**Message from State Deputy,

Bear the Light of Christ

As we begin this Advent season I pray that you all are preparing for a Blessed Christmas season. I was inspired a few weeks ago as Julie and I had the opportunity to travel to Nashville, TN for the annual midwinter meeting with my brother State Deputies from across the Order. These Supreme Council meetings are always humbling as I get the chance to see the impacts our Order is having upon the world around us, through our support for amputee children in Haiti; orphans of the AIDS epidemic in Africa; providing Coats for Kids; the Wheelchair Mission; Food for Families; Habitat for Humanity; and thousands and thousands of programs at the council level around the world. How proud we should be to be members of the largest Catholic lay organization in the world! The words of our Supreme Knight Carl Anderson are always inspirational and I urge all members to take any and every opportunity to meet our dynamic leader.

One of the best parts of our annual meeting this year was that the Supreme Council invited the State Chaplains from each state to come to Nashville a few days ahead of the State Deputies for meetings and workshops with the Supreme Chaplain, Bishop William E. Lori, and Chaplain Coordinator Fr. John Grace. During the first day of our State Deputies meetings, we spend several hours in a workshop jointly with our State Chaplains exploring how the chaplains can help the success of the Order and vice-versa. I especially appreciated State Chaplain Bishop Carlos A. Sevilla's participation and felt that the joint workshop was the highlight of my trip.

One important outcome of our joint workshop was the recognition that we have an opportunity and an obligation to offer more of our greatest asset to our council members: we can and should add more spiritual activities to our plans and council activities. I'd like to see councils consider holding a mini-retreat of some kind. A full weekend retreat would be great if your council has the ambition to pull it off, but a smaller scale activity such as a morning or evening retreat on a weekend, or a dinner retreat followed by a breakfast meeting the next day, might be a little less formidable and might get a better turnout from your members. Consider approaching your council Chaplain and asking him to support the spiritual needs of your members in this way.

In addition to the Advent season and preparation for the birth of Our Lord, this month provides another opportunity for spiritual focus. The Feast of Our Lady of Guadalupe on December 12th is a wonderful opportunity to learn more about the Patroness of the Americas. I urge you to read a beautiful book written jointly by Supreme Knight Carl A. Anderson and by Msgr. Eduardo Chavez Sanchez, postulator of the cause of canonization of St. Juan Diego. The book is "Our Lady of Guadalupe – Mother of the Civilization of Love," and it provides insight into the history of the miraculous apparition of Our Lady of Guadalupe and the impacts she has had on all of the Americas. I pray that Our Lady will guide our efforts throughout the state all year and especially during this Feast of the anniversary of her appearance.

Looking forward to next month, please plan to attend the upcoming winter Regional Meetings in your area. The eastside Regional Meetings will be held the first weekend in January in Spokane and Yakima, with westside meetings in Vancouver and Everett January 14-15 and a meeting in Bremerton the following weekend. These meetings provide an important opportunity to get the information you'll need to be successful through the remainder of the year.

Finally, I want to mention an important scheduling item related to our ceremonials through the remainder of this year. Many of you may be aware that during the last few months we have been preparing for a scheduling change in our Second and Third degree exemplifications, wherein we intend to separate the performance of the degrees so that our members can better absorb the lessons of each degree. I have grown concerned that the schedule for implementing this important change did not allow enough time to give eligible First Degree members the chance to receive the Second Degree before the next scheduled Third Degree, largely because

(Continued on page 2)

STATE DEPUTY MESSAGE (Continued)

of a shortage of Second Degree teams. Therefore I have authorized the restoration of Second Degrees in conjunction with the Third Degrees scheduled through the remainder of this fraternal year (through June 2012 only). Stated another way, the remaining Third Degree dates from January through June this year will remain as combined Second and Third Degree exemplifications rather than stand-alone Third Degree exemplifications. That means we have a few more months for some of our new Second Degree teams to get up and running, but time remains short and we need to establish an aggressive schedule of stand-alone Second Degree exemplifications this spring. Please feel free to contact me or Ceremonials Chairman VSM Wayne Hogan, PSD, with any questions.

Viva Cristo Rey, Viva La Virgin de Guadalupe!

STATE SECRETARY MESSAGE**COACHES CORNER**

My Dear Brother's in Christ...The word "Advent" is from the Latin *adventus* for "coming" and is associated with the four weeks of preparation for Christmas. Advent always contains four Sundays, beginning on the Sunday nearest the feast of St. Andrew the Apostle, (November 30) and continuing until December 24.

It blends together a penitential spirit, very similar to Lent, a liturgical theme of preparation for the Second and Final Coming of the Lord, called the Parousia, a joyful theme of getting ready for the Bethlehem event.

Since the 900s Advent has been considered the beginning of the Church year. This does not mean that Advent is the most important time of the year. Easter has always had this honor. The traditional color of Advent is purple or violet which symbolizes the penitential spirit. Religious traditions associated with Advent express all these themes.

