March for Life—January 19, 2005 Olympia, Washington

This year's March for Life began at 10:00am with a ProLife Mass at St Michael's Church in Olympia. Also, at 10:00am, students delivered a Live Red Rose, the symbol of the March for Life, to each member of the Legislature, the Governor, and Lieutenant Governor. About 2,000 Marchers arrived in cars, vans, and about 20 buses from throughout the State of Washington to pray and

Spokane Diocese—PFH Check Presentation

One Saturday, January 8, prior to the start of the Regional meeting in Spokane, State Deputy Pat Maloney presented a check from PFH to Father Steve Dublinski, the Parochial Vicar for the Diocese of Spokane. Through this gift, the Diocese will be able to partially fund the education of candidates for the priesthood. Similar checks were also presented to the Archdiocese of Seattle and the Diocese of Yakima. These funds are generated by donations to local Councils and Assemblies of the Knights, whose motto is "A

penny a day, a prayer a day for vocations". Father Dublinski, representing Bishop Skylstad who was traveling that weekend, expressed the Bishop's gratitude for the continuing support from the Knights. Members continue to offer support through letters and prayer for the individuals they are sponsoring. "Every Seminarian Supported" is a watchword that continues to be professed by the KC's in Washington. The councils in the state have very nearly achieved that worthy goal this year.

Washington State Council Officers presenting the check to Father Steve Dublinski, From left to right are – Wayne Hogan (IPSD), John Wallace (State Advocate), Pat Maloney (State Deputy), Father Steve Dublinski, Karl Hadley (State Secretary), Don McBride (State Warden) and John Walker (State Treasurer).

Message From the State Deputy Pat Maloney

This month in the bulletin, you will see an article titled - *Do We Have As Much Sense As a Goose?* I am certain that many of you have seen this article before in print. It is a good short piece that breaks down the simple lessons taught by a flock of geese as they fly south for the winter. I encourage you to take time to read the article. You may want to clip it out, save it, and refer to it some times. I hope that if it hasn't already done so, it might strike a chord with you as it has done with me. I am not certain who the author is. However, it is a simple study on the benefits of working together in pursuit of meeting the goals of the group. I think that it is very appropriate.

ees of a larger company. But it also pertains to the way we live our lives as members of the one Body of Christ. Never hesitate taking the opportunity to say **Thank You** to the members and families of the Knights of Columbus of our state. All of you know that there is a shortage of quality time available these days. As we live our life, and we continue to share with each other what we do as Knights and Catholics, we continue to help each other carry on and grow stronger in the faith that we love and share. During the remainder of the fraternal year, our efforts and sacrifices will continue to help us grow strong. I have no doubt that our hard work will result in benefits many times over.

The lessons shared in this article are simple: 1) People, who share a common direction and a sense of community, make things happen; 2) People get much more accomplished when they work together; 3) It often pays to take turns doing the hard jobs; 4) Words of encouragement are needed - encouragement helps invigorate and enables others to carry on; 5) If we have the simple sense of a goose, we will continue to stand by and support each other.

Each month when I sit down to write this letter for the bulletin, I think of the many things that we have accomplished as the Knights of Columbus of the Washington State Jurisdiction. I am certain that you will agree, we have flown great distances. As I write, I start to look ahead and I sometimes feel a little overwhelmed when looking at all of the things that are left to be accomplished through the remainder of the fraternal year - especially to get to where we should be. Some times I think that flying South with a flock of geese might be a lot easier. It's usually during this time that I get a positive call or positive note from one or two of our grand knights or district deputies (a little honking maybe?) about what they are doing or some of the successes that they are be having. Then things seem to feel a little more comfortable, things seem to come together and stuff doesn't seem too daunting.

The lessons about flying geese relate not only to us as Knight of Columbus, or as members of a Family, or as workers or employ-

It was great to see many of you at the regional meetings this past month. We had a lot of good feedback and some pretty good discussions from all of those that were there in attendance. The traveling troupe of state officers and program chairman appreciate hearing back from those members that were there in attendance. Thanks for braving the weather and roads to come out and participate. I want to thank the Spokane Council 10534, Richland Council 3307, Chehalis Council 1550, Centralia Council 1758 and Everett Council 763 for hosting the meetings. I also want to thank FS Training Consultants Mark Davis and Dave Konzek for again conducting some very productive seminars. If you were unable to attend the meetings, please see your District Deputy. He should be able to fill you in on the information that was presented.

