**Message from State Deputy,
 Don McBride**

Bear the Light of Christ

I had an opportunity at work this month—the paying job that supports my family, not the volunteer job that supports my soul—to reflect on what makes a great job great. In a senior leadership meeting, one of our human resources staff handed out a list of 12 characteristics that were described as being the attributes of a job someone would want to keep.

Ironically, many of us would find that our paid jobs might have missed the mark on some of these attributes. But I was encouraged and inspired to discover that every single one of the 12 characteristics presented here was something that I could honestly say applies to my “job” as the State Deputy. No wonder I’m loving this! So, here is your challenge: make sure every member of your council can likewise look at this list of 12 characteristics of a job they’ll love, and find that they apply to their volunteer work in the Knights.

Here are 12 characteristics that you’ll be able to answer “yes” to in a job you’ll love:

- 1. I know what is expected of me at work.**
- 2. I have everything I need to do my work right.**
- 3. I have the opportunity to do what I do best every day at work.**
- 4. In the last seven days, I received recognition or praise for good work.**
- 5. My supervisor, or someone at work, seems to care about me as a person.**
- 6. There is someone at work who encourages my development.**
- 7. At work, my opinions seem to count.**
- 8. The mission of my company makes me feel like my work is important.**
- 9. My co-workers are committed to doing quality work.**
- 10. I have a best friend at work.**
- 11. In the last six months, I have talked with someone about my progress.**
- 12. I have had opportunities to learn and grow at work.**

Like I said- I LOVE MY JOB!

On a more somber note, we were saddened this month to say farewell to Past State Deputy Hector Maffei of Richland Council 3307, Former First Lady Charlotte Sohnly of Camano-Stanwood 8476 and Former First Lady Genevieve Klein of Lakewood 4322. Please keep Gloria Maffei, the Sohnly family and PSD John Klein in your thoughts and prayers as you pray for the repose of the souls of Hector and Genevieve.

I told you at the beginning of the year that I wasn’t going to focus on numbers as being the main driver on membership, and I’m sticking to that. But I do need to urge each of you to do some soul-searching about whether you’re doing everything you can do to offer membership in the Knights to every eligible Catholic man. We’re only about halfway to where I wanted to be in membership at this point in the year, and there are many councils and even some entire districts that have not yet brought in a member this year. I need your personal commitment to recruit “that guy”- the one you see at Mass every week and think “I wonder if that guy is a Knight yet?” Just like me, you’ve probably put it off and felt a little self-conscious about asking him- but you know that man and his family deserves the opportunity. Make it happen now, not later. Tempus Fugit!

Continued on page 2

STATE DEPUTY MESSAGE (Continued)

Speaking of membership, I want to report that I had excellent feedback from the hierarchy of all three diocese when I asked them for permission to use the "Father Wants You to Be a Knight of Columbus" program. The archbishop and both bishops wholeheartedly supported my request and are great advocates of the Knights. Be sure to take advantage of this support immediately by approaching your chaplain and pastor and use their visible support in a church membership drive. If they are personally shy about using their image on a poster, consider using Fr. McGivney's picture as the poster image- it might be equally effective. What role model could be more effective at recruiting a true Catholic gentleman than a priest?!

Finally, I want to encourage each council to make a special effort to bring spirituality into their parish through the Marian Hour of Prayer program. The images of Our Lady of Guadalupe are making their way around the state with an image for each diocese, so there is plenty of opportunity for a prayer service in each parish. Remember that these are not merely pictures, but beautiful framed images that have received an apostolic blessing, have been touched to the Tilma of St. Juan Diego, and incorporate a bit of soil from the site of Our Lady's appearance. Our Lady of Guadalupe is not merely the patroness of the Americas, she is Our Lady to whom our Supreme Knight has dedicated our Order. Honor her well!

Viva Cristo Rey, Viva La Virgin de Guadalupe!

Message from State Secretary

My Dear Brother's in Christ..."Tempest Fugit"...we are now a full quarter into the 2011 – 2012 Fraternal Year! I must remind you that several council's have yet to use my "Road Map" for the first six months of the Year. Time is of the essence as the quarter beginning with October brings our first "Tootsie Roll" drive too. On you onboard to run with the pack this Fraternal Year or will you languish behind giving up the chase.

Let's do a little review of the "Next Six Month's Letter" and see where we are today! Have you...

1. Submitted the Election of Officers Report (#185) due July 1?
2. Submitted the Service Program Personnel Report (#365) due August 1?
3. Submitted the Council Semi-Annual Audit (#1295-1) due August 15?
4. Conducted "First Degrees" each of the past three months?
5. Prepared to participate in the inaugural "Tootsie Roll Campaign"?
6. Paid your council's "Group Liability Insurance" for this Fraternal Year?

If you answered "NO" to any of these questions, you have some remedial work to do. The cutoff date for responses to the State Secretary for the Liability Insurance offer was July 1, 2011. If your council has not responded declining coverage or accepting is still required. Where can your council purchase liability insurance for each member at the cost of only ONE DOLLAR per member...and this coverage includes liquor and automobile liability too? Contact me NOW! Send your check or email me your declination of coverage.

As your Coach (State Secretary) this fraternal year, I am here to assist you whether Grand Knight, Financial Secretary or Council Officer. When you were elected to you positions, your council members put their trust in you to lead them. Their success is in your hands. If you do not plan to win, then failure looms large. The old 80/20 axiom is true...fully 80% of youf members are there to follow your lead.

Let's not let them down. We'll keep the light on and look for your cards and letters...and let's not let the Venerable Fr. Michael J. McGivney down either. Remember that Babe Ruth and Vince Lombardi were Knights too...their teams were winners. As your coach, I'll look for you at the end of the season in the State Deputies "winner's circle" too.

Vivat Jesus,

George Czerwonka, State Secretary

Message from State Advocate

...from the cluttered desk of your State Advocate!

My Brother Knights,

Here is a question that I am often asked in regards to tax-deductible donations. I include this excerpt from the Supreme Advocate's office for your review.

Are donations to U.S. Knights of Columbus subordinate units deductible on the donor's income tax return?

