KNIGHTS OF COLUMBUS

“BE MEN OF ACTION”

Message from State Deputy

Thanks be to you!

My Brothers All,

Let us give thanks.....thanks for all we have and all that we do. Thanks for all the community action and support programs you perform. Thanks for all the donations of food and funds for the needy. Thanks for the effort and support of the Tootsie Roll drives and the funds that will be provided to Special Olympics and other programs that support those with disabilities. Thanks for offering KofC membership to your family and friends. Thanks for your leadership and dedicated hours of service. Thanks for your family for allowing you to do God's work.

Have you taken on the Coats for Kids program this year? Hurry, time is short. Get your orders in so you can provide warm coats for those youth in your area. We have been truly blessed with a gift of a multitude of cases of coats donated by the Supreme Council for our jurisdiction! More information on that from our General Program Director, Greg Mahoney.

How about Food for Families? Has your Council planned to conduct food drives and provided needed resources for those needy members of our society?

Membership has been lagging this fraternal year.....what is going on? Aren't you proud of the Knights of Columbus and all we do? Don't you think every eligible Catholic man should be given the opportunity to join? To do more of God's work.....we need as many Knights as we can in order to make a larger impact. There is always more to do and we owe those in the margins of society the dignity of our help and assistance. Please perform the work and invite everyone to help.....men of action will join to help. I know it is true.....I have seen it.

Remember, in all things.....action speaks louder than words.....BE MEN OF ACTION!

Finally, my wife, Dawna, and I wish you a very Blessed and Happy Thanksgiving with your families. Our prayers are with you and yours as we transition into the Holiday Season towards the end of this month. Just don't forget the less fortunate.....they need your help and aid.....

God Bless.

Vivat Jesus!

State Chaplain Message

Last month, we reflected on the role of our fathers, both earthly and heavenly, in teaching us masculinity. We noted the example of Jesus, who not only had the fatherly example of St. Joseph to guide him in his youth and young adulthood, but also his Father in heaven, with whom he was constantly connected in prayer. Prayer is an indispensable dimension of manliness and a means of deepening our identity as beloved sons of the Father.

Closely connected to this theme is another theme drawn from the example of the Lord Jesus. Scripture tells us nothing about the years that passed after the finding of Jesus in the temple and before the beginning of his public ministry, except that Jesus was obedient to Mary and Joseph, and that he “advanced in wisdom and age and favor before God and man” (see Luke 2:51-52).

There is, however, something that we can infer from another verse. St. Matthew tells us that when Jesus returned to his native place, Nazareth, the people were amazed at his teaching and asked, “Is he not the carpenter’s son?” (13:55). Jesus was known as the son of the carpenter, and it is very likely that he followed the custom of learning the trade of his father.

Jesus is God; strictly speaking, he did not have to work. However, he chose to work, and we shouldn’t ignore that fact. By engaging in hard work, Jesus shows us that working is a part of being masculine. (Remember, we established previously that Jesus is the model of manliness.)

What follows is not to be read as a commentary on the type of work men do. It does not at all disparage men who work out of their home, or whose primary work is the raising of children, or whose wives are the primary breadwinners for their household. Nor is this a criticism of men who are unemployed or retired.

Jesus’ example compels us to ask ourselves what abilities we have been given and what we are doing to put those abilities into action. These are not limited to physical strength or the skill it takes to build or repair something. They’re not restricted to white collar skills like accounting, law, or computer technology, either. A man’s work could be primarily intellectual, and that would not make him any less of a man than one who does back-breaking labor. Even if you’re homebound, laid up in bed and feeling like there’s nothing you can do, you can still do the work of prayer, and that’s an important one!

The question has to do with the dignity that is ours by virtue of the fact that God has given us the ability to do work, no matter the kind and no matter how much money (if any) we are paid for doing it. Remember Luke 12:38? “Much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more.” Or, think of the parable of the talents in Matthew 25:14-30 or Luke 19:11-27. God expects us to do something with the gifts he entrusts to us.

