## KNIGHTS OF COLUMBUS

*"Unapologetically Catholic"*

### Message from the State Deputy

Dear Brother Knights,

At this writing most of us are finding ourselves wondering what we can do or not. Restrictions are everywhere, services and businesses are closed or on very short hours, even many of our churches are either closed entirely or only allowing sign-up masses for small groups. Not since the Spanish Flu of over a century ago has our country gone through such internal fear and conflict in our daily lives over the smallest of things, but in all of this negativity there is always that one small shining spot in our lives...Our Faith.

This is the time that our faith must carry us all through things and feeling we never could have imagined. A few brave members are continuing to put on small programs and do small project where they can safely, and that should be the hope we all need to see. The Lord is bringing us through this as long as we stay in faith and do whatever each of us can at every opportunity.

Other sources continue to encourage engaging in large activities and ignoring the restrictions placed legally by civil authority that we might be more active. Be very careful. Most of those trying to inspire us to activity don't know what we are faced with here in Washington and don't take in to account the terrible things that could happen should we make foolish decisions to act on their ideas and words. Trust me, when things go badly you won't find those folks anywhere.

This too shall pass. Do what you can for all that you can but stay safe so when this is gone we are still here and as strong as ever.

Take Care my Brothers,

Fraternally,

## State Chaplain's Message

Worthy Brother Knights,

November is traditionally the month when the Church turns her attention in a special way to the welfare of the faithful departed. We begin the month with All Saints Day, a celebration of those who have fought the good fight and have gone before us in faith to attain eternal life in heaven. The next day, All Souls Day, we lift our hearts and voices in prayer for the benefit of the souls in purgatory, begging God to cleanse them and welcome them into the perfect joy of His presence. All throughout November, we continue to keep these souls in our prayers in perhaps a more intentional way than we do during the rest of the year. Rather than launching here into an argument for the validity of the practice of praying for the souls of the faithful departed, I would like to share some personal reflections on my experience of praying for that cause.

Having been a priest for thirteen years now, I've been around death and dying on many occasions. I've celebrated a large number of funeral Masses. And, while some of those were particularly difficult, none were as difficult as the funerals of my father and mother. Both of those events brought me face to face, like never before, with the question of the impact of my prayers on the eternal well being of the souls of those who have died.

The more personal our connection with people who have died, the greater our interest in their perpetual happiness in heaven. So, out of love for my parents, I wanted (and still want) to assist them in any and every way possible. Thankfully, my parents were devout Catholics who exhibited many saintly qualities. I have often said, since their deaths, "If *they* can't make it to heaven, there's no hope for any of us!"

However, that's exactly where I recognized the temptation to pronounce my own judgment on their souls. We are generally good about staying away from issuing the judgment that this or that soul is in hell. (I can think of only one counterexample: where a pastor—not in a Catholic church—stood up at a convicted murderer's funeral and declared his belief that the man would suffer damnation for all eternity.)

The reality is: we are not only unqualified to issue the judgment of condemnation, but we are also unqualified to issue the judgment of salvation. Only the Holy Father, after a long process of investigation, is qualified to declare that a specific person is in heaven. *And so, as much confidence as I have that my parents are in heaven, I do not know it with absolute certitude.*

As the months go by since my parents' deaths, I find myself thinking, "Well, even if they went to purgatory, then *surely* they are in heaven by now!" And, again, there's the temptation to think that praying for their souls is now unnecessary. However, God has given me the grace to recognize that 1) I don't understand how the "timing" of purgatory works, and 2) it's not for me to decide when it's time to stop praying for their souls.

So, I continue to pray for my parents' souls, not because I'm afraid for them, but because I love them. It's also an exercise in humility, as I submit my own reasoning and judgment to the will of God. I'll keep on praying, and if my parents are already in heaven, I'm sure God will use my prayers to help someone else -- He won't let them go to waste.

Vivat Jesus!