No. Donations to Knights of Columbus councils and assemblies for fraternal or social purposes are never deductible and most donations for charitable purposes are not deductible. In certain limited circumstances, donations for charitable purposes may qualify for a deduction under IRC Sec. 170(c) (4), the so-called pass-through charitable donation exception, provided that the recipient of the donation is recognized as a charitable entity under Section 501(c) (3). Knights of Columbus officers should understand that compliance with Section 170(c) (4) requires the council or assembly to file accurate accounting records with their tax returns in order to permit donors to claim a lawful deduction on their tax returns. See IRS instructions for Form 990, Form 990-EZ and Schedule A (Form 990, 990-EZ, 990-PF). Donations under IRC Section 170(c) (4) must be reported by filing Form 990 Schedule B. Donations of \$250 or more must be acknowledged as required by IRS publication 1771. Only charitable contributions by individual taxpayers may be claimed as deductions under Section 170(c) (4); non-person taxpayers, such as corporations and partnerships, are not legally permitted to claim a deduction for charitable donations under this provision.

Automatic Revocation of Tax-Exempt Status

Those twenty councils that are trying to solve an Automatic Revocation of Tax-Exempt Status issue have all been notified and have all been in contact with me to let me know what the status of this issue is for their Council. For most, it has been a simple matter of filing the 990 form with an obsolete EIN number that the IRS did not recognize as obsolete. These will be corrected with relative ease.

Others have to reapply for Tax Exempt Status and that is quite a bit more complex. Please keep these men in your prayers. Their roads will not be easy for the next few months, but completing this task will provide a tremendous service to the Councils they serve. If your council has this issue be sure to **HUG YOUR FS!** He will need your prayers and support.

Faternally,

Bob Baemmert-State Advocate

Message from State Treasurer

In the last pages of this month's bulletin, we have listed the councils who have not provided their Form 365 "Service Program Personnel" reports and Form 185 "Officers Chosen" reports. Please get them in ASAP. The lack of submission of these reports may have impact on council awards. If you need assistance, please contact me at the address

below. The Exemplification Fund account report is also at the end of the bulletin. Please submit arrearages right away. These funds support the 2nd/3rd degree ceremonials that strengthen our State Council.

My Brother Knights,

Holding a **Blue Mass** in my parish on Sunday, Sept. 11th was definitely a highlight for my council (Holy Spirit Council 10653 in Kennewick) this past month. We were graced by the presence of 2 policemen, one police women, 2 firemen, 1 paramedic, and 1 FEMA volunteer who actually went to World Trade Center after that fateful day.

I was able to find a set of slides on YouTube that provided a fitting tribute to all those first responders who gave of themselves on Sept. 11th. You might consider using these slides if you weren't able to have your Blue Mass and tribute to 9/11 this past month.

The link is at: <http://www.youtube.com/watch?v=xxHytCwb7bc>.

It is always kind of interesting how the liturgy and the readings work out for these types of events. The author of the YouTube video, Diane Reigal, who put the slides and an original song (Remember Us) in her video after visiting the world trade, challenges us to not only remember those who gave their lives but also to try to find a way to forgive. It was very ironic that the theme of the readings for the weekend of Sept 11th, 10 years after this tragedy, was all about mercy and forgiveness. You might review these readings to see what I mean.

First reading (Sirach 25:30 – 28:7)

Responsorial Hymn (Ps 103:1-2, 3-4, 9-10, 11-12)

Second reading (Romans 14:7-9)

Gospel (Matthew 18:21-35)

It is just another reminder for us that God is our constant companion who challenges us, even in times of great difficulty, to live our lives in humility, grace, and dignity.

I hope that you were able to use your Blue Mass as an opportunity time for fellowship with your Brother "**Blue Knights**" and to take time to explain the spiritual and material benefits to non-members that come with membership in our Order. **Remember to share that scholarships are provided to children of members slain in the line of duty.**

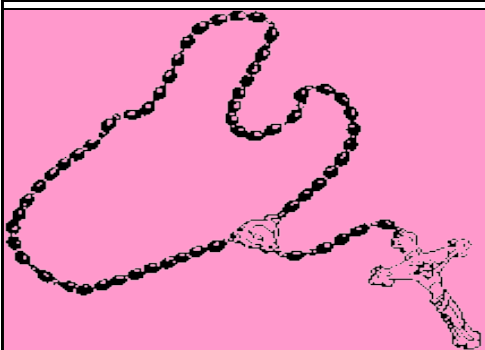

If you not able to this past month, consider hosting a **Blue Mass** in your Community in the coming year to commemorate our national tragedy from 10 years ago. Consider not only doing it this year but make it an annual tradition for your councils and districts to look forward to and celebrate for years to come.

District Deputy Director Message**Keys for Success**

How to Go From a **GOOD** District Deputy to a **GREAT** District Deputy

The following is from a talk by PSD Pat Maloney, Supreme Membership and Program Coordinator:

As a DD – you need to decide...
What type of DD do I want to be?
...some DD's are GOOD...
...some DD's are AVERAGE...
...and some DD's just keep the dust off the gear.

HAVE A POSITIVE & EXPECTANT ATTITUDE

Project Positive Attitude about Districts and Councils;
Project Positive Attitude about Membership in the Knights of Columbus;
DD is the face and attitude of Knights outside the council.
Project Expectant Attitude about each council;
Plan for & Expect Success within District;
Expect the same success from Leadership within the District.

HAVE CLEAR & DISTINCT GOALS

A Great DD should know what he wants to accomplish this fraternal year;
Great DD's will challenge themselves in establishing goals.
DD's should challenge their GK's in setting goals;
DD's should show GK's how to achieve the goals;
Be consistent in reviewing status;
Make course corrections as needed but always keep the ship pointing the right direction.

LEADERSHIP TRAINING, COACHING & MENTORING

Great DD's are always developing leadership within their Districts;
Leadership training starts with developing one's own skill set;
Study the basics of the job & how to be a good leader.
Frequent communication with GK's & Councils;
Emphasizing positives & strengths;
Always be a good listener.

DISTRICT MEETINGS – COUNCIL VISITATIONS

Great DD's will meet with their Councils at least once every other month.
Invite GK, DGK, FS, Membership & GP Directors to District meetings;
Meetings can help keep everyone current with District & State council activities
Frequent & productive Council visits can be positive when coaching & mentoring council leadership.

Next month we will cover more points on how you can move from a good to a great DD. My hope is you will put this information into practice and become a top District. My prayers are for your success.

