KNIGHTS OF COLUMBUS

"Friends In Christ Doing God's Work"

Message from State Deputy

The past month has been a very busy and very fun month for your State Deputy. I have pictures!

I gave Bishop Eusebio Elizondo the Pennies for Heaven check of \$34,000 for the Seattle Archdiocese on behalf of the Shoreline Council 11217 Knights. I did it at their 25-year Anniversary Party. It was a great night and a great way to honor the Knights in that Council. (Picture 1).

My next mission was to present Bishop Daly with a Pennies for Heaven check- \$34,000 at the Spokane Chancery. What an honor that was. Bishop Daly is such a busy man, but he took a few minutes to visit with me. I left truly inspired. (Picture 2).

The Supreme Knight challenged all State Deputies to participate in the "Coats for Kids Program" this year and to send him pictures. Being an over-achiever, I participated in two events. The first one was at Bemiss Elementary where the need was great (Picture 3). I also participated in the Tri-Cities Catholic Charities event and was able to help there too. (Picture 4).

Then it was all business when I went to the District Deputies Mid-Year Training in Bellevue. These are the men who really execute the most challenging work by providing leadership for the Grand Knights. I respect and admire each one of them for the work that they do. We all worked hard to be better at our Knights of Columbus positions.

Next, Valerie and I were invited to the Council 676 Christmas Party at St Margaret's parish. Not only were we treated warmly and got to sing Christmas carols, they actually presented the State with two donations. One for our Pennies for Heaven Program and one for our Columbus Charities Endowment Fund (Picture 5). I really appreciate those donations because we on the State level are in the process of expanding our charitable footprint and both of these programs can use the support. I visited and ate with Bishop Dan Mueggenborg. He liked our State pin so I pinned one on him! (Picture 6).

Finally—and I saved the best for last—in honor of the New Year, I would like to announce our **New Baby Council 17152 in Yelm Washington** at St. Columban Parish. Welcome to the Order brothers! I especially want to thank District Deputy 22, Abundeo Reponte, Darren Johnson and all of those Knights that made this new council a reality. We have a number of new Council efforts going on through the State and these are exciting times.. We may see additional new Councils this year and that is wonderful news for our Order and the State! **GO WASHINGTON GO!!!** (See pictures next page)

State Chaplain Message

Happy New Year 2019! May the Lord continue to bless you and your families in great abundance all throughout the year. May He deepen your faith, strengthen your hope, and purify your charity. Let's be "all in" for the Lord in the next twelve months.

One common tradition with the coming of a new year is to make resolutions. Sadly, the abandonment of resolutions has become so much the norm that it doesn't seem like people actually have any expectation that a new year's resolution will ever "stick." Don't we find ourselves scoffing at the idea that we would actually lose 20 pounds in the new year? Or stop swearing? Or start going to confession more regularly?

"It's a nice idea..." we might say. And in our brain the sentence continues: "...but I have serious doubts that it could really be done. I've seen how these resolutions have gone in past years..."

What a shame that we think this way! The life of Christian discipleship is one of countless new beginnings. We try our best to be faithful, and yet sometimes we fail. We stumble, then get back up again. We sin, then we seek absolution. What a tragedy it would be if someone stayed away from the confessional out of fear that they might sin again someday! "I tried that once," they might say, "and it totally didn't work! I sinned again in no time!" Similarly, we shouldn't stay away from making resolutions just because we may eventually set them aside.

It occurred to me in preparing this article that Knights of Columbus know, perhaps better than most, how to make resolutions. We spend a lot of time and effort preparing resolutions for our State Convention. Time is spent at the Supreme Convention reviewing and approving resolution after resolution after resolution.

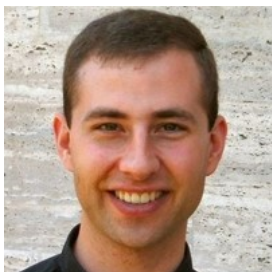

To me, the ratification of our resolutions is much more than a simple statement that these matters are the causes we support and the principles for which we stand. When we make our resolutions, I hear each Knight saying, "I *resolve* to support these causes. I *resolve* to stand for these principles in the way I live my life from day to day."

As Knights of Columbus, we are men of great resolve. That means we don't give up easily. We don't allow discouragement to creep in when we don't see the fruits of our efforts or we have low turnouts or little participation in our programs and events. Having resolve means we persevere to the very end. We don't look for the easy way out when the journey becomes arduous. We always continue in pursuit of our goals.

