## Installation of Officers and District Deputies Holy Apostles Church in Eastern Wenatchee, WA Summer Leadership Meeting, July 11-13, 2003

The Summer Leadership Meeting conducted in Wenatchee in early July was the "kick-off" to the fraternal year 2003 – 2004. The registration list showed that nearly 100 of the 127 councils were represented at this meeting. Highlights of the meeting included the presentations on Goal Setting by the State Deputy, Membership & the statewide Membership Drive by John Walker, Recruitment by Dave Bailey & John Alexy, the Grand Knight's Interview, Protocol & Tradition by Hal Westby, General Program Review and a Ladies Coffee with an interesting presentation from Father Tom Kuykendahl. During the weekend, FS Mark Davis conducted an informative and well-attended Financial Secretaries training session. Saturday Mass was held at Holy Apostles in East Wenatchee and followed by the installation of State Officers and District Deputies. Immediately afterward, attendees convened for a luau buffet and awards presentation. New fraternal year information packets were made available to councils during registration. This information included updates to the GK Handbook, the new State Directory, 100th Convention Proceedings and general program information. Packets were given to the District deputies for those councils not in attendance. If you have not received your information, please contact your District Deputy to obtain this information.

The Washington State Council congratulates and thanks Wenatchee Council 1545 and GK Bob Foster, East Wenatchee Council 13186 and GK Wade Walden, and

District 10 and DD Deacon Bill Loranger for their support in hosting this meeting. Thank you brother knights for a job well done!

## Message From the State Deputy

I believe that the just concluded Summer Leadership meeting was an energetic and positive start to the fraternal year. We had excellent representation from the councils throughout the state. It was very pleasurable for me to renew old acquaintances and more importantly, to establish many new ones. It's quite obvious that we Knights draw our energies and strength from the many things we share with one another – including Faith, Family and Fraternity. And being members of the body of Christ makes it that much more enjoyable to be united. I thank you for your attendance at the summer meeting. I thank you for the commitment and contributions you shared. I believe that your attendance and efforts at the meeting helped make this a good start to the year. You reaffirmed for me the fact that it is a great time to be a member of the Knights of Columbus, and especially here in the jurisdiction of Washington.

At the Leadership meeting, we discussed the importance in establishing a set of goals for the fraternal year and a plan to

achieve these goals. During the meeting, I asked the grand knights to share with me on paper their goals for this year. When I returned home after the meeting, I reviewed the goals that were submitted. I was impressed with what I read. It is great to see that Grand Knights have a solid sense of what they need to accomplish to be successful in their job as council leaders.

As you know, if the key to success was just as easy and simple as writing down on paper our goals, we'd all be successful without needing to leave the comforts of home. However, the list of goals is only a guide and game plan. The list needs not only to be studied often, but it also needs to be "worked" during the year. I spoke with a number of knights during the meeting weekend and I received a number of notes and e-mails afterward indicating that they are highly charged and raring to go. What I heard from many was that it's not an issue of **"If we can..."** rather, **it's a commitment of "We will ..."**. With that type of attitude, I am optimistic that when the year is completed, these knights and their councils will be able to look back at a year passed and be pleased with what they accomplished. This is the right attitude and the right approach to being successful!

This month Knights of Columbus from every jurisdiction will convene in Wash-

ington DC for the 121<sup>st</sup> Annual Convention. Our jurisdictions delegation of 9 representatives, selected during the recently concluded Washington State convention, will travel east to deliberate in the business of the order. Following the convention, a Eucharistic Congress with the theme *Drawing Life from the Eucharist* will be held at the Basilica of the National Shrine of the Immaculate Conception in DC. I am looking forward to both meetings and in representing the state of Washington. I hope to have information to share with you in next month's newsletter on the Supreme Convention and Eucharistic Congress.