At the regional meetings, Membership Director Don McBride and Retention Chairman Andy Kraemer did a good job in presenting the Shining Armor Program. We continue to hear about the successes other councils have had with this program. The program is well crafted and it flat out works! If you would like more information about the program, contact Don or Andy. They will help you get started. Or visit the membership page on the State Council's web page (www.kofc-wa.org). There is an excellent outline and presentation on this program on the web. I encourage all GK's to consider using this program as a way of en-

Invite Chaplains to State Convention in May By Father K. Scott Connolly

The state convention in Tukwila is just around the corner, and if you would like your chaplain to attend, you may want to extend the invitation to him now. I know that it is particularly difficult for priests to get away on the weekend. However, if we fail to ask our chaplain to attend, we know for certain he will be unable to go. It never hurts to ask, and it always goes a long way to foster our relationship as Knights of Columbus in solidarity with our priests and bishops.

I extend this invitation to our councils in the Tukwila area in particular, as we will celebrate our convention in the Tukwila, just south of the Emerald City of Seattle. There will be a mass offered by Bishop Skylstad at 5:00 pm on Friday, May 13 followed by a dinner hosted by the local Knights of Columbus. Even if our chaplains are unable to make the entire weekend, at least we can invite them to come to that Friday evening liturgy and welcome all of the state officers and the knights present for the convention.

It never hurts to make the offer as palatable as possible, for example, perhaps your council could offer to pay for the priest substitute who would need to come that weekend for the liturgy. You could even suggest helping to find a substitute priest for the weekend if your pastor is open to that suggestion. Oftentimes, he would be more than happy to participate in some of our ac-

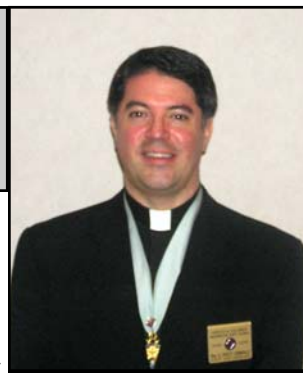

tivities, but the difficult task of finding a replacement can be so overwhelming that we do not make the attempt.

I extend this invitation to all of our chaplains as well. Please consider making the effort to be present for our state convention. We will have a variety of activities available specifically for you as priest and chaplains during the course of the weekend. In addition to the Mass on Friday evening, we will have a luncheon specifically for priests on Saturday afternoon and a celebration of the Eucharist on Sunday morning to conclude our time together. You are most welcome to the banquet on Saturday evening to help join in the celebration of another fraternal year of the Knights of Columbus in the state of Washington. Your presence among the Knights of Columbus is always deeply appreciated and will make a difference in their lives as well as your own. If you have further questions or need assistance, please do not hesitate to call. You can reach me at my email address (ViceChaplain@kofc-wa.org). We will see you at the convention May 13-15, 2005. If you would like a registration form, please email me, and I will make sure to get one to you.

Yours In Christ,

Father Scott

State Deputy's Message Continued

(Continued from page 2)

gaging your new first degree members – in recruiting and program attendance. Try it – you'll like it!

I trust that all councils are gearing up for our Membership Blitz coming up shortly after Easter. As you know this year Lent starts a little earlier than usual and Easter subsequently falls in March. We want to make certain that we are engaging all councils in this membership effort this Spring. We've had successful membership drives in the past and we want to make this one equally successful.

With five months left in the fraternal year,

there are a number of councils that have already attained Star council status. If your council is not there yet, there is plenty time to achieve the goals that you should have set at the beginning of the fraternal year. If any of the state officers can help you, please do not hesitate to ask.

Vivat Jesus!

Your State Deputy

Message from General Program Director

Brothers,

I want to thank all of you for attending the recent Regional meetings. At the meeting I covered the status of all of your council reports. I also stated that now is the time for every council to check on your point total for your 1000 point club. This is critical if you want to make 1000 points by May 1st. Please contact me either by e-mail or phone call and I will be happy to give you your current point total. Remember it is still not too late to turn in any missing or late Service Program reports. I also reminded every council on the need to submit your Fraternal Survey report by January 31. This report is critical to Supreme. Please be assured that I or the State Deputy will be contacting you if we do not see a copy of your Fraternal Survey by the 31st. I also reminded every council that we are approaching that time of the Fraternal Year when we should be thinking about submitting an application for one or all of the State Program awards. Please contact me with any question or concerns on submitting an application for these reports. We still have over 4 ½ months until the Convention and over 5 months until the end of this Fraternal year—there is still time to make your goals!!!

Vivat Jesus!

Message from Vocations

"Every Seminararian Supported" is now just about reality for Knights in Washington State Council. Through your generosity, I have been able to as-

sign about 20 seminarians to Councils for support since September. "Just about" is the key - there are still two seminarians for whom I do not have a commitment of aid through the RSVP program. We are, however, doing rather well with more than 90 candidates for the priesthood and the consecrated life of a nun being supported.

If your Council or Assembly is considering sponsoring someone, please contact me directly. It is my task to "level out the playing field", ensuring that additional funding is found for those least supported. Diocesan vocations offices are not always aware of the ever changing and increasing level of support by Knights.

