**NOTICE**

***Nothing is particularly hard if you divide it into small jobs.*** (Henry Ford)

Brother Knights – This is a message of encouragement and hope. We have two more months to meet the membership goal set by Supreme for our jurisdiction. The number of required new members may seem high; however, if we break it down to what is required from each council, it is a very small number. There are 149 councils in Washington State. If each council would recruit a minimum of one new member a month, we would have a total of 298 or more new members by June 30 which would meet our goal. This gives each council 60 days to recruit 2 or more members. Don't limit yourselves to two, because some of the smaller councils may need your assistance.

I need your help to make this happen. I'm asking you and your fellow Knights to make a strong effort to speak to all the church members in your parish, until you find two or more Catholic men to join our ranks as Knights of Columbus.

***The results you achieve will be in direct proportion to the effort you apply.*** (Dennis Waitley)

Recruiting two or more members during the next 60 days should not be a big challenge. The Knight who brings in the most new members between now and June 30 will receive \$50.00. Winners will be selected from the East, Central & West sections of the State, with each area having their own winner. If there is a tie in your section of the state, they will share the \$50.00. Grand Knights will need to inform me of the possible winners of their council.

***Most of the important things in the world have been accomplished by people who have kept on trying when there seemed to be no hope at all.*** (Dale Carnegie)

Get 'er done.

## He has risen!

May has traditionally been designated as the Month in Honor of Mary. She is an integral part of our Catholic Faith. We honor her because she is the mother of our Lord and Savior Jesus Christ.

Unfortunately some of our non-Catholic brothers and sisters think that we worship her and therefore they reject the devotions which we practice to honor her.

I actually had a chaplain tell me that he would "join the Catholic Church today if we would stop worshipping Mary". I replied: "Welcome to the Church. We never have worshiped Mary". He responded; "Don't you tell me what you do"!

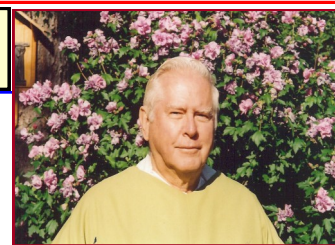

Some people just aren't open to the truth. Mary is our spiritual mother. Jesus entrusted her to the apostle John and through him, to us. Also He entrusted us to her; "Mother behold your son". We honor her by saying the Rosary and by having May Crowning's.

Definitely Christ is our mediator with the Father but Mary is the most powerful intercessor with her Son.

Holy Mary, Mother of God, pray for us sinners now and the hour of our death.

Yours in Christ,

## Message from State Deputy, John Wallace

### A NEW CULTURE OF COUNCIL LIFE

I've been asked the question: "What makes a great Knights of Columbus council?" To answer the question fairly, we can take a look at what a weak council looks like. Usually meetings and programs are poorly attended and most members could care less about being a part of the council. Instead of giving all the reasons why this happens, which are mostly negative; let's take a look at the positive things that take place in a great council.

Grand Knight, Dwane Berens of Council 8872 in Colbert tells me, "The Knights of 8872 have created a New Culture within our council and church community, and, as we go forward, our goals will be to continue on, helping God do his work in strengthening of our Faith, Brotherhood and Christian Way of Life."

How did this Grand Knight create "a New Culture" within the council? It was very simple. He invited all council members, by letter, to fill out a survey and to attend a meeting to find out what the members wanted to see in their council. He took notes, gathered his team and went to work, and, as he says, "Hard work has- tens rewards." The Power of Ten played a major role from the beginning.

Being a great Knights of Columbus council does take work. The "Power of Ten," making use of the "Surge of Service" book and an attitude of getting it done are a great beginning. Ensure the meetings are run by the book and protocol is followed. Have new candidates attend a special meeting before their first degree to understand what the Knights are all about.

Changing the culture of your council rests with you, new Grand Knights and Council Officers, as you take on the responsibilities of leading your council this coming year. Make this your priority, to get 'er done and make all the council members proud and excited to be a Knight of Columbus.

St Joseph: Pray for us.

## General Program Director Messages

Worthy Brother Knights,

This is my last article as your State Warden. It has been a great honor and, if you can put up with me, maybe next year I'll have a new job and title. We'll see how the election goes...**pray for me**...that's code for **vote for me**!

