## KNIGHTS OF COLUMBUS

“BE MEN OF ACTION”

### Message from State Deputy

My Brothers All,

We are one quarter through the fraternal year! Wow, time sure flies! I know we are not where we need to be as far as Membership recruitment.....but how about programs? Are you and your Council where you need to be? Do you have your Council calendar planned out? Remember, if you fail to plan.....plan to fail!

How about those new Star Recruiter pins? Have you gotten yours yet? Remember these are a limited production and they are only given to someone that recruits a new member (and they actually go through the Admission Degree).

#### New incentives Status!

#### Entered into drawing for September:

- 10 Districts entered for September!!! - They met their assigned quota for the month.
- 29 Councils entered in September!!! They recruited in the month.

Is your Council in the drawing? One chance in the drawing for each month that your Council recruits. Please make sure your Form 100s are in and processed by Supreme and then you will be listed, too!

**Training:** How is the localized training going? Haven't had yours yet? Please coordinate with Larry at Training@kofc-wa.org. Larry or some other State or Supreme representative will come to your District/region for individualized training! **JUST ASK.**

Our State Goal is 27 Star Councils. To make that we need one Star Council per District. Are you and your Council that **ONE**? As always - I wish you good luck on your Council's success!

Are you offering the Knights of Columbus experience to all those eligible Catholic men you know? No? Did you need assistance on how to approach them? Reach out to our State Membership Director - he has ideas to help you be successful! Maybe an affective training session on Recruiting 101? Please ask, we are waiting for your call (or e-mail).....

God Bless.

Vivat Jesus!

## State Chaplain Message

As you know well, October is not only Respect Life Month—a time for us to ratchet up our pro-life efforts—but it is also the month dedicated to the Rosary. The Church invites us during this month to rediscover or deepen our appreciation of this powerful prayer.

The Rosary has roots deep in our Tradition, even though the exact details of its origin are lost to history. As early as the third century (i.e., the 200's A.D.), Catholics were using knotted prayer ropes to keep count of repeated prayers. This was especially true in the early monasteries. However, it wasn't until the 1200's that the Rosary took the form that is familiar to us today.

According to tradition, St. Dominic (1170-1221) received a vision of the Blessed Mother, during the course of which she gave him the Rosary. In later centuries, the Rosary became better known and grew in popularity. As with so many things in our Church, the tradition developed over time (for example, the introduction of the “mysteries” for meditation, additional prayers at the beginning and end, etc.).

One of the most important moments in the history of the Rosary was the Battle of Lepanto on October 7, 1571. As the Ottoman (Turkish) navy prepared to make its move on Western Europe, it was stationed at Lepanto (the modern city of Naupaktos) on the northwest shore of the Gulf of Corinth in Greece. A coalition of Catholic states (the Holy League) intent on defending their territory assembled a naval fleet and handily defeated the Ottoman fleet in a decisive victory that changed the course of history.

What did this have to do with the Rosary? The historical accounts vary on the details. Some say the Pope asked all of Europe to pray the Rosary, asking Our Lady's intercession for help in the battle. Others say the soldiers and crews on the ships spent the night before the battle praying the Rosary. Yet others say that, during the battle itself, the Christian soldiers held their weapons in one hand and their rosaries in the other.

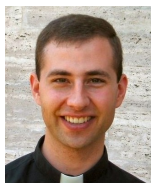

Whatever the specific details may have been, the underlying truth is that devotion to Our Lady, through the praying of the Rosary, obtained for the members of the Holy League the strength they needed in order to win the battle. Pope Pius V was so convinced of this that he decreed that October 7 should be celebrated annually as the feast of Our Lady of Victory. It later became the feast of the Holy Rosary, and finally Pope St. John XXIII renamed it the feast of Our Lady of the Rosary.

The efficacy of the Rosary is known by some but still undiscovered by many. Unfortunately, some Catholics regard the Rosary as if it is a superstitious practice. There are also those who have bought into the idea that the Rosary is exactly the kind of “vain repetition” that Jesus speaks against in Matthew 6:7.

If we turn to the example of the saints, however, we find many who were strong advocates of the Rosary: Saints Louis de Montfort, Francis de Sales, Josemaria Escrivá, Padre Pio, Alphonsus Liguori, Pope John Paul II, Mother Teresa, and many more. Surely the example of their holy lives is enough to convince us of the value of praying the Rosary.