By now councils should have scheduled or should be scheduling their Installation of Council Officers with their District Deputy. This is an important ceremony that should not be overlooked. There are a number of councils that schedule the installation around something that has the family oriented – and this is an excellent idea! I strongly encourage this. Some have scheduled the installation after Sunday Mass. Others have held a family potluck following the ceremony. I've even seen the installation conducted at a picnic. Whatever your venue, if you haven't scheduled your installation of council officers, please contact your DD to help arrange this important ceremony. And

## Volunteering or Living Out Our Baptismal Commitment? by Fr. K. Scott Commolly

Recently we had an appreciation reception for all of the volunteers in our parish who have committed their time and energy in the past year, serving as liturgical ministers, catechists, and leaders in our various missions and activities. At the beginning of the program, I mentioned that in a very real way **there is no such thing as a volunteer in the Catholic Church.** We are all being called to live out our baptismal commitment and we are being called in many different ways.

It is always important for us to recognize those who so faithfully continue to enrich our parishes by the service that they do. None of them want or need recognition. None of them ask for that extra pat on the

back, but all of them deserve it. I want to publicly thank all of those Knights of Columbus who have helped to make our parishes the beautiful, warm, hospitable place they are. To those of you who share in public ministry, (i.e. Liturgical ministers, homebound caregivers, Religious Education teachers, etc.) thank you for the witness that you are of Christ's ongoing presence to

our parishioners. To those of you involved in the social justice arena, (i.e. Commissions, St. Vincent de Paul, KC's, Birthright, and so many others) thank you for extending

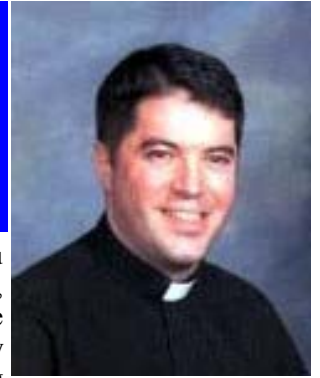

Christ's healing presence to the wider community. And to those of you involved in the more quiet and behind-the-scenes activities of our parishes (those who help clean, and beautify our parish inside and out, those who help with mailings and count money, those who contribute so much that is unseen) thank you for being the glue which holds us all together.

People don't realize how much goes on in our parishes that goes unseen and sometimes unappreciated. We want you to know that you are appreciated. We remind ourselves of the scripture passage of Jesus himself which says that all those things which go unseen by others are seen by our heavenly Father. We don't do these things for the recognition of others, we do them because they're the 'right thing' to do and we are called to do so by God. Thank you, brother Knights, for all you do for your parishes—seen and unseen. We know that all is seen by God.

Your in Christ

## NEW PRO-LIFE INITIATIVE LAUNCHED

### 'BUILDING A NEW CULTURE OF LIFE' THRUST OF GRASSROOTS PROGRAM Article taken from Knightline July 5, 2003

A new video is part of an extensive training program for Knights of Columbus pro-life chaircouples being rolled out this summer. The program is called "Building a New Culture of Life." The video instructs grassroots leaders on how to communicate effectively the pro-life message and how to mobilize action on pro-life legislation. "We are entering a new, higher level of involvement in the pro-life movement in the United States and throughout the world," said Supreme Knight Carl A. Anderson. "The need is urgent and our timing is on target." As councils line up program personnel for the new fraternal year, Anderson advises grand knights to select a dedicated couple to chair the council's pro-life activities. "We will be playing a key

role in pro-life action in the coming months," said the supreme knight. "We need prolife leaders who can get the word out and inspire others to action for life. "We have been fighting for the pro-life cause for 30 years and we will continue to fight," Anderson said. "We have a great privilege and a responsibility as citizens and as Knights to speak out for life." Videos and supplemental materials were shipped from the Supreme Council office in late June to all pro-life chaircouples of record. Regular

"Legislative Alerts" on key issues will be forthcoming. "Building a New Culture of Life" will focus on the United States in the short-term. "We are monitoring legislation in all countries where we have members," Anderson said, "but the next few months are especially critical here in the United States." Plans are to expand the program to Canada, Mexico and the Philippines in the future. "Pope John Paul II has asked Catholics to begin a 'Great Campaign for Life.' This is a request the Knights of Columbus is taking very seriously," Anderson said.