## State Secretary's Message

### STATE SECRETARY NOVEMBER 2020 (As of October 17<sup>th</sup>)

Brothers,

If interested, go to the *Second Edition* to get an update on my prostate status. There is a little error in that report. I thought .35 was a good of a number with no prostate. The surgeon thinks otherwise. I should be no greater than .014. Next month, I will get another PSA and that will be the number we work with—more next month.

I sent out 2<sup>nd</sup> notices to those councils that have not paid their insurance liability premiums. 73.45% of our councils have paid their insurance premiums as of October 17th. If you are one of the councils that have not paid, please do so.

GoFundMe has been set up to subsidize our Columbus Charities 501 (c) 3 Tootsie Roll Program. When it was completed, I sent out a message to all GK's, DD's and FS's. I asked them to forward to all their members, since I do not have the capability to send to all. I am including the message I sent for those that did not receive. Remember, this is a non-denominational program. Right now, we have raised \$1,575 and the site has been up for a week.

Stay safe and get your PSA checked.

## A Message from Columbus Charities

### Columbus Charities Tootsie Roll Program GoFundMe 2020-2021

Brothers,

Due to the COVID 19 pandemic, most councils are not able to hold Tootsie Roll drives. As a result, our Special Olympics Washington support, as well as other benefactors, will not receive funds from Columbus Charities Program. Our State donations to Special Olympics Breakfast of Champions and Special Olympics Breakfast with Champions (annually \$25,000 for the past five years) are in jeopardy. Remember, we have been the Community Award Sponsor. Many councils donate to Special Olympics Washington through this program as well.

We as Knights of Columbus Washington have enjoyed publicity and visible exposure as a result of this program. In addition, Special Olympics and 85 other benefactors have received hundreds of thousands of dollars through this program. Many of you that are receiving this message have contributed to the program's success in the past. I do not want to offend anyone but an explanation of the program must be posted below.

We are trying something new this year, to try to continue this most worthy program. It will be very difficult to credit a council with donations for their local 80%, but we will try. I wanted a notation box somewhere on the platform, but was unable to do that.

We are asking for donations to the Tootsie Roll Program from businesses, councils, individuals, etc. to donate to Columbus Charities Tootsie Roll Program. Undesignated funds will go to Special Olympics Washington and KC Help (Hospital Equipment Loan Program).

Some of our members have been home bound during this pandemic and might want to donate through this portal.

That explanation is below, along with a link to GoFundMe. Paste that link to your browser and see, and/or donate through this portal.

Please send this message out to all members, parishioners, friends, family members, other denominations, etc. and we will see where this goes. I am trying to save this program for 2020-2021 and need your help.

Anyone who has a Facebook, I ask you to post this so it gets out to the public and has a chance in meeting our goal. Hopefully this program will return to normal next year.

The Tootsie Roll Program "Helping People With Disabilities", sponsored by Washington State Knights of Columbus through Columbus Charities 501 (c) 3 non-profit, holds annual Tootsie Roll Drives at various locations (Walmart, Fred Meyer, Safeway, local grocery stores outlets, etc.) collecting donations. The program is traditionally held September 15<sup>th</sup>-October 30<sup>th</sup>, however is not limited to that period. A tootsie roll is given to everyone whether they donate or not, however this year that will not be possible.

Due to the COVID pandemic, the Tootsie Roll Drive 2020-2021 Program will not be held in most locations. To continue to provide benefactors with much needed funds, we are asking for donations through this GoFundMe outlet in support our Tootsie Roll Campaign.

All funds collected benefit over 85 local and national organizations with the greatest recipient being Special Olympics Washington. All funds collected go to the disabled, less minimal product and printing cost of approximately six cents on the dollar, less with no product required. Eighty percent of these funds are available for local council distribution while the remaining twenty percent is specifically designated to Special Olympics Washington.

Traditionally, over \$130,000 annually has been collected in our annual campaign. Special Olympics Washington receives approximately \$38,000 each year because of the program. Knights of Columbus are the Community Volunteer Sponsor of the Year and have provided \$25,000 each year to the Special Olympics Washington Breakfast of Champions in Seattle and Spokane. That ability is now in jeopardy.