We, as Knights of Columbus, prepare for the "coming" of the Bethlehem event with our tradition of working to Keep Christ in Christmas by word and deed.

We wish you a very Blessed and Merry Christmas!

MEMBERSHIP RECRUITING -WE ARE ALL IN THE SAME BOAT

From time to time I hear a statement like "**All you State Guys care about are the numbers**" (referring to membership intake). I especially like this statement because I use to use it around my Council when we had plenty of active members, and I wasn't a State Guy yet. Then as our Council got a little older and fewer and fewer members were active, I started to understand why recruiting new members might be important. Pretty soon, we needed new guys just to fill our officer positions and to man our committees.

Recently, we have had a few really good recruiting years. I'm starting to see the new members take on leadership roles and our council is becoming more active again. This change was a direct result of our recruiting efforts, so maybe this working on the membership numbers thing isn't so bad. Whether you are a State Guy (like me) or a State Chairman (like I used to be), or a District Deputy (like I used to be) or just another council member (like I used to be), new members are good for everyone. That is more men to Save Lives and Change Lives, or more men to flip pancakes and to do the dishes. When it comes right down to it, we are all in the same boat- we all need new members in our Councils and when it comes to Membership Recruitment we all share in that responsibility.

The SD cannot do it alone. I cannot do it alone. Nobody can do that job alone! We all need to do our part in growing the Order. **We are all in the same boat, so here are your oars. NOW START ROWING/RECRUITING!**

Last month was still a little slow as far as Membership Recruitment goes, but we finally have taken in more men for the year than we have lost and I am hoping this trend continues. We are in 32nd place of the 72 jurisdictions in the Order. Now if we could just step it up a notch or two, maybe we can qualify for the two thousand dollars Supreme is offering States for hitting 45% of their Membership goal by the end of the year. Us "State Guys" would love to get that money so that we could better serve you "Other Guys."

So if you see me, just say: "**There is that State Guy who only cares about the numbers.**" And I'll remind you that "**We are all in the same boat!**"

From my wife Valerie and me, may God bless all of you and your families this Holiday Season!
May it be the most Peaceful and most God-filled Holiday you have ever had!

MESSAGE FROM STATE ADVOCATE

from the cluttered desk of your State Advocate!

My Brother Knights,

There are now only 10 Councils that I am missing EIN numbers for. If I do not have your number, I cannot check to make sure that you are on Supreme's Group Exemption List. If your Council is listed below, please drop me a line at StateAdvocate@kofc-wa.org and I will send you the 1/2 page form that you can submit to Supreme to be included. This will allow your Council to be recognized by the IRS as belonging to the Knights of Columbus. Those Councils I need are: 1379, 7149, 12002, 12175, 12889, 13597, 13761, 13834, 14852, and 14926.

There are ten Councils in jeopardy of losing their Tax-Exempt Status that I have not heard from lately. Please give me a status update at StateAdvocate@koc-wa.org These councils are: 763, 2103, 6097, 8136, 8266, 10534, 11252, 11789, 12786, and 13597.

It's time to start thinking about State Convention Resolutions. If your Council is interested in writing a Convention Resolution, you can check out the Convention Resolutions Planning Guide found in the Grand Knights Handbook Folder on your GK's Disc, or you can read all about it in the Grand Knights Handbook, Part II, Section 3 page II-16 through II-19.

Happy Holidays,

"Ebenezer" Baemmert-SA

Vocations/PFH/RSVP

Last month I presented an overview of the RSVP program that provides financial and moral support directly to seminarians and religious novices. This month I continue the overview by describing eligibility for RSVP.

The following persons are eligible to receive

RSVP funds:

1. Seminarians attending college seminaries (sometimes called minor seminaries);
2. Seminarians who have been accepted by a diocese and are currently in their "spirituality" year;
3. Seminarians attending major seminaries (usually, four years) in preparation for priestly ordination;
4. Seminarians in their "pastoral" year (most often, when they are deacons);
5. Seminarians who belong to a religious institute and are currently in formation for the priesthood (religious seminarians often are called "Brother" even though they will eventually be ordained as priests); and
6. Men and women who are novices or postulants in religious orders or religious communities.

Those eligible for assistance include foreign seminarians studying in the United States or Canada; U.S. or Canadian seminarians studying overseas; seminarians from your home diocese currently attending seminaries in another diocese, state, or country; and seminarians from other states or dioceses attending a seminary located in your jurisdiction.

Persons not eligible for RSVP funds are the following:

1. Priests or religious seeking assistance for continuing education;
2. Religious brothers not currently studying for the priesthood;
3. Candidates for the permanent diaconate; and
4. Consecrated persons who are not religious brothers or sisters.

Councils, assemblies and circles are encouraged to assist in other ways worthy individuals who do not qualify for RSVP assistance, but such aid should not come from funds intended for RSVP.

December Birthdays – the following seminarians will be celebrating birthdays this month. Let's keep them in our prayers. Armando Ortiz (18th) Michael Dion (21st).