## Message from Vocations

Grand Knights and Program Directors left the summer meeting all enthused and primed for a successful year – at least, that is the hope of those of us who came a long way to provide the training. It was indeed a pleasure meeting so many of you, and renewing old acquaintances. I am enthused at hearing that so many councils will be supporting a seminarian during the fraternal year. Your generosity toward the magic “penny finder” produced over \$140 for the Pennies for Heaven fund.

I’m glad to be “back in the saddle” as the Beggar for Christ. Really, I very much missed visiting councils during the past two years, missed the opportunity to present the Vocations program to the councils. Even though I cannot be present at every council in the state, I can be in your penny barrel – and every Grand Knight received a personal check from me for \$3.65 for that purpose. Please cash the checks promptly.

At the summer meeting, I unveiled a new and exciting program in support of RSVP, called the “Eleven Club”. Here’s how it works:

After Holy Thursday, the eleven remaining Apostles exercised their apostolic authority and went in search of a twelfth. The Bible tells us that we share in the royal priesthood of Jesus Christ. If eleven of us exercise our part in the royal priesthood of Jesus Christ by contributing a dime per day - \$36.50 – we could raise \$401.50, which is just over the net amount that it costs a council to sponsor a seminarian through the RSVP program.

That, my Brother Knights, in a nutshell is the substance of the “Eleven Club”. Here’s the beauty of it – a council can have as many “Eleven Clubs” as they wish! Start one now in your council or assembly!

## State Deputy’s Message (continued)

*(Continued from page 2)*

consider inviting the family to be part of the day.

One idea that was mentioned to me during the summer meeting relates to the need for new council officers to better understand their responsibilities as they take office. Some members who are just new knights might not know of the responsibilities of their positions that they may have been asked to serve. Although some of this is mentioned during the installation ceremony in a more formal way, there are still many questions that come up with respect to each chair position. As an example, what is the chancellor’s main area of responsibility to council members? And why? What should an advocate do? Should our council have a lecturer? Does the outside guard really need to guard the parking lot? Why not ask your DD to spend time with you and your council officer’s at your next officer’s meeting discussing this. Better yet, at the next District meeting, invite all your council officers and have your DD provide an overview of the various responsibilities of the positions in the council. This not only helps strengthen your officer’s commitment to their position, but you might learn of how other councils delegate responsibilities within their councils.

In closing, you may recall Hal Westby’s

talk during his presentation at the summer leadership meeting. He shared the story of the ship at sea signaling for information as to their exact location from another passing ship. The second ship seeing the signal asked the first ship if they knew where they were headed. The first ship responded that they were not certain about their heading. The second ship responded by asking “Why then is it important for you to know where you are?” “With one month of the fraternal year just completed, as council officers and leaders, you should be asking yourself where are we in our plan to achieve our goals for this fraternal year? Are we or am I on target? Do I know where I am headed? Have I started as effectively as I can? These first few months of the fraternal year are too important to let slip by without proper attention. And I repeat this for emphasis: **These first few months of the fraternal year are too important to let slip by without proper attention. Take the time to access where you are** in your plan and on your road to success.

Vivat Jesus,

*Pat Maloney*  
Your State Deputy

## Barnstorming for Our Bishops!

Are you preparing for the Barnstorming for our Bishop's Membership Drive - October 18 & 19! Phase I is preparation. You should be doing the following:

- Step 1 - Obtain the Pastor's Permission to conduct the drive that week-end
- Step 2 - A little preliminary advertising... in you council's newsletter.
- Step 3 - Order your Membership Recruitment Supplies from the Supreme Council Supply Department - allow 4 - 5 weeks for delivery.
- Step 4 - Line up several council members to assist. Can Father help as a Membership Drive Assistant?
- Step 5 - Talk to your Filed Agent - get him on board for your drive and your planning!