Message from KCIC Chairman

It was great seeing all the Grand Knights, District Deputies and Chairmen during the Regional Meetings this past month. I'm sure you realized that there are a few items to be completed in the upcoming months (change that word "few" to "a lot"). There is no doubt that all of your Councils will come out as winners.

One of those items that would help is selecting a KCIC Chairman for your Council for the upcoming year even if you may not be the Grand Knight after June. The reason for having a Chairman in place before the Convention in May is he will need to decide if the Council will order a case of assorted cards to be picked up at the Summer Meeting in July. The assorted case is a great way to get started in selling Christmas cards, and they are at a discounted price.

There are Councils who still owe for Christmas cards from this past season. Please check your records. Call me if you don't know what the Council owes. 253-582-8199. kcic@kofc-wa.org

John M. Wallace

SCHOLARSHIPS

The long history of the partnership between the Knights of Columbus and Catholic education dates back to 1904. Over the years the Order has remained a staunch ally of institutions of learning, of parents and of students through a well-developed and well-financed series of undergraduate scholarships and graduate fellowships. In addition to Supreme Council programs, some state and local councils offer independent scholarship programs.

Requests for information or applications, regarding United States and Canadian scholarships, should be directed to:

Director of Scholarship Aid
Knights of Columbus
PO Box 1670
New Haven, CT 06507-0901
(203) 752-4332

Requests can also be sent to: info@kofc.org

Scholarship applications are sent via postal service, so please be sure to include a current mailing address.

If you are entering your freshman year of college, considering attending a catholic college or university within the United States and are a member, child of a member, wife of a member or a Columbian Squire, you should apply for a scholarship. Applications are available after October 1st of each year and are to be filed by March 1st, to be considered for the coming school year.

Message from Membership Chairman

Whew! We had a hectic month staying ahead of snow and ice storms en route to the Winter Regional Meetings in Spokane, Richland, Centralia, and Everett. I hope you all found them as rewarding as I did. The best part was the involvement and discussion between the councils that attended. Some great ideas were shared, both in the areas of membership and programs. If your council was one of the few that couldn't be there, you missed a very engaging and informative day.

One of the enjoyable aspects was being able to present the winners of the incentive drawings for participants in the October Share the Experience Blitz. Three lucky councils took home beautiful metal silhouettes of Mary and Jesus. The winners, in order of presentation, were Holy Apostles Council 13186 in East Wenatchee; Holy Spirit Council 10653 in Kennewick; and St. Joseph Council 4782 in Vancouver. Don't forget, you have another chance to win coming up by turning in your report of spring Blitz participation by April 30, 2005.

Another upcoming incentive award is the pursuit of the elusive Contest of Champions awards. A beautiful framed print on canvas, Virgin Mary and Baby Jesus with Angels (often called Our Lady of Angels) has been obtained for the councils achieving the top net gain and percentage of goal in the state. Smaller framed prints will be awarded to the leaders in each of the five size divisions.

As promised last month, we also were able to find out who were the lucky (and dedicated) winners of the prize for achieving 100% of their council or district membership quotas by December 31, 2004. The following Grand Knights will soon be receiving their Knights of Columbus jackets:

Jim Sofka, GK, Council No. 829 Bel-
lingham, 140% (net gain 7)
Ron Christian, GK, Council No. 2155
Chewelah, 100% (net gain 5)
Gary Chesnutis, GK, Council No.
2999 Camas-Washougal, 100% (net
gain 6)

Ron Kimball, GK, Council No. 3307 Richland, 138.5% (net gain 18)
Robert Buendia, GK, Council No. 6686 Bothell, 100% (net gain 8)
Richard Gendron, GK, Council No. 7908 Federal Way, 160% (net gain 8)
Lloyd Qually, GK, Council No. 8150 Kent, 140% (net gain 7)
Richard Weber, GK, Council No. 8201 Spokane, 100% (net gain 5)
John Buckley, GK, Council No. 8476 Camano-Stanwood, 100% (net gain 7)
Rich Jacobs, GK, Council No. 8872 Colbert, 120% (net gain 6)
James Hudak, GK, Council No. 10543 Prosser, 100% (net gain 5)
Roger Devaney, GK, Council No. 11134 Spokane, 280% (net gain 14)
Bob Sanchez, GK, Council No. 11217 Shoreline, 171.4% (net gain 12)
Brian Lampe, GK, Council No. 11408 Kirkland, 140% (net gain 7)
Dan Lee, GK, Council No. 11780 Covington, 100% (net gain 5)
Manny Keller-Scholz, GK, Council No. 12583 Spokane, 120% (net gain 6)
Wade Walden, GK, Council No. 13186 East Wenatchee, 140% (net gain 7)
Ken Robinson, GK, Council No. 13374 Renton, 120% (net gain 6)
Ed Miller, GK, Council No. 13560 Granite Falls, 100% (net gain 5)
Joseph Champagne, GK, Council No. 13597 Leavenworth (new council, net gain 8)
Jeff Schumacher, GK, Council No. 13606 Seattle (new council, net gain 55)
Daniel Donahue, DD#1
Deacon Bill Loranger, DD#10
Del Treichel, DD#16
Larry McKeever, DD#20
Lee Lutovsky, DD#26
Ben Workman, DD#27