Using those gifts and working diligently are ways to express one’s manhood. Laziness and idleness are not manly traits, though the temptation toward these may arise from time to time. If we keep the example of Jesus ever before our mind’s eye, we will remember the importance of work and draw encouragement to put forth our best effort, as God calls us to do.

Vivat Jesus!

State Secretary Message

Hi Brothers,

With the State Deputy's approval I put out the third invoice for the year this month and we are up to 90% paid on the Liability Insurance statewide and The Exemplification Fund is now at an all-time low of below \$200 owed. Congratulations to all of you who have taken care of your Council's debts. For those that still owe, it is not too late to pay these debts, and I will likely put out one more set of bills this month.

Sure is fun to see how well we as a State did with the Tootsie Roll Program this year. Our State Advocate has done a remarkable job with that program and we all have much to be thankful for there. A lot of very deserving people will benefit from his efforts and our efforts as well.

It's also fun to see how we are starting to take off with our Membership Drives. The new members are starting to stack up and that's good news for everyone in the Order. More hands to help, more minds full of new ideas and more guys growing closer to their God. Keep up the good work you guys. I get to do a part in my Council's First Degree this week and our Council really needs more active members. The handful of guys that do most of the work cannot keep it up forever. They need help! I bet a lot of you know what I'm talking about here.

It won't be long and the State Team will be meeting with the District Deputies and then the rest of the membership during the Regional meetings. Find time to enjoy this wonderful time of the year. We all have so much to be thankful for. Have a great Thanksgiving with your families and enjoy the Packers vs. the Bears. (Sorry Kim!)

God Bless & Go Packers!

State Treasurer Message

My Dear Brothers,

Last month we took a deeper look at form 185 Officers Chosen (Council Officers), and form 365 Report of Service Program Personnel (Council Chairmen). As you will see from the latest report from Supreme...many are still missing.

While the importance of all these reports cannot be understated, the Semi-Annual Audit is probably the most important.

It is Form 1295 and is required as a result of the Council Trustees performing their semi-annual duties to audit the Council's books and report the financial condition of the Council to Supreme, the State Council, and just as importantly...you... the Council members who worked so hard to earn these dollars for the Charitable, Fraternal, and Social purposes of your Council.

In the past, an ugly reality of modern day life has shown its head in Councils around the Order. That is theft of Council funds. While almost unbelievable that a Brother would stoop so low as to take from the poor and those who work so hard for their faith, it does happen. Invariably, whenever we have uncovered these incidents, even in our own Jurisdiction, we almost always find that the precursor to these events was the inconsistency and ending of the filing of Council Audits or Audits supposedly being performed properly and then signed by the very ones would take advantage of the trust of their Brothers.

We need to face the fact that there are those that will lie to become members and seek to take advantage of that bond of fraternity to their own selfish ends. In other words, yes, we do get OUR 10% of those that we wished we hadn't, but trust we must in order to continue to do all the good that we do.

If your Council is one of those listed below that is missing an audit or more, please remember you risk the loss of bonding for your Financial Secretary and Treasurer, as the possibility of being suspended from the Order by Supreme... these are that important. Contact your District Deputy to work out the details and get them in.

State Advocate Message

I have held meetings with a couple of home corporations and both are in the process of changing their name not to include the Knights of Columbus. This is a relatively easy task by filing a name change with the Secretary of State. The cost is \$20.

Some home corporations have been inactive to years and are electing to close their corporations, with no property involved.

I thank all of you that have returned my calls and those that are in the process of cleaning up the home corporation issues. I appreciate it.

I continue to field questions presented to me. I thank you for your patience as I research each question so I provide correct information.

God Bless you all!!!

State Warden Message

Happy Thanksgiving to all!!! This Veterans Day, I pray that all Americans will pause, reflect and be thankful for all of the great sacrifices endured by our Veterans in defense of our country. I thank each and every Veteran for their service to preserve the many freedoms we cherish and enjoy. True strength of any country lies in the willingness of its citizens to fiercely defend it against all enemies. Thank You Veterans! May your Thanksgiving this year be blessed.

