## KNIGHTS OF COLUMBUS

*"Friends In Christ Doing God's Work"*

### Message from State Deputy

Worthy Brothers,

This year the Pennies for Heaven Board of Directors voted to support a Catholic Order of Nuns called the Sisters of Mary, Mother of the Church. Their Order is located in Spokane, Washington and they serve the community there. They are busy doing Christ's work here on earth but do not have a convent and are in the process of fund-raising \$300,000 to build one. We donated \$10,000 toward the cause and as you can see above, our State Chaplain was well received when he presented them with our generous gift. Thank you to all of you who so faithfully provide the pennies and prayers needed to keep our Pennies for Heaven Program going strong- providing help to our Catholic Religious in their vocations. I have two more checks to deliver in the next month. One to the Spokane Diocese and Bishop Daly and one to the Archdiocese of Seattle, I'll keep you posted and will include more photos.

So, Thanksgiving is upon us as I write this message and Christmas is right around the corner. I, for one, have much to be thankful for. I have my brother Knights especially to be thankful for- especially recently. There have been so many changes that have taken place in the last two years- uniform changes, the new Faith in Action Program, On-Line Membership, and the new requirements for the Safe Environment Program. These changes are not easy on any of us, but most of you have remained true to the Order and have taken these changes in stride. I thank you for your fraternity and your patience through all of these changes.

Christmas season always starts with the Mid-Winter Meeting of the State Officers and the District Deputies. I always find that I learn more than I ever teach at these meetings, so I look forward to sharing the new information I received at the Mid-year Meeting in Houston with the District Deputies and learning a bunch about what is going on with the State from their point of view. Even though we have turbulent times in our Church and in our Order right now, I ask all of you to focus on the Joy of the Christmas season. This is the season to put away the petty differences and the bickering and find some peace and happiness and keep that in your heart this coming year.

Finally, **BE KIND TO OTHERS. THE WORLD NEEDS MORE KIND PEOPLE!**

God Bless you all and have a Peaceful and Happy Holiday Season!

*Bob*

### “Come!”

It's a command we often give to a dog - and, if the dog is like some dogs I've seen, the command has to be delivered with a certain degree of authority if the dog is expected to obey. Otherwise, the animal may simply raise its eyebrows and then look the other way.

In this context, it may seem strange to point out that “Come!” is the constant refrain of the Church during the season of Advent. We plead insistently with Jesus to come into our midst. Of course, we don't command the Lord in the same way we command an animal, but it is interesting to note a couple of similarities in the way we deliver this imperative.

First, the word is said with *urgency*. When this command is delivered to a pet, a tone is used which communicates that the animal should come *now*. We don't say, “Rover, when you get a chance, come here and I'll put your leash on for a walk.” When we say, “Come!” we want a response right away.

Do we have this same sense of urgency when we call out, “Come!” to Jesus? I can't think of a single instance when I sang “O Come, O Come, Emmanuel” with even the slightest feeling of desperation for the coming of the Lord. What a sad admission! Surely Jesus desires our longing for Him to be so strong that we would call out, “Come!” with great urgency. It's not: “Lord, take Your time. No rush. I've got everything under control.” When we cry out for Jesus' coming this Advent, let it be an expression of our deep desire for the Kingdom of God.

Second, the one who says, “Come!” has the *expectation* that the one being called will actually come. Shouting an authoritative “Come!” to the dog, one rightly expects that the animal will respond to being summoned. True, one doesn't know with certainty that Rover will come, but it isn't like the command is simply a suggestion issued to Rover with a vague sense of hope that he might actually come.

When it comes to calling out for the Lord, I dare say that most people are not really expecting Jesus to come. It's easy to slip into thinking: “Jesus has not returned in glory for almost 2,000 years ... What are the chances that He will come now?” That sounds like something the enemy would have us think, so as not to be diligent about being prepared for the Second Coming!

Another trap is to interpret all the Advent talk about Jesus' coming as only referring to the Lord's birth, to be celebrated at Christmas. While this is *part* of the meaning, it is not the entire meaning, and it is not the deepest meaning. If we think we are only calling, “Come!” to commemorate the arrival of Jesus in Bethlehem, why should we have a sense of expectation that Jesus is coming again soon? This Advent, when the liturgy has us calling repeatedly for Jesus to come, let's remember that we really are expecting Jesus to return in glory.

