## William J. Power Assembly Wins International To Be A Patriot Award

It is with great pride that we note that the William J. Power Assembly 1630 of Bellevue was announced this past month as the International *To Be A Patriot* Award winner for the 2003 – 2004 fraternal year. Their project titled *Operation Knightflight* was judged as the most outstanding project conducted by an assembly in the United States. There were two other international winners – one from Canada and the other from the Philippines. Douglas Withers, PFN for the Assembly, was extremely proud of the recognition. *Operation Knightflight*, a program that coordinates the collection and shipment of needed supplies and goods to our troops overseas, has been extremely successful. Knights from all over the state have rallied to provide support for this project. Douglas was quick to point mention the outstanding help received from all members of the assembly including Sir Knights George Turk and Ray Passmore. Additionally, many councils and assemblies in the state have rallied to sup-

## Message From the State Deputy Pat Maloney

I attended the mid-year State Deputies meeting last month. This meeting allows the State Deputies to get together to review their jurisdiction's progress and talk about the plans for the next six months. It also serves as an opportunity to review some of the new membership activities and programs generated at the Supreme Council. There were a number of exciting things that were announced that I would like to share with you this month.

The first exciting announcement was the commitment by the Supreme Council to sponsor a 4 year financial grant to Special Olympics. The money from this grant will be awarded directly to local Special Olympics organizations supported by local councils in each of the order's jurisdictions. As you know, the Knights of Columbus has always been one of the major supporters of Special Olympics. The Supreme Council is supplementing the commitment that each jurisdiction and local councils are making to this program. The financial support will be given directly to local Special Olympic agencies and allocated through the support that local councils are reporting that they provide for the Special Olympics in their areas. You will hear more about this exciting program in the near future.

Another exciting announcement the production and release of a film entitled *The Vocation of Marriage*. The film was previewed at the State Deputies meeting and I can tell you that it is wonderful. This film will be available through the Catholic Information Service at the Supreme. As you may know, the CIS is an evangelization project that is sponsored by the Knights of Columbus. Last year, they released an excellent video on vocations. This new film on marriage is outstanding and I would highly recommend it for all Knights and their families. It is an excellent film that you will want to sit, watch and share with your family and children.

Another exciting announcement made at the meeting was the notice that the William Power Assembly of Bellevue received the *International To Be A Patriot* Award for their project *Operation Knightflight*. This program has taken off here and has been embraced by many in Washington because of the positive

results and support it offers of our troops overseas. It is gratifying to see the support that is offered to our troops. It is also very exciting to see that this outstanding project was recognized as an international award winner by the Knights of Columbus. Congratulations to the William Powers Assembly 1630 - and all of the members of the Knights that support this project!

There were a few other new announcements made at the meeting. They include plans for the recognition of the 1.7 millionth member into the order, some new membership incentives and the commissioning of a new Father McGivney medal. I hope to have an opportunity to share these with you at the planned Regional meetings in January.

Our October Share the Experience Membership Drive was again successful for those councils that participated. Councils that have followed this "cook book" approach to membership recruit effort have seen the benefits of the effort and the infusion of new and interested members into their ranks. The Membership Blitz approach does work – and works well. Our State Membership Director Don McBride is tallying up the final reports coming in from the DD's. We will report the summary statistics to you at the Regional meetings. Don't forget to work at recruiting those members that have expressed interest in joining. Talk to your field agent and have him help you recruit these potential new members. I assure you that their efforts will result in positive results.

In closing, my family and I wish you the warmest and happiest of days this holiday and holy season. May the Christmas celebration of the coming of the Christ Child fill you and your family's hearts and homes with God's many blessings. Merry Christmas!

Fraternally Yours.