Every Knight of Columbus should carry a rosary in his pocket. I urge you to pray the Rosary regularly—even daily—and reap the blessings!

Vivat Jesus!

## State Secretary Message

Hi Brothers,

So yesterday I was out with my wife on our nightly walk when I got a phone call from the State Deputy. Half way through our visit I panicked because I was sure I brought my cell phone so that I could listen to the Milwaukee Brewers game, but I couldn't feel it in my pocket. Then I realized that I was using it to talk to the State Deputy. We all had a great laugh....I'm really getting to be an old GEEEEZZZERR!

I'm proud to tell you that we are close to 90% collected on the Liability Insurance for the year and we will be much closer at this time next month as I plan to do another billing. There are still some Councils that have not replied on the Liability Insurance and that is a really important thing to take care of. I know some of you have events again this month, so please make sure we get those insurance certificates requested in time for your event.

Worthy Financial Secretaries, **Thank You** for all of your hard work and your patience with me. I truly appreciate you and the job you have committed yourself to take on!

Enjoy this fantastic fall month. I certainly will!! I will have my best friend coming from Wisconsin to walleye fish with me on the river, and we are going to duck hunt like we used to do when we were going through Dental school. We might have to watch a Packer game together as well. Never fear Seahawks fans! I know the Seahawks will start to get in the groove, so that they are ready to play the Pack in December. Enjoy the games!

God Bless & Go Packers!

## State Treasurer Message

Worthy Sirs and Brother Knights,

October is here, Halloween is just around the corner and before you know it... We will be celebrating the Birth of Our Lord on Christmas. It's a great time to be alive. This is also a great time to offer the opportunity to join us to other men in your parish. What a wonderful Christmas present it is to a new member to know that they have just taken another step closer to fulfilling Jesus' message of Charity and loving one's neighbor.

Please remember that nothing is done until the paperwork is finished. Likewise, as you complete the Form 100s to bring in new members you are completing only the first step of the cycle. The same holds true for the items that hold us together and retain our Non-Profit status, like Audits and Fraternal surveys. Forms convey valuable information and help protect us in the future by documenting the things that take place today.

Please take a second look at the reports from Supreme on forms not received by them. Please remember that sending a copy to the State Council does not relieve your Council of the responsibility of filing each form with the Supreme Office.

Any questions on Program forms, i.e. Special Olympics, Soccer, Free throw, Family of the Month, etc. should be directed to the specific Program Chairman. All other forms to Forms Chairmen (ME).

## State Advocate Message

A question came up the other day from a new Council. The bank wanted information from the Secretary of State before they would open an account. This is not a requirement to open an account, even for a non-profit organization.

When a Council is formed, they must apply for an EIN number from the Federal Government. That number will identify the Council as a non-profit in a determination letter. After that, the new Council will need to file with Supreme asking them to include them under their 501 (c) 8 umbrella.

According to Supreme representative, Teresa Reichert, the Secretary of State should not need any documentation since the Council is not incorporated in Washington and is a charitable organization.

Just FYI information.

Fraternally,

Kim Washburn

## State Warden Message

Brother Knights,

In the October pages of *The Family Fully Alive* booklet, we are asked to ponder and reflect as a family on the significance of Sunday – the day of the Lord.

“Sunday is a special day, a ‘mini-Easter’ during which we celebrate Christ’s victory over sin and death.” Do we act like it? Think about it?

This is one question to reflect on and explore with your family when using the *Family Fully Alive* program to help **Build the Domestic Church** every Sunday in your own home – before dinner, after dinner, in the afternoon or whenever the best time may be on Sunday for your family. Try it – you’ll like it! My family has begun this program on Sunday afternoons, and it is amazing where the discussions lead to at times. Discussions we never had before. Try it! And then let us know where it takes you and your family.

Do this program in your Council and encourage parishioners to take part in this meaningful dialogue. Pass out *The Family Fully Alive* booklets at your Church Drives this month.