What is your plan for that membership drive weekend?

## Summer Leadership Meeting

The Summer Leadership Meeting conducted in Wenatchee in early July was the "kick-off" to the fraternal year 2003 - 2004. In review of the registration lists, nearly 100 councils were represented at this meeting. Highlights of the meeting included the presentations on Goal Setting by the State Deputy, Membership & the statewide Membership Drive by John Walker, Recruitment by Dave Bailey & John Alexy, the Grand Knight's Interview, Protocol & Tradition by Hal Westby, General Program Review and a Ladies Coffee with an interesting presentation from Father Tom Kuykendahl. During the weekend, FS Mark Davis conducted an informative and well-attended Financial Secretaries training session. Saturday Mass was held at Holy Apostles in East Wenatchee and followed by the installation of State Officers and District Deputies. Immediately afterward, attendees convened for a luau buffet and awards presentation. New fraternal year

information packets were made available to councils during registration. This information included updates to the GK Handbook, the new State Directory, 100<sup>th</sup> Convention Proceedings and general program information. Packets were given to the District deputies for those councils not in attendance. If you have not received your information, please contact your District Deputy to obtain this information.

The Washington State Council congratulates and thanks Wenatchee Council 1545 and GK Bob Foster, East Wenatchee Council 13186 and GK Wade Walden, and District 10 and DD Deacon Bill Loranger for their support in hosting this important meeting.

Thank you brother knights for a job well done!

## Keep Christ in Christmas Cards

The "Keep Christ in Christmas" Card Sales Program is a simple and easy program to conduct and an excellent fundraiser. Since Christmas comes up rapidly, planning ahead is required to be successful. To help you, Grand Knight to get started the following suggestions are given.

1. Talk to your Pastor. Explain the program and let him know where the profit will go or offer it to the Church.
2. Discuss the KCIC program with your Brother Knights. Explain that this is a great way to expose members of the parish to the Knights of Columbus.
3. Appoint a KCIC Chairman; have him form a committee to assist in the sale of the cards. Submit the form that was in the packet you received at the Summer Meeting with the name of

the Council Chairman.

4. Read the instructions and guidelines on KCIC found in the packet you received at the Summer Meeting.

### 5. Order your cards early.

6. Any questions please contact me. Don't wait and buy the Cards like you buy your Wife's Christmas present. Please note the small change to my address (add "St" before Ct) and the new Email.

## The Value of a Member

Ten little members standing in line. One disliked the president, then there were nine.

Nine ambitious members offered to work late. One forgot his promise then there were eight.

Eight creative members had ideas as good as heaven. One lost enthusiasm, then there were seven.

Seven loyal members got into a fix. They quarreled over programs, then there were six.

Six members remained with spirit and drive. One moved away, then there were five.

Five steadfast members wished there were more. One became indifferent, then there were four.

Four cheerful members who never disagree. 'Til one complained of meetings, then there were three.

Three eager members! What will they do? One got discouraged, then there were two.

Two earnest members, each enrolled one more. Doubling there number, then there were four.

Four determined members just could not wait. 'Til each won another, then there were eight.

Eight excited members signed up sixteen more. In another sixteen verses there will be....A thousand twenty-four.

are being confirmed.

Let's get your circles to attend. We need more representation.

Reserve April 24 on your calendars for Squires before your schedules get filled! Our boys deserve it.

Thanks,

## Pope John Paul II

A quote dated Dec. 1, 2002 on the first Sunday of Advent

"God is the future of the human person and of the world. If humanity loses the meaning of God, it will close itself to the future and inevitably lose the perspective of its pilgrim journey in time. Why birth, why death? Why sacrifice, why suffering? To these questions, Christianity offers a satisfying answer. For this reason, Christ is the hope of humanity. He is the true meaning of our present, because he is our sure future."