Resolve and fidelity are closely linked. In order to be faithful to our commitments, we must have firm resolve. You who are married know this to be true - especially you who have weathered storms together and come out stronger on the other side! As a priest, I know I have to have firm resolve in order to be faithful to my vocation. Whatever our state of life or line of work, resolve keeps us on the right track.

As we begin the new year, then, I urge each of you, brother Knights, to renew your resolve to strengthen our Order, especially at the council level. Don't be afraid to make resolutions - even bold ones! - and ask God for the grace to carry them through.

Vivat Jesus!

State Secretary Message

15 December 2018

My Brothers,

The Christmas season is upon us and gives me pause to reflect upon this last year. Each of you have been a blessing to me in one way or another and I truly appreciate that. You have all made my job easier than I ever expected and I thank you for that.

As I am reminded that, while accounting is an exact science and I am required to constantly bring up even seemingly small mistakes, I only do so that our records remain as accurate and transparent as possible,

I realize that I may not always seem as patient as I might be and for that I can only ask for your prayers and forgiveness.

Merry Christmas to all,

Brother Pat

State Treasurer Message

State Treasurer's January 2019

Brother Knights,

Happy New Year!!!! How quickly 2018 passed by. May we look back through 2018 and remember those that have passed. May the Lord rush them safely to Heaven for eternity. Lord, bless the family and friends that are left behind to fill the loved ones' void. Strength and love to all.

Our Exemplification graph attached (current as of December 15) shows we are falling way behind in council payments. We were doing so well, but now we need your help in getting payments caught up.

As stated before, the best way to keep me off your back is for every new member exemplified to your council, send \$7 to WSC at the same time you send the form 100 to Supreme—then it is done.

If you have been living under a rock for the past 10+ years, a \$7 fee per each new member brought into our Order is due to WSC from the receiving council. This payment is to offset a small portion of our 3rd Degree Exemplification expenses. Just the medallion alone is \$5 per member, so you can see WSC is not making any money on this.

Please get your account up to date and mail your check payable to Washington State Council with exemplification in the memo area, **AND COUNCIL NUMBER ON THE CHECK**. Send to:

State Advocate's Message

IRS Form 990 – Annual Return / Safe Environment Program Compliance
Happy New Year 2019!

Brother Knights,

I want to wish you and your families a Happy New Year. As we begin a new calendar year, let's work off some of those extra calories by a few pushups and a run around the IRS Form 990 race track!

Form 990 Tax Filing: Councils must do three things to comply with IRS filing requirements:

- 1) obtain an EIN from the IRS (new councils this year);
- 2) register its EIN with the Home Office Legal Department (new councils this year); and,
- 3) file an annual return with the IRS (all councils must do this).

District Deputies listed in the following chart need to contact me soonest to resolve council filing discrepancies:

District	Council
1	13761; 13834
4	1643
5	683; 10534; 12583
6	6097; 8294
7	10653
13	763
14	8136; 10664
15	13794; 15338; 15838
16	11408
17	14926
20	13831; 16184
21	12591
23	15721
25	11252
27	8150
32	9237

Safe Environment Program (SEP) Compliance: Fraternal leaders are responsible for ensuring youth, vulnerable adults and members are protected. Certain leaders need to be trained within 30 days of email notification from Praesidium. Two positions also require a background check. Refer to the chart below for a synopsis of specific positions. Please follow the guidance outlined in the **SEP Information Guide (Revised 2018)**. All District Deputies and Grand Knights are to present and make widely available to members the **SEP Information Guide (Revised 2018)**, which can also be found on the Order's website at the following link: <http://www.kofc.org/en/resources/members/programs/youth-activities/safe-environment-program-information-guide.pdf>.

If you are one of the listed leaders and have not received an email from Praesidium, contact the Knights of Columbus Office of Youth Protection at oyp@kofc.org, or (203) 752-4558. Submission of forms 185 and 365 through Member Management will trigger email notifications. If directors do not complete training and background check requirements within 30 days, Supreme will remove directors and you will have to resubmit the 365. You can reappoint the same member to a director position, but this cannot occur numerous times.

I recommend you encourage as many members as possible in your councils to take the general training. During Knights of Columbus youth events, you must have at least two members present who have completed the training. One of the members must also have had a background check completed.

Vivat Jesus!