FATHER MICHAEL MCGIVNEY GUILD

Did Father McGivney have a favorite sacrament?

Being theologically trained in a seminary, Fr. Michael J. McGivney surely had a much better sense of the efficacy and necessity of the sacraments than the overwhelming majority of us. He, after all, had himself received six of the

seven sacraments and had many times presided over the administration of the seventh.

From the writings available to us about his life - mostly the book "Parish Priest" - we will never know the answer to that particular question. However, we can discern whether or not we ourselves have a favorite sacrament.

From my own perspective, I have determined that my personal favorite among the sacraments has to be Penance. "How many times should I forgive my brother?" the question was asked of Christ - and surprisingly, the answer was "seventy times seven".

If we are expected as humans to be that forgiving of the faults of others, then what limit can there be on the generosity of Almighty God in forgiving our frailties? All we have to do is ask, with a contrite heart and a genuine intent to not sin again. "Washed in the Blood of the Lamb" - how truly blessed we are to be the children of God!

Life in Christ: Grace and Commandments

III – SIN

Sin is first and foremost an offense against God.

1. All sins are revolts against God.
2. All sins, like the first sin, are a refusal to accept God's will.
3. Sins are often an offense against another human person, but since God commands us to love others, sin is always an offense against God.

There are different degrees of sin. Some are mortal and some are venial.

Mortal sins destroy the life of sanctifying grace in us.

For a sin to be mortal, three conditions must simultaneously apply:

1. The object of the sin must be grave matter. In other words, it must be directly against one of the commandments.
2. The sin must be committed with full knowledge that the act is gravely wrong.
3. The sin must be committed with full and deliberate consent of the will.

A venial sin weakens God's life in us, but does not destroy it.

Venial sins are committed.

1. When the object of the sin is less serious;
2. Or when the object of the sin is grave, but the sin is committed without the full knowledge or deliberate consent.

The seven capital sins are:

1. Pride.
2. Avarice.
3. Envy.
4. Wrath.
5. Lust.
6. Gluttony.
7. Sloth.
8. These are called capital sins because they lead to other sins and vices.

The sins which "cry to heaven" are:

1. Murder.
2. Sodomy.
3. Oppression of people, especially oppression of widows, foreigners and orphans.
4. Dishonesty in wage payments to workers.

Look for more next month when we review Sins against the Holy Spirit.

Love and Gratitude Gifts to Give

**STATE VICE-CHAPLAIN
THE REVEREND
Jaime H Chacon**

During this time of Christmas and gift giving, let us take a moment to reflect on the meaning of gifts by slightly moving away from the images of stores crowded with people, prices, etc. Let us think of what a gift simply means. From my point of view, a gift should consist of two qualities to really be considered a real gift: One, it must be something given out of free will showing affection, appreciation or gratitude; Second, when a gift is given, one should only show happiness and not expect to receive anything in return. Because of these two qualities, I believe that there are many gifts that are far from the above mentioned because it is more of an investment or trade or to put it in other words, it is something materialistic that entails compensation. From the point of view of the person who receives a gift, some ideas should also be put into consideration: First, one should recognize with appreciation that a gift is above all else a sign of affection and gratitude and in that sense worth more than its monetary value and second, using the gift in a way of honoring the person that gave us the gift.

Taking into account the above, one can then say that a gift does not necessarily have to be somewhat expensive but significant; it doesn't have to be something necessarily materialistic but can be a gift that has sentimental and spiritual value. So dear friend, if you do not have money to buy things, remember that there are other gifts which have more significance and if the recipient does not recognize such gift then that is a sign of an impoverished friendship or in the case of a child not recognizing such gift, it is because the child has been poorly educated in such matters and believes that the only way to show love is to give them material things.

The way we see the qualities of gratitude and love is what makes a gift special; the gratitude shown from the person receiving the gift and the affection shown by the person giving the gift. This same dynamic is established in our spiritual experience in the way God gives us His gifts; not expecting anything in return, but would like something from us like the way we would when giving a gift: first, thanks and second the way in which we use the gift. The disregard and lack of gratitude for a gift destroys the spirit of sharing and distances us from one another. When we give a gift, it is to brighten up the heart of loved ones much in the same way God showers us with His gifts to bring joy to our lives and achieve true happiness. If you have ever wondered why there is so much sadness in the world it is simply because we human beings have forgotten to enjoy the gifts we have received from God. When you despise the gift of life, when the gift of love is discarded for the sake of false happiness or when we sneer at or ignore the gifts of faith, we forget who we are. When we ignore our origins we spurn our identity. Unfortunately there are still many people who await material things from God and while doing so, time has passed and they are not able to see and receive the gifts that elevate our soul and make us happy. Following God and enjoying His gifts is the way that prepares us for the coming of our God and Jesus Christ. Love and gratitude are the gifts to give.

Amor y Gratiud Regalos para Compartir.