I am in the throws of the upcoming Convention...my favorite and busiest time of the year. I really enjoy tracking all of your accomplishments throughout the year with the State Deputy's 1000 Points Club Monthly Service Program Reports, but to actually read the Awards write-ups is the best. It never ceases to amaze me how much we do for our fellow man. We truly are about God's Work and I'm proud of each and every one of you, my brothers.

Worthy Council Program Chairmen, remember that the **April Service Program Report is due MAY 1, 2011**, so that I can do the final tallying and prepare the 1000 Points Awards in time for the Convention. I won't have time for late entries with all that needs to be done before the "BIG SHOW".

53 Councils submitted their Service Program Report for March so far. They are:

676,763,766,1327,1643,3307,3361,3598,4196,4322,4782,5177, 5495,6686,6806,7863,7908,8102,8179,8201,8437,847,8872,9237, 9238,9617,9664,9833,9941,10532,10543,10653,11217,11357, 11478,11642,11762,11780,12273,12483,1259112899,12983,1318 6,13364,13374,13395,13560,13606,1379414268,14394, and 14510.

In case you are wondering, I can tell you that 11 councils have already made the 1000 Points Club for the year. I can also tell you that there are another 10 or so councils that are within striking distance, but they must submit their last reports to make it. Council Program Chairmen, your council is counting on you! Submit the reports and let's have a happy ending to this year!

Thank you all for participating, for doing God's work, and for allowing me the privilege of being your State Warden and General Program Director.

God Bless You! Each and Every One of You!  
Your friend in Christ!

## **TO: Knights of the Washington Jurisdiction**

### **RE: BISHOP'S CAMPAIGN**

I have been advised that Fr. Darrin Connall, Rector of Bishop White Seminary, will be moving on to a new assignment in the coming weeks. His 11 years as Rector is the longest term in Bishop White Seminary history. During his tenure he undertook the building of an entirely new seminary building, and he is credited with the vision for much of the architectural changes especially in the exterior roof and chapel designs as well as obtaining the religious artifacts for the chapel entry, nave and other areas.

We, as his fellow Knights, owe him our sincere thanks and deep debt of gratitude for his campaign to undertake this new construction that will serve seminarian formation for the next 100 years; and, as your Bishop's

Campaign Chairman, I call on all councils to make a concerted effort to offer their pledge and make payments thereon during the last days of Fr. Darrin's tenure and before the close of the upcoming State Convention. He is a Brother...a Knight of Columbus!

As you know, only 45 councils have made pledges or single gift offerings to date. We have also received gifts from four (4) KofC families and one (1) Assembly. Can the other 104 councils offer their gift no matter how modest to the Bishop's Campaign, and the councils that were recently instituted since the Campaign began? Our new Bishops and Archbishop deserve our unified support in assisting them in retiring the remaining construction debt.

Our gifts offered total \$53,016.25, and the sum paid is \$31,217.00. As your Campaign Chairman, I call on every individual Knight to make their fraternal voices heard within their respective councils; and I also call on all Knight Families to search their hearts and make a personal family offering too. If you collectively reach the \$150,000 level by the close of the State Convention on Sunday, Sharon and I will personally offer \$500.00 again. We can and will do this together...in unity and in charity.

Vivat Jesus!

Yours faithfully in Christ,

*George Czerwonka, Chairman*

## COMMUNITY CHAIRMAN

**As** I mentioned in one of my letters in the State Bulletin this past year, your communities have offered limitless opportunities for your councils to shape the world around you. Your presence and council-sponsored program activities have had huge impacts in local communities across the state. There is nothing we can't accomplish when our collective efforts are united in the pursuit of a common purpose.

So far, I have received a number of outstanding Service Award submittals that are worthy of winning the Community Service Award for the Fraternal Year for 2010-2011. These noteworthy projects are diverse and varied and included:

Support to food banks and soup kitchens

Fund-raising pancake breakfasts and dinners for many worthy causes and organizations

Community celebrations and meals to honor our Seniors, Active Duty members and our Clergy and Ministers

Sponsored festivals and other community events that brought positive attention and good will to our Brotherhood and the Catholic Church

Highway cleanup activities

Community blood drives

Support to food banks and soup kitchens

My Brothers, keep up the good work!!!! You make us all proud to be Knights!!!

The key state program that I have been promoting this past year is the **"FOOD FOR FAMILIES"** Program. In today's tough economic climate no greater need exists than to help those who, day in and day out, reach out to food banks, soup kitchens, and other community agencies to feed themselves and their families.