## A Message From the State Vocations Chairman

### National Vocations Awareness Week, Nov. 1-7

The Catholic Church in the United States will celebrate National Vocations Awareness Week from Nov. 1<sup>st</sup> through the 7<sup>th</sup>. This event is dedicated to promote vocations to ordained ministry and consecrated life through prayer and education. It also provides an opportunity to renew our prayers and support for those who are considering one of these particular vocations.

The U.S. Council of Catholic Bishops (USCCB) began the observance of Vocations Awareness Week in 1976. There are many organizations that support Vocations in the Catholic Church including but not limited to; Catholic Daughters, Knights of Columbus and Serra Clubs. This week would be a great time to check out these groups and find out how you can support vocations in your diocese.

## State Treasurer Message

### State Treasurer—November, 2020

Brother Knights,

I want to extend my thanks to you for continuing in the footsteps of our Founder, Fr. Michael McGivney. As of October 31<sup>st</sup>, now Blessed Fr. McGivney remains a stalwart example of living the Catholic Faith for both priests and knights and their families of today. We should make every effort to honor Blessed Fr. McGivney by living our Catholic Faith boldly to counter the anti-religious sentiments that permeate much of today's culture. In many ways, the challenges we face are not all that different than what Fr. McGivney faced in the late 1800's, which spurred the birth of our Order. I pray that we rise to the occasion and seek Fr. McGivney's intercession as we strive to become better Catholics in faith and in deed.

We have much to be thankful for as we come to the end of 2020. The Beatification of Fr. McGivney, the determination of many councils to Leave No Neighbor Behind, our families spending more time together, implementation of the new exemplification, and suspension of the exemplification fund are just a few examples. In gratitude, let us give back to God as we continue the legacy of Fr. McGivney.

My family and I wish you and your families a peaceful and Happy Thanksgiving.

***“Although but a few years organized, the Order has effected incalculable good in many households.” - Blessed Fr. Michael McGivney***

## State Advocate's Message

My Brother Knights,

It is hard to believe that 2020 is coming to a close and we need to start planning our holiday gatherings in a pandemic. Like so much of our lives right now, we will need to think about how we might gather with family and friends in a safe way. This is especially important for any family members who have a higher risk for COVID-19. I am confident that each man will find a way to still celebrate the holidays with family and follow the recommendations from health authorities, because I have seen so many examples of Councils continuing to do God's work during the pandemic and following the guidelines. I know this is not an easy time for anyone, but I am so grateful to the men who are still running Council programs and assisting the needy in their community!

As we approach another contentious election, I would like to remind you that we must avoid partisan politics while representing ourselves as Knights of Columbus. I would recommend that Grand Knights review the Political Issues section of Officers Desk Reference on the Supreme website and share with your Council:

[https://www.kofc.org/au/apps/oo/cm/en/odr/political\\_issues/index.html#1](https://www.kofc.org/au/apps/oo/cm/en/odr/political_issues/index.html#1)

Some of the highlights include:

- DO become active in the political life of your local community
- DO register to vote and encourage others to register to vote
- DO initiate and participate in robust "get out the vote" efforts to bring voters to the polls
- DO become informed on public policy issues of fundamental interest to the Catholic Church at the local, state, federal, and international levels
- DO NOT engage in any partisan political activity in the name of the Knights of Columbus. Partisan political activity is defined as including activity that seeks to endorse or oppose a candidate or party in a campaign for public office
- DO NOT make partisan political statements in the name of the Knights of Columbus
- DO NOT, on behalf of your local council, congratulate or admonish public officials in the name of the Knights of Columbus
- DO NOT distribute any Knights of Columbus member lists or contact information to political campaigns or to individuals running for office

If you have any questions on how you may support the political process while following these guidelines, please feel free to reach out to me at any time. Keep strong, my brothers, and we will get through these times.

Vivat Jesus!