Fraternally,
Greg

State Warden's Message

My Brothers,

As I write this article my family is getting ready for Christmas and spending time with our loved ones. By the time you read this article, it will be 2019 and we will be halfway through our fraternal year. Your state officers are hard at work planning for the upcoming State Convention in Bellevue and your Councils should also be working on that goal.

I hope that each Council is starting to work on their award applications for the state awards, and determining whom should attend the State Convention. This is a celebration of all that we as Knights do over the year, and I would strongly encourage each Council to be represented this year. It is important to attend, and it is a great experience, too, to spend the weekend surrounded by brothers and celebrating all the work we did to support God's Kingdom here on earth.

The MSR program is running well after our late start and I would like to thank the following Councils for their participation. We have 17 Councils who have submitted 64 MSR reports thus far (middle of December), for an average of 3.8 MSRs per Council. Please remember that if your Council submits all ten MSR forms this year the State Deputy has authorized me to give you a 100-point bonus toward the State Deputy 1000 Point Club. Don't miss out on this never-before-offered bonus!

03307	11736	16184

I want to recognize St. Barbara Council 11736 and Grand Knight Mark. T. Pimentel for the not only being the first Council to submit an MSR, but to be the first Council to submit all back MSR reports. Well done and thanks for your diligence, GK Mark!

As we start the second half of the fraternal year, brothers, keep your foot on the gas pedal and keep on with all your great work. Now more than ever we need to be strong, visible Knights and Catholics in our communities.

Vivat Jesus!

Fraternally,

Tom William

*St. Columban Council 17152, Yelm / E-Prospect Card and Online Membership /
Member Mission Results / Incentives
Happy New Year!*

Brother Knights,

Congratulations to DD Abundeo Reponte and GK Darren Johnson for forming a new council – St. Columban Council 17152, in Yelm, WA. We are excited to see so much energy and enthusiasm in the members of the new council. Great work brothers!

Online Membership launches another exciting initiative. Councils can develop Council Landing pages through the Online Membership platform. **Supreme will build a custom Prospect Landing Page for your council that you can use on a phone, a tablet or a computer.** This prospecting system gives councils the means to implement E-Prospect Cards, which can be used at all Faith in Action program events and at Membership recruitment events. Once you enter a prospect's email address through this system, the prospect will receive a personalized email from your council and Supreme will enroll him in an email marketing campaign that will help him learn more about the Knights and what we do over time. This will keep prospects informed and help facilitate the next step of Becoming a Knight when the time is right.

Worthy Chairman Renato Sacramento will be the point man for the WSC E-Prospect efforts. More detailed information will be posted on the WSC Website and links will be forwarded to you via email in the coming weeks outlining steps to get started.

Continue to promote Online Membership as a key component in your recruitment efforts this year. It doesn't change who we are, it simply provides a digital tool for us to reach men where they are in today's world. **In November, we had 8 new members join Online in the WA Jurisdiction.** For this fraternal year, 50 members have joined Online, and 18 have converted to local councils. Since inception of the program last May, in our jurisdiction 61 members have joined Online and 25 of them converted to a local council.

Please review Membership Action Items for the month of January and the last six months, and ensure your plans are consistent with the State Membership Action Plan. The **State Membership Action Plan** can be found at the following link: <http://www.kofc-wa.org/FrontPageContent/Membership/WSCMembershipActionPlan.pdf>. Use the plan as the foundation for the council plan. It will make your planning easier and it will create synergy (Unity) throughout the Washington State Council.

Please review the **Member Mission results through December 17, 2018, in this bulletin.** We need to bring in close to 69 new members per month across the state to meet our jurisdiction's intake goal of 825 for the fraternal year. If half of the jurisdiction's councils recruit one new member each month, we will easily meet our membership goal.

Congratulations to the Division Leaders in Membership growth as of December 17, 2018:

Division I – Council 8266, Spokane Valley, 50% of membership goal
Division I – Council 9605, Mountlake Terrace, 50 % of membership goal
Division I – Council 15338, Seattle, 50% of membership goal
Division I – Council 16184, Nine Mile Falls, 50% of membership goal
Division II – Council 8102, Redmond, 180% of membership goal
Division III – Council 11789, Bremerton, 150% of membership goal
Division IV – Council 11217, Shoreline, 63.64% of membership goal
Division V – Council 7642, Kirkland, 27.78% of membership goal

State Program Director's Report

Brother Knights,

Happy New Year to you and your families! Although the calendar year has changed, we are halfway through the Columbian year. How is your Council doing with the new Faith In Action programs? What sorts of success have you had, what lessons have you learned? Remember that I am always happy to hear from you and will do my best to answer your questions.