Don't forget, you all can join them in pursuit of the next part of that incentive prize—the book, Faith and Fraternalism, personally inscribed by the Supreme Knight for your achievement in leading your council to 200% of its membership quota by June 30, 2005.

Be sure to check out the State Council website (www.kofc-wa.org) under Program Chairs => Membership. The Membership page is growing every month, and now includes a video clip and a slide presentation about the Shining Armor award program.

Worthy Grand Knight,

If you are considering a review of the Council by-laws or you can not locate a copy, or maybe the Council never had by-laws, there is an easy way to resolve this problem. Sample copies of the latest revision of the standard set of by-laws with clear directions on how to make changes is available.

Send for a sample copy with the Council Number and an address to:

EXEMPLIFICATION FUND REMINDER TO GRAND KNIGHTS AND FINANCIAL SECRETARIES

As we arrive at the beginning of the second half of the fraternal year, I wish to remind all of the need to keep your exemplification fund payment current in order to avoid having me send you a billing.

Let me outline what the fund is for. The exemplification fund was established to be used to pay partial expenses of the Ceremonial Team when they administer the 3rd Degree to your new members. When a new member is initiated into the 1st Degree of the Order, you need to send an \$8.00 payment to the State Council to cover the costs of the 3rd Degree. A new member is one who is not a transfer, re-admission, re-activation, re-initiate, priest or seminarian. (You need not send \$8.00 for the aforementioned). Before this system was established the District Deputy was required to collect from each individual when he showed up for the 3rd Degree ceremony. When you send the \$8.00 per new member, you should also send a copy of the Council Monthly Statement you receive from Supreme. I have no way of knowing who are actually "new" members as the only report I receive from Supreme is the monthly membership report. (It only shows me the total number of new members and not the re's that are shown on your report. Please help me by sending a copy of the statement so that I do not have to send a notice that you did not make the proper payment. I have sent notices to some councils indicating that your have payments past due from previous years. Please review the notice and make the necessary adjustments if needed and then send the check to the State Secretary. Hopefully I can get all the old past dues completed, so that when I turn the books over to the next State Treasurer they will be up to date. Thank you for your cooperation. If you have any questions, please contact me.

OPERATION KNIGHT FLIGHT UPDATE "CARE" PACKAGES FOR IRAQ

Rev Wm J Power Assembly 1630 of Bellevue, WA took 70 more boxes (Care packages for the troops) down to Ft. Lewis on Monday, January 10th. We should all be very proud of this Assembly and the work it is doing on "Operation Knightflight". It is a very worthy project the troops really appreciate our thoughts and the letters they get from the kids from our local schools. The support from some of local parishes have really helped. We can use more help from our members to go around to all councils and encourage more financial support so that we can continue this project until our troops return home to us.

Contact Martin Berndt or George Turk for more information.

March for Life in Olympia

The Annual Washington State March for Life was held on Wednesday, January 19th in Olympia. Dozens of fine Knights of Columbus Council Banners and signs were proudly displayed from all across state. It was clear that many Knights and their families from all across the State took time off from work to be present at this important event. Many many thanks to all the Knights who attended and helped to make this event a great success.

Please keep the cards and letters (email) coming folks. I need your inputs for the Bulletin each month by the 20th so I can have time to

organize all the articles in in the bulletin and get it to the printers a couple of days before the 1st of the next month.

Also please don't forget that I can help you submit articles in the Columbia Magazine.

Please try to send any pictures in JPEG format if possible. They take up a lot less room than TIF or bitmap.

Columbus Charities A GREAT Council Fund Raiser!

Is your council looking for an easy fund raiser? There are many Councils in the State of Washington that work hard and trying to discover a project that will help them raise some funds to support or help finance their many charitable works. STOP! - DON'T LOOK ANY FURTHER - The State Council has a program to do just that - and it's called Columbus Charities Program!

The Columbus Charities program is not only designed to raise money for several charitable programs in Washington, but it is also designed to help all Washington councils that participate. Do you know that 40% of the money that is raised by each council - that is - 40 cents for each \$1 ticket sold - is returned to the participating council for their use in charitable projects? And - if your council achieves its quota - which is one book per member - your council receives an additional bonus. In the past 24 years, this program has returned nearly \$900,000 to local councils. This money is used to fund many charitable projects each council participates in. Not only do the monies raised from this effort go back to the councils - but several important charities in the state benefit from this project effort. These included Special Olympics, Cancer Care Centers and several Kidney centers all around Washington.