Who would have thought that an action as familiar and mundane as calling a dog could reap helpful insights for the spiritual life? Yet, whenever we hear someone calling their pet, it can be a reminder for us that when we call upon the Lord Jesus--“Come!”--our exclamation ought to be made with a sense of urgency and expectation.

A blessed Advent to you all! Vivat Jesus!

State Chaplain

## State Secretary Message

Hello My Brothers,

Hope all are well and getting ready for the most blessed season that approaches, Christmas. This is an excellent time to take stock of all that we have received and how we can serve others... a great time for reflection.

Your current Council standings are:

Per Capita 99.46% paid Due Jan 30<sup>th</sup>  
Insurance 85.23% paid Due August 1<sup>st</sup>  
PFH Goals 79.84% paid Voluntary

While this looks fairly good from one viewpoint, it has fallen way short of goals from another. Please bring these items up at your next meeting and ask the FS if yours is paid. If not, please insist that they be paid immediately. The Council Per Capita and Council Insurance are not negotiable and are required to be paid...upon receipt. Failure to do so can lead to a Council Suspension and no one wants that.

As to Pennies For Heaven, while this is voluntary and the \$3.65 per day per member goal is nearly 80% paid...it costs a lot more that this to support a seminarian through his studies to Ordination and each Diocese counts on us to support this effort. Please make an additional effort to exceed your Council's goal by holding another fundraiser to increase this most necessary support for our Priests.

District Deputies: your Annual Winter Training meeting in Bellevue is Nov 30<sup>th</sup> to Dec 2<sup>nd</sup> and is nearly here. Be sure you notified the State Warden with your registration information. See you there.

Fraternally,

Pat Kelley  
State Secretary

## Immediate Past State Deputy's Message

My Brothers All,

Keep Christ In Christmas! Jesus is the reason for the season! With all the preparations for Christmas, I sincerely hope you take time send or hand out religious Christmas cards. We must take every opportunity to provide reminders to others in our sphere of influence the reason for the season. Knights of Columbus helps us with that by making Christmas cards available. Please consider getting some of these and sending them out when you do your cards. Keep Christ in Christmas.

We have always heard "it is better to give than receive" ---- well, let's make this one of these times of the year that we practice that. Give how and where you can. Giving makes the heart feel good and we can all use a healthy heart!!

My wife and I offer a Very Merry Christmas to you all!

God Bless.

Vivat Jesus!

### State Treasurer's December 2018

Brother Knights,

Christmas....The busiest time of the year and sometimes the most misdirected expenditure of time. If you have not seen "The Nativity", please buy it on Amazon or E-bay. The movie is based on the Holy Families' journey to the birth of Christ. I mentioned this last year and I hope that some of you were able to obtain/view this movie. I watch it a couple of times a year as it brings me back to what matters in life.

October was the first month of Exemplification Fund fees due after our incentive from last quarter. The Exemplification Fund chart attached is current as of 11/14/2018 and reflects new member fees due and credit on checks I have received from WSS Pat Kelley to date.

A \$7 fee is due per each new member brought into our Order. Please get your account up to date and mail your check payable to Washington State Council with exemplification in the memo area, AND COUNCIL NUMBER ON THE CHECK. Send to:

**WSS Pat Kelley**

## State Advocate's Message

### *Safe Environment Program Information Guide / IRS Form 990 – Annual Return Merry Christmas!*

Brother Knights,

We are half way through the Fraternal Year and much work has been accomplished. I enjoyed the fellowship of our regional meetings and hope the enthusiasm generated will drive momentum for the remainder of the year. Keep track of where you stand in all of your administrative responsibilities. Two big ones are highlighted here.

**SEP:** The Supreme Council's Office of Youth Protection mailed to every State Deputy, State Advocate, District Deputy and Grand Knight a copy of the **Safe Environment Program (SEP) Information Guide (Revised 2018)**. All District Deputies and Grand Knights are to present and make widely available to members the **SEP Information Guide (Revised 2018)**, which can also be found on the Order's website at the following link: <http://www.kofc.org/en/resources/members/programs/youth-activities/safe-environment-program-information-guide.pdf>. This guide includes the Knights of Columbus Youth Activity Policy. This guide must be reviewed by volunteers before conducting a Knights of Columbus youth activity. All SEP handouts can be found at: <http://www.kofc.org/en/members/programs/youth-activities/safe-environment-program.html>.

