"Unapologetically Catholic"

The State Deputy's State of the State Message for the 2020-2021 Fraternal Year

My Brother Knights,

Each year your State Deputy is required to give a "State of the State" address for all members to hear. This in general describes the condition of the Jurisdiction and hopes for the future. In today's message, as I write this on Easter Sunday, I am reminded of the renewal of the church and our Order at the same time. Our Holy Father has even spoken on "everyday grace" as a key to surviving the troubles of the day.

As we look forward from this Pandemic and the terrible effects that came with it, we can see more than just the unpleasant issues. There were multiple "Food for Families" events that were held with tremendous results, feeding those that suddenly found themselves out of a job or moving back to their relatives homes as they had none of their own thanks to the troubles of the times.

Several Ultrasound machines were placed in multiple locations, saving the lives of the unborn, at a time when money for even the most basic services was hard to find. Still, members and Councils stepped up to make these happen. Supreme continued to support our efforts and funding for each to make these efforts more successful. Yes, there are always reasons anyone can point at to quit, but there are just as many reasons and more to go forward, if we just look hard enough.

True, Membership is nearly flat in terms of new folks joining as opposed to the number that leave every year. BUT, if it were not for the troubles we have fought our way through these past two years, I doubt the joining of new members online and the online ceremonials teaching new brothers our values would have produced the numbers of new brothers we have with us today. We all know it is the entrance of new members joining the order that allows us to be able to live up to Father McGivney's ideals and dreams.

We will always need newer and younger folks to replace us, as we age and someday have to step down, so that the charitable programs and efforts we hold so dear will continue to serve the less fortunate. Is that not what we are here for? To always help those less fortunate? To serve our Lord by helping his church here on earth? Of course it is. That is what Charity is all about and that is why Father McGivney made Charity our first Principle.

While the cost of in-person meetings has declined due to the canceling of nearly all of those meetings, the cost of "going virtual" has increased significantly. We now spend large amounts on new hardware and software to make our communications as effective and available as possible. We continue to have to provide a Website (and staff) to accommodate recorded meetings of our own and the items sent to us by Supreme so that these items remain available for all members to see

The State Deputy's State of the State Message (Cont.)

So, finally, yes, we are at a crossroads of where we were at in how we conducted business, offered grants, performed programs, and encouraged non-members to join us. We are also learning and adapting to newer ways of doing all these things. There is a silver lining in some of this exercise we have all been through these last two years and that is, at least in part, that the electronic and virtual things we enjoy today would not have arrived as soon as they did. I believe we are far better off with these things than without.

It is easier to thumb our noses and snub things that seem like “the wave of the future” and the “realities of tomorrow,” but it will always be the case that we need to adapt as time goes by to stay the relevant and blessed Order that we are.

My dear Brothers, while my two years as your State Deputy have been far less than expected in many ways, and far more encumbered with things we never saw coming, we, your State Council Officers, Chairmen, and District Deputies have moved into the future with you. We know we are all better off than before. We are stronger, more united, both in person and virtually, and we are far more capable of greater things in the digital world than ever before. All of this will serve those that come after us.

Know that the future is bright, more in-person meetings will be coming, new members are joining online all the time, and we will be bigger and stronger than ever before—all because of you. It has been the Grace of God, your perseverance, dogged determination, and faithfulness that have brought us through this time of uncertainty, hurt, and yes, even death. With the continued Grace of Almighty God we will emerge greater than ever before. So, hold your head high and be proud that you are a KNIGHT OF COLUMBUS.

Vivat Jesus

State Chaplain's Message

Dear Brother Knights,

Happy Easter! I pray that this grace-filled season has brought new hope and joy into your homes, and that you continue to celebrate Jesus' resurrection with grateful hearts.

One thing I really enjoy about the Easter season is the inclusion of so many passages from the Acts of the Apostles in the daily Mass readings. We hear account after account of the Apostles and other early disciples going about and proclaiming the good news (i.e., the Gospel) with boldness and great zeal.

It strikes me that the members of the early Church didn't seem to be at all worried about how their message was going to be received by the people to whom it was preached. To my knowledge, there is no record of any hesitation on the part of the Apostles when it came to the question of sharing what they had experienced of the Risen Lord.

We don't hear them asking, "What if my friends abandon me? What if I'm ridiculed for believing that this really happened? This could get ugly - how much might I potentially suffer? Will people be offended? If so, how am I going to handle it? What do I do if I'm met with resistance?"