**Pat Maloney**

Your State Deputy

## Advent Kenosis Fr. K. Scott Connolly

One of my favorite passages from scripture is referred to as the *Kenosis* Hymn in St. Paul's letter to the Philippians:

Have among yourselves the same attitude that is also in Christ Jesus,  
Who though he was in the form of God,  
Did not regard equality with God something to be grasped,  
Rather, he emptied himself (*Kenosis*),  
Taking the form of a slave, coming in human likeness;  
And found in human appearance, he humbled himself,  
Becoming obedient to death, even death on a cross.  
Because of this, God greatly exalted him and bestowed on him the name  
That is above every other name,  
That at the name of Jesus every knee should bend,  
Of those in heaven and on earth and under the earth,  
And every tongue confess that Jesus Christ is Lord,  
To the glory of God the Father.

Phil. 2:5-11

*Kenosis* refers to the self-emptying love of God as expressed through Christ, Jesus. This is ultimately what the coming Christmas event is all about, and the call that each of us has as followers of Christ as well. We are called to empty ourselves of selfish desires and inclinations and to open ourselves to God and others.

I came across a poem recently which expresses just that. It's called Advent *Kenosis*.

The Incarnation:

The frail Infant,  
Wordless Word of God,  
Divested of divine Splendor,  
God-with-us,  
Away from its heavenly home,  
Lying helpless in a cave-manger,  
In humility that later years would call "Kenosis."

May this Advent and coming Christmas continue to bring the Christ-child among us and strengthen us in our resolve to empty ourselves and become more like Him.

Yours In Christ,

**Father Scott**

port this effort. Goods and support continue coming in to make certain that our troops know that we are thinking of them and continue to support them. Congratulations to the William Powers Assembly and all its members on this notable recognition and this award winning project.

Also announced were 3 additional Civic Award winners from the Archbishop Blanchet Province. They are: Archbishop Sheen Assembly 1845, Spanaway; Bishop Junger Assembly 2259 Vancouver; and Our Lady of the Harbor Assembly 2501, Gig Harbor. Congratulations to these Fourth Degree Assemblies on a job well done!

## Mid-Year 2004 District Deputies Meeting

The 2004 Mid-year District Deputies Meeting is planned for December 4 in Bellevue. The meeting serves as an opportunity for the District Deputies to meet to review the state's progress at the half year mark and to discuss strategies for the next half fraternal year. Additionally, the District Deputies will be planning the regional meetings that are scheduled for January. Eastside meetings are planned for January 8 & 9 and meetings on the west side are planned the weekend of January 15 & 16. Councils should consult their District Deputies for the timing and place of the regional meetings.

## Message from Membership Chairman

Greetings! It's time again to review our standings throughout the state as we receive our monthly membership updates. As you'll see below, things are starting to pick up as the early results of the Blitz start to come in. Many of the councils have held their Blitz degree exemplifications in November, so those results should appear next month.

A quick word about the Blitz results. The good news is that the reports are positive—in general, councils have had very successful Blitz campaigns and are getting a lot of new members, prospects, reactivations, and transfers. It also is providing many councils some great visibility within their parishes, which will pay long-term dividends as you continue your activities and your membership recruitment. The bad news is that the reporting of the Blitz is still pretty spotty. Our system for rolling up the results from councils to district deputies to regional chairmen to me is still struggling a little, and I hope we haven't missed giving credit to any councils that held the Blitz and should be included in the drawings for the incentive prizes, the beautiful metal silhouettes of Mary and Jesus. The drawings will be held at the winter District Deputies meeting in Bellevue (December 4, 2004) and prizes will be presented at the regional meetings in January. Remember, we'll be holding another Blitz campaign in the spring, so it's not too soon to start planning your March Blitz!

For those councils that have had a slow start this year... don't lose heart! The holidays, although hectic, provide some great opportunities for sharing the Experience of a Lifetime. If your council hasn't yet brought in a new member this year, set yourself a firm goal right now... to recruit a new member. Every council needs to be active in membership, because new members are the lifeblood of your council. You owe it to your council and you owe it to these good Catholic men and their families.

Here are a couple of examples of notices you might consider putting in your parish

bulletin for the holidays. They would work even better if you could combine them with a flier insert, with specific information about your council's activities and examples of how you have helped your parish.

