## KNIGHTS OF COLUMBUS

*"Through Him All Things Were Made"*

### Message from the State Deputy

My Dear Brothers,

Our incoming State Deputy has been kind enough to allow me one last chance to say a formal "Thank You" to all of you.

During this last two years we have all had and met challenges no one ever saw coming. Each of you District Deputies, State Chairmen, and Council Officers stood tall at all times. This gives me a source of great pride to say these are my friends. I know of no other bunch of guys that have done so much for so little under the worst of circumstances and yet never one complaint.

When the chips were down each of you willingly lived up to exactly what Fr. McGivney expected us to do and that was to help the less fortunate. To recall our old First Degree "Deputy Grand knight" Admonishment, "This is the charity that gladdens the heart of the giver..."

In so many ways even when I had no idea what to do next one or more of you stepped up and worked to solve an issue. You gave when there was nothing to give. You worked out in the cold and rain to gather food and other essential items to help others. And you did it with a smile on your face and warmth in your hearts. You got nothing back for your efforts save that smile that you gave in the first place. How could anyone not be grateful to call such a wonderful group of men their friends?

I am privileged and honored to have been allowed to serve as your State Deputy and humbled even more when I think of the extraordinary men we call State Officers that I had the pleasure to work with, nearly every day. Those that served as my staff for the last two years, did so in such an exemplary manner, at all times. No matter how tough it got, no matter how late the hour, they were there working on issues or concerns that had arisen and somehow continued moving the State forward in any way possible. Very often, to my amazement. And not only they but the hundreds of Council Officers and members that, despite the danger we all faced with the Pandemic, went forth and performed what they could at every opportunity to help our Church and those that depend on us.

If I am proud of anything it is the way all of you worked so well together to solve everything that came along. You have my sincerest appreciation and respect.

In closing let me just say that my life has been forever changed by the last ten years on the State Council. As I serve my last two years as a Consultant to the new State Deputy, and watch him and his staff take on the challenges of the future, I will do so with just a bit of envy mixed with pride.

Thank you gentlemen for all you have given me.

## State Chaplain's Message

Dear Brother Knights,

As I write this, I am on an airplane, flying home from a visit to New Haven, Connecticut, where I traveled for the June 12 wedding of one of my cousins. He works for Supreme and actually met his now-wife on the job.

Living and working in New Haven, my cousin is a parishioner at St. Mary's, where our Order was born and where our founder, Blessed Michael J. McGivney, is laid to rest. His tomb is just off to the left as you enter the magnificent church, the beauty of which makes your jaw drop to the floor. From the vaulted ceiling to the decorated floor, every aspect is a work of art perfectly designed and placed.

The sarcophagus itself is crafted in a black stone - perhaps a granite of some kind - and, while it is basically rectangular in shape, the top surface is contoured in the shape of a Latin cross. On the day I visited the tomb, the cross was covered with white roses that were placed there the previous day by the newly-installed State Deputies who were gathered in New Haven for training.

Some of my parishioners had sent written prayer requests to be brought to the tomb of the newly beatified parish priest, so I slid these papers underneath the roses that were closest to his heart and offered up some of my own prayers. I remembered all the Knights in our jurisdiction and asked Fr. McGivney to watch over us and our families and come to our aid.

Praying at the resting places of the faithful (especially the Saints) is an important experience for every Catholic Christian to have. In my opinion, we should visit cemeteries more than once a year. It would be good to visit on anniversaries, birthdays, and other special dates, and even when there's no particular reason at all other than to stop by and say hello.

When I lived in Rome, I loved to drop into churches where Saints' tombs were (which in Rome is a goodly number!) and pray. Reading the lives of the saints, hearing their stories told, or watching them depicted in film brings us closer to them and helps us know them better, but there's something about praying at their tombs that does more. I can't explain exactly why, but it makes us realize that we are truly *connected* with them. In Catholic terminology, we have *communion* with them.

The Saints are not merely historical figures with whom we have some abstract connection because we are Catholic. They are living souls who, already enjoying the vision of God face to face, love us and pray for us. Their example urges us to pursue the path of holiness, and their intercession obtains for us tremendous grace for the attainment of that end.