This guide will answer questions regarding training, reporting and policy. **Read it. Know it. And Implement it.**

Training must be completed within 30 days of receiving email confirmation from Praesidium acknowledging your appointment to one of the listed positions in the chart provided. If you are one of the listed leaders and have not received an email from Praesidium, contact the Knights of Columbus Office of Youth Protection at [oyp@kofc.org](mailto:oyp@kofc.org), or (203) 752-4558. Submission of forms 185 and 365 through Member Management will trigger email notifications. If training requirements are not completed within 30 days, Supreme will remove the member from his position and you will have to submit another Form 365 appointing a new person. You can also reappoint the same person, but this cannot occur numerous times.

I recommend you encourage as many members as possible in your councils to take the general training. At Knights of Columbus youth events, you must have at least two members present who have completed the training. One of the members must also have had a background check completed.

**Tax Exempt Status:** As a reminder, to be recognized as a tax-exempt entity under Section 501(c)(8), each council must provide its Employer Identification Number (EIN) to the Home Office Legal Department, which in turn will report the EIN to the IRS for inclusion in the Order's group exemption listing. Thus, a council must do three things to comply with the IRS filing requirement: 1) obtain an EIN from the IRS (new councils this year); 2) register its EIN with the Home Office Legal Department (new councils this year); and, 3) file an annual return with the IRS (all councils must do this).

Each council must meet all of these requirements. The IRS will accept a council's annual return only if the council has a valid EIN that has been registered with Supreme.

Vivat Jesus!

## State Youth Chairman's Report

### DECEMBER

November and Thanksgiving provided us a time to give thanks for all that we have and the many blessing forwarded on to us. Now we look forward to Advent and celebrating the birth of the Lord Jesus Christ.

It is also time for councils to look at a couple of Supreme programs to get the youth and your councils interested in; Free Throw and Keep Christ in Christmas poster contests. If your council is looking at participating in any of these programs, have your Financial Secretary order the program kits; Free Throw - FT-KIT; KCIC - CPC-KIT.

It would be wonderful to see an increase in the number of councils participating in both of these programs. Councils should contact your district deputy and him know that you are participating in these valuable programs.

If you have any questions please contact me

Merry Christmas and a Happy New Year,

Ken DeVos  
State Youth Director

## State Warden's Message

My Brothers,

I have good news – the MSR program is back up and running! This took a huge effort to redesign after the Faith In Action changes and then program the changes into the state website. My thanks to Webmaster Tim Philomena for all his hard work and guidance as we reimplemented this important program.

In acknowledgement of the late start, the State Deputy has authorized me to add an incentive this year – if a Council submits all ten MSR forms (July 2018 – April 2019) I will give them a 100 point bonus, or 10% of the total points required to make the 1000 Point Club. Please make the effort to go back and fill out your back MSRs and submit them to gain this valuable bonus! There will be no penalty for late submissions but please don't bombard me with all ten of your reports in April as I am trying to add up the totals for the State Convention.

The regional meetings were a great success and we are working with the State Webmaster to get the presentations up on the state website. There is a lot of information for both Programs and Membership and I encourage you to learn as much as you can. We have some really good work going on in the state and it is all thanks to your hard work and dedication. I don't say this often enough, but it is a huge honor to work you and I am in awe of all the good work being done by the Knights to create God's Kingdom here on earth.

Finally, I want to wish you the best of the Christmas season, may you find peace and love in your lives. In our busy lives it is important to take some quiet time to reflect on the reason for the season, and to prepare ourselves via prayer. As is my custom, I would like to close with an old Irish Christmas Blessing:

*During the coming Christmas season  
May you be blessed  
With the spirit of the season,  
Which is peace,  
The gladness of the season,  
Which is hope  
And the heart of the season,  
Which is love.*

Vivat Jesus!

## Membership Director's Desk

*Online Membership; Member Mission Results; Incentives*  
*Merry Christmas!*

Brother Knights,

The new Online Membership option is a key component in our recruitment efforts this year. It doesn't change who we are, it simply provides a digital tool for us to reach men where they are in today's world. This initiative is significant, and the Order will benefit for many years to come. In October, we had 7 new members join Online. For this fraternal year, we have 47 Online Members, and 22 have converted to councils.

We are working several opportunities for New Council Development this year, and two are very close to forming: one in Yelm and one in Tacoma.