Worthy District Deputy Mentors, District Deputies, Directors, General Agents and Past State Deputies, The District Deputy Mid-Year Leadership Meeting is almost upon us. **Please send me your registration forms by November 12, 2015. Reservations for the hotel must also be made by November 12, 2015.** Your participation in this meeting is instrumental in assessing the year to date and guiding the remainder of the fraternal year on course for Star Council and Star District level. See you there.

The Mid-Year meeting will be December 5 and 6, 2015, at the Red Lion Hotel in Bellevue. Bring your wives and families, and let's enjoy the festive Christmas spirit together.

Coats for Kids – Black Friday Distribution is a GO! As mentioned in last month's bulletin, the Supreme Council approved our proposal to participate in a WSC-Supreme joint effort to bring new warm coats to children in need the Friday after Thanksgiving. Thank you to all Councils for your diligent responses to my queries over the last few months. We recently requested an increase in the number of free cases from Supreme and we await a response from the Supreme Council. As always, all Councils have an opportunity to contribute by purchasing more cases from Supreme and distributing coats throughout the coming months – Engage!

Keep in mind that professional development is as much an individual responsibility as it is a responsibility of any organization that depends on people to make things happen. The Supreme Council has done a terrific job in establishing its Training Portal for leaders. Officers should log in to Officers Online and take advantage of this resource. What recent training have you completed? **Remember, good Stewardship means more than just giving Treasure. It means giving Time and Talent as well. Engage and reach for the Stars.**

Grand Knights – acknowledge the great work of your Councils and submit the Monthly Service Reports. Thank you for all you do. Stay focused on Christ. Ask for help when you need it. And, together, we will accomplish much.

Vivat Jesus!

Greg Mahoney

Message from the Immediate Past State Deputy

My Dear Grand Knights and Brother Knights All:

First, I pray that you are well and engaged in doing the Lord's work. As a charitable institution, we are unsurpassed in assisting our Church, communities, families and youth. Your support of seminarians and those committed to the religious life is unsurpassed too.

I have always claimed that we Knights have the easiest time when it comes to the evangelization of our faith. I trust you have already learned about FOCUS...a relatively new ministry; **Fellowship of Catholic University Students (FOCUS)** is now available or coming soonest to assist Catholic religious leaders like Fr. Paul Heric on the campus at Eastern Washington University. Fr. Paul tells us..."FOCUS arrived at Eastern Washington University this fall and EWU is being transformed with the power of the Holy Spirit. All the Newman Events are at capacity. FOCUS is truly everything I thought they would be."

The cost of the FOCUS missionaries for the full school year is \$15,000 each, and we have four of them on campus. A three year commitment for four missionaries is \$180,000. I ask you for the support of your Council and a personal contribution, if you can, as our support of the FOCUS ministries on our universities and colleges is where "the rubber meets the road"...it is reported that 85% of young Catholic's leave their Catholic faith and identity when moving on as university and college students.

Since its beginning in 1998, FOCUS missionaries are now evangelizing on 113 campuses in the US with amazing results. Over 500 young men and 200 young women are now enrolled in religious and seminarian programs, all emanating from their work with FOCUS...seminarian and religious vocations in action.

Please bring this message to your next Council meeting and offer to support this new ministry that really begins and ends with the evangelizing of our children. I understand that FOCUS is coming to Western Washington University and Washington State University next year.

And finally, we are all invited to a **Breakfast Fundraiser at St. Peter's Catholic Church in Spokane on December 2nd at 8:00 AM.**

Vivat Jesus!

Brothers,

October 20th, I put the word out that we were 37 members shy of attaining our State's first payout by Supreme. Almost immediately, brothers were answering the call. By the 31st deadline, we were only 6 members short. We almost made it.

I want to thank all who helped push us closer to a payout. Not to worry, Supreme has a new incentive for November that I think we should be able to attain.

Council 8179 held a degree with 16 new members October 26th. If those new members would have been received by Supreme at the end of October, we would have reached our goal with many to spare. Now that we are in November, those 16 will go a long way to attaining the new incentive. All we need is an additional 40 to make it happen. Interestingly, 12 of the 16 new members are Burmese and the 1st Degree was translated. They will become a Round Table extension of Council 8179.

