**Message from State Deputy,
Don McBride**

My Brother Knights,

I can barely express how excited I am about the year ahead of us! I feel truly blessed to be given the opportunity to be with such a great group of leaders with such a combination of God's work that needs doing, and the resources to do it with.

This month's article is going to be brief, largely because my focus for the past few weeks has been consumed in setting up a great team of chairmen and district deputies- each leaders in their own right- who will be assisting me by coordinating our statewide activities this year. You'll notice a great mix of new and experienced men, all with a burning desire to do God's work. Just like me, they're not perfect, so we'll stumble along the way- but we'll do it as a team, and together we'll learn and improve and we'll get great things done. At the same time we'll grow in our faith and love of God and each other. I think that's the way God intends it!

We are preparing for the Summer Leadership Meeting coming up in Wenatchee, July 15-17. One thing I beg of you all: don't wait! Don't wait for the Summer Leadership Meeting, don't wait for the State, don't wait for your District. Jump in and start your year off by planning your activities, recruiting new members, meeting as officers. Start with a sense of urgency to make things happen. But at the same time- have some fun! Enjoying ourselves while doing God's work is one of the many blessings we enjoy. If you're not having some fun, you're doing it wrong.

You'll get an opportunity to meet the whole team of State Chairmen and State Officers as we go through the year, and especially in a few weeks at the Summer Leadership Meeting. But I want to make just a few quick introductions that I hope will set the stage for the upcoming year. First, I want to welcome our State Chaplain, the Most Rev. Carlos A. Sevilla, Bishop Emeritus of Yakima. Bishop Sevilla has served as State Chaplain in the past, and has been such a stalwart supporter of the Knights and such a good friend that I was thrilled when he agreed to be my State Chaplain. Next, at Bishop Sevilla's excellent suggestion, our Vice Chaplain is Fr. Jaime Chacon, pastor of Blessed Sacrament Parish in Grandview. In addition to his good works as a parish priest in the footsteps of our founder, Fr. Jaime is an excellent writer of articles in both English and Spanish- and I plan to publish both versions in each bulletin to provide an increasing connection with our growing Hispanic membership. I ask that you all pray for our bishops and priests, especially our Chaplain and Vice Chaplain, and they in turn will pray for us and help assure our success.

Finally, I want to close by congratulating our new Immediate Past State Deputy John Wallace for setting the standard by which our successes will be judged. John has been a mentor, an inspiration, and a true leader of Columbianism to me personally and to the whole state, as evidenced by our jurisdiction's achievement of a second consecutive Circle of Honor and another year of continued growth in both program activity and membership. I am delighted that John is staying in a hugely active role this year as the District Deputy Director.

I pray for your safe travels as you join us in a few weeks at the Summer Leadership Meeting in Wenatchee. I hope you have taken my advice to hit the ground running and start the year by recruiting the first new member in July. Have a great month and I look forward to seeing you soon. Help me Bear the Light of Christ!

Fraternally,
Don McBride
State Deputy

District Deputy Director Message

Welcome back to those District Deputies that are remaining on for another year, and, to the new District Deputies, welcome. I look forward to an outstanding year ahead. Let's make it enjoyable and successful.

The Summer Meeting in July is a time to get our direction and training so we can be successful. The enjoyable part is up to you.

Please take a serious note of what needs to be accomplished by you before the Summer Meeting.

If new, meet with the former District Deputy to pick up the DD robe, District Deputy Handbook, Financial Secretary Handbook and any other information.

Bring the DD robe, District Deputy Handbook, and Financial Secretary Handbook to the Summer Meeting.

Meet with the Grand Knights/Deputy Grand Knights before the Summer Meeting.

Install the Council Officers as soon as possible.

Plan a District wide 1st Degree Exemplification in both July and August. Forward the dates & location to me by July 11. This list will be given to the Grand Knights at the Summer Meeting.

Ensure each Council Form 185 is completed. District Deputies, bring a copy to the Summer Meeting.

I look forward to working with you in the upcoming Fraternal Year. The Washington State Knights of Columbus are on a successful roll. It's your job and mine to keep it being successful.