Have you ever wondered why so many in our culture often treat Sunday as just another typical busy “activity” day? A laundry-list day that may take on the all too familiar look of several sport games, hang gliding somewhere in the middle, endless shopping for the next unsatisfying thing, another mindless show to watch, quick fast food to throw down to make it to the next event, and on, and on, and on.... Why do so many learned, privileged and good people not spend the same amount of energy in figuring out how their families can also spend quality time together growing in their faith, particularly on Sunday? Think about it with your family!

***Council Spotlight: The 25 Councils that submitted the August MSR last month.*** Refer to my General Program Director article in this bulletin and on the Website for a listing.

**Be Bold, Be Catholic.**

Vivat Jesus!

## General Programs

Brother Knights,

In the September *Knightline*, the Supreme Council included a short article about the new requirement for the Columbian Award. To earn the Columbian Award (as well as the STAR Council Award) Councils must now conduct at least four Surge With Service activities that are also designated as Domestic Church Programs. These programs currently include:

- Journey to the Inn
- Father's Day Affirmation of Wedding Vows
- Consecration to the Holy Family
- The Family Fully Alive
- Diocesan-Wide Holy Family Celebrations
- Food for Families
- Keep Christ in Christmas
- Into the Breach Spiritual Formation Groups
- 5<sup>th</sup> Sunday Rosary Program
- Family Week Celebrations

Visit [www.kofc.org/domesticchurch](http://www.kofc.org/domesticchurch) for the most current list of eligible programs and activities and to find resources to help conduct the programs.

The **Columbian Award Application, Form SP7**, is being revised to reflect incorporation of the Supreme Council's *Building the Domestic Church While Strengthening Our Parish* initiative. To achieve STAR Council, a Council must implement this initiative. The new form will be mailed to all Councils with a cover letter explaining the changes. Keep a look out for this mailing.

As mentioned last month, the State Program Chairmen and I will be featuring excerpts from the *Family Fully Alive* Program each month in the bulletin and we invite you to comment through email, and the WSC Facebook and Twitter accounts. Be engaged and communicate your thoughts, and together we can learn more about our faith and be witnesses to our faith.

Last, but not least, Councils are expected to complete the Monthly Service Report, available on the WSC Website. After you log in as a member, the MSR will be available under the Members Only tab. This year, you will find *Building the Domestic Church* incorporated into each service program category.

## Membership Director Desk

Charles Marks is at it again in Gonzaga. He has brought in another 8 members himself this month and the Council has 10 new members so far this year. They are at 166% of quota. He is a humble guy and I never seem to catch him, nor have I ever met him.

Charles crossed two incentive levels. The first is Vega bringing in 5 new members. The second is Rigel bringing in 7 new members. He is well on his way to Alpha Centauri.

For his efforts, he has earned \$25 and \$50 for the two incentive levels. He will also receive 8 Star Track Recruiter pins, just like the one at the beginning of my article. If he keeps this up, he will need another jacket!

If he fills out the brochure post card as a proposer, he will have 8 entries for our drawing at the State Convention in Olympia this fraternal year. Two more new members will put him at Alpha Centauri.

I think I see Charles on Alpha Centauri or is that the Holy See?

Lt. Libra (Marcel Bergeron) has mailed over 100 pins to proposers of record so far. Have you brought in a new member, reactivation or sponsored a transfer member from out of State yet???? If you have, you qualify.

Our State earned the first level of incentive money in September. This money will go to awards at the State Convention. We have some exciting gifts to award, so get those cards in. Great job guys in eclipsing the 6% membership growth level this month.

You should already have your Church drives scheduled for October/November. We brought in 96 new members during October last year; let's surpass that number this year.

Only 12% of Eddie's beard is ready to be shaved. He will look like a mangy dog if we don't reach our goal of 930 new members by the end of this fraternal year.

Review the incentives for our State in the Star Track Recruiter brochure. Supreme has some great incentives, too. The brochure is posted on previous Bulletins, so take a look.

