## KNIGHTS OF COLUMBUS

*"Unapologetically Catholic"*

### Message from the State Deputy

My Brothers,

Thank you to all that were able to attend the Summer Leadership meeting last weekend. What a great success. Great trainers like Chuck Davlin from Supreme for the DDs, Kevin Fraley and the other FS trainers and our own Membership and General programs Directors did a wonderful job. It is important that we understand our duties and responsibilities as well as acknowledging our own personal accountability and obligations that we agreed to when we accepted the positions we now hold. BUT, most of all, it is more important for us to remember that while we do all that we can do, and what we are expected to do, GOD will always control the outcomes.

As long as we do our part, He will do the rest for us. It is true that if we do nothing, we will receive nothing. The parable of the Talents teaches us that. It is just as true that when we do our best and turn the rest over to Him, we can trust the promises of the Bible and know He will always allow what is best for each of us in the long run. Often times, when I reach the limits of my abilities, and can think of nothing else that I can do to achieve my goals; I stop praying for results and ask only that He show me His will for my life.

It was His will that His Holy Priest, Fr. McGivney, created his own legacy, this order that we all enjoy. So, too, is it His will that we help those less fortunate than ourselves, the bible teaches us that but we cannot perform those actions that serve his will if we don't have enough men to do so.

Jesus taught us the lesson of asking others to join us when he sent his Apostles to all corners of the world to spread his message and we are therefore obligated to follow his lead and ask every Catholic man we know or meet to join our Order and help us in doing his will.

I ask each member to go forth and ask every Catholic man you meet to join us and to be truly "Unapologetically Catholic," every minute of every day. Wear your Faith proudly.

Vivat Jesus,

Pat Kelley

## State Chaplain's Message

I spoke at the Summer Leadership Meeting in Pasco about the need for good leadership in the Church. I was not really referring to the clergy, although there is, of course, need for good leadership on their part, too (and, thankfully, here in Washington we have faithful, capable bishops, priests and deacons!).

I wasn't saying, either, that we need people to step up and try to take the Church in a new direction, independent of the leadership of our duly-appointed shepherds. Yes, there is need for new ideas and fresh perspectives; however, such ideas and perspectives are brought humbly before legitimate authorities to see if they might be helpful in furthering the Church's mission. "Going rogue" is not a leadership strategy that fares well in this context!

When I spoke of the need for leadership, I meant that the Church today needs the members of her family to step forward and play their part in the life of the Church. In a way, we are already doing that (e.g., I am serving as a priest, most of you are serving as married men, etc.—in other words, most of us have settled into our vocation in the Church). At the same time, though, there is great need for deeper engagement.

I'll try to illustrate what I mean. When, as a parish priest, I ask for volunteers for some parish program or another, I am often met with the response: "Oh, Father, I'd be glad to help... but I don't want to be in charge." Don't get me wrong; I'm glad to have the help. However, I'd be even *more* glad to have someone step up and say, "Sure, Father! Just let me know how you want this to go, and I'd be happy to take it and run with it."

I suspect this happens at Knights of Columbus meetings more often than we'd like to admit. The Grand Knight asks those assembled if any will volunteer to take on a leadership role in one program or another, and no one says a word. There are lots of guys who are willing to help, but no one wants to be the one responsible. You know the joke—which we laugh at because it can be so true—"Don't miss a meeting, or you'll get elected for something!" Hopefully in your council this isn't the way leaders are chosen!

I'm sure it varies from council to council: some have a lot of men who are willing to sacrifice in big ways to make things happen, and some have a hard time getting members to participate even on a pretty minimal basis. Perhaps you're someone who is not accustomed to being in positions of leadership in your council or parish. You might be surprised to learn (1) that you don't have to be a mastermind and figure out everything on your own, (2) that it's easier than you probably think, and (3) that your help could be *extraordinarily valuable* to your Grand Knight and/or your pastor.

Elections are over for the current fraternal year, but I still want to urge you to consider taking on a role of greater responsibility in your council. Don't be afraid! Especially if you trust God to work through you—instead of relying solely on yourself—much good can be accomplished. Take a look at all the gifts God has given you, and remember: of those to whom much has been entrusted, much will be expected.