"Lets Roll"

For Christians, the psalms embrace something special that inspire worship and elevates the human spirit to God. The psalms express feelings that awaken the faith in the heart of the man who has found God or wishes to find Him. Amongst these jewels of faith, devotion and inspiration; psalm 23 is one of my favorites. I consider it also one of the most recognized and repeated in the Christian community. Maybe you remember these words: “The Lord is my Shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name’s sake. Even though the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me” (Psalm 23).

The psalm does not refer to a paradise with candles, slow breathing and meditations that takes us away from the realities of the world we live in, but one of peace that can be found in this life if we listen to our Shepherd and put our lives in his hands. When God guides our life we find that peace that one can take away from us, then life gets the meaning it needs to be accepted with love and intensity.

“The Shepherd knows his sheep and they know Him, they listen to his voice” At times though, it can be hard to hear our Shepherd when surrounded by so much noise. Music contaminates the ears, the mind and the soul. Images of terror, violence and manipulation toward others constantly fill our eyes; the careless and even dangerous use of cellphones and chats that keep us glued to irrelevant conversations; sometimes masochistic attitude for keeping memories that hurt us- all of this keeps us from listening to The Good Shepherd.

We all need a refreshing experience that not only strengthens our body like an energetic drink, but an experience that would truly tear us away from the harmful noise of the secular world and be able to hear God’s voice calling us and guiding us to tranquil waters. I believe that each one of us must find a place where that experience of having a repairing encounter with God is real and objective. The home and the community of the church should be the places where sheep find peace and water to calm their thirst. It is therefore, necessary to clean the house of noise and distraction. Your home will be the place where God lays you down and returns your straight.

*Yours in Christ,
Fr. Jaime Chacon*

This psalm reveals God’s way of relating to us, the tender love with which he treats each of us. That is how the psalmist understands it when he speaks in the first person. He knows his relationship with God is close and personal and he does not doubt when he says: The Lord is MY Shepherd, I lack nothing. He guides ME. The author’s description of this psalm with regards to the Shepherd’s care of us and the place that surrounds him creates in our minds the image of a paradise, an oasis of tranquility and reassurance.

The tired world we live in is in dire need to be taken to the quiet waters and having the Lord refreshes its soul. Tired of working, tired of the noise, tired of the vertigo caused by the world we live in, we need to be taken to the quiet waters where peace emanates from and we can feel our hearts beat again, especially, when the tedium of an empty life infects the human spirit.

THANK YOU from John Wallace, IPSD

MESSAGE OF STATE TREASURER

Brother Knights,

Thank you for your vote of confidence electing me as your new State Treasurer! I will strive to live up to your expectations.

As your new State Treasurer, I have the awesome task of reminding you to pay your bills!!! The one that is near and dear to my heart is the Exemplification Fund. Some of you are new so I will explain what this fund is and why you should have your council pay it.....

The Exemplification Fund was installed a number of years ago to pay for 2nd and 3rd degree team travel costs without collecting funds at each exemplification. As I am sure you are aware, 3rd degree teams have historically traveled the state to conduct exemplifications – and travel costs are paid for by the State Council using this fund. Even with travel costs escalating over the past few years – we have been able to remain stable with the fund without raising rates to the councils. With the new 3rd degree – travel will not be as much of an expense but the new medallion given out at the degree will be of similar cost....so we are still in need of collecting the same amount to continue to pay for the degree.

Simply put - when you bring a new member into your council – you send a payment of \$7 to the State Secretary – that money will be used when the member takes his 2nd and 3rd degree. Credit will be given for those new members that are Priests. Credits also will be given for member re-activations since they were already paid for the first time around.....but you must let me know when either of these happen as all the information I have available is that you have gained a member. I don't know specifics about that new member. Notify me by email or phone message and I will credit your council.

As you will see in the accompanying chart (see page 18) – some councils may have overlooked their responsibility toward this fund and need to catch up. Please be a responsible council officer and submit payment as soon as possible and lighten my load. If you have questions or concerns please let me know and we can talk through them.

May God Bless you and your council's many successes that are coming your way this fraternal year.

“Hacia fuentes Tranquilas me Conduce...”

