STATE DEPUTY'S SHORT NOTES

3 = 1 = SUCCESS

What does 3 = 1 mean?
No, it's not an oil can.
Ask 3 Catholic men to join the Knights.
One may join; if not, try 3 more.

BLITZ-BLITZ-BLITZ

Means: Council membership quota met

Means: District membership quota met

Means: State membership quota met

Next year go for 1100

The Round Table Form 2630 signed by the Pastor and Grand Knight is due. Send a copy to Supreme and to State Deputy. **If you use the Website Form 2630 to E-mail, signature is not required.**

Columbian Award is past due. Even if you can not fill it all in, send a copy to Supreme and to State Deputy or State Advocate. This is a must for every council.

Form 185, which is a list of Council Officers, is past due. FS is responsible. Get 'er in.

Why not think big?

This past year you brought in 1030 new members, 63 Round Tables, & 4 new councils. For 2010-2011, let's go for 1100 new members, 80 Round Tables and 4 new councils, every council and district to achieve their goals and receive the Star Award. Let's make it happen.

Every council, pray the Rosary before each council meeting. One decade for our country; One decade for the Knights of Washington State.

A leader does not surrender to problems.
A leader faces them and resolves them.

At the end of June we were #7 of 72 Jurisdictions for membership. **LET'S GO FOR NUMBER ONE** in 2010-2011.

Don't forget to pray. Pray each day, all day.
For a Council or District to be successful, you have to **make the decision to want to be successful.**

In order for the State Council to be successful, **YOU must be successful.**

Do you know what the Power of 10 can do for your council? You will be surprised. This is a must for all councils. The time has arrived to make this happen.

Every council brought in at least one new member during 2009-2010. Thank you.

Does your council want to buy or join in buying an Ultra Sound Machine? You pay half; Supreme will pay half. Send checks to State Secretary Don McBride.

Washington State was successful because you followed this simple process:

3=1=SUCCESS
If not, try three more.

"BE BOLD AND ASK"

Supreme has paid for half of 5 ultra sound machines for which you paid the first half.

Because of your membership drive in June, Supreme will pay the State \$300.00 toward our membership budget.

Because of your work this past year for Food for Families, Supreme has sent a total of \$30,753.00 to be given to the Bishops of Washington State for food banks. The amount to each Bishop is based on Catholic population in each diocese.

Special Olympics was given a check of \$3,000.00 from Supreme for our efforts this past year.

Let's get the Special Olympics Forms in, even if you have done nothing for Special Olympics. Each form determines what Supreme will send us.

Support Columbus Charities and take credit on the Special Olympic form.

Thank you, Brothers, for an exceptionally successful year. You made it happen.

State Deputy

SUMMER IS HERE AT LAST!!!

May I be the first to wish you a Happy and Holy 4th of July. Some people see this celebration as the primary secular holiday of the year. But when we look back to the origin of this celebration we have to note that it has a religious basis.

It is the anniversary of the signing of the Declaration of Independence which in the first ten lines mentions God twice. And when we go on to read the Amendments to the Constitution we see that the First Amendment addresses the right to the free practice of religion. The government was seen as responsible to see that no particular religion would be forced on the people nor would the free (responsible) exercise of religion be in any way curtailed.

In a private letter to a friend Thomas Jefferson used the words "separation of church and state". This was not in an official document but rather in a private letter. These four words have been taken out of context and they have been used as the basis of what seems today to be an attempt to exclude any thing which deals with God from our culture.

Down through the history of our country God has played not only an important part but an essential part in the founding of our country and the development of the American culture. And yet a small minority of our citizens is trying everything possible to exclude God. This minority has managed to exclude prayer from our public schools; but as one wise old man said: "As long as there are exams in the public schools there will be prayer in the public schools".

Congress opens every day with a prayer, religious inscriptions are carved into the walls and doors of many of our public buildings, and on Sept. 11, 2001 most of the members of Congress gathered on the front stairs and sang "God Bless America". Still children are not allowed to pray in private in their public schools. These enemies of religion know that if they can remove religion from the lives of the children they will have an easier time in the future to remove God completely from our society.

We as Knights were responsible for the words "one nation, under God" being inserted in the Pledge of Allegiance. We proudly carry our banners and wear our regalia in the Fourth of July Parade. The more visible we are in public the more the cause of religion is visible. The Ten Commandments are the basis for our legal system, and yet laws prohibit them from being displayed in public buildings. One of the best ways we can express our belief that God is, and will remain, part of our culture is to challenge our politicians on issues such as abortion, euthanasia and care of the poor; and examine the proposed laws and vote according to our Faith.