We are a part of Division 3 at Supreme. November's payout criteria calls for 6% growth to qualify for a \$280 payout. As stated before, our Washington State Budget relies on payouts from Supreme to keep per capita in check, so we need this. If we were to reach 7% growth, we would realize a \$350 payout. The scale continues to 11% where we would enjoy a \$980 payout.

I am kicking off the **“Wall of Honor”** this month, which is made up of all Councils that are membership active. If you do not see your Council on this wall, you need to become membership active. This will replace the implication of a “Wall of Shame” and was suggested by our former MPC, Pat Maloney.

I want to thank our Worthy State Deputies and MTC's that helped our State this month. James Carey, John Forrest, Jonas Hiner, David Whelchel, George Dilloo, Jim Riddell, Dwane Berens, Marcel Bergeron, Ed Rogers, Dr. Scott Hulse, Stephen Sommer, Ed Rogers, Steve Schweyen, David Foley and many more. I look for you all to continue to grow our Order for the benefit of our church, organization and community. **An additional thanks to Marcel Bergeron for creating the graphics and tracking I use daily.**

I would like to thank one in particular Grand Knight, Al Farrand, from 7360 Pullman in bringing 8 new members into our ranks with the help of David Whelchel, DD 8 for October. This growth came from Pullman. Many Councils in District 8 are small in number and made up of solid farm families. Usually the growth comes from offspring which makes it difficult for growth. Congratulations Al and David for making this happen.

Rather than waiting until the last minute for 1st Degrees, start November off right and let's get our first payout from Supreme. Get those pulpit announcements and membership drives scheduled and remember to scan/send completed form 100's to membershiprecords@kofc.org.

PROGRAMS ARE THE KEY TO GROWTH!!

Don't Be Afraid!!!

General Programs

Brother Knights,

State Youth Chairman Ken DeVos and several brother knights in the Auburn area did a terrific job conducting the State Soccer Challenge Championships. Several kids participated, including my youngest son, who ended up winning in his age group. I assure you, I had nothing to do with the judging! It was a fantastic day, and it was a privilege to be able to take part in the event. Brother Ken and I spoke about how we could improve this program in the future and discussed possibly changing the time of day, using a different venue and perhaps hosting a soccer clinic with professional players at the same time as the competition. Let us know your ideas so we can enhance this important youth program. Planning is the Key to Success – STRONG and VISIBLE programs!!

In honor of Veterans Day, host a **Warriors to Lourdes** fundraiser at your parish. I challenge all Grand Knights to ask your pastors to allow your Councils to host a fundraiser after all Masses one weekend this month in an effort to raise enough money to send one wounded veteran or caregiver to Lourdes this coming May. Refer to the following website for details on this program: <http://www.warriorstolourdes.com/en/index.html>. Stay tuned for more information regarding our efforts to assist the fire-ravaged areas in our State. Thank you for your generous donations to date in support of the Okanagan Council and relief agencies. I intend to have a report out to you in a few months on how your donations are being spent to help fire victims.

Good luck to all Councils conducting the **Catholic Citizenship Essay Contests** through December, **and the Coats for Kids distributions** through February. Congratulations to our **Tootsie Roll Drive** participants. From what I can tell, we had a very successful Tootsie Roll Drive this year raising funds for Special Olympics and People with Disabilities.

Consider supporting the **Fellowship of Catholic University Students (FOCUS) program** with donations. This program brings missionaries to WA campuses to evangelize college students to live the faith and then share it. Go to **FOCUS.org** for more information and sign up for the FOCUS e-Newsletter.

Now is the time to actively promote the **Keep Christ in Christmas Poster Contest** in December. Start planning and ordering materials for the **Free Throw Championship**, **March for Life** events and Supreme's **Substance Abuse Awareness Poster Contest**.