Para nosotros los cristianos, los salmos encierran algo especial que inspira la alabanza y desvelan el espíritu humano elevándose a Dios. Los salmos expresan los sentimientos que despierta la fe en el corazón del hombre que encontró a Dios en el camino o desea encontrarlo. Entre estas joyas de fe, devoción e inspiración, el salmo 23 es uno de mis favoritos. Considero además, que es uno de los más conocidos y recitados entre las comunidades cristianas de todos los tiempos. Quizá usted recuerde estas palabras: *“El Señor es mi pastor, nada me falta: en verdes praderas me hace recostar; me conduce hacia fuentes tranquilas y repara mis fuerzas. Me guía por el sendero justo, por el honor de su nombre. Aunque camine por cañadas oscuras nada temo, porque tú vas conmigo: tu vara y tu cayado me sosiegan.”* (Salmo 23)

Este salmo nos muestra el modo cómo Dios se relaciona con nosotros, el tierno amor el que nos trata a cada uno. Así lo entiende el salmista al hablar en primera persona, sabe que su relación con Dios es personal, cercana, no duda en decir: el Señor es MI pastor, nada Me falta... Me guía... La descripción del autor del salmo sobre el cuidado del pastor y del lugar que lo rodea recrea en nuestra mente algo así como un paraíso, un remanso de tranquilidad y sosiego. Cuanta necesidad tiene este mundo cansado de ser llevado a fuentes tranquilas y dejar que el Señor repare nuestras fuerzas. Cansados de tanto trabajar, cansados del ruido, cansados del vértigo que causa el mundo en que vivimos. Siempre ruido, estrés y carreras sin sentido. Cuanta necesidad tenemos de dejarnos llevar a una fuente tranquila donde emane la paz y se pueda sentir el corazón palpar. Especialmente cuando el hastío de una vida bacía toca el espíritu humano.

El salmo no habla de un paraíso de velas y respiración pausada o

meditaciones que nos alejan de la realidad en que vivimos, él habla de la tranquilidad que se puede encontrar en esta vida si nosotros escuchamos al Pastor y nos ponemos en sus manos. Cuando Dios guía la vida del hombre y la mujer se encuentra la paz que nadie puede robar; la vida encuentra el sentido que necesita para ser aceptada con amor e intensidad. *“El Pastor conoce sus ovejas y ellas lo conocen a él... y escuchan su voz”* Pero en medio de tanto ruido es muy difícil escuchar al Pastor. Música que contamina los oídos, la mente y el alma; las imágenes de terror y violencia y manipulación del ser humano que desde tempranas horas del día llenan los ojos de los incautos espectadores; el uso desproporcionado y hasta peligroso del teléfono, los chats que nos mantienen distraídos en conversaciones irrelevantes; la actitud a veces masoquista por mantener recuerdos que lastiman, nos previenen de escuchar la voz del buen Pastor.

Todos necesitamos de una experiencia reparadora, que no solo nos fortalezca el cuerpo como si fuera una bebida energizante, lo que necesitamos en realidad es desprendernos del nocivo ruido de las cosas cotidianas para escuchar la voz de Dios que nos llama y nos conduce hacia fuentes tranquilas. Personalmente creo que cada uno debe buscar un lugar donde esa experiencia de encuentro reparador con Dios sea real y objetiva. El hogar y la comunidad de la Iglesia deberían ser el lugar donde las ovejas encuentran la paz y el agua para calmar la sed que hierde. Es necesario entonces limpiar bien la casa del ruido y las distracciones. Tu hogar y tú Iglesia son los verdes prados donde Dios te hace recostar y repara tus fuerzas.

SPECIAL REQUEST

To All my brothers,

If you have, or know of anyone who has, a used laptop they are willing to part with please let me know. I don't have a lot of money so am trying not to buy new, if I can help it.

It is obvious that I will need one to keep up with my new duties. (The State Council only provides them for the State Deputy and the State Secretary.)

It needs to be less than 4-5 years old as the storage room on the older ones is very limited although some upgrades would make most units useable for me for the next few years.

I'm not too interested in Craigslist as there are too many crooks there.

STATE SECRETARY'S MESSAGE

My Dear Brother's in Christ:

As we approach this new Fraternal Year 2011 – 2012, I am awed by the progress we have made together in just these past 6 years in Unity with our Fraternal brothers, and the Charity that you and your families have truly demonstrated tells all others who we as Knights of Columbus are... "Our Brother's Keeper!"