So, take the leap. Your gifts are needed!

Vivat Jesus!

### State Secretary Report August 2019

Brothers,

We had a great Summer Meeting; at least I will think so after I find my desk from all the paperwork. We go to an incredible amount of effort to put one of these meetings on. Hope you took advantage of that effort.

I am in the process of billing for our liability insurance. Our cost this year is \$1.20 per member. Compared to other states (\$1.75+), this is very reasonable. Just think about it, \$5 million of liability insurance for \$1.20 per member!

I reworked the NEXT SIX MONTHS and CERTIFICATE OF ELECTION letters. The Certificate of Election will not apply until after the first of the year, but I wanted to include since the Convention is still fresh in our minds'. If you do not have a copy of the letters, check with your DD or go to the website.

Regional Meetings are coming in September. Check the website for a time near you.

I am looking forward to a great year. Buckle up and let's go for a ride.

Kim Washburn  
State Secretary

N.B. Correction to Six Months Letter: **DD Winter Meeting is Dec. 6-8** instead of what is listed in the letter. For the complete, updated transcript of the Six Months Letter, please see the State Secretary's page on the State Website.

## Message from the Bulletin Editor

My wife and I took a trip to Oregon last month and, following the direction offered by the State Chaplain, decided to make sure that we attended Mass as part of our journey. We decided to hear the Mass at the Proto-Cathedral of St. James in Vancouver, WA. It was quite an experience. The celebrant, Father Harris, wore hundred year-old vestments and, although the Mass was in English, it was done in the style that I remember from the days before Vatican II.

Plusses: There was a strong sense of the presence of God in this place, and a definite aura of reverence in the celebration of the Mass. I got to pray the Nicene Creed (which has not been prayed in my parish since the new translation was mandated) - I even got to say “consubstantial.” No one tried to force me to hold hands during the Our Father. The music was traditional and the cantor led from the organ loft. The architecture was pleasing as well.

On the less positive side, the Consecration was done with the celebrant’s back to the people and performed inside the Tabernacle, the way I remember it being done many decades ago. It didn’t bother me at the time, but now it seems to me wrong somehow to hide the consecration like transubstantiation was some sort of conjuring trick. Also, kneeling at the altar rail—something most Catholic churches don’t even have anymore—to receive communion was a lot easier for me sixty years ago than it is now.

It was an interesting and somewhat nostalgic experience and well worth the extra effort at planning it took to work it into our travel schedule. Travel can be a good opportunity to get a fresh look at the Mass by experiencing how other parishes celebrate it and to realize that, regardless of the local variants, we are all still members of one, holy, catholic, and apostolic Church.

Vivat Jesus! Viva Cristo Rey!

## State Advocate's Message

Brother Knights,

Welcome to the new State Advocate bulletin article! I have some big shoes to fill following Greg Mahoney, but here goes . . .

I am here to assist the State Council on all legal matters - I will research and report the facts, but I am not licensed to provide legal advice. If you need legal advice, I can help you find it. That is a pretty big item to remember so you will likely hear it throughout the year.

One big focus on will be on legal and tax related subjects throughout the year that impact council operations. Safe Environment training will a big topic, with graphics to track Council compliance over the year. This is a point of emphasis with Supreme and there is no wiggle room – ether you follow the policy or you can't hold events. It is that simple.

As the new fraternal year kicks off, pay attention to your filing of IRS Form 990. The Internal Revenue Service (IRS) requires the Supreme Council and each of its subordinate councils, assemblies, and chapters in the United States (referred to collectively as councils) to file an annual informational tax return (IRS Form 990, 990EZ, or 990N). For purposes of tax compliance, the Knights of Columbus encompasses not only the Supreme Council, but also its subordinate units. Accordingly, all councils in the United States may be recognized by the IRS as “fraternal lodges” for purposes of the tax exemption granted to fraternal benefit societies under Section 501(c)(8) of the Internal Revenue Code. This means that revenues received by a council for fraternal, recreational, or charitable purposes are not subject to federal income tax.

Most councils file Form 990N (e-Postcard). Filings are done every year either on a calendar or a fraternal year end. Your first filing will determine your filing year.