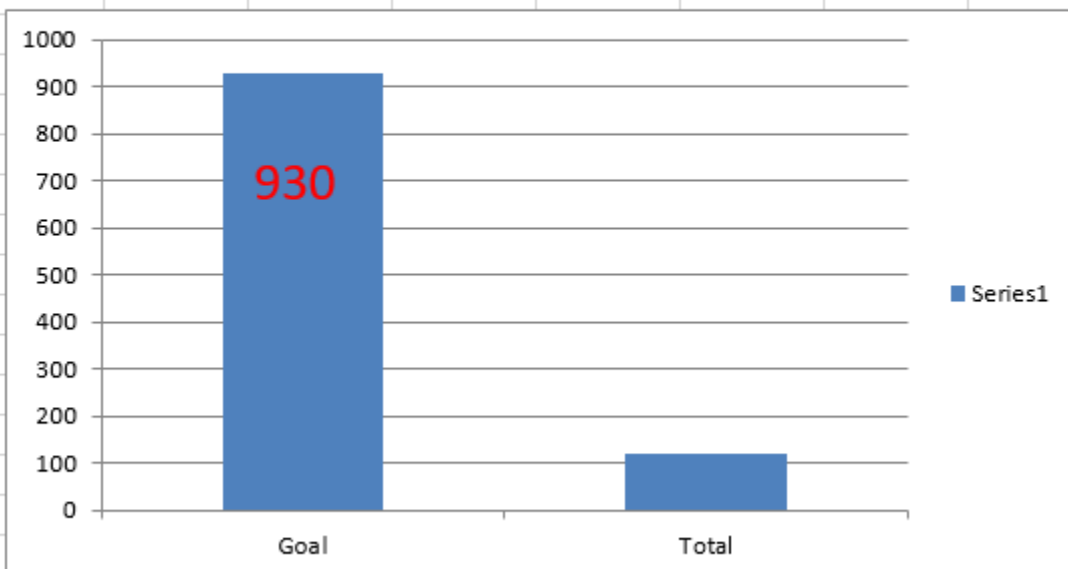

Thanks guys for bringing in 56 new members in September!!!!!!!

## Youth Chairman

With September just a memory, the holidays and winter can't be too far behind. I congratulate those Councils that took the time to submit their activities to help Washington state be considered in Supreme's Coats for Kids Black Friday give away promotion. It will be a wonderful sight to see the eyes of the girls and boys that will receive a new coat.

Here is an example of the submitted activity from Council 8136:

The Council will be displaying coats at our Pancake Breakfast, advertising the event in the Church Bulletin and at the Ministry Fair at the Parish. We will also include pictures of the distribution on our web site to show the dedication of our Council to the betterment of our Community and the charitable works of our Council.

If you did not have a submission for Supreme's Black Friday program, you can still participate in the Coats for Kids program. See the Youth page of the state web site for more information.

As we continue this year with the theme of building the domestic church, there is no greater importance than involving the families of your parishes in your activities. Taken from October Building the Domestic Family message: Sunday is the day of the Lord in which we remember and give thanks for the work of creation, his gift of the Holy Spirit, and the joy of our faith. Celebrating the sacredness of this holy day each week together as a family, strengthens each of us in our vocation to holiness.

There are a two youth programs that are coming up

### KCIC Poster Contest

In our society Christmas has become for many - especially children - a secular holiday. To combat this, the Knights of Columbus has introduced the Keep Christ in Christmas poster contest. This program - similar to the Substance Abuse Awareness Poster Contest - will allow young people to engage their creative talents and imaginations while understanding the true, spiritual meaning of Christmas.

### Timetable

Local Councils should be ordering their kits by November 1st to be ready to present the contest in November. Posters should be completed by December 15, and the Council judging should take place by December 31.

- District: Mid January
- Regional: End of January
- State: Mid February
- International-State Councils must submit their entries no later than February 28th, International winners will be announced approximately March 15th.

### Free Throw Competition

Since 1972, Councils have sponsored the Knights of Columbus International Free Throw Championship for boys and girls between the ages of 9 and 14 (starting in the fraternal year 2013-2014)

The championship is set up to have the contestants compete within their own gender and age group. All competition starts at the local level. Winners move on to the district, regional, and state or provincial levels. From there, some make it to the international level for championship competition in their group.

To sponsor a competition, all your Council needs is the Free Throw Championship Kit (#FT-KIT), a couple of basketballs, a hoop and a bunch of kids. It is a great way to get out into the public and introduce the Order to your community — while providing youths with a rewarding activity that yields a chance for local, state or provincial, and international recognition.

