## KNIGHTS OF COLUMBUS

*"Friends In Christ Doing God's Work"*

### Message from the State Deputy

I have been a very busy guy this month getting ready for the State Convention in Pasco, WA, May18-20, 2018. I am really getting excited to see everyone, especially because I have been grading Awards all this last month and that always charges me up. We do so much good for so many that it is thrilling to read about our accomplishments!

I have some historic news for everyone in the State. On April 23, 2018 Washington State launched its On-Line Membership Program. This program has huge potential to help our State and our Order. I have heard testimonials that this program has already dramatically improved other jurisdictions. Things I heard were a possible increase of 10-15% just from this program and that in Councils that were aging out and no new members came for years now they are rejuvenated by the guys who joined first On-Line and then moved into the Council. This program will not replace our conventional recruiting but it sure looks like it will be a powerful tool to add on. I have named a Chairman for this project, Renato Sacramento, and he is a great fit.

Let me tell you more about it. On-Line membership is a lot like having a huge electronic anti-chamber. Guys go to: [kofc.org/joinus](http://kofc.org/joinus) and pay their \$30 membership fee. They are placed in a State Division and 60% of those that have joined this way said that they are ready to join a Council. Then we match up his location to a Council, we notify the Council, the Council will be able to take him through the admissions process and first Degree and he becomes your new member. We will be sending all of the financial secretaries and district deputies the details, but this is a really good way to get young new members. Something new and exciting, so stay tuned for more details.

For those of you who are coming to the State Convention, I pray that you have safe travels. The weather in Tri-Cities made the 80's this week, so it should be a sunny nice time for us when you get here. Have a great month and God Bless.

## State Chaplain's Message

Happy Easter! Christ is risen! Alleluia!

Yes, it is still Easter for a little longer, and still prime time for reflection on the newness of life that God offers us through the Paschal Mystery and our incorporation into it through baptism. Perhaps with the arrival of spring—and summer just around the corner—a few gardening metaphors will do us some good. There is a lot of insight for the spiritual life to be gained by looking at the common experience of gardening.

One of the first things a gardener has to do in the spring is to prepare the soil. Over the winter, the ground may have hardened and become impenetrable. So, the gardener has to loosen the soil so that new seeds or plants can be introduced and begin to grow in it.

Sometimes human beings can be like the soil coming out of winter. We get firmly stuck in our usual ways of doing things, and it does us some good to break up the monotony. There's nothing wrong with having (good) habits and a sense of routine in life. However, when our patterns of behavior prevent new initiatives of the Holy Spirit, it's time for change.

Even when working a piece of ground that has been worked in previous years, the gardener sometimes comes across stones that need to be removed. Depending on the size and shape of the stone, it can make growing plants in that area difficult or even impossible.

Likewise, when "digging deep" in the spiritual life, we may come to the realization that there are elements that need to be removed—elements that impede the fruitfulness of our spiritual life. These can be sinful thoughts, words or behaviors that need to be left behind. This is the work of conversion! Here's a tip: start with the big "stones" and then worry about the little ones later.

Before seeds or plants are brought in, it's a good idea to add material like compost or fertilizer to the soil so as to make sure that the ground is suitable for growing and that it will be able to nurture the plants that will eventually grow there.

This can be likened to a period of preparation for prayer. I suspect that most of us, when it comes time to pray, launch immediately into talking to God about what we need or what we hope He will do for us. Similarly, most people get to the church just a brief moment before Mass is to start—in just enough time to get settled into a pew and open the hymnal to the processional song. We would do well to prepare for any time of prayer or liturgy by spending at least two or three minutes in silence, pondering what we are about to do and making sure that we are disposed to receive the graces that God is about to offer.

Finally comes the time to plant the seeds or starts. The soil doesn't have the capacity to produce plants on its own. It can only receive what is placed in it and provide an environment in which the new life can grow and take root.

So we should always remember that the graces given to us by God are nothing that we produce on our own. We can only do our best to provide a cooperative heart in which those graces can "take root" and flourish. If we do that, the Lord will make our efforts fruitful.

More on gardening next month!

Vivat Jesus!

## State Secretary's Message

My Dear Brothers,

The Annual Convention is upon us. So far, I have sent out two Invoices to all Councils. Many have paid their Insurance, which was due last August, and their Per Capita which was due in January of this year, BUT many have not. Unpaid Per Capita and/or unpaid Insurance charges will keep your Council Delegates from being seated at the Convention and therefore will have no vote on any issues, elections, or motions on the floor. PLEASE check with your FS to see to it that your debts are paid up to date. Remember, there is no discussion or votes allowed concerning these debts as non-payment results in Council Suspension.