Este tiempo de acción de gracias de navidad y regalos tomemos un momento para reflexionar sobre el significado de los regalos y alejándonos un poco de las imágenes de las tiendas abarrotadas de gente y de los precios y todo

Amor y Gratitud Regalos para Compartir.

caeso. Pensemos simplemente en lo que significa un regalo. A mi modo de ver un regalo debe tener dos elementos para que de verdad sea un regalo; por un lado debe ser algo que sale de la libre voluntad y decisión de mostrar riño, aprecio o gratitud; segundo, cuando se da un regalo no se espera nada a cambio solo dar felicidad. Por estos dos elementos creo que hay muchos regalos que están lejos de serlo, pues se trata más bien de una inversión o intercambio comercial o para decirlo en otras palabras es solo una muestra material que conlleva una retribución. Desde el Punto de vista de quien recibe el regalo, pondría también algunas ideas en consideración: Primero, siempre se debe reconocer con gratitud que un regalo es ante todo una muestra de cariño y gratitud más allá del valor monetario que este tenga y segundo darle un correcto uso como una manera de honrar a la persona que nos dio el regalo.

Teniendo en cuenta lo anterior podemos decir entonces que un regalo no tiene que ser necesariamente algo costoso, pero si significativo, no tiene que ser algo necesariamente material pero si ha de tener un valor sentimental y espiritual, por eso querido amigo(a) lector(a) si usted no tiene dinero para dar cosas recuerde que hay otros regalos que tiene más significación y si para quien lo recibe no significa nada eso es signo de una amistad empobrecida o si se trata de los hijos es porque han sido mal educados y creen que el amor solo se muestra dándoles cosas. Como vemos la gratitud y el amor son los elementos esenciales que hace de un regalo lo que es. Gratitud de quien lo recibe y cariño de quien lo da. Esta misma dinámica se establece en nuestra experiencia espiritual, es Dios quien nos da de sus dones, es decir de sus regalos, El no espera nada a cambio en retorno, pero si espera algo de nosotros como lo esperaría usted al dar un regalo: Primero, agradecimiento y segundo que usemos el regalo. El desprecio al regalo y la falta de gratitud destruye el espíritu de compartir y nos aleja los unos de los otros. Así como usted da regalos para alegrar el corazón de sus seres queridos, así Dios deja llover sus regalos sobre nosotros para alegrar nuestra vida y así alcancemos la verdadera felicidad. Si usted se pregunta por qué hay tanta tristeza en el mundo es simplemente porque a los seres humanos se nos olvidó disfrutar de los regalos que nos da Dios. Cuando se desprecia el regalo de la vida, cuando se desecha el regalo del amor en pos de una felicidad falsa, cuando despreciamos o ignoramos los dones de la fe, olvidamos lo que somos, cuando ignoramos nuestro origen, despreciamos nuestra identidad. Por desgracia hay mucha gente que sigue esperando de Dios bienes materiales que el tiempo corroe y la polilla se come y no pueden ver los regalos que nos elevan el alma y nos hacen felices. Volver a Dios y disfrutar de sus regalos es el camino que nos prepara para la venida de Nuestro Dios y Señor Jesucristo. El Amor y La gratitud son los regalos para compartir

Prayers for the sick and those in need are one of the most important duties of Knights. Financial Secretaries have the responsibility of informing WSS George Czerwonka of any Brothers or family members who have died or who are in need of our prayers. In order to keep this sick notice list up to date, we will purge the lists every two months (starting in October). Please keep us apprized of those in need on a regular basis. Death notifications should include name and addresses of next of kin and sent to WSS. Supreme can be notified on line in the Member Management program (or by Form 100 if the FS has not yet moved to this program. Vivat Jesus!

District Deputy Director Message

“EXPECT TO WIN”

When you read this message for the December Bulletin, the Winter Meeting (Mid-Year Meeting) for District Deputies will be history.

My hope is that what you heard at the meetings will not be lost to History, but will become a part of your responsibility as District Deputy.

“You are the representative of the Supreme Knight, Board of Directors and the State Deputy on the local council level.” The direction that your councils take in programming and membership depends on **your** guidance.

To be a successful leader in any role of the Knights of Columbus we need to be upbeat in our dealings with each other, have a positive outlook on life; and believe in ourselves and those we direct. This positive and expectant attitude in our dealings is catching to those around us. Even as the situation looks gloomy there is always hope, and hope dies when we become negative and give up, or don't do anything. Our job as leaders is to encourage and expect success in all that we encounter. I've always said, “Don't let the discouragers get you down.”

Let's look at, and set our minds on, being winners and believe that our councils will be successful these next 7 months. On July 1st we can say it has been a great year. Having a positive, expectant attitude will go a long way in making you and your councils successful.

“Let's get'er done.”

The celebration of Jesus' birth will soon be here. Sheila's and my wish is for you and all your councils and families to have a most blessed Christmas and a successful 2012.

