Karl Hadley Elected State Deputy for 2005-2006

At the 102nd Annual Washington State Convention, convention delegates unanimously elected Karl A. Hadley as the State Deputy for the 2005 – 2006 Fraternal Year. Karl has been a member of the Knights of Columbus since 1985 and is a member of Kennewick Council 8179 and a member of St Joseph's Parish in Kennewick. Karl is a Fourth Degree Knight and a member of Father William A. Schmitz Assembly 2258. He advanced through the council chairs and was elected Grand Knight in 1994 and re-elected in 1995. Karl served as District Deputy from 1997 to 1999 and received the District Deputy Award in 1999. At the at the 2000 State Convention in Richland, Karl was elected as State Warden and served as General Program Chairman under then State Deputy Fred Abraham. He subsequently served as State Treasurer and State Secretary.

On a personal note, Karl is a professional engineer specializing in environmental compliance and hazardous material management. He is a retired Navy Commander, having served on nuclear submarines for five years on active duty and in the Naval Reserves for over 23 years. Karl and

2005 Washington State Family of the Year

Front Row L to R—Family of the Year Brownie and Amelia Braungardt, Family Chairman Bob McDonnell; Back Row L to R—State Deputy Pat Maloney, Richard J. Weber GK Spokane Council 8201, State First Lady Vera Maloney, General Program Director Mike Bunney.

This year's Family of the Year is Brownie and Amelia Braungardt from Spokane Council 8201, GK Richard J Weber where they attend St John Vianney Church. They have been involved in every aspect of church activity and have provided a pioneering spirit behind many of the Church programs in existence today. Their children and grandchildren help in many projects within the parish.

The Father of this family has dual responsibility as both the parish deacon and a Knight of Columbus. This year's Family of the Year has been chosen the council's Family of the Month several times with the most recent month being last February. As Bishop Skylstad stated in his letter of support: "As a couple they have made a tremendous impact and truly are inspiring and admired by all". Congratulations to Brownie and Amelia for their outstanding contributions to the Church and Knights.

2005 Washington State Knight of the Year

L to R, SD Pat Maloney, Knight of the Year Jeff Schumacher, Vera Maloney, State Council Chair John Rowley

Our Knight of the Year, Jeff Schumacher, is not only a charter member of Council 13606, he recruited over 65 members to join that Council. It is not surprising to learn that he is also

the current Grand Knight of this council. Blessed Sacrament Parish wanted a council for a long time and John stepped up and made it happen. His involvement within the parish is just as impressive. He

Message From the State Deputy Pat Maloney

Our 102nd Annual Convention held in Tukwila was a wonderful affair. I hope that if you were in attendance, you will consider this another one of your positive Knights of Columbus experiences and memories. I congratulate again Convention Chairmen DD Monte Cromwell and GK Ken Robinson for their efforts in hosting the convention. They and their team – the Registration Committee, the Friday Night Event Crew, the Ladies Event and Hospitality Committee - did an absolutely splendid job at welcoming everyone and seeing the attendees of this meeting had a memorable weekend. These special people are to be congratulated for their efforts. We were also most fortunate to have both Bishop Carlos Sevilla and Bishop William Skylstad and other members of the clergy attend the meeting. Their presence and words at the meeting enhanced this convention and memories.

I also want to take this opportunity to congratulate two other groups for enhancing our convention memories. The Liturgy Committee lead by Father Scott, Paul Roth and Kiha Kinney did an outstanding job with the planning of weekend's Mass celebrations. The Fourth Degree lead by Master Storm Smole and FN Pat Kelly did exemplary work during the weekend. Their manning of the Blessed Sacrament Chapel and the Color Corps support during the liturgies and banquet were outstanding. Thank you Brother Knights, for your exceptional support during our 102nd Annual celebration.

In this month's Bulletin, you will see those members and councils in our State who were recognized during the Awards sessions during our convention. The awards and recognition for a job well done is always an exciting part of the convention proceedings. I want to especially congratulate those Grand Knights who were welcomed into the State Deputy's 1000 Point Club. This is a notable accomplishment for those men. I know that they will wear their pins with great pride.

If you were at the Convention, you heard me state in my report that we are a little short of our membership goal for this fraternal year. But I am extremely confident that we will obtain our mem-

bership goals for the state. The reason I feel confident is that reports received from our District Deputies indicate that there are over 350 Catholic men who have signed form 100's or have expressed an interest in joining our Order. I think that you will agree that we owe it to these men who have expressed interest in joining – the opportunity of becoming Knights of Columbus. I encourage you to revisit these contacts and put forward a one month long push to get these potential new members and their families into our Order.