I'd like to share some insights I have come to learn about volunteers who spread a message of good works to help and assist the less fortunate; the poor; the elderly, the disabled - those who but for a volunteer would be alone with their own life altering challenges. Researchers say that people who help others tend to live longer because volunteering does the body good. They experience physical and emotional benefits involving less stress and depression in their own lives with the reward of a greater sense of well being. I guess we can safely say that one of the best ways to get your mind off of your own aches and pains is to focus on someone else.

And for us older Knights, lending a hand lessens pain too while improving our functional abilities such as walking and doing heavy household chores. It also keeps us from a life of social isolation by enhancing our social networking and keeping us active in the church and community. The researchers also tell us that the so called "helpers high" is due to an elevation of the body's natural opiates.

Another key point I learned is that volunteers benefit most when they work with programs providing strong organizational support. In our Order, we have very strong support all along the chain – the local Council; the State Council; and, the Supreme Council. This superior level of support provides an opportunity for all Knights to make a difference in the life of another, and it is important to note here too that "Each One of Us Makes a Difference!"

The bottom line is quite simple...as we grow our MEMBERSHIP; we offer more opportunities for our volunteers to help others. As we begin this new Fraternal Year, let's strive to invite our Catholic friends and family members to join us in our efforts; let's try to be more generous with our time and talents, and, let's be kind and helpful to people. We'll live a little longer too.

Vivat Jesus,

George H. Czerwonka, Jr.
State Secretary

TOOTSIE ROLL PROGRAM

COLUMBUS CHARITIES TOOTSIE ROLL PROGRAM

The time for the Summer Meeting is drawing near and so is our first annual Tootsie Roll Drive. Thanks to **John Wallace, Ed Broadhurst, George Czerwonka and the State Officer's** this program is about to get underway.

Ed Broadhurst has assembled all the information you will need to make your Tootsie Roll Drive a success on columbuscharities.net website. Enter the website; select the Tootsie Roll icon and all the information will be available to you. All information has been updated, including, our personally tailored Apron order form. Aprons will be \$7.50 each with a total of \$9.00 for shipping.

We will have the Columbus Charities-Tootsie Roll Program Manual available at the Summer Meeting. This manual has some glitches and a revision sheet will be included to correct these mistakes. As mentioned before, the manual on the website is current and is ready for download without the need to revise.

We will be giving a presentation at the Summer Meeting, but don't let that stop you from getting started. Time is on the essence and you must get started soon.

The question has been raised if this program is to take the place of the State Raffle. This program is not tied to or associated with any other program. We have been very clear from the beginning that this program is for "Helping People with Disabilities". That's it.

COMMUNITY CHAIRMAN

My Brother Knights,

The **FOOD FOR FAMILIES** Program was another great success this year in our jurisdiction. This past January, Brother Ennis reported that our Supreme Knight had approved an allocation of \$250,000 in support of this worthy program and challenged us to strive for more. In order to qualify for our share, at least 35% of councils in our jurisdiction must report a qualifying program in order for us to receive our share of this allocation. This is an increase of 10% over last year so we have really needed support of every council with a qualifying program to meet this new challenge.

I am happy to report that with your commitment to this important program, we more than met our goal of 52 participating councils. We exceeded it by with an additional 12 council who answered the call. This increased our participation to 64 councils which was 8 councils over last years participation level of 56 council.

Congratulations to all of you for another great year.

My Brother Knights, thank you for all you do in the service of your communities. God Bless and congratulations on your worthy achievements this past year.

I look forward to see you all in Wenatchee and serving you in the coming year.

EXEMPT STATUS

Regaining Exempt Status after Revocation:

Many small organizations that lost their tax-exempt status because they failed to file a Form 990-N e-Postcard were never required to file an annual return prior to 2007, and are operated by volunteers with limited resources. So, the IRS will treat small organizations (i.e., have annual gross receipts of not more than \$50,000 in its most recently completed tax year) as establishing reasonable cause for failing to file a Form 990-N e-Postcard or an annual return for its tax years beginning in 2007, 2008, and 2009 if they meet the requirements in this notice, which includes submitting an application for reinstatement of tax-exempt status to the IRS by 12/31/12. Notice 2011-43, 2011-25 IRB .