John Wallace DDD

GENERAL PROGRAM DIRECTOR

My Brothers,

As the birth of our Lord approaches it is a good chance to look back on the things we sometimes take for granted. To try to remember how we got where we are today. It is often easy to assume that things we are responsible for are being done well, as long as we don't hear anything to the opposite. Unfortunately, a few things on your Monthly Service Reports need some attention. Although I don't want to mention specific Councils, the comments below stem from reports received from 10 different Districts

Below is a small list of odd things that seem to keep showing up in the Monthly Service Reports, sometimes from the same councils and sometimes not. Please remember the accuracy of these reports determines the records from which you'll create your Columbian Report near the end of the fraternal year. These records may also be very useful in

filling out your council's Fraternal Surveys as well.

A hidden benefit of accurately completing these reports is that they then show us what we did NOT do... This creates a chance to remind our own councils of the other opportunities for service that we may not have considered or just forgot things that we formerly did.

Always remember that Service, in the name of Christ, is what we are all about.

Service Reports Anomalies

- Repeating “one-time” items
- Not giving dollar amounts to seminarians
- Misc info placed in “Name of Seminarians” box
- Visited another council (not DDs or State Officers/Chairmen)
- “Sisterhood” vs. Seminarians for credit?? (SOs)
- Reactivate vs. New member (same person is claimed for both ??)
- Misc entries: “Hours of service XX or “Community Hours” XX... “Family hours” of service XX
- (No Credit – must detail what took place)
- “Submitted Annual Reports”...too early?

Contributed \$3.65/member to be determined by SS Jan 2012 not claimed by councils in November

Fraternally,

Pat Kelley, SW General Programs Director

DISTRICT MASTER'S MESSAGE

Please join me in congratulating the 37 new sir knights from 16 assemblies and 22 councils who were exemplified in Bothell at St Brendan Parish on **November 5, 2011!** **Two** of the candidates exemplified **were priests** – please welcome **Fr Tony Bawyn** of Seattle Council 676/Assembly 1168 and **Fr Paul Brunet** of Longview Council 2763/Assembly 1170.

Congratulations to Issaquah Assembly 3187 for achieving 100% of its membership quota and to Kirkland 2621 (83%, 5 new members), Shoreline 2259 (75%, 6 new members), Bothell Assembly 3123 (75%, 3 new members), and Buckley 3106 (67%, 2 new members)!

On an administrative note, I noticed that many previous revisions of Form 4 membership document are still being used (e.g., from 1988, 1999, 2003, 2005, and 2007 – see the upper right hand for the revision number). **Please order the newest revision of the form (2011)** and begin using it as new information is being requested by Supreme (continue to use the 7/07 version “until supplies run out,” but try to refrain from using earlier versions). Also, **do not remove the Financial Secretary or Assembly copies** from the Form 4 – I will sign and return them to you after the degree.

Military Chaplain Scholarship Program

As of November 21, 2011, I have received donations from only 11 assemblies and 2 councils, but they have donated over \$1600 to the Military Chaplain Scholarship Fund. We are still short of our goal of \$4,000. Please send the donations to me prior to December 20, 2011, so that I can make an initial Christmas present submittal to Supreme.

A special thanks to those assemblies who contributed significant amounts: Federal Way 1955 (\$300), Bellevue 1630, Renton 2376, and Kennewick 2258 (\$200 each), Council 6806 (\$150), and Spanaway 1845, Spokane Valley 2414, and Stanwood 3223 (\$100 each). Also making donations were Aberdeen 1170, Lynnwood 1707/Council 9605, Camas 2926, Ellensburg 3041, Bothell 3123, and Spokane 3283. Thank you for your support of vocations in the military!

DISTRICT MASTER'S MESSAGE (Cont.)*Christmas-Time Patriotic Quotes*

It was 235 years ago, on December 23, 1776, three days before the Battle of Trenton, when a pamphlet was read aloud to the Continental army in an attempt to bolster morale.

The famous opening lines are:

- These are the times that try men's souls.
- The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of his country; but he that stands by it now, deserves the love and thanks of man and woman.
- Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph.
- What we obtain too cheap, we esteem too lightly. Heaven knows how to put a proper price upon its goods; and it would be strange indeed, if so celestial an article as Freedom should not be highly rated.

On December 26, 1776, General George Washington's army of 2,400 men crossed the icy Delaware River in adverse weather led the main body of the Continental Army against Hessian soldiers garrisoned at Trenton. Washington's forces caught them off guard and, after a brief battle; nearly the entire Hessian force was captured, with negligible losses to the Americans. Despite the battle's small numbers, the American victory inspired rebels in the colonies. With the success of the revolution in doubt a week earlier, the army had seemed on the verge of collapse. The dramatic victory inspired soldiers to serve longer and attracted new recruits to the ranks.

Sixteen pamphlets were published between 1776 and 1783 that together were known as "*The Crisis*." They were written by Thomas Paine who signed them with the pseudonym "*Common Sense*."

As most of you know by now, three Images of Our Lady of Guadalupe are circulating through Washington. This program is in effect throughout all Knights of Columbus jurisdictions, and will continue through June of 2013. In this message, I will attempt to give you some information on the progress of the program.