Please review Membership Action Items for the month of December and the last five months, and ensure your plans are consistent with the State Action Plan. The **State Membership Action Plan** can be found at the following link: <http://www.kofc-wa.org/FrontPageContent/Membership/WSCMembershipActionPlan.pdf>. Use the plan as the foundation for the council plan. It will make your planning easier and it will create synergy (Unity) throughout the Washington State Council.

Please review the **Member Mission results through November 16, 2018, in this bulletin**. We need to bring in close to 69 new members per month across the state to meet our jurisdiction's intake goal of 825 for the fraternal year. If half of the jurisdiction's councils recruit one new member each month, we will easily meet our membership goal.

**Congratulations to the Division Leaders in Membership growth as of November 16, 2018:**

**Division I – Council 9605, Mountlake Terrace, 50 % of membership goal**

**Division I – Council 15338, Seattle, 50% of membership goal**

**Division II – Council 8102, Redmond, 100% of membership goal**

**Division III – Council 12583, Spokane, 142.86% of membership goal**

**Division IV – Council 11217, Shoreline, 54.55% of membership goal**

**Division V – Council 3307, Richland, 27.27% of membership goal**

**WSC Membership Incentives 2018-2019** are posted on WSC Website: <http://kofc-wa.org/FrontPageContent/Misc/WSC-Supreme%20Incentives%202017-2018.pdf>.

**Supreme Council membership incentives for the Fraternal Year** are included in the following pages of the bulletin. Please disseminate widely in your councils.

**WSC Star Recruiter Pin (pictured below)**

Grand Knights/District Deputies – for **Proposers** to receive a Star Recruiter Pin per new member recruited, please send me the following information soon after the Admission Degree:

Proposer's Name and the number of new members recruited  
Mailing Address  
Phone  
Email

Send the information via email to [membership@kofc-wa.org](mailto:membership@kofc-wa.org).

**New members** will receive a WSC Welcome Letter the month following their Admission Degree.

Remember, we are all responsible for membership growth!

And through God's Grace we will:

Strengthen our Faith; Build Better and Stronger Parishes; Become Better Husbands, Fathers and Brothers; Build Stronger Families and Communities

## State Program Director's Report

Brother Knights,

My brothers, I wish you the very best of the Christmas season, may you find peace and love in your lives as we celebrate the birth of the Christ child.

We continue stepping through the changes due to the ***Faith In Action*** Program this month, exploring fourth and final program category, the Family Programs led by State Chairman Ed Hebert. Last month we looked at the Community Programs led by State Chairman Dr. Scott Hulse.

### Featured versus Required Programs

To qualify for the Columbian Award, you must complete four programs in each of the main program categories. Required Programs mean just that, you are required to complete that program for credit in that main program category. When your Council conducts a Featured Program and satisfies the requirements, you will receive two credits in that category.

As with all other programs, your first action should be to work with your pastor and ensure that you have his approval and guidance for these programs. Remember, too, that each program represents an opportunity to be visible in your community and to reach out to prospective members. Be sure to wear Knights logo apparel, have signs denoting the event and Council(s), and have membership pamphlets available.

Father McGivney sought to strengthen the familial bond of father to mother and children to parents. His vision for family life was not only financial and material aid but also spiritual strength. The majority of our time is easily spent in secular circles unless we intentionally create ways to live the domestic church. These programs, created for families by families, help us to live this call.

### CONSECRATION TO THE HOLY FAMILY – Required/New

Help strengthen families and revitalize our parishes. Knights of Columbus councils will invite each family in their parish to consecrate themselves to the Holy Family and to devote themselves to the ideal model of familial love set by Jesus, Mary and Joseph.

To help families live out the joy of Christ, Supreme Chaplain Archbishop William E. Lori has composed a prayer through which families will come together to consecrate themselves under

the protection of the Holy Family. In this prayer, we ask for the aid or intercession of the perfect son Jesus Christ, Mary the perfect mother, and Joseph who is a model for every father. Councils will guide their parishes and community to understand and offer this important and impactful prayer. Preparing for the Consecration to the Holy Family is not a single event. It is choosing a way of life for your family. Through this consecration, each participant is consciously choosing to be a beacon of God's love through his Church.

### FOOD FOR FAMILIES – Featured

Help end hunger in communities across North America. Many in our communities are struggling through hardship and unable to provide food for their families. The goal of Food for Families is to ensure that as few as possible go to bed hungry each night.