Have a Happy and a Holy Fourth of July and may God continue to bless America.

WELCOME YOUR EXCELLENCY BISHOP BLAISE CUPICH

Worthy State Deputy John:

I just found out this morning that we have a replacement for retiring Bishop Skylstad. He is Blaise Cupich from Rapid City, South Dakota. He is a terrific Bishop, great sense of humor and very supportive of the Knights. Chris and I have come to know him at the Supreme Conventions in recent years.

Fraternal Regards,
Fred Abraham

FATHER MICHAEL MCGIVNEY GUILD

State Deputy John Wallace has appointed Former District Deputy, Duane L. Vincent as Chairman of the Father Michael J. McGivney Guild, replacing Past State Deputy, Karl Hadley, who is now Master for the Fourth Degree in the State of Washington.

Brother Knight Duane brings to the table four decades of enthusiastic participation in Knights of Columbus activities at all levels, including nine years as Chairman for Vocations, Pennies for Heaven and the RSVP program for Washington State Council. He also continues at the state level into a second year as Family Activities Chairman.

TIME TO ORDER KCIC CARDS

It is time to start thinking about Christmas Cards for 2010. At the State Convention in May in Yakima, a sample board, displaying all the 2010 cards was available for viewing, and order forms were available. You can still submit an order for the cards, they will be available for pick up in Pasco at the Summer Conference in July. Your freight charge if picked up at Pasco is \$10.00 instead of the \$19.00 charge when shipped to your home location.

Just fill out the order blank and send it to the KCIC Chairman, Jerry Kadinger, 1714 S Gum St., Kennewick, WA 99337-5453.

In order to make the process easier, you can bring a check with you or send it later. Let's make this year's program a success by ordering early so that you can get your cards on time for Christmas sales.

MEMBERSHIP DIRECTOR

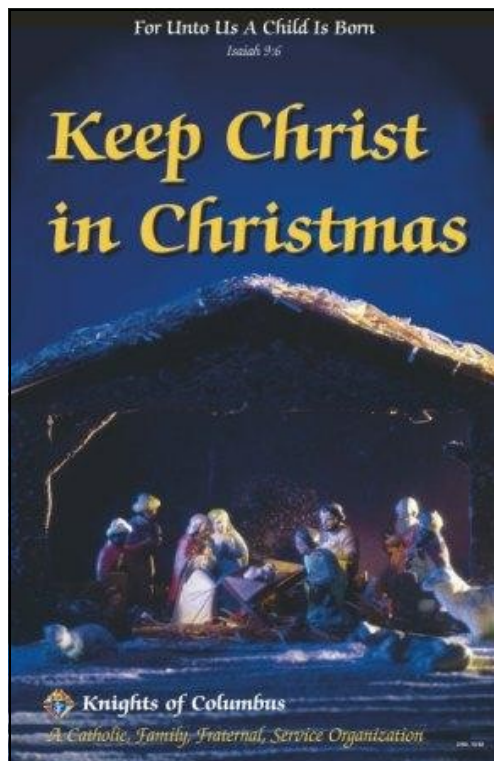

W

OW!!! WHAT A YEAR. Congratulations to our State Deputy, John M. Wallace "For getting it done". John and his State Officers all pitched in and did a great job. A special thanks to PSD Karl Hadley (Membership Director) for his constant reminders to each District and their positions on the depth chart. All of your activities pushed our State Deputy over the top. Another special thanks needs to be extended to our District Deputy Director PSD Everett J. Roberts for keeping the District Deputies on track and answering questions on how to get it done.

You heard me say at the State Convention that I had some big shoes to fill, and again I'm following PSD Karl Hadley as one of your Membership Directors. Pat Kelley (also a Membership Director) and I have quite an act to follow; we're not out the door yet and the membership goal established by Supreme is 950. You will be hearing a lot from Pat and me at the Summer Meetings.

Vivat Jesus,

FAMILY CHAIRMAN

Focusing On The Family

With the new fraternal year upon us, we have the opportunity to begin anew our participation in Knights of Columbus family activity programs, and consider participating in some that we have previously ignored.

