
turn to you in this time of illness. O dearest  
comforter of the troubled, alleviate our worry  
and sorrow with your gentle love, and grant  
us the grace and strength to accept this  
burden.

Dear God,  
We place our worries in your hands. We place  
our sick under your care and humbly ask that  
you restore your servant to health again.

Above all, grant us the grace to acknowledge  
your will and know that whatever you do, you  
do for the love of us.  
Amen.