Instead, we see the Holy Spirit powerfully at work in the early proclamation of the Gospel. People are being baptized by the thousands, and the Christian faith spreads like wildfire.

We tend to think that nothing like this could happen in our world today because our situation is so different than that of 2,000 years ago. But I ask you: is not the field ripe for the harvest? What percentage of the people in your neighborhood or community do not go to church on Sunday? There are a *lot* of people in the state of Washington who fit that description, and it's not just people who are not currently practicing the faith they used to profess.

You probably know that our state is one of the most unchurched in the entire country. We can see that as a discouraging problem, or we could see it for what it really is: an opportunity from God to share our faith and help usher countless others into a relationship with the Lord Jesus.

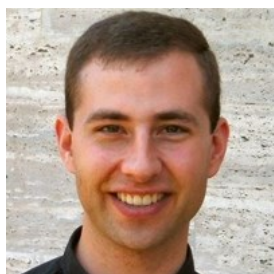

Not many of our parishes are bursting at the seams (even pre-pandemic). Let's bring the people to Christ!

One of our troubles is that we can get hung up on the questions above (press rewind for five paragraphs). We worry about how people will respond if we share our faith, and if people will think we're being pushy or judgmental if we suggest that they open their heart to Jesus. We fear alienation from our family and mockery from coworkers or neighbors.

Inspired by the example of the early Church, we can entrust all of these concerns to the Holy Spirit and proceed with bold confidence, filled by the love of God.

The only other question is this: What will we say? Once we stop worrying about how the sharing of our faith will be received (or not), we can turn our attention toward "owning" the message that is to be proclaimed. Through prayer and study, we become capable of speaking with others about Jesus. When we are solidly grounded in our knowing the Lord, we won't be surprised that He provides all the words we need. Vivat Jesus!

State Secretary's Message

STATE SECRETARY MAY 2021

(As of April 18, 2021)

God help us as we enter into another Virtual Convention. This Convention will be for delegates, PSDs, State Officers, District Deputies, four Directorships, Fr. Kenny, Ken DeVos and Dang Nguyen (technical equipment) only. Unfortunately, that will be it. Those that are included above, please visit our KofC WA website for further updates as we get closer to the Convention.

We still have 13 councils that have not paid their Per Capita. This is mandatory!!!

Not to be threatening, but when a council does not pay their Per Capita, it puts us one step closer for the need to increase the already low \$9 per billable member.

Those that pay their bills can thank them. Just those 13 councils leave us with a deficit of \$8,460. That represents 940 members not paying their bills. Just for this ONE deficit, if we spread the \$8,460 over the councils that do pay their bills, it would be an increase of \$.73 for each billable member in Per Capita.

I didn't want to embarrass the councils that have not paid, but I will in my last Bulletin article as State Secretary in June. Unfortunately, the ones not paying are probably not reading this Bulletin.

Pay your Per Capita and I won't call you out.

Pennies for Heaven stands at a 65% collected, which is pretty good considering the pandemic. Of course, this is not an assessment like Per Capita, but Vocations still need the support.

We still have two councils that have not paid their insurance premium from JULY 2020. Guys, you don't want to leave your council uninsured in liability. It only takes one lawsuit and the council could be done if not insured. The facility you hold events in might not cover your activities either, so the burden is with the council to provide insurance.

My cancer update in the 2nd Edition is current as of April 13th. Things have changed since then, but I won't bore you. Read Steve's next edition May 15th for that update. Read why you need to get your PSA checked at least annually!!

According to the State Insurance Commissioner's office, "AIX Specialty Insurance Company does not currently hold a Certificate of Authority in Washington. Our office doesn't regulate Surplus Lines insurers."

Councils are hereby instructed NOT to engage Lockton Affinity for any insurance needs. PSD George Czerwonka will be handling all through NPIP here in Washington .

State Treasurer Message

Brother Knights,

Happy Easter to you and your families.

This month, we embark on another Virtual State Convention. The virtual platforms will be different this year – more capability. Again, please be patient as we navigate through the process. Pay attention to the instructions you receive from State Secretary Kim Washburn. Procedures for the virtual convention will not mirror exactly all procedures outlined in the WSC Bylaws, which are designed more for in-person conventions.

This month entails state and local council officer elections. Encourage members to run for officer positions. This is a wonderful way to give back for all the good we have received.