We looked at the four new program areas for Faith In Action for the past four months, now I want to pull it all together and look at how you can fit these programs into the Columbian Award application, SP-7.

To qualify for the Columbian Award, form SP-7, you must complete four programs in each of the main program categories. Required Programs mean just that, you are required to complete that program for credit in that main program category. When your Council conducts a Featured Program and satisfies the requirements, you will receive two credits in that category. Please note that some of the featured programs have a high bar set for them to receive double credit. At the Winter Leadership meeting we received a clarification that if a Council participates in a featured program but does not meet the minimum criteria, you can still earn a single program credit. This means that all programs should be available to your Council, even if the participation level for two credits is too high.

I also want to look at how you can use programs to set the stage for a second program activity. A good example of this is the Faith program Marian Prayer Hour, with the icon Our Lady of Persecuted Christians - - you can use this program to promote a second event, such as a fund-raiser for Life program Christian Refugee Relief. The events must be separate and distinct from each, but there you can certainly use one to lead to another.

The second piece of the Star Council award is the Father McGivney Award, which is earned for meeting or exceeding your Council's yearly membership quota. Quota is defined as 7% growth increase of your Council, a minimum of 4 new members and a maximum of 35 new members. Please see Membership Director Greg Mahoney's articles on the membership incentives that you can earn.

The third criteria is the Founder's Award, which recognizes Councils that meet or exceed the Council's yearly insurance quota, set as a 2.5% increase. All the insurance agents in the Washington Jurisdiction and the Councils they serve are listed near the back of the monthly bulletin – avail yourself to this fraternal benefit that is foundational to Fr. McGivney's vision for the Knights.

Finally, each Council must have forms 365 (Service Program Personnel Report – due 8/01) and 1728 (Annual Survey of Fraternal Activity – due 1/31) received by Supreme, as well as be in good standing with Supreme. This means you have paid all assessments, there are no outstanding issues and, importantly, your Council is compliant with applicable Safe Environment requirements. State Advocate Greg Mahoney has written numerous articles on Safe Environment training so you should have all the information needed to be compliant.

Form SP-7 for the Columbian Award is to be sent to Supreme no later than June 30th, but I would strongly encourage you to submit earlier if possible. If there is any issue with the form or Supreme has a question, it can be resolved by the deadline as long as the form has been submitted early enough.

Next month I will go over all the State awards that we give out at the State Convention, so that you can start working on your applications. This is your chance to shine and to share your program successes with your brothers, and I would encourage you to send in your applications for these great awards.

Vivat Jesus!

Fraternally,

Tom Williams

When properly presented to the Parish community, I firmly believe the message of who we are and what we do will resonate throughout your community. Show the film in collaboration with a scheduled Parish event. Be creative!

Community Director's Report

Community Director's Report for January, 2019

The Colbert St. Joseph Council 8872 was recognized by the Supreme Council during the 2017 Supreme Convention for their Family Activities so I asked District Deputy Art Smalley (District 32) and Past Grand Knight Scott Charleboix to describe the way in which the Colbert Council conceives, develops and carries out their service programs. While the Colbert Council was recognized for their Family Activities, the specific project could just as well have been a Helping Hands project because the Council recognized and responded to a need in the community when a mother left her job to care for her son, who had been diagnosed with brain cancer.

The single mother incurred significant medical expenses while caring for her son and decided to sell her family home in order to pay for her son's medical treatment. The home needed extensive repairs so the Colbert Council came to the rescue, soliciting donated and discounted materials from local merchants, making the repairs, and cleaning up the property. The Colbert Council also raised funds through various activities and were able to provide the family with \$16,000 to help with their medical and living expenses.

The following is a description of how the Colbert St. Joseph Council 8872 manages their project:

Colbert's St. Joseph Council 8872 Community Service – "Helping Hands"

Colbert's St. Joseph Council 8872 has had an extraordinary Helping Hands program for a number of years and it existed long before "Faith in Action" was conceived by the Supreme Council. The "**Helping Hands**" concept has been incorporated into the requirements for the Columbia award, which in turn is a requirement for Star Council. Many Councils in Washington State have ongoing Helping Hands programs. These recognized programs serve both as a model and an incentive for other Councils to emulate within their own Council.

Purpose: The focus of the Helping Hands program is on members working together to fulfill a need within their community, rather than the effort of a single individual.