At the tomb of Fr. McGivney, I reflected on the fact that he understood what it meant to be a priest, and that, from his perspective in eternity, he knows what it means to be a priest today. He knows me. We are united in the body of Christ, the Church: he rejoicing in the reward of his faithfulness, and I continuing each day to fight the good fight to the best of my ability.

We ought not regard the Saints as fans regard celebrities, for there is no real relationship there. Rather, they are true brothers and sisters to us - friends to accompany us on the journey and ultimately to welcome us into the life of the blessed in heaven. My visit to New Haven deepened my awareness of our very personal relationship with the Saints. It felt like discovering a new friend. It was definitely a "God moment."

Vivat Jesus!

Spirit, fill the hearts of Thy  
faithful: and kindle in them  
the fire of Thy love.

Welcome to the July Knights of Columbus state bulletin. I have not been an editor of a publication before and will do my best to keep the high quality continuing. I ask for your prayers that this is positive experience as I grow into this position.

### Fundamental Rights

We pray for those who risk their lives while fighting for fundamental rights under dictatorships, authoritarian regimes and even in democracies in crisis.

## State Secretary's Message

My Brother Knights,

I am looking forward to the new fraternal year! Congratulations to all newly elected officers and appointed chairmen, directors and district deputies. Let us make this year an awakening as we begin with the Summer Leadership meeting in Wenatchee. Thanks be to God the meeting will be in person. We are working on a virtual option as well for those who cannot attend in person. May God give us strength and unity of purpose.

I am working on the Convention Proceedings. The document will be posted on the WSC Website for you to review at your leisure. I encourage you to scan through and get a picture of what councils were doing last year. You will be impressed at the level of engagement councils had in their communities even under health restrictions.

We have several Regional meetings scheduled in September and October. We intend to come to you and visit in your local areas to set course for the fraternal year. We hope to see all councils represented at the Regional meeting near you. These meetings will focus on Grand Knight duties and responsibilities.

As always, Insurance billings will be mailed around the end of July. The cost will be \$1.51 per member. We have a rate increase because of a claim filed last year. Nevertheless, the cost is still low compared to other Jurisdictions. Refer to the Next Six Months Letter included in this bulletin and posted on the WSC Website for more liability insurance information. Refer to this letter for other important administrative information for the first half of Fraternal Year 21-22.

My thanks to IPSD Pat Kelley for all his efforts the last two years. It was not an easy task to be State Deputy during a global pandemic.

Please send all checks for deposit to me:

## State Secretary's Next 6 Months

TO: Grand Knights and Financial Secretaries  
Washington State Council

RE: Next Six Months Letter, July 1, 2021 to December 31, 2021

### NEXT SIX MONTHS LETTER

If you need assistance or information, never hesitate to call your District Deputy, State Chairman or State Officer. If you have any questions about the information in this letter, please give me a call at (703)-969-1888 or send me an e-mail at [StateSecretary@kofc-wa.org](mailto:StateSecretary@kofc-wa.org).

Listed below are the important duties and responsibilities of your office for the six months beginning July 1, 2021. Our hope is that this letter will prove to be a useful tool and guide for you in the first 6 months of the new fraternal year.

#### *Important Notes for the Next Six Months*

**1) ELECTION OF OFFICERS** - Your Financial Secretary must enter into Member Management Council Administration your 2021-2022 council officers immediately after the election of officers. Be sure to make the entries as "Next Year Officers" and not as "Current Officers" (unless you are past the 6/30 deadline and the newly elected have become "Current Year"). This must be immediately followed by the generation in Member Management Print Center of Report #2 (Report of Next Year Officers) (use Report #1 if past 6/30 which you then send to the State and District Deputies (and your own council records). These two actions replace the use of the old form 185, **which although still available should NOT be used**. These two actions also eliminate the need for use of the old state directory change form as the report will be forwarded to the webmaster, so please discontinue use of the "change form" as well. The Grand Knight should ensure that the Financial Secretary has taken care of this as required.

