He was appointed D.D.#5 in 1950-52 and elected State Deputy 1954-56. In the Fourth Degree he held the offices of Faithful Captain, Navigator and Admiral.

Message From the State Deputy Pat Maloney

In my letter this month, I would like to share with you some thoughts about the Supreme Convention, some thoughts on our upcoming Membership Drive, and a few thoughts about reaching out to those members that we might not have seen for a while.

In August, the Washington delegation of 24 strong attended the 123rd Supreme Convention in Dallas. It was an outstanding affair conducted in grand Texas style. There were many interesting speakers during the week. But there was one thing that stuck with me after hearing it. It was something that the Supreme Knight said during his annual address. He said,

Many ... Catholic public officials, when challenged, say they do not oppose church teaching but prefer not to impose their religious beliefs on others.

But the Catholic Church does not put forward its teaching on abortion as a matter of belief. It teaches that protection of the innocent from intentional killing is a matter of justice that is arrived at by reason, and that this protection is necessary for the common good.

This statement is straightforward. The Supreme Knight said simply what many of us think and feel about abortion and politics. The issue is justice, reason and common sense for the protection of the common good. Isn't this what should be at the foundation of our position when we discuss with others our Pro Life? The Supreme Knight's report is traditionally published in the Columbia magazine that reaches all KC families in the fall. I encourage you to take the time to read the report and share in the Supreme Knight's message. It not only addresses issues on the Culture of Life but it also speaks to the health of our Order.

At the Supreme Convention there was a large group of priests and religious hierarchy attending. The official count was 69 bishops and 13 cardinals in attendance! We were most happy to again have our own Bishop Skylstad with us during the convention. As a member of the Knights, I feel so honored when listen-

ing to our bishops speak with great fondness of the Order and the support that they receive from our organization. I had the opportunity to speak with a number of priests and bishops during the week. All of them expressed their gratefulness for the support that the Knights provide them and their fellow brother priests.

These thoughts lead to my encouragement of all councils to start planning their membership drive efforts. As discussed during the summer meeting, we are planning a statewide membership drive in October. Our membership effort is titled – ***Share the Experience Membership Drive!*** October is the month targeted for all councils and council

members to make an effort to talk to every eligible Catholic man about joining the Knights of Columbus and sharing in the Knights of Columbus experience. I hope that you and your councils have embraced this theme and will work to make this statewide and order-wide effort a success and the best membership drive ever!

The Membership Drive effort is set up so that each council will have an opportunity to communicate back through their DD to share their successes and experiences regarding this effort. The Membership Drive stresses planning, coordination with the insurance team and council and district accountability. I trust that all councils are working with the support of their District Deputies and Insurance representatives on planning this effort.

As State Deputy, I would also ask that that all the Grand Knights obtain a pledge from each of their Council Officers to each recruit one new member into the Knights of Columbus this fraternal year. Share this challenge with your officers and remind them that answering this challenge is easy. Sharing with potential candidates and interested Catholic men and their families your experiences with the Knights makes it easy to encourage membership in the Order. And with great pride, tell these potential new members that their membership in the Knights can be their experience of a lifetime as it is with many of us.

Summer Picnics & Gatherings Fr. K. Scott Connolly

This past two months I have been to more Knights of Columbus gatherings than I have in the past year. Starting with a "going-away" event at St. Rose, to the Summer meeting in Wenatchee, to the three picnics I've been to here in Woodinville, Mill Creek, and Bothell; I have been spending a great deal of time with my fellow Knights of Columbus. It has been a wonderful reminder of the great fraternity we have as an organization. We have so many commitments and projects that it is nice sometimes to sit back and simply enjoy one another's company. We see each other at meetings or perhaps working at an event, but we don't always get the chance to talk and relax. These summer gatherings remind us of the gift we are and can be for one another.

ply drop down in front of the television than go out and spend time at yet another church event. These social events help to mold us and recreate us in a way that helps us to become even more connected to the council than we were before. I encourage each of you to try this coming year to have at least one social event every other month at a minimum. These activities help strengthen us for the tasks of carrying out the council's duties and responsibilities. Try to do it without connecting it to the business meeting. So often we feel that as long as we have so many members here we may as well have a meeting. This will only diminish the good that can come from simply spending time with one another.