Here is a List of Councils that show unpaid items as of this date. These are Per Capita debts and are either completely unpaid or only paid in part, which is never authorized.

## Immediate Past State Deputy's Message

### MAY

My Brothers All,

The Convention is here!!! I so look forward to these annual meetings to see old friends and meet new ones. To review and hear about all the good things we have done over the year. To celebrate those outstanding programs that touch us all. To elect (or re-elect) our set of leaders to represent the State as Officers and as Delegates to the Supreme Convention. Good times! Great memories! Hope to see you all there.

This calendar year has been a tough one for our Parazoo family. There have been a number of deaths (4!!) in these winter and spring months leading up to today. I appreciate all your thoughts and prayers and wanted to let you know that you all have a fond spot in my heart. God Bless you all.

God Bless.

Vivat Jesus!

## State Treasurer Message

### State Treasurer's May 2018 New Catholic

Brother Knights,

Our sight is squarely on the Convention, so have your ducks in a row before you get there. We, also, need YOUR required paperwork to the appropriate location at State, so our ducks are in a row too. Those darn ducks get meticulous this time of year and tend to not walk or fly in a straight line.

Our membership gain for the past couple of months has been good and that means your council Exemplification fee needs to be current. Please get your Exemplification account paid to zero balance (see next page).

Remember \$7/new member is required from each council. If your council is listed here with an amount next to it, you owe this to the Exemplification Account in support of our full Knighthood Degree State Exemplification efforts.

If you have a reactivation or readmission, please send that name and membership number to me for adjustment to your account (an email message will suffice). Your council does not owe the \$7 for this new member.

Please get your account up to date and mail your check payable to Washington State Council with exemplification in the memo area, AND COUNCIL NUMBER ON THE CHECK. Send to:

**WSS Pat Kelley**  
4122 S 130<sup>th</sup> St.  
Tukwila, WA 98168-3132

Pat loves paperwork and is eager to have yours. Well, not all of your paper work!

God Bless you all

## State Advocate's Message

### *Convention*

Brother Knights,

Our State Convention is just around the corner. I look forward to seeing many of you there. My message is short this month as there is much to do to prepare for our annual meeting. I look forward to working with those selected for the Resolutions Committee. I will send more details directly to respective committee members regarding duties and responsibilities in the coming days.

Please review my article in the April bulletin. I listed all councils that were noncompliant with the Knights of Columbus Safe Environment training requirements. These councils risk losing their eligibility for Star Council this year. Get the training done online before June 1.

Vivat Jesus!

Fraternally,

Greg

## State Warden's Message

My Brothers,

This the busy time of year for your State Officers as we get ready for the 115<sup>th</sup> State Convention, so this will be a short message.

Keep working hard, don't lose focus on achieving your Council goals, even as we approach the finish line. Recruit that member, run that program, submit that report . . . There is still time to submit the Columbian Award Application (Form SP-7), which can be found at the following link:

[http://www.kofc.org/un/en/forms/Council/columbian\\_awardap\\_p.pdf](http://www.kofc.org/un/en/forms/Council/columbian_awardap_p.pdf).

I look forward to seeing you at the Convention next month as we celebrate our achievements of the past year and renew our fraternal bonds.

**Online Membership** is now live in Washington State as of April 23, 2018!!! The State Council has begun a new chapter in Membership recruitment efforts ahead of the Order's full implementation on July 1, 2018. This initiative will supplement recruitment efforts and will not replace our traditional means of recruiting new members at the council level. Our newest State Chairman to help manage this initiative is Renato Sacramento. Welcome aboard Renato! Look for more information and guidance from Chairman Renato as we roll out Online Membership in the coming months. More details can be found on the Washington State Council Website at <http://www.kofc-wa.org/FrontPageContent/Membership/E-Membership.pdf>. Here is what a new prospect sees when accessing the tab **Join Us** on the Supreme website: <http://www.kofc.org/un/newjoin/en/index.html>.

Check out the **Member Mission results as of May 1, 2018**. If your council has not recruited a new member this year (42 inactive councils), please make membership growth a priority in the remaining months of the fraternal year. I encourage councils to finish the year strong.

## State Program Director's Desk

Brother Knights,

There are some big changes coming to Programs in the new fraternal year, and I am excited by the new opportunities we have. The venerable *Surge with Service* program will be retired and replaced by *Faith In Action*, with more emphasis faith-based programs.