How was the program conceived? The program was conceived by District Deputy 32, Art Smalley. Who at the time was the Deputy Grand Knight. What he brought to the table several years ago at an Officers and Directors meeting was an Operations Manual for every Officer, Director, and Chairman containing all of the program **procedures**, an **overview** of every program, **key contacts**, **action items** that need to be done, sample **announcements**, and sample **flyers**. These Operations Manuals have, over time, been periodically updated for continuity (to include sign in sheets) so that given a certain program someone can take the reigns of a program over as chairman and refer to notes in the Operations Manual for nearly every program. What in sense Art Smalley brought to the table at the first meeting was the significance of establishing and continuously saving **Strong Visible Programs** for the Council. These Operations Manuals changed the culture of Council 8872 because collectively efforts were focused on doing more together as a team rather than working individually.

Community Director's Report (Cont.)

How are projects identified? Many of the projects were initially identified at a planning meeting. However, over time, now most of the programs are traditionally carried over into the next year and are brought forth to the Council at the first business meeting through the use of a detailed budget that reflects the upcoming year. By the start of the first business meeting, it's particularly important to identify a potential chairman to run each of the various program that they're having over the course of the year.

How are events and projects organized and planned? Every Thursday prior to the regular business meeting, the Officers and Directors get together for a meeting to go over agenda items which cover: upcoming events, things to do, and discuss any issues that may need attention.

Scott Hulse,
State Community Director

State Vocation Chairman's Message

Many people just assume that Vocations is the responsibility of the priest and bishop to figure out. Not so! Actually, vocations is a youth ministry and involves everyone who comes in contact with young people and adults.

It is never too early to start talking about discerning a vocation. A vocation is what God calls you to do FOR HIM (not for you).. That vocation could be priesthood or religious life, marriage or single life or even a unique thing God asks you to do. My vocation is Vocations. I support vocations with my time, talent and treasure as the Knights of Columbus state vocations chairman, and as president of the Saint John Paul II Society in the Diocese of Spokane.

I meet seminarians every week while they serve at parishes in the Spokane area, and they are such an inspiration to me. Everyone has a vocation, but sometimes we focus more on ourselves than what God wants for us. Some people think that God wants them to be a priest, or get married or be a religious, but to really, REALLY know God's plan for you, you need to listen to his calling. That process is called discerning. The younger you start to discern, the more likely you are to really know what God is calling you to do. If you work with youth an any capacity, start taking vocations. They'll be glad you did..

Family Director's Report

FAMILY OF THE MONTH

The purpose of Family of the Month is to promote and support the development of strong and vibrant families. Each council establishes a committee to recognize a deserving Family of the Month and family of the Year with potential for recognition on the international level.

With only nine to twelve councils now participating in the program I would like to encourage every Grand Knight to seriously consider this valuable program. It doesn't take much to highlight a deserving family. You can order the *Family of the Month Kit* through Supplies Online.

Next month I will outline the complete program. I would like to see at least half of all the councils in the state submit form #10668 forward to the appropriate State Officer/DD/Supreme Council before the 15th of the following month.

Vivat Jesus

State Culture of Life Director's Report

State Bulletin COL Article For January, 2019

Remember the 2019 March For Life is coming in January, 2019. I am including the dates and times once again this month:

"Walk For Life - San Francisco, CA - Saturday, January 26, 2019

"March For Life" - Olympia, WA - Tuesday, January 22, 2019

"March For Life" - Washington D.C. - Friday, January 18, 2019

"Northwest Walk For Life" - Spokane, WA - Saturday, January 12, 2019

There is one change this year for the Mass For Life in Olympia, WA. The Pavilion at Saint Martins' is not available this year and it has been decided by the Archdioceses that due to limited space we will celebrate two Masses For Life in Olympia. The first will be at Sacred Heart in Lacey, WA. beginning at 9:30am and the second will be at the recently completed remodel of Saint Michael Parish Downtown beginning at 10:00am. At this time the presiders have not yet been determined. The Archbishop's Office is still working out those details. At least one (or more) of the arch/bishops and Abbot Neal will be at each church and they are working to divide them all.

The Archdiocese encourages those coming from the North to go to Sacred Heart, Lacey and those coming from the South to go to Saint Michael, Olympia.

There will also be a Divine Liturgy For Life at 9:30 am at Saint George Byzantine Church. Saint George Byzantine is located at 9730 Yelm Hwy. SE, Olympia, WA.