I have truly enjoyed myself these past few weeks and months just getting to know the Knights in my local area, their wives and children. I look forward to many more opportunities to sit down and get to know them better. May the joy of being a Knight continue to be strengthened in each of us, and may we continue to be aware of those who need to be included more. Enjoy the rest of this wonderful summer.

Social events add a character to the council that no amount of service projects and prayer opportunities can. It is important that we take time getting to know one another and each others' families and interests. We live in a rather fast-paced, sometimes hectic world. Often we would rather come home at night and sim-

State Deputy Message, Continued

(Continued from page 2)

As we leave the comfort of these summer months and focus on the fall, we start to look at the activities planned within our own council, our communities and our parishes. For our councils to succeed in their goals for this year, we will need to count on the support from many of our members and their families. The support not only comes from the kind of *good, old fashion elbow grease* that is the by-product of lending a hand. But it also comes from the spiritual and fraternal efforts we make and offer in support of each other. I encourage you to reach out to members of your council who you haven't seen for a while. Use your phone tree and contact these members. Invite them to a meeting or a council event. Sometimes that is all that it will take to get these members out. Tell them even if they might not be available to help out at

the next event, their prayers and encouragement for the success of these council activities are greatly welcomed. Let them know that their spiritual help can only aid to make the road traveled much smoother.

I wish you the best in planning for your Council's Membership Drive. Let's make this Membership Drive and fraternal year the best ever!

Vivat Jesus!

Message from General Program Director

Brother Knights,
Summer is almost gone and it's time to start getting into the habit of submitting your Monthly Service Reports. The first Service report is for July and August and it is due by September 10th. Remember, this Fraternal Year you can earn an extra 5 points if you submit your Monthly Service Report online. Please also remember that it is still not too late to get your Forms 185 and 365 into Supreme with a copy to the State Deputy and myself. The first Semi-Annual Council audit was due to Supreme on August 15th. Please expect a call from your District Deputy on any past due report. I hope you will work with him to get your reports submitted. I will post the current status of all reports for each council on the State's website. Please check the website to see if you are up to date with your reports.

Thanks you Brothers

Remember, Labor Day is a reminder that School is back in session. Please drive carefully, especially in school zones. Our children are excited to see their friend and sometime just don't pay attention. It is up to us to be vigilant and protect our most valuable resource, our children.

Message from Vocations

On Sunday morning, the pastor announced "I have good news - we have enough in our building fund to begin construction on our new sanctuary. The bad news is that it is still in your pockets".

Now, I would never say that about the Knights and our vocations program. Indeed, the Knights have been most generous in their support of seminarians and candidates for the consecrated life of a nun. But, it is once again time to step up to the plate and adopt a seminarian to support through the RSVP program.

I will shortly have a current list of seminarians, and invite councils and assemblies to contact me directly for the name of a seminarian to support. Especially invited are those councils and assemblies who were supporting any of the eight candidates for the priesthood who were ordained this June.

"Every Seminarian Supported" is the watchword of Washington State Council. Only you can make it happen.

Messages from Retention Chairman

Grand Knights;
Now that the hustle and bustle of the summer is over, this would be an excellent time to appoint your retention committee if you

have not already done this.

The Grand Knights who have appointed their retention chairman or committees are way a head of the game. They are prepared for any possible losses their councils may face. Are you among them?

This committee should consist of the Grand Knight (chairman ex officio), the Deputy Grand Knight (ideally the chairman), the trustees, the financial secretary, the treasurer, and the proposer if available.

Retention **does not** begin when there is a problem; It begins when an applicant signs the form 100. It is up to the council and the program chairmen to ensure that the programs being offered are of a nature to keep people interested and returning to the meetings.

A good sign that a member is losing interest is a sudden drop in attendance at meetings or not supporting any of the council activities. These reasons may vary from not being asked to participate on a committee to having a relative that has been in poor health. **Investigate before it's too late!**

Remember, that the next Supreme per capita tax assessment is in January and is based on the membership as of December 31st. If per chance you should find your council needing to clean house, do not wait until December 1st to file suspensions. To ensure that your council does not taxed unnecessarily, please attempt have all suspensions completed by mid October. This will allow time to make any corrections that may be needed.

If in the process of cleaning house, you should come across some "lost" members

Voters Registration Drive Just Do It... For God's Sake

If we are going to rid our political chambers of people who continue to kill the unborn children, we must register our catholic parishioners to vote. Please do so now. Thank you very much.