State Advocate's Message

My Brother Knights,

The 118th WSC Annual Convention will be held on Saturday, May 15th, starting at 2PM. We will be using two different software platforms provided by Supreme, and details will be forthcoming as we learn more. It will be a compressed time format, same as last year, but we should have the ability to share video and there is a new way to vote as we elect a new State Warden and delegates to the Supreme Convention.

There is a new page on the WSC website for the 118th Convention where we are adding information as quickly as it becomes available. If you click on a document and get an "Under Maintenance" document, we are still waiting for the final version so please check back frequently. The page may be found at <http://www.kofc-wa.org/FrontPageContent/Convention2021/Convention.aspx>

Delegates should have their Council Financial Secretary submit a Certificate of Election to the State Secretary, stamped with the Council seal. The same as last year, we will need correct contact information for the delegates in advance of the Convention as Supreme will send the meeting information out to each delegate. If we don't have your information, you will not receive the invitation and connection information.

Remember, each Council should submit a report of their activity to State Secretary, as well as all District Deputies and State Chairman, as soon as possible. This is a great way to share news from your Council!

Finally, we are fast approaching May 1st and the Safe Environment Program compliance. Please remember that if your Council is not in full compliance by May 1st you may face a suspension by Supreme. If you have any questions, please reach out to either Kevin Fraley at kofcstatetrainer@gmail.com or myself at stateadvocate@kofc-wa.org. Please take this seriously, time is running out and Supreme means business.

Vivat Jesus!

State Warden's Message

State Warden's Report

The end of the 2020-2021 fraternal year is near. The Silver Rose arrived in Washington State 16 April 2021, earlier than expected, because the Silver Rose was sent to the Washington State Council directly from Alaska by the Alaska State Council. Early receipt of the Silver Rose enabled expansion of the Washington State Pilgrimage of the Silver Rose to include the Spokane area beginning with Nine Mile Falls Our Lady of the Lake Council 16184. There are still some openings for Councils not originally included along the planned route during 2021 that would like to host the Silver Rose. Please contact Brother Mike Taylor DD16 (mitka@comcast.net, phone (425) 485-8056) if your Council would like to be part of the Pilgrimage this year.

We regret that we will not be able to celebrate the 2021 Pilgrimage of the Silver Rose with our British Columbia/Yukon State (Provincial) Council this year because the border remains closed and our northern Brothers are unable to congregate due to increasing effects of the worldwide pandemic in Canada. We look forward to the opportunity for future celebrations with our Canadian Brothers; however, during the interim please keep our Canadian Brothers in your prayers.

The Washington State Council's Convention and election of officers is still in the planning stages. Unfortunately, we will not be able to meet as a group. However, we will conduct a special virtual award ceremony after the Convention to recognize those Knights, Families, Councils, Chairmen, and others who have made significant contributions during the 2020-2021 fraternal year. The Washington State Council is extending the deadline for submitting award applications for all categories until 5 May. Please submit nominations for Knight of the Year, Family of the Year, the Harry J. Tucker, Jr. Award for Fraternalism, the Gift of Life Blood Donor Honor Role, the Wade S Walden, FDD Platelets Heroes Award Honor Roll and the Faith in Action Program awards if your Council has not already done so. ALL APPLICATIONS AFTER 15 APRIL MUST BE SUBMITTED DIRECTLY TO STATE WARDEN, SCOTT HULSE EITHER BY EMAIL (scottehulse@gmail.com) OR BY PRIORITY SNAIL MAIL (Scott E. Hulse, 6911 Holeman Avenue, Blaine, WA 98230). It is more important that we recognize outstanding service and achievements than be concerned about deadlines during this year of the pandemic. Nominations and applications will be accepted until 5 May 2021, when it will be necessary to complete the evaluation process.

I personally want to thank all of my Brother Knights for their efforts and hard work during the past year. We have accomplished so much!! Keep up the good work and prepare for the upcoming fraternal year.

A Message from the Immediate Past State Deputy

Praying to the Holy Spirit

Hi Brothers,

When I pray, I sure don't have any problem doing so to God the Father. I envision him as a powerful, discipline-seeking man, but a loving man, much like my earthly father.

I also find it easy to pray to Jesus. I see him as a mild, caring brother that simply loves me and will do anything for me.

