A Message of Mercy

On January 25, while visiting St. Edward Parish in Shelton, WA, I learned a 12 year old boy had committed suicide early that morning. The news traveled swiftly and the 11:00 AM mass was filled to capacity with members of a close fellowship in parish community and where parents are active in the parish ministry. Many immigrants from Guatemala and Mexico now call Shelton home.

The town seems like a sleepy community, but many attend religious services in the town's churches. News of this tragedy cannot be found in the news as it has been kept quiet until the investigation is completed.

From all accounts, Estaban was a likable youth with friends and a loving family. He was moving from primary to secondary school, and his parents began to notice a disinterest in school activities. They thought Estaban was merely going through the up's and down's of puberty and supported him the best way they knew how. In reality, Estaban was a victim of bullying.

More than words, Estaban was physically abused by his peers. Small wounds from pencils were present on his body and were only discovered after his death. I spoke with one teacher that believes bullying has become an epidemic in the modern age of technology.

Children are being harassed because of their ethnic background, their weight, and the way they dress or act. Anything that can differentiate one child from another can be exploited and used against them by children that have little regard for feelings of others.

Bullying is never ok! Those who bully use their power to hurt people. Power does not always mean bigger or stronger - power can also mean popular or smart, and the kid doing the bullying may know a secret about the kid being bullied too.

Many times kids that bully are victims themselves; many of whom receive the same treatment at home and do the same at school. If bullies do not change their ways, they will grow up to be bitter adults, many abusing drugs and alcohol – further diminishing our society.

My children are grown with families of their own. Today, my fight is to save these children and adults that are being bullied in our communities and beyond. If we pull together as a caring community, we can begin to administer the solutions that can make a difference to avoid another Estaban Carrillo.

Estaban's legacy will live on through others. His organs were donated so others could live! Donations are being collected for the Carrillo family to cover funeral and other expenses. Please send your Council's donation to:

Message from State Deputy

My Dear Brother Knights - Good morning!

Our forty day Lenten period of fasting, prayer and almsgiving begins early this year on February 18th – Ash Wednesday, and continues until April 4th – Holy Saturday. Did you count the days too? Yes, I counted forty six days!

The answer is found in the earliest days of the Church. Christ's original disciples, who were Jewish, grew up with the idea that the Sabbath, the day of worship and of rest was Saturday, the seventh day of the week, since the account of creation in Genesis says that God rested on the seventh day.

We all know that Christ rose from the dead on Sunday, the first day of the week; and, the early Christians, starting with the apostles, those original Jewish disciples, saw Christ's Resurrection as a new creation thereby transferring the day of rest and worship from Saturday to Sunday.

Since all Sundays, not simply Easter Sunday, were days to celebrate Christ's Resurrection, Christians were forbidden to fast and do other forms of penance on those days. Therefore, when the Church expanded the period of fasting and prayer in preparation for Easter from a few days to 40 days, mirroring Christ's fasting in the desert and before He began His public ministry; Sundays could not be included in the count.

In order for Lent to include the 40 days on which fasting could occur, it had to be expanded to six full weeks with six days of fasting in each week plus four extra days — Ash Wednesday and the Thursday, Friday, and Saturday that follow it. Six times six is thirty-six, plus four extra days equals forty. And that, my brother's is how we arrive at the 40 days of Lent!

And instead of giving up something this year, let us men extend our hand with the “Light of Faith” to the men we know that could be Knights and invite them and their families to join us during this Lenten period.

God Bless you, your family and your councils' works of charity during the 40 days of Lent!

George H. Czerwonka, Jr., SD

Knights of Columbus Safe Environment Program

Now, as always, Knights of Columbus continues to promote and defend Christian family life in all its initiatives and programs, including those serving children and youth. Recognizing that children are a precious gift, Knights of Columbus have made their safety and well-being as the highest priority in the Order's programs and activities.

In partnership with *Praesidium*, an organization that has worked to provide knowledge and tools that safeguard against sexual predators for more than 20 years, the Order continues its strong tradition of maintaining the highest standards regarding the protection of young people. Through this partnership, the Order provides youth leaders with access to the most up-to-date resources to keep children safe, including [Praesidium's Armatus®](#) online training, background screenings and an exclusive hotline to report child safety concerns (1-844-KOFC-SAFE (844-563-2723)). All materials are available in English, Spanish and French to make the content accessible to all members who will be asked to fulfill organizational requirements. Please note that the Praesidium Armatus online platform is an English site, but each training course is available in both French and Spanish.

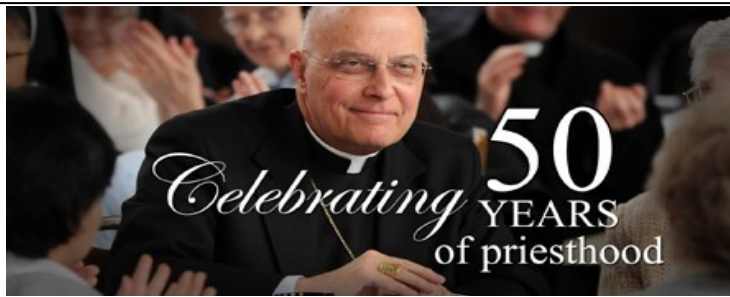

The Board of Directors has directed that members in youth serving roles and certain officer positions be required to take online youth protection and safe environment training. Specifically, State Deputies, State Squires Chairmen, State Youth Directors, Grand Knights, Youth Directors, Columbian Squires Chairmen, Chief Counselors, Committee Counselors, and Faithful Navigators (if their assembly sponsors a Circle) are required to complete *Praesidium's Armatus®* online training.

