### Bulletin

*Washington State Council*  
*100th Convention*

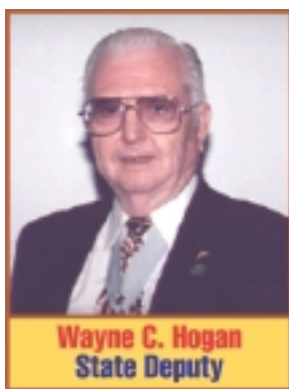

## NOVEMBER MEMBERSHIP DRIVE

November has been selected as the 2002 Fall Membership Drive Month. The councils and districts should plan major membership activities throughout the month of November. These activities should include a council Open House, contacting the pastor to conduct parish membership drives including pulpit announcements and setting up membership booth/table after Mass, contacting all eligible candidates, contact all former members and all inactive insured members, host an Open House as your council's Thanksgiving social, focus on the 18 year old youth of the parish and former Squires, schedule first degrees with the pastor as the honoree of the degrees, plus other creative membership activities. Remember that reactivating inactive insurance members qualifies councils for both membership and insurance additions toward Father McGivney and Founder's Awards quotas. Also, remember that, reinstatements, readmissions or re-applications qualify councils for membership additions for the Father McGivney Award. The November Membership Drive is an outstanding opportunity for those councils that have not recruited a member in many months or years, to once again become 'Membership Active'. As one of Washington's Goals, every council 'Membership Active', the councils should strive to make this goal a reality.

To acknowledge the effort of the councils, special one-time membership awards will be presented to the leading councils in each of the five divisions with the highest net gain, the council with the highest net gain in the state, and the district with the highest net gain for November. The special membership award is a 10-inch by 13-inch specially framed replica of the Holy Family painting with a brass plate acknowledging the achievement of the council and the grand knight. The district leader's award will be presented at the December District Deputies' Winter Meeting in Tukwila. The council awards will be presented at the January Regional Meetings. The December state bulletin will announce the winning councils and district. Visualize how great a beautiful framed replica of the painting of the Holy Family would look in the parish community center, with a brass plate announcing your council as the November's Membership Drive Leader in your division. This special award will be shown at the District Membership Meetings scheduled during the first two weekends of October. If there are two or more councils in the same division tied with the highest net gain, then the council with the highest percent net gain for November will be the winner. If two or more councils are tied with both the net gain and percent net gain, all will receive the framed replica of the Holy Family painting.

## From the State Deputy

Wayne C. Hogan  
State Deputy

Worthy Brother Knights,

There is never a shortage of excellent Grand Knight's messages to quote in my message. The only challenge is to select one. The selection is normally based on what the theme or emphasis I wish to articulate for a particular month. I enjoy reading the council newsletters and bulletins, because there is a wealth of information on what the Knights are doing in support of the Church, parish, community, families, and the Order. I chose the Grand Knight's message for this bulletin because he addressed one topic that baffles other fraternal organizations. The question is, why do the Knights of Columbus continue to grow in numbers when other organizations are shrinking? The Grand Knight's Message for October is from Richard Heater, Grand Knight, St. Michael's Council

12786 in Castle Rock. I encourage all to read carefully this excellently written article. Grand Knight Heater, wrote, "Greetings Fellow Knights, September has now arrived and as many have trepidation about the events of one year ago, we all know that life goes on. Sadder but wiser are we! The attack of Sept 11th has certainly changed many aspects of our lives and perhaps given us a tiny taste as to what many places in the world face every day. Have we here in the good ole U.S. of A. gotten "FAT" in our complacency for our fellow man? Who has time to help out others? Bigger, faster, better, is our focus! Many of the service organizations are struggling to keep their members. The Knights of Columbus, however, are continuing to grow both here and abroad. Perhaps the reason could be that we are a Christ-centered body with a focus on charity, unity, fraternity, and patriotism.

As this year unfolds we will have many opportunities to participate in the virtues of our order. This opportunity comes in the form of everything we do, as husbands, fathers, co-workers, bosses, fellow drivers, Knights of Columbus, etc. We are all very busy in our worldly activities, but what about our heavenly activities? Are we involved in the tithing of our time for the church and God's activities? You and your families' help are greatly needed in this area. It helps to keep you focused as well as setting an example for your children, friends and neighbors. When the opportunity presents itself, a good response would be "sure I (we) can help".