St. Joseph, Pray for us our success.

Just Like Herod

**STATE VICE-CHAPLAIN
THE REVEREND
Jaime H Chacon**

One of the most commonly known stories of the Gospel is that of the martyrdom of John the Baptist (Mark 6: 14-29). The drama develops at a party Herod gave on his birthday. In the middle of the party, evil began to fester in the heart of the adulterous woman who accompanied the king: his sister-in-law, who was also Herod's mistress. This was a woman willing to do anything to maintain her position and influence; a woman who had only been confronted by the truth of a just man. At this party, the right moment came for her to silence the prophet's voice, which banged against her conscience. She then decided to distill her venom not just on the king's heart, but on her daughter's as well, making them accomplices to an unjust murder.

Because of pride, shame, or whatever it was, Herod made a pact with death and sin. Knowing he was wrong, that John the Baptist's sentence was unjust, and that his relationship with his brother's wife was an atrocity, he knelt before a false oath that enslaved him and chained him to lies.

The same tragedy that enslaved Herod has many people in chains nowadays. I am talking about those promises, oaths, or secrets that are kept in order to be accepted, respected, or renowned. No one who has ever made a promise that destroys human dignity is obliged to keep it, because above the given word (typically under pressure) exist inviolable values like life, dignity, liberty, among others. Someone's word is only worth something when it is directed towards achieving something good. Especially young people can be easily influenced by bad companies or friends who make them promise things to manipulate them or achieve some selfish goal. Remember that those evil promises must not be kept, and that it's always better to get away from dark and untrustworthy situations.

Getting back to Herod, he simply found himself trapped by the claws of sin. Although he had the chance to free himself from them, he didn't have the strength, will, or attitude to get out. The powerful king was overcome by his sin. He listened to, admired, and was even captivated by John the Baptist's message, but the king didn't change. On the contrary! He took his spiritual weakness all the way into shame, turning himself into the murderer of an innocent man. Herod listened to John, but did not take his advice. He cared for John, but his selfish wish to maintain a false word out of fear was stronger.

Little after Herod heard of Jesus, he had a chance to change. Yet again, he filled himself with fear. Because of his attitude he was condemned to live in shame and fear. Just like Herod acted, many act so today. The chance to change and become a better person is obstructed by fear, shame, selfishness, and sin. These people have decided to ignore God and his call, as well as support from others and their own strength of will. They remain sunk in darkness and, without realizing it-like Herod- live the agony of spiritual death. Again, the case presents itself: decide to walk upon the road of love and faith in Christ, or live as a slave to fear. Life is always a choice. Make yours.

Fr. Jaime Chacon.

Así como actuó Herodes

Una de las historias más conocida del evangelio es la que narra el martirio de Juan el Bautista (*Marcos 6, 14-29*). El drama se desarrolla en una fiesta que dio el rey Herodes con motivo de su cumpleaños. En medio del festín empieza a ganar fuerza la maldad que anida en el corazón de la mujer adúltera que acompaña al rey, se trata de su cuñada que a la vez es concubina de Herodes. Una mujer dispuesta a todo con tal de mantener su posición e influencia. Una mujer que solo la verdad de un hombre justo ha podido enfrentar. Llego para ella el momento oportuno para silenciar la voz del profeta que golpeaba con la verdad su conciencia. Entonces destila su veneno no solo en el corazón del rey sino de su propia hija, e influye sobre los dos para hacerlos cómplices del asesinato del justo.

Por orgullo, vergüenza o lo que fuera, Herodes hace un pacto con la muerte y el pecado. Sabiendo que estaba equivocado, que la condena a Juan el Bautista era injusta, que su relación con la esposa de su hermano era una barbaridad; se arrodilla delante un falso juramento que lo esclaviza encadenándolo a la mentira. Hoy también la tragedia que esclavizo a Herodes encadena a muchas personas; hablo de esas promesas o juramentos o secretos que se mantienen para ser aceptados, respetados o reconocidos. Nadie que haya hecho una promesa que destruya la dignidad humana está obligado a cumplirla, porque por encima de la palabra dada (por lo general bajo presiones) hay valores inviolables como la vida, la dignidad, la libertad, etc. La palabra vale cuando está solo dirigida a conseguir

algo bueno. Especialmente los jóvenes podrían ser fácilmente influenciados por los malos amigos que les hacen hacer promesas para manipularlos o buscar algún beneficio egoísta, recuerden que esas promesas de maldad no deben ser cumplidas y siempre es mejor alejarse de situaciones que son oscuras y poco confiables.

Volviendo a Herodes, él simplemente se vio atrapado por las garras del pecado y aunque tuvo la oportunidad de liberarse no tuvo la suficiente fortaleza, voluntad y actitud para levantarse. El poderoso rey estaba doblegado ante su pecado y aunque escuchaba y admiraba al gran profeta Juan, aunque lo escuchaba y se dejaba cautivar por él, nunca quiso cambiar, por el contrario llevo su debilidad espiritual hasta la vergüenza de convertirse en asesino de un inocente. Herodes escucho a Juan pero no siguió sus consejos, quería a Juan pero fue más fuerte su deseo egoísta de mantener una palabra falsificada por el miedo.

Poco después Herodes oye hablar de Jesús, tiene una nueva oportunidad de cambiar pero nuevamente se llena de miedo, por su actitud estaba condenado a la desgracia de vivir lleno de miedo y de vergüenza. Así como actuó el rey, del mismo muchos actúan. La oportunidad de cambiar y ser mejores se ve obstruida por el miedo, la vergüenza, el egoísmo y el pecado. Decidieron ignorar a Dios y su llamado, el apoyo de otras personas y su propia fuerza de voluntad, continúan sumidos en la oscuridad y sin darse cuenta, como el rey Herodes, viven la agonía de su muerte espiritual. Nuevamente se plantea la cuestión de decidirse a tomar el camino del amor y de la fe en Cristo o vivir esclavos del miedo, la vida siempre es una decisión, tú decides.

Fr. Jaime Chacon.

Life in Christ: Grace and Commandments

N – Gifts of the Holy Spirit

The Most Holy Trinity gives the baptized SANCTIFYING GRACE, the Grace of Justification: enabling them to believe in God, to hope in Him, and to love Him through the theological virtues; giving them the power to live and act under the promptings of the Holy Spirit through the GIFTS OF THE HOLY SPIRIT; and allowing them to grow in the goodness through moral virtues. (Gifts to become a successful Catholic gentleman, husband, father, son and Knight of Columbus.)