Fraternally,

Tom

## State Warden's Message

It is my hope and prayer that you are all well and actively working to “Leave No Neighbor Behind” as well as looking out for each other. I know there are a number of active Councils participating in a variety of programs; however, those activities are not reflected in the Monthly Service Reports because I am only receiving Monthly Service Reports from fewer than twenty Councils.

An open virtual meeting to specifically discuss programmatic opportunities during the COVID19 pandemic with Council Officers and District Deputies in the central part of Washington State who would like to participate will be scheduled during November. I am hopeful that some of the Council officers throughout Washington State that are submitting their monthly service reports with descriptions of their activities will also participate in the meeting so that we can have an exchange of ideas. I will provide a date and a meeting link to District Deputies during the first week of November and ask that the District Deputies forward the information to their Grand Knights and Financial Secretaries.

The Washington State Council will be receiving the Black Friday Coats for Kids shipment imminently. I will be contacting all District Deputies for Districts along the I-5 Corridor to arrange delivery of coats for Councils that are participating with a Black Friday event. I will ask District Deputies to arrange to either meet me or have a local representative meet me at a predesignated location close to I-5 at a specific time. District Deputies should make sure that a vehicle capable of transporting the number of coats they expect to receive.

A similar distribution program will probably not be necessary in Central and Eastern Washington because only a few Councils will be participating in Black Friday events in those regions. However, if this changes, I will make the necessary contacts to make sure all Councils receive their allotment of coats.

Councils that have a surplus of coats from previous years should consider contacting the Prepares Program Coordinator in their area. The Prepares Program specifically supports mothers and infants up to the age of five; however, there are older siblings in these families that have a plethora of needs including a need for winter coats. Contact your Diocese or the Archdiocese if you don't know how to contact the Prepares Program coordinator for your area.

Please be safe and stay healthy.

Vivat Jesus!

## A Message from the Immediate Past State Deputy

### *Unusual Autumn*

Hi Brothers,

To say that this is an unusual year is to point out the obvious. I don't know about you, but I'm getting to the point where I cannot remember what normal is any more. I guess God has a remarkable way of changing our direction. One thing for sure is that it is not nearly as easy to do His work. Getting together, pitching in for a cause and feeling good about the outcome was the norm just a few months ago. Now we have been reduced to "virtual everything" and "begging donations" to meet our usual commitments.

As the seasons change, it is a perfect time to reflect on the changes that have transpired this year. I can't help but think that what God wants isn't for us to go on our smug, arrogant way, doing a few little things in His name and acting like Mother Theresa for our efforts. Maybe He wants us to change our hearts. To find our humility again and to be motivated to help people just simply because they are God's creations too. I will be praying for that transformation this autumn and will hope everyone find peace in their futures as well.

At least the Packers are doing good this year and that's normal. Have the Seahawks won any games yet this year?

Keep smiling and have a Great Month!

God Loves You! (He loves Packer fans just a little bit more though! Just sayin'!)

## State Membership Director's Desk

My brothers,

I will be blunt – we continue to struggle mightily with our membership during these difficult times. I understand how the pandemic has impacted our lives in so many ways, and I know that we still have a long way to go. We must find a way to continue our work despite the obstacles and challenges!

Personally, I am struggling with the lack of social interaction with my brother Knights. It has been so long since we could laugh and enjoy each other's company while doing God's work. I think that the lack of time together has turned our passion into a duty, just another job, and I am worried that a malaise is setting in. I see our membership gains decreasing, I hear about less Councils working programs and perhaps most worrisome, I see that many Councils have greatly decreased attendance at their meetings, including my home Council. Brothers, we must fight through this time if we want the Knights to flourish. I would encourage you to make an effort to reach out to your brother Knights, to check in with them and find out how they are doing. I encourage you to make an effort to attend your Council meetings. Finally, I encourage you to reach out to Catholic men to help them understand the benefits of membership in the Knights of Columbus.