Below is an excerpt of the announcement of the changes from Supreme Knight Carl Anderson:

It has been nearly 50 years since *Surge... with Service* was introduced as our program model. Although Surge has served us well through the years, in order to simplify our program structure and better align programs under main priority areas, I am pleased to announce a new program model titled *Faith in Action* that will take effect with the 2018-19 fraternal year.

This model is an evolution of the *Building the Domestic Church While Strengthening Our Parishes* initiative that was introduced in November 2015. It embodies a simplified overall program structure featuring four instead of six categories so as to foster greater understanding and implementation of programs at the council level.

Key points regarding the updated program model are:

*Faith in Action* will be the new umbrella for all Supreme Council recommended programs, replacing *Surge... with Service*.

The new program categories will be: Faith, Family, Community and Life.

Councils should appoint a Faith Director, Family Director, Community Director and Life Director. (Councils will no longer need to appoint a Youth Director and Council Director).

*Building the Domestic Church* programs will be integrated into the new Faith in Action framework.

The new model will reduce the number of programs required to earn the Columbian Award to four programs in four categories totaling 16 programs (instead of 24 programs across six categories).

All current Supreme Council priority programs will continue.

Nine new Supreme Council priority programs will be introduced:

## State Program Director's Desk (Cont.)

In the coming weeks, the Fraternal Mission Department will send you and your leadership team further information explaining the Faith in Action program model. Please work with your Membership and Program Consultants to promote this new program model among your state, district and council leadership so as to maximize participation at every level of the Order.

As we learn more about *Faith In Action* and how we will implement it in Washington, I will provide updates here. Please plan on attending the Summer Leadership meeting this year as all the changes will be presented for the coming year.

Finally, there is still time to submit the Columbian Award Application (Form SP-7), which can be found at the following link: [http://www.kofc.org/un/en/forms/Council/columbian\\_awardap\\_p.pdf](http://www.kofc.org/un/en/forms/Council/columbian_awardap_p.pdf). This form includes boxes that you must mark to indicate your programs that pertain to *Building the Domestic Church*.

#### Seven Reasons Why Knights Should Join the Fourth Degree

The Fourth Degree is a group of outstanding Knights of Columbus dedicated to promoting patriotism enlightened by the Catholic Faith.

We work for the application of Christian principles in all levels of democratic government.

We call upon our members to distinguish themselves with heroic deeds for God, Country, and Order.

We support religious, civic, and charitable causes that are consistent with our Order's high ideals.

We oppose the institution and development of forces averse to good Christian government.

We educate our members and the world-at-large to be defenders of our democratic institutions.

The Fourth Degree, the highest degree in the Knights of Columbus, provides members with a greater knowledge and appreciation of our Catholic heritage.

Respectfully Submitted,

## Tootsie Roll Report

*Tootsie Roll*

*2017-2018*

*A message from your Chairman, Tommy LaCour*

Brothers All –

It is my pleasure to announce that this year's Tootsie Roll Program was the best year we have ever had!!!

With 54 Councils Participating We Raised **\$139,086.33** Once again, we are ranked 2<sup>nd</sup> in most raised with an Amazing **\$786,819.61** since the inception of the program in 2011.

We are now giving to over 70 Organizations that deal with those with Intellectual Disabilities, Special Olympics, and all the different Washington Special Olympic Teams you support. I would like to thank each and every one of you and your Councils for your dedication and relentless support of this fantastic program. It has been amazing to see the success of so many programs in our state due to your efforts.

There is so much more left for us to do to help those with Intellectual Disabilities and Special Olympics. I ask each of you to make an extra effort to get involved in this program. Every little bit helps no matter how small you think it is.

*Vivat Jesus!*

## Community Service Chairman's Report

### May Community Service Report

Thank you to all who provided information about their Community Service activities during the current fraternal year. The service you have provided to your communities, our state and our nation is impressive. However, there remains more to be done. Look for opportunities to serve. We often focus on our Parishes, but many of our Councils in Washington State have recognized the needs of our communities outside the boundaries of our Parishes and have provided for those needs. As Knights, we should all be thankful for the opportunities to serve and proud of our accomplishments.

Vivat Jesus!