Beginning January 5, 2015, *Praesidium* will send out email invitations to those members designated in youth serving roles and certain officer positions. The email will contain unique log in information to *Praesidium's* website, enabling them to take the mandatory *Praesidium's Armatus®* online safe environment training. When applicable, Praesidium will send a second email to request authorization to conduct a background check.

Those members required by the Board to take the mandatory training must complete *Praesidium's Armatus®* online training and background check authorization within 30 days of receipt of each email. Failure to comply may render those members ineligible to hold official positions in the Knights of Columbus.

Cooperation and participation in these essential components of the Knights of Columbus Safe Environment Program ensure that all of us are continuing to uphold our responsibility, as Knights and Catholic gentlemen, of keeping young people safe in Knights of Columbus programs and activities.

If you suspect abuse, please call 844-KOFC-SAFE (844-563-2723)

Cardinal Francis George, who served as archbishop of Chicago for more than 15 years until his retirement in 2014, received the Knights of Columbus' highest honor at a lunch in Chicago Jan. 30.

The Gaudium et Spes Award, named after the Second Vatican Council's pastoral constitution on the Church in the modern world, was established by the Knights of Columbus in 1992.

Cardinal George is the award's 11th honoree. Previous honorees have included Blessed Teresa of Kolkata, l'Arche founder Jean Vanier, Cardinal John O'Connor of New York, Cardinal Stanisław Dziwisz, and Cardinals William Baum and James Hickey, former archbishops of Washington.

Cardinal George has been a member of the Knights of Columbus since 1991. He has served as Knights of Columbus state chaplain for the state of Washington, in addition to host ordinary for the Knights of Columbus Supreme Convention in Chicago in 2005.

The cardinal also presided over the Knights' Eucharistic Congress following that convention, and was a keynote speaker at the Knights of Columbus Supreme Conventions in 2002 and 2009.

Cardinal George's successor, Archbishop Blase Cupich, a member of the Knights of Columbus for more than three decades, gave the invocation. Archbishop William Lori of Baltimore, supreme chaplain of the Knights of Columbus, read the award's citation.

The citation reads in part: "He was the first Chicago native to shepherd the Church in the Windy City, the third largest archdiocese in the United States, which he led with grace, humility and intelligence. For his courage and strength, and for his long and selfless service to the Church and her people, the Knights of Columbus is honored to pay tribute to a faithful shepherd and profound teacher of the faith by bestowing the eleventh Gaudium et Spes Award upon His Eminence Francis Cardinal George, Archbishop Emeritus of Chicago."

"The Cities of Yakima, Portland and Chicago were blessed to have Cardinal George as their bishop and spiritual leader. And his leadership has benefited not only those cities which he served, but the Knights of Columbus and Catholics across the United States," said Supreme Knight Carl Anderson, who presented the award.

"In his brilliant speeches, homilies, letters and books, and in the brave witness to the faith that he has shown to the world — in sickness and in health — Cardinal George has proven over and over again one of the leading voices in the Catholic Church in the United States, and the Knights of Columbus is pleased to be able to honor him in this way for the great work he has done for so long," Anderson added.

Message from Membership Director

My Brothers in Christ,

This past week or so, all councils across the State should have received a church drive kit from Supreme in preparation for the Order-wide church membership drive planned for this coming March. Join me in extending our thanks to our Supreme Membership & Program Consultant, Pat Maloney, for helping make this happen.

The church drive kit will have all the basic ingredients for successful church drive including the following:

Description Item	Item Number
"Did You Know..." Pamphlet	#1267
Member Benefit Flyer	#2773
Prospect Card	#921-A
Membership Document	#100
Make a Difference Poster	#4498
Suggested Pulpit Announcement	#10067
Guide to Recruiting Success	#10098
"24 Hours Can Change Your Life" Pamphlet	#10099
"Why You Should Become a Knight" Pamphlet	#10100

Now is the time to be thinking of using this church drive kit and planning for and implementing a spring church drive using guidelines provided at: http://www.kofc.org/un/en/membership/drive/church_drive.html

Be visible and be creative on how you get your message across to those perspective prospects. Be ready to follow-up with the prospects you identify on your church drive weekend with an informational meeting and a first degree.