Robert Ennis, Director, Fraternal Operations & Programs did announce some change to the Food For Families Program this past January. Brother Ennis reported that our Supreme Knight has approved an allocation of \$250,000 in support of this worthy program. In order to qualify for our share, at least 35% of councils in our jurisdiction must report a qualifying program in order for us to receive our share of this allocation. This is an increase of 10% over last year so we will really need support of every council with a qualifying program to meet this new challenge.

So far, I received reports from 30 councils which reflects ~ 20% participation across the state or about 56% of our goal (52 councils) so we have a long way to go. The deadline for your submittals is May 15, 2011 so please get your forms to me soon so our

State can receive its credit with Supreme and for your council to get points toward your goal to be part of the 2010-2011 1000-point Club. I'd be very pleased, as would our State Deputy and Officers, if the State can reach our goal before or on Sunday of the State Convention Weekend in Vancouver.

My Brother Knights, thank you for all you do in the service of your communities. God Bless and congratulations on your worthy achievements.

Vivat Jesus,

Brother Knights,

May the blessings and graces of Easter be upon you and your families.

I would like to extend a deep and sincere thank you to all of you and the rest of our Brother Knights in making the 2nd, 3rd and 4th degree exemplification possible for Fr. Negusse and Brother Jatin. Over the past week, Jatin has expressed to me the joy and pride as a result of this very special event. Thank you all for making this event possible.

## MESSAGE FROM THE CHURCH CHAIRMAN

Worthy Brothers,

I want to thank the 19 Councils that submitted a Church Service Award report recently. From these reports will emerge the winner of the Church service award that will be presented at the State Convention this month. It was heartwarming to read about the things that were being done for our Church. I know that the remaining councils that did not submit a report do as much for our church and it is too bad that they do not choose to be recognized. It was a difficult task for me to select the finalists in this competition. There were so many deserving councils involved.

The things that we do for our Church are tremendous and are done on a daily basis in our councils. I would like to offer some suggestions for our councils pertaining to the submission of reports in the future. The main thing is that a report be submitted. You do so much for the Church, so you should tell our membership some of the things you do. When you do submit a report, send some pictures of the activity. Sometimes pictures will tell us a lot about a project. Another thing that I would suggest is that you should go into a little more detail in describing your activity. I will relate an incident that occurred when I was in charge of making sure our councils reports were done and sent in on time.

I was near the deadline for our reports and was really laboring one evening. My wife asked me what I was so disturbed about. I explained to her the process about the submission of reports and the difficulty about remembering the details of the activities that took place earlier in the year. She then asked me this question: "Why don't you write the reports at the time of the project? At the very least you should write down the details of the activities when they are fresh in your mind. Then, when the reports are due, you won't have to scramble around at the last minute." This was great advice. The following year, I tried to follow this plan, and it worked very well. I also made sure that there was a camera available at our activities. My stress level decreased considerably during the time the reports were due.

One of my brother Knights in our council once said, "We Knights always work better under pressure." I think that there is some truth in this, although I think that the comment was made with tongue in cheek. It will work out well for you if you plan ahead on your reports in the future. Determine which projects should be submitted for the various awards and concentrate on them.

Thank you for all you do for the Church.

Faternally,

*Joseph Carson,*  
*State Church Chairman*

## Family Chairman's Message

With the convention coming up shortly, State Deputy John Wallace will have a difficult time choosing from among the several outstanding entries for the Family of the Year and Family Activity of the Year awards. I was truly impressed with the variety of family activities nominated, as well as the nominees for the title "Family of the Year". At the upcoming annual awards banquet, I will be presented with a sealed envelope containing the announcement of the winners.

While our time on earth may be short, daily life with our families can have an effect lasting for generations. Make the effort to ensure quality time spent within the family circle. Above all, set the example for your family through prayer and attendance at weekly Mass. I was blessed with in-laws who set that kind of example – every evening, recitation of the rosary was part of the family tradition – and a part of our prayer life worthy of consideration.

James Shields Assembly in Seattle celebrated 100 years of service on April 30<sup>th</sup> by attending Mass at the cathedral followed by dinner at Seattle Council 676. Among the guests in attendance were Past State Deputies John Walker and Karl Hadley. PSD Hadley currently serves as Master for the Fourth Degree in the State of Washington.