Grand Knight Heater was correct in the reason for our Order's growth, "we are a Christ-centered body with a focus on charity, unity, fraternity, and patriotism." When asking a fellow Catholic to join, that should be your answer; "we are a Christ-centered body with a focus on charity, unity, fraternity, and patriotism." The membership drives in the parish should use this as the major thrust of the presentation. Following this statement, you should discuss the specifics of our principles, such as seminarian support; the Pro-Life activities; the activities for the youth, such as sponsorship of the Boy Scouts and Girl Scouts, Columbian Squires, Pro-Life poster contests, Free Throw competition, etc.; the community activities such as sponsorship of the Special Olympics, blood drives, etc.; the parish and church activities unique to your parish; family and council activities.

Grand Knight Heater's concluding remarks were both a challenge and encouragement, "When the opportunity presents itself, a good response would be "sure I (we) can help".

What I like about his closing statement is that it sounds like the answer to the questions we have asked for the last 15 months, If not you, who? If not now, when?

**Remember:**

**'IF NOT YOU, WHO??'**  
**'IF NOT NOW, WHEN??'**

Vivat Jesus,

Wayne C. Hogan, SD

## GOD'S HOLY GIFT OF LIFE

Traditionally two months have been dedicated to Mary: May in the spring, and October in the fall. Some of our non-Catholic cousins wonder about our devotion to Mary. Unfortunately they misunderstand our attachment to Jesus' mother. Somewhere along the way they have concluded that we worship Mary. Of course we know that we don't. However we do honor her with the highest type of honor given to saints. We call this honor hyperdulia—but it is not worship, which is reserved only for God: Father, Son and Holy Spirit. During the month of October many Catholics intensify their attention toward Mary by praying the Rosary each day, by developing other Marian devotions or by reading about her life and her influence in the life of Christ and the early Christians.

In recent years the month of October has also been set aside as a time to reflect more on the Pro-life movement. Part of our Christian development should be directed toward

a better understanding of the sanctity of human life—the foundation upon which all other natural human attributes are based. What good are “liberty and the pursuit of happiness” if life has been denied to the individual? The spiritual counterpart to human life is grace, God's divine life motivating us to live in the presence of God and to let Him live in and through us in His created world.

Our first concern must be to defend the right of every human being to life. We must recognize that every life is a message of love and hope from God to all mankind. Abortion not only destroys the gift of life but also insults the divine giver. When we welcome the gift we welcome the giver. The sincerity of the welcome is seen in the way we treat all human life: our defense of the disabled or neglected children, the education and training of young people, the protection and respect showed toward the needy, the helpless, the underprivileged and the elderly. Every human being irregardless of age, ability or ethnicity has the inalienable right to life. This right is absolute and is not contingent on the convenience of the parent, on health, on abilities, or the financial priorities of the state or its willingness to accept a “less than perfect person.”

Mary is the channel through whom Jesus received his human life. By identifying with humanity He reaffirmed God's gift of life and resanctified all people. Use this special time, this month of October, to honor Mary and to reassert your dedication to protect and honor God's holy gift of life. Life is sacred from the moment of its conception to its natural death, and at all stages in between.

## SEMINARIAN CESAR VEGA SELECTED TO RECEIVE FATHER MICHAEL J. MCGIVNEY VOCATIONS SCHOLARSHIP

Seminarian Cesar Vega, who is from the Diocese of Yakima, is attending St. Patrick's Seminary in Menlo Park, California. He is sponsored by Yakima Council 894. In a recent letter to Seminarian Vega, Supreme Knight Carl Anderson wrote, “Dear Brother Vega: Please accept my congratulations and best wishes on having been selected to receive a Father Michael J. McGivney Vocations Scholarship award for the 2002 - 2003 academic year.

Our check in the amount of \$1,250.00 will be forwarded shortly to the rector of your seminary so that it may be applied to your account for tuition, room and board. A second check for the same amount will be forthcoming in time for the second semester.

Under the program, the scholarship is renewable for up to four years of theology, based on evidence of your continued enrollment, and also of ongoing need for financial help. There is no need for you to re-apply each year. Please be aware that the scholarship will be held in abeyance during any year of pastoral internship.

Our selection committee had a difficult task in judging from among

the many applications received. Nevertheless, we feel comfortable in the hope that, under the guidance of the Holy Spirit, we were able to choose the most apt recipients based on the scholarship's requirements.