The Knights of Columbus are committed to helping end hunger through the Food for Families Program, which has donated millions of dollars and millions of pounds of food to the cause. Council and parish families will raise funds to support their local food pantries, food banks and soup kitchens. For every \$500 or 1,000 pounds of food donated, the Supreme Council will refund \$100 back to the council – up to a maximum of \$500 per council per fraternal year.

### FAMILY FULLY ALIVE

Help families place God and the Catholic faith at the center of their lives, year-round. Using the Family Fully Alive Booklet as a devotional guide, this program provides monthly themes, reflections, meditations and group projects.

The Family Fully Alive program asks families to invite God into their homes and cultivates each family as a miniature domestic church. To this end, the program provides monthly themes, scripture verses and activities. Through prayer and reflection, each family has the opportunity to grow in holiness together. The Family Fully Alive monthly devotions are concrete ways that Knights of Columbus, in solidarity with Pope Francis, can support the growth of holy and loving families in the Church.

## State Program Director's Report (Cont.)

### FAMILY OF THE MONTH AND THE YEAR

Stimulate and support the development of strong and vibrant families. Local councils will establish a committee to recognize a deserving Family of the Month and Family of the Year with potential for recognition on the international level.

Each month, the council Family of the Month committee selects one parish family that models Christian family values and visibly lives them every day. Once a year, each participating council also selects one of the previous twelve Family of the Month winners to represent the council/parish as the potential international Family of the Year. The Knights of Columbus Family of the Year is chosen by the Supreme Council and recognized each year at the annual Supreme Convention.

### FAMILY PRAYER NIGHT – New

Strengthen the bonds within our parishes and build faith-filled families. This is an opportunity for council members, families and the whole parish community to come together once a month for an evening of prayer, dinner and fellowship.

Catholics often struggle with the reality that they do not have the opportunity to socialize and/or pray with other faith-filled Catholic families. It can be quite a challenge to raise our children in the faith when their only exposure comes from Mom and Dad.

Family Prayer Night is an opportunity for children to be exposed to regular people living their faith in a casual setting. Families of council members, as well as other Catholic families within the parish and community, will gather for prayer, dinner and fellowship. Multiple groups can be formed and families are encouraged to rotate between these groups.

## State Program Director's Report (Cont.)

### FAMILY WEEK

Dedicate a week to celebrate our families. Councils plan a special week for their parish celebrating family life. Activities presented in this program will strengthen the parish community and affirm the central importance of Catholic family life.

Knights of Columbus councils will dedicate a special week of the year to recognize the vital importance of families as the foundation of our domestic church and to promote Catholic family values. When choosing a week, councils should consider factors that might affect parishioner schedules such as school vacations, holidays and other local events.

Though traditionally celebrated in the summer to commemorate the birth and death of the founder of the Knights of Columbus, Venerable Michael McGivney, this program can take place anytime during the year.

### GOOD FRIDAY FAMILY PROMOTION – New

Bring families into more robust practice and better understanding of the Catholic faith and the Easter services. In an effort to increase attendance and involvement, Knights of Columbus councils will conduct a promotional campaign to educate their parishes on the vital importance of Good Friday.

---

## State Program Director's Report (Cont.)

Despite Good Friday's central role in the heart of Christianity, attendance at services remains low. In an effort to change this, councils will encourage participation in Good Friday services through a promotional campaign. Setting an example for their community, Knights will attend Good Friday services with their families and work with their pastors to encourage increased parishioner involvement at these liturgies. In conjunction with these efforts, councils will also work to educate their parishes about the plight of Christians in the Holy Land and other areas around the globe where Christians are persecuted for their faith.

### KEEP CHRIST IN CHRISTMAS

Promote the true spirit of Christmas in our homes, schools, parishes and communities. Knights of Columbus councils will evangelize society through their faithful acts, celebrations and a variety of activities.

The Knights of Columbus offers multiple activities that promote Christmas and the season of Advent in their proper context: Journey to the Inn, Light Up for Christ, Crèche or Advent Wreath Blessing, and the Christmas Poster Contest. These programs are centered on the example of the Holy Family and the Nativity of our Lord and Savior, Jesus Christ.

The new Keep Christ in Christmas program brings all related activities together under one umbrella. It encourages councils to compel their neighbors to shift from a preoccupation with materialism to the light of Christ and the spirit of giving. Activities include whatever efforts best suit the parish and community of a particular council and do not need to originate from the Knights of Columbus Supreme Council.