It is very important that all councils comply with the annual IRS filing requirements. Failure to comply with the IRS filing requirement will ultimately lead to the revocation of a council's tax-exempt status. Those councils that have had their tax-exempt status revoked should apply for reinstatement as quickly as possible to avoid potential tax liabilities. From the date of the IRS revocation notice to the date of IRS reinstating the council's tax-exempt status, the council will be considered a taxable entity and therefore liable for any taxes accrued during that period of time. Fines are involved if a council has to be reinstated – hundreds of dollars.

If you have any questions or concerns regarding the Constitution and Laws of the Order please send me a note or call.

Vivat Jesus!

Fraternally,

Thomas C. Williams

## State Warden's Message

### State Warden Report – 2019 Summer Meeting Survey Results

Thank you to all who attended the 2019 Washington State Council Summer Meeting in Pasco, WA 19 – 21 July 2019. You made this a beneficial meeting for all attendees as evinced by comments made by 33 of the 189 participants, who returned the three-question survey at the end of the meeting. The questions were:

What information did you expect to learn when you registered for the summer meeting?

What information were you actually provided during the summer meeting?

How can the Washington State Council improve your experience during future summer meetings?

Attendees at the summer meeting included 49 financial secretaries, 40 Grand Knights, 13 Deputy Grand Knights, 7 Council Program Chairmen, one Council Treasurer, and 8 various other Council officers and chairmen. There were 23 District Deputies at the summer meeting in addition to 6 Program Directors, 14 State Chairmen, 7 State Officers, 7 Past State Deputies, our Executive Director, 2 General Insurance Agents and 6 Field Agents. We had 4 Financial Secretary Trainers and one District Deputy Trainer provided by the Supreme Council.

The primary interests of **Financial Secretaries** were learning more about member management, member billing, issues related to Pennies for Heaven, Council planning and budgets, use of credit cards and clarification of Safe Environment requirements. The consensus of Financial Secretaries responding to the survey was that these topics were covered as was the process of on-line data entry. Several participants suggested that meeting rooms could have been cooler, that Council Treasurers would benefit from the training but that the interactive training and validation of financial processes training was excellent.

**Grand Knights and Deputy Grand Knights** were generally interested in information about Faith in Action and membership programs as well as contact information for State Program Directors and Chairmen. Other interests included on-line recruitment, availability of on-line training and more general information about Faith in Action and other Knights of Columbus activities, Washington State Council expectations for, as well as duties and responsibilities of Council officers, and the Monthly Service Reports. The general consensus of Grand Knights and Deputy Grand Knights was that they received good initial information about membership, recruitment and retention, a brief but good overview of programs with contact information for those supporting the programs and some but not enough information about effective leadership and meeting management. They also indicated that the information technology website review will be useful. There were a number of requests for more detailed information about implementing all of the Knights of Columbus programs and more time for a dialogue between those making presentations and the audience. There were also a number of requests for recruitment role playing demonstrations, more detailed information about on-line recruitment, sessions for Council program chairmen and additional short bio-breaks. A few participants stated that there was too much focus and time spent on membership and recruitment.

**District Deputies** were generally interested in understanding their duties and responsibilities, conduct of and participation in ceremonials, and recruitment. The District Deputies indicated that the Star Tracker for reports would be useful. They thought that some of the information in videos was outdated and described “how it was done” rather than how we should accomplish our tasks today. The District Deputies were also interested in having more information about member management and member billing, which were only described in the two Financial Secretary training sessions.

The various other **Council officers and chairmen** attended to learn about skills they would need to properly serve in their various capacities, learn more about on-line membership and learn about sources of information describing their duties and responsibilities. The Council officers and chairmen requested more information about access to sources for information that would help them understand their duties and responsibilities. In addition, there were several requests for hard copies of the state directory.

Many of the summer meeting participants in all categories expressed an appreciation for the opportunity to meet and start networking with Washington State Council officers and chairmen as well as fellow officers and chairmen in other Councils within our State. The only significant criticism was lack of a comprehensive agenda several days before the start of the summer meeting providing start times for training sessions so that participants could know what their arrival time should be.