While recruitment incentives should not be a driving force behind your desire for membership growth, be aware of and make use of the VIP points and other current membership-related incentives that are available to your councils and districts. Use them as a means to recognize and reward the hard work and dedication of your top recruiters and other council members of your recruitment team who are helping make your growth happen. You can find the Supreme and State incentives for membership recruitment on the membership page at: <http://www.kofc-wa.org/Family/Membership/nMembership.aspx>

Some specific incentives to highlight in the coming months include:

Council Challenge : If your council recruits 12 new or former members and reports the results on the special form, your council receives VIP points to be used at the council's discretion. The points can be used to purchase merchandise for the Knights of Columbus gift catalog. Remember there are two steps: first, recruit the new members and second, complete the form. If you reach 12 new members by June 30, 2015, you can receive 20,000 V.I.P. Points.

For more information on this incentive, go to: <http://www.kofc.org/un/en/officers/index.html>

Recruiter Challenge (January 1, 2015 and June 30th, 2015: Under this incentive, recruiters can receive 1,000 VIP points for recruiting a new member or reinstatements, reactivations, readmissions or reapplications of former members. Your name and membership number must appear on the Proposer Box of the form 100 to receive credit.

If you recruit 6 or more of the members listed above during this time period, you will receive a bonus of 2,000 VIP points per member recruited. Two examples:

1. You recruit 4 members between January 1st and June 30th, 2015: you would receive 4,000 VIP points, or 1,000 points per member; the points double because the normal amount is 500 points.
2. You recruit 7 members between January 1st and June 30th, 2015: because you have passed the threshold of 6 or more members, your points would double again, giving you 2,000 VIP points per member for a total of 14,000 VIP points.

The six member threshold represents the average of One Member, per Council, per Month, which you would contribute to your council or any council in the Order.

Extra Points for Your Quest to Star District (January 1, 2015 - March 31, 2015): Under this incentive program, Worthy DDs:

- can receive 7,500 VIP points if you conduct three First Degrees in your district. For every degree over the initial three, you will receive 2,500 VIP points. You must submit form 450 no later than April 10, 2015 to receive credit.
- can also receive a bonus of 5,000 VIP points if you conduct at least one First Degree in your district in each of the months of January, February and March, 2015. You must submit form 450 no later than April 10, 2015 to receive credit.

For more information on this DD incentive and others, go to: <http://www.kofc.org/un/en/officers/index.html>

As always, be prayerful in all you do and at every gathering with your Brothers offer special prayers for all members of your council both active and inactive, for new potential prospects, and for the success of your council in accomplishing its goals for this fraternal year.

Wishing you and your families the best for the remaining months of the coming year.

We came in 4th place in our State Grouping (Football 2) and this qualified our State for a \$450 cash prize.

We also ran our own competition for percent intake against annual goals among our Districts for this same period and following are the results of that competition.

Monthly Time Periods	Top District	District Deputy	Percent Increase
November 2014	020	Kent Myles	50.0
December 2014	009	Scott Hulse	33.3
January 2015	001	Tom Williams	32.0
Nov. 2014 through Jan. 2015	Top Overall District	District Deputy	Percent Increase

Message from Membership Director (continued)

We are running another incentive during February, March, and April for percent intake against annual goals among our Districts. Stay tuned for results over the next three months...

We also had a competition among the Districts during the *World Series Membership* competition that ran from July through October. This competition encouraged early activity in membership recruitment and the winners of that competition were as follows:

Place	District	District Deputy
First Place	022	Joe Devlin
Second Place	004	Tom Pursley
Third Place	012	Phil Fortunato
Fourth Place	017	Luis Garcia

Congratulations to all of our winners for their hard work and dedication towards membership growth. All winners will be recognized and will receive gift certificates redeemable at the Country Store for apparel or merchandise at the Awards Luncheon during the State Convention.

Triple Star Council

Hoquiam Knights earn Triple Star Council distinction

The Daily World

Knights of Columbus Council N0. 1674 in Hoquiam has earned the distinction of Triple Star Council, for the 2013-2014 fraternal year.

The organization's headquarters, located in New Haven, Conn., made the announcement. The award recognizes overall excellence in the areas of membership recruitment — reaching 300 percent of quota, thereby making it a “triple star” — and retention, promotion of the fraternal insurance program and sponsorship of service-oriented activities. The award was presented to the membership by State Deputy George H. Czerwonka Jr. at a special ceremony held on Jan. 16.

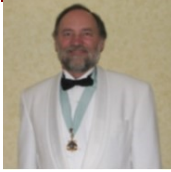

In announcing the local winner of the Star Council Award, Carl A. Anderson, Chief Executive Officer of the organization, said, “Please accept my sincere congratulations upon attaining this prestigious award. Your dedication to the Order is seen in the high standard of excellence you have achieved. At the same time, I encourage you to carry forward this enthusiasm to meet the challenges that will face the Knights of Columbus in the years ahead. May this award be a reminder and an inspiration to the members of your council to continue to promote the ideals of Columbianism for the good of the Church, your community, and the Order.”

“Receiving the Triple Star Council Award is quite an honor for us. We’re extremely proud of this accomplishment,” proclaimed Grand Knight, Patrick K. McGuire, head of the local council.

The Knights of Columbus is the world's largest Catholic lay organization. It provides members and their families with volunteer opportunities in service to the Church, their communities, families and young people. With more than 1.8 million members in over 15,000 councils around the world, the Knights of Columbus annually donated more than \$170 million and 70 million hours of service to charitable causes. Please visit www.kofc.org for more information.