Next month we will work through the changes to the Columbian Award form, SP-7, and how you need to plan your programs for success in achieving the award.

Vivat Jesus!

Fraternally,

## This Month's Spotlight Program – Food for Families

December 2018

**We're half-way through the fraternal year...Merry Christmas to you, your family, and Parish too.**

This year, as in years past, tragedy brings on unforeseen consequences. The tragic fires in California reminds us of that need. Brothers... “The Knights of Columbus are committed to helping end hunger through the Food for Families Program, which has donated millions of dollars and millions of pounds of food to the cause. Council and parish families will raise funds to support their local food pantries, food banks and soup kitchens. For every \$500 or 1,000 pounds of food donated, the Supreme Council will refund \$100 back to the council – up to a maximum of \$500 per council per fraternal year”. Visit [kofc.org/food](http://kofc.org/food) Council/District can get involved.

As previously mentioned in November, these specific areas associated with “Family” are good programs to focus on this December. Please don’t forget to include your efforts in your Columbian Award entry:

Consecration to the Holy Family  
Food for Families  
Keep Christ in Christmas

**PRAYER AT CHRISTMAS** My God, who has mercifully and patiently led me through this busy year, giving more than I deserved, grant me at this Christmas time, the grace of Jesus Christ. Let the gracious spirit of Jesus, “The spirit of the little child,” as it knocks at the hearts of men, enter my life and bless it. Let duty become touched with beauty, and justice be forgotten in love. At other times, I ask that I may do my duty; today I ask for more, that obligations may be changed to opportunities and duty done with joy. At other times, I ask that I may walk uprightly-today I pray for grace to bow myself to other’s needs. Let my ears hear the cry of the needy and my heart feel the love of the unlovely. Give my hands strength not to do great things, but to do small things graciously. Let me accept kindness with humility. Heal the wound of misunderstanding, jealousy or regret that scars my heart and let the gentler air of the dear Christmas spirit touch my life as the cold winter is touched by the gentler days of spring...

“As the year ends, and the new year begins, grant me peace in my own heart; that those I love and those I may help may have sweet joy and rest”. *Prayers Old & New*

Brothers, pray to our Holy Mother for her intercession and recite all or part of the rosary often!

Vivat Jesus!

## Community Director's Report

### Community Director's Report for December

The Ocean Shores Fr. Stephen T Roman Council 15689 Helping Hands program was described in the November Washington State Knights of Columbus Council bulletin. A description of the Ferndale Holy Family Council 7356 Helping Hands program prepared by the Council's Deputy Grand Knight, Greg Thomsen, and Helping Hands Chairman, Allen Cerny, follows this report of Community Programs. These Helping Hands programs are important because the activities are highly visible, not only to the local Parish communities, but more importantly to the entire community where members of these Councils live. Men participating in these Helping Hands activities are demonstrating that "Faith in Action" is more than just a slogan.

In addition to the Helping Hands program, which is now a requirement for the Columbian award and ultimately recognition as a Star Council, there are a number of other community programs that are highly visible including: the youth soccer challenge and basketball free throw championship, the global wheelchair mission, the coats for kids program, disaster preparedness, Habitat for Humanity and the Catholic citizenship essay contest. This month, I have asked a good friend and colleague, Joe St Hilaire, who is a member of Bellingham Council 829 and the Washington State Knights of Columbus Historian, to assist me by providing a description of the Catholic citizenship essay contest, which follows.

### Catholic Citizenship Essay Contest

This year the Order is encouraging youth to participate in a new essay contest with the theme "Catholic Citizenship." It is designed to encourage young people (grades 8 through 12) to become better connected to their communities and to their Catholic faith. We all know how important it is to keep teenagers engaged in the faith, to continue attending Sunday Mass when many of their peers drop out; to be serious in their studies of the faith, whether in their Catholic high schools or in parish religious-education/faith-formation programs, and to remain close to their Catholic parents as they practice the faith, even when other kids drift away or, worse, ridicule them because it's no longer "cool" to go to church on Sunday.

District deputies and grand knights, take up this challenge to help catechize the young people. Promote this essay contest at your nearby Catholic high school, in your parish faith formation programs, or in home-school programs. Approach the principal at the Catholic elementary school to have him or her help promote the contest among eighth graders. Contact the principal of the nearby Catholic high school or the person in charge of faith formation or the youth program director to get their support. Place announcements in the parish bulletin or, if possible, make announcements before or after Sunday Mass.