Last year, I introduced three new programs to Family Activities – recognition of families with 25 or more years of marriage; Father Patrick Peyton's "the family that prays together stays together"; and recognition of Knights with 25 or more years of membership. While statistics are not gathered to determine how many Councils are actively promoting these three programs, it is known that Families and Knights who have been so honored are very much pleased to receive the recognition, especially when the parish priest recognizes them with the certificate at the end of Mass.

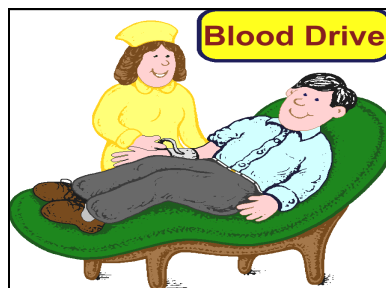

Many Councils participated in recognizing a Family of the Month; indeed, several had a perfect record of participation. Unfortunately, not as many as should have made the effort to not only choose a Family of the Month, but failed to notify the Supreme Council or the State Deputy of their nomination. As a result, the reports are rather spotty. Surely every Council has at least one family deserving of recognition for their participation in Church, Community and/or Council every month!

It was indeed gratifying to receive the many nominations for Family of the Year and Family Activity of the Year. Assessing them is not an easy task, especially when the family is well known for their outstanding participation, or the family function impacts a large community. The State Deputy must have had a difficult time making his choice from the fine entries submitted.

I am honored that State Deputy John Wallace has reappointed me for a second year as Family Activities Chairman. I look forward to another opportunity to encourage even more participation in Christian family activity programs. Not only that, but I have also been given the opportunity to promote the Father Michael J. McGivney Guild. State Deputy John Wallace must have found out somehow that I was stepping down on June 30th as Columbia Team captain, and he just happened to have another job for me to do...

Vivat Jesu!

General Program Director Messages

Brother Knights,

I hope your summer has gone good and you are looking forward to the Summer Leadership Meeting in Pasco on July 16-18. I know that I am! We have great things in store for you at that meeting. All of the State Program Chairmen under me will be presenting at the Council Program Chairmen's Training. Lots of good program ideas should come out of that meeting including tips on how to fill out the Service Program Reports. You don't want to miss this meeting! It will help you all year long...I promise.

One of the Programs that I introduced last winter was the "Food For Families" Program. So how did we do, you ask? I just got official word that our State qualified and we will be receiving the following checks to aid in feeding the hungry in our State:

Seattle Diocese will receive \$26,245
 Spokane Diocese will receive \$2,518
 Yakima Diocese will receive \$1,990

TOTAL \$30,753

That's a lot of bratwurst in my book guys!!! On behalf of all of the hungry souls in our State, "I THANK YOU"!!! Great Job! You should be proud of that.

This program will be one program that we will want all of our Councils to participate in this year, but this program is just the tip of the iceberg. We will have Special Olympics, a new Wheelchair Program, the Ultrasound Program, and many more worthy programs that you can roll up your sleeves on, participate in, and then watch the good that comes from doing God's work! I'm really pumped up to see what we will accomplish this next year!!!

As always, it is time to start doing the paper work for the coming year...two vital reports are coming due. The 185 & 365 Forms. These filled out forms are both "point-getters" in the State Deputy's 1000 Point Club, so "Getter Done". The State Deputy's 1000 Point Club will start again soon, with the JUL-AUG report, a combined report, due Sep. 10. I case you didn't know, there are no reports for May or June. This gives us time to revise the form, get the spreadsheet "tuned-up" and add new items that the State Deputy wants us to focus on. This year should go much smoother and I am hoping that more Councils participate and hit the mark. Last year 18 councils hit the 1000 points, and there is no reason that this year won't be better- Let's shoot for 30 Awards!!! That would keep me busy.

I have enjoyed the summer so far, with busy preparation for the Summer Leadership Meeting, and occasional afternoons on the river. I love to fish-kind of an "apostle thing", and have been blessed so far with two big walleyes 11# & 12# and a nice Spring Chinook Salmon. I hope to see many of you at the summer meeting...we can trade fish tales and talk about the exciting year ahead of us!

God Bless You All,

Bob Baemmer-SW
General Program Chairman

DEATH AND SICK NOTICES

State Vice-Chaplain Fr. Lee O. Hightower celebrates monthly Masses for deceased and ill Brothers and family members of the Knights in Washington State. In addition, a get-well card (in the case of an illness) or a card of condolence (in the case of a death) is sent to the member or next of kin by the State Secretary.