Message from State Secretary

My Brothers All,

It was great to see you all at the Regional Meetings! Hope you got the information you were looking for. If not, please drop me a note and let me know what may have been missing.

Grand Knights and Financial Secretaries: State Per Capita billings have been issued. These billings are due upon receipt please pay them promptly. These must be paid **prior** to State Convention time.

Does your council have any resolutions that you wish to put forward for the State delegation to address? If so, those need to be in my hands no later than March 15 - with council seal attached.

No time like the present to get working on your council's summary of accomplishments. Remember those need to be in your District Deputy's hands not later than April 1.

State Chairmen, District Deputy Mentors, and District Deputies: Please get your summary report ready and in to me so they can be published in the Convention Booklet. Remember these reports should be sent to me electronically....so type and send an email or MS Word document. 100% submission is my expectation!! District Deputies - if one of your councils doesn't submit theirs to you....please write something for them.

As always, call or email if you have questions or need some other assistance.

Looking forward to the last portion of this year. Let's make it great!

Message from State Advocate

Brother Knights

No other trainings can be substituted for the K of C Safe environment program currently being required by Supreme. See page 2 in this bulletin for details. All positions identified by the 3rd Party Supreme has partnered with to accomplish this must take the training or jeopardize their position.

Yes, I understand that this is yet "another training just like the one I already took" but every organization, for the sake of children should want to get as much information as available. This one especially points out ways to help identify potential predators where as many other trainings to do not, so there is additional value to this version.

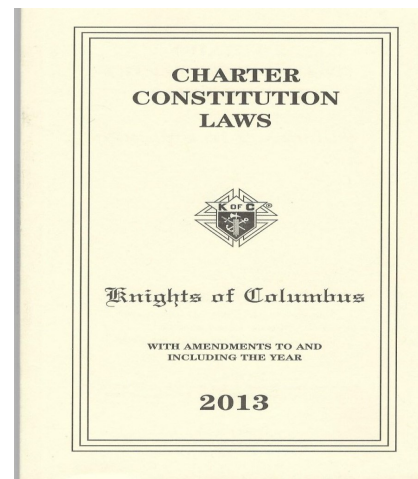

As long as the requirement has been based on one's position not whether or not they currently engage in ANY youth programs then the training is required.

Please be patient and comply with the requests. This is as much for the sake of Children as the liability of your organization be it a Council or Assembly.

Fraternally.

The Wizard of Washington presents: Q&A

Question: Worthy Wizard. I see in the forms booklet that there is a form for Special Olympics and it has a due date but it doesn't count for Star Council. Is it worth filling out?

Answer: Great question and you will be amazed by the answer...I sure was. Every year the Supreme Council provides monies to the jurisdictions (states) in support of their local Special Olympics Programs.

The criteria for how much money is given to each state is based on how active the Special Olympics Program is in any given State. That makes good sense, but here is where it gets interesting. One of the criteria that the Supreme Council uses is how many of these forms are submitted by a State. This data is then used to determine how much money the State will receive for its local Special Olympics Programs. Even if a council does not have an active Special Olympics program, a "zero participation" form can help those councils in your state that do have active programs.

So by all means fill it out! It takes a few seconds and we as a State can get a lot of money to help our local Special Olympics Programs simply by having more forms. Last year we got \$2,000. Maybe this year we will get \$4,000 if everyone fills out that form!

God Bless! The Wizard!

P.S. If you have a question for the Wizard of Washington, submit it to the State Treasurer at StateTreasurer@kofc-wa.org

Double Your Points Twice Reminder

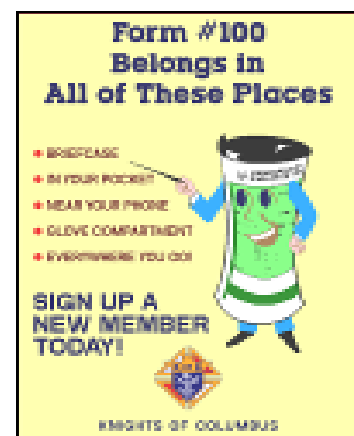

Double Twice Your Points!

When you recruit, you become a
“Very Important Proposer” (VIP)

Double your points when you recruit 1-5 new members between January 1st and June 30, 2015; for each new member you would receive 1,000 VIP points instead of the usual 500 VIP points. So, if you recruit 5 new members, you would receive 5,000 VIP points.

Again, double your points if you recruit 6 or more new members. By reaching this threshold, you will receive 2,000 VIP points for each new member. So, if you recruit 6 new members, you would receive 12,000 VIP points.

Message from Program Director

At this time in the Council Year there are many things to be thinking about that will allow your Council to finish the year in a strong way and put you in a position to continue in that direction in the future.