Regaining Exempt Status after Revocation:

The IRS will charge a reduced user fee for applications for reinstatement of exempt status filed by small organizations (annual gross receipts of not more than \$50,000 in the most recently completed tax year) that are eligible for the transitional relief in Notice 2011-43 . Effective 6/9/11, a \$100 fee will be charged to process applications for reinstatement of exempt status postmarked no later than 12/31/12. Organizations not eligible for the transitional relief in Notice 2011-43 must pay the user fee in Rev. Proc. 2011-8 or its successor. Rev. Proc. 2011-36, 2011-25 IRB .

Automatic Exemption Revocation for Non-Filing: Reinstating Tax-Exempt Status

How do I get my organization's tax-exempt status reinstated if it was automatically revoked?

An organization must apply to have its tax-exempt status reinstated, even if it was not originally required to file an application for exemption. It must:

Apply for recognition of tax exemption by filing [Form 1023](#) (if applying under section 501(c)(3)), or [Form 1024](#) or a letter (if applying under a different Code section), regardless of whether the organization was originally required to apply for exemption; and

Pay the appropriate [user fee](#)

In addition, write "Automatically Revoked" at the top of your application and on the mailing envelope. This will ensure that your application goes to a specialist trained to handle these applications. Small organizations eligible for transition relief will instead want to write "Notice 2011-43" at the top of the application and on the mailing envelope. See [Notice 2011-43](#).

In addition, small organizations are eligible for the transition relief in Notice 2011-43 are also eligible for a reduced user fee. if they meet the criteria in [Rev. Proc. 2011-36](#).

An organization may also request [retroactive reinstatement](#) as part of its application.

Family Chairman's Message

As I take the position of State Family Chairman, I think about a song called "Standing on the shoulders of the ones who came before me." The lyrics remind me that what I am now about to do will be the direct result of the efforts of the people who have been leaders in this organization before me. I look with enormous appreciation to the Brother Knights of this State who gave their time and talents so that I would have the opportunity to serve you as, State Family Chairman.

We cannot give credit to our leaders without recognizing the outstanding brothers who are the heart and soul of what we are about. I ask that we all thank our God for the wonderful gift that is the entire membership of our State Council, Past, Present, and Future.

As I begin my term of office as your State Family Chairman, I pray that the spirit that built and sustained our great State Council will continue to grow and bring an excitement of action and faith to our group of Catholic Gentlemen.

I have been informed by our new State Deputy that Supreme has decided to move the "**FOOD FOR FAMILIES**" program under the umbrella of our State Family Program. This is an exciting addition to an already rich mission and I look forward, with your support, to following in the footsteps of last year's very successful program lead by, a worthy friend and Brother, Marcel Bergeron.

Gentlemen please accept my apologies up front for my beginning attempts, they will get better. I'm going to experiment with several ideas, one of my biggest objectives is to inform and serve you with out being "boring". I will be the first to admit that I do not have all the answers, but, I know some people that do and that I believe is **YOU!** So if you have any ideas that can add to the strength of our program, please let me know what they are. I will always listen and I will be looking forward to hearing from you.

MESSAGE OF STATE ADVOCATE

Brothers,

As your new State Advocate, I need to advise you of a few items.

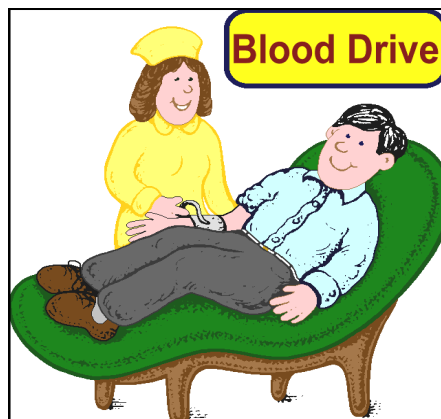

First, I understand that a few Councils in our State have received a message from the IRS stating that you no longer qualify for Tax-Exempt Status. This happens when your Council does not file a Form 990-N (if your Council's gross receipts are \$50,000 or less), or Form 990-EZ (if your Council's receipts are \$50,001 to \$199,999) or Form 990 (if your Council's gross receipts are \$200,000 and more). In order to file one of these forms, which is just like a tax return, you need to have a current EIN (Employer Identification Number) on file with the IRS. If you are having this problem and need help, me and my team of experts (Eddie Parazoo, ST) will guide you through these stormy waters.