There are 38 Councils who have met their membership quota thus far this year. If you are a council leader who has made your membership quota for the year – I congratulate you on a job well done. And if you are a council leader that in making that goal you are now content to wait until next year to bring in any new potential new members, I ask you to think of these men and their families that have expressed an interest in joining. Please remember that prosperity and success comes from going beyond our own limited interests. The more that you take into account the interest of others, the more rewarding your life will become. I ask that you think now about the interest of others. Work on bringing in these potential new members into your council and help your council finish with a flourish! More importantly, with this effort, you can continue to build a momentum that will help your council, district and state to build a momentum that will carry us into the next fraternal year.

As a council leader, you know that June is the last month of the Fraternal Year 2004-2005. I know that I am asking - *Where has the time gone?* As the year winds down, I trust that you have done everything that needs to be done to make certain your council and council members can look back on this fraternal year with great pride and lasting memories. This is the legacy that we as council leaders leave for our future members. I know that you will leave this year with great pride knowing that you have done everything that we can do to propel your council, your parish and your community to success.

STATE CHAPLAIN**

Tacoma, Hoquiam, Aberdeen, Longview and now in Bothell and Woodinville, I have come to respect their service, faith and dedication.

On behalf of our State Chaplain, Archbishop Brunett, I wish to extend my thanks to the Knights of Western Washington and throughout the state for their continued support of priests, bish-

State Vice Chaplain Report at the State Convention By Father K. Scott Connolly

Ten years ago I was ordained to the priesthood by Archbishop Murphy. The following day I celebrated my first mass at St. John Bosco Parish in Lakewood. The Knights of Columbus who had supported me all the way through the seminary were there with an honor guard and presented me with a beautiful paten with names of various deceased members of the Bishop McGrath Assembly inscribed on the bottom.

It wasn't long after that that Rob Roberts invited me to become his State Chaplain. I had a fantastic couple of years during my tenure seven years ago. Therefore, when Pat Maloney asked me if I would like to do another stint, I agreed immediately. These past two years have been a blessing for me and a joy to my ministry. Through my involvement with the Knights in

ops and parishes. Your on-going support of vocations to the priesthood and religious life has been a source of pride for all of our dioceses. Your outreach to the marginalized in society through events like the Special Olympics, youth events and service to the hungry and the homeless are an inspiration to us all. Your dedication to the church's teachings regarding the sanctity of human life from conception to natural death is to be commended.

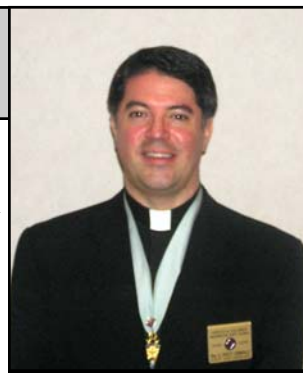

I wish to commend State Deputy Pat Maloney and his State Officers for all their hard work and dedication. Neither Pat nor I knew at the time he asked me to take on this responsibility that one short year later I would be his next door neighbor and within the boundaries of his Knights of Columbus Council. It has been an honor to serve with you and to be numbered among one of your friends.

It has been a privilege to have served you and to be numbered among your ranks. May God continue to bless you on your journey of faith as brothers to one another and to our Lord.

Yours In Christ,

Father Scott

Grand Knight's Handbook, District Deputy's Handbook and State Chairman's Handbook

As the conclusion of the fraternal year approaches it is the time of transition from the current grand knight to his successor, from the current district deputy to his successor and from the current state chairman to his successor.

In addition to the council, district and state routine transfer of property, books, forms, etc. it is important that the departing office holder brief his successor on critical duties and procedures. **One such transfer of property is the Grand Knight's Handbook, District Deputy's Handbook and the State Chairman's Handbook. Incoming District Deputies and State Chairmen should contact the outgoing District Deputy and State Chairman to schedule the transfer.**

A key element of this transfer should be reviewing the handbook with your successor, especially Part IV-Calendar that lists all reports and activities by month and in summary form at pages IV-2 and IV-3. These monthly sections, indicated by tabs for each month, are an excellent management tool for planning activities.