## Immediate Past State Deputy's Message

Hi Brothers,

I'll bet you guys wonder what a guy does the with all of his time when he is done being the State Deputy for the Washington State Jurisdiction. Well, I have been done for 16 days and so far I went golfing, went fishing, and stained my deck. Just in case you were interested. Pictures follow:

As a reminder, I will be the guy who sends out **GET WELL CARDS** and **BERREAVEMENT CARDS**. There really isn't a whole lot to it. All you need to do is when you report an illness, give me a name and an address to send it to and off it will go! When you report a death, make sure that I have the name and address of the next of kin and I will send out that card as well. As a matter of courtesy to those that are grieving, it is very important to let me know as soon as possible. Nothing is worse than a **LATE SYMPATHY CARD**. It's hard enough to live through the passing of a loved one once, without having to be reminded of it a month later. If I feel it's been too long (later than three weeks) I won't send the card.

God Bless,

Bob

## Membership Director's Desk

Brother Knights,

We have an exciting membership action plan this year and a great membership team! I would like to start off with highlights of the plan and to introduce the membership team.

Our membership goal for this year to achieve the Circle of Honor is 800 men, which is our rolling 5-year average – this means that we have an achievable goal this year. Thanks to IPSD Bob Baemmert and SD Pat Kelley for helping Supreme to adjust our goal to this 5-year average and set us up for success. To achieve this goal, we will need to recruit an average of 67 new members per month – there is no penalty for exceeding that goal!

The other goals I have set for the state are below – tough but achievable:

**Councils membership active: 130 (80%)**  
**Monthly intake goal: 67 members**  
**New Councils: 1**  
**Round Tables: 40**  
**Star Councils: 27**  
**Produce 4 Star Districts / 1 All Star District**  
**Councils Submitting 1728, 365, SP7: 145 (90%)**  
**Conduct two successful State-wide Membership Drives**  
**Online Membership Intake Goal: 10 – 15%**  
**Engaged retention committees in all Councils**

How will we achieve these goals, you may ask? I have some fine men who are working on the membership team, that's how! Below are the main players:

**Membership Director** – that's me  
**New Council Development** – Abundeo Reponte  
**Roundtable Development** – William Swartz  
**Retention Chairman** – Darren Parsons  
**Recruitment and Development West** – Larry Devlin  
**Recruitment and Development East** – TBD  
**Hispanic Membership West** – Daniel Pradera  
**Hispanic Membership East** – Federico Lopez  
**Online Membership** – Renato Sacramento

In addition, we are reconstituting the Fr. McGivney Legacy teams, which represent the Knights at community events around the state. If you are interested in being part of the Fr. McGivney team or any other position on the membership team, please let me know asap.

To help promote recruiting, we will have a series of incentives for those Councils who recruit this year. Below you will find a quick overview and a copy will be posted on the state website shortly:

If you missed the summer meeting, then plan on attending one of the regional meetings that will be announced shortly and I can fill you in.

Our goal is to get every Council membership active, that you recruit at least one new man. Please see the membership graphic to note that Newport Council 14368 has already recruited three new members in July! Great work, Grand Knight James Hind.

One administrative note, all presentations from the summer meetings will be available on the state website shortly, as we promised at the meeting. Whether you attended the meeting or not, there is a lot of good information that you can use to help your Council.

## State Program Director's Desk

### Program Director's August Report

Please complete the Service Program Personal Report no later than the day after your Council's August meeting. The Supreme Council's deadline for submitting the report (form #365) is 1 August of the current Fraternal year; however, we are all still recovering from the annual summer meeting so I know some Councils are not going to complete this form on time. I encourage you to submit this report as soon as possible, otherwise your telephone is going to start ringing and you will receive copious amounts of email. I would also appreciate receiving a copy of the form when you submit the form to the Supreme Council. Please send the copy to my email address, [scottehulse@gmail.com](mailto:scottehulse@gmail.com).

Monthly Service Reports (MSR) submitted to the Supreme Council are due by the 10<sup>th</sup> day of each month. Please send a copy of your MSR to my email address, [scottehulse@gmail.com](mailto:scottehulse@gmail.com). I am looking forward to the opportunity for seeing all the programs that your Council participates in.