Secondly, I must remind you that if your Council is purchasing supplies from anywhere that does not include Washington State sales tax, like Supreme supplies, or stuff from Oregon, you are not excused from paying the Washington State tax. Your Council is at risk for being audited and your Council may be liable for back taxes if you do not pay. To comply, simply pay the State tax on those items, which is more accurately called "**USE TAX**", on your excise tax return, or by filling out the "Consumer Use Tax Return" available from the State at <http://dor.wa.gov> and submit your payment. This will keep you from having a bad experience.

There are exceptions to **USE TAX** for materials purchased for periodic fund-raisers like the Christmas cards your Council buys for "Keep Christ in Christmas" and the Tootsie Rolls that your Council buys for the "Tootsie Roll Drive". **NO USE TAX ON THESE.** If in doubt, call us and we can get a ruling from the State.

God Bless You Brothers and may He keep your tax load light!

Worthy Faithful Navigator,

I just received a letter from the Supreme Master in the mail yesterday stating the following:

It was voted by the Board of Directors to adopt a resolution resolving that Article IX, Section 36 of the Laws and Rules Governing the Fourth Degree of the Knights of Columbus be revised to read as follows:

Honorary and Honorary Life Membership

(a) Members who have attained the actual age of sixty-five Years and who have been members of the Fourth Degree for twenty-five consecutive years, shall be designated as honorary members and on due request in writing they shall be exempt from general fund charges, except payment of \$10.00 per annum which shall include all assembly dues charges and levies.

(b) Members who have attained the actual age of 70 Years and who have been members of the Fourth Degree for twenty-five consecutive years, and those who have been members of the Fourth Degree 50 years regardless of age, shall be designated as Honorary Life members and on due request from the Faithful Comptroller, they shall be exempt from further payment of dues.

This program has finally begun and cards are currently being mailed out. Every member in our system who is eligible will receive a card which includes their name, membership number and assembly number. We are currently processing 2 to 3 thousand cards per day until all names have been processed. It is estimated that this procedure will be complete by the end of June.

It is no longer necessary to submit a Form 4 to request Honorary or Honorary Life membership for a member. Our system will automatically recognize when a member is eligible.

STATE SECRETARY CHANGE OF ADDRESS

The new address is

FATHER MICHAEL MCGIVNEY GUILD

July marks the continuation of my planned pullback from very active participation at both the State and Council levels. The reason is very simple – and it is not for lack of enthusiasm, interest or ability. It is simply because I recognize that if I do not step aside, another Brother Knight is denied the opportunity to excel to the best of his abilities.

Especially true is this at the Council level – otherwise, we bring new members in the front door only to lose them out the back door because we didn't give them something to do – to excel in a task that is of interest to them. Two years from now, someone else will chair the McGivney guild for Washington State Council.

For now, I have been tasked by State Deputy, Don McBride to continue promoting the cause of Fr. Michael J. McGivney to the honors of the altar. While we hope for his cause to proceed, wise minds know that it happens in God's own time – and sometimes centuries pass before an especially holy person is raised to the honors of the altar.

We have been blessed with so many holy priests over the last two thousand years – and the holiness of our Founder has been very well documented. Charity is the watchword of the Knights of Columbus, and it was his watchword as well. Because of Fr. McGivney, we Knights "change lives – and we save lives".

Vivat Jesu!

Sick and Death Notices

This is just a reminder that council Financial Secretaries or Grand Knights should send notice of members or family members sick or deceased to State Secretary George Czerwonka by the third week of each month.

State Chaplain Bishop Sevilla (retired) or State Vice Chaplain Fr. Jaime Chacon celebrate monthly Masses for deceased and ill Brothers and family members of the Knights in Washington State. In addition, a get-well card (in the case of an illness) or a card of condolence (in the case of a death) is sent to the member or next of kin by the Executive Secretary. The State Secretary also forwards this information to the Bulletin Editor for publication in the State Bulletin. For this process to be effective, it is imperative that the notification is accurate and timely and that the name and address of the next of kin is provided. Also be sure to include the relation of the next of kin (e.g. son, wife, brother, etc.)

Notification of deaths may be transmitted to the State Secretary by sending a copy of Form 100 or any other form of written communication (e.g., by e-mail). Illness notices can also be transmitted via e-mail to the State Secretary. Information on Survivor's Assistance and a Survivors' Assistance checklist can be found in Section III-54 in the Grand Knight's Handbook.