One Image was given to Brother Joseph Plant, our Marian Devotions Chairman for the state, who lives in Belfair. The Image of Our Lady of Guadalupe has already visited the Vancouver and Olympia areas and is now making its way northward. It is now in the District 22 area and will be transferred to District 29 on November 30th.

The second Image has been given to Thomas Sokol, the New Council Development and Round Table East Chairman, for distribution in the Spokane Diocese. This Image has already visited several parishes in the Spokane area, and is currently in District 5. It is scheduled to visit Assumption of the Blessed Virgin Mary Parish in Spokane on December 4th, and then St. Patrick's in Pasco on December 12th. Following this it will be transferred to District 33, when it will be taken to Parishes in Deer Park, Chewelah, Newport, and Colville.

The third Image is now in the care of District Deputy Terry Wauzynski of District 6. This Image has visited Holy Spirit Parish in Kennewick, Blessed Sacrament Parish in Grandview, Immaculate Conception Parish in Mabton, St. Joseph Parish in Sunnyside, Holy Rosary Parish in Moxee, and Holy Family Parish in Yakima. It is currently scheduled to visit St. Paul's Cathedral in Yakima on December 12th. Following this, it will be returned to District 17 for further visits there.

In subsequent bulletin messages, I will try to keep you updated on the progress of this program. For information about this program or to schedule a visit, contact me at (509) 734-4787.

I am hoping that visits of these Images to your Parishes will be very beneficial and spiritual. I wish you all a blessed Advent and Christmas season.

Vivat Jesus!

Joseph Carson, State Church Director

Sports Chairman (Soccer)

The goals are set, the nets are up, the balls are pumped up and the score keepers are in place. With all this, it can only mean one thing; it's Soccer Challenge time again. For the third year, Auburn council 3598, Grand Knight Joe Winters, and District 12, DD Mike Mansanarez, have hosted the state Soccer Challenge finals. Now if we can get the weather to match the anticipation and enthusiasm of the participants, it would make this the perfect event. The cost of holding an outdoor event in western Washington in early November must include our 3 good friends; cold, wind and rain. But nothing can spoil or dampen the efforts and the will of the Knights of Columbus.

Twenty-four District winners representing 9 age groups came to give their best kicks to become a state champion. The talent and energy level of the competitors makes this a rewarding event to hold. Depending on the area of the goal the participants are kicking at, they can score 5, 10 or 20 points per kick, with a maximum value of 500 point. All participants get 25 kicks.

The state champions for the 2011 Soccer Challenge with scores of out a possible 500 point are:

Age	Girls	Boys
10	Anna Masterson 200	Dylan Grenz 200
11	Gia Acosta 155	Daniel Cavazas 150
12	Ella Virdell 155	Gavin Masterson 200
13	Morgan Robyclek 160	TJ Smith 150
14	No participants	Greg Stadtmueller 115

Boys 12 year champion, Gavin Masterson, is a repeat champion and was named as an International champion by Supreme during our first year of holding the Soccer Challenge competition in 2009.

I would like to see more councils and districts get involved with the Soccer Challenge program. Nine of 33 districts were active with this program this year, 7 were from western Washington. Districts 7 & 17 are the only ones active in Eastern Washington. Looking at the Washington State high school soccer results, I see many teams from Eastern going deep in the playoffs with some getting to the championship game. I know there are soccer players out there; we just need to initiate the effort and grab their interest by holding a council level Soccer Challenge program.

Thank you to all the councils, districts and volunteers that helped to promote the Soccer Challenge program this fraternal year.

Vivat Jesus!

District competition setup should be similar to the state competition. Have all participants of the age group currently shooting sit in chairs facing the basket. Everyone uses the same ball and must shot in the same time frame. If the participant is not in the gym prior to their age group completing their shots, then that participant is not eligible to shoot. No exceptions will be given.

One DD will be the regional contact and report to the state sports chairman. Regional trophies will be sent to the host DD prior to the competition date. Please send the date of the regional information to me ASAP. I need to send a schedule of trophy delivery dates to your supplier. **A 2 week minimum lead time is required!!** to ensure that the arrive trophies in time for the regional competitions!!

The host DD or representative will be in charge of all paper work. Please make sure that all winning entry forms are taken to the state competition or delivered to the State Sports Chairman prior to the state competition.

Wheelchair Program

Over the last several articles, I discussed with you

THE MISSION

THE NEED

THE IMPACT

During this holiday season as we give thanks and await the birth of Jesus Christ, let's take a moment to reflect on what a donation to the wheelchair program will mean to those in need of mobility.

This program is **not** an annual event culminating at the State Convention. As soon as you can make a donation, please do so. Your donations need to be sent to the State Secretary, George Czerwonka. Global Wheelchair Mission is a 501(c) (3) tax-exempt organization.