This program, which has been around since the late 1970's, is the major charitable project promoted across the state each year. Columbus Charities raffle tickets are sold for \$1.00. Each ticket purchased entitles the buyer a chance of winning a number of money prizes offered. Winners are announced at the annual drawing in May. And the chances of winning are better than Lotto!

If your council is looking for a fund raiser - look no further than this project. It's an easy and popular project to promote within your council and within your community. If you do not have tickets for sale yet - you will shortly! If you have any questions or concerns about this project, please contact David Tufts, our state's Columbus Charities Chairman or your District Deputy.

Bishop White Seminary

To all Brother Grand Knights

On behalf as Chairpersons for the committee on our state fundraising effort for the building of a new seminary in Spokane, WA., Bishop White Seminary, we are to commend these following Councils and Assemblies: Pullman Council # 7360, Prosser Council #10543, Vancouver Council # 4782, Otis Orchards Council # 11611, St. Mary's Council # 4196 and Fr. Anton Flour Assembly #2105, Pullman Washington. The Assembly and Councils listed here make up 6 of a total of 165 Councils and Assemblies State wide, contributing \$5150 towards Bishop William Skylstad capital campaign, "HERE I AM LORD, SEND ME".

Our statewide fundraiser is now 6 months into its 24 month campaign, it is time to start planning your Councils or Assemblies fundraiser. Don't be left out of a chance to help make a difference for our Seminarians, our future Priests, by supporting the only

Seminary in the State of Washington. Councils should write checks made payable to the WSC Knights of Columbus Bishop White Seminary Fund and mail them to the State Secretary who will collect the funds in a single account and write one check to Bishop White Seminary.

Resolutions*"Write Them With Thought And Care"*

One of the many things that take place at the WA State Convention in May is the presentations of Resolutions for discussion and voting.

Those Councils that have a Resolution to submit should be aware of the process and timetable. To ensure a successful entry please review the GK Handbook, pages II-16 through II-19 for the required steps. A planning guide was made available at each of the Regional Meetings in January. The following is the timetable of events. Please note the March 15 cutoff date for submission of Resolutions.

March for Life—January 19, 2005 Olympia, Washington

(Continued from page 1)

show their belief in the sanctity of life.

The President of the March for Life, Katherine J. McEntee, a member of St Charles Borromeo Parish in Tacoma, recovering from her stroke last year, was determined to be at the head of the March and to address the thousands of Pro-Life Marchers. When Mrs. McEntee was introduced by her daughter-in-law the ProLife Marchers erupted with applause in recognition for her years as the President of the March for Life and her dedication as one of Washington's leaders in the ProLife movement. Reverend Michael McDermott, pastor of St Charles Borromeo Church, said the opening prayer. Wayne C. Hogan, Immediate Past State Deputy, led the Pledge of Allegiance to the Flag. This was the fourth consecutive year that he led the Pledge. It was followed by introductions, which included the acknowledgement by Mrs. McEntee of Carl Anderson, father of Supreme Knight Carl A. Anderson, the attending Legislators and speakers. Also, in attendance were Sister Sharon Park, O.P., Executive Director of the Washington State Catholic Conference; Reverend Derek Lappe, Pastor of St. Thomas Aquinas in Camas and the Former Friar of Washington State Squires; John Wallace, State Advocate; Everett 'Rob' Roberts, Past State Deputy and FMFD; Jack Newman, PGK, FDD, FMFD; Jay Quinn, former State Pro-Life Chairman; Paul and Jean Nollette, International Family of the Year for 1995; Catholic priests, plus hundreds of Knights who were proudly carrying their council's banners.

Jeff Martin, former Assistant Pastor, Christian Family Center, Camano Island said the closing prayer. Following the activities at the State Capital, all Marchers were treated with soup, hot dogs, and coffee at St Michael's, courtesy of the Olympia Council 1643. Working in the kitchen and helping were Lovel and Janet Briere, International Family of the year for 1987.

New Council Development & RT Message

Greetings Brother Knights, from NCD and RT Chairmen east of the mountains.

As I am writing this chairmen's up-date, I must tell you that the regional meetings are finished on both sides of the state. On the east side, I have been informed of much activity, particularly in the Round Table area. There is so much to report, so I will only summarize. So far this fraternal year, the state has one new council (east side) in District 10, Council 13597 "Our Lady of the Snow Parish" in Leavenworth. This council is a combination of two parishes, the other one being St. Francis Xavier Parish in Cashmere. Congratulation goes to DD Bill Loranger for his hard work, and all those involved making this possible.