N. Sanctifying grace also brings with it the GIFTS OF THE HOLY SPIRIT: Wisdom, Understanding, Counsel, Fortitude, Knowledge, Piety, and Fear of the Lord.

The gifts of the Holy Spirit complete and perfect the virtues by helping those who receive them respond more to the promptings of the Holy Spirit.

The gift of the Holy Spirit, fortitude, should not be confused with the Virtue of fortitude. (Please go back to September to review.)

O. Those who possess sanctifying grace are able to act according to the FRUITS OF THE HOLY SPIRIT: charity, joy, peace, patience, kindness, goodness, generosity, gentleness, faithfulness, modesty, self-control and chastity.

P. Those who possess sanctifying grace perform the SPITITUAL AND CORPORAL WORKS OF MERCY.

The corporal works of mercy are:

- Feeding the hungry;
- Giving drink to the thirsty;
- Sheltering the homeless;
- Clothing the naked;
- Visiting the sick;
- Visiting the imprisoned; and
- Burying the dead.

The spiritual works of mercy are:

- Admonishing the sinner;
- Instructing the ignorant;
- Counseling the doubtful;
- Comforting the sorrowful;
- Bearing wrongs patiently;
- Forgiving all injuries; and
- Praying for the living and the dead.

Look for more next month when we review and move on to the BEATITUDES!

Vivat Jesus! *George Czerwonka*

COUNCIL CHAIRMAN

The American Wheelchair Mission is a non-profit organization with a goal to deliver brand new, free wheelchairs and mobility aids to physically disabled children, teens and adults throughout the world, who are without mobility or the means to acquire a wheelchair. The American Wheelchair Mission will continue to change the lives of entire families with the gifts of hope, dignity, freedom and independence.

We estimate more than 100 million people worldwide are in need of a wheelchair but cannot afford one. Our gift immediately changes the lives of entire families by answering prayers and making dreams come true.

This program is **not** an annual event culminating at the State Convention. As soon as you can make a donation, please do so. Your donations need to be sent to the State Secretary, George Czerwonka. Global Wheelchair Mission is a 501(c) (3) tax-exempt organization.

I want to **challenge** every council to help kick start this program by writing a \$200 check and sending it to our State Secretary. If you accept my challenge, we will raise \$29,800. This will get us our first container of wheelchairs and a balance toward the next.

Don't forget the side effect of this program, increased council membership. When you do the "Wheelchair Sunday" or other fund raisers, please be prepared with form 100's.

**WILL YOU BE A
SILVER KNIGHT
WINNER THIS
FRATERNAL YEAR?!**

FATHER MICHAEL MCGIVNEY GUILD

Had Michael J. McGivney not been ordained to the Catholic priesthood, would the Knights of Columbus exist today? It is an intriguing question, and one that I suspect would have to be answered in the negative. McGivney was a rather unique individual, one whose academic abilities found him completing his education at the age of 13 rather than the more common age of 16. At that

time, he went to work in a spoon making factory in his hometown. His father was able to provide \$300 a year to finance his seminary years. At the age of 21, he was forced to drop out of the seminary to help provide for his widowed mother and younger siblings.

There was no funding available for seminary studies, and McGivney would probably never have realized his dream of ordination save for the intervention of his Bishop, who funded the remainder of his studies.

Poverty was never a welcome friend to our Founder, and he knew full well the admonition of our Lord that the poor we would always have with us. The recently announced "FOOD FOR FAMILIES" program is a wonderful way to alleviate the hunger that afflicts so many people in these difficult times. According to recent statistics, 28 percent of children aren't getting enough healthy meals to nourish their growing bodies, or in some cases aren't getting enough food – period. The percentage of adults in the same situation is 13 percent.

A massive food drive for the St. Vincent de Paul food bank in your area would help immensely. "FORTY CANS FOR LENT" would be an excellent program to adopt. Basically, it consists of organizing a relief effort of asking each parish family to contribute 40 items of non-perishable food during the holy season of Lent. I ask – what Pastor would not be in favor of a food drive in his parish? Together we can fill the food banks to overflowing – and I guarantee that it would be certainly appreciated by those most in need!

Let this year's motto be "TOGETHER, WE CAN DO IT!".

First Degree Team Ceremonial Competition

Wayne C. Hogan, PSD, VSM
State Ceremonial Chairman

October is the third and final month of the first level of the First Degree Team Ceremonial Competition. This level is the district level and is conducted in August, September, and October.

All councils in Washington are eligible and encouraged to participate in the First Degree Team Ceremonial Competition. If your council does not have a certified first degree team, your district deputy may certify it during the first level of competition. If your council has a certified First Degree team, however, if there are still one or two members who need to be certified, your district deputy may certify them in conjunction with the first level competition. The council will normally schedule this evaluation during an actual exemplification.

The first level is conducted during an actual exemplification in the council's regular meeting facility. An honoree should be selected for each degree. The honoree and all council knights are encouraged to attend the exemplification.

All grand knights are encouraged to contact their district deputy and schedule an evaluation of the council's first degree team. Remember, that under no circumstances will a 1st Level - District evaluation - be conducted after October 31. The second level competition will be conducted in November and December. Additional information on the second and third level competition will be published in subsequent state bulletins.

The Grand Knight's Handbook CD was issued to all grand knights at the Summer Leadership Meeting in Wenatchee. Also, on the CD were two handbooks. The first is the First Degree Team Ceremonial Competition, revised 07/01/09. This handbook provides information on the participation, prerequisites, schedule, evaluation, reports, notification and recognition. Appendix A is an overview of the three levels, District, Regional, and State. Appendix B is the Evaluation Form that will be used to evaluate the degree teams. The second is the Host and Co-Host District Deputy's Second and New Third Degree Ceremonial Procedures, revised 07/01/11.

'The Best of the Best' First Degree Team Ceremonial Competition travel award will look great hanging in your council's hall. **Where it is located next year depends on you!**

If you have any questions or want additional information, contact me via email at kofchogan@comcast.net, or Ceremonials@kofc-wa.org. You can also contact me at my office phone number (253) 581-5952, which is also my fax number.