Then there is this huge "drop-off" for me trying to pray to the Holy Spirit. The normal symbol of the Holy Spirit is the Dove surrounded by Flames. I'm stuck here. I can't come up with a suitable mental image to pray to. I shared my concern over this dilemma with my weekly Men's Prayer Group. One of the members is our Deacon, Deacon Eric Shaber. Deacon Eric is a friendly man and a fellow fisherman, so I trust what he has to say on most any topic. He is an engineer by trade, so he explained the Holy Spirit like this:

"Bob, I think of our Triune God like a battery, with God the Father and God the Son on each of the two poles of the battery and the Holy Spirit as the current between them." That was a profound answer to say the least and I thanked him for that understanding, but I'm still left without a suitable image to pray to.

Can anyone help me here? If so, drop me an e-mail at IPSD@kofc-wa.org I would genuinely love to hear from you on this topic. I'll share what I have learned next month.

God's Peace!

State Membership Director's Desk

My Brother Knights,

As we approach the final two months of the fraternal year, I would challenge you to recruit at least one new member before June 30th. We have more than 100 Councils who are membership-inactive right now, and this is your chance to make a difference in the life of a strong Catholic man. We are starting to see more activities take place and my Church is now hosting two weekend Masses at 50% capacity, so there are opportunities.

Remember the McGivney2020 online membership promotion is still active – one free year of online membership. Men can join via the online page on the Supreme website <https://www.kofc.org/secure/en/join/join-the-knights.html> and enter the McGivney2020 promotion. New members can take their Exemplification online, too, in both English and Spanish at the follow link: <https://www.kofc.org/en/for-members/resources/ceremonials.html?1tab=1tab1>. Let's all pull together and see if we can get the majority of Councils to recruit at least one new member this fraternal year!

Our Membership numbers are still growing albeit far slower than we would like to see:

New Members – 243 or 40.84% of our goal of 595 (adjusted down from 700)

Net Members – (40) or (16.67%) of our goal of 240

We have some Councils that are shining examples of the rest of us, achieving at least 100% of the newly adjusted membership goals. Remember, these Councils have already qualified for Star Council on membership and will receive state membership incentive awards later this year.

Coun-	Council_Name	Grand_Knight	YTD Percent
16361	St. Martins' University Council	Michael Remer	400%
15136	St. Joseph The Worker Council	Bradley Johns	233%
3611	Fr. Treunet Council	Michael Ptacek	200%
15462	St. Ann Council	Porfirio Montes	200%
12583	St Aloysius Gonzaga Council	Shane Jacoby	167%
13395	Fr John Francis Laboon Council	Michael Haynes	167%
14852	St. Matthew Council	Luis Abad	150%
16186	Our Lady Of Sorrows Council	Richard Shepherd	150%
8297	Msgr. Hugh O'Flaherty Council	Lawrence Devlin	140%
3455	Msgr. Hugo Pautler Council	Thomas Stapleton	100%
3645	Fr. Thomas Lane Council	Mariano Murillo	100%
6806	Our Lady Queen Of Heaven Council	Jason De Rosa	100%
7907	Fr. Anthony McGirl Council	Joel Edwards	100%
9617	Cascade Council	Ronald Enneking	100%
10652	Four Chaplains Council	Michael Winkler	100%
13597	Leavenworth/Cashmere Council	Ken Goedde	100%
16176	St. John Paul II Council	Matthew Stowers	100%

In addition, we have 12 more Councils who have achieved between 50% and 100% of their membership goals. Each of those Councils is within striking distance of achieving their goals, often needing only one or two new members.

State Membership Director's Desk (Cont.)

Two District Deputies are deserving of a shout out for membership – Larry Devlin DD02 has achieved 90% of his District Quota and Mike Colosi DD04 has achieved 53% of his District Quota. Please note that Larry is also Grand Knight of Council 8297, which has achieved 140% of the Council quota! Well done, worthy District Deputies.

Supreme has a new program, the COVID Recovery Project, to help guide Councils as they restart their activities after more than a year of pandemic restrictions. Supreme will air this webinar on April 25th but I am sure you can view this on-demand after the fact.

My brothers, now is the time to break loose of the friction and start reaching out to prospective members. Our society is becoming more and more secular, and unfriendly to people of faith. I believe that people need and want to have a strong faith life, and the Knights offer that. There are so many programs and opportunities for me of all ages to deepen their faith life and experience fraternity surrounded by other strong, Catholic men. We have not just the opportunity but the obligation to reach out to men and offer the gift of membership in the Knights of Columbus.

Vivat Jesus!