First of all each Grand Knight has received a Church Drive Kit from Supreme. Do not make the common mistake of just going through the motions of handing out literature and hoping for the best. Put together a Plan that will make your Council visible to your Parish. A great way to do this is by seeking your Pastor's permission for presentations for things like Food Reimbursement from Supreme, or Tootsie Roll Checks the weeks just before your Church Drive. At the same time announce when you will be having your information meeting from the Pulpit and in your Church Bulletin. This will give not only your potential candidates something to think about but will be giving their wives the visible tools to give they will use to give their husbands the sometimes needed gentle nudge to become a Knight. Be sure that you invite the wives to that information meeting as well.

Second, it is time to make that really big push at completing one of the Supreme Eight Featured Programs. If you need some help in selecting one or have questions on how to insure your success please call one of the State Committee Chairman or myself. We will be glad to walk you through the process.

Third, it will soon be time to elect Officers for the next Council Year. It is always important to find men who are willing to make the commitment. Someone who cannot make the commitment to attend the Summer Leadership Meeting and the rest of the State Sponsored Meetings will not be an asset for your Council. There are far too many important information items that need to be brought back to your Council. So when your selection committee is going through the process please have them ask about the commitment that is required, especially for the Grand Knight, Deputy Grand Knight – Program Director, Financial Secretary, and Membership Director.

Fourth, you should review with your Officers the requirements for the Columbian Award to insure that your Council Calendar contains the programs necessary for you to qualify. Please remember that there is no man hours or percentage of Council membership requirement in order for an activity to qualify. Take the time to do the paperwork. Let your Council be proud of their accomplishments and become that Visible Council that will make your Council stronger.

If you need any help with any of these items please feel free to call me at (509) 995-0873.

Art Smalley State Program Director

Pennies for Heaven at Work

My Dear Brothers:

Our commitment pledging "a Prayer a day" and "a Penny a day" for Vocations demonstrates how serious we are in developing new Priests. They are called to sustain us with the Eucharist and without Priests there is no Eucharist! In addition to a penny and a prayer a day, we must also plant the seed of faithful service in our children so they too may receive the calling to a vocation of priestly and religious formation.

As President of the PFH Fund, I can report the PFH Board of Directors voted to offer 4 grants again this year of \$25,000 each in support of vocations, one to each diocese and one to Bishop White Seminary for the construction debt relief. The grant checks are given to each Archbishop/Bishop to use for their diocesan vocation needs. The total amount of all grants since inception of the PFH Fund is \$1,469,000.

I challenge every member and every council to take up this most important mission of supporting vocation needs and the efforts of our Bishops. Your Council checks being offered at the Annual Convention make up the largest segment of our annual giving for vocations. The other segments are interest and dividends from the invested PFH Fund; earnings on bank savings; and, earning from the Christopher Fund. The Christopher Fund is a "dollar for dollar" matching fund with the Supreme Council, and we can only make deposits in the Fund in the years when we are net positive in new membership growth, an incentive that we should all be aware of too.

And let me be clear here! All council's and all members are not participating in the PFH Fund. We could do much more to assist our Bishops in supporting their vocations' needs. We can all begin to involve our parishes too with a fundraiser to help to pay off the construction debt loan at Bishop White Seminary.

What will your almsgiving be during this period of Lenten observance? Are you taking up the Catholic practice of almsgiving in the truest sense, to give until it hurts a little from funds saved from self-denial or a lot when it comes to our older councils with significant funds that did not come from self-denial? Let us all participate in the PFH Fund supporting our Bishops to the fullest!

George Czerwonka, President

Tootsie Roll Chairman's Message

\$105,137.56

Brothers all,

That's a wrap, all councils have reported. We had 56 councils that actually participated. The total expenses incurred by councils for product, aprons, banners and postage was \$10,283.97 which means 91 cents of every dollar you raised went to the disabled. I would like to see any non-profit organization be able to match that.

You almost exceeded last year's total of \$105,400, but your expenses were slightly higher which means there is slightly less available to give. Our highest year is still 2012 when we raised \$128,800. If all the councils that have participated in the past would have joined in this year, assuming they would have raised the same amount, we would be well over \$150,000 with 85 councils participating. To date, since this program's initiation four years ago, we have raised \$420,000 and given out, or had available to give, 829,000 tootsie rolls.

I am proud of each one of you that participated and we all are better off for having taken on this challenge. I know councils have a lot going on, but this program is relatively easy and gives the Knights exposure to our communities in ways we may never know. It shows our presence in the outer reaches of society, and our compassion for all of God's creation.

I am looking forward to this year's drive. Be looking for our program kick off at the Summer Leadership Meeting in July.

Remember to secure those locations NOW!!! You can find help later or cancel if you need too. It is much easier to cancel than to secure a location. Fred Meyer is accepting our requests for solicitation now. Get it done before it's too late.

Quote Mother of Guadalupe, "Am I not here, who am I, your Mother?"

If they are truly God's greater Glory, how close you are to our Savior, when you do his work. On February 7th, St Edward Parish, Shelton celebrated its farewell blessings to

Estevan Carillo, a child of twelve who lives on in memory and whose donated organs allows others to live.