DISTRICT MASTER'S MESSAGE

"Reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principle."

Congratulations to the newly elected (or re-elected) Faithful Navigators and Grand Knights! God put you in this place at this time for a reason. Make the most of this opportunity to leave your mark on the history of your assembly or council!

Future State Events That Require Members of the Color Corps from Multiple Assemblies

July 16, 2011 – Summer Leadership Meeting Mass and Installation of Officers at St Joseph Parish, Wenatchee

Those Grand Knights, Financial Secretaries, Program Directors, and Membership Chairmen who are members of the Color Corps, please **bring your regalia to the Summer Leadership Meeting** and participate in the Mass and Installation of State Officers and District Deputies on Saturday evening.

Upcoming Report and Actions

If you haven't already done so, please **submit your Election of Officers Form 186 (due by July 1, 2011) to Supreme** (copy to VSM Wayne Hogan and me) and **directory input to the WSC Webmaster**, contact me to **schedule your Installation of Assembly Officers** (jointly with other assemblies), and **conduct your Annual Audit (due by August 1, 2011)**.

All new Faithful Navigators and Faithful Comptrollers are requested to **provide me with their current e-mail address**.

Your first order of business as a new Faithful Navigator should be to establish and publish the **Goals and Objectives** for your assembly – here are some ideas:

Create a **Membership Plan** for recruiting new members to attend scheduled exemplifications and exceed your Membership Quota by 15%

Establish an **Assembly Budget** for major expenditures (and approve it at your July meeting)

Prepare and publish an informational **monthly newsletter** with a Calendar of Meetings and Events (to increase attendance at meetings and social functions), Report Submittals, and Award Applications

Establish an **e-mail list** of all assembly members (including widows of deceased members) and frequently utilize it as a "phone tree" to disseminate information regarding events

Establish **Committee Chairmen** and assign members to committees to plan and conduct enough activities that will allow you to apply for and attain the **Civic Award**

Plan and conduct a major project which will allow you to submit an application for the **"To Be a Patriot" Award**

Increase the visibility of your **Color Corps** in your parish community (e.g., at corporate masses, funerals, state meetings and conventions, flag presentations, parades, etc.)

Washington District Exemplifications

Please join me in welcoming the 27 **Sir Knights** who were **exemplified in Spokane at St John Vianney Parish**. Many thanks to John J. Mertens Assembly 2414 and Faithful Navigator Ed Schiffner for hosting the event!

Six fourth degree exemplifications have been planned in fraternal year 2011 - 2012, with four being conducted in Western Washington and two in Eastern Washington. These dates have been coordinated with State Ceremonial Chairman Wayne Hogan to ensure they are preceded by local the second and third degree exemplifications. The **tentative schedule for 2011 - 2012 Fourth Degree Exemplifications** is as follows:

Bothell - November 12, 2011

Oak Harbor - February 18, 2012

Kennewick - March 17, 2012

Lakewood - April 14, 2012

Spokane - May 5, 2012

Vancouver - June 2, 2012

To support the above schedule, back-up ceremonialists are needed for both the Western and Eastern Washington Exemplification Teams. **If you would like to join these teams, please let me know.**

Patriotic Quotes

"Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable supports.... Let it simply be asked: where is the security for property, for reputation, for life, if the sense of religious obligation desert the oaths which are the instruments of investigation in courts of justice? Reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principle." – President George Washington's farewell address, 1796

Retention Chairman Message

Which one is of the utmost importance? Flipping a coin, pulling on the short straw, Spinning the wheel?

Each is equally important to the council and the order. Should we pursue new members, chase after delinquent members, or let our goals to let those Brother Knight's memberships lapse and suspend them?

There should be no need for any council to "flip, pull, or spin." The most important action is (paraphrasing the Marine Corp Motto) "do all you can do" to keep each and every Knight as an active and participating member.

If some members start to fall by the way side, use "first aid" and there will be no need to use the Notice of Intent to Suspend (form # 1845). Again, "Do all you can do."