KEEP CHRIST IN CHRISTMAS **(KCIC)**

Orders are being taken for Christmas Cards NOW and they will be shipped immediately. What a great opportunity to provide religious Christmas cards to parishioners and at the same time have an easy fund raiser. We need to continue to spread the word to all that Christmas and the sending of religious cards depicts what Christmas is all about - **THE BIRTH OF CHRIST**. *See the link on KCIC for order forms and pictures of the cards.*

Council Bulletin Contest

I want to thank all of the councils who provided their monthly bulletins for our new contest. Twelve councils participated this month, but only one District submitted an entry.

Admittedly, the judging of your efforts is somewhat subjective. I focused on five basic areas with four of the topics having a point value from 1 to 5 points. Those areas are:

- Clarity of the overall message about KofC and our mission.
- Membership growth message.
- Faith based message.
- Creativeness and appeal of format.

The fifth category is whether the bulletin refers directly to any message or item of interest in the State Bulletin. And, finally, a tie breaker of 1/2 point given if the Council FS is using the Member Management/Member Billing program and acknowledges it in the submission.

The submissions received were all very strong in several categories and all appear to be very active councils in all areas of our Surge with Service programs. The scoring was very close in the top 4 submissions and I am pleased to announce the winner of the competition for this month is Oak Harbor Council 3361.

In the District category with only one submission, the winner is District Seven. This bulletin will stand against many submissions in the future.

I hope to have the winning entries made available on the State Website so that you all can take a look at the competition level for the future.

The object of this event is to promote better communications, not only to the council members, but to other councils that they might see fresh ideas and approaches to strengthening our Order.

I am looking forward to your bulletin next month.

Vivat Jesus!

Editor's Notes

Prayers for the sick and those in need are one of the most important duties of Knights. Financial Secretaries have the responsibility of informing WSS George Czerwonka of any Brothers or family members who have died or who are in need of our prayers. In order to keep this sick notice list up to date, we will purge the lists every two months (starting in October). Please keep us apprized of those in need on a regular basis. Death notifications should include name and addresses of next of kin and sent to WSS. Supreme can be notified on line in the Member Management program (or by Form 100 if the FS has not yet moved to this program. Vivat Jesus!

IN MEMORIAM

Past State Deputy Hector Maffei was born on April 5, 1928 in Portland, Oregon. He attended Central Catholic High School, Vanport Junior College, Oregon State University, and graduated from the University of Portland in 1950, receiving the faculty award as the most outstanding senior in the School of Chemistry.

He came to Hanford and General Electric in Richland, WA and liked the work and the area so well, he transferred to each successive company as the contracts at the site changed. He spent 37 years working at Hanford, receiving a U.S. Patent and several invention awards for his efforts while also enjoying hobbies as a prize-winning photographer and an avid hunter and fisherman.

He joined the Knights of Columbus in 1952 and was an integral part of Richland Council 3307 throughout its history, helping to construct the Richland Council Hall and serving in all of the chair offices. He served as State Deputy from 1983-1985 and was an active ceremonialist throughout his time in the Knights.

He mentored and encouraged many members to take an active role in the Knights, including SD Don McBride and SA Bob Baemmert. He was a true believer in helping others anonymously, spending 9 years as financial secretary of the Tri-Cities Food Bank and partaking in many other community service endeavors.

His love of outdoors activities included an annual trip to partake in the Colton Council 1565 Steelhead Derby, which was the highlight of each year's fishing.

He will be missed by Former First Lady Gloria; daughters Phyllis (Robert) Wilson and Barbara (George) Walker, five grandchildren and six great-grandchildren, and the entire State Council.

Vocations/PFH/RSVP

As of this writing, I have received the rosters of seminarians from the Dioceses of Spokane and Seattle, but am still waiting for the list from Yakima. This year there are 29 seminarians from Seattle, down from 30 last year. Keep in mind four of last year's seminarians were ordained, which is

awesome! This year there are 13 from Spokane, down from 17 last year. And there is a handful from the various orders that we are supporting.

I have begun the process of lining up support for the seminarians from the councils and assemblies. If you have sent me an email or contacted me by phone looking for seminarians to support, you should be hearing from me the coming weeks. I encourage each brother knight to prayerfully consider supporting a seminarian if you have not done so in the past. Pool your contributions with others from your council.

I am in the process of sending out letters to each council indicating seminarians been ordained or are otherwise no longer in the program, updated address information for those still in formation, and to ask for support of the recent additions. Please be sure to confirm your support as soon as possible.

As your councils and assemblies put together the budgets and programs for this fraternal year, I hope you will be generous in your support of vocations. Remember, without them, the Catholic Church would cease to exist.

I would encourage each council that is supporting a seminarian to "stay the course" with that seminarian until he has been ordained or has left the program. Otherwise, we may very well find that a seminarian who had been supported is no longer being supported, and the state vocations chairman must scramble frantically to find a Council to provide the necessary funds.

Coordination with the state vocations chairman is also vital - the chairman is the only person who knows exactly whom is being supported, and how many councils are involved. Lack of coordination had generated a situation where one seminarian had been supported by ten councils - approximately \$5000 per year - while half of the seminarians were supported by only one council.

October Birthdays - the following seminarians will be celebrating birthdays this month: Nick Pak (Oct. 5), Andrew Regalado (Oct. 10), Cliff Macaraeg (Oct. 11), Justin Burgard (Oct. 14), Mark Kiszewski (Oct. 19), and Anthony Lezcano (October 23).

Let us remember to keep them in our prayers.

Vivat Jesu!

MASTER'S ARTICLE FOR OCTOBER 2011 STATE BULLETIN

Why Do Americans Form Associations?

During the year, every Assembly should record activities as they are conducted such that an application can easily be submitted for the Civic Award (due June 30, 2012). In order to qualify for the Civic Award, the assembly must conduct and report at least **four varied patriotic programs** held within the fraternal year. During the 2010-11 fraternal year, 344 assemblies received the Civic Award.

If you conduct a unique event that may be an example for other assemblies to emulate, please send the Bulletin Editor, Ed Broadhurst, a short summary via email, with photos if possible (and copy to me).