### Looking for the perfect Christmas present for your family?

What better gift could you give than being a more active Catholic... engaging in activities to support your church, youth, community, family, and council... exemplifying the principles of charity, unity, fraternity, and patriotism! Ladies, is this the time to encourage your husband to be a member of a peer group of dedicated Catholic men doing God's work? Contact Membership at 123-4567 for information on how to join the Knights of Columbus...a Catholic, family, fraternal service organization with over 1.6 million Catholic men throughout the world sharing the experience of a lifetime.

### New Year's Resolution

*I resolve to be more active in putting my faith to work through activities to support my church, family, youth, community, and council.* Does this sound like you? The Knights of Columbus is a Catholic, family, fraternal service organization with over 1.6 million members. If you've ever felt like you ought to be doing something to take an active part in doing God's work... you're right! Contact Membership at 123-4567 for information on how to join Council #0000.

Feel free to tailor these announcements or come up with your own holiday-themed membership campaigns. Also don't forget to invite prospective members to your Christmas party or other activities.

And finally, here are the Washington State Council membership standings as of **November 1, 2004**. For each council, the year-to-date net gain, goal, and percentage net gain are presented. Councils that have achieved 100% of their membership quota are marked with an asterisk, and the division leaders for net gain and net percentage are shown in boldface type.

## Message from General Program Director

### **It's still not too late!!**

We are approaching the half way point in our fraternal year and I'm afraid to say that there are still councils out there who have not turned in their Forms 185/365 and their Semi Annual audit due 8/15/04. I know some of you are saying that you're busy, some can't find the forms booklet and even more are pointing fingers and saying that is not my job. These reports are not only important to Our State Council, they are vital to Supreme. The list of names and addresses that a Council gives to Supreme allows them to be able to communicate with the important Officers of each council. This communication serves to notify Council Officers of upcoming events, important mailings and vital membership and Insurance information. For you councils who have not turned in these 3 reports, please do your council, our State Council and of course our Supreme Council a favor and get them in as soon as possible.

And now since I've mentioned the reports that are past due, I want all of you to be aware and ready to submit your Fraternal Survey which is due on January 31, 2005. Like all of the other Supreme reports, the Fraternal Survey is extremely important in that it is used to validate the charitable Non Profit status that Supreme sends in to the IRS. Please be thinking of what and how many service hours your council has done this last year, put it down onto the form and send it in to Supreme before January 31<sup>st</sup>. The Fraternal survey form is found in the Forms booklet or you can submit it online.

Please contact me if you have any questions on the Fraternal Survey report. I'm looking forward in seeing a lot of you at the Regional meetings in January.

**Vivat Jesus!**

**Mike Bunney**

General Program Director

## SCHOLARSHIPS

The long history of the partnership between the Knights of Columbus and Catholic education dates back to 1904. Over the years the Order has remained a staunch ally of institutions of learning, of parents and of students through a well-developed and well-financed series of undergraduate scholarships and graduate fellowships. In addition to Supreme Council programs, some state and local councils offer independent scholarship programs.

Requests for information or applications, regarding United States and Canadian scholarships, should be directed to:

Director of Scholarship Aid  
Knights of Columbus  
PO Box 1670  
New Haven, CT 06507-0901  
(203) 752-4332

Requests can also be sent to: [info@kofc.org](mailto:info@kofc.org)

**Scholarship applications are sent via postal service, so please be sure to include a current mailing address.**

If you are entering your freshman year of college, considering attending a catholic college or university within the United States and are a member, child of a member, wife of a member or a Columbian Squire, you should apply for a scholarship. Applications are available after October 1st of each year and are to be filed by March 1st, to be considered for the coming school year.

## Message from Vocations

I am still compiling copies of the RSVP reports from Councils and Assemblies for the fraternal year 2003-2004 to determine just whom is being supported by the Knights in

our Vocations program. A letter went out in mid-September to all Grand Knights of councils that had not submitted reports. District Deputies received a courtesy copy of the letter as well. During the latter half of October, I contacted nearly every Grand Knight by telephone where reports are still missing.