## Youth Chairman continued

Bishop John Barres of Allentown, Penn., a former collegiate basketball player at Princeton University, is a strong supporter of the Free Throw Championship. He sees the focus and discipline required to achieve athletic excellence as being valuable in the faith formation and character development of young people. In addition, healthy competition helps young people to handle both good fortune and adversity with grace and dignity.

See the Youth page on the state web site for more information on both youth programs.

Fraternally,

## Community Chairman

October reading for Building the Domestic Church; Family Fully Alive.

Mary and Joseph taught Jesus primarily by their example: In his parents he came to know the full beauty of faith, of love for God and for his Law, as well as the demands of justice, which is totally fulfilled in love. ...

As a Knight of Columbus are you following the examples of Mary and Joseph? Our children are like sponges, soaking up everything they see and hear. We are their role models; it is vital for us to create the right foundation for them. Attend mass regularly, say grace at meals, pray the rosary as often as possible. Treat others with the same respect and dignity you want your family treated with.

Grand Knights - have you done the planning for this fraternal year? Do you need any help with any of the programs that Supreme has set up as featured programs? All of the State Program Chairman are here to help any of the Grand Knights who need guidance.

This month we have Halloween coming at the end of the month. This is good opportunity for your Council to have something safe for the children of your parish or parish school. If your Council is unable to coordinate anything in your parish, check with the school principal to see if they need any donations towards their Halloween party. This is another great recruiting opportunity to let the parish see how involved the Knights are in our children's lives.

## Master of the Fourth Degree - Western WA

Brother Knights,

September was a very busy and productive month for the Western Washington District. Conducted 19 installations, one Provincial meeting, solidified 5 exemplification locations with the Faithful Navigators, and created new exemplification medallions (challenge coins) and District awards (contact FN for the information or District Master).

More importantly, I asked each FN to explain their leadership vision and witnessed the compassion and love the assemblies and families have for their communities. I want the assemblies at end of every month to send me pictures and a one paragraph description of their civic / patriotic projects or assembly projects to be placed in the State Bulletins. There are so many assemblies conducting great works toward patriotism and I want to share those works with the State Council, other assemblies for ideas that lead towards growth, and health of the district overall. Here is one example of great works being conducted in the Western Washington District.

Western Washington District Master  
JFK Assembly Award for Excellence  
(Traveling Annual Award)

Knights of Columbus Kent Council 8150 and Father John J Daly Assembly 2960 hosted the first annual Charity Golf Tournament on September 16, 2016. **The Women's HOME Shelter at Holy Spirit Parish in Kent** was the recipient of \$10,515.77 raised through entry fees, hole sponsorships, donated items, auction bids and raffle prizes. This success highlighted the best of teamwork, giving, follow-through and fun!. See all the pictures at: <http://tinyurl.com/hy4p9kv> (please open, they are great pictures)

- The Fourth Degree Medallion will be used in the recognition of Sir Knights whose contribution of service to patriotism, community, and church are recognized by the Faithful Navigator as exceptional and clarifies as above and beyond Sir Knight (FN's contact MFD directly).

### John F. Kennedy Assembly Award for Excellence

Kennedy Assembly Award for Excellence as numerically outlined in page two of the District Masters fraternal plan.

Award application requires photos of the assembly project, a written description of each event (community, church, or patriotism) and purpose of each event (education for the citizenry, community sustainability program, or other purposes), and answer why the assembly deserves the award to support the purpose statement.
- Assembly minutes illustrating the assemblies vote of said project must accompany the award packet.
- The award is not to exceed 20 total photos of one voted project and no more than 10 pages of written data to support the event. Any amount less than described is acceptable.
- All data must be presented as a packet in chronological order.

### Cost

J.F.K.	\$450; no shipping cost from White House Gift Shop
Sword	\$159 plus .25 cents per character; no shipping cost. English Company
Eagle	\$45 plus .35 cents per character; no shipping cost. English Company

I am asking each assembly to donate \$17 to the District Master to help establish these award programs for the 2016 fraternal year. The J.F.K. is a one-time payment where the District Master will pay for the annual assembly recipients name plate once the statue is purchased. The statue will always remain with an assembly not the District Master. The sword and eagle are an annual reoccurring gift that will cost an annual donation of \$5 per assembly. These are wonderful awards and I hope the District assemblies agree and will support the recognition of our brothers works.