He also forwards this information to the Bulletin Editor, Ed Hebert, for publication in the State Bulletin. **For this process to be effective, it is imperative that the notification is accurate and timely and that the name and address of the next of kin is provided. Also be sure to include the relation of the next of kin (e.g. son, wife, brother, etc.)**

Notification of deaths may be transmitted to the State Secretary by sending a copy of Form 100 or any other form of written communication (e.g., by e-mail). Illness notices can also be transmitted via e-mail to the State Secretary. Information on Survivor's Assistance and a Survivors' Assistance checklist can be found in Section III-54 in the Grand Knight's Handbook.

(and counting...)

That's right Gentlemen, only 1100 members needed to reach the State Deputy's goal for new members in this Fraternal Year. Yes, we've all heard it before but with nearly 150 Councils we are within reach of this goal. Start Now and we won't have to "push" in the final moments of June next year. Whether you call it a Blitz or a Drive, just follow the State Deputy's eternal mantra... **"Get It Done".**

There are thousands of men in Washington parishes still waiting to be asked, or asked once again. Often, most of us needed to be asked more than once before we joined so it only follows that this would be true of many other men as well.

Fear not... go forward... ASK (Today). The time for waiting has long since passed and we need to get moving now..

If you are one of those folks that always tell themselves, "OK, I'll try"... I can only offer a little sage advice from an ancient master to his apprentice:

"Not try... Do... or Do Not... there is no try"

In August your membership Directors, Tom Sokol and I, will be meeting with the State Deputy to discuss the use of "Divisions" and recruiting incentives for this year.

DISTRICT MASTER'S MESSAGE

Worthy Faithful Navigators and Faithful Comptrollers:

Upcoming Report and Actions

If you haven't already done so, please submit your **Election of Officers** Form 186 (**due by July 1, 2010**) and **directory input** to the WSC Webmaster, contact me to schedule your **Installation of Assembly Officers** (jointly with other assemblies), and conduct your **Annual Audit** (**due by August 1, 2010**).

Your first order of business as a new Faithful Navigator should be to establish and publish the **Goals and Objectives** for your assembly – here are some ideas:

- Create a **Membership Plan** for recruiting new members to attend scheduled exemplifications and exceed your Membership Quota by 15%
- Establish an **Assembly Budget** for major expenditures (and approve it at your July meeting)
- Prepare and publish an informational **monthly newsletter** with a Calendar of Meetings and Events (to increase attendance at meetings and social functions), Report Submittals, and Award Applications
- Establish an **e-mail list** of all assembly members (including widows of deceased members) and frequently utilize it as a "phone tree" to disseminate information regarding events
- Establish **Committee Chairmen** and assign members to committees to plan and conduct enough activities that will allow you to apply for and attain the **Civic Award**
- Plan and conduct a major project to allow you to submit an application for the **"To Be a Patriot" Award**
Increase the visibility of your **Color Corps** in your parish community (e.g., at corporate masses, funerals, state meetings and conventions, flag presentations, parades, etc.)

Future State Events That Require Color Corps from Multiple Assemblies

July 17, 2010 – Summer Leadership Meeting Mass and Installation of Officers at St Patrick Parish, Pasco

September 3, 2010 – Installation of the new Bishop of Spokane, McCarthy Center

October 30, 2010 – Catholic Medical Association National Meeting, Mass at St James Cathedral, Seattle

Upcoming Washington District Exemplifications

Six fourth degree exemplifications have been planned in fraternal year 2010 - 2011, with four being conducted in Western Washington and two in Eastern Washington. These dates have been coordinated with State Ceremonial Chairman Wayne Hogan to ensure they are preceded by local second and third degree exemplifications. The tentative schedule for 2010 - 2011 Fourth Degree Exemplifications is as follows:

Nov 13, 2010 – Kirkland Holy Family Parish

February 26, 2011 – Everett KofC Hall

March 19, 2011 – Yakima Holy Family Parish

April 9, 2011 – Lacey Sacred Heart Parish

May 21, 2011 – Auburn Holy Family Parish

June 11, 2011 – Spokane

To support the above schedule, back-up ceremonialists are needed for both the Western and Eastern Washington Exemplification Teams. **If you would like to join these teams, please let me know.**

Dates in American History

July 11, 1798 - An Act for the establishing and organizing a Marine Corps under the Constitution – Happy Birthday!