The 2019-2020 Fraternal year will be both interesting and challenging as we implement and take advantage of the many opportunities to serve our Church (Faith Director Tom Pursley Phone (360) 456-7624, email [PursleyT1@comcast.net](mailto:PursleyT1@comcast.net)), our Families (Family Director Ed Hebert Phone (360) 373-0592 email [ephebert@comcast.net](mailto:ephebert@comcast.net)), our Communities (Community Director Dang Nguyen Phone (425) 306-2464 email [haidangwa@gmail.com](mailto:haidangwa@gmail.com)) and our Youth (Youth Director Ken Devos Phone (206) 248-2543 email [Ken.Devos@comcast.net](mailto:Ken.Devos@comcast.net)), and to exhibit our belief in the Sanctity of Life and support for our brothers and sisters with special needs (Life Director Ron Degroot Phone (360) 412-1779 email [ron1105@comcast.net](mailto:ron1105@comcast.net).) I am looking forward to working with all District Deputies and their Councils. Please contact me should you have questions or want any kind of assistance with your programs (Program Director Scott Hulse Phone (360) 243-0745 email [scottehulse@gmail.com](mailto:scottehulse@gmail.com))

Thank you to all Knights, their wives and families for their service to our Church and to the Knights.

Respectfully Submitted,

Scott Hulse  
State Program Director

**State District Deputy Director's Message****State District Deputy Director**

Worthy District Deputies,

I hope you were energized by the Summer Meeting and the training presented by Chuck Davlin, Assistant Regional Growth Director – West. District Deputies who were present will receive credit for the required DD Training. I recommend doing the training again on your own. Log in to Officer's Online, click on Fraternal Training and then click District Deputy.

District Deputies who were unable to attend, please complete the DD online training within the next two weeks. Access the training as described above.

If you have not done so, please submit your Admission and Formation Degree schedules for the year and your District Deputy Organizational meeting schedule with your councils. This was originally due to the State Deputy and the Assistant Regional Growth Director at the summer meeting. Send to [DDD@kofc-wa.org](mailto:DDD@kofc-wa.org).

If you did not receive your District Deputy Appointment Certificate at the Summer Meeting, I will mail it to you. Those who did not attend the Summer Meeting, I also have your DD packet from Supreme and will mail the packets to you as well.

As we begin the new fraternal year, I am here to help you. Please do not hesitate to contact me anytime if you have questions or just want to run something by me for another perspective. I look forward to working with all of you this year.

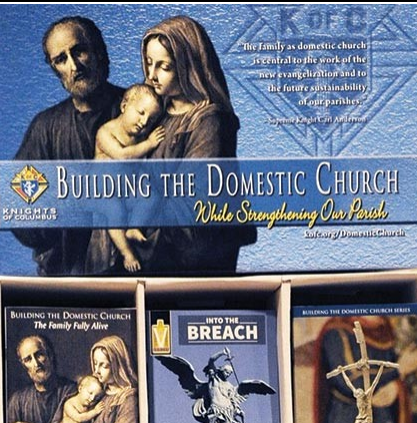

Fraternally,  
Greg

## State Faith Director's Report

**KNIGHTS OF COLUMBUS**  
IN SERVICE TO ONE. IN SERVICE TO ALL.

*Faith In Action Our New Watch Word*  
August 2019

As I reflect back to August of 2018 my wife had a stroke and was in the process of recovery. Your kind words and prayers proved fruitful. My wife's recovery has simply been remarkable. We both thank you and know her recovery is a consequence of your prayers and our Lord's guiding hand.

Brothers, my wife and I enjoyed our time with you at the summer meeting and its festivities. We look forward to spending the upcoming Fraternal Year with you and your families too. As a new fraternal year is underway, we received guidance and training during the summer to achieve our goals. Our New Program Model "Faith In Action," which encompasses our four programs: Faith, Family, Community, and Life turn out to be noteworthy and definable, suitably tailored to each Council's parish community.