Fraternally,

Tom

State General Program Director's Report

Thirty-four Councils provided Monthly Service Reports (MSR) at least once throughout the 2020 – 2021 fraternal year. The reporting Councils participated in all aspects of our Knights of Columbus Faith in Action Program. These Councils made an extraordinary attempt to “Leave No Family Behind” within their parishes and communities. Yakima Council 894 and Bothell Fr Justin P Garvey Council 6686 have exceeded their goal of 1000 points as of March. Several other Councils may still reach that goal. Thank You All!! Please accept my heart-felt thanks for your efforts during the unpredictable and unprecedented time.

Scores for the Thousand Point Club estimated using activities described in the Monthly Service Report (MSR) are summarized in the following Table. Please review the reported scores and advise the State Warden, Scott E. Hulse of any discrepancies or omissions. However, please review the criteria for scoring listed with every category within the MSR to verify that your estimated scoring is correct before contacting the State Warden. For example, if the maximum score is 5 points and 10 members participated in an activity, the score is 5 points, not 50. Please also verify that you are only reporting scores for the current month.

Vivat Jesus!

State District Deputy Director's Message

Worthy District Deputies,

Happy Easter to you and your families.

It is convention month, and we will be meeting virtually. Ensure councils are prepared and have received all convention instructions from State Secretary Kim Washburn. The delegate information must be accurate and submitted as directed by the State Secretary.

A few items to focus on this month include communicating the **Star Award requirements** for this year. Council, Assembly, and District Award requirements for the 2020-2021 fraternal year have been adjusted in light of COVID-19. Ensure council leaders are aware of the changes. Details can be found on the Knights of Columbus website or click [here](#). Second, meet with councils and help them develop a **COVID Recovery Plan** as we move towards less restrictions. Implement the strategies presented in the Supreme Webinar on April 22, 2021. Emphasize the importance of having a recovery plan. Third, ensure councils conduct **officer elections** for the next fraternal year. Fourth, make plans to attend the **virtual State Convention on May 15**. All DD's can attend this year because the platform can accommodate more participants.

In recognition...

Congratulations to the top five Districts in Membership Growth as of April 1, 2021:

DD2 Larry Devlin – 65% of goal
DD4 Mike Colosi – 52.6% of goal
DD8 Allen Farrand – 42.8% of goal
DD23 Jim Chambers – 37.5% of goal
DD3 Jim Plowden – 35% of goal

As we continue the Easter season with the celebration of our Lords ascension to heaven, May reminds us of two important aspects of our faith. Salvation by Christ's death and resurrection and His mothers' continued watch over us. The 13th of May we celebrate Our Lady of Fatima's 104th anniversary.

This month, let us remember and celebrate our Washington State Jurisdictions accomplishments over the past several years. We have continue to experience countless stresses during this pandemic. Yet under these unusual circumstances we continue to persevere. Our Faith by Action is well validated by the activities of our brothers and their parishes. Keep up the motivation to do well and strive to keep our faith solid and steadfast against all evil that comes our way.

Again this month, I reintroduce Brother Richard Nelson of James Quigg Council 1674 in Hoquiam. Brother Nelson has taken on the task of running the Rosary Program under "Faith Program's". In the March State bulletin, I described Nelson's successful rosary campaign. I highly encourage the District Deputies to endorse Nelson's commitment to the rosary. Your district councils need to recognize how important her message is today. This program encourages devotion to Mary, the patroness of our Order.

Those interested in setting up this program in your parish, I would ask that you contact Brother Nelson at riverrat58@comcast.net Nelson has a wealth of knowledge to share with you on getting this program rolling: call him at 360-533-8362

Supreme Chaplain's Monthly Challenge for May:

"As the Father loves me, so I also love you. Remain in my love. If you keep my commandments, you will remain in my love, just as I have kept my Father's commandments and remain in his love. ... This is my commandment: Love one another as I love you. No one has greater love than this, to lay down one's life for one's friends." (Gospel for May 9, Jn 15:9-10, 12-13) Christ tells us we will remain in his love if we keep his commandments. Saying you love someone can be easy, but it is really our deeds that reveal our love — or lack of it. Christ showed us how to love by his example and by sacrificing his very life for us. To love as Christ commands us to love demands action. The Letter of James says, "Be doers of the word and not hearers only, deluding yourselves" (1:22). May each of us commit to keeping the commandments and offering our very selves in service and sacrifice for others.