**2) REPORT OF PROGRAM PERSONNEL due July 31st** - This is done in exactly the same manner as the report of officers, that is by direct entry into Member Management Council Administration as "Next Year" and then sending Member Management Print Center Report #4 (Report of Next Year Program Personnel) to the State and District Deputies (and your own council records). These two actions replace the use of the old for 365, **which although still available should NOT be used**. These positions (at the very least including Program Director, Community Director, Family Director, Membership Director, and Retention Chairman) should be determined and assigned by the incoming Grand Knight as soon after the election as possible, and in most cases this should be before the start of the new Fraternal Year on July 1<sup>st</sup> (deadline is July 31<sup>st</sup>). If for some reason it is not done by June 30<sup>th</sup> then enter as "Current Year" and use Report #3.

**3) DEATH NOTICES/SICK NOTICES** - Our State Chaplain, Rev. Kenneth T. St Hilaire, celebrates monthly Masses for our deceased and ill Brothers and Family members of the Washington State Council. A card of condolence (*in the case of a death*) or get-well card (*in the case of an illness*) is sent to the next of kin or family member if information is sent timely. The State Secretary also forwards this information to the Bulletin Editor, for publication in the "State Bulletin". **For this process to be effective, it is imperative that the notification is accurate and timely and that the name, address and relationship of the next of kin are also provided.** Notifications of deaths may be transmitted to the State Secretary via email ([StateSecretary@kofc-wa.org](mailto:StateSecretary@kofc-wa.org)) or in the form of a written communication to: Greg Mahoney, State Secretary, 9317 Ash Ave. SE, Snoqualmie, WA 98065-5077. Information on Survivor's Assistance and a Survivor's Assistance Checklist can be found on the Grand Knight's CD-GK REFERENCE GUIDE (Part III, 52-56)

**4) STATE DIRECTORY CHANGES** - You must immediately inform **Web-Master Tom Williams** (via phone (206)-617-0600 or e-mail to [Webmaster@kofc-wa.org](mailto:Webmaster@kofc-wa.org)) of all changes that need to be made to the "Washington State Directory" including your Council Chaplain, **unless you have followed #1, above**. The change form can be found on the State Web. It is your duty to check from time to time for updates and to stay current revising your personal directory as needed.

**5) COUNCIL AUDITS due August 15<sup>th</sup> and February 15<sup>th</sup>** - Council Audits are due every six-month period (July-December and January-June). Every council requires a council audit. This should be done as soon as possible following the end of each six-month period with a deadline 45 days later (8/15 & 2/15).

**6) PARTNERSHIP IN PROFILE Form (4584) is no longer used. Form 10784 has taken its place and is an all-encompassing Program report form. The Survey of Fraternal Activity (1728) is still in use and due January 31st.** Special Olympics involvement must be submitted on Form 10784. Supreme sends Special Olympics Washington a check representing those reports. Last year it was \$2,500 of free money to Special Olympics Washington through the Knights of Columbus. Fraternal Activities form 1728 is the most imp

**7) PER CAPITA ASSESSMENT BILLING** - The Council Per Capita Assessment was mailed to the Grand Knight and Financial Secretary during the month of January 2021. ***The \$9.00 per member assessment is due upon receipt and is payable without council vote.*** The Per Capita Assessment excludes inactive insurance, honorary life and members who have qualified for special disability as of December 31, 2020. (Each council is required to update the list of its members shown on the Supreme Council records as exempt from payment of dues and per capita taxes as of October 1<sup>st</sup>). **Councils need to certify disability only once, then the FS verifies continued qualification from there.** For additional information refer to the Washington State Council Bylaws, Article VII Finances, Section 3, and Disability Exemption Guidelines, (Form #1813G).

**8) GROUP LIABILITY INSURANCE** - A Commercial General Liability Occurrence form provides \$5 million per occurrence and \$10,000,000 per member aggregate including auto and liquor liability. This group liability coverage must be purchased by councils wishing to participate. Your council premium will be based on the Supreme membership report of active membership as of July 1<sup>st</sup>. The premium has increased to \$1.51 per member. A Liability Insurance Letter is no longer included to all council Grand Knights and Financial Secretaries along with a Council billing invoice. All insurance payments must be made payable to **"Washington State Council"** and mailed to the State Secretary, Greg Mahoney, 9317 Ash Ave. SE, Snoqualmie, WA 98065-5077.