My brothers, the challenge of our times is to find a way to make progress despite the obstacles. I am sure the Evil One is chortling with delight at the struggles the Knights are going through and the way it has impacted our efforts. Remember, a strong Catholic man armed with his rosary and dedicated to creating God's Kingdom here on earth must be one of the Devil's greatest fears. We must find a way to succeed despite the challenges we face!

One great way to do this is the Beatification of Fr. Michael J. McGivney. This will create a buzz in the Catholic world and we must take advantage of that buzz to help men understand what the Knights offer to them. To assist in that process, Supreme is offering the McGivney2020 promotion for one year of free online membership through December 31<sup>st</sup>. This is a great way to bring in new members to your Council! Members can join online, take their Exemplification online and transfer to your Council with free membership for the first year.

Our membership numbers are as follows at the time this article is being written:

New Members – 89 or 12.71% of our goal of 700 (we should be at 217 new members).

Net Members – **(-30)** or **(-12.50%)** of our goal of 240 (we should be at 74 net members).

Clearly, we are nowhere near where we would like to be at this point in the year. Do we face difficult times? Yes, the times are unprecedented for our generation. Does that mean we should hunker down and do nothing until times are better? No, it means that we must redouble our efforts to make progress against the obstacles!

Twelve Councils are on track to achieve their membership goals so far this fraternal year. Do they have a secret way to recruit that is not available to the rest of Councils? I doubt it! I think they have prepared themselves so that when the opportunity to reach out to a new member presents itself, they are ready to act and bring in that new member! The basics of recruiting have not changed during the pandemic, only the way we handle it. A personal testimony of why a man joined the Knights and what he gets out of it is still the most effective way to recruit. Each man should have a 20 second pitch about the benefits of membership prepared and ready to give when the opportunity arises.

## State Membership Director's Desk (Cont.)

Each man should have a way to capture the prospective member's information, whether it be on paper or via the online membership links for the state:

**Washington State Council Online Prospect Form:** <http://bit.ly/council98046>

You may also want to have the links to the Supreme online membership in both English and Spanish:

**USA (English) Online Prospect Form:** <https://info.kofc.org/us.html>

**USA (Spanish) Online Prospect Form:** [https://info.kofc.org/us\\_sp.html](https://info.kofc.org/us_sp.html)

Brothers, during such times as we live in now, with the pandemic and with a contentious election coming up, remember the words of Supreme Knight Carl Anderson at the Supreme Convention this summer: The Knights offer a man to be someone, not just do something. It doesn't matter what is happening in society, a man can always choose to be someone special. One day in the future we will be able to resume more of our activities as Knights, but we can offer a man to be someone who makes a difference right now.

Thank you for all you are doing, my brothers, these are difficult times indeed. Tough times make for tough men and my money is on the Knights to succeed during these times when so many are just hunkering down. Stay strong and we will come through this together.

Vivat Jesus!

Fraternally,

Tom

### State General Program Director's November Report

A number of Councils within the Washington State Council are alive, well and active. Let's keep all our members healthy and involved in our programs, while making a significant contribution to our communities, Washington State and our nation.

We are fortunate to have advance notification that the Washington State Council will receive the Silver Rose from our brothers in the British Columbia/Yukon State (Provincial Council) 3 May 2021. We will transfer custody of the Silver Rose to the Idaho State Council 13 June 2021.

The route through Washington State will follow the same path that was planned for 2020; however, in reverse order since we will be making the exchange with Idaho this year. The path will follow the I-5 Corridor south to Seattle, where the Silver Rose will be presented at the Washington State Council Convention 14 – 17 May 2021. When the Silver Rose is not being included in activities at the Convention, the Silver Rose will be available to Councils in the Seattle area. The Silver Rose will continue south to Vancouver, follow the Columbia to the east and then go up into the Yakima Valley, over to the Tri-Cities, across to Walla Walla and then up to Pullman. The transfer of custody to the Idaho State Council will probably occur either in Pullman or Moscow, Idaho.