We hope that this evidence of support and affirmation for you, through your affiliation with Yakima Council No. 894, as you pursue your path to the priesthood will encourage from time to time a remembrance of the Order of the Knights of Columbus, its members and families, in your prayers.

With warm regards, I am, Fraternally, Carl A. Anderson, Supreme Knight”

Councils should read the Vocations Article in this bulletin written by Larry Jesmer. You will note that we have seminarians that are presently not being sponsored by a council or assembly. These seminarians need our support, please do not let a single seminarian go unsponsored. Remember, *They Need Us Now; We Will Need Them Tomorrow.*

> **In Memoriam** >

We join the survivors in remembering the following members who recently died.

We offer our prayers for them and their families.

May their souls rest in peace.

**VOTE PRO-LIFE!****Doug DuVon, Pro-Life Co-Chairman**

At the recent Supreme Council Meeting, Supreme Knight Carl Anderson calls the right to life the "Pre-eminent moral issue" of our time and urges all voters in the Knights of Columbus to vote pro-life on Election Day, Tuesday, November 5, 2002.

Supreme Knight Anderson said, "This year's congressional elections may be the most important in determining whether human life before birth will be respected." He further said, "It is time to elect a Senate that will confirm federal judges and Supreme Court justices who will overturn Roe vs. Wade."

At this year's Supreme Council Meeting, one of the crucial resolutions passed is entitled "Crusade for Life." It reaffirms the Knights of Columbus historic commitment to be unconditionally pro-life and to seek the restoration of full legal protection for the unborn, the sick, the handicapped, the terminally ill and the elderly, and that the Order will continue to oppose vigorously any governmental actions that in any way promote, legalize, or finance the performance of abortion, infanticide, euthanasia, or assisted suicide.

It further condemns or opposes the direct or indirect efforts of any group, nation, or individual, to advance, encourage, or promote contra-

ception, or abortion among, or to force contraception, sterilization, or abortion upon other nations or individuals, or to undertake other activities that lessen respect for human life, or to condition economic assistance to governments or individuals upon their adoption or acceptance of population control practices and policies. In other words, we as Knights of Columbus are to support pro-life candidates. Let's make our vote heard.

Several web sites provide useful information that can assist in choosing a pro-life candidate or view the voting record of politicians in office.

**If not now - When?**

**OCTOBER THEME – CONDUCT A CHURCH DRIVE**

How many councils hold a parish breakfast during these early months? What a great way to meet potential members and their family. Approach a table and talk to them as a family. Let them become aware who the Knights are, Why you are there, What you are doing, When the Knights are active in the parish, and Where you meet as a council. By talking to a family in this environment they are more at ease rather than standing in the doorway, hall or outside of the church. When you do have a table display, insure it is out of the way so as not to block people.

This is not an obstruct, capture or hold area that we are trying to control but an informative area to give out information. I say talking to the family, as a whole may be the key that will interest them, as it is important to know that the Knights of Columbus is a Family Orientated Fraternal Organization. Be interested in them; find out what their needs are, just maybe the Knights is the answer to what they have been looking for. Besides, a smiling face is what we all want to see these days as the past events have left us all a little downcast.

**"IN SOLIDARITY WITH OUR  
PRIESTS AND BISHOPS"**  
**1 JULY - 31 DECEMBER 2002**

Every first degree held by a council during these 6 months should be structured so that it will support this State Theme, as we must show our Solidarity with the religious as they show their support for us in the Knights of Columbus. Our goal for the year is 485 new members. I firmly believe this is a gift to our Priests and Bishops that we could be justly proud of in the next six months. It can be done, think positive, it will be done.

**QUESTION OF THE MONTH?**

Where can I find out what the incentives are for recruiting new member and what are the categories?

The newest tool for information on many different areas is printed and published by the Knights of Columbus in a booklet titled, "Recipes for Recruiting success", 9290. On pages 9 and 10, you will find incentives for the Recruiter, Grand Knight, District Deputy and the Top Recruiter in the Knights of Columbus. Our own District Deputy 3 David Heldstab was a winner last year of a trip to New Haven, CT for holding a first degree from January 1 to June 30, 2002. Congratulations to David and his wife Jean.

Did you know that a father recruiting a son or son who recruits a father get a special coupon. How about recruiting a priest, did you know that is a special category? How about a Universal Family Trip. Read the booklet and if you don't have a copy, ask your Grand Knight.