Archbishop Brunett said in a statement which can be found on his web page (www.seattlearch.org) that, "Catholics cannot on one hand profess to be in communion with the Catholic Church and on the other hand support abortions."

Supreme Knight Carl Anderson said, "Vote pro-life."

For supplies contact yesivote.org.

Gentleman, please do not wait. Do it now.

May God Bless you.

Jerry Ross

State Pro-Life Chairman

Most worthy Grand Knight,

This is your chance to inform your parish on the life issues before the upcoming election.

Our Bishops say, "We can not expect to be in communion with the church if we support abortion."

Please hand to every single parishioner in every single mass at every parish you serve on Respect Life Sunday, October 3, a copy of the Bishop's pamphlet....Faithful Citizenship: A Catholic Call to Political Responsibility.

Order them from the bishop's conference (USCCB) 1-800-235-8722. Order no. 5-562. they cost \$12 for fifty pamphlets. Even if you spend several hundred dollars, it is worth every penny. Many little lives maybe saved as a result of your effort.

Jerry Ross, Pro-Life Chairman

Message from State Secretary

Random thoughts from the 122nd Supreme Convention in Dallas, Texas.

More than 2,500 Knights and family members from throughout the world attended the 122nd annual meeting of the Knights of Columbus. Representing Washington State as delegates were SD Pat Maloney, IPSD Wayne Hogan, SS Karl Hadley, Darrell Keeney, Ben Workman, Monte Cromwell, Ed Himebaugh, Larry McKeever, Jerry Ross, and Del Treichel. (ST John Walker and

PSD Ed Mertens attended on their own ticket. Supreme Director Fred Abraham also attended.)

In his greetings to the meeting, Pope John Paul II called upon the Knights to spread Christ's message "to every sector of social, cultural and political life" and to work within American society for "the protection of human life."

The theme of this year's meeting was "Now is the Time for the Lay Faithful," which the pope said was "close to my own heart." Supreme Knight Carl Anderson extrapolated that phrase to "Now is the Time for the Knights of Columbus."

With nearly 1.7 million Knights, 12,480 active councils and 2,757 roundtables, we have enormous influence from being the largest Catholic men's organization in the world. This was evidenced by the attendance of cardinals, archbishops, and bishops from the U.S., Canada, Mexico, Cuba, Dominican Republic, Mindanao, Luzon, the Vatican, and Krakow. This included Bishop Skylstad from Spokane, Cardinal George of Chicago (a former bishop of Yakima), and the President of the National Catholic Education Association.

The big surprise was when it was announced that President Bush would address us. President Bush remarked that his brother Jeb was a third degree knight and that he would encourage him to "Aim for the Fourth!"

President Bush also touched on issues important to the Knights and Catholic voters. He drew repeated standing ovations when he described his policies banning partial-birth abortion, supporting an amendment to the Constitution to define marriage as the bond between one man and one woman, creating programs to improve schools, helping drug addicts and mentoring children of incarcerated parents. He also said he would work with Congress to pass a comprehensive ban on human cloning, saying, "Human life is a creation of God, not a commodity to be exploited by man."

Recalling his meeting with Pope John Paul II in June, President Bush called him "a true hero of our time." The pope, continued Bush, "has challenged our nation, and the entire world, to embrace the culture of life.... Few organizations have worked harder and done more to meet this challenge than the Knights of Columbus.... I really appreciate the Knights of Columbus."

I thank you for the privilege of representing you as a delegate to the Supreme Convention. We had a great time!

Vivat Jesus,

Karl A. Hadley

State Secretary

Ceremonial Meeting & State Ceremonial First Degree Competition

On August 21, the State Council conducted its annual Ceremonial Meeting in Ellensburg. Ceremonial Chairman Thomas Weber, PSD led the meeting of District Deputies, Conferring Officers, Team Captains and team members. The meeting's focus was to review the latest Ceremonial Guidelines from Supreme, help DD's in preparation for their major degrees, and brush up on important ceremonial issues. One item that was emphasized during the meeting that DD's and GK's should stress to new First Degree members the important of planning to attend the next major degree in their area. The schedule for these degrees should be continually be advertised and communicated to council first-degree candidates.