The evening's program included a short biographical sketch of James Shields, who holds the distinction of being the only person ever to represent three states as a United States Senator. Past Faithful Navigators in attendance were honored with certificates acknowledging their leadership roles in one of the oldest fourth degree assemblies in the Order.

Congratulations are also due to the 41 Sir Knights who were exemplified in Lacey on April 9, 2011. The class of candidates included a priest, two deacons, and a seminarian!

There are only two exemplifications remaining this fraternal year.

The **last Fourth Degree Exemplification in Western Washington** will be held **May 21, 2011, in Auburn** at Holy Family Parish hosted by Bishop Thomas E. Gill Assembly 1955, Faithful Navigator Vince Mansanarez (253-719-0202). **The Honoree is Tony Robinson.** (Degree requirement = 1st degree on or before November 20, 2010.)

The **last Fourth Degree Exemplification in Eastern Washington** will be held **June 11, 2011, in Spokane** at St John Vianney Parish hosted by John J Mertens Assembly 2414, Faithful Navigator - Ed Schiffner (509-928-3525). **The Honoree is Thomas J. Sokol.**

### *Patriotic Quotes*

Two hundred and thirty-six years ago, on April 19, 1775, the first shots of the Revolutionary War were fired during the **Battles of Lexington and Concord** in Massachusetts. The battles were a victory for the Colonials, forcing the British troops back to Boston.

Ralph Waldo Emerson wrote "Concord Hymn" in 1836 for the dedication of an obelisk, a battle monument in Concord, Massachusetts that commemorated the men that gave their lives at the battles. The first verse is:

By the rude bridge that arched the flood,  
Their flag to April's breeze unfurled,  
Here once the embattled farmers stood,  
And fired the shot heard round the world.

Another poem, written by Henry Wadsworth Longfellow on April 19, 1860, was first published in 1863 to rally patriots to enlist in the Civil War.

Listen my children and you shall hear  
Of the midnight ride of Paul Revere,  
On the eighteenth of April, in Seventy-five;  
Hardly a man is now alive  
Who remembers that famous day and year.

\*\*\*\*\*

So through the night rode Paul Revere;  
And so through the night went his cry of alarm  
To every Middlesex village and farm,---  
A cry of defiance, and not of fear,  
A voice in the darkness, a knock at the door,  
And a word that shall echo for evermore!  
For, borne on the night-wind of the Past,  
Through all our history, to the last,  
In the hour of darkness and peril and need,  
The people will waken and listen to hear  
The hurrying hoof-beats of that steed,  
And the midnight message of Paul Revere.

So, today with our religion, our culture, and our society under unceasing secular attack as never before, we have seen the signal light in the church tower.

We have to ask ourselves if we are ready to confront these secular challenges to our nation in this, our hour of darkness and peril and need.

Will we be remembered by future generations as that "cry of defiance, and not of fear," that "voice in the darkness" that "shot heard round the world"?

The fate of a nation was riding that day. It rides again today!

## District Deputy Director Message

Brother Knights:

As we prepare for the State Convention this month, we will be reminded that we still have goals to attain for the rest of the year. I started thinking about this and as DDD I remembered a little about an article I read about three years ago which reminded me of the reason that we have a position such as this. My old philosophy has been, if it isn't broken don't fix it and if u need to add spokes to a wheel that is strong but will make it stronger, so be it. Also, I see so many take credit for what others did in the past or have lead through example only to say this is my thunder and look at what I succeeded in doing, this is not my way. When PSD Pat Maloney served as DDD, I remember this article because of its meaning and as I look back now, it really brings back what we started with back in July of 2010 and where we hope to be 1 July 2011. The following is what he wrote for the State Bulletin back in May of 2008, which still has strong meaning today, so I will repeat part of the article for you. (reprinted but with edited areas).

A Time to Review...

During the summer leadership meeting in July 2010, we discussed the Keys to Being a Successful District Deputy. (Our discussion centered around these areas but not exactly in the same context). These Keys were outlined in the DD Handbook that each of you was given during the training session. (Do you still have the Handbook)? These keys were discussed in detail during the training session. Each year, the State Convention provides an opportunity to review where we stand to date as to regards of what we discussed. I might suggest that this would be a good opportunity to review where you are at this time with these Keys as you have served as DD this year. Remember these keys pertain to your councils and your district.