VOCATIONS, VOCATIONS, VOCATIONS: I highly recommend that Grand Knight's speak with their pastors and, if applicable, school principals about the **Pennies for Heaven (PFH) program** to consider getting our youth more involved. What a great service project for students to participate in during the school year. Think about how excited young kids would be if they could bring in a penny a day and drop it in a PFH bucket/barrel/can in the classroom knowing they were helping support vocations. If we had a PFH can in every catholic classroom K through 12, it would bring an added sense of awareness to young people about the importance of supporting vocations.

Host a special event and collect donations for any of the following programs: fire-relief efforts in WA, a parish project, FOCUS, Ultrasound Program, Food for Families, Wheelchair Program, or consider conducting a project or a youth event this month -- the possibilities are endless when we live good Stewardship.

Be Men of Action and help build up Christ's Church. Vivat Jesus!

New Council Development/Round Table

Brother Knights,

Round Tables are an effective means of stimulating interest in the Knights of Columbus for Catholic men in parishes without a Council, and in parish demographic groups not active with the Knights. Our goal remains 45 RT's by the end of the fraternal year. We have only 18 RT's established to date. I recently sent a message to all Grand Knights and Financial Secretaries listing the RT's recorded at Supreme. If your Council has an active RT at a parish, but it was not listed in my letter, please contact me ASAP. **Worthy Grand Knights, let's work towards an active Knights of Columbus presence in all parishes in WA State.** The RT Program guidelines are found in pamphlet 2632 7-14. This process is very easy. Do not wait for someone else to do it.

Worthy District Deputies, please provide feedback to me regarding the potential for forming a new Council in your respective Districts. Based on initial assessments, we may have the potential to form up to four new Councils across the state in this fraternal year alone – that's a **GOOD NEWS** story. As our Supreme Knight has often reminded us, "We have a moral obligation to invite every eligible Catholic man to join the Knights of Columbus." The NCD guidelines are found in pamphlet 2119 7-14. Another helpful tool is the *Action Plan for Developing New Councils in Only Seven Weeks*, flyer 4808 5-15. This is a tool that outlines one way to establish a new Council. Use these tools. Vivat Jesus!

Silver Knight Awardees—September 2015

The Silver Knight Award Program is designed to enhance membership commitment to the principles of the Order and to recognize excellence in membership recruitment and active participation in Council's program activities and services. District Deputy Mentors, District Deputies and Grand Knights must actively promote this program in their respective Districts and Councils.

Larry roused through the ranks and is now serving his 2nd year as Grand Knight of the Council. He is also serves as member of the KC Club Board of Director. For so many years Larry Volunteers his services as the building handyman, bar tender, security and dinner host of the monthly fraternal knight and above all the Council's top recruiter. Larry indeed is a great asset to the Council and to the Order.

Special District Meeting—11/22/15

Brothers, we are fast coming up on the holiday season.

As communicated in my last message in the state bulletin, on November 22nd we will be holding a special District meeting. The purpose of this meeting is twofold:

- Have all members of the Color Corps certified
- To build a database of the Color Core members in our District to facilitate communication

To do this I am asking that the Faithful Navigator, Faithful Comptroller, and Color Corps Commander should be in attendance. Any Sir Knight is also welcome to attend, too.

When you come please bring a list of all the members in your assembly that have regalia. We will need their contact information of full name, telephone number, and e-mail address so that we may put it in a database. As we grow in Color Corp membership the Assemblies will be able to add, change or delete emails as necessary.

To do the certification we will be having an honor guard at the 10 o'clock mass at visitation Catholic Church which is located at:

5647 S Warner St.
Tacoma WA - 98409

We will choosing the members for the flag Ceremony at our next State convention. All interested in becoming a member of the team should come to the meeting.

We will need a Sir Knight in a tuxedo, one Sir Knight in a Red cape, one Sir Knight in a Purple cape, and a Sir Knight in a white cape. We will be holding practices once a month up to the convention so if you would like to be a member of this group please make sure that you will be going to the convention and that also you will be available for practices.

Lunch will be provided for this meeting so please let me know if you will be there so that we may make proper arrangements

Thank you, Brothers, for all you do for the Order.

Vivat Jesus!

