FATHER JOSEPH P. O'SHEA (1937-2011)

FORMER VICE STATE CHAPLAIN

1999-2001

SUCCUMBS

Hi John:

I just received a call from John Hardy at St Johns that Fr. O'Shea passed away suddenly this morning. The cause is unknown at this time and no arrangements have been made. He did not show for morning Mass and Fr Armando found him in his residence. He was of course my State Vice Chaplain

Fred Abraham

Rev. Joseph P. O'Shea served Washington State Council as our Chaplain for the fraternal years 1999-2001 during the term of Supreme Director Fred Abraham as State Deputy. He died at his residence in Vancouver on Friday, January 28th.

Born in Ireland, Fr. O'Shea was ordained in June of 1961 and came to Seattle at the invitation of Archbishop Thomas A. Connolly. His initial parish assignment was to St. Alphonsus in the Ballard area of Seattle. During his years as a priest, he served as Pastor in a number of parishes concentrated in the Seattle and Vancouver areas. In addition, Fr. O'Shea felt a calling to serve our men and women in the Armed Services as a Chaplain for a number of years ending in 1972.

"Father Joe", as he was affectionately known, was to have celebrated his fiftieth anniversary as a priest this June – those of us who knew him well will very much miss this holy man of God.

Message from State Deputy, John Wallace

The Regional Meetings in January were well attended, with excellent 1st Degrees at each location. The briefings were well executed, and, from comments of the members at the meetings, were helpful and informative.

Thanks to the District Deputies and the District Deputy Director who organized the meetings, and the councils that provided the rooms and food. Thanks to all that attended and helped to make it a fun time. I enjoyed being with each of you.

A lot of information was provided at each meeting. Some of it is listed below.

The requirement for paperwork. **Remember the job is not done until:**

The paperwork is completed.

Fraternal Annual Survey

Special Olympics Form

Food for Families Form

Council Audits

Check the back pages of the State Directory for dates of other reports due.

The State per Capita, PFH letters and Exemplification Fund sheet are in the mail.

Grand Knights were asked to form Round Tables. Submit the form as soon as possible.

During the briefing by the Program Director, State Warden Bob Baemmert, we learned of the many programs to keep your council members interested and active. These programs are helping **the knights "Save lives and change lives."** We become "the hands and feet of Christ."

To help us do more, **you are asked to invite fellow Catholics to join our ranks as Brother Knights**, to be part of an organization that supports Special Olympics, supports Seminarians, (our future priests), and provides Pregnancy Care Centers with Ultra-Sound Machines. We give coats to kids and wheelchairs to those in need. Our money helps Supreme buy prostheses for the children in Haiti who have lost limbs, and replace them as the children grow. These are a few of the programs we support because we are "Our Brothers' Keeper."

Each council in Washington is tasked to recruit at a minimum one new member a month for the next 5 months. "Adapt – improvise and overcome." Get it done. This will give each council a possible star award, and help the District Deputy meet his minimum goal of 3 or 4 new members each month. Do not let this pass your council by. Make all your council members aware of the responsibility to recruit and build their councils; to support our Priests, Bishops, Seminaries, Church, Families and Community. Because, we are all "**Our Brothers' Keeper**," and we "**Save lives and we change lives.**"

John Wallace, State Deputy

STATE ADVOCATE'S MESSAGE

Supreme Reports Due!!

It was nice to see a lot of you at the winter regional meetings held this past couple week-ends. For those that didn't attend, you missed some valuable information and empowered speeches! Look for some of the presentations to be posted on the website in the near future.

As you read this, there are a few Supreme reports that are due and/or past due. The two reports that were due on January 31 are:

- Annual Survey of Fraternal Activity
- Partnership Profile Report with Special Olympics

Filing the Annual Survey of Fraternal Activity is key, as this report is used to document our charitable donations and volunteer hours. Last year our State Deputy used this information to help explain our Knights of Columbus charitable gifts to the state to help keep our tax exempt status. As you recall, there was an effort to consider removing Fraternal organizations from tax exempt status in Washington. There is talk of renewing the effort or push to exclude Fraternal organizations from tax exempt status again this year. Please file this report as soon as possible so that we can continue this fight.

All councils need to file the Partnership Profile Report with Special Olympics even if your council wasn't involved with the Special Olympics. Filing this report brings funds back into the state from Supreme to support our local Special Olympics! We receive funds from Supreme based on our filing of these reports....the more councils that file the report....the more funds we receive! Let's make it a clean sweep – **ALL COUNCILS PLEASE FILE.** A fellow Knight in the state is representing our State at the World games!!! Let us all support him.

Semiannual Council Audit Report is due February 15. In the past we have had an issue with a council not filing their audit on a timely basis and have had problems with missing funds!!! We owe it to our councils to audit their books and protect their funds! Checks and balances have been put in place for a reason.....use them to protect your council funds! Let's get this done on time.

Any questions about the filing of these reports? Need to know what value they are?? Please don't just blow them off...if you don't know ask.

As a reminder: Resolutions are due to the State Secretary by March 15 if you want them to be presented for consideration at the annual convention. If you need assistance in formulating them....I can help.

Thanks for all you do

State Advocate*

CELEBRATE MARRAIGE & RENEW VOWS

It's February already! Can Tax Day be far behind? February has enough things in it so we don't have to worry about March or April.

Perhaps the major celebration during February is St. Valentine's Day. It used to be that in all the schools the kids brought valentines for all of the other students and we all had little heart-shaped peppermints with the word "LOVE" printed on them. At my school we had to give valentines even to our enemies. It was a day to celebrate love. That day is suppressed in schools today because it is seen as a religious practice. If they are successful in suppressing all holidays with a religious basis we won't be able to celebrate anything anymore.