**For proof of insurance or an additional insured certificate, please contact:**

**Julie Fleming-Suttich, 390 Bradley Blvd, Richland, WA 99352. Phone: (509) 946-2170. Fax: (509) 946-0715 E-mail: jfleming@paynewest.com**

**9) ANNUAL MEETING (STATE CONVENTION) BIDS** - The Washington State Council Bylaws as it pertains to the Annual Meeting (State Convention) requires the State Officers to fix the place of the Annual Meeting five years in advance. The dates for State Conventions are noted below in Paragraph 8 for the years, 2022, 2023, 2024 and 2025.

Guidelines and information for bidding to be the Host Council for a State Convention are found in the Grand Knight's Handbook posted on the WSC Website (PART II, Section 3. State Council Information). Councils desiring to host the Annual Meeting may do so by notifying the State Secretary, in writing, no later than December 31, two years prior to the Annual Meeting. The notice must be on council letterhead signed by the Grand Knight and the Financial Secretary and have the Council Seal affixed.

**10) PLANNING ASSISTANCE** - The Grand Knight's Handbook provides a twelve-month checklist of all reports and dates when they are due. You can also find checklists and other tools with key dates, reminders and reports to be submitted. *The Grand Knights Handbook can become your most important tool, if used. The handbook requires revision because of the many changes in Membership, Programs and Ceremonials that the Supreme Council implemented in the last several years. Much of the information is still valid but seek clarification by contacting the State Secretary.*

**11) This year the State Deputy has planned several Regional Training Meetings in September/October. Watch the State Bulletin for a list of the dates and locations.**

Any changes due to the Covid-19 pandemic, will be determined long before our scheduled meetings. Also please remember that work on 2022 billing and retention begins in October 2021 with corrections and updates to member information and member balances followed on November 1<sup>st</sup> by preparation of the annual billing packet to be mailed out December 15<sup>th</sup>. Wise Financial Secretaries get all or most of this work done before Thanksgiving to make December less hectic.

Any questions or problems with administrative matters should be referred to any of the Administration and Finance Trainers.

## State Treasurer Message

My Brother Knights,

Welcome to the new fraternal year! As with all new beginnings, we start with hope and positivity about the coming year. There is a lot to be hopeful for as we start to move out of the COVID pandemic, and more and more members have been vaccinated. I am hopeful that we are past the worst of the pandemic and I am looking forward to the Summer Leadership Meeting in Wenatchee, the first in person state meeting in more than a year!

The new year is also a time for resolutions for the coming year. Boy, I think we as Catholic men and Knights of Columbus have some opportunities here! How about a pledge to work with your Council to plan the resumption of activities as the rules will allow? How about assisting our parish priests as more and more parishioners return to Mass in person? How about reconnecting with your brother Knights and renewing the bonds of fraternity?

This will be a short note as I am transitioning from Advocate to Treasurer and getting ready for the Summer Leadership meeting. I hope to see familiar faces there as we provide training for District Deputies and Financial Secretaries. And, I hope to see many more of you at the Regional Meetings that are being scheduled.

Vivat Jesus!

## State Advocate's Message

My Brother Knights,

I am not a lawyer. I will attempt to get answers to any questions about rules, regulations, policies, etc. from the Knights of Columbus Fraternal Services and, when necessary, from attorneys, who represent the Knights of Columbus. Please contact me by email ([scottehulse@gmail.com](mailto:scottehulse@gmail.com)), by telephone ((360) 243-0745) or with a written letter with your questions.

You should all be aware that the Council Grand Knight, Program Director, Community Director and Family Director are required to complete the Knights of Columbus Safe Environment Program training. Most of our Washington State Councils are in compliance with this requirement; however, there are a few Councils that still need to have those in positions requiring this training complete the training. Please review the following list. Grand Knights must make sure that this requirement is complied with.