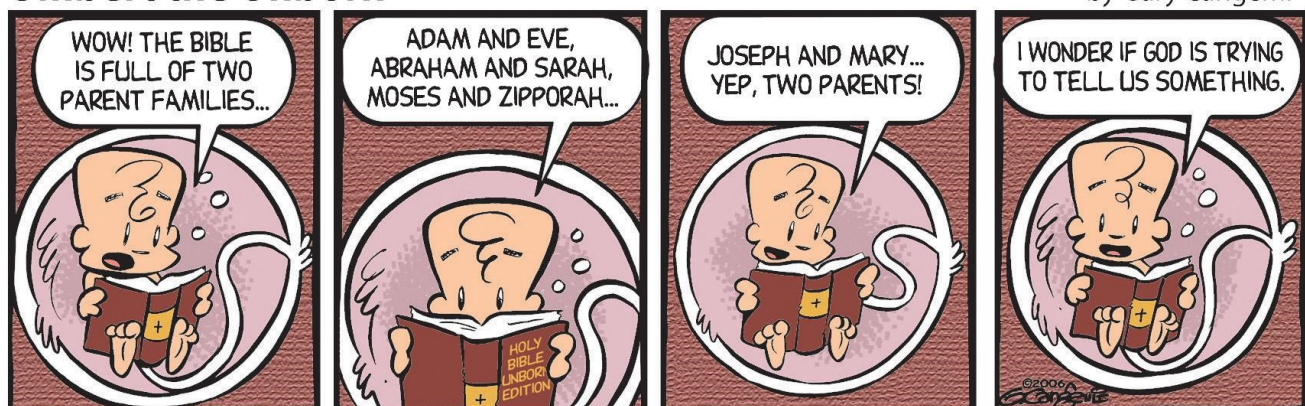

Remember that once again the K of C Council 1643 will be providing a soup and hot dog luncheon at Sacred Heart, Lacey in Hallen Hall immediately following the March. Come and enjoy the food and comradery amongst fellow pro-life supporters.

The Knights will be hosting a celebration of completion of another Ultrasound Initiative for Pregnancy Research Center of Everett, WA. on Saturday, January 12, 2019 beginning at 10:30 am. We placed an ultrasound machine at this pregnancy center in November, 2018. The address is 4310 Hoyt Ave., Everett, WA 98203. This is the 5th pregnancy center that the State of Washington has placed in the past 18 months. All are invited to the celebration - please RSVP by e-mail to ron1105@comcast.net.

State Youth Director's Report

With December here and gone, the end of the fraternal year is fast approaching. Councils should start planning the rest of the fraternal year youth activities. Free Throw, KCIC poster contest and other council supported youth activities. Informational and registration kits are available for each of the activities from Supreme. Your financial secretary can order these or you

I would like to thank those councils and districts that participated in the Soccer Challenge program this fraternal year. Although the participation level was down, there are still state winners to be named. Here are this year's winners & districts:

	Boys	Girls
9	Felix Kamau (34)	Sumner Janney (26)
10	Jonathan Garcia (34)	Millicent Freeman (34)
11	Aaron Patello (7)	Katelynn Wong (34)
12	Jackson Hallett (34)	Desirae Camps (34)
13	None	None
14	Oscar Romeo Murguia (7)	Michelle Kamau (34)

KCIC Poster Contest

To inspire the youth of your parish, introduce them to the Keep Christ in Christmas poster contest. This program will allow young people to engage their creative talents and imaginations while understanding the true, spiritual meaning of Christmas.

Timetable

Local councils should have ordered the kits from supreme and started planning the event. Contact your parish youth ministries and get them involved in the program. Posters should be completed by December 15, and the council judging done by December 31.

District: Mid January – Depending on the number of participating councils

State: Mid February

International-State councils must submit their entries no later than February 28th, International winners will be announced approximately March 15th.

Free Throw Championship

Have thought about the Free Throw Championship? This is for boys and girls between the ages of 9 and 14. Remember ages are determined of January 1st 2019.

To sponsor a competition, all your council needs is the Free Throw Championship Kit (#FT-KIT), a couple of basketballs, a hoop and a bunch of kids. It is a great way to get out into the public and introduce the Order to your community — while providing youths with a rewarding activity that yields a chance for local, state or provincial, and international recognition.

Council Competition - January

District Competition - February

Regional Competition - Early March TBD

State Competition - Saturday March 23rd - Yakima

See the Youth page on the state web site for more information on both youth programs.

Happy New Year