Districts that have round tables (total of 10 Round Tables so far) this year are as follows;

- ◆ District 6, GK of Council 2303 has a Round Table at Holy Rosary Parish in Moxee.
- ◆ District 7, GK of Council 3307, Christ the King Parish has a Round Table at St. Francis Xavier in Benton.

- ◆ District 5, GK of Council 683 has Round Tables at Sacred Heart Parish, Our Lady of Lourdes Parish, and St. Aloysius Parish.
- ◆ District 20, GK of 11134, St. Thomas More Parish has Round Tables at St. Anthony Parish, St. Francis Xavier Parish and St. Joseph Parish.
- ◆ District 29, GK of 8872 Colbert Council has a Round Table at St. Patrick Parish.

If I have left any one out, or got the facts wrong, please inform me of corrections. DD's and GK's make the news. I just need to report it right, so please call me. (509-924-1231)

Congratulation goes to our Regional Directors, Bob Grandinetti and Bob McDonnell, District Deputies, and Grand Knights for their effort so far. Special thanks go to our field agents for their assistance as well.

INCENTIVE for the Grand Knights of all Councils in the State; this incentive was approved by our State Deputy, Pat Maloney, and introduced at the regional meetings. (Jan. 8-9 and Jan. 15-16) All Grand Knights that have turned forms 2629 in to Supreme Secretary, State Deputy, and District Deputy by April 1, 2005, are eligible for a KC jacket or shirt of their choosing at a drawing held at Convention.

Vivat Jesus!

The Month of February

February is the month during which we celebrate St. Valentine's Day. It's a special day that we traditionally remember special people in our lives - by saying "Hello!", by having intimate conversations with them, by writing letters to them, or by doing something for them to show that they are special. This is probably something that many of us have done since we were young. How we chose to make this gesture is an expression of love. It is one of the many times during the year that we have the opportunity to express our love for that someone special. When I think about this, I am reminded of the words from a letter of St. Paul to his congregation in Corinth. This is one of my favorite readings. When you read it or hear it, one might picture this as a Valentine's Day type letter and expression of his love to this group. I think that these words of St. Paul are appropriate in commemoration of the celebration of love.

Love is patient. Love is kind. Love is not jealous. It does not put on airs; It is not snobbish. Love is never rude. It is not self seeking; it is not prone to anger. Love does not rejoice in what is wrong, but rejoices in what is with the Truth. There is not limit to Love's forbearance; there is no limit to its Trust, to its hope, or to its power to endure.

Then know that there in the end are three things that last: Faith, Hope and Love, and the greatest of these is Love.

Some Thoughts on Council Meetings

Some Thoughts on Council Meetings...

An article was written a while ago about the organizational structure of councils and council meetings. The purpose of the article was to provide a little guidance to councils regarding meetings and to help councils make meetings more productive, more vibrant and better attended. An excerpts of this article is found below.

How many members can be expected to attend meetings? Most councils hold between 10 – 12 official business meetings a year. A reasonable attendance goal is to expect 15% – 20% of your membership at meetings. If you are not having this number at meetings, consider changing things some to revitalize your meeting attendance.

Here are ten suggestions targeted toward achieving better attendance at meetings.