All Knights are encouraged to complete the Knights of Columbus Safe Environment Program training, which is accessible through the training portal at KofC.org. Make sure you have a valid email address when you want to take the training because this will be part of your login credentials.

It is time for all of us to refocus on our mission as members of the Knights of Columbus and remember our guiding principles of Charity, Unity and Fraternity. Some of us have allowed the COVID-19 pandemic to become an excuse for sitting back, isolating ourselves and doing little to make sure we "Leave No Neighbor Behind." Let's get back to work and make sure all our neighbors are taken care of!

Vivat Jesus!

## State Warden's Message

My Brother Knights,

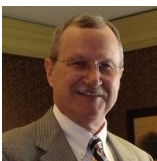

This being my first bulletin message as State Warden, I must say that I am deeply honored to have been elected as your State Warden and I am thankful for your trust in allowing me to serve you and the Washington State Council in this capacity. This, like many roles and positions I have held over the years, seems a little like drinking from a firehose as I strive to learn the new responsibilities of State Warden. I most appreciate your patience as I come up to speed.

Our upcoming Summer Leadership Meeting is our first major event of this new fraternal year as we all recover from the uncharted territory we've just experienced by the pandemic. I must say, I am in awe of the many Councils all across this State who literally stood up to COVID and made a difference in their communities and their neighbors who were so hard hit by the pandemic. You were called to action and responded as Knights always do when disaster strikes. You hosted food drives, gathering tons of food and raising thousands of dollars for your community food banks, you prepared hundreds of meals for shelters, you raised funds for Special Olympics and many local organizations that help the disabled and disadvantaged, you financially supported our seminarians through you innovative fundraising ideas, you provided Coats for Kids, you saved your communities hundreds of thousands in durable medical equipment through KC HELP, and carried on with many, many more initiatives that changed lives and saved lives. Those Councils are already working hard to lay out plans for this new fraternal year and will hit the ground running. Many Councils, however, were stymied by COVID and will likely experience a slower start to get back up and running. I encourage all Councils to take advantage of Supreme's well-thought-out COVID Recovery Program webinars that you can find on [www.kofc.org](http://www.kofc.org). In my other role as Council Wellness and Development Director, I stand ready to assist any Council as you implement and work through the COVID Recovery Program. Please don't hesitate to call on me. In fact, I plan to reach out to Councils who, for example, exhibited signs of distress such as being recruitment inactive or had difficulty with Safe Environment compliance.

I look forward to a new fraternal year with new excitement as we emerge from COVID and get back to doing what Knights know how to do to help people!

Vivat Jesus!

## State Membership Director's Message

My Brother Knights,

I am honored to serve you as Membership Director. I thank the Worthy State Deputy Kim Washburn and the all the state officers for their vote of confidence. I look forward to meeting as many of you as I can. So let's get ready and roll up our sleeves.

As we come to, what hopefully is the end of the pandemic and Washington starts to open up, we look toward regaining normality back into our lives. This past year has been hard on all of us. But, through it all you my brothers still brought new members into our ranks. Your efforts have kept the vision of Blessed Michael J. McGivney growing.

We now have a unique opportunity to have a huge impact in the lives of our parish members. The Covid Recovery Program recently instituted by Supreme focuses on resuming operations in a way that inspires members and parishioners to become reinvolved with Church and community activities. The door is opening. Will you rise to the occasion? Will you be the example that other men will look toward? Will you reach out your hand and ask him to join us?

Our goal this year is very simple – Every Council Active. This is achieved by looking at the first three principles of the order.

CHARITY - increase your council's manpower to assist parish and community members by providing for those in need

UNITY - provide the opportunity for eligible Catholic men to work together and accomplish great deeds that they could not accomplish alone

FRATERNITY - provide every man the opportunity to build the bonds of friendship with council members that will last a lifetime

To assist us in our efforts to recruit new members, Supreme Knight Patrick Kelly announced at the recent State Deputies meeting in New Haven, the promotion for free membership will be extended through December 31, 2021. I'm not sure what the Promo Code will be but as soon as I know, I'll pass it along to all the District Deputies.