Tootsie Rolls Update

\$18,464.38

Brothers all,

So far, we have 14 Councils reporting out of 56. Our participating Council number went up by two, as I expect will happen more as this drive draws to a close. Some Councils do not turn in their Council Chairman form, which is how I know they are participating. Many big hitters have not reported yet, so I know the numbers will go up significantly by this time next month.

3307 Richland, for instance, informed me they raised over \$6,100. They have consistently raised that amount each year (except the first) since the beginning of our program raising a total of \$28,641 over the last 5 years. Fantastic job Richland.

Fred Meyer is our best partner so please make sure you report your location totals to their home office in Portland, OR. If you need the address, let me know. You need a total for the weekend, not a daily figure.

It's also a good idea to have a picture taken with the manager and staff of the store, frame and present to management. Our Columbus Charities website would like to have that photo, too.

If you ordered Tootsie Rolls from the Tootsie Roll Company, you need to pay them for product received ASAP. This check needs to be payable to:

TRI Sales Finance LLC
P.O. Box 99435-File 99435
Chicago, IL 60693-9435

Yes, it is important to include the File 99435 with the P.O. Box since it is internally required for delivery to the right area in the Tootsie Roll Company. You should have received an invoice around the time when the tootsie rolls were received. The bill is due 30 days **AFTER** your drive.

Start reserving locations for next year and worry about volunteers later. You can always cancel a location, so reserve it very soon.

I need your help!!! Please send your funds to me, Council Drive Report, Request for Distribution and disabled organization(s) you wish to donate too, or leave with Columbus Charities for Special Olympics and like programs, ASAP. It makes it difficult when a Council or two drag into the next calendar year with my other duties increasing.

Remember, 80% of the net funds may be requested to return to benefactor(s) in your area, as long as it qualifies. I encourage you to do this, for visibility and continued success of our program.

I look forward to the mail box trip each morning. Thanks for all you do. Vivat Jesus!

Youth Chairman

Brother Knights,

Soccer Challenge

With the turning of leaves and the crisp air, it is difficult to find the time in our youth's full schedule to dedicate time to the Soccer Challenge. I would like to thank the 10 Districts and the 13 Councils that participated in the Soccer Challenge this year. A special thank you and congratulations to District 22, who won 9 championships. After 6 years, the state finals were held in sunshine and rather enjoyable weather. Host Council Auburn 3498 and District 12 once again dedicated the time and effort to put this event on.

The state winners with Youth chairman Ken DeVos, Host DD Mike Rutland, Council host Joe Winters and State Warden Greg Mahoney.

Free Throw

It is time to start planning your Council free throw program. The state is looking in to a location for a state free throw competition. We are shooting for the Cle Elum or Ellensburg area on Saturday March 19th. Stay tuned for more information on this event.

Enjoy your Thanksgiving,

Ken DeVos
Youth Chairman

Founders Award

The surest way to achieve your Council's insurance quota is to open an Annuity: A Retirement income you can't outlive

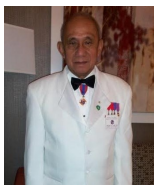

People are living longer today than in any other time in history. While this is certainly a good problem to have, it creates a new worry for those facing retirement: what if I outlive my savings? How does a retirement income that you cannot outlive sound to you?

This sounds pretty good to most members and this can be true if you open a Knights of Columbus annuity, which is designed to provide guaranteed long-term security. As a knight, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into this annuity over time can guarantee you an income at retirement that you cannot outlive. Couple that guarantee with the fact that no one has ever lost money put in a Knights of Columbus annuity (remember, absolute safety of principal) and you will have peace of mind.

Don't forget contributing money in an annuity will allow you to save some money on your income tax return. And our annuities offer a very competitive interest rate, consistent with our primary goal of absolute safety of principal. These benefits are similar to those of an IRA or similar product, but ours is backed by the strength and financial stability of the Knights of Columbus.

So call your assigned agent and schedule an appointment. He will happily meet with you to explain in detail the benefits of selecting our annuity, along with the benefits of our top-rated life insurance and long term care insurance plans. If no agent is assigned in your Council call me.

As you consider options as you proceed toward retirement, think about one thing guaranteed to help you and open a Knights of Columbus annuity.