As Catholics, we are called to enthusiastically live our faith. But in a world of increasing noise and so much self-interest, it can feel impossible to focus on what is truly important: our families, our communities, our faith, and our Lord. Our Catholic faith is the starting point of all our actions. This essay contest will help our youth to realize that.

The essay should be 500-750 words and on a specific subject related to Catholic citizenship. Entries will be judged on imagination, overall development of the topic and grammar. For more information, contact State Community Director Scott Hulse, [scottehulse@gmail.com](mailto:scottehulse@gmail.com) or go to the Supreme website and order the [Catholic Citizenship Essay Kit \(#EA-KIT\)](#).

### **Helping Hands Program Holy Family Council 7356 Ferndale, Washington**

The Ferndale Holy Family Council 7356 prides itself in serving those in need irrespective of where they are or how the need arises. The Council has provided financial support for those affected by natural disasters; for example, fires, earth quakes and hurricanes, as well as those affected by war like Christians in the Middle East. It doesn't matter whether the need occurs only once or continues for a period of time, the Holy Family Council is prepared to assist. The Council actively supports annual programs including blood drives, the "Coats for Kids" program, food for families, Rosary Prayer Services and St. Joseph Parish needs. In addition, the Council provides scholarships that enable Catholic youth throughout Whatcom County to attend a College or University.

The Helping Hand Ministry is another Ferndale Holy Family Council program, funds for which are included in the Council's annual budget. Since 1979, while still in its infancy, the Council began a long-term relationship of service with the Sisters of Our Lady of the Rock monastery on Shaw Island, one of the San Juan Islands in Puget Sound. Dedicated Knights spent countless hours cutting and splitting firewood for the Sisters, which is the monastery's main heat source. As the years progressed, and the council increased its membership, more ambitious projects were taken on. The Knights teamed with the some of Whatcom County's Catholic Church youth leaders to provide Catholic youth with the opportunity to attend summer retreats to work and pray on the Sisters' 300-acre farm. The youth and their adult leaders baled hay, built a greenhouse, installed fencing, poured concrete walkways, took care of animals and did many other tasks supporting the monastery.

A member of the Council extended the Helping Hands Ministry by establishing the "The Widow's Fund" to assist widows in the Northwest Corner Catholic Community with maintenance and repair of their homes and other needs. The Ferndale Holy Family Council incorporated "The Widow's Fund" into their annual budget to assure continuity of the program since there are a growing number of elderly in our communities.

The Council is blessed to have brothers with a wide variety of skills and talents; for example, building contractors, mechanics, landscapers, handy men, and guys just willing to pitch in when and where needed. The Council makes use of Church bulletins, pamphlets and business cards and Church office staff referrals in their outreach to the community. The Council establishes a planning committee for each project and appoints a Helping Hands coordinator, who visits the work site and determines the scope of work required to complete the project. Projects requiring minimal funding can be initiated quickly since some funds are included in the Council's annual budget. More costly projects may require additional Council approval. Council members and as well as others, who may not already be Knights, are then recruited to complete the work.

Helping Hands work projects are becoming a valuable tool for recruiting new members. The Helping Hands program is particularly attractive for Younger Catholic men because they see that there is more to membership in the Knights of Columbus than flipping pancakes and attending meetings. In addition, all Parishioners witness the service and our widows appreciate the help.

Members of the Holy Family Council believe that every council should be engaged with helping people in their communities. This belief originates from Fr. McGivney's original reason for beginning the Knights of Columbus.

### MARCH FOR LIFE 2019

Remember the 2019 March For Life is coming in January, 2019. I am including the dates and times once again this month:

"Walk For Life - San Francisco, CA - Saturday, January 26, 2019

"March For Life" - Olympia, WA - Tuesday, January 22, 2019

"March For Life" - Washington D.C. - Friday, January 18, 2019

"Northwest Walk For Life" - Spokane, WA - Saturday, January 12, 2019

There is one change this year for the Mass For Life in Olympia, WA. The Pavilion at Saint Martins' is not available this year and it has been decided by the Archdioceses that due to limited space we will celebrate two Masses For Life in Olympia. The first will be at Sacred Heart in Lacey, WA. beginning at 9:30am and the second will be at the recently completed remodel of Saint Michael Parish Downtown beginning at 10:00am. At this time the presiders have not yet been determined. The Archbishop's Office is still working out those details. At least one (or more) of the arch/bishops and Abbot Neal will be at each church and they are working to divide them all.