The incoming Grand Knights, District Deputies, and State Chairmen are required to bring the handbook to the Summer Leadership Meeting in Wenatchee in July 15-17, 2005. Additional information of specific dates for various offices will be published separately.

At the Summer Leadership Meeting, updates to these handbooks, including nine copies of the Service Program Report form for 2005-2006, pages II-35 and II-36 will be provided to the appropriate individuals. This form will also be on the Washington State Council's Webpage.

If you have any questions, please contact Wayne Hogan, IPSD, at kofchogan@comcast.net, fax 253-581-5952, office 253-581-5921, or home 253-581-5261.

Message from General Program Director

Dear Brothers,
Congratulations to all of the Program Award winners for this Fraternal Year. I also would like to thank all of the Councils who participated and submitted an award

application this year. The judging was difficult and even though you did not win just know that the fact that you sent in an application is an indication of just how healthy and strong your Council is. Congratulations also to the 1000 point Club winners. Keep up the good work. Also, please remember the words of our State Deputy..."we still have six more weeks until the end of this Fraternal Year." Please remember to submit your Columbian award application to Supreme with a copy to our State Deputy before June 30th. There is also time to submit any past due Supreme audit and Forms 185/365.

As most of you know by now, I am stepping down as your General Program Director. I want to thank all of you for your support, understanding and hard work over these last two years. I ask that you give my successor the same support for the next Fraternal Year.

Mike Bunney

General Program Director

Message from Membership Chairman

I hope you all had as enjoyable a time as I did at the recent State Convention. As usual I finished the weekend both physically tired ... and mentally, emotionally, and spiritually renewed by the opportunity to be with my brother Knights from throughout the state. I was especially awed and humbled by your consideration and concern after my computer was stolen.

A theme you heard many times during the weekend - and rightly so - was "six more weeks". Well, guess what... it's not six anymore, it's just a few weeks until the end of the Fraternal Year. But it's still not too late for that final push. Schedule a degree this month, and get those interested prospects or signed-up candidates through their First Degree!

What's the rush? Why not wait until next month? A couple of reasons. Most importantly, think about that man and his family. He's said "yes"... now strike while the iron is hot. How would you feel if you decide to wait a month...then he is unable to make it to your July degree...then you don't have another degree for a month or two. By this time his enthusiasm has waned and you might never get him to join. Worse yet, what happens to his family if he becomes ill or dies before having the opportunity to join? Essentially you would have stolen the opportunity for protection from that widow and family.

Another reason is that it truly is important to give your council and your State Deputy the opportunity to meet their membership goals. As I've said many times,

membership isn't about numbers- it's about Catholic men. But the numbers do provide an important way to measure success, and there are awards and incentives for those who rise to that challenge.

Finally, aside from the benefits the new member receives by joining, the ultimate beneficiary is your council. Let that new, enthusiastic member become a part of your council right now, not "sometime". New members are the lifeblood of our Order, and the time for a transfusion is now.

One thing to keep in mind is that it sometimes takes a few days or weeks under normal circumstances to get credit for a new member, so it's critical to process the Form 100 immediately for new members during June. If it's later than the middle of the month, consider contacting me and FAXing the Form 100 either to me or directly to Supreme so you can get credit where credit is due.

Don't forget to check out the latest (May 1) membership statistics. The leaders of each division in net gain and percentage of goal were given a seat of honor at the State Convention Awards Banquet on May 14th. Please join me in congratulating these leaders for their efforts.

Think of each fraternal year as a long relay race. Like a race, you sprint toward the finish line and make sure you pass the baton at a full run to your partner, the next Grand Knight. You want him to have every bit of momentum you can muster as you get to the end of the year. You're on the home stretch. Go for it!

Vivat Jesus!

Don McBride, State Warden
Membership Chairman

Welcome to Council 13794 Pope John Paul II Council

Welcome to our newest council in the State of Washington – the Pope John Paul II Council 13794 in Seattle. Charter Grand Knight for this Council is Renato Sacramento. Congratulations to DD Monte Cromwell and NCD Rick Wessling on their efforts in getting this council established. The council was initiated in early May which allowed GK Sacramento to attend the State Convention in Tukwila as a representative. The new council is warmly welcomed by their parish at St Edwards in Seattle. We extend a warm welcome to GK Renato Sacramento. We wish the council well as the newest council in the state of Washington.