1. **Meeting Day & Time** – There will always be conflicts, but make certain that your council has selected a day and time that isn't in conflict with church, or community activities that a majority of your members might attend. If you meet on Saturday or Sunday,, you may want to consider whether this conflicts with family time.
2. **Communicate Your Meeting Schedule** - During the year, ask your members to make a commitment to attend a minimum of one or two meetings per year. Consider using your phone tree to call your members reminding them of your monthly meeting. Don't call the night before – call several days ahead of time to remind them.
3. **Meeting Place & Accommodations** – Are you meeting at a convenient place for your members? If your council covers a large geographical area or several parishes, consider rotating your meeting place to make it convenient for all members. Start your meeting with a little social time followed by business. Do not allow your meeting to go any longer than an hour to an hour and a half. Plan to get the meeting over so members can make it home at a reasonable time. Have you considered serving a meal at your meeting? Or considered having a pot luck meeting inviting the wives? This is a popular means to get good involvement.
4. **Meeting Agenda & Deportment** – Do you have a meeting agenda to follow? Nothing keeps a meeting moving like having a good agenda. It can be hand written or follow the one provided by Supreme to all GK's. Use Roberts Rules to conduct your meeting – but be flexible and have some fun.
5. **Involve Membership in Meeting** – Good GK's and Good leaders will not stand up in front of the membership and do all of the talking. Appoint chairmen in each of the 5 service program areas. This automatically gets 5 more members to the meeting. Allow your chairmen to talk during the meeting reporting on what has happened, what is currently happening and what is planned in the future. This process trains future leaders and should result in not having some of the members to serve in the same position for 3 – 5 years.
6. **Above All - Avoid Committee Work at Meetings** – Nothing stretches out a meeting like doing committee work during the meeting. This includes planning and sending around sign-up sheets for volunteer assignments. Sometimes this can't be avoided – but most of the time it can be avoided. Do planning and pre-planning with a small committee outside of the normal meeting. Don't hold your members hostage to something that can be accomplished by a few men outside the normal meeting.
7. **Lecturer Programs** – Does you council have an active Lecturer? It doesn't take much other than a little creativity and effort to look around your community to invite someone to come and talk at one of your meetings. Consider local law enforcement people, a teacher, a local non-profit agency, your mayor, an estate planner, a gardener, etc. Don't be afraid to spice up the meeting with an interesting speaker.
8. **Keep Everyone Informed** - When 70% – 90% of your members do not attend meetings, you need to work at keeping them informed with your monthly newsletter. Don't always lecture about not attending meetings or about how many people show up for a project. Be informative about what has happened, what is happened and what will be happening. Give them the facts, especially about a recent project. Be a cheer leader and let them know what a great organization they belong to. Don't forget to congratulate members on Birthdays, Anniversaries, promotions, birth announcements, etc. Don't forget about your Family of the Month or the Knight of the Month.
9. **Get Acquainted** – As parishes and councils continue to grow, it's difficult to know all of your members. Call you new members their first few months and invite them to meetings. Make them feel welcome. Get them used to coming to your meetings where they feel welcome and enjoy themselves – and remember not to take advantage of them and over work them.
10. **Market Your Council** – Once or twice a month write a short announcement about your council and upcoming events and ask your pastor about placing that article in the bulletin. Start a scrap book and display it at meetings. Display your scrapbook at pancake breakfasts or fish fries so that others can see what you do, what projects you are involved in and what fun you have. A little marketing and publicity never hurts!

Death Notices/Sick Notices

State Vice-Chaplain Fr. Scott Connolly celebrates monthly Masses for deceased and ill Brothers and family members of Knights in Washington State. In addition, a get-well card (in the case of an illness) or a card of condolence (in the case of a death) is sent to the member or next of kin by the State Secretary. The State Secretary also forwards this information to the Bulletin Editor, Frank Tyson, for publication. **For this process to be effective, it is imperative that the notification is accurate and timely and that the name and address of the next of kin is provided.** Notifications of deaths may be transmitted to the State Secretary by sending a copy of Form 100 or any other form of written communication (e.g., by e-mail). Information on Survivor's Assistance and a Survivor's Assistance checklist can be found in the Grand Knight's Handbook.

Suggested Weekly Parish Bulletin Inserts*

February 6—Six months pregnant, Maria Lydia Lopez slipped into a coma on April 24. In mid-May her family was about to remove life support and a priest was giving last rights when Maria spurreterd, coughed and lurched in her bed. "That was a sign of life for me," said her sister. Intensive care was resumed and on June 9 Maria awoke from her coma. Six days later, her twins were born. Los Angeles doctors had thought all three would die; obviously God had other plans. (Associated Press, July 8, 1999)

February 13—No one can tell the truth about abortion like a woman who has had one. Martha Wenger, the mother of an aborted child, describes the aftermath of an abortion for her. "The whole procedure toughened me. I became hateful. I had no compassion... A lot of women think they're terring reid of a problem. But they don't have any idea of the problems they'll face afterwards."

February 20—Research using adult stem cells is 20-30 years ahead of embryonic stem cell research and hold greater promise. No human being has yet been cured of a disease through the use of embryonic stem cells whereas adult stem cells have already cured thousands. Stem cell expert Rev. Tadeusz Pacholczyk, Ph.D.

February 27—Scientific research shows that a 20-32 week old unborn child experiences a much more intense pain than older infants, children or adults because its nerve fibers are closer to the skin. Yet despite congressional requirements that pain be minimized when livestock are slaughtered and there are numerous provisions to prevent pain to laboratory animals, no such protection is currently required for unborn human beings who undergo the hideous partial abortion procedure. (*The Unborn Child Pain Awareness Act* has been introduced into both houses of the U.S. Congress to ensure that women seeking an abortion are gully informed regarding the pain experienced by their unborn child.)

Suggested Prayers*

February 6—For those who work in the pro-life movement that they may continue to be the salt and light by nourishing their spiritual roots, we pray.

February 13—For all women tempted by the appealing promises of abortion that they may have the strength to say no to its destruction, we pray.

February 20—For judges and lawmakers that they may have the courage to return this nation to a life-encouraging culture, we pray.

February 27—That we may offer women with difficult pregnancies all the love and support they need, we pray.

Do We Have As Much Sense As A Goose?

Do We Have As Much Sense As A Goose?