I want to **challenge** every council to help kick start this program by writing a \$200 check and sending it to our State Secretary. If you accept my challenge, we will raise \$29,800. This will get us our first container of wheelchairs and a balance toward the next. Don't forget the side effect of this program, increased council membership. When you do the "Wheelchair Sunday" or other fund raisers, please be prepared with form 100's.

A Life Story

Two monks were traveling together when they came to a river with a strong current. As the monks were preparing to cross the river, they saw a very young and beautiful woman also attempting to cross. The young woman asked the monks if they could help her. The younger of the two monks hesitated as they were not supposed to have any physical contact with women. The older monk gently motioned the woman onto his back and proceeded to help the woman across. Upon reaching the other bank of the river, the woman got down, thanked the monks and went away.

As the monks continued their journey, the younger monk became increasingly agitated and finally spoke out. "Brother, you know we are not permitted to have any contact with women. How could you carry that woman on your shoulders?" The older monk looked at him and softly replied, "You are right, I did carry that woman. But I have already put her down many hours ago after we crossed the river. Why are you still carrying her?"

When we are insulted, criticized, wronged, judged, hurt or see someone doing something wrong to another person, it's natural to get angry or upset. But, as time passes, do you still hold grudges against the person who offended you? Are you still holding onto resentment? Are you still carrying the memory of that person or situation in the back of your mind? The situation took place in the past and no longer exists. It is water under the bridge.

Tootsie Roll Program

I am still getting reports and funds from our participating councils. 9 councils have yet to report. Most of the 9 are in the process, but the others need to get their information turned in. When I say participating, I mean they ordered Tootsie Rolls.

Several other councils filled out the Council Chairman Report Forms, and then I lost touch. If you are one of the councils that ordered Tootsie Rolls and didn't participate, please fill out the Council Drive Report Form and show how many Tootsie Rolls you have and leave the rest blank. This will save me trouble in checking with the Tootsie

Roll Company. All Forms are on Columbuscharities.net

Here are the councils that have participated so far:

1643	Olympia	8476	Camano-Stanwood	13597	Leavenworth/Cashmere
3044	Okanogan	8872	Colbert	14268	Newport
4782	Vancouver	9238	Gig Harbor	14922	Spokane
6806	Spanaway	9637	Buckley-Enumclaw	15136	Sumner-Orting
7528	Federal Way	10532	Port Townsend	15143	Spokane St. Aloysius Parish
7642	Kirkland	11134	Spokane		
7908	Federal Way	12273	Colville		
8455	Sequim	13560	Holy Cross Church		

As you can see, we had a lot of councils that didn't participate.

Grand Total collect to date is \$51,618. As they were supposed to do, some councils have been sending in additional funds collected through Tootsie Roll sales for Halloween and other events, so this amount will continue to rise. With the other 9 councils, we should be well over \$60,000.

While that is shy of our goal, given the short time we had to prepare, I am thrilled with the results. I am, especially, thrilled with the councils that took a leap of faith for this first year. Without your pioneering effort, this program might not have been a success.

While the councils that participated have months to select organizations they want to give to, some have already decided and sent the appropriate documents for disbursement. I am going to give just a small list of the organizations that will benefit from this first year.

Washington State Special Olympics Summer and Winter games, Special Olympics Seattle and Spokane, Association for Retarded Children (ARC) of Washington and Spokane, Morning Side, Rainier Therapeutic Riding, Chinook Enterprises, Skagit Pre-School Association and Resource Center, Bernadette Place, House of Charity, The Bangsund Dwelling Place, Cornerstone Community, Upper Valley Connection, L'Arche of Spokane

And so on....

See what a difference this program is making. Only one of these organizations was receiving funds from any KofC council in the State of Washington last year. All of this for, basically, ONE weekend.

The funds are important, but what is not listed is the experiences, brotherhood, fun times, getting to know people, associating with needy organizations, being seen in the community outside the parish, membership, converting, rejuvenating a relationship with the Catholic Church, must I go on?

The councils that participated are looking forward to next year. See the benefits and tell me you do not see any reason to not get involved next year. Look around you and you will see a reason.

Spread the good!!!

God Bless,
Kim Washburn
State Tootsie Roll Chairman

STEVE SNELL, FDD, PFN, PGK -- STATE FAMILY CHAIRMAN

SECOND ANNUAL HOLY BOWL

“OH WHAT AH NIGHT”

By STEVE SNELL

OCTOBER 28, 2011: WALLA WALLA -- Mark Twain said, “It’s not the size of the dog in the fight, it’s the size of fight in the dog.” At the second annual Holy Bowl game Mark Twain would have had a smile on his face as two Catholic football teams, the DeSales Irish and the Tri-Cities Prep Jaguars, went head to head under the lights; both teams had a bucket full of fight in them. It was a sign of character that no one gave up; the teams played their hearts out on a chilly rain-soaked evening at Ty Baffney Field.

It was a tough night for Prep as Irish Quarterback Jeremiah Cox threw four touchdown passes and running back Lucas Fazzari rushed for three scores as De Sales closed out its 2011 regular season with a 54-14 victory.