Message from Vocations

We have good news - we have bad news... The good news is that there is enough money to meet our Pennies for Heaven goal - the bad news is that it is still in

the Council checking accounts!

There is a concerted effort by the District Deputies and the State Deputy to contact councils and encourage them to forward the PFH funds NOW to the State Secretary.

Since these are funds allocated for a specific purpose, there is no need to wait for a Council meeting to vote on expending the funds. The check can and should be issued immediately.

This is the first time in my six years as Chairman that we have not met the PFH goal by convention, and frankly I am quite puzzled by it. We are not asked for the moon - in fact, the goal of a penny a day hasn't changed since the program started in 1957. Right now, we are \$4700 short of our goal. Please send those checks in today.

On a positive note, it does appear that we have been successful in our campaign to support every seminarian studying for the State of Washington; this is dependent on every council and assembly fulfilling their pledged support.

Plaques will be awarded to councils at the summer meeting for highest percentage of goal, and highest dollar amounts. In addition, District Deputies and Grand Knights from winning councils for the 2004-2005 fraternal year will receive from me a personal gift of cufflinks and tie clasp. No State funds have been expended for these gifts.

Message from Recruitment Chairman

We are in June and the last month of our fraternal year. How are you doing on your membership goals? Now is the time to bring in those

candidates that showed interest during the March Membership Blitz. Did you contact everyone that filled out an inquiry card and get them to fill out a form #100? Have you got all the candidates that filled out a form #100 to a first degree? There is still time to follow up on all the candidates and get them to a first degree ceremony in June.

Here are some steps to follow to insure that you make your membership goals this fraternal year.

1. Find your list of candidates or inquiry cards
2. Get enough members to help you contact the candidates
3. Set a date and time to meet and phone the candidates
4. Ask all candidates to fill out a form #100 and make sure you have enough to meet your goal
5. Vote on the candidates that filled out a form #100 at your June Council meeting
6. Schedule a First Degree at your June Council meeting and invite your D.D.
7. If your council does not have a First Degree ask your D.D. to find the closest one
8. Complete all form #100's after the first degree and mail to Supreme ASAP
9. Allow enough time for the mail to arrive well ahead of the June 30th deadline
10. Be sure to share your list of first degree candidates with your insurance agent and invite him too

Now that you have followed all the above steps and reached you membership goals, you should feel proud of your efforts and achievement. Take time to thank every-

Message from KCIC Chairman

It was a great 102nd State Council Convention; a wonderful time to come together as Knights to share our brotherhood.

Thanks to all the Councils who took the time to fill out

your KCIC order sheets for the Assorted Cases of Christmas cards to be picked up at the Summer Meeting in Wenatchee, July 15-17. I realize that some of the Councils will be in discussion with their membership before sending in their order sheets.

The savings on shipping will be available up until the time I leave my home for Wenatchee in July. Once the forty cases on hand are gone I will have to charge the full shipping cost. At the Summer Meeting I will have more information for the new Grand Knights on how to make future orders.

Let's all do our best to offset the secular life style in our community by offering

Worthy Grand Knight,

If you are considering a review of the Council by-laws or you can not locate a copy, or maybe the Council never had by-laws,

there is an easy way to resolve this problem. Sample copies of the latest revision of the standard set of by-laws with clear directions on how to make changes is available.

Send for a sample copy with the Council Number and an address to:

Message from Youth Chairman

Summer activities and programs? The youth of your parishes deserve to continue to receive quality programs during the coming months. What a great time for baseball/softball games! River float trips? Camp outs? End of the year celebrations? Be creative - your youth deserve it!

Thank you very much for allowing me to serve you this fraternal year. I hope you all attain Star Council - but remember you must complete the Columbian Award Application and get that into Supreme prior to June 30. Good luck!

Ed Parazoo,

State Youth Chairman

Message from Squires Chairman

For this remaining month - let's keep in mind it only takes asking those one or two young men to complete your membership goals. Just ask!

Did you know we have a GREAT track record with Squires converting over to Knights after they reach 18? It is true! Ask the Grand Knight in Federal Way -- 100% percent of all Columbian Squires have become Knights of Columbus from their Circle! Great job! Great tool for membership!

Needing assistance? Just let Keith or I know -- we will assist where we can.

Thanks for the great year!