The First Degree Competition was again re-emphasized. Is your Council prepared to participate in the State First Degree Ceremonial competition? Is your team ready to compete for the Best of the Best Award? Do you need more information about this competition? Talk to your District Deputy who has all the information you need to know to participate. Competition at the district levels should be starting soon.

Get in the Game – Talk to you DD!

Directory Changes

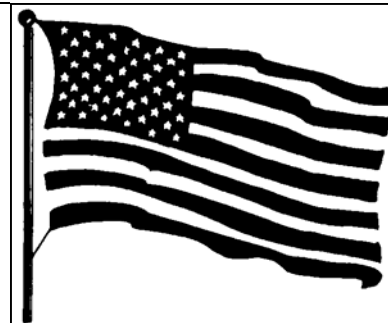

Due to a glitch in the database program for the State Directory, this month's changes could not be published. They will appear next month. Sorry for any inconvenience.

Have you ever noticed?

Every now and then, I sit down at my desk to do some work. Sometimes, I get a little preoccupied and my mind starts to wander – and I start to think of things that in the moment mean a great deal – but after that that moment passes, so many other things seem more important. But, these little realities are part of life – and so I offer a few of them to you for your contemplation:

- ♦ Have you ever noticed that love letters, business contracts, and money due you always arrive two to three weeks late, whereas junk mail arrives the day it was sent!...
- ♦ Have you ever noticed that when you drop change at a vending machine, the pennies will always fall nearby, while all the other coins will roll out of sight!....
- ♦ Isn't it true that the severity of the itch is inversely proportional to the length of the reach...
- ♦ You never really learn to swear well until after you learn to drive!....
- ♦ The colder the doctor's x-ray table is, the more of your body is required on it!....
- ♦ People who love sausage and respect the law should never watch either of them being made!...
- ♦ Interchangeable parts won't!...
- ♦ Isn't it true that experience is something you don't get until just after you need it!

Words for the Grand Knight

Starting a new fraternal year is a busy time for the GK with the Form

185 and 365, audit report, budget, installation of officers, program reports. Does this ever end? Yes, it will, at the end of your term in 2005. Meanwhile, how are you as the GK going to find time to order Christmas cards?

The answer is, you don't have to worry. Appoint a member of your Council as the KCIC Chairman. [You're the CEO]. Give him the 2004 Christmas Card Program packet you received at the Summer Meeting. You will find the material in a Manila Envelope with a picture of the Birth of Christ and the words "Keep Christ in Christmas" on the front. Ask him to contact me, by letter or E-mail and he'll be on his way. It's that easy. Don't forget, I don't want to hear from the GK. I want to hear from the Council KCIC Chairman. If I don't know who he is, I will have to contact you as GK, and you have enough to worry about. As a reminder the Special Price on the Assortment Case ends 15 Sept.

Congratulations to those Councils who have selected their KCIC Chairmen and submitted their names to me. A special congratulation goes to Council 13395 in Silverdale, WA. They are kicking off their KCIC Drive on 11 Sept. Good Show.

In Christ's love,

Message from Family State Chairman

Supreme has announced the winners of Family of the Month for July. The winners from a random drawing are listed below.

- ♦ Paul and Tommiesue Ahmann of Council 1488—Colfax
- ♦ Graham and Marlyn Danyleyko of Council 3361—Oak Harbor
- ♦ Gus and Lyn Gustafason of Council 10652—Ft. Lewis

There were only 27 councils that participated in the Family of the Month program. It would be nice to see that number increase in our State.

why not try to find their current addresses and telephone numbers? Have you searched through the most current records from Supreme? If you have access to the Internet, have you availed yourself of search engines or websites such as Google, or the white pages? I recently tried a test of both sites. I ran the name of a good friend through Google and it pointed to a website that he has up for his business. I typed my name to do a test search under the white pages and of my name, address and phone number. Both are useful tools in trying to locate members that don't have a valid address.

Another useful tool are the letters of reinstatement and reactivation that have been sent to the District Deputies. These letters can assist in your efforts to attract former members, which can count as new members in certain situations.

Message from State Advocate

Worthy Grand Knight,

If you are considering a review of the Council by-laws or you can not locate a copy, or maybe the Council never had by-laws, there is an easy way to resolve this problem. Sample copies of the latest revision of the standard set of by-laws with clear directions on how to make changes is available.