Due to the schedule of publishing the bulletin, the membership statistics are not yet complete for the fraternal year. I will hold off on the award announcements until the August bulletin. Please check the membership graphic for the latest membership information at the time this article was written. The Division leaders are in Green.

Again, I am grateful and honored to serve you. Stay strong and be vigilant my Brothers and keep up the work of building God's Kingdom here on earth.

Vivat Jesus

## State Program Director's Message

My Brother Knights,

This year's start of the fraternal year has great significance. As your new General Program Director for the State Council, I'm looking forward to the new challenges this year will bring. As our state is coming out of a long shutdown from COVID-19, I hope to see all of our councils get back into the swing of things and bring all of our programs back to life. I'm looking forward to working with all of you and the new Chairman for

Vivat Jesus!

Dang H. Nguyen  
State Community Director  
Incoming State General Programs Director

## State District Deputy Director's Message

My Brother Knights,

Welcome to all those who have chosen for the first time to serve as District Deputies. I look forward to working with you and assisting you in any way that I can so that we all have a successful and productive year. Thank you to the rest of our District Deputies, who are continuing to serve or are resuming service after a hiatus of a few years.

Our challenge this during the 2021 – 2022 fraternal year will be to assist all of our Councils as they resume a more “normal” active presence in their Parishes and communities following the often confusing and inconsistent directives from various leaders and agencies. My admonition to all of you is look forward, don't look back. Charity, unity and fraternity are our guiding principles. Together, let us all make sure that our Councils are alive and well.

Put 7:30 PM during the fourth Thursday of every month on your calendar. I am scheduling this time to meet with all of you virtually so that you can be kept informed of upcoming events and deadlines. I will also try to answer any questions you might have during the meeting. I will try to find an answer to your questions if I am not absolutely sure of an answer. I will also be available until 9:00 PM daily to you when I am at home either off-line or in person. My telephone number is (360) 243-0745. My personal email address is [scottehulse@gmail.com](mailto:scottehulse@gmail.com).

Thank you again for committing to serve as District Deputy during the 2021 – 2022 fraternal year.

Vivat Jesus  
Scott E. Hulse  
Washington State District Deputy Director

## State Life Director's Report

My Brother Knights,

I have stepped down as State Life Director due to a number of health issues. This has been a difficult decision but is best for me as it is for the position of State Life Director. My replacement is Gary Cloninger, the well known District Deputy for District 31. Gary and I worked together in placing an ultrasound machine in Skagit County. Gary led that campaign for the District and we worked together well. I appreciated his drive and motivation for LIFE. I know he shares my passion for the ultrasound initiative and know he will continue to work to get these machines to as many women's centers as possible. Gary is better connected in the Washington State K of C due in part to his work and associations with other District Deputies. It is important to get others to lead the 8 programs in the Life program and I believe he has filled all of the Chairmanships in the program. I am committed to working with Gary as needed in the Ultrasound Program. I was fortunate to have had Darren Johnson, a personal friend, and very successful Chairman for the Special Olympics Program. Darren has devoted himself and the WA State Council and to Special Olympics.

I would like to thank all of the State Officers that I have worked with over the years, especially my Deputy Grand Knight and State Deputy Elect Kim Washburn. I also want to thank the many gentlemen that I have worked with over my tenure to support Life. Keep up the good fight, we need that more than ever in these difficult times.

God Bless,

Ron DeGroot, Life Director  
Washington State Council  
Knights of Columbus

## A Message from the State Vocations Director

My Brother Knights,

Diocese of Yakima  
Priestly Ordinations  
May 28<sup>th</sup>, 2021  
Holy Family Catholic Church

Two new priests have been ordained for the Diocese of Yakima. They are: Fr. Michael Kelly and Fr. Eduardo (Lalo) Chavez. Bishop Tyson in his homily stated that priests die to themselves and are raised in Christ. He stated that in the Gospel of John, Jesus tells his followers "Unless a grain of wheat falls onto the earth and dies, it remains just a single grain. But if it does fall onto good earth and dies, it bears much fruit."