Scott Hulse, Community Service Chairman

Washington State Council

## State Youth Director's Report

Brothers,

The time of year has come where I need to thank all the councils and districts that supported the state-wide youth activities. Soccer Challenge, Free Throw and the KCIC poster contest. Without your involvement we would not be holding these activities. It is the youth of our communities that we hold these programs. We hear during our archdiocese's message on the annual appeal, there is a need to share our time, talent and treasure. What a better reason to share time and talent then reaching out to the youth of our parishes and communities. For some of the youth, this is their only outreach. Councils may have had a bad experience and choose not to continue to hold a youth program. Reach down and try again, the more councils and districts that extend these programs through to the youth, the better these programs will become and the more youth will participate.

I know many of the 165+ councils in Washington do a fantastic job supporting our youth and host programs for them, but I was a little disappointed to have received only 10 write-ups for the state youth program award. The top 5 entries have been forward on to the state officers for consideration as state youth award. Who will it be? I guess that you will need to attend the state convention to see who this year's winner will be.

Are you interested in being the next state youth chairman? Would you like to know more about the position? We can start the learning process now. When Kim Washburn becomes state deputy in 3 years, he'll have a youth chairman that can step in and keep the ball running.

Vivat Jesus!

Ken DeVos - Youth Chairman

## Council Chairman's Report

### Knights of Columbus State Council News for May

My Brothers,

The month of May is here and that is the time we all come together to elect state officers, pass resolutions, learn what is new in the order, recognize outstanding councils and members, visit with old friends and meet new friends at our annual State Convention. The most important thing is to come to represent your council and to make sure that your council has a voice at the convention. The last few years there has been a decline of councils attending the convention. This does not help our fellow brothers or our State Officers if not all the councils are in attendance. So please consider attending the State Convention in Pasco this year May 18, 19, & 20<sup>th</sup>. I hope to see ALL OF OUR COUNCILS REPRESENTED THERE!!

We had some outstanding submissions for Knight of the Year, Harry Tucker Jr, and Council Service Program Awards this year. I only wish that more councils would have submitted their candidates and programs for these awards! There are so many deserving Knights and councils that need to be recognized that they are not getting the opportunity because no one submitted the form. Out of 165 councils only 10 councils participated for these outstanding awards. Hopefully next year will be better and we can get every council to submit to the awards.

Remember that this is the month that you start your council election process then end in June and the new officers take over July 1! So, start thinking who you want for your council officers for the next fraternal year.

Finally, please consider starting to work on your Columbian Award Application (#SP-7) Due to Supreme on 6/30.

Vivat Jesus,

Ed Miller

State Council Chairman

## A Message from the Bulletin Editor

### Movies and Evangelization—Popcorn, Anyone?

Last month, Father Kenny suggested that an evangelization based on the appeal to beauty, rather than reason, might be a better way to gain a hearing for the faith in our times. That goes hard with me, a philosopher man and boy these fifty years, and a professional philosophy for most of those. Still, he may well be right, which got me to thinking about film as a means of evangelization and of movies I have seen in recent years that might touch the heart when the mind thinks it is already made up. That led to my compiling the following list of religious, Catholic-themed films that you might enjoy and share with others as well:

**Into Great Silence** (2005) *Documentary* Award-winning film maker Philip Groning records a half-year in the life of the monks of Le Grande Chartreuse, where the Carthusian order was founded, and lets their deep faith, peace, and spirituality speak for itself, mostly without words.

**The Lion, the Witch, and the Wardrobe** (2005) and **Prince Caspian** (2010) *Fantasy* Disney's big-studio treatment of the first two volumes of C. S. Lewis's Christian allegory *The Chronicles of Narnia*. Features outstanding scores by Harry Gregson Williams.

**The Way** (2008) *Drama* (Martin Sheen, Emilio Estevez) When his son dies during an attempt to complete the famous pilgrimage known as "The Way," his grieving father vows to complete the pilgrimage in his stead, rediscovering his faith and becoming closer to his son in death than he ever was in life

**Henry Poole is Here** (2008) *Comedy* (Luke Wilson, Radha Mitchell) A dying man's fondest wish is to die in the home where he grew up. However, other people live there now, and they don't want to move. So, he buys another, nearby house and finds his life turned upside down when a persistent, seemingly ineradicable stain on the outside wall of the house becomes the focus of popular devotion and sparks miracle-claims.

**The Greatest Miracle** (2011) *Animated* Three strangers find themselves surprisingly drawn to attend Mass on the same day and each acquires both a deeper appreciation for the Mass and an answer to the problems besetting their lives. Award-winning score by Mark McKenzie.