The new awards are designed for the members and to be kept by the members, to bring the Fourth Degree alongside with the Third Degree as one unified team. When the Third degree receives honors for all the hard work so to shall the Fourth Degree. The Sir Knights of Western Washington perform so many great works and should be recognized for them.

### RSVP Q&A

Following the Summer Leadership meeting, I sensed a real commitment on your part to support our seminarians. There were many questions asked at the training session on RSVP. So I thought I would try to answer some of them here:

**1. Why hasn't the seminarian cashed my check?** The assumption might be that if he doesn't cash the check, maybe he doesn't need the money. That is FALSE. Many seminarians bank in cities other than where they attend seminary. For example someone attending seminary at Mount Angel may have to mail your check to a family member back home to make the deposit. Other reasons may be they were very busy with exams or obligations and didn't have a chance to get to the bank. The fact is the seminarians don't understand our financial system and that we need those checks to clear before we can do an audit or request a refund. Quite simply, you must communicate with the seminarian and let him know that it is important to cash the check as soon as practical so that your record keeping is not delayed.

**2. Why can't I have the seminarian's phone number and email address?** This is actually a policy established by the diocese to protect the privacy of the seminarian, and to not burden him with too many calls or emails. You should always try to communicate with the seminarian by writing letters, postcards and greeting cards. You may ask the seminarian to provide his phone number or email, and it is his choice to give that to you and set limits on its publication.

**3. How many seminarians are there?** This year there are a total of 46 seminarians across the three diocese of Washington; 28 from Seattle Archdiocese, 8 from Spokane Diocese and 10 from Yakima Diocese

**4. What does our RSVP money do for the seminarians?** The intent of the RSVP program is to provide financial support for the personal needs of the seminarian such as cost of living expenses, entertainment, transportation and other expenses. Some seminarians use the money to reduce their seminary or tuition debt, but it is their choice as the money is made out to them and not an institution. In any case, these funds help reduce the amount of support their families must provide. The seminarians also work summer jobs to help pay for their seminary and college expenses.

**5. Can I give directly to a seminarian?** Yes! If you would like to support a seminarian with a monthly stipend, you may but it is NOT subject to the RSVP refund. Neither is it a charitable donation and cannot be claimed as such on your taxes. Direct donations would be the same as if you were sending money to one of your own children for their support.

If you have additional questions you would like answered in a future bulletin, please send them to me at [vocations@kofc-wa.org](mailto:vocations@kofc-wa.org).

## Council Chairman

Brothers,

Some of the things that are happening this month that you should be working on or aware of for your Council.

October is Tootsie Roll Month! Have you sent away for your supply of Tootsie Rolls yet? If you haven't yet, go to the WA KofC website & click on the Tootsie Roll Program Button at the bottom of the Council section. It has all the information you need to get started on this great program!

Does your Council select a Knight of the Month or a Family of the Month? If not you should really think about starting this wonderful program. For the Family of the Month there is a form in the Supreme website in the form section of the website for you to fill out that takes less than 5 minutes. If your Council member is one of the 100 order-wide members selected by Supreme they will get a beautiful Holy Family Plaque & Letter from Supreme. For choosing a Knight of the Month, you can make up your own certificates and present them with something appropriate that your Council has chosen for this award.

Has your Council brought in a NEW MEMBER this month?! Or how about taking your 1<sup>st</sup> Degree Members to a 2nd and 3rd Degree this month? Check out the calendar on the State Website for one near you & get your 1<sup>st</sup> Degree members to one soon!

God Bless,

Ed Miller

Council Chairman

## Fifth Sunday Rosary

To help bring parishioners together in a spiritual activity and promote devotion to Mary, the Knights of Columbus Supreme Council is pleased to support the 5th Sunday Rosary Program. Knights, their families and other parishioners are encouraged to pray the rosary as a corporate body every time a 5th Sunday occurs during a month.

The next date for the 5th Sunday Rosary is Sunday, October 30th. Councils should already be organizing this event for their parish.

## Culture of Life

Remember building a culture of life takes time and consistent, purposeful effort. It is best to plan activities for both the Domestic Church and the Parish each month throughout the year. Here are some suggestions for October.