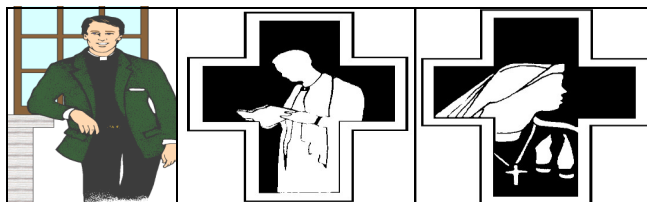

On July 4, 1776, the American colonies declared their independence from Great Britain. While Thanksgiving was a day when we paused to give thanks for the things we have and Memorial Day was a day when we gave thanks to the people who fought for the things we have, then during the Fourth of July celebration let us remember the words of our Founding Fathers and reflect on their intentions for our nation! Here are a couple:

"It is the duty of every man to render to the Creator such homage and such only as he believes to be acceptable to him. This duty is precedent, both in time and in degree of obligation, to the claims of Civil Society." - James Madison

"The Constitution is not an instrument for the government to restrain the people, it is an instrument for the people to restrain the government -- lest it come to dominate our lives and interests." - Patrick Henry

District Deputy Director Message

"Git r Done" has been the rallying call this year by State Deputy John Wallace. As we look back over the last 360 some days, this has never been more true. As the District Deputy Director, my role has been to rally to that call when called upon and when not. Your actions as District Deputies this past year, as well as Grand Knights, officers of the council and members not only out front but behind the scenes has been one of "thank you" is all I can say.

We have done many things in the state that haven't been done in years, such as 100% in many areas; audits: everyone on board from two councils who haven't submitted in over 4 years, Fraternal Survey/Officer Report/Service Program Report/Roundtable Goal: all completed and submitted. Membership goals exceeded by the state not only in number but net net for membership, a surge recently in insurance across the board to help Star Council and Star District to be achieved.

With so much achieved, the summer meeting will be a moment to reflect at our dinner on those achievements and recognize those that achieved and excelled in those accomplishments. This event will not slight those not named because it is a team accomplishment and not one group or individual doing it all. A lot of team players make the Knights successful in what they do. There are many other areas of success not only this year but each year as we do our "thing" such as Pennies for Heaven, Response Support Vocations Program, Special Olympics, Freethrow/Soccer challenges, and on and on.

However, the summer meeting being one of recognition is really all about getting ready for the new year. New District Deputies, new Grand Knights, new Financial Secretaries, and many others attend the summer meeting for one reason: learning. Teaching and establishing new goals at the summer meeting is the name of the game. One highlight of the summer meeting has for years been the presentation of PSD Hal Westby when he addresses the membership present with "service" and other selected venue's he presents

This presentation should be attended by all and it should be a time of listening and understanding the values of what he is giving to those present.

As far as District Deputies, we ask them to come prepared with all of the shoe boxes, folders, robes and other items needed to be ready to accept their new responsibility to their district councils, grand knights and members. This is a learning period for them regardless of being new, a one, two or three year District Deputy, because, of the old adage of "you can teach an old dog new tricks." To many of us we think we know it all or have all the answers. Believe me I have learned more this year as DDD than the years spent as a state officer, chairman and District Deputy along with Grand Knight. Why, because these District Deputies have challenged me with questions I never thought of, problems that are completely new and the Supreme Councils change in areas that have been complacent for years. As far as District Deputies, we ask them to come prepared with all of the shoe boxes, folders, robes and other items needed to be ready to accept their new responsibility to their district councils, grand knights and members. To many of us we think we know it all or have all the answers. Believe me I have learned more this year as DDD than the years spent as a state officer, chairman and District Deputy along with Grand Knight. Why, because these District Deputies have challenged me with questions I never thought of, problems that are completely new and the Supreme Councils change in areas that have been complacent for years. We are in the modern era of change and our Supreme Officers are effecting that outstanding change. One area that has amazed me of change is the Financial Secretaries Handbook published in December of 2009. I have read it, reread it and every time I do, I find new things I didn't see before. Change is what keeps us as Knights of Columbus in the forefront of being the leaders in recruitment. We continually are the leaders in this area not only in our Insurance area but as a Fraternal Organization of being truly the number ONE in membership. Thank you for all you do and never forget what we are is what we do. Thank a service person for his service and never forget them for what they do. This is true also of a Knights of Columbus member and every meeting or get together of Knights is always a chance for you to look around at those next to you and say thank you, God, for giving us Fr. Michael J. McGivney's foresight in establishing this great organization.