The sad fact is that we still have seminarians for whom there is no reported support. The count is: Seattle (1) Spokane (1) and Yakima (6).

Surely I will have no trouble finding a council or assembly to support the one remaining candidate for the Seattle Archdiocese; what worries me is with but 44 councils in eastern Washington (1/3 of all the councils) and a full eight candidates with no reported support, I am going to have trouble finding support for them, since councils are understandably interested in supporting candidates they can "feel - touch - meet".

Please help ensure that all 8 remaining candidates for the priesthood are supported. Once this has been accomplished, I can concentrate on leveling out the playing field - some seminarians are being supported by only one council, yet others are being supported by as many as nine.

I urge District Deputies to work with the Grand Knights in their district to ensure that "every seminarian supported" is truly fact - not just empty words.

Chairman for Vocations/PFH/RSVP

## Messages from Retention Chairman

Worthy brother knights:

My article for the December bulletin is not really an article per se, but rather a plea....

Rather a plea

for your assistance.

Our worthy State Deputy has recently asked me to take on a project, which I am currently working on, however to complete the task, I require some feedback. My project is to create a slideshow presentation on the **Shining Armor Program**.

I know of one council throughout the state that is currently involved with **Shining Armor** and I have received feed back from them via the District Deputy, Financial Secretary and the Grand Knight. The Grand Knight is a "charter" member of his council's **Shining Armor Program**.

The feedback that I'm looking for is if your council is involved with the **Shining Armor Program** then I would like you to tell me about your experience with the program. How it has helped or not helped your council.

The feed back should be a synopsis of your experience and I would like to receive it no later than the last week of December as I will be on vacation and working to complete my project in time for the regional meetings.

Vivat Jesus,

Vivat Jesus,  
**Andy Kraemer**  
Retention Chairman

## Message from KCIC Chairman

Thanks to all the Council Christmas Card Chairmen and those who helped sell cards this season; a job well done. Please continue to sell these beautiful cards as long as you can to

help bring Christ into Christmas. Remember, a lot of people start writing their cards late in the season, so continue to have them available for purchase.

My wife thanks you for buying most of the cases of cards that have been in the garage this fall. She now can park the car inside!

I do have all the ethnic and most of the other Christmas cards available. They will be in the mail or UPS as soon as I receive your order.

Sheila, myself and all our family pray that this Holy Season will be joyous and blessed for you and your families.

Christ is with us.

KCIC Chairman

## Light Up For Christ - Keeping Christ in CHRISTmas

On Dec. 7, the Knights of Columbus will kick off the Christmas season with its annual Light Up For Christ celebration. K of C councils throughout the Order are invited to illuminate a Nativity scene and/or Christmas tree at 8 p.m. local time. The Light Up For Christ celebration is a wonderful way to bring in the Christmas season.

Here are some suggestions that may help you spread the joyful tidings of the Christmas season:

- ◆ Begin the ceremony with the blessing of an Advent wreath by the council chaplain and the lighting of its candles. The council chaplain then blesses the Nativity scene or a Christ-

mas tree that can be decorated with ornaments made by Knights, their families and friends.

- ◆ Sing Christmas carols with family and friends and then proceed to the blessing and lighting to start off your Christmas season. Afterward the participants can return to the council home for refreshments.
- ◆ Contact CHRIST IS CHRISTmas at (800)-722-5032 to order Keep Christ in Christmas mailing seals, Advent wreaths, calendars and leaflets, and a tri-fold indoor Nativity scene.
- ◆ Send Christmas cards with a religious theme, and try to use religious postage stamps.
- ◆ Offer to help your parish, or a poorer parish, prepare for Christmas through cleaning, repairs, decorations or flowers.
- ◆ Submit a Keep Christ in Christmas advertisement to the local bulletin or local newspaper, and include it in your council newsletter.
- ◆ Plan at least one council-sponsored event during December, such as a food or clothing drive, praying the rosary, or singing Christmas carols.
- ◆ Resist the temptation to abbreviate "Christmas" as "XMass". This abbreviation tends to trivialize the true message of the season.