Positive and Expectant Attitude  
Clear and Distinct Goals  
Leadership Training – Coaching and Mentoring  
District Meeting and Council Visitations  
District Planning  
District Warden  
District Ceremonials  
Communications (My number 1)  
Fraternal Year Planner  
Patience and Prayer

After your review of these Keys, how did you do this year? I'd be interested in hearing from you on this. I know that as DD Director, I have used a lot of prayer and I could have used a little more patience this year! Please feel free to let me know if you believe that there might be other measures of success that affect your job as DD.

District Meeting.... You have one more important month to complete those keys discussed above.

Following the convention this month, I trust that you are planning

your last fraternal year District Meeting with your councils. This should be the time during which you are promoting finishing the year strong. Here are a few agenda items that you might consider discussing:

Semi-annual report Form 944B. This report is extremely important whether you are coming back or stepping down as DD. This will give you a start on the new year and what needs to be done or it will let your replacement know what areas of each council is needing immediate attention. This is a required report.

Election of Council Officers. The By Law's and Rules state that the election must be held between 15 May and 15 June of each year, it is your responsibility to insure this is completed and Election of Officers Form 185 is completed and forwarded. College councils should have already held their election in March and forwarded the results to Supreme.

Submit the Columbian Award. Get it in. It is important and don't forget the new requirement for Pro-Life activities.

Appointment of Chairman. This form 365 should be completed as soon as possible, immediately following the election of the GK. This Form doesn't need to be complete but needs to be mailed as soon as possible as it can be updated as chairmen are appointed.

State Directory. The Financial Secretary should immediately after the election of officers complete the directory information and submit it to the State Secretary with completed update information. Report should be submitted even if the Grand Knight and Financial Secretary remain the same.

Summer Leadership Meeting. Insure that you or your replacement as the DD, inform each of your councils of the importance of attending the summer meeting, where it will be held, when it is scheduled and who should attend. More on this for you as DD if you are staying on in the role or a new DD will be coming on board 1 July. Be a team player on this area.

District Planner. Be pro active in planning your new schedule for at least the next 6 months even if you are not going to be the DD. Help your replacement in this matter. Remember what it was like when you were first appointed, either a good experience or bad make it right for your successor as this is how you will be judged.

Have you prepared your councils for the process of their semi-annual audit due 15 August. They should start preparing for it now and you as DD should be working with them to insure they know what must be done to complete this important form.

Finally, most important of all for the next 6 to 8 weeks. Mem-

## Message from Vocations, RSVP, PFH

Worthy Brothers,

Refund Support Vocations Program (RSVP) – Under the RSVP program, local councils and assemblies agree to make an annual contribution of \$500 or more to an individual seminarian or novice to help with his personal expenses. For every \$500 given to an individual, the Supreme Council will refund the council or assembly \$100. **A single application form (#2863) must be filled out and returned to the Supreme Office to qualify for refund and an award plaque.** A copy of the completed form is sent to the State Chairman.

Completed RSVP refund application forms are due June 30, the end of the fraternal year. Every year many councils scramble to fill out and send in the forms. The RSVP refund forms must be submitted with proof, either copies of the cancelled checks or other documentary evidence. This means you cannot wait until June 15<sup>th</sup> to send the checks to the seminarians you are supporting and expect to get the cancelled checks back in time to meet the deadline. In addition to financial support, let us not forget our commitment to spiritual support for seminarians. They need our cards, letters, and prayers. Invite your seminarians your council supports to your council meetings and other council events.

The following seminarians have birthdays this month: Spencer Getz, Kyle Ratuiste, Tyler Smedley, and Roletto Amoy. Please keep them in your prayers.

**Vivat Jesu!**

bership Recruitment and Insurance Recruitment. The tools are there from the blitzes and those new members need to know about the insurance. Let them know about the annuity program as right now this is the best way to help those councils in need attain Star Council and the District – Star District.

I want to thank PSD Pat Maloney for some outstanding words as a Gentleman, Leader, and a great Brother Knight. He has as you know given us some great words of wisdom and along with State Deputy John Wallace this year, has continued the new and innovative programs started last year. It is up to us, the user to take these programs and make them the success for which they are intended.