State Faith Director's Report (Cont.)

Commandments in your life by picking one on 10 different days and praying about it for at least 10 minutes. Second, during this month devoted to our Blessed Mother, I challenge you to assist your council in implementing the Faith in Action Rosary program — showing your love of Christ by showing your love of Mary.

Questions for Reflection: Are you willing to proclaim to others that you love Christ? Does your life show this love by your obedience to Christ and the teachings of the Church, or are there areas of your life where you seem not to heed the Gospel? Are there times when you find it hard to love as Christ commands, and if so, how can you seek to grow in love?

As always, Devotion to Our Lady, via the rosary, is the principal by which we contemplate and serve her Son as Knights of Columbus. While praying the rosary, our faith can be strengthened through Her intercession. There is nothing that cannot be achieved with the strength of the rosary.

State Family Director's Report

FAMILY DIRECTOR

With the state beginning to get back to what we believe is normal, it is time to look ahead to getting back to programs. To give you a possible starting point may I suggest these two programs. this pandemic.

FOOD FOR FAMILIES

This program has been extremely popular during the pandemic and thank all of you for your hard work. Below is a refresher of the program.

The goal for Food for Families is to ensure that as few as possible go to bed hungry each night. Many in our communities are struggling through hardship and unable to provide food for their families. Knights of Columbus are committed to helping end hunger through the Food for Families program which has donated millions of dollars and millions of pounds of food toward this end.

A featured program Food for Families counts for two credits toward the Columbian Award. Council and parish families will raise funds to support their local food pantries, food banks or soup kitchens. For every \$500.00 or 1,000 pounds of food donated, the Supreme Council will refund \$100.00 back to the council --- up to a maximum of \$500.00 per council per fraternal year. Though in-kind donation of food is valuable, leaders of hunger-relief organizations often comment that financial contributions can be stretched even further and allow nonprofits to procure the exact items needed by the organization and its clients.

FAMILY WEEK

Although Family Week is celebrated in August now is the time to start planning. Perhaps by then the state will be full back to normal and we can celebrate Family Week with vigor. Remember, Blessed Father Michael McGivney's Feast Day is August 13th. This could coincide with Family Week but can be celebrated separately.

Help families place God and the Catholic faith at the center of their lives, year round.

Knights of Columbus councils will dedicate a special week of the year for their parish to recognize the vital importance of families as the foundation of our domestic church and to promote Catholic family values. Activities presented in this program seek strengthen the parish community and affirm the central importance of Catholic family life.

When choosing a week, councils should consider factors that might affect parishioner schedules such as school vacations, holidays, and other local events. Though traditionally celebrated in the summer to commemorate the birth and death of our founder, Blessed Father McGivney, this program can take place anytime during the year.

Hopefully this will give you a jump start point for your councils as you begin getting active again.

Fraternally,
Edward P. Hebert, Sr.
Family Director

A Message from the State Youth Director

Remember that the youth of our state, communities and parishes are our future. These young people will follow and learn from us. We have an obligation to provide an avenue or an outlet for them to find their niche. Is your council supporting and holding events to bring the youth of your communities together? If not, why not? As your state youth director, I really need your council's good works to keep the state events going. If you rely on other councils to hold the events and to provide the participants at the state level, then we are not moving forward. We all need to review our youth effort to provide programs for them to foster and grow.

Past Events and winners:

Free Throw State Competition

Again, this year the state free throw final had to be cancelled due to the Covid-19 virus. Councils that held free throw competitions were asked to send councils winners directly to me for state free throw considerations. 2 councils stepped up and delivered, 4322 & 12175.

Thank you to all councils and district deputies who took part in the free throw program. Without your effort we would not have a free throw program.

The winners for 2021:

Age	Girls	Boys
9	Gabriel Nkebila – Council 4322	Jack Mosier – Council 4322
10	Melisa Dorsey – Council 4322	Riley Baker – Council 4322
11	Amy Soto Mendoza – Council 4322	Noa Tsuneyoshi – Council 4322
12	Mary Burke – Council 4322	Lance Kariuki – Council 4322
13	Katelynn Wong – Council 4322	Alvis Ray – Council 4322
14	Sallyann Kinyua	Nixon Karega - Council 4322

Yes, a clean sweep for council 4322! Great job. They worked with the parish school PE department and had 65 participants. The competition was held during lunch recess. This may be a way to boost your free throw participation.