**Barabbas** (2012) *Mini-Series* Offbeat cult-movie actor Billy Zane does a creditable job playing the title character, mentioned in all four Gospels as the criminal freed by Pilate in preference to Christ. Based on the novel by Nobel-Prize winning novelist Par Lagerkvist.

**For Greater Glory** (2012) *Drama/Historical Epic* (Andy Garcia, Peter O'Toole) A fictionalized retelling of the Christero rebellion in 1920's Mexico that resisted the attempt by the government to stamp out the Catholic Church in that country. Though a failure militarily, it eventually brought about a change of heart in the Mexican people and a new growth of the Church in that nation, watered by the blood of martyrs. Viva Christo Rey!

Currently running: **Paul, Apostle of Christ** (2018) presents an imaginative depiction of the last days of St. Paul and the writing of the *Book of Acts* by St. Luke. Well worth seeing!

This is just a list of films that have personally impressed me and given me insight into the faith. I have seen other religious films that have not impressed me, and there are many others that I have not seen that perhaps you have seen and think that I might enjoy as well. If so, please let me know. In the meantime, see you at the movies!

**A Message from the Father McGivney Guild****Father McGivney Guild**

Brothers,

The purpose of the Guild is to promote support and pray for the canonization of Father McGivney. This is the easiest program ever. All a member has to do is fill out the enrollment form, send it in and pray. There is no cost involved, just prayer!

The program is opened to all Knights, family members, relatives and members of your parish. Each member of the Guild receives quarterly updates on Fr. McGivney's progress to Sainthood. It reports on miracles confirmed and pending and progress of the investigation. Only 8% of the State Council are members of the Guild so we have room to grow in membership.

Fraternally,

Ed Hebert Sr.  
Chairman

**Family of the Month Drawing Winners****FAMILY OF THE MONTH**

I wish to congratulate the winners for the month of March in the Family of the Month submittals:

1. Brother Terry Kadzor Family; Council 3361 Oak Habor
2. Brother Travis Vandervort Family; Council 10664 Bellevue
3. Brother Joseph Shriver Family; Council 13560 Granite Falls

Sadly, only 17 councils out of 171 councils participated in the Family of the Month program this month. It would be a real boost if at least 50% would participate.

It only takes a few minutes on line to fill out the form and submit it of course printing out a copy for the council. The sad part is we profess to be a Family, Fraternal Order but we decidedly neglect to honor those families who perform the work for us. Let us all try and honor those families by a better participation next month.

Fraternally,

Ed Hebert Sr.  
State Family Chairman

## A Message from the State Ceremonials Director

### May 2018 Message On Ceremonials

My Brother Knights

I wanted to extend my many thanks to all Grand Knights and District Deputies who planned out their Admission and Formation Degrees in an appropriate manner so that their members were ready to participate in the Knighthood degree that we have scheduled through the year in your areas.

As of mid-April of 2018, Brother Joseph Benecke, our Supreme Field Ceremonial Representative, reported that our jurisdiction had reported on form 450s on the following number of Admission and Formation degrees for the year:

Admission Degrees 84  
Formation Degrees 30

Thanks to you dedicated Admission and Formation Degree team members who have committed themselves for their councils and districts to help exemplify these degrees throughout the state this past year.

My Brother Knights, this is a very busy time, preparing for and recovering from convention, but the fraternal year is not over yet and this should be your time as councils and district leaders to continue to schedule degrees so you can reach your membership goals and achieve Star Council and Districts.

This past year, we scheduled and organized a total of 30 Knighthood degrees throughout the State. That schedule has been posted on our State Website and Calendar and is updated on a monthly basis. By convention time, our Faithful Knighthood Degree Team members will have completed a total of 28 Knighthood Degrees throughout the State with two remaining degrees to be held in Arlington and Covington on June 2<sup>nd</sup>.

I want to extend my personal thanks and gratitude to the many fine Conferring Officers, Presenters of the Fraternal Charge and Wardens for the Conferring Officers for their personal commitments and dedications for putting on these important exemplifications through the state.

I want to continue to emphasize with each of you about the importance of your roles in encouraging your new and existing members to advance through the Admission, Formation, and Knighthood degrees. The more new and existing members can participate in all three of these degrees, the more dedicated and committed your brothers will be to actively participate in the Council activities and projects.

As always, be prayerful in all you do and at every gathering with your Brothers offer special prayers for all members of your Council both active and inactive, for new potential prospects, and for the success of your Councils and Districts in accomplishing its goals for the coming year.

Yours in Christ,

Marcel