Milestone highlights K of C's financial protection of Catholic families

The Knights of Columbus surpassed \$100 billion of life insurance in force this week, marking an important milestone in the Catholic fraternal benefit society's mission to protect the future of Catholic families.

This milestone was achieved despite continuing adverse conditions affecting the insurance industry.

"The \$100 billion milestone is not simply a number," said Supreme Knight Carl Anderson. "It highlights the fact that each year we are protecting the future of more Catholic families, continuing the mission of our founder, Venerable Father Michael J. McGivney."

"With each dollar of top-rated insurance in force that our professional agency force adds, additional, meaningful security is provided to the families whose livelihoods we protect," the Supreme Knight said. To read a full interview with Supreme Knight Anderson on this milestone, please [click here](#).

How To Address Catholic Clergy

The ability to properly address and show respect for the hierarchical status of the clergy and religious of the Church is most important for Catholic's and Knights of Columbus. While the following are more *guidelines* than *rules*, when speaking to members of the clergy, titles and addresses can be tricky, but we should do our best to show respect and follow proper protocols. Please read on and be guided accordingly...

Address a Deacon: During a formal introduction, a Permanent Deacon should be introduced as “Deacon (First and Last Name).” He should be directly addressed as “Deacon (Last Name)” – or, on paper, as “Reverend Mr. (First and Last Name).”

Address a Seminarian who is a Transitional Deacon: During a formal introduction, a Transitional Deacon should be introduced as “Deacon (First and Last Name).” He should be directly addressed as “Deacon (Last Name)” – or, on paper, as “The Reverend Mr. (First and Last Name).”

Address a Sister: During a formal introduction, a Sister should be introduced as “Sister (First Name) of (name of community).” She should be directly addressed as “Sister (First and Last Name)” or “Sister” – or, on paper, as “Reverend Sister (First and Last Name), (initials of her community).”

Address a Religious Priest: During a formal introduction, a religious Priest should be introduced as “The Reverend Father (First and Last Name) of (name of community).” He should be directly addressed as “Father (Last Name)” or simply “Father,” – or, on paper, as “The Reverend Father (First Name Middle Initial Last Name), (initials of his community).”

Address a Mother Superior: During a formal introduction, a mother superior should be introduced as “The Reverend Mother (First and Last Name) of (name of community).” She should be directly addressed as “Reverend Mother (First and Last Name),” “Reverend Mother,” or, on paper, as “The Reverend Mother (First and Last Name), (initials of community).”

Address a Diocesan (or secular) Priest: During a formal introduction, a diocesan Priest should be introduced as “The Reverend Father (First and Last Name).” He should be directly addressed as “Father (First and/or Last Name)” or simply “Father,” – or, on paper, as “The Reverend Father (First Name and Last Name).”

Note that you should stand when he enters a room (until he invites you to sit) and again when he leaves it.

Address a Vicar, Provincial, Canon, Dean, or Rector: During a formal introduction, he should be introduced as “The Very Reverend Father/Vicar (First and Last Name).” He should be directly addressed as “Reverend (Last Name)” or “Father (Last Name),” – or, on paper, as “The Very Reverend Father (Vicar/Provincial/Canon, etc.) (First Name and Last Name).”

Note that, as with a Priest, you should stand when he enters a room (until he invites you to sit) and again when he leaves it.

Address a Monsignor: During a formal introduction, a Monsignor should be introduced as “The Reverend Monsignor (First and Last Name).” He should be directly addressed as “Monsignor (Last Name)” or simply “Monsignor,” – or, on paper, as “The Reverend Monsignor (First Name and Last Name).”

Note that, as with a Priest, you should stand when he enters a room (until he invites you to sit) and again when he leaves it.

How To Address Catholic Clergy continued

Address a Bishop: During a formal introduction, a Bishop should be introduced as “His Most Reverend Excellency, (First and Last Name), Bishop of (Location).” He should be directly addressed as “Your Excellency” – or, on paper, as “His Excellency, The Most Reverend (First Name and Last Name), and Bishop of (Location)”.