## Why is Human Life Sacred?

Human Life is sacred because it belongs to God. He is the origin of human life, not only as the Creator of the universe but as the One who creates each human soul out of nothing at the moment a child is conceived. He is the Provider of human life from its first moment of existence in the mother's womb until a person enters eternity. He is the Destiny of human life, because it is in Him that we shall find that perfect happiness for which we were made!

## Message from State Squires Chairman

At the 100th Knights of Columbus State Convention, our newly elected State Chief Squire addressed the attendees. Josh Markwith did an excellent job in front of this large group. He will lead us well this year as our Chief Squire for the state. Josh had some pointed questions for us Knights. To paraphrase: 1) Of the 127 councils in the state, why do only a few support Columbian Squires Circles? 2) Of those councils that used to support a circle, why do you no longer support one? 3) Of those councils that sent an intent to form a circle, why is that process stalled?

Save a few, ALL councils fall into one of those three questions. Why?

Both Josh and/or I will be happy to talk to all that are interested to pursue forming or re-activating a circle. We have ideas and information to aid this process. Try us.

The State Squires Convention will be held on April 24, 2004. It will be hosted by St. John Neumann Columbian Squires Circle #2666 from Lynnwood. Facilities

## WANTED: Bids for the Bowling & Golf Tournaments

These tournaments were formed for the purpose of promoting, encouraging and fostering among the members a spirit of friendliness and good will, and for maintaining and increasing the interest in bowling and golf.

The following is a list of some of the items to consider should your Council decide to consider hosting either of the tournaments. Please refer the Grand Knight's handbook for all the details.

### Golf

- Secure a golf course in writing for the last full weekend in June
- Host the tournament on Saturday for the best participation

### Bowling

- Secure a bowling establishment(s) in writing for the last full weekend in April
- Use a bowling center(s) with at least 24 lanes

### Secondarily

- Secure a hotel(s) in writing with a good room rate
- Tournament program (optional)
- Banquet (optional)

If interested in bidding, the Council must submit a letter to the State Deputy or State Secretary on Council stationary, signed by the Grand Knight and the Financial Secretary and with the Council seal. Time is of the essence.

*John Rowley*

Sports Chairman

## Monthly Service Report

The first Monthly Service Report is due on or before September 10th and covers the months of July and August. This year's report has changed. Do not use last year's form. Your Grand Knight received nine copies of the new report at the Summer Leadership Meeting. It will also be available on the State's Website before September 1st.

Get an extra 45 points -- submit the first eight reports on or before the 10th of the month following the month reported on (except the first report covers July and August). The report for April is DUE on May 1st. I look at postmarks and the website form automatically puts in the date and time the form is sent.

A clarification has also been made on the report form. A council will get 50 points for having a certified First Degree team, even if they do not give a 1st degree all year (see your DD for certification). The council will get 5 points whether their team give a 1st degree for their council, another council, or for district-wide degree. Five point a month only though, no matter how many times a month -- just think of those degrees as extra practices and remember, your candidates profit and you just might find your team as the "Best of the Best" come next year's convention.

Participating in the state's membership

drives, "Barnstorm for the Bishops" will give your council almost 10% towards the 1000 point club. The council receives 30 points for holding a Barnstorm for the Bishops on the weekend of October 18-19, 2003. Holding one one March 27-28, 2004 will give you 30 points and you will receive an additional 30 points for holding both of them (there is no place for checking this one - you will automatically receive it).

Two items in previous years have been combined. "Pray the Rosary each Month" and "Inviting a Priest to a family dinner" have been combined. Five points only for either or both.

Two other categories requires two separate actions: 1) Round Tables. You must submit the form establishing the Round Table "Report of the Round Table Coordinator (Form 2629)" and "Annual Report Knights of Columbus Round Table (Form 2630)" to get the 45 points. 2) Requesting a "Free Throw Kit (FT-KIT)" and submitting its Participation Report (FT-1)" is required for the 10 annual points.