Send for a sample copy with the Council Number and an address to:

Don't forget to vote in Primary

Three steps in voting in the primary on September 14.

1. Choose a party preference. If you do not select a party or if you select more than one party, your votes for partisan candidates will not be counted.
2. Vote for the candidates from the party you selected. The ballot is color coded to assist you in selecting contests which correspond to your party selection. Votes for another party's candidate will not count.
3. Vote for non-partisan offices and ballot measures. These votes will be counted, even if you do not mark a political party preference.

Message from Church Chairman

The Icons of the Divine Mercy continue their pilgrimage throughout the state on into November. Please see the schedule below. Districts not listed have already had one of the Icons travel through. District Deputies have the discretion to alter the schedule within their allotted time so confirm your dates before making solid plans. For councils yet to receive the Icon, a link to view the suggested Hour of Prayer program is available at the State Council website. Prayer booklets are accompanying each Icon.

Please remember the importance of recording the events and attendance in the log books traveling with the Icons. This information will be used in reporting to Supreme at the end of the program. Please call me if you have any questions.

Grand Knights and program directors, don't forget to refer to the church activities section of the Surge with Service book for suggestions of church program activities. This book is in the various materials you should have received recently from Supreme. Here you will find an abundance of program suggestions and ideas.

Plan now to submit your best church activity for the state Church Service Program Award next April. Document your event well to submit the best possible entry. See Page II-32 of the state Grand Knight's Handbook for further information.

Welcome to a new fraternal year. Set in motion the activities and programs to make this the best year of your council ever!

Messages from Membership Chairman

The new fraternal year is well underway, and I hope you're all enjoying the fruits of your hard work this summer. Hopefully you've all started your membership campaign by bringing in at least a few new Knights already. Now it's time to really get things rolling by preparing for the Share the Experience Blitz in October. Have you contacted your pastor yet and established a date for the event? The Supreme Council has suggested October 9-10 for the Blitz, but remember that it's up to you to pick a date that works for your council and your parish. Don't forget to include time to meet

with your candidates at an open house and with your admissions committee... you'll want to make sure you get these new members headed down the right path to being productive, long-term members of this Catholic, family, fraternal service organization we love.

A few months ago at the summer meeting I made an analogy (that will probably come back to haunt me!) about how the hard work of membership really starts after you've gotten a man to agree to join our Order. The analogy, inspired by District Deputy #7 Bob Baemmert, is that when you're elk hunting, you spend all your time thinking and working toward the moment when the elk is in your sights... but after you've successfully bagged your quarry, the hard work of dressing and dragging the game home begins. Similarly (and at this point I was admonished by our worthy State Deputy that he'd better not see me with a sheath knife near any candidates!) don't make the mistake of thinking that your quest ends with a signature on a Form 100. As Andy Kraemer mentions in his article this month, retention begins immediately... when your admissions committee meets with the candidates to discern their eligibility to be a Knight, and, just as importantly, to learn what their interests are and develop a plan for which activities they can immediately start working on.

Once the new members have received their First Degree, it's time to really make a lasting impact by getting them started on the Shining Armor award program. The Shining Armor award recognizes an active Knight during his first year of membership. He must attend at least three council business meetings, actively participate in three service programs, visit with the insurance representative, recruit a new member, and receive his Second and Third Degrees. Think about it... everyone wins! The new member becomes a lifelong member by getting active right away and seeing firsthand the rewards that come from doing God's work... your council wins by gaining an active helper in doing that work AND by getting another new recruit... and your parish and community win by reaping the fruits of the new member's efforts. Start now by ordering (from the Supreme Council Supply Catalog) your supply of Shining Armor Qualification Cards, flyers, certificates, and lapel pins. Make sure you get these in time for your new crop of Blitz recruits!

Share the Experience of a Lifetime...

Vivat Jesus!

Message from Recruitment Chairman

Well we are in the third month of the fraternal year and as leaders of our council should be well on our way of following our plan to achieve the membership goals we set at the summer leadership conference.

Some questions we can ask ourselves before the next council meeting are:

- Have you met with your membership chairman and his committee to review goals?
- Are the goals being monitored each month?
- How are we doing year-to-date on membership?
- Do you have a list of potential candidates?
- Are you planning a membership blitz in October?
- Do you have enough form #100's on hand?
- Do you have membership information brochures?