There are six planned dates for the 2021 Pilgrimage of the Silver Rose. The Washington State Council will probably receive the Silver Rose 3 May 2021 during the concluding Mass at the British Columbia/Yukon State (Provincial) Convention. The Silver Rose will be in Monroe for the Sunday Mass 10 May 2021. The Silver Rose will be presented during the opening Mass (with the permission of the Pastor) at the Washington State Convention 14 May 2021. The Silver Rose will be in Aberdeen 24 May 2021. The Silver Rose will be available to District 8 during the week of 6 June 2021. Custody of the Silver Rose will be transferred to Idaho 13 June 2021.

Please contact Scott Hulse, State Warden, if your Council would like to participate during the 2021 Pilgrimage of the Silver Rose ([scottehulse@gmail.com](mailto:scottehulse@gmail.com), telephone (360) 243-0745).

My wife, Jo, and I are looking forward to participating during the 2021 Pilgrimage of the Silver Rose, and are looking forward to meeting more of our brothers. Please stay safe, watch out for each other and **Leave No Neighbor Behind.**

Vivat Jesus!  
Scott E. Hulse

## State District Deputy Director's Message

Worthy District Deputies,

If conditions allow, it may be possible to meet in person for the December Mid-Year meeting. I know many of us are hoping to resume in-person meetings, but it may end up being virtual. If the meeting is in person, please let me know if you intend to attend. New DD's will receive name badges and ribbons one way or another. Stay tuned for more details.

You should also be planning your district-wide mid-year meetings to keep enthusiasm up and councils focused on goals. Invite grand knights, deputy grand knights, financial secretaries, treasurers, membership and program directors and field agents to your mid-year meeting. You will receive Star Council Awards and other fraternal awards from Supreme. Please present these awards to your councils soonest.

Continue to promote the council resource page for the Beatification of Fr. Michael McGivney. These resources can be used throughout the fraternal year to foster awareness of our founder within our parishes. The link to the resources home page can be found in the Fraternal Leader Advisory, Volume 14, dated October 15, 2020. Supreme is also offering a free first year of membership for new online members through the end of December 2020.

Review the November Star Tracker Report and ensure overdue council forms are rectified.

**Next DDD Check-In Meeting:** Thursday, November 19, 7pm (GoToMeeting Invite forthcoming)

**District Deputy Challenge:**

Recruit at least one new member before December 31, 2020

Submit the DD Semi Annual Report to Supreme before December 31, 2020 (copy to SD and DDD)

My family and I wish you and your families a restful and Happy Thanksgiving.

***“‘Unity and Charity’ is our motto. Unity in order to gain strength to be charitable to each other in benevolence whilst we live and in bestowing financial aid to those whom we leave to mourn our loss.” - Fr. Michael McGivney***

Vivat Jesus!

## State Faith Director's Report

### Building the Domestic Church Kiosk

Holy Hour

Into the Breach

Marian Prayer

**Refund Support Vocations (RSVP)**

Rosary

Sacramental Gifts

**Spiritual Reflection**

Well, Brothers by the time you read this our country will have voted accordingly. I am reminded that it's always "His Will." On that note, a very Happy Thanksgiving to you and your families. As a country we are truly blessed!

Brothers we have much to be thankful for. The assault on our Faith, our Families, and Liberty continues. Be attentive, be aware, be prepared and look-out for each other and our Parishes. Remember our Faith is deep-rooted in the power of prayer. Saint Michael the Archangel defend us. *Pray for the canonization of Venerable Father Michael McGivney*

### NOVEMBER 2020 Supreme Chaplain's Monthly Challenge

**"Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me."** (Gospel for Nov. 22, Mt 25:40) St. Teresa of Calcutta observed that in the poor we can see Christ in a distressing disguise. Quite frankly, it can be difficult to see Christ in some of those who suffer. But we, by virtue of our baptism, are Christians on a mission: We are called not to ignore those who suffer, but to attend to their physical and spiritual needs. May we, my brother Knights, strive to recognize the face of Christ — however obscured it may seem — in the faces of the poor and suffering around us and respond to them with Christ's love and compassion.