When you look up into the sky and see geese flying, you probably notice that they are flying in a "V" formation. You may be interested in knowing what scientists have discovered about the way that they fly.

It has been learned that as each bird flaps it's wings, it creates an uplift for the bird immediately following. By flying in a "V" formation, the whole flock adds at least 71% greater flying range than if each bird flew on it's own. **THOUGHT #1: People who share a common direction and sense of community can get where they are going quicker & easier because they are traveling on the thrust of another!**

Whenever a goose falls out of formation, it suddenly feels the drag & resistance of trying to go it alone. It quickly gets back in formation to take advantage of the power of the bird immediately in front of it. **THOUGHT #2: If we have as much sense as a goose, we will stay in formation with those who are headed the same way we are going!**

When the lead goose gets tired, he rotates back in the "V" formation & another goose takes the lead. **THOUGHT #3: It pays to take turns doing hard jobs, either with people or with geese flying south!**

The Geese honk from behind to encourage those up front to keep up their speed. **THOUGHT #4: We need to be careful about what we say when we honk from behind. We need to be careful when we speak words of encouragement! Encouragement helps!**

Finally, when a goose gets sick or is wounded & it falls out of formation, two geese fall out of formation & follow the wound goose down to protect him. They stay with him until he is either again ready to fly or until he is dead. They then launch out on their own or with another formation to catch up with the original group. **THOUGHT #5: If we have the sense of a goose, we will stand by each other during times like this!**

Happenings Around the State

DD Gary Green has initiated a unique program in his district. Every three months, he recognizes the **Knight of the Quarter** and the **Family of the Quarter** in his District. Each Grand Knight in his District writes up a bio on the Knight and Family of the Month in their respective Councils. They submit this to Gary. He in turn asks a panel of judges who are former DD's to review the submissions and select one **Knight of the Quarter** and **Family of the Quarter**. Gary then prepares awards which consist of a statuette and a beautiful certificate. The statuette and certificate are given to the selected Knight or Family at the appropriate social or award night in his district. Winning Family's from Gary's District include the George Van Camp Family, the James Libra Family and the George Harding Family. Winning Knights include Dwight Booth, Patrick Burke, and Earl Davis. Gary says, "It's my opinion that you can not recognize enough those Knights and their Families that do so much for their councils and their District." We agree Gary. Good job on a very creative and rewarding effort.

If you would like to have something in the bulletin about happenings in your council, please submit them by the 20th of each month to Frank Tyson at bulletin@kofc-wa.org or fax to 425-868-2036. Questions? Call me at 425-836-0895.

State Directory Changes

The council should immediately inform **WSC Executive Secretary Ed Himebaugh** (via phone or e-mail) if there are changes that need to be made to the information in the Washington State Directory. All revisions to directory information will be published in the State Bulletin so that members can update and revise their directories as needed. Submit directory input forms (to be provided in May) immediately after elections of new officers.

INSURANCE
Making a difference for life.

DUALife

Waiver of Premium Rider

DuaLife is a second to die, or survivorship, life insurance program available from the Knights of Columbus. A single DuaLife plan covers two people, and the death benefit is paid upon the death of the surviving second person — which is normally when your estate will be taxed.

For your loved ones, your passing will be a time of grieving and loss. In addition, estate taxes can diminish the value of everything that you've both worked so hard to accumulate over your lifetime. It's true that under current tax law a married couple usually won't have to pay these costs until the death of the surviving spouse. However, when that second death occurs, the cost can be enormous.

In reality, everything you own may be included in the total value of your estate — your home, vacation property, business property, automobiles, etc. Consider what would happen to your heirs if they owe taxes on your estate. If no cash is available, they might be forced to liquidate assets to pay estate taxes — possibly at a fraction of their true value.

Fortunately, the Knights of Columbus offer a way for you to help your heirs meet estate settlement costs without subtracting from the total value of your estate — with DuaLife. And each DuaLife policy comes with an optional Waiver of Premium rider.

DUALife PROVIDES ADVANTAGES OVER CONVENTIONAL LIFE INSURANCE:

- Ensures money is there to meet taxes and other estate settlement costs.
- Costs less than two individual life insurance policies. You may choose a permanent, or whole-life plan, or a combination of permanent and term insurance. This enables you to obtain maximum protection at an affordable cost.
- Can provide funds for the legal guardians you've chosen to care for your children in the event you both die. This can help them with food, clothing, housing, and educational costs.
- If you have a special needs child, DuaLife can help fund continued care after both of you are gone.

ABOUT THE WAIVER OF PREMIUM RIDER:

- Provides for a waiver of premiums in the event of the insureds total and permanent disability.
- A disability must occur prior to age 65 and last at least six months
- The premium for this rider is payable to age 65 and is calculated as a percentage of the total premium payable on the contract.
- This rider can be applied for on either insured or both.