There were festivities before the game most notable a tailgate party hosted by local Knights Council#766 from 4-6:30 p.m. the Council fed over 130 fans with chili and hot dogs for \$5. The Booster clubs sold Holy Bowl T-shirts. Color guards from the combined Assemblies of District 7, led by Karl A. Hadley, Master – Washington District presented the colors in an inspirational opening ceremonies presentation. Father Jeff Core of St. Patrick’s Parish administered a blessing to both football teams and the Traveling Holy Bowl Trophy in the opening ceremonies.

All four Priests from the Walla Walla parishes joined us for chili and football.

We were much honored to have many KC dignitaries in attendance

Washington State Secretary – George Czerwonka Jr. and his wife Sharon

Karl Hadley -- Fourth Degree Master Washington District

Two State Chairman

District Deputy #7, Jeff Kadinger

Most of the GKs from the District

Members from every Council and Assembly within the District

Armando Villarreal, insurance agent manned a membership table

Members of the planning committee for the It’s About Life Conference coming to the District Feb. 25, 2012 had an information table at the field.

Pro-Life truck was on site and received many favorable comments.

Walla Walla GK Paul Gerola spearheaded a 50/50 raffle drive with the proceeds going to the host school. The evening was a great collaborative effort between the Knights, the Schools, the Booster Clubs and many members of the District’s Councils. And finally a special recognition must go to the outstanding efforts by the Co-Chairmen of The Holy Bowl Committee, J.P. Kent (766) and Marcel Bergeron (10653). To bring everything together required months of planning and more meetings than can be remembered. To pull this off requires a patient, understanding wife and a knight’s dedication to their mission, thank you J.P. & Marcel for your outstanding leadership.

In the closing ceremonies the traveling Holy Bowl trophy was presented to the Irish football team by State Secretary George Czerwonka. Two Sportsmanship Awards were given to one player from each team, chosen by the Athletic Director from the opposing schools. The Sportsmanship Awards went to Nick Wales of DeSales and Briar Westerfield from TCP.

The Holy Bowl Trophy will remain in Walla Walla for another year. Winning has certain rewards and for the next year the trophy will be on display at DeSales, the Irish now hold Holy Bowl bragging rights for the year. While this is a friendly rivalry, next year the game will be in the Tri-Cities, where there will be a host of Jaguars waiting and remembering a rain-soaked evening in Walla Walla.

Squires Circle

The winter is upon us and the squires program in our state is strong in some council's and non-existent in others. We have 149 councils in our state and we only have 11 active Squires circle's in those council's. You do the math, that isn't a very good ratio. The Squires program is a program to develop leadership skills in our young men of our parish. It is a program that will help develop future Knights and leaders of our local church. In an era where membership is more and more difficult to achieve, we need to look at any program that will help build membership. This is the Program to help build Knights. Every council should have a circle that can build the membership for the council and the future leaders of our Parish.

The Squires Circles in Washington have been busy this fall with activities that help the local community and the Parish. Circle #5497 Crusaders of St. Joseph took the time to help the Grand Knight of their council clear leaves, debris and a 70ft Fir Tree that had toppled over from the Wind. The boys worked all day and cleaned up the mess. This circle also helped in cutting 12 fir trees that were displayed by a local business in Olympia. The display's theme is to Keep Christ in Christmas and will be seen by many visitors this Holiday Season. Great Job!! Circle #5497. Circle #5421, Vince Lombardi Circle out of Marysville helped provide servers for the Silent Auction that was held at St. Mary's in Marysville, for Pregnancy Aid. The boys provided help with prep of the dinner, for serving the dinner and clean up after the dinner. The Dinner and Auction was a success for Snohomish County Pregnancy Aid and the boys had a great time helping out. Great Job!! Circle #5421.

I would like to take a moment to recognize our Chief Squire of Washington State. Kyle Discher is a Squire from circle #5421 Vince Lombardi Circle, Marysville WA. He has made the honor of Eagle Scout this last month. Kyle has been a Squire for 4 years and has held every position as a squire leader. Kyle is an altar server at St. Mary's, Marysville and participates in the High School Youth Group. Kyle is an example of what the young men in the Squires program represent. Kyle is committed to church, family, community and his fellow Scout's and Squire's. The Knights and Squires of Washington are very proud of your achievement, Kyle.

The Squires can help build leaders and new members in your council's. Please reach out to me if your council is interested in starting a circle. Who knows, your circle may have the next Priest, Eagle Scout or GK in it.

FS Trainers Tip of the Month

Just a reminder, now is the best time to make the transition to Member Management/Member Billing. With the new year on the horizon, you can spend that quality time to start updating your database, order those MM/MB compatible membership cards, set up your billing formats and be ready to go in December. Remember, if you need help, contact FS consultants David Konzek or Ed Broadhurst for assistance.

Save a stamp, be sure to include the Annual Survey of Fraternal Activity form in the membership billing envelope. January 31st is not too far away.

Vivat Jesus!