Ed Parazoo,

State Squires Chairman

General Liability Insurance

Grand Knights and Financial Secretaries should have received the General Liability Insurance letter by May 23, 2005. We are shooting for 100% participation from all councils. **You cannot afford to be without liability insurance in this day and age. If you fail to act now and purchase insurance, you are placing yourselves and your council in jeopardy.** The cost per member is \$1.50 which is a reduction of 60 cents from last year. The policy is for bodily injury and property damage and also includes liquor liability. Please complete the form letter and forward with a check to Washington State Council to John L. Walker, State Secretary-elect as indicated in the cover letter. The deadline for the response and check to be in my hands is **June 25, 2005.** Act now----**No check, No letter, No insurance.**

Exemplification Fund

The end of 2005-2006 is close at hand. Please review your records and forward the appropriate amount due for any new members that received their 1st degree this year. (July 1, 2005 thru June 2005). Some council's still owe fees from last year. I will be sending out one last billing for this year. I would appreciate having the amounts due paid by the end of June so that I can turn the records over to the incoming State Treasurer.

Thank you for your cooperation.

I wish to express my thanks to all for electing me to serve you in 2005-2006 as your State Secretary. I have some big shoes to fill (Karl Hadley's) but with your help we can make this coming fraternal year a huge success. Thanks again.

John Walker

Please keep the cards and letters (email) coming folks. I need your inputs for the Bulletin each month by the 20th so I can have time to organize all the articles

in in the bulletin and get it to the printers a couple of days before the 1st of the next month.

Also please don't forget that I can help you submit articles in the Columbia Magazine.

Please try to send any pictures in JPEG format if possible. They take up a lot less room than TIF or bitmap.

Celebrate Human Life

Let me tell you a story, a story that truly celebrates human life. This story is about a 14-year old boy who learned that even when life is going bad, its still worth celebrating. His whole story is about love and family and it all started at Christmas.

On that Christmas morning, the boy, his parents, and his sister were driving up to Seattle to see their dad's side of the family. The boy always loved seeing his family, especially at Christmastime. When they arrived, they glad to see that all 14 cousins, 9 aunts and uncles, grandma, and their 102 old great-grandma were their, but one person was missing, his great uncle Father Ted. Father Ted, a catholic priest, had been fighting Parkinson's disease for 25 years. This disease caused him to retire from the ministry work he loved dearly. Still, the family went on celebrating Christmas.

The next day, the boy found out that Father Ted had been admitted to the hospital. This upset the boy and troubled him. He asked himself many questions: was Father Ted okay, could they visit him, what was wrong? Father Ted had pneumonia, and combined with his Parkinson's disease, he was in trouble. The boy wasn't even allowed to visit him because he was in intensive care where no kids were allowed. Days passed and the boy's parents visited Father Ted a much as they could. They told the boy that Father Ted didn't like being in the hospital and wanted to go home.

After one week, news came to the boy that the doctors thought it was over and they should take Father Ted to hospice care. However, since Father Ted wanted to go home, he got his wish. He was very happy to go home and live his last days peacefully with pride. This made the boy sad, but now he was able to go visit Father. When the boy first saw Father though, he felt like crying. There were lots of tubes, an oxygen tank, and other things hooked to Father. The boy thought, "Why can't they just end his life quickly without suffering?"

Pro-Life Message Continued

(Continued from page 9)

Father looked so hurt lying there on the bed, eyes closed, breathing heavily. Every time he visited, the boy kept thinking this was so cruel until one night when he and his family were visiting Father. His parents were discussing something with the nurse while he and his sister sat alone with Father. He looked like he was so pained, barely clinging onto one last strand of life. Then something happened, not a miracle, but Father Ted opened his eyes, looked right at the boy, and squeezed his hand. Even though he didn't say any words, he was still able to recognize the boy and touch his heart. Then the boy realized why they kept Father Ted alive. He still has life in him, very little, but yes, there was life. And they were supposed to keep celebrating his life until it ended.

Two days later, Father Ted passed away. The story you read is true. The boy is me, Ryan Rash. There really was a Reverend Theodore Sondergeld and he was my great uncle. He did have Parkinson's disease, he did get pneumonia, and he did die on January 11 2005. This experience really did teach me everything I said in the story, and now I understand more clearly what celebrating life means. It means that we must cherish all human life and God is the only one who decides what happens from there on.

Hopefully, you will come to understand this, too.