Have you asked your pastor for permission to give a membership talk in church?

Well, not to overwhelm everyone with too many questions, I just want to bring attention to some of the more important items that need to be on your monthly action list. Remember that recruitment is something we need to do all the time and to involve as many men as possible. Asking a fellow Catholic man to be a Knight is our duty and responsibility as a Knight. We owe that much to the Catholic men of our parish.

Just to review some important procedures:

- Be sure to fill out the form #100 completely and have the candidate sign and date it.
- Have the candidate meet with the admissions committee.
- Vote on each new candidate at your next council meeting.
- Hold a first degree every quarter or more often to bring in new candidates that have been approved.

Lastly, give one copy of the form #100 to your insurance agent and mail the original to Supreme.

I think I have covered enough of the basics for this month. I invite all Grand Knights to achieve Star Council this year and to exceed your membership goal by December 31, 2004. We all feel great when we achieve our goals especially if we do so early.

Any questions, ideas, or for help call me. **Home # 425-742-0239**

Vivat Jesus!!

Pro-Life Message From Auburn Council 3598 August Newsletter

I have witnessed no greater confusion among Catholics than when the issue of life turns to politics. In fact, one could say that Catholics, who comprise the potential for perhaps the single greatest political force for the protection of life are so confused they simply don't even make a difference. After all, when it comes to the issue of pro-life and political candidates, about as many Catholics vote pro-life as not.

Granted, Catholic concerns on political issues are not limited to just protection of life. Actually our faith teaches us we need to be aware and involved in any issue that affects the overall common good. Thus the confusion and the question: What then is the best party platform or candidate to promote an overall genuine common good? The fact is, modern politics at this level become so ambiguous, no one seems to be able to conclusively answer this question.

However, our Faith tells us this much, there do exist issues of life and common food that are so fundamentally important in their basic nature as to be simply non-negotiable. These in-

Please keep the cards and letters (email) coming folks. I need your inputs for the Bulletin each month by the 20th so I can have time to organize all the articles in in the bulletin and get it to the printers a couple of days before the 1st of the next month.

Also please don't forget that I can help you submit articles in the Columbia Magazine.

Please try to send any pictures in JPEG format if possible. They take up a lot less room than TIF or bitmap.

clude abortion, euthanasia, all forms of embryonic exploitation, and so-call alternative marriage life styles. How a Catholic is obligated to vote on these most fundamental of life issues is not even a question, and all other issues, although important, nonetheless become secondary. If Catholics voted consistently in this regard, the political force would be huge, and the ambiguous nature of modern politics would be forced to accommodate that force.

Yes, politics can be confusing, but the very best we can do is to focus on the issues that are dimply non-negotiable. The rest will take care of itself.

Exemplification Fund 2004-2005 Message from Membership Chairman

Since there are a large number of new Grand Knights and Financial Secretaries, I thought it might be helpful to explain what the fund is all about. This will also serve as a reminder to the "old" GK's and FS's.

What is the Exemplification Fund?

It is a "voluntary" fund initiated by the State Council in 1999 to relieve the District Deputies of the duties of collecting an initiation fee from each of the councils when the 3rd degree is conducted.

At the time of the 1st degree initiation a fee is set and collected by the local council to cover whatever costs you have for the first degree and also to cover the cost of the 3rd degree. The current amount to be forwarded to the State for the 3rd degree is set at \$8.00. It is the responsibility of each council to set its own fee.

What is the \$8.00 used for???

A \$250.00 payment is made to each 3rd degree team (these teams are located in different parts of the State) to help cover part of the expenses of the team when they travel to the scheduled degree.

What is a new member?

A "new member" is a Knight who has taken the first degree. EXCEPTION: A Knight who is identified as a re-activation, re-admission, re-initiate, priest, seminarian or a transfer are not considered new members as far as the exemplification fee is concerned. **YOU ONLY PAY THE \$8.00 FEE ON THOSE KNIGHTS WHO ARE "NEW MEMBERS".**

What is the payment procedure?

When the financial secretary receives the monthly Supreme Council Statement a copy of the sheet that shows the new members, transfers, withdrawals, re's, etc. should be sent with a check for \$8.00 for each "new member" to the State Secretary. Remember: **DO NOT** send \$8.00 for the Exceptions shown above. (The State Treasurer does not receive this report from Supreme so he has no way of knowing who the "exceptions" are.)