## FATHER MICHAEL MCGIVNEY GUILD

Last month, I commented that saints are raised up to provide an example for us of how to live out our lives. At the beginning of this month, the cries of the people (santo subito! – sainthood now) were heard and fulfilled as Blessed Pope John II was raised to the honors of the altar. Holy Redeemer Council in Vancouver celebrated this historic moment by distributing 1000 holy cards commemorating the occasion to parishioners as they left Mass that weekend.

I became a Catholic at the age of 14 on the exact 100<sup>th</sup> anniversary day of the death of a saint whom I particularly admired (St. Dominic Savio). He had himself died at the age of 14, and to the best of my knowledge is the youngest saint canonized who was not a martyr. I can only wish that I had been as faithful to his motto as he was – “Death rather than sin!”

Coming to that stage in my life was a five year long process accelerated by a Catholic education which emphasized daily catechism and prayer at school. Three of those years were spent at Briscoe, a boarding school run by the Christian Brothers. Thoroughly immersed in a day of prayer upon rising and going to bed, grace before and after meals – and most importantly, daily Mass – led to the grace from God of the gift of faith. I have been truly blessed. And, so are we so blessed when we have the opportunity to worship Almighty God with our priests in the same manner as was done that first Holy Thursday.

## TOOTSIE ROLL PROGRAM

### Columbus Charities-Tootsie Roll Program

This is an update as to our progress in the Tootsie Roll Program. In last month's Newsletter (if you didn't read it, you really missed out on a great article about the Tootsie Roll Program (HA!) and the athletic capabilities ??? of our State Deputy), I wrote about the program and how it worked in Illinois. Please refer to page 12 in the March 2011 Newsletter.

The Officers of Columbus Charities met at Tri-Cities and I was invited as a guest. We spent the bulk of the meeting working out details for the Tootsie Roll Program. It was decided to extend the umbrella of the Columbus Charities to include the Tootsie Roll Program. This decision was made to make it easier for insurance liability, the corporate set up being in place, legalities that apply to this kind of program and the Special Olympics which are within this umbrella.

The councils will purchase the Tootsie Rolls from the Tootsie Roll Company. That is how the Tootsie Roll Company has this program set up. The aprons are purchased separately. No money is required for the Tootsie Rolls or aprons until 30 days after the drive. After the drive, the councils will send the money collected to State minus the expenses of Tootsie Rolls, aprons and collection cans. The State will retain 20% of those funds which will be used for Special Olympics and other programs that meet the criteria of, "Helping People with Disabilities". **NO** money will be used for anything that does not fall within the program directive. The same criteria will apply to the councils. The remaining 80% will be available for disbursement to a qualified 501(c)3 charity that deals with the disabled. A check will be written from State, to that organization, and then sent to the council for distribution however they see fit.

A brochure is being written that will make this program easy to follow, a how to book if you will. Forms and brochures will be available at the Convention and Summer meeting. We will have members at the door of the Convention and Summer meeting modeling the aprons, giving Tootsie Rolls and collecting any dollars or change you care to give.

I know the councils have a lot of activities and events going on and few members to do them, but this program really works. Other than ordering the Tootsie Rolls and aprons (which takes about 2 minutes to fill out), applying for a charitable permit which some municipalities require (you may already have one), getting approval to cover businesses and scheduling members to cover those businesses, the program takes very little time. It will make use of the active and inactive members and is only for one weekend a year.

The Officers of Columbus Charities decided to make the first full weekend of October our start up date. That is the 7<sup>th</sup> – 9<sup>th</sup> of October, the celebration of our Worthy Patron Christopher Columbus, how fitting.

We need all councils to participate or we will fail to get this off the ground. There will be mistakes and a little confusion at first, but we will grow this program together. The potential for this program is huge. I have witnessed it first hand. The collection process will be a success if you advise everyone you meet, that almost all money stays local.

Any questions, please don't hesitate to call. Let's get ready to make this a success!!!

**Annual Electronic Filing Requirement For Knights of Columbus  
Subordinate Councils**

All Knights of Columbus subordinate councils must now complete some type of annual filing with the Internal Revenue Service (IRS). The type of return depends on the amount of the council's gross receipts. For tax year 2010, if a council's gross receipts are \$50,000 or less, it must file IRS Form 990-N (commonly referred to as the e-Postcard). If a council's gross receipts are between \$50,000 and \$200,000, it must file IRS Form 990-EZ. If a council's gross receipts exceed \$200,000, it must file IRS Form 990. These rules apply to all state councils, local councils, chapters, and assemblies. The breakdown of the new filing thresholds for tax year 2010 appears at the end of this document.