Bishop White Seminary Fundraiser

We are now 11 months into the first half of the Bishop White Seminary Campaign and we welcome Saint Thomas More Council #11134 of Spokane, who has pledged an amount of \$1000 per year for the next 4 years. Again, on be-half of Fr. Darrin Connall and all of the seminarians at Bishop Charles D. White Seminary, it goes beyond saying how grateful these young men are, our "future priests" to all of the Knights through each Council and Assembly who have so far participated in this effort. This now makes a total of 9 out of 165 councils and assemblies in our State of Washington

contributing a total of \$13,150 to this Campaign, to help build a new facility for the only Seminary in our State of Washington, in Spokane. Bob and I are looking forward to hearing from each and every council and assembly who are making plans for their next fundraiser as our brother Knights in Colville, WA. are, weather its putting on a par 3 golf tournament, breakfast or doing a auction to contribute to this historic event. Please make checks payable to the WSC Knights of Columbus Bishop White Seminary Fund and mail them to our K of C State Secretary.

New Council Development, Round Table East

All who attended the State Convention in Tukwila had a great time. We all were rewarded in some way, revisiting fellow Knights, learning and renewing, listening to distinguished guests, and most of all sharing a commonality of faith. As the weekend unfolded, we were able to witness and experience many events. I personally was moved by the feelings of emotional sincerity at the banquet. It all came to a very special ending when the Family of the Year Award was presented to a much deserving family. Deacon Brownie and Amelia Braungardt with over sixty years of married life together, walked to the stage for the presentation. St. John Vianney Council 8201 of Spokane can be very happy about this award. I was fortunate to be sitting at the same table and witnessed what I would call a chance of a very special life time.

Many marching orders were given out to District Deputies and Chairmen by our State Deputy Pat Maloney. He said complete the goals in membership, New Councils and Round Tables, and get it done by June 30th. My commitment is to help get this done by the deadline. Thank you in advance to all who made the effort to meet those goals by bringing in a New Council or Round Table-east side.

July 1st will be a new commitment of being at your service again, and that starts out with the Summer Meeting scheduled July 15-17 in Wenatchee. Our State Deputy elect Karl Hadley has asked the same question of me, as he has asked others this next fraternal year, and I said yes. I will be happy to be in service to help District Deputies build councils, and Grand Knights establish Round Tables. The Summer Meeting will be a time to renew the spirit given to us by Fr. McGivney's goal, to have a Council in every parish and a Round Table in parishes that do not have a Knights of Columbus presence.

REMINDER

Grand Knights of each Council must remind their Round Table Coordinators to fill out Form # 2630, the annual report form; it would only take a few minutes. Newly appointed District Deputies and newly elected Grand Knights should bring their Grand Knights Handbook and Service Reporting Booklet to the Summer Meeting; it will come in handy for review and training.

"Unfinished but not forgotten"

Those Grand Knights who filled out form #2629 and turn it in by April 1st, were eligible for a drawing at Convention. This will be done at the Summer Meeting instead.

Fraternally yours,

Dave Olson

Knight of the Year 2005 (continued)

(Continued from page 1)

serves Blessed Sacrament as an usher, greeter, Eucharistic Minister, server, cleans the church and the surrounding grounds. His involvement within the community is just as impressive with leadership roles in organizing the Right to Life March, blood drives, Free throw contest, KCIC Cards sales, etc, etc, etc. I can go on but I do have more awards to present this evening. It is my honor to announce that the 2005 Knight of the Year award goes to Jeff Schumacher Council 13606. Jeff was submitted for this award by his Financial Secretary, Michael Bordner

Announcing the Summer Meeting

By now you should have received a letter announcing the 2005-2006 Summer Leadership meeting to be held at the Red Lion Hotel in Wenatchee on July 16 and 17, 2005.

If you are a returning Grand Knight or Financial Secretary for this upcoming Fraternal Year - Welcome Back! We look forward to seeing you in Wenatchee. If you are being succeeded as Grand Knight or Financial Secretary, please pass the letter on to the new incoming GK or FS of your council so that he can plan appropriately for this important meeting.

The meeting will focus on leadership training for Grand Knights, Financial Secretaries, Membership Chairmen, and Program Chairmen. Sessions have been planned to establish goals and discuss ideas for the year for membership recruitment and retention, insurance promotion, service program development, on-time reporting, and proper protocol.