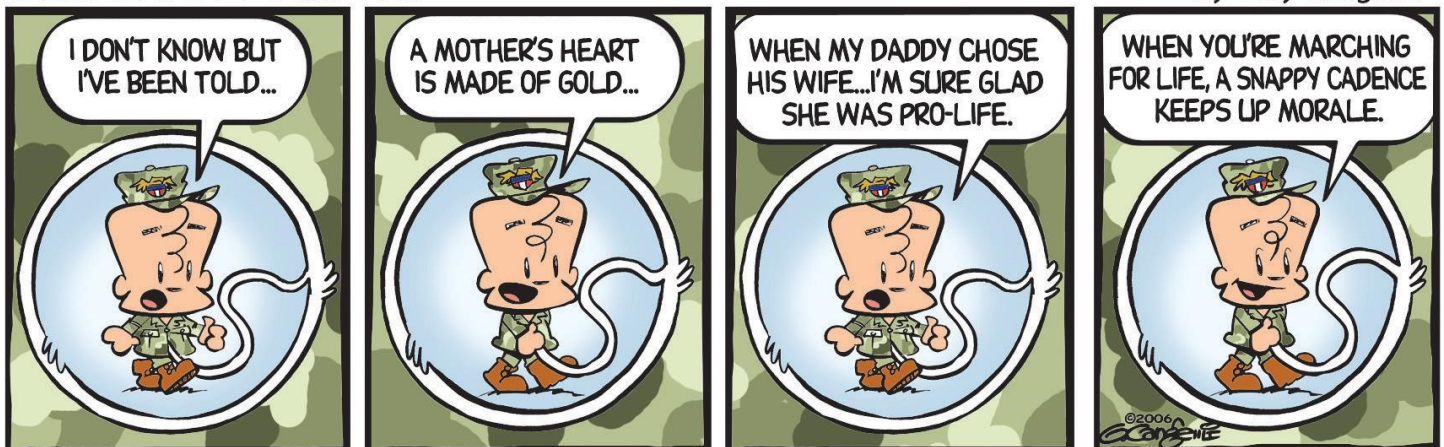

**The Archdiocese encourages those coming from the North to go to Sacred Heart, Lacey and those coming from the South to go to Saint Michael, Olympia.**

Remember that once again the K of C Council 1643 will be providing a soup and hot dog luncheon at Sacred Heart, Lacey in Hallen Hall immediately following the March. Come and enjoy the food and comradery amongst fellow pro-life supporters.

To date, **\$50,613.49** has been raised. Our District Deputy, Art Smalley (DD32) came up with a mantra that he asked all the Council members to take to heart. This truly represents the Knights of Columbus because it explains the importance of synergy. I hope this message to the Knights of Columbus can become viral.

## A Message from the State Historian

### Grand Knights: Now that you have the lay of the land, submit your council history!

You now have your hands firmly on the reins of your council and can relax enough to take a look at your council's history. What--you don't have a council history? Then you need to consider writing one up and submitting it to the state historian.

"What's a council history?" you may ask. Take a look at the state council history on the web and check out what's there for other councils:

[http:// www.kofc-wa.org/GKCD/State%20History/WSCHistory070113.pdf](http://www.kofc-wa.org/GKCD/State%20History/WSCHistory070113.pdf)

This will give you an idea what you can submit. But it need not be anything fancy—just a few facts about your council's beginnings, the key players in getting it going, your charter officers, and what honors your council has been awarded and activities you are involved in. You can write that up in your own style or you can simply submit the basic facts and I will write it for you. It's that simple!

Don't you want your council's story included with all the other councils in the state? Of course you do!

The following councils have no histories in the state council collection: 9833, 11611, 15684, 15968, 16184, 16361, 16667, and 16690. The following councils have submitted partial histories but are lacking substantial parts of what would be considered a complete history: 9721, 11085, 11271, 11252, 11945, 12175, 12483, 13761, 14046, 14689, 14852, 14922, 15143, 15338, 15462, 15721, 15730, and 16186. A council's history continues to change, so even if you have a complete history on the website, you can update yours.