## Regional Meetings & Tentative Schedule

In January, Eastside and Westside mid-year Regional Meetings are being planned throughout the State. Council's Grand Knights, Program Chairman and Membership Chairmen and interested Council Officers are asked to attend. Financial Secretaries are also encouraged to attend these meetings. A FS seminar will be held to help new and current Financial Secretaries. These meetings are mid-year membership and program reviews conducted with the various council leaders in the state. Two meetings will be held in on the east side of the state and two will be held on the west side of the state. The tentative schedule is listed below. Considering demographics, the districts and their councils are assigned to attend one of the meetings as outlined.

The meeting sites are centrally located to facilitate accessibility of the attendees. These meetings are held with one meeting on Saturday for a selected number of districts and councils in that region and the other meeting on Sunday for the remaining districts and councils. The meetings start in the morning and are concluded by mid to late afternoon to allow the attendees time to return home the same day.

Please plan to attend the indicated Regional meeting. It will be an excellent opportunity to learn more of the activities in the state and to help with local planning for the remainder of the fraternal year. We look forward to seeing you there!

## Message from Church Chairman

This past October, the Year of the Eucharist began as previously announced by Pope John Paul II when he said "The Eucharist is the source and summit of the life and mission

of the Church," asking Catholics to reflect on the centrality of the Eucharist in our faith.

Your council can do much to support this theme. Speak to you pastor about the council sponsoring and supporting a 24 hour adoration or better yet a perpetual adoration. There are many other devotional and educational possibilities as well. For ideas and resources, much is available on the internet but places to start include [yearoftheeucharist.com](http://yearoftheeucharist.com) and the website for the US Conference of Catholic Bishops at [usccb.org/liturgy](http://usccb.org/liturgy). Particularly now is an excellent time to plan for Lenten activities.

This year's Divine Mercy Hour of Prayer program has concluded. The next program has not yet been announced from Supreme.

It is not too early to start preparing your submittal for the Church Service Program Award. Only 15 entries were received by April 1 last year so don't miss the boat this time! Top entries included good documentation of the program including photos, promotional materials and news clippings.

May all of you have a joyous Christmas.

## September Family of the Month Awards

The Family of the Month program was started by Supreme to encourage the recognition and encouragement of families in our councils.

Once a month the Supreme office accepts the names from one member's family for each council. They also encourage us to recognize those member families in our own communities. Then they draw 100 names out of a hat every month. These 100 lucky winners are awarded a statue of the Holy Family.

Following are the WASHINGTON winners:

Family of Tom & Mary Baker, Council 894 – Yakima.  
 Family of Richard & Sue Hendry, Council 2260 – Port Angeles.  
 Family of Pat & Lee Birnbaum, Council 4322 – Lakewood.  
 Family of James & Lois Brown, Council 9238 – Gig Harbor.

The most important part of the program is the encouragement of your council families. If you are recognizing your families in some other manner, good for you. If you are not encouraging your families in some manner, consider utilizing this tried and true program.

*Robert McDonnell,*  
 Family Chairman

January 19, 2005 is the date for the March for Life in Olympia, WA. Please start to prepare you parish for this event. More information will be provided in next month's bulletin.

## Message from State Advocate

Worthy Grand Knight,

If you are considering a review of the Council by-laws or you can not locate a copy, or maybe the Council never had by-laws, there is an easy way to resolve this problem. Sample copies of the latest revision of the standard set of by-laws with clear directions on how to make changes is available.