Where do I send the Exemplification Fee??

It should be sent to State Secretary, Karl A. Hadley, 386 McNary Ridge Rd., Burbank, WA. 99323-8604. Send the copy of the monthly Supreme Statement along with the fee.

Do not send it direct to the State Treasurer. The SS is like the FS. He receives all monies and then turns them over to the ST for deposit.

What happens if I don't send the exemplification fee?

If a council fails to pay or falls behind in forwarding the exemplification fee, the District Deputy will be instructed to collect the \$8.00 - 3rd degree fee from each council during the registration at the 3rd degree. He will then forward it to the State Secretary.

There are councils in the State who have fallen behind in forwarding the \$8.00. The State Treasurer has mailed a reminder to each of them on August 23, 2004 showing the amount due. Please help to bring the records up-to-date by sending a check to cover the past due amounts. The billings are through June, 2004. If there were any "exceptions" on the billing you receive, mark in the R/R/R adjustment column the number and subtract \$8.00 for each from the total due. Please use the above procedure for all "new members" from July, 2004 forward. Thank you for your attention to this matter. If you have any questions or concerns, please contact John L. Walker, State Treasurer by phone, email or US mail.

Message from Master

Worthy Brother Knights:

I want to thank you for allowing me the honor of service to you, your councils/assemblies and the great jurisdiction

of Washington. At the most recent ceremonials meeting held in Ellensburg, WA. Past State Deputy and FMFD Ed Mertens talked about the continued need for communications in all our ceremonials. This applies to all areas of the Knights of Columbus in Washington not only in our ceremonials but in our assemblies, councils and our day to day actions that we take in the Knights of Columbus.

I think our greatest improvement in the state is our daily communicative skills at not only the state level but the district level. However, as we have seen in the past, it takes only a minute of relaxed vigilance for this effort to have all been in vain.

If nothing else over the last two years, I hope that I have been able to achieve this goal that I established at the beginning of my appointment as Master. Not being I person, but We person, you must feel that it has been achieved. You have given me back the feedback that I sorely needed to insure that you were receiving every bit of information and up to date information that the Master had at his disposal. In many cases this has been confirmed. Many have stated that they received complete information on exemplifications, installations, color corps instructions and wear of regalia and how to act in certain instances when dignitaries are present. I guess the most impressive thank you as Master was given to me when a Faithful Navigator told me, "I wish that I had the information given out at the District Meeting at the beginning of my term, because I finally found out a lot of what was happening as far as what my job was and how an assembly should act and what is required of them". This was a great statement and lays the foundation for the next Master in that he may possibly need a mini district meeting every other year at the beginning of the year to inform Faithful Navigators or aid them in their new position.

Thank you for the chance to serve and be

New Master Appointed

Storm has served 8 years as a Color Corps Commander, 5 and a half years as District Marshal and 2 years as Marshal of the 4th Degree team. As Color Corps Commander, Storm was instrumental in bringing together three of the local Assembly's to form a county wide Honor Guard, training all the members to follow standard procedure, so that no matter what parish they were in, they performed in a uniform manner. Storm has played an instrumental role in presenting that promoting the American Flag ceremony that has been performed at various venues around the state for the Veterans of Foreign Wars, Knights of Columbus, Catholic Daughters of America and several local government agencies. The state is pleased to welcome Storm and his wife Caroleen to this important position. We wish them the best during this assignment.

It is important to extend congratulations to, and recognize the outstanding accomplishments of our outgoing Master Everett Roberts. Rob has done an outstanding job in his two years serving as master. He has done a fantastic job growing the Fourth Degree

Keeping in our thoughts our troops who are serving in Iraq.

We have many brothers and sisters of faith that are serving their tour of duty in Iraq. Additionally, there are members of the military who have completed their tour of duty in Iraq, that might find themselves facing the possibility of being recycled again to Iraq. To those brave men and women of our military - we salute you and continue to offer our prayers for a safe return.

This is what Jesus said about the Centurion.(the Soldier) in Mathew, 8:6 "No greater faith have I found in all of Israel." We admire you for all that you do. We wish you well on this duty you perform. Our thoughts go with you daily.