**Challenge** This month, I challenge you to find a way to directly serve the poor, the sick, the needy or the imprisoned in some way, such as by serving in a soup kitchen. Second, I challenge you to join with your brother Knights in the Faith in Action Food for Families program so as to help feed the hungry in your midst.

**Questions for Reflection:** Why is it so difficult at times to see Christ in every human person? What obstacles exist in your life that prevent you from being more aware and attentive to the serious needs of others? How can serving others help you see Christ in them?

**Supreme Chaplain Archbishop William E. Lori:** As always, Devotion to Our Lady, via the rosary, is the principal guide by which we contemplate and serve her Son. While praying the rosary, our faith can be strengthened through Her intercession and Spiritual Sword. There is nothing that cannot be achieved with the strength of the rosary. During this period of uncertainty, remember all our Brothers, and their families, parishioners too, who have passed away or are ill. This November 2 commemorate all our faithfully departed *Pray the Rosary for Our Country. Let God's "Will Be done."*

11th of the Fifteen Promises of Mary to Christians: "You shall obtain all you ask of me by recitation of the rosary." Any Brother Knight interested in assuming the Chairmanship of the Marian Prayer Program, under the "Faith" category, please contact me at the email listed below.

Fraternally and Vivat Jesus

## State Community Director's Report

Worthy Brother Knights,

As we move into November, can you believe that we're still be talking about this virus on All Saints' Day and Thanksgiving?

It is another reminder that during these trying times, we need to be vigilant and look out for each other. Reach out to the community around you. There are still much to do and even in this pandemic, we have to be Knights. We need to care for the sick, the less fortunate, our faith communities, the vulnerable. It's during these times that many of our neighbors in these categories fall much faster and easily into the cracks. We may be comfortable behind our super-fast Internet connections and unlimited cell phone plans to keep carrying on with the daily lives we all cherish, but many families are without these items during normal times. It is even harder to reach out to folks now!

As Knights, we need to be proactive and reach out to the community. Councils are still very much active, and it's these councils that have found imaginative and genuine ways to keep the progress wheel moving that are showing who Knights really are.

Just to highlight a couple examples:

Council 11134 - St. Thomas More Parish in Spokane didn't let the pandemic stop them from holding their annual golf fundraising event. Logistics were different this year, but they still held the event and managed to raise money for their community.

Council 8297 - St. Olaf's in Poulsbo held a successful Tootsie Roll drive -- masks and PPE were worn. They also held a "Hygiene Product & Food Drive" to benefit their community.

KC Help -- I can't mention our good works for the community without mentioning this organization. During the last few months, phone calls for help and donations have gone through the roof; especially for requests of help and medical equipment.

Great job, Brother Knights!

As a reminder from last month's newsletter:

**What counts as close contact?** (<https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine.html>)

You were within 6 feet of someone who has COVID-19 for a total of 15 minutes or more

You provided care at home to someone who is sick with COVID-19

You had direct physical contact with the person (hugged or kissed them)

You shared eating or drinking utensils

They sneezed, coughed, or somehow got respiratory droplets on you

These guidelines make it very clear that food drives where parishioners are driving through a parish campus and dropping off donations would not qualify as "close contact". If safe procedures are in place, there is no reason your council should be avoiding these critical programs for your community.

So, you still feel concerned about being out in public – what else can you do? How about organizing some fellow Knights in your council and making phone calls to check on your Brother Knights? Many are not "tech savvy" or have the online resources to stay in touch – reach out to them. Pick up that phone you normally use to surf the web or post snarky remarks on social media and **actually** make a phone call. See if your fellow Brother Knight can use some help getting groceries, car maintenance, or home maintenance.

Thank you for all you do for the Order and thank for all you do in the name of Jesus Christ.

Vivat Jesus!