In 2008, the IRS began requiring small tax-exempt organizations, including Knights of Columbus councils and assemblies, to file an annual tax form, IRS Form 990-N/e-Postcard. The IRS Form 990-N/e-Postcard is an informational return and is not used to report taxable income or tax liability. It is relatively brief and must be filed electronically; there is no paper form for the e-Postcard.

To access the IRS electronic filing system, go to the IRS website ([www.irs.gov](http://www.irs.gov)). Click on "Charities & Non-Profits" on the bar across the top of the page and it will take you to a page where you may scroll down until you see the topic for the IRS Form 990-N/e-Postcard. Once you click on that topic, you will be able to access the on-line e-Postcard filing. You will be asked to register and enter the council or assembly's tax identification number (EIN). Each council and assembly must have its own EIN; you may not use the Supreme Council's EIN.

When filing the e-Postcard, you must designate the 12-month period that you have selected as the tax year for your council or assembly (e.g., January 1 to December 31; July 1 to June 30). This is the tax year you established when you originally filled out Form SS-4 to apply for your EIN. If you do not know the tax year you originally selected, try using the 12-month period ending December 31. If the system rejects your filing, then you likely chose the 12-month period ending June 30 as your tax year (the Order's "fraternal year"). The e-Postcard is due every year by the 15<sup>th</sup> day of the 5<sup>th</sup> month after the close of your tax year. So, for example, if your tax year ends December 31, the e-Postcard is due by May 15 of the following year. While you may file the e-Postcard before the deadline, you may not file the e-Postcard until after your tax year ends. Keep in mind that you may file the e-Postcard only for the tax year that is currently due. The system does not allow you to file e-Postcards for prior years. There is a list of Frequently Asked Questions at the bottom of the IRS page to help answer any questions you may have.

The IRS may revoke the tax-exempt status of any organization that fails to meet its annual filing requirement for three consecutive years. Therefore, councils that do not file a Form 990-N/e-Postcard, Form 990, or Form 990-EZ for three consecutive years may have their tax-exempt status revoked as of the filing due date of the third year. If your council is delinquent with its filings, you should immediately contact a tax advisor.

If you have specific questions about the IRS e-Postcard filing requirements, please click on the following link:

*(Revised 4/6/2011)*

**New Filing Thresholds For 2010 - IRS Form 990 Series**

Do you know which IRS Form 990-series return you are required to file for tax year 2010? The IRS Form 990 filing thresholds for tax year 2010 and later (filed in 2011 and later) will change as follows for all organizations required to file an IRS Form 990-series return:

If gross receipts are normally  $\leq$  \$50,000, you must file IRS Form 990-N/e-Postcard or, if you choose, a complete IRS Form 990 or IRS Form 990-EZ.

If gross receipts are  $>$  \$50,000 and  $<$  \$200,000 and total assets are  $<$  \$500,000, you must file IRS Form 990-EZ or a complete IRS Form 990.

If gross receipts are  $\geq$  \$200,000 or total assets  $\geq$  \$500,000, you must file IRS Form 990.

## STATE ADVOCATE MESSAGE

Brother Knights,

I look forward to seeing you at the State Convention in Vancouver! I can't wait to hear about all the excellent programs, all the outstanding service you all have provided to the community and our church, all the great friends and fellow Knights to catch up with and meet new friends! What an exciting time!

As we make those final preparation for the convention.....how about making sure your council is not on the outside looking in.....by that I mean, you've done all the volunteering and support but have you completed the necessary Supreme reporting forms? Don't miss out on that well deserved recognition your council should have. Check to make sure you have everything in place. Remember – if you get the Columbian Award Application in early we will have time to correct any deficiencies if they exist. I would be more than glad to assist with reviewing your application to insure there is the best chance for success. I am here if you need me.

As we look towards the last couple of months for this fraternal year, let's not slack off.....strive to do and be all your council can be. Continue your recruitment activities and service programs - What better way to get a good start on next year by finishing this year strong so your new officers have momentum going into the new year!

As of this writing there are still 4 councils that have not submitted their Fraternal Survey that was due in January! Let's get that report in!!! We are expecting all councils to report.

8311	Vern Raschko-Magnolia	Seattle
11611	St. Joseph	Otis Orchards