As your State Faith Director, my concentration will be on building *that* "Domestic Church" via the Kiosk Reading Program and the remaining 7 of 8 Faith directed programs. They are, Holy Hour, Into the Breach, Marian Prayer, Vocations Support (RSVP), Rosary, Sacramental Gifts, and lastly Spiritual Reflection. These programs embrace that which Blessed Father McGivney endeavored for us to accomplish—with emphasis on the family and service to the parish community itself.

Faith In Action is arguably a rich blend of programs from which each Council/District should strive to achieve excellence. The Faith based programs mentioned above are programs that are most likely well established within the parish. Take the time to review what it is you are doing well within your parish and model a program accordingly. And always remember to seek guidance and approval through your parish priests.

The "how-to-accomplish" part can be a bit challenging. Again this year, I would ask all of you to take advantage of the resources available to you KofC.org/faith in action has a wealth of information on our program models. Knightline News for K of C Leaders, the Columbian, together with the Fraternal Leader Success Planner for 2019-2020, your strategic planning guide, you should be able to stay on track. Lastly, you need to look at Service Program Personnel Report # 365. The Faith Director, although "not required", I consider this position essential to your success for handling your Faith In Action Recommended Programs...you do have a Program Director Position that is "required" so your call on how you want to "keep eyes" on your Faith In Action programs...delegate someone and don't try to do it all yourself.

By now you should have received instructions from your District Deputies on when and where your District Organizational meeting will occur. Ask questions, get focused on Faith, Family, Community, and Life and do what you do best. And by all means, please document what you do, build the narrative, and be prepared to submit your Council for recognition next year. I was encouraged to learn of your interest in the "Building the Domestic Church" literature Kiosk. Likewise I found that some of you have taken the first step and have purchased the literature Kiosk and having found favorable results. I would encourage you to continue with this Kiosk and associated booklets. Get your financial secretary to order a Kiosk and Books for your Parish. **Building the Domestic Church Kiosk (#BDC-K)**

As always, asking our Holy Mother to intercede for us to Her Son Jesus is clearly understood. Let us request guidance and assistance for this upcoming fraternal year. Holy Mother, dispenser of heavenly treasures, I shall always ask your help with lively confidence for your never-failing assistance. My brothers, pray to our Holy Mother and recite all or part of the rosary often!

Fraternally and Vivat Jesus,  
Tom Pursley, State Faith Director

## State Culture of Life Director's Report

Bulletin COL Article for August 2019

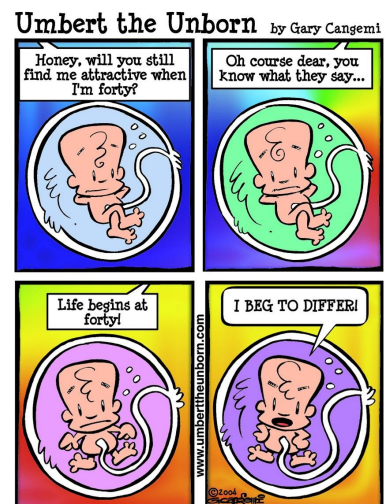

Every summer is always a busy time for the Culture of Life. We completed an Ultrasound Initiative for Care Net of Mason County. We hope to receive the matching funds from Supreme for that center within a month. It is always fulfilling to finally reach a point where all funding is complete and we are ready to place the machine. This will be the 25<sup>th</sup> ultrasound machine placed in Washington since the inception of the Supreme Program. It's interesting to note that the first five checks for matching funds were written to Pregnancy Resources Centers in the State of Washington on June 23, 2010. That was a long time before I became the State Chairman of Life but I can only imagine how delighted all Knights around the state were to have begun the program with such a bang. There is really no reason that we couldn't do that once more.