Parents arrived early, with two surviving children knelling before ashes, photo and flowers placed nearby. Mother hugging her youngest child in a loving way, kissing him over and over, trying to relieve sorrows that filled her heart, the father tears and face were evident of great pain. As a single honor guard, stood till the time was right, presenting each parent a Guadalupe pin in memory of their son telling them that the Caballeros de Colon suffer with them. Kissing the image they placed the pin on their clothing. The color of Mother of Guadalupe face is the same as the Mother's color skin: This Mother of Jesus came to console, to ease pain, to give us hope in the love of her Divine Son.

God's book reads that we are our brother's keeper. Who is our brother, our sister? Are not these parents, in need of compassion, in need of a loving hug, in need to know we care? Charity and unity, the principle we well know.

It was a privilege to be allowed to be present on this important day that perhaps because of this tragedy we can all learn to be kinder, more considered, move loving to others of different cultures.

As mass ended stood at the entrance greeting faithful, one Anglo man tells me he came from out of town to accompany this family, he did not know anyone at this parish, just knew that something like this tragedy is beyond word. He may not have been of the same faith, just knew that he needed to express his feelings. This man missed the collection and asked to give his donation to the proper person.

Everyone came to enjoy pictures shown of the family and fellowship. Teachers, strangers, so many enjoyed the chicken Posole dish and dessert. Fr. Ronald Belisle tells me that he does not know the Spanish language well, to the faithful of this parish that matters little, the love seen for him, the devotion overcomes everything.

Who is to blame, perhaps we all can be blamed, not knowing what kids learn in school, teachers needing to be more alert, toil of earning a living keeping parents too busy, society indifference, laws on correcting children at home and in school, technologies, movies, all have a hand in this problem. Where ever problems are society needs to explore a solution. Be involved in your community.

Archbishop Cupich of Chicago said, these immigrants are not on my agenda, they are on God's agenda. The venerable Rev. Michael J McGivney, was on God's agenda, he did God's work he witnessed the suffering, early death of immigrants of those day, how different is it today?

Being a Knight, being on God's agenda is an honor, let us use our talents and time to bring these faithful children of God into the order so that they too can take advantage of benefits offered by the order. If they are truly God's greater Glory, how close you are

Family Chairman's Message

FEAR – USE IT AND LOSE IT

He overcame his fears yesterday and today.

I first knew him as a boy, small, insignificant and poor. If he was in any way remarkable, it was through his defects and his fears. As a child he harbored no desire to be some famous, statesman, soldier or tycoon, (there was a brief period in which he thought having some of superman's powers would be desirable, but, that passed), he was a simple soul who had no wish to dominate an empire, but set out instead to conquer circumstance and himself.

He lives by his ideas and fears. He understands the world through his beliefs and fears. I am a man; the ability to think rationally and abstractly makes me uniquely different from the rest of the animal kingdom. And unlike other animals, we humans are the only animals on earth who have died for our beliefs and fears. Fearful emotions include everything from low levels of concern and apprehension to intense worry, anxiety, fright, and even terror.

For me fear serves a purpose, and its message is simple. **The message:** Fear is the anticipation that something is going to happen soon that we need to be prepared for. I will need either to prepare to cope with the coming situation, or do something to change it. The tragedy is that most people either try to deny their fear, or they wallow in it. He will not do this, he will respect the message that fear is trying to deliver, and if he does not, then it will continue to pursue him as it tries to get its message across.

In other words; we must not surrender to fear and amplify it by starting to think of the worst that could happen, nor do I want to pretend its not there.

The Solution: He reviewed what he was feeling fearful about and evaluated what must be done to prepare him mentally. He prepared for what actions He needed to take to deal with the situation in the best possible way. It was in this way in small daily resolutions and internal journeys of self-analysis that allowed him to pull back the curtains, the sun peaked in and that is how..... he looked her in the eye and said to the priest, "I Do"

FAMILY OF THE MONTH "IT'S ELEMENTARY"

*Everything in this world is relative, my dear
Watson. - Sherlock Holmes*

By STEVE SNELL

The celebrated "Sherlock Holmes," the famous creation of Sir Arthur Conan Doyle was brilliantly cold yet affectionate and intelligent. How reassuring to watch Sherlock's rational and observant brain cut through the fog of illusion to the solid truth. Baker Street aficionados will recall Holmes's clever ability to wade through the mosaic of details of any mystery. *"When you have eliminated the impossible, whatever remains, however improbable, must be the truth."* So proclaims the legendary sleuth in 1890', and such was the inspiration for many of the stories in which he was featured. No case was too tricky for the world's most famous sleuth and his incredible powers of deduction.

The incredible power of recognizing good work and saying thanks is elementary to smart leaders. Do we need the famous sleuth to use his powers of deduction to point out to us the value of saying thanks to the outstanding members of each council in the state, please say it isn't so. There is a mystery floating around out there and that is, "why doesn't every council in the state use the Family of the Month Program?" Know this, recognition and membership support each other!

What I can say with certainty is that after years of being around so many Knights of distinction, I've come away with a strong feeling of admiration. These men display a candor, a quiet pride, a kindness, a sense of humor, a love of life that translates into a love for their fellow man. These men, these living examples, these Knights, are a rare thing in today's culture. Vocations Chairman's Message

Labouré Society – A Bridge to Miracles

The Labouré Society exists to provide financial assistance and spiritual support to men and women, who must resolve student loans in order to pursue their vocation to priesthood and/or religious life in the Catholic Church. Named

after Saint Catherine Labouré, the Labouré Society assists vocations to the diocesan priesthood and religious life that are in communion with the Catholic Church.