October is Clergy Appreciation Month. Host a Clergy Appreciation Night for your Parish. Invite families to bring food, serve the clergy first, and end the evening with the Rosary in honor of the clergy.

October is also Respect For Life Month as well as part of the Fall 40 Days For Life Campaign. Find a nearby campaign and participate. For those that can't participate in front of the nearby abortion mill you might ask your pastor if you could lead the rosary at the altar after each Sunday Mass for the intention of the Unborn.

Many parishes find it difficult to recruit new participants for the 40 Days For Life Campaign and our parish is no exception. For the current campaign we brought in a Pro Life speaker, Deacon Harold Burke-Sivers, who spoke at all of the weekend Masses. He also gave a Culture of Life presentation preceded with a spaghetti dinner put on by the Knights of Columbus and our parish Pro Life Committee. We also printed 3 x 5 cards with contact info - name, phone number and e-mail address. The speaker asked those that would like to join us to fill out a card. We increased our normal recruitment by 700 percent. It is important to be able to speak from the pulpit prior to the campaign and the cards were much more successful than prior recruiting efforts.

Now is the time to plan your Councils participation in the 2017 March For Life. See the State website/Culture of Life tab for dates of the many Marches. Join one of the Marches or arrange for a busload of marchers from your Parish to participate in one of them.

Vivat Jesus!

## Family Chairman

WORTHY GRAND KNIGHTS..... It's a new month...Have you and your Family Chairman Selected your family of the Month?????

Here is the Reason to do so!!

### Family of the Month

As Knights of Columbus, we have always been interested in the development of strong, vibrant families. In support of this philosophy and to create an even greater awareness of our many fine Knights of Columbus families, the Supreme Council instituted the "Family of the Month" program.

By participating in the Family of the Month program, your Council honors families who exemplify the values taught by our Church and Order.

Base your Council's recognition of a family on the following questions:

- Does the family pray and attend Mass together?
- Has the family made significant contributions to the Church, community and/or Council?
- Does the family enjoy one another's company?
- Does the family communicate openly and honestly?
- Does the family spend time together?

To participate in the Family of the Month program, choose a family to honor at the beginning of each month. Present a Family of the Month Certificate to the chosen member (Form #1843) at a general Council meeting. In addition, complete and submit the Family of the Month form (#1993A), found on [kofc.org/forms](http://kofc.org/forms), by the 15th of each month in order for your chosen family to be entered into a drawing to win a gift from the Supreme Knight.

Any questions PLEASE contact Me!!

## State Historian

Grand Knights, is your Council history up to date? Did you know that the State Council has a collection of the histories of nearly all subordinate Councils in the state? They have been published in two books, one in 1990 and a second one in 2007. Others have been added since then. Is your Council's history included?

The following Councils still are lacking complete histories: 9721, 9833, 9910, 11085, 11217, 11252, 11253, 11611, 11948, 12175, 12483, 13761, 14046, 14689, 14852, 14922, 15143, 15338, 15462, 15684, 15721, 15730, 15838, 15968, 16184, 16186, and 16361.

It's easy to assemble your Council's history. It doesn't have to be elaborate; just a few facts are needed: charter members, charter officers, a few words about the Council's founding, and honors and activities of the Council since its founding. Assemble those items and then email them to me, [historian@kofc-wa.org](mailto:historian@kofc-wa.org). I can write it up in a formal manner if you wish. Contact me for more information.

## Tootsie Roll Update

## One Sweet Deal!

[columbuscharities.net](http://columbuscharities.net)

Brother Knights

Tootsie Roll Drives are in full swing. We already have several Councils that have completed their drives and sent in their paperwork. Great Job!!

We have 62 Councils participating this year and I have heard that the contributions are up from last year. With that said I am in hopes of breaking last year's record. Keep up the good work.

For Councils' that held Tootsie Roll Drives at Fred Meyer or QFC this year, remember to report your totals to the corporate office in Portland, OR. You should have received a form with your approval letter. If you have misplaced it, let me know and I'll get you another one!

Remember, as soon as you complete your drive....There is no better time to reserve your store for next year while your success is still fresh in their minds.

There is no better time than TOOTSIE ROLL TIME....Good luck on your drives and thanks for your service to the program!

In Faith,

Tommy LaCour