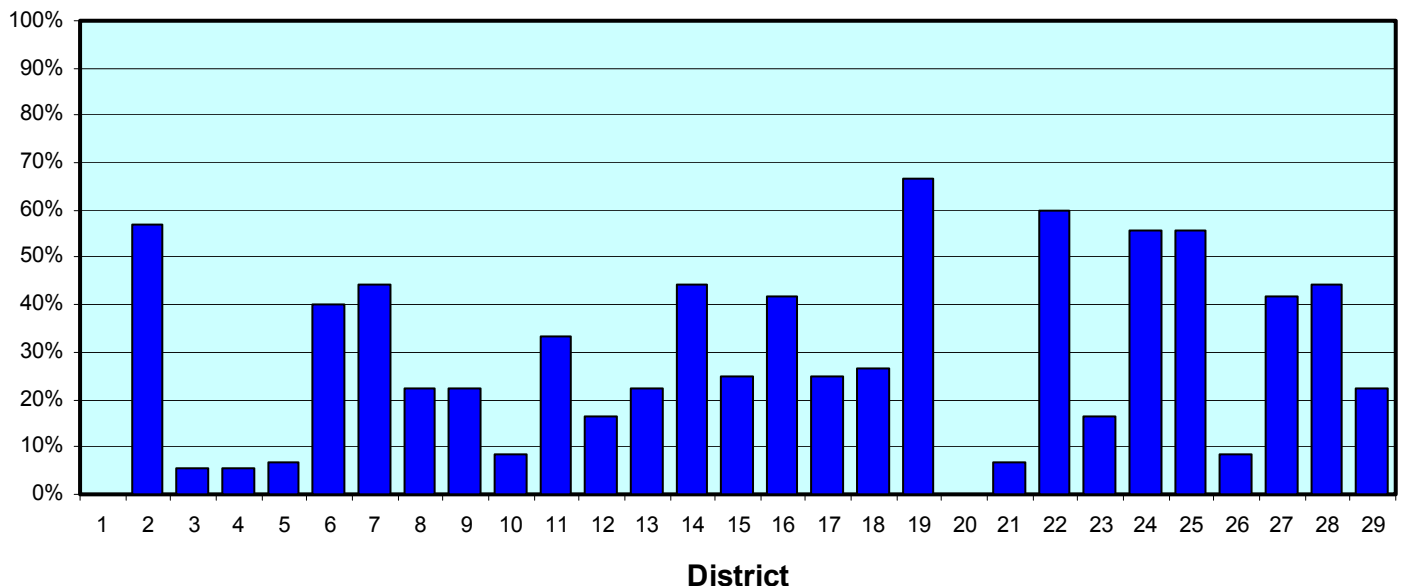

Send for a sample copy with the Council Number and an address to:  
 kofcwallace@comcast.net

Thanks,

*John M. Wallace*

A landmark statement on the right of comatose people to receive food and water was made by Pope John Paul II earlier this year: "Even our brothers and sisters who find themselves in the clinical condition of a "vegetative state" retain their human dignity in all their fullness. The loving gaze of God the Father continues to fall upon them, acknowledging them as his sons and daughters, especially in need of help."

## A Chance to Save Millions of Lives

"We have the chance to start saving millions of lives," Supreme Knight Carl A. Anderson told state deputies at their mid-year meeting in Charlotte, N.C., that Knights must be ready "to fight for a Supreme Court nominee who will work to overturn *Roe v. Wade*." And he recommended that every council show the Knights video [Building a New Culture of Life](#). This video instructs grassroots leaders on how to effectively communicate the pro-life message and how to mobilize action among members on pro-life legislation. This is an excellent start for an extensive training program for K of C pro-life chair-couples (16 minutes).

Local Knights of Columbus units wishing to show this video, should contact the Department of Fraternal Services at (203) 752-4270. Please book film at least four weeks in advance of play date.

## Suggested Weekly Parish Bulletin Inserts\*

**December 5**—As we acknowledge kingship over us and prepare to celebrate His approaching birth, it is an appropriate time to remember that He alone is the Lord of life. To Him alone is entrusted the power to give life and to take it away. Christ is both Child and King. To Him belong both the Beginning and the End, the Alpha and Omega. To Him belong both the beginning of each human life and the moment of death for each human person destined for eternal life with Him.