Vivat Jesus,

Andrew Kraemer

MEMBERSHIP DIRECTOR

"FIRST GUY IN JULY"

Brother Knights,

If you were elected or appointed to a new position in the Knights of Columbus, you are, no-doubt, feeling just the way I felt when I was elected to be your State Advocate and State Membership Director. "Now that I have this new job....**WHAT DO I DO?**" If you are a newly elected Grand Knight, District Deputy, Deputy Grand Knight, or any other position, it is normal to feel that way. I am hoping that the Summer Leadership Meeting will help you get the information you need to make you feel more comfortable. That is what I have been up to, also. Getting as much information as I can, to be ready to serve you well.

Brothers, we have enjoyed tremendous success in membership growth under the leadership of past State Deputy, John Wallace. He took his charge to "Grow the Order" from the Supreme Knight very seriously, and we all rallied around him to make him and our State a Winner. Awesome job WPSD John, and every Knight that was a part of that success.

Now we have that new and enthusiastic young State Deputy, Don McBride, who has taken to heart the Supreme Knight's message, as well. I know that because you should see all the stuff he is making me do for his Membership Program. Building the Membership Team, writing up plans, going to Dallas to take a course from Supreme on how to have an effective membership program, ordering supplies, creating membership kits, planning teleconference calls, making plans for visiting every District in the State...**YIKES!**

Brothers, we are all going to be busy this next year, but that's a good thing. We will be busy doing God's work. It's the best thing in the world to be busy with!

One of the things that bothered me when I was a newly elected Grand Knight was how seemingly obsessed the State guys in green jackets were with Membership and the numbers. I have come to an understanding of that apparent obsession, and I would like to share with you **WHY** we care so much about membership in our Order. We care because we know that the more members we have, the bigger the impact we can make on this world for the good! That's worth obsessing about.

On the local level we need a steady stream of new members to do God's work. To **change lives and save lives**. We need men to fill key positions in our councils so that selecting chairmen and committee members is easy. Not the old: One guy gets selected as the Chairman and he has a committee of one, because there is nobody else to ask.

On the global level, all we have to do is think of what happens when there is a disaster. Twenty thousand Knights went to assist after hurricane Katrina and they did a lot of good. Just think how much more we could have done if we had forty thousand Knights

there!

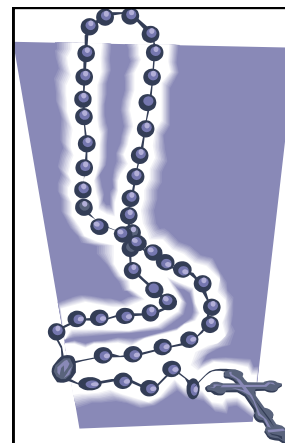

So don't just think about it....**get going right now**. Think of that one guy. That guy you have wanted to ask to be a Knight of Columbus but haven't done it. Ask him. Make him your honorable **"FIRST GUY IN JULY"**. Then get your fellow Council officers to do the same thing. Nothing will energize your new membership committee more than to have some signed Form 100's.

The Supreme Council & The State has got a lot of great incentives for early recruitments: Supreme Membership Medallion for the July proposer, a 3rd Degree Medallion from the State for the Grand Knight & District Deputy, and the State will waive the Exemplification fee. **NICE!** Brothers, be obsessed about this mission. It's one of the most important ones we have. If you need to feel more a part of this I will lend you my green Coat...**IT'S GOT THE POWER!** Form your membership committee, get your plan together and get to it. **NO** more slow starts. It too hard to catch up to them. I have a huge team that will help you in any way that you need help. I will introduce the team at the Summer Leadership Meeting.

I need your help, too. You might have noticed how catchy the **"First Guy In July"** heading was. That was mine. I want you to help me by sending me an original catchy phrase for next month...maybe something that rhymes with August. Or maybe "corny". I like corny. In order to be considered, you must recruit "one Guy In July". Just send me a good one and it will be the title of my bulletin article next month. I will also recognize you and your new member in the bulletin. Make sure you send your names.

LET'S GO GET SOME GUYS!

IMPACT The delivery of a wheelchair to a person without mobility improves the quality of life for the entire family.

PROCESS The brand new wheelchairs we deliver would sell for \$500 in a medical supply store, but because we purchase them by sea containers of 100 to 280 wheelchairs, and deliver them directly to the country of destination, we can do this for only \$150 per wheelchair.

HELPING Knights have delivered tens of thousands of wheelchairs around the world since 2003 and right here at home.

We can do this in our own State. Your donation will help buy a container of wheelchairs to be distributed in the State of Washington. Won't you please help?