Those accepted to the program are called Aspirants, and all have graduated from a four year college program which left them with tens of thousands of dollars in student loan debt. Most have been in formation to the priesthood or religious life during their four years of college, but cannot go on with their formation until they are debt free.

Since 2003, the Eagan, Minn.-based Labouré Society has equipped 230 “aspirants” — who were accepted into a diocese or religious community but blocked from entering or continuing formation because of educational debt — to resolve their debt through faith-based philanthropy.

Upon discovering that most dioceses and religious communities require Aspirants to be debt free before entering formation, Minnesota businessman Cy Laurent began assisting Aspirants with debt resolution — primarily in the form of student loans. It was simply unacceptable to Laurent that vocations were being delayed indefinitely and even abandoned because of these impediments; especially considering the heartfelt prayers for vocations offered by individuals and communities for decades!

Drawing from his twenty-plus years of experience in Fortune 500 companies and his twenty-five years as an entrepreneur, Cy Laurent began working with others toward assisting this population, which he expected could be quite a few. Laurent soon realized that the number would likely be many hundreds and that raising funds from family and friends would not be enough. Seeing the pressing need for a charitable society to accomplish so great a work, Laurent and Mike Smeby of University Bank in Saint Paul, MN established The Labouré Society as a 501 (c) (3), becoming operational in 2003.

Laurent is convinced that “a ‘springtime’ of these vocations is at hand” and that “assisting them through the Society presents an *eternal* return-on-investment opportunity with 100% tax deductibility.”

Founder Cy Laurent continues his work for The Labouré Society as Executive Director, today.

FS Tips and Tricks

To All Financial Secretaries

Please know that we are now able to provide assistance in locating members for whom you do not have a current address. Recently, using a paid internet service, I researched 355 members who were flagged as having bad addresses and I forwarded all the information I obtained to all Financial Secretaries via email.

The .jpg attachment contained possible addresses, phone numbers and a list of relatives. The majority of these items were obtained based on previous addresses and dates of birth. Many of the phone numbers were dated and quite a few were for relatives. Because of the sources of this data, it was and is important that contact efforts should be by direct phone calls and the mailing of letters with “Forwarding Address Service” requested.

Ongoing, if you get returned mail on an address, you can then request assistance via an email to me, but you will need to attach the Member Information report created through your Member Management. Before you create that report, please review the member’s data and update his file with spouse’s name, next of kin information if known, and do not delete his old address or phone number from the record. If the address is bad, please so indicate on his personal information screen by checking the ‘bad address’ box.

If you have a prior address in another state, please provide that in your email to me. All this work speaks to the need for each of us to be more insistent that Form 100s on new applicants be complete as pertains to spouse and next of kin. Remember too that all active knights have insurance benefits regardless of whether they are an insured member and you may need to contact next of kin for that issue should a death occur.

Several of you contacted me, indicating that you had additional missing members. Until very recently, you had no way to flag a member’s record that the address was bad unless you just deleted the address. If that is the case, go into MM and update those files as indicated above; then run the reports and forward them to me. Be sure to include your email address and council number.

This is time consuming work (80 hours to research the first 350+ members). I will turn these around in the order in which I receive them, but be aware that this probably will not be next day service. If you ask for assistance, then I ask that you be aggressive in your follow-up on the data you receive. If you just take an address and mail a letter, you are probably not going to get the results we want and need. Get your trustees to do their job in visiting the local addresses.

This is a free service to you as we have centralized this process to contain costs rather than have councils individually subscribe. Send your requests to edb@centurytel.net only as the fconsultant@kofc-wa.org address is shared by David Konzek and myself.

Finally, handouts were provided at the recent regional training sessions that give ideas on how to ways to look for those who are missing. This is just a small part of the different topics we covered that pertained to making your job a bit easier. Please consider attending these sessions in the future. We will be holding some stand-alone adhoc sessions in the coming summer months too.

Combined 2nd and 3rd degrees**Worthy Grand Knights:**

Host District Deputy 5, John Lorhan, and I have confirmed Sunday, March 1st, for your combined 2nd and 3rd Degree ceremony hosted by Gonzaga University members. They too will reach full Knighthood in the Order before their upcoming summer break begins.

The 2nd and 3rd Degree exemplifications will be held next door to GU at Spokane Council 683, 302 East Boone Avenue, Spokane. I have arranged for the use of the Hall and Kitchen with Gonzaga's Manager of the University Facilities Department. We are working on the details for the luncheon - the key factor being the number of attendees so we can plan the lunch accordingly.

Candidates should arrive at 10:30 AM for the 2nd Degree exemplification...this lesson on Unity will begin at 11:00 AM sharp and take less than an hour. We will then break for a light lunch after the 2nd Degree. The 3rd Degree exemplification will follow the luncheon and start promptly at 1:00 PM.