The best activity of the year should be submitted as an application for the "To Be a Patriot" award. At the August 2011 Supreme Convention, the 2010-11 international awardees, chosen from the provincial entries were:

Monsignor Anthony J. Stein Assembly 645 in Woodland Park, New Jersey (St. Isaac Jogues Province), Knights of Columbus Tank Pull 2010 – The mission of the Wounded Warrior Project is to raise awareness and enlist the public's aid for the needs of injured service members, and to provide unique programs and services for wounded soldiers and veterans. Members of the Msgr. Stein assembly assisted them by organizing a tank pull, where teams of Knights and others competed to pull an 80,000 lb. tank twelve feet in the fastest time. Twenty teams raised more than \$80,000 in support of the Wounded Warrior Project, and garnered significant publicity for the Order in the process.

Holy Spirit Assembly 2527 in Tuscaloosa, Alabama (Bienville Province), Mass Initiative for 117th Air Refueling Wing and 99th Air Squadron – When the members of Holy Spirit assembly learned that no Catholic Masses had been celebrated for nearly three years at the Birmingham 117th Air National Guard Refueling Wing, they knew they had to act. Sir Knights secured the necessary permissions and facilities, and provided the funding for monthly Masses on the base. As a result of their efforts, personnel undergoing weekend training no longer have to choose between their service to their country and practicing their faith.

Joliet Assembly 204 in Joliet, Illinois (Marquette Province), To Honor and remember our Veterans on Memorial Day – In conjunction with the local VFW Post, members of the Joliet Assembly perform prayer services at three cemeteries each Memorial Day. At each cemetery, the names of veterans interred there are read, followed by a gun salute and the playing of taps. Flags are presented to the widows of veterans who passed away during the previous year. The day begins with Mass – for which the assembly provides the honor guard – followed by prayer services at each of the three cemeteries successively.

Future State Events That Require Members of the Color Corps from Multiple Assemblies

November 5, 2011 – The Fourth Degree Exemplification in Bothell at St Brendan Parish will require at least 16 Honor Guards to present the flags and to act as row commanders. A rehearsal will be conducted at St. Brendan Parish on Friday night at 7:00 p.m. and Saturday at 10:00 a.m.

Future State Events That Require Members of the Color Corps from Multiple Assemblies

November 5, 2011 – The Fourth Degree Exemplification in Bothell at St Brendan Parish will require at least 16 Honor Guards to present the flags and to act as row commanders. A rehearsal will be conducted at St. Brendan Parish on Friday night at 7:00 p.m. and Saturday at 10:00 a.m.

Upcoming Reports and Actions

Annual Audits were due by August 1, 2011. Seven assemblies have still not submitted their audit to Supreme. Please have your trustees conduct and submit the audit soon (with copies to Vice Supreme Master Wayne Hogan and to me).

Upcoming Washington District Fourth Degree Exemplifications

The **first Fourth Degree Exemplification** in the state will be held **November 5, 2011, in Bothell at St Brendan Parish**. It will be hosted by Our Lady of the Americas Assembly 3123, Faithful Navigator Bill Paulson (425-629-3555). **The Honoree is Past State Deputy Pat Maloney.** (Degree requirement = 1st degree on or before May 4, 2011.) **See the insert elsewhere in this bulletin** for additional details.

Now is the time to **visit your local councils and recruit third degree members!** Please **mail me the Form 4s** for your candidates (and their \$70 checks) **as soon as possible.**

The schedule for the remaining fourth degree exemplifications in fraternal year 2011 – 2012 is as follows:

Oak Harbor - February 18, 2012

Kennewick - March 17, 2012

Lakewood - April 14, 2012

Spokane - May 5, 2012

Vancouver - June 2, 2012

To support the above schedule, back-up ceremonialists are needed for both the Western and Eastern Washington Exemplification Teams. **If you would like to join these teams, please let me know.**

Patriotic Quotes

“They have not only commercial and manufacturing companies ... but associations of a thousand other kinds – religious, moral, serious, futile, extensive or restricted, enormous or diminutive. The Americans make associations to give to entertainments, to found establishments for education, to build inns, to construct churches, to diffuse books, to send missionaries to the antipods; and in this manner they found hospitals, prisons, and schools....Wherever, at the head of some new undertaking, you see the government of France, or a man of rank in England, in the United States you will sure to find an association.” – **Alexis de Tocqueville, 1835**

**"Silent Knights" and
"Father Wants You to be a Knight of Columbus"**

My Brother Knights,

We all know what an **ideal** new member looks like. He is young, enthusiastic about the Knights of Columbus, he comes to meetings, he gets involved in all of the Council functions and he recruits new members. Unfortunately, members like this are rare, and it makes you wonder about the rest, and if they are worth recruiting? How can they possibly live up to our expectations, if they... **don't have the time?**

Let me use my nephews as examples. Both of these young men have families. Chris has two children who are involved in school, soccer, karate, dance, fishing and hunting. Kevin has three children, all of which are equally involved. Chris is a dentist and he owns his own dental practice. Kevin is a scientist (physics & computer science) at the Hanford Nuclear Reservation. Chris travels a lot because he is on a National Committee for Ducks Unlimited. Kevin's work takes him all over the country, and often-times, internationally.

So what are the chances that these guys will be able to fit the mold of our ideal member....NO CHANCE. But think about it. Will these guys be that busy for the rest of their lives? Will they be able to give the Knights the time that us older guys can? Probably not. But both of them have positions and potential to be the leaders of our organization some day. Both of them can easily pay their dues. Both are practical Catholics. They just don't have the time to be as active as we would like them to be, right now. They will be "**SILENT KNIGHTS**" for now, and in fact, that is how I recruited them... with that understanding. They are good with that, and who knows, maybe someday, when their Council needs the most, they will turn their talents and energies to the Knights of Columbus and then we will all be thankful that we recruited these men.

Just a recruiting thought for the next time you might be concerned about whether to ask a guy that you think is too busy to be a KNIGHT. Ask him anyway! He may be the next State Deputy some day (our current State Deputy's story is similar to my nephew's stories)!

Brothers, I also have some good news! We have received permission from the bishops to launch our "**FATHER WANTS YOU TO BE A KNIGHT OF COLUMBUS**" Program. I presented this program at the Summer Meeting and I promised you that I would give you more information about this program once we have permission to run it. Well, the time has come and you should receive the information from me in the mail. What this program amounts to is to create a handout that is either included in the church bulletin or passed out at your membership drives with

a picture of your Council Chaplain or Parish priest, asking the men of your parish to join the Knights. This is a powerful piece of marketing that has given other jurisdictions remarkable results. Try it out and be amazed! I am really excited that we are able to do this, and I am equally as excited to find out how successful it will be for us.