The ordination was attended by several hundred people and included most of the priests from the diocese. There are two times when all the priests present address the new priests. Following the Bishop placing his hands on the new priests, authorizing, permitting, and recognizing the calling of the recipient to the clergy, one by one each priest present puts their hands on the heads of the newly ordained and prays for their ministry.

At the end of the ordination and the new priests have been vested, each priest present gives them a hug and welcomes them to their assembly of priests. Then the newly ordained join all the other priests on the altar for the Eucharistic liturgy, where the new priests stand on either side of the bishop.

Following the Mass I had an opportunity to speak with each newly ordained priest, and let them know that the Knights of Columbus are there to help them any way they can. I also presented them with a few gifts including a Knights of Columbus rosary, a rosary box with the last supper on the lid, and a copy of "Parish Priest" the story of Blessed Michael McGivney.

Both Father Kelly and Father Chavez asked me to convey his heartfelt appreciation to the councils and knights who provided them support and for their prayers during their seminary formation.

Tim Coyle  
Vocations Chairman

## Seminarian Support

My Brother Knights,

Yes, that's us in the photo down below. (**St. Francis Cabrini Parish Knights of Columbus - 2020 Traveling Parish Cup winners**) We had a great time at last year's [Golf Fore Seminarians](#) event. Such a great time, that we actually won the **Traveling Parish Cup**.

Join us again this year on [Tuesday, August 3<sup>rd</sup> at Trophy Lake Golf & Casting Club](#) for the **20<sup>th</sup> Anniversary of Golf Fore Seminarians**.

You don't need to be an expert golfer for this four-person best ball scramble, collaboration and teamwork will help you compete for the **Traveling Parish Cup**.

This is a perfect opportunity for your chapter to gather, socialize and have some fraternal competition while you do some good old fashioned putting around.

Did you know seminarian formation education costs \$45,000 a year? This is quite the burden considering that full formation takes 6 to 8 years.

All proceeds raised from the annual **Archbishop's Golf Tournament** are directed to the **Seminarian Formation Fund** to offset the expenses associated with the study for the priesthood.

Learn more about this incredible event at [www.golfforeseminarianswa.org](http://www.golfforeseminarianswa.org)  
Register now to hold your foursome spot. Email the player names closer to event date.

We look forward to seeing you on the green

## State Youth Director's Report

My Brother Knights,

As the new fraternal year is upon us, it is time to start planning the youth activities for next fraternal year. Having the youth participating in programs is a way of getting families familiar with the Knights and a way of enticing dads to think about the Knights. Many councils have wonderful programs and are attracting a healthy participation from the youth. What can your council do to promote the youth programs?

### **Supreme Supported programs: Catholic Citizenship Essay**

This contest encourages today's youth to be more connected to their community and their faith. The goal of this program is to involve young Catholics in grades 8 to 12 (public, private, parochial or home schools during the current school year) in civic discourse and instill in them religious and life-affirming values. The essay should be 500-750 words on a specific topic, changing every other year. Entrants will be judged on grammar, style, and how clearly they present the theme in a way that showcases creativity, imagination and overall development of the topic

### **Soccer Challenge**

The Soccer Challenge is a great way for councils to engage in their communities with an athletic event for youth that encourages the values of sportsmanship and healthy competition. Children demonstrate the most important skill in soccer – shooting accuracy on the penalty kick – and compete to reach the international level of competition. The program is also a way to introduce the Order to your community and recruit faithful family men of service.

### **KCIC Poster Contest**

Conducting a Knights of Columbus Keep Christ in Christmas Poster Contest is a fun and easy way to put your faith into action and get youth in your community involved in their faith. It is fun to conduct because of the opportunity to witness the creativity and optimism of the youth in your community. It is easy because you can tap into existing structures like schools and do a lot of preliminary work. It can also provide excellent local, and potentially international, publicity for your council.

### **Free Throw Contest**

Since 1972, councils have sponsored the Knights of Columbus Free Throw Championship for boys and girls from the ages of 9 to 14 to provide an athletic outlet and encourage the values of sportsmanship and healthy competition. Kids compete within their own gender and age and progress from local level to district, regional and state/province competitions. This program is a great way to introduce the Order to your community and recruit faithful family men of service.

Youth Chairman