I reported in my State Bulletin article for February, 2019 that there was a major change in funding for the Ultrasound Initiative. Supreme has now partnered with 4US allowing 4US to match the funds raised by local councils, as availability allows, and Supreme will match those combined funds. There are many different ultrasound machines and depending on the needs of the PRC an ultrasound machine can be purchased anywhere from \$15,000 to \$30,000. Now a council can place a basic machine and only needs to raise \$3,750. A more sophisticated machine with many bells and whistles which sells for \$30,000, give or take, can be placed when a council or district raises \$7,500. The basic machine would be placed in a low volume Woman's Center where the more sophisticated machine would be placed where the center has a higher volume. Our biggest stumbling block is finding a qualified Pregnancy Center is finding a center in need.. I implore you to look for centers in your local area and ask if they have a need for a machine or possibly an upgraded machine due to age of the current machine or a change in need. The second major stumbling block has to do with the centers statement of faith. Since I first stepped into the position of Life Director we have lost 3 centers because they wouldn't allow Catholic volunteers, clients or employees to sign either the Apostles Creed or the Nicene Creed rather than the statement of faith of the center. This requirement was added only after a number of centers were reported to have proselytized Catholics did the USCCB and the Knights resolve that changes were required if the program was to continue. In the State of Washington the Archdiocese and the State KofC felt if a PRC had no statement of faith nothing needed to change. If the PRC does have a statement of faith it would be required that all Catholic employees, volunteers or clients be allowed to sign either the Apostles Creed or the Catholic version of the Nicene Creed in place of the SOF of the center. The crux of this requirement is that a Catholic professes one of these creeds at every Mass and every Rosary they pray and would be more comfortable signing a creed they profess.

By the time you receive this State Bulletin the Summer Planning Meeting will be a thing of the past. As a part of the Summer Meeting many of the State Chairmen will have given an overview of each of our programs. Some of the programs are new to the Life Program while others are simply New programs. I will report on some of the less known programs under the Life heading next month.

God Bless,

Ron DeGroot, Life Chairman  
Washington State Council  
Knights of Columbus.

## State Family Director's Report

### FAMILY

To cultivate life as a domestic church, a family must deliberately welcome God into its home. This program has been created to help each family do this. The **Family Fully Alive** program provides **monthly themes, reflections, meditations**, family projects and Scripture verses designed to help each family place God and the Catholic faith at the center of its life. Through prayer and reflection each family has the opportunity to grow in holiness together.

#### **Launching Your Parish Program**

Councils should speak with their pastors about the program and remind them that families can participate at no cost to the parish. The Family Fully Alive program can be used as a devotional for all families throughout the liturgical year and all of the programs **resources** are available here on our Building the Domestic Church webpages.

Councils should order the full printed program book for families to use at home. You can place your order online through Knights Gear or by calling or emailing our Supply Department at 203-752-4214 or [supply@kofc.org](mailto:supply@kofc.org).

#### **Suggested Weekly Format**

Designate a space in your home where your family can gather together for prayer. The space should be free from distractions and, if possible, decorated with religious images and sacramental to help direct the family's thoughts toward God. Open each week with the Our Father, Hail Mary or one of the other prayers included in the "**Prayers for Every Family**" section. Next, ask a family member to read the theme. Then, proceed with the month's prayer and activities. Then, offer some petitions with each family member, adding personal intentions to the prayer. Conclude together by reciting the **Consecration to the Holy Family**. Feel free to add to this basic structure other devotions, songs and whatever your family finds spiritually enriching for prayer.

#### **Adapting This Program to Your Family**

The family fully alive program is designed to be flexible to meet the continuously changing needs of your family. This program can be started during any month of the year, completing projects and saying prayers at the times and places most suitable for your family. Some suitable times would be after family dinner or shortly before bedtime, making it easier to deal with the challenge of bringing the entire family together.

However you decide to incorporate the family fully alive program into your family's busy schedule, one thing is certain — it will change your life. The monthly cycle of themes, prayers, reflections, meditations and family projects will help your family focus on the important things in the world. They will help build your domestic church as a place of faith, hope and charity, where each member will grow with grace toward his or her full potential in God.

Fraternally,  
Ed Hebert Sr.  
Family Chairman

## A Message from the State Ceremonials Director

### August 2017 State Bulletin Message On Ceremonials

My Brother Knights

Thanks to all of you Grand Knights and District Deputies who were able to attend and participate in this year's Summer Leadership Meeting at the Red Lion in Pasco.