**December 12**—During the season in which we celebrate the coming of Our Savior as a newborn, let us give thought to those unborn babies whose advent is terminated by the hideous, painful procedures of stabbing and crushing (partial birth abortion), suffocation (hysterotomy), scalding (saline injection) and dismemberment (dilation and curettage), all of which are perfectly legal methods of abortion.

**December 19**—The Savior whose birth we anticipate was never anything less than true God and true man—from the moment of conception through birth to crucifixion and finally resurrection. Christ's passage through each stage of human life that we all pass through sanctifies each stage and requires us to respect life in all stages.

**December 26**—After the birth of Jesus, Scripture says, infants were slaughtered in the streets while woman wept. The purpose of this slaughter? To kill the Innocent One. Today the slaughter of the innocents goes on in an equally bloody fashion—only it is done behind closed doors of so-called “clinics” and woman are not supposed to weep afterwards. Yet many woman do weep. *“A voice is heard in Ramah lamenting and weeping bitterly: it is Rachel weeping for her children, refusing to be comforted for her children because they are no more.” (Jer. 31:15; Mt 2:18)*

## Suggested Prayers\*

**December 5**—That each of us may do our part to prepare the way for the Lord by speaking out in defense of the right to life of human beings in each stage of life, we pray.

**December 12**—For all women who are sorrowful or discouraged because of an abortion, that they may turn to God for healing and help, we pray.

**December 19**—For all women facing an unexpected pregnancy that there may be people willing to offer them support they need to bring a new child into the world, we pray.

**December 26**—For all families who have been touched by the sorrow of abortion, that they may seek and find the healing they need, we pray.

## Message from Catholic Bishops

### Catholic bishops advise sick parishioners not to shake hands or drink from chalice

SPRINGFIELD, USA, November 29 (CNA) - Concerned about the health of their parishioners, several United States bishops have issued advisories, telling churchgoers that they should not shake hands or drink from the chalice during mass if they have a flu or a cold.

The advisories were issued recently in the dioceses of Boston and Springfield in Massachusetts, after an unforeseen shortage of influenza vaccine this year in the Northeastern U.S.

The Archdiocese of Boston issued an advisory to its 2.1 million parishioners in early November, saying common sense "should reign supreme."

"If one is sick, one should not receive from the cup," it said. Likewise, it would be better – "for the good of others" – not to shake hands.

Diocesan spokesperson Kelly Lynch said Boston's advisories were in part a response to inquiries from parishioners.

Bishop Timothy A. McDonnell of Springfield went so far as to say that parishioners who are sick "can excuse themselves from Sunday worship out of respect for their fellow worshippers."

Reportedly, it was an issue raised by a physician, who was concerned that unless elderly faithful Catholics heard from the bishop that they could excuse themselves from mass if they were sick, they would continue to attend to their detriment and to the detriment of fellow parishioners.

Bishop Kenneth Angell of Burlington, Vermont, issued similar guidelines in October, after the state said it was short 50,000 doses of flu vaccine. The ban began Oct. 31 and will end Easter Sunday, March 27.

Health advisories are not unusual. The United States Conference of Catholic Bishops has occasionally issued recommendations on how to prevent disease transmission during mass.

## Happenings Around the State

**St. Peter Parish, #8398—Successful Blood Drive**—September 19, 2004 sponsored another successful blood drive which saw parishioners donate 41 units of blood for the St. Peter Parish blood bank at the Inland Northwest Blood Center. Beginning with their first blood drive in the Fall of 2000, the St. Peter's Council has sponsored two blood drives a year. To date, 383 units of blood have been given by parishioners so that any member of the parish who has a need for blood during surgery or for an emergency may simply draw from this generous supply of blood at INBC by stating they are a parishioner at St. Peter's.

The blood drives are successful because the Knights promote this "fraternity in action" project in conjunction with generous parishioneers willing to give the gift of life for their fellow community members. If your parish does not currently hold blood drives, contact the Inland Northwest Blood Center to see how you can get one started or feel free to contact Jim Mansfield, Grand Knight at St. Peter's parish. He has been a volunteer at INBC for the past five years and will be pleased to help you get started.