Note that you should stand when he enters a room (until he invites you to sit) and again when he leaves it. Remove your hat in his presence, and you may kiss the sacred ring during both the greeting and the closing. If he is your own Bishop, you may kneel when kissing the ring (though bowing at the waist is also acceptable); however, do not do either if the Pope is present.

Address an Archbishop: During a formal introduction, an Archbishop should be introduced in the same way listed above for a Bishop.

However in some parts of Canada, especially in the West, it is common practice to address an Archbishop as “His Grace”. In this case, during a formal introduction, an Archbishop could be introduced as “His Grace, (First and Last Name), Archbishop of (Location).”

He could be directly addressed as “Your Grace” or “Archbishop (Last Name),” – or, on paper, as “His Grace, The Most Reverend (First Name and Last Name), and Archbishop of (Location)”.

Note that, as with a Bishop, you should stand when he enters a room (until he invites you to sit) and again when he leaves it. Remove your hat in his presence, and you may kiss the sacred ring during both the greeting and the closing. If he is your own Archbishop, you may kneel when kissing the ring (though bowing at the waist is also acceptable); however, do not do either if the Pope is present.

Address a Cardinal: During a formal introduction, a Cardinal should be introduced as “His Eminence, (First Name) Cardinal (Last Name), Archbishop of (Location).” He should be directly addressed as “Your Eminence” or “Cardinal (Last Name)” – or, on paper, as “His Eminence, (First Name) Cardinal (Last Name), Archbishop of (Location).”

Note that, as with a Patriarch, you should stand when he enters a room (until he invites you to sit) and again when he leaves it. Remove your hat in his presence, and you may kiss the sacred ring during both the greeting and the closing. If he is your own Bishop, you may kneel when kissing the ring (though bowing at the waist is also acceptable); however, do not do either if the Pope is present.

Notice from the editor—new submission guidelines

I wanted to clarify the article submission policy and deadlines so that everyone has the same understanding. I am also changing the policy on the In Need of Prayers submissions to ensure the list stays current, more details below.

If you want an article to be put into the bulletin, you should notify me no later than the 25th of the prior month. If you are a State Officer or Chairman, I send a reminder notice on the 25th and I reserve space for you. If you are not a regular contributor, it is vital that you notify me so I can plan ahead and adjust the layout.

Articles are due on the first business day of the month, with a few exceptions for some State Officers who must gather information from Supreme that is not published until the first business day and must be worked into their article. If you send me an article later than the first, I will do my best to include it but it may have to wait until the next month's edition.

Please feel to contact me if you want me to assist you in writing the article, I want as many voices to be heard as possible and don't want to miss out on folks whom might not be comfortable with writing an article.

We are implementing a new policy for the In Need of Prayers and In Memoriam Notices, so that we stay current on the prayer list. Several times in the past month I have received notice from Councils that their list is outdated and in one case a person was still listed as needing prayers several months after their death. To avoid future issues, the new policy will refresh the In Need of Prayers notices section every three months. In Memoriam notices are only for that one month, so no change is needed. This policy will go into effect for the December bulletin.

In Need Of Prayers Policy

The Financial Secretary of each Council should send a monthly report to me at bulletin@kofc-wa.org with the members of the Council and family whom need prayers. Many Councils already do this and I would like to thank those whom do, it makes this job a little easier. Notices should be sent to me by the first business day of the month for inclusion into the current issue of the bulletin. Notices received after that may have to be included in the following month's bulletin due to the publication deadlines. Notices can remain for up to three months if I do not hear from the Council, but the whole list will be refreshed every three months.

In Memoriam Policy (no changes)

The current State policy is for the Financial Secretary to send death notices to the State Secretary at StateSecretary@kofc-wa.org. Required information includes name, membership number, Council, date of death, next of kin and address, and if the member held any leadership positions in the Order.

The State Secretary then forwards the information to the bulletin editor, to the State Necrology Chairman for inclusion in the Necrology Mass at the State Convention, and finally to the Executive Director so that a condolence card can be sent out to the next of kin.

Thanks for your understanding and let me know if you any questions. Vivat Jesus!