As you're planning to put on and participate in all of the degrees organized for the coming year, I want to again impress upon each of you the importance of your roles in encouraging your new and existing members to advance through the Admission, Formation, and Knighthood degrees. Your personal commitment to our ceremonials is a vital key to the success of your Councils, Districts, the State Council and the Order. The more new and existing members can participate in all three of these degrees, the more dedicated and committed your brothers will be to actively participate in the Council activities and projects.

We have scheduled and organized a total of 30 Knighthood degrees throughout the State and the year. That schedule is on the website and it will be updated throughout the year. Your responsibility as Grand Knights and District Deputies is to carefully plan your Admission and Formation Degrees in an appropriate manner so that your members can be ready to participate in the planned Knighthood through the year in your area. Please take advantage of these opportunities.

Worthy District Deputies, as you plan your Formation Degrees for the year, here a few things to remember:

You as the District Deputy are in charge of the Degree!! You are responsible for the formation and making arrangements for the certification or recertification of individual members of your District team.

Before scheduling the degree, confer with your Grand Knights and other District Deputies for your area to make sure you select a date that will be convenient for all involved and will support upcoming Knighthood degrees scheduled in your area.

The attire for the degree should be one of two options: 1) the use of Ceremonial Robes or 2) the use of Supreme Council Ceremonial Sash worn over a dark colored business suit with the Council jewel of office

Work with your host Grand Knight to schedule an appropriate facility, on-site registration, and refreshments for the degree date.

Promote your Formation degrees in your own and surrounding Districts

Every degree should have an honoree. Invite your honoree to the degree and present the honoree to him at the degree or at some meaning time afterward.

Grand Knights, ensure that sponsors are present to escort their candidates. Candidates should never attend any degree by themselves. Sponsors should be present to support them at each degree that they attend.

**Remember:** Any priest taking the degree should only take it by observation. Your staff coordinator (team captain) should be informed if there are any priests planning to take or be at the degree. Good luck with your goals for the year ahead of us.

As always, be prayerful in all you do and at every gathering with your Brothers offer special prayers for all members of your Council both active and inactive, for new potential prospects, and for the success of your Council in accomplishing its goals for the coming year

Yours in Christ

Marcel

## **A Message from the Hispanic Membership Director/East**

### **Hispanic Membership and Spanish Councils:**

#### **“Opening the door to our brothers in their own language”**

Last July 2<sup>nd</sup> we enjoyed the visit of Jose Jimenez (Hispanic Membership Supreme Vice President) and Greg Mahoney (State Treasurer). They came to Yakima to visit our newest Council 17257 Monseñor Romero, at Holy Redeemer Parish. The attendance was average; as usual, the loyal ones were not there and our newest members were. The group of members that are not able to attend give us an average of 9 to 12 members per meeting. Most times the meetings will go that way. The total membership of our council is 28 members.

It's easy to see the enthusiasm of the Priests when you show up for an interview with the Parish Council to present what you think that the Knights can do if active in the parish. Answering their inquiries is fun, if you like and trust the Order. Don't be afraid of just presenting what you know but also what your experience has been. With the Domestic Church Programs it makes this process even easier.

Then the hard work begins, organizing a membership drive and taking as many members as you can recruit. Follow the format that Supreme offers and ask Father to accommodate the Prayer for Canonization of Fr. Michael J. McGivney (it can be prayed at the end of mass but it also has good results praying last during the Prayers of the Faithful). Also, a request needs to be made for the pulpit announcement, it is important to use the one available on the Supreme webpage.

Membership online is also an excellent tool to expedite the process of enrolling new members. If they have not decided to join that is fine, just fill in their information on the landing page and you will have an opportunity later to make contact in a more relaxed setting whether you visit at the church, home or invite him to an event where the rest of the members are volunteering. Give his email address (with his permission) to the publisher and have him receive the newsletter of your Council.

Look for members of the Council that can help with mentoring these new Knights, that have some or a lot of energy, and help them channel it in any of our programs. In some instances when it comes to Hispanics, in most of the Parishes, the group is reduced to a mass a week, in other places we have up to three masses per week. Gauge the opportunity to establish a Round Table initially and if the population is enough to set up a Council and it's sustainable, just pursue it.

So, this is the way we get to celebrate and welcome new members like we did on July 2<sup>nd</sup>.

Vivat Jesus!