All 2nd Degree Candidates coming that made their 2nd Degree on a prior date must arrive for the 3rd Degree exemplification no later than 12:30 PM, if not arriving earlier and observing the 2nd Degree again and attending the luncheon too.

Please note, the 3rd Degree ceremony will start promptly at 1PM, and the Nighting will follow the 3rd Degree exemplification. Vice Supreme Master Karl Hadley will be the Conferring Officer with his Team.

Please mark your calendars for these two Degrees and encourage your members to attend.

Please advise soonest by email to dd5@kofc-wa.org as to the name and number of your candidates for the 2nd and 3rd Degree Ceremonials and all other members attending the luncheon too.

I pray that all Grand Knights and Council Officers will challenge and encourage all Fathers and Grandfathers to invite their sons and grandsons to also join the Order and take their First Degree soonest so they too can participate in the 2nd and 3rd Degrees with these Gonzaga members.

Let's all work hard and join our "Gonzaga Team" to score high and put these two Degrees into the record books! You may not know it yet, but our Gonzaga Council is the only active college council in the West these days.

Let us all join together in charity and unity to demonstrate the virtue of fraternity by giving our full support to our Gonzaga brothers!

SAINT Junípero Serra!

Dear Serrans,

Our prayers have been answered! On his visit to the United States for the World Meeting of Families in Philadelphia this September, Pope Francis is expected to canonize our patron, Blessed Junípero Serra.

Calling Serra "the great evangelizer," Pope Francis will do an "express" canonization of the 18th-century Franciscan friar, which is to say that the normal protocol of verification of three miracles attributed to Padre Serra's intercession will not be required (so far, Serra has two verified miracles to his name).

This expedited process, called "equipollent" canonization, is used when "in practice, this person is venerated as a saint," said Pope Francis.

The path to our patron's sainthood has been followed closely by Serrans and his cause is dear to our hearts. Please share this thrilling news with others and let its positivity infuse your devotion and visible enthusiasm for our Serrans mission for vocations.

SUPPORTING DATES OF 3RD DEGREES

SB 5289 (Parental Notification Bill)

On Monday, February 2nd at 1:30 PM in the Senate Law and Justice Committee, a hearing on **SB 5289** was held which would require parents to be notified before a minor has an abortion. The United States is one of only six nations in the world that allow abortion on demand into the third trimester and Washington is one of only thirteen states currently where a minor can get an abortion without her parents awareness. We are on the fringe of the fringe.

Abortion is the only procedure a minor can get without her parent's consent, much less notification. In Washington State, a minor cannot get a tattoo or go to a sunbed even with parental permission. She cannot go to an R rated movie or get an aspirin from the school nurse without parental permission. However, she can get an abortion without their awareness.

There are a couple problems with the lack of parental notification. First, it isolates girls from their parents in moments when they most need parental involvement. Second, the lack of parental notification makes it possible for abortion providers like Planned Parenthood to assist in the sex trafficking of minors.

Since medical providers are not obligated to notify parents when a minor indicates she wants an abortion, they are only required to report if a rape has occurred. In the case of a pregnant minor, that means the father is more than 5 years older than the mother. Unfortunately, the mandatory reporting requirement for rape is easily avoided by serial abusers. Under the threat of abuse, pimps teach the girls they abuse to lie about the age of the father and organizations like Planned Parenthood **tell clients to say as little as possible** so they can maintain plausible deniability. As a result, those who claim to be –and should be– looking out for the best interest of these girls are in reality assisting in the abuse of children. Our lack of parental notification makes it possible.

Opponents of the bill claim that parental notification endangers girls whose parents might become abusive when they learn their daughter is pregnant. They say the girl should decide what her parents know. They assume that in crisis you can trust the judgment of the typical pregnant 15-year old better than the judgment of the typical parent. While it is understandable why a girl would not want to tell her parents, it is equally understandable why it would be good for her parents to know despite the child's reservations.

Acknowledging that there are too many abusive parents in the world, it is an insult to every parent in Washington that the abortion industry and their allies in the legislature act as though they have a duty to protect our daughters from us. By requiring parental notification, this bill acknowledges that it is generally a good thing for parents to know what is going on with their children. However, it also contains a judicial bypass provision which would allow a judge to waive the parental notification requirement in the minority of cases in which a child actually could be in danger. It protects those truly at risk without assuming every parent is a danger. That's what rational public policy should do.

The possibility that parents might respond poorly to news that their daughter is pregnant is an argument for keeping parents out of every decision. After all, parents might also respond poorly to news that their child has committed a crime or received bad grades in school. But for good reason, we still tell them. The argument that we should favor keeping parents in the dark in order to protect the children is incoherent. That incoherence exposes the fact that the more likely explanation has much more to do with money the abortion industry makes off of children which eventually finds its way to political campaigns.

Parental notification is not an issue about abortion. It is an issue about parental rights and the well-being of our daughters. It is a disagreement between politicians who pretend they care more about our children than we do and the parents who know better.

Although this meeting has passed, please call your legislators directly or through the legislative hotline at **1-800-562-6000** to make your feelings known. Thank you for rejecting passivity and standing for what is just.