State Warden

## State Ceremonial First Degree Competition

Is your Council prepared to participate in the State First Degree Ceremonial Competition? Is your team ready to compete for the *Best of the Best* Award? Do you need more information about this competition? Talk to your District Deputy who has all the information you need to know to participate. Competition at the district levels should be starting soon. Get in the Game – Talk to you DD!

## International Free Throw Contest Winner

Congratulations to Justin Ryan of Mill Creek, Washington for being declared an international champion of the 2002 – 2003 Free Throw Basketball Championship. Justin's first place finish was the result of his registering the highest score among results received from the United States and Canadian provinces in his age group. There was over 180,000 young men and women who competed in this year's contest. Ryan shot a perfect 25 out of 25 at the State Finals in Yakima in March! Not only was he perfect in his shooting in the finals, but he also sunk his three warm up shots as well! Congratulations to Justin on this achievement!

**Fraternal Year 2002-2003  
Membership Standings  
As of July 1, 2003**

We ended the fraternal year 2002-2003 with 118% of 500 net gain membership goal. We had a gain of 878, with a loss of 289 for a net gain of 589. We had 11 districts achieve the requirements for Star District. These are districts 1, 3, 12, 16, 19, 20, 21, 22, 23, 24, and 27. We achieved our goal of four new councils and one reactivated council and surpassed our goal of 27 Round Tables by 11 with the establishment of 38 Round Tables.

Washington is one of only seven jurisdictions out of the 69 that achieved Supreme's Triple Crown, membership goal, new council development and round tables. The seven jurisdictions that achieved Supreme's Triple Crown are Alabama, Alaska, Arizona, Delaware, Washington DC, Texas, and Washington.

The five Division Leaders in highest percent net gain and in highest net gain, as of July 1, 2003 are listed below. We have **increased from 42 to 50 the number of councils that have achieved 100% or more** of their membership goal. Of these, 34 councils have achieved both their membership and insurance requirements for Star Council. We have **16 councils with 150% or more of quota**. These are:

**Bothell Council 6686 with 483.3%, Grand Knight Delbert H. Treichel**  
**Tacoma Council 13238 with 420.0%, Grand Knight Richard McEntee**

**Recommended Church Bulletin  
Inserts for the Month of August  
— Respect Life —**

**August 3**—Do we appreciate the miracle of a human life's beginning? Within even a one-celled embryo, the molecules cooperate to form an amazingly complex and dynamic network that has the integrity of an independent organism. As soon as egg and sperm unite and successfully initiate molecular interactions to form an embryo, a new structure and system directs a self-driven, self-perpetuating process that will develop, grow and experience transformation in a seamless unity for the entire span of a human person's life. The system does not acquire any further biological information after the initial fertilization. All of the DNA that designates the unique, non-repeatable characteristics of the singular human being are present.

**August 10**—"We know it is not politically correct to be pro-life; but right and wrong, good and evil, are never revealed in a poll. All human life is sacred." Bishop William K. Weigand of Sacramento

**August 17**—Society advises the pregnant woman to have an abortion. What a choice we made for her. She climbs onto a clinic table and endures a violation deeper than rape and then is grateful to pay for it, grateful to be adapted to the social machine that rejected her when pregnant. Pro-Life feminist Frederica Matthews-Green.

**August 24**—"We must begin with a commitment never to intentionally kill, or collude in the killing, of any human life, no matter how broken, unformed, disabled or desperate that life may seem." United States Catholic Bishops.

**August 31**—None of the medical advances (in curing debilitating diseases) now in clinical trials come from destroying embryos. Rather, these advances use morally acceptable sources such as the patient's own neural stem cells, muscle stem cells and adult bone marrow stem cells for the treatment of various diseases, in addition to the successful use of umbilical cord blood to treat leukemia.