Dang Nguyen

## A Message from the State Historian

Grand Knights and Long-Time Members of Councils:

I appeal to grand knights, other officers, and members of long standing in their council that now that you near the end of another fraternal year and your knowledge of your council's history has expanded to please consider writing or revising your council's history. Now, during this COVID time, when you have time on your hands, surely you can submit a history of your council.

There is a possibility that within the next couple years there will be an effort to have a comprehensive history of the Knights of Columbus in Washington. That book would include individual histories of each of our state's councils. The original book, authored and published by PSD George Turk in 1990 contained a history of all 92 of the state's councils. The updated history, coordinated and published by PSD Tom Weber in 2007, added or revised 57 histories. But today there are 165 councils in the state, with many of those not having a written history at all.

See below the list of councils that are not included in the state's history. Is yours on the list? If so, you need to prepare and write up a history now and then submit it so that you will be included.

You may ask, What's a council history? Take a look at the state history on the web and check out what's there for other councils: <http://www.kofc-wa.org/GKCD/State%20History/WSCHistory070113.pdf>

This will give you an idea what you can submit. But it need not be anything elaborate—just a few facts about your beginnings and the key players in getting it going. You can write it up in your own style or you can simply submit the basic facts and I will write it up for you.

The following councils have no histories in the state council collection: 9833, 11611, 15684, 15968, 16184, 16361, 16667, 16690, 17152, and 17257.

The following councils have submitted partial histories but are lacking substantial parts of what would be considered a complete history: 9721, 11085, 11271, 11252, 11945, 12175, 12483, 13761, 14046, 14689, 14852, 14922, 15143, 15338, 15462, 15721, 15730, and 16186.

Send your council or assembly history to me, or if you need help, I will write it for you.

### Appeal for Assembly Histories

There are 60 fourth degree assemblies in the state, but only 48 of them have submitted a written history. Are you a member of long standing in your assembly who would be able to sketch out a little history of that assembly? If not, do you know of a sir knight who would have the knowledge and memory of the assembly's beginnings and could submit a few of those facts?

Your assembly should be represented in the state's collection of assembly histories. Even if you don't have much knowledge of the early days, perhaps you could at least submit the date of charter, a list of charter members, and a fact or two of its origins.

Assemblies with no history submitted are: 1170, 1171, 1183, 3097, 3283, 3398, 3414, 3487, 3565, 3577, 3674, and 3708. If one of these is your assembly, please consider this appeal.

Submit your assembly's history to Joe St.Hilaire, [historian@kofc-wa.org](mailto:historian@kofc-wa.org), or bring it with you to the State Convention in May.

Joe St.Hilaire, State Historian

**A Message from the State KCIC Director****KEEPING CHRIST IN CHRISTMAS CARDS**

Brothers All,

So far this year only about 15 council's out of 165 councils have bought the Assorted Christmas Card Case! The cost has now gone up! An Assorted Sales Case now costs \$174.50 plus \$24.00 shipping for a total of \$198.50 Your council could make a profit of \$125.00 if you sold the whole case! That would include your cost of the shipping, too. If you don't want to buy an Assorted Sales Case, you can buy individual boxes of Christmas Cards & sell those & make a profit on those, too. Just make sure that you use the PUBLIC BROCHURE for your customers. That's the price that they pay for the Christmas Cards. At a time when we are restricted on many of the activities that we are used to be doing, this is one thing that you still can do with little contact with your Parishioners & make money for your council.

I'm standing by waiting for your emails or phone calls to let me know how many cases or boxes your council wants. If you run out & want more, give me a call, I'll be happy to fix you up! So far the St. Nickolas Gifts Cards #8018 is on back order. (But there are 2 boxes included in each of the Assorted Sales Cases)! REMEMBER, if your not paying right away, payment is DUE IN 30 DAYS! Please make sure that you make your checks out to the WASHINGTON STATE COUNCIL (WSC), not to me. Otherwise I'll have to send the check back to you to have it filled out correctly.

Wishing you a GREAT YEAR selling Christmas Cards, Keeping Christ in Christmas!!

Vivat Jesus!

Ed Miller,  
KCIC State Chairman