State Deputy's Message Continued

(Continued from page 2)

This is my last letter to you as State Deputy. I salute all of the Grand Knights, council leaders and brother knights and their families who make up the great jurisdiction in the state of Washington. You are a real energy and positive force behind the successes that the Knights of Columbus experience in our state and in our great Order. I thank you for all that you have done and continue to do for your councils, your parishes and this state. I also want to thank you for the many kind thoughts and words that you have offered me this past two years. One PSD described serving as State Deputy being something like a roller coaster ride. I would agree that there are many exciting highs and many emotional lows. But it seems that each time my life was getting a little out of balance, I would receive a kind word, a thoughtful message, letter or e-mail saying to me – thanks for all you do & we are praying for you. These words always seemed to take the dramatic edges off those wild spins. Thanks you for teaching me about fraternalism and humility.

Vivat Jesus!

Pat Maloney,

Your State Deputy

World Youth Day

Before his death, Pope John Paul the Great invited the Catholic youth of the world to gather in August 16-21 in Cologne for the 20th World Youth Day. The new **German** pope, **Benedict XVI**, will be there. WYD 2004, now only four months away, is open to all young people 16-20 years old. The gathering begins with Days in the dioceses August 11-15, when pilgrim groups get to know Germany by staying in one of the German Dioceses. Then, from August 16-21, all attendees meet in the host diocese, Cologne, for WYD2005. Groups planning to attend should register through their diocese and advise the Supreme Council office of your plans. Young Knights and older Wquires—plan to be there!

Fourth Degree News

Spokane's 4th Degree Exemplification was a huge success with a 33 candidate turnout from not just the Spokane area, but also Pullman, WA., Colville, WA., Colbert, WA., Moscow, ID., and Coeur d'Alene, ID. Congratulations to all of our new Sir Knights and many thanks to Worthy Master Storm Smole for conducting the Exemplification, to Bob Grandinetti our Marshal, the Degree Team and Honor Guard. The Exemplification was concluded with a Dinner Show and "Admirals Ball" hosted by Saint Thomas More Council #11134 in Spokane which featured a 19 piece swing band, "The Men Of Rhythm" that at one point brought all the Sir Knights and their Wives and friends to their feet with hand clapping to a melody of Military songs that raised the roof of our PAC center at Saint Thomas More Parish. Our chef brother Sir Knight Jack Louie was brought out of the kitchen for his special Knighting ceremony by Worthy Master Storm Smole as he had missed the one earlier in the day due to attending the kitchen. Thank you Grand Knights, Faithful Navigators and all Sir Knights that participated in making this one of the finest Exemplifications to come out of Eastern Washington in many years.

Parish Bulletin Inserts*

June 5—Describing women who have had an abortion as victims, Olivia Gans, herself an abortion victim, told a pro-life audience, "We are made to feel invincible. Our fears and anxieties are shoved aside by abortion providers—for them it's all about the money." *The Catholic Light*, 2/3/05

June 12—An editor of *American Prospect*, Sarah Blustein, remarks on a truth that many abortion defenders ignore: "Abortion is a right that ends in sorrow, not celebration. It's not like women's suffrage or the equal access to public accommodations, rights whose outcome is emotionally unambiguous." Quoted in a 2/2/05 George Will Syndicated Column

June 19—"In the context of contemporary American social life, abortion and embryo-destructive research are disproportionate evils. They are the gravest human rights abuses of our domestic politics. They are to our time what slavery was to the time of Lincoln. We are called by the *Gospel of Life* to protect the victims of these human rights abuses." Most Rev. John J. Myers, Archbishop of Newark.

June 26—Commenting on proposed California legislation permitting assisted suicide, the California Catholic Conference pointed out that if suicide becomes legal, "the pressure to make the 'choice' will increase with the burden of illness, age, or diminished economic status. Predictably and pragmatically the elderly and poor will not be fully welcome to partake in community resources when they have the 'other' option.

Suggested Prayers*

June 5—That those in the medical profession who have wandered away from their call to heal may turn for guidance to the God who loves them, we pray.

June 12—For an increase of laborers willing to work in the pro-life movement, we pray.

June 19—That we may remember that all human life—no matter how small, how disabled or how old—is precious to God the Creator, we pray.

June 26—For all pregnant women that they may welcome, protect and rejoice in the gift of new life, we pray to the Lord.

The history can be brief or detailed - your choice. An example follows. Our current history containing additional examples is available at: <http://cee-nt.ce.wsu.edu/KofC/WSChistory-p.pdf>