KEEP RECRUITING AND GOD BLESS YOU!

Bob Baemmert-SA, Membership Director

MESSAGE FROM THE CHURCH CHAIRMAN

My wife and I took a trip to Mexico, and were very fortunate to have visited the Basilica in Mexico City. One of the attractions at the Basilica was the actual cloak that was worn by Juan Diego and imprinted with the image of Our Blessed Mother. Most of you probably know about the miracle, but I will briefly relate

it to you.

In 1531, Our Blessed Mother appeared to a peasant Indian by the name of Juan Diego. At that time, there was a culture of death among the Aztec population, in which many people were given up to human sacrifice. This is thought to be the reason for the appearance of Our Lady. When she appeared to Juan, she asked him to visit the local Bishop and tell him that she wanted a church built for her on the site where she appeared. Of course, the Bishop did not believe that this Apparition occurred, so the request was denied. When Juan returned and told the Blessed Mother this, she then asked him to climb to the top of the hill and pick some flowers, put them in his cloak and take them to the Bishop. As it happened, this was the wrong time of year for flowers to be blooming, and yet Juan Diego found that flowers were indeed available. When Juan took the flowers to the Bishop, he opened his cloak and poured them on the floor. When this was done, a beautiful image of Our Lady was discovered on the inside of Juan's garment. The Bishop then believed in the Apparition and he ordered a church to be built on that site. Because of this miracle, much of the Aztec Indian population was converted to Christianity and ultimately, the practice of human sacrifice in Mexico ended.

The cloak is on display at the Basilica, and has not changed much in the 500 plus years of its existence. One of our fellow pilgrims on the trip made a comment that she always thought that this was a Mexican miracle, but now she realized that it was a Church miracle. Since the occurrence of the miracle, Juan Diego has become a Saint, and Our Lady of Guadalupe has been designated by Rome as the Patroness of the Americas and of unborn children.

This Order wide program that is taking place now involves many large Images of Our Lady of Guadalupe and the goal of the program is for an Image to visit every Parish in the Knights of Columbus jurisdictions. We are very fortunate to have 3 such Images in Washington, thanks to the effort of our Worthy State Deputy Don McBride. At the present time, one Image is in southwest Washington, one is in the Spokane area, and the third one is in the Yakima Valley area. My hope is that when you are asked to participate in this program, you will gladly do so. Brother Joe Plant, the Marian Devotions Chairman for the state, is supervising the transfer of the Image on the west side; Brother Tom Sokol, New Council Development and Round Table Chairman for the East side, is organizing the distribution of one in the Spokane area; and I am organizing the transfer of another in the Yakima Diocese.

The purpose of this program is to promote the sanctity of human life in the hearts of all people that the Image of Our Lady visits. The Images have an Apostolic Blessing from the Holy Father, and

all of the Images have been touched by the actual garment in Mexico City, and also have a bit of soil from the site of the Apparition imbedded within the print.

I hope that many blessings will result from these visits to your Parishes.

Vivat Jesus!

Joe Carson State Church Director

FS Trainers Tip of the Month

At the Summer Leadership Training, all attending FS's were provided with discs containing all of the presentations made regarding Member Management and Member Billing. Since then, copies of those discs were given to the District Deputies for distribution to the remainder of the councils who were not represented at the training session. These are to be shared with FS and GK's to help with conversion from FSPC to Member Management and Billing.

FS Consultant David Konzek is seeking a couple of FS's to assist in training in this software on the west side of the state. If you would like to help, please contact him at FSConsultant@kofc-wa.org

The top three worst things a WGK could ever say at a Council Meeting

- *Did you ever think that FS Joe would take that new job in Florida and move away?*
- *I didn't realize that he was using his own home made system and didn't write down any procedures on how it all worked!*
- *Do you mean that in this council with 300 members, no one wants to take over the FS job?*

Member Management/Member Billing, the wave of the present and the future for the good of the order!! Lets get started today!

Family Chairman's Message

Family of the Month Program - Your Council's Hall of Fame

Worthy GKs & DDs - as I'm sure you know each member of your council makes a difference everyday in the service of our Order. **Recognizing your people is a key attribute of leadership.** Recognition through the **Family of the Month Program** gives added value to the tasks performed and the brother Knight you recognize. It is a demonstration of your personal leadership skills, caring and commitment as we focus on building resilient and winning Districts and Councils

Did you know? Many famous Catholic men from all over the world are Knights of Columbus. In the United States several of the most notable include former President John F. Kennedy, Samuel Alito, an Associate Justice of the Supreme Court of the United States and Jeb Bush, the former Governor of Florida and brother of former President George W. Bush. Sergeant Major Daniel Daly, a two-time Medal of Honor recipient, once described by the commandant of the Marine Corps as "the most outstanding Marine of all time" was also a Knight of Columbus.

Did you know? In the world of sports, Vince Lombardi, the famed former coach of the Green Bay Packers, Lou Albano Wrestler, James Connolly, the first Olympic Gold Medal champion in modern times, and baseball star Babe Ruth were Knights. Former 2-time Heavyweight Boxing Champion, Floyd Patterson, was also a Knight.

Hey PSSST, (Lean in real close) did you know? There are men of the same caliber as those mentioned above in each and every council in the State of Washington. Like the shepherd boy David with his sling, who achieved a place in history for all time by meeting and beating the Giant Goliath, day in and day out, within our councils we have "David's" who stand up to the Giants of our secular culture in defense of our values. They display the courage never to submit or yield to any challenges to our faith, they are defending the unborn, and they stand as guardians of family values and defenders of our country. They are their brother's keepers; they are today's David's. **Being a Knight brings out the extraordinary in the ordinary man!** Please recognize this and use the **"Family of the Month Program"** to say thanks, and lift them into your Council's **"Hall of Fame."**

PLEASE CLIMB ON BOARD,

WE ARE

The Little Engine That CAN!