**Seminarian Scholarships**—The St. Peter Parish Council 8398 of the Knights of Columbus is pleased to announce two significant scholarships given to one of their members, seminarian Matthew J. Nicks. Matthew and his parents Jim and Nickie are members of St. Peter's Parish. Matthew is completing his studies for the priesthood at the North American College in Rome in preparation for his ordination and assignment within the Spokane Diocese.

For the second year in a row, Matthew has been awarded the \$5,000 Bishop V. Daily Vocations Scholarship from the Supreme Office of the Knights of Columbus in New Haven Connecticut. In addition, the St. Peter Parish Council through their commitment to providing an individual or postulant with meaningful financial and/or moral support has awarded Matthew an additional scholarship valued at \$500. The awarding of this scholarship encourages direct interaction and gives Council members a better understanding of men and women who pursue religious vocations. The Grand Knight of the St. Peter Parish Council is Jim Mansfield.

**Fr. Chirouse, #5816**—Over the past six years, the knights and partner groups have raised over \$130,000 by manning the Ivar.s concession stands at Seahawk's home games.

## A Knight Family in Need of Your Help

The Strong Family needs your help in their legal fight to stay in the US. With Oliver in custody, Penny and their 5 children have no means of income to cover their mounting legal costs. Knights of Columbus Council 01379 has set up a legal defense fund in support of Oliver Strong's Defense. You can make your contribution to the "Oliver Strong Defense Fund" at any US Bank location.

Originally from South Africa, Brother Knight Oliver Strong and his wife Penny came to the US in 1986. They settled in Sequim, Washington to start a business and nurture their growing family. They have contributed greatly to the community ever since. Their children attend Queen of Angels Catholic School in Port Angeles where they are greatly beloved. Problems with the immigration service started last year when the Strongs decided to rectify their long overstayed visitors' visas. The attorney that Oliver and Penny hired failed to notify them when the motion he filed to the immigration courts was denied in October, 2003. Had Mr. & Mrs. Strong been aware of the initial denial, they could have then appealed to the 9th circuit, all the while continuing to pursue the necessary steps to obtain citizenship. In late October 2004, agents from Immigration & Customs Enforcement took Mr. Strong into custody. He is currently being held in the Federal detention center off of "J" Street in the Port of Tacoma while awaiting deportation. Mrs. Strong and the children, 4 of whom were born in the US making them US citizens, have also been told to leave the country.

Oliver will spend this Christmas torn from his beloved wife and children in a cold cell all for the "crime" of wanting to live the American dream. You can help by sending cards and letters of warmth and encouragement to :

NW Detention Center: Strong, Oliver, #A79806685  
1623 East "J" Street, Tacoma WA, 98421

You can also visit Oliver at the same address from 8-11am, and 1-3:30 pm, everyday except Tuesdays & Wednesdays.

Thanks for your consideration,

Join us Sunday January 9 for A Night of Inspiration featuring Rich Donnelly, third base coach for the Milwaukee Brewers. In his talk titled "The Chicken Runs at Midnight," Rich shares how he and his family experienced God's amazing grace during the seventh game of the 1997 World Series. This single event strengthened his Catholic faith, and is a true story you will never forget.

Presented by the Knights of Columbus Council 11780, A Night of Inspiration begins at 7 p.m. following the 5:30 p.m. Life Teen Mass at St. John the Baptist Church in Covington.

Thank you,

## Mary, Queen of Peace Church Hosts Father Andrew Apostoli

The Respect Life Committee of Mary, Queen of Peace Church at 1121 228th Ave. SE in Sammamish, WA is sponsoring a weekend of talks by Father Andrew Apostoli.

**Father Andrew Apostoli** is a member of the Franciscan Friars of the Renewal. Ordained by Bishop Fulton J. Sheen, he has preached countless retreats and parish missions and has given many

talks on the popular EWTN. Young people are attracted to him because he "tells it like it is" and is not afraid to challenge them to follow Christ more closely.