- A Program that helps everyone who comes in contact with it!
- A Program that exemplifies what we are all about, Charity!
- A Program that extends a "helping hand" to those in need!
- A Program that allows a council to change nothing, you're already doing it!
- A Program that allows your council and state to receive benefits!
- A Program that requires that you only fill out one form, **once a year!**
- A Program that Washington State could have **100%** participation in!
- A Program that could allow us to make history, what a year that would be!

First Degree Ceremonial Requirement for Star Council Award

Wayne C. Hogan, VSM, PSD, FMFD
State Ceremonial Chairman

Since the Summer Leadership Meeting in Wenatchee, I have received inquiries concerning Supreme's requirement for Star Council Award. This article should address those inquiries. The requirement is, to qualify for the Star Council Award each council will have to "host" or "participate in" four First Degree Ceremonials during the 2011-2012 fraternal year. The definitions of "host" or "participate in" are as follows:

"HOST" – To "host" a First Degree Ceremonial means to be the sponsor of the exemplification. Regardless of where the First Degree team or the candidate is from, and as long as at least one candidate is welcomed into membership in the Knights of Columbus, that council shall be given credit as the "host" of the First Degree Ceremonial. Each hosting council should invite all neighboring councils to participate in their First Degree Ceremonial. (See example below.)

"PARTICIPATE IN" – A council that provides at least one candidate that advances to membership in the Knights of Columbus shall have "participated in" a First Degree Ceremonial.

In the following example: Council A hosts a First Degree, however their candidate cannot attend. Council B provides two candidates, Council C provides one candidate and the First Degree Team is from Council D. In this scenario Council A would be credited as "host." Councils B, C and D would be credited for "participating in" the First Degree Ceremonial.

The exemplification of the First Degree Ceremonial must be reported on Form 450 by the District Deputy, which includes his comments. The new Form 450C is completed and signed by the Grand Knight or Financial Secretary. The host council is to immediately submit the Form 450C after each exemplification of the First Degree, even if the host council does not have a candidate. The Form 450 and 450C are available to be submitted electronically from the Knights of Columbus website at www.kofc.org or may be printed and mailed. To access these forms, you need Adobe Acrobat Reader (version 7.0 or higher). Adobe Acrobat is a free download.

If submitting on-line, you cannot save the data typed into the form. Print a copy of your completed form before submitting for the council's records. You can mail the printed form to Supreme, the State Deputy and District Deputy plus have a copy for the council's records in which case you will need to print four copies. You can also submit it on-line.

Printed on the Form 450C is, **COUNCILS MUST CONDUCT OR PARTICIPATE IN AT LEAST FOUR FIRST DEGREES WITHIN THE FRATERNAL YEAR TO QUALIFY FOR THE STAR COUNCIL AWARD. COUNCILS ARE ENCOURAGED TO CONDUCT FIRST DEGREES AS OFTEN AS NEEDED TO ENSURE THE TIMELY INITIATION OF EVERY MEMBERSHIP PROSPECT. WHILE THE FIRST DEGREE MAY BE CONDUCTED BY READING THE PARTS, THE MEMORIZATION OF THE DEGREE REMAINS THE PREFERRED METHOD. DEGREE TEAMS THAT HAVE COMMITTED THEIR PARTS COMPLETELY TO MEMORY MAY BE CERTIFIED BY THE DISTRICT DEPUTY ON FORM NO. 543, NOTICE OF CERTIFICATION OF FIRST DEGREE TEAM.**

The council is to record the date of the degree, the district of the host council is to be listed, the Honoree is to be named, the host council number is to be cited and the degree team council number is to be cited. All the participating councils with candidates are to be cited as well as the number of candidates.

All councils are reminded that they have the ability to conduct their own First Degree at their own council, and may read the parts (if necessary) or use the "Narration CD" in case they become short-handed.

The Official Suppliers have available higher quality and lower cost First Degree paraphernalia items and should be contacted directly for those items, along with Ceremonial Baldrics.

The purpose of this requirement for Star Council is to have councils conduct their own first degrees and with their own team members for their candidates. That is why the Large Print First Degree Book was issued to every council in the Order along with a CD which the council may use for the Chancellor and Deputy Grand Knight parts. **Supreme's goal is to have every council conduct a monthly first degree for their own candidates** and not send their candidate to another council to conduct the first degree for their candidates when they now have the ability to conduct their own degrees.

TOOTSIE ROLL PROGRAM

The Tootsie Roll Drive weekend is close at hand. Depending on when this Bulletin is on the website, we may be knee deep in Tootsie Rolls.

January 20th of this year, John Wallace and I joined in an effort to establish Washington as the 47th State to hold a Tootsie Roll Drive.

Shortly there after, Columbus Charities Board was presented the idea and we were off and running. Starting from scratch to where we are now is astounding to me. I really never thought this program would be ready this year, but with George Czerwonka, Ed Broadhurst and the guidance of Don McBride, anything is possible. Now we are in the dawn of our first Tootsie Roll Drive. All the preparation, meetings, manuals, brochures, questions, etc. have been made and the "Disabled" are about to reap the fruit of our labor. I want to say how proud I am of those councils that agreed to take on this project with so little time to prepare. We were in the middle of summer while most councils are inactive, but you pulled your members together to make this crucial decision.

I have fielded many questions and gave several presentations. It has been a pleasure to speak to each and every one of you. I have been treated with such great respect and kindness. I hope you have had the same experience with me.

By now, you have received a bill from the Tootsie Roll Company. This bill needs to be paid by November 7th. All proceeds from your drive may be used to pay your expenses. You must send me a copy of your expenses (aprons, Tootsie Rolls, postage and printing costs, permits) along with a check that represents your remaining funds. Write the check to Columbus Charities Tootsie Roll Program.

You will want to continue selling Tootsie Rolls to members, family, parishes, schools, etc. They make great Halloween treats and Christmas gifts for those that are hard to buy for.

As proceeds come in, you will want to have all of your funds turned into me by April 15th, 2012. At any point along the way or after April 15th until September 1st, you may request a disbursement check to a qualified 501 (c) (3) organization.

For those that were not able to participate this year, don't get discouraged, you will be ahead of the game next year. We will be a little better organized and smarter than this year. Mistakes will have been made and corrected. You will know the success other councils have had for the betterment of their community and the pride they have felt in helping those less fortunate.

God Bless you all and **GOOD LUCK** with your drive. I can't wait to hear of your success. Call me anytime with success stories, funds raised, complaints or suggestions for next year.