Even if the kids are not allowed to celebrate St. Valentine's Day, at least we adults can. Within the Church it has become a day to celebrate marriage, to renew vows and to take "the wife" out to dinner---be sure that you get the money from your wife to pay for the meal before you enter the restaurant---it's kind of embarrassing to ask for the money from "the wife" when you are supposed to be treating her. This is a day to stop and think how much spouses mean to each other. So often we take the ones we love for granted.

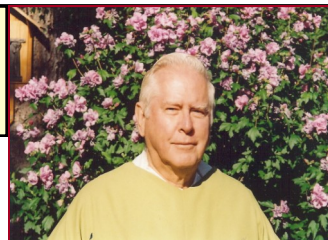

Love is one of the most misused words in our language; we love chocolate, we love puppies and kittens, and we love a clear and sunny day. We can't love things; we can only love other peo-

ple. And even there, we cannot generate true love from within ourselves if we are not tuned into the love God has for us. Love is reciprocal.

We are created by God's love, redeemed by God's love and guided by God's love. Some day God will recall us to Him out of love. I think a great part of our judgment will be based on how well we loved one another. Marital love is a very special love. It is not based on what I can get out of the one I love, but how can I better serve the one I love. It is not a 50-50 agreement. Love is at the very least a 90-90 agreement. We have to have a little energy for bowling, fishing and work. But if a person does not make an unconditional commitment to the beloved, marriage can be a long hard relationship. Love is basically giving, and the more one gives the more he will receive.

Besides giving your wife a box of candy and taking her out to lunch or dinner I suggest that you ask yourself this St. Valentine's Day, "What can I do to make our marriage better?" Don't ask "What can she do to make it better?" Buy her a box of candy every 14th of the month, and a rose bud to go with it. Help her eat the candy and enjoy the rose. This can be "the first day of the rest of your happy married live". VIVE L'AMOUR!!!

ST. ELIZABETH'S HOSPITAL IN ENUMCLAW DEDICATED

Archbishop Sartain dedicated St Elizabeth Hospital in Enumclaw on January 15, 2011. It is a replacement hospital for the Enumclaw Regional Hospital. The new hospital's namesake is St. Elizabeth of Hungary, a Catholic patron saint of nurses, hospitals and charities. She is also known to have founded a Franciscan hospital at the base of a mountain in Europe.

Family Chairman's Message

April 15th is coming up soon – not only is it “income tax day”, it is also the deadline for submissions to me for “Family Activity of the Year”. With all of the Councils participating in various family centered activities around the state, there are surely more eligible for this award than the mere thirteen that I received last year. Make this a year to truly celebrate an outstanding “Family Activity of the Year”!

The applications are graded by the state officers, with the final choice being made by the State Deputy. Here is how they are rated:

- 15 points Nature of the event
- 20 points Council participation
- 25 points Results
- 10 points Originality
- 10 points Planning
- 5 points Delegation of responsibilities
- 15 points Publicity of event

Completed applications along with supporting documents and photographs should be forwarded to me at my mailing address, which can be found in the state directory – remember the deadline – April 15th!

Knights of Columbus mourn death of Judge John M. Roll, other victims in Tucson

(NEW HAVEN, CT)-Supreme Knight Carl A. Anderson today expressed "profound sadness" at the shooting deaths of U.S. District Court Judge John M. Roll and five others in Tucson on Saturday. He asked the 1.8 million members of the Knights of Columbus and their families to pray for the recovery of Rep. Gabrielle Giffords and 12 other people who were seriously injured in the attack, and for the repose of the souls of those who died.

Judge Roll, who was the chief judge for the District of Arizona, was a Fourth Degree member of the Knights of Columbus, and was a charter member of Deacon Raphael Longpre Council 10441, and a member of Msgr. Hughes Assembly 2392, both in Tucson. He had been a member of the Knights of Columbus for 24 years. Members of the Fourth Degree will provide an honor guard at his funeral next week.

Judge Roll, a faithful Catholic, had just attended daily Mass before stopping to greet Rep. Giffords at her community meeting.

General Program Director Messages

Worthy Brothers,

We are past the Regionals and that means we have turned the corner on the Fraternal Year. We are now headed for the finish line. It is time to really push for Membership, Reporting, Participating in your Council's Programs and writing up Awards for your Councils. I passed out a lot of information to those that attended the Regional Meetings and hopefully that will help. If you could not make the Regional Meeting and would like my handout, just drop me an e-mail and I will send you one, or visit the State web-site and download a copy.

As for the State Deputy's 1000 Points Club we had 56 Councils that participated in December and they are as follows:

766,1327,1545,1620,1643,3307,3361,3598,3611,4196,4322,5816,6686,6706,6806,7356,7528,7863,7908,8015,8102,8137,8179,8201,8437,8476,8872,9237,9238,9617,9664,9833,9941,10532,10653,11134,11217,11357,11642,11762,11780,12273,12483,12591,12899,12983,13186,13364,13374,13395,13422,13560,13606,13794,14268 and 14510.

This month's featured Program is the State Squires Program, where Matt Jerolimek is the State Squires Program Chairman.

- Established August 4, 1925 by the Knights of Columbus, The Squires Program develops young men as Catholic leaders who understand their religion, who have a strong commitment to the Church and who are ready, willing and able to live their lives in the manner of the young Christ.
- Our State Squires Chairman, Matt Jerolimek, has "A Squires Circle in Each Council" as his goal. Matt plans to visit a number of locations this year, to promote this Program.
- Ten young men are all that are required to form a Squires Circle.
- Consider forming a Squires Circle and contact Matt for details.

Brothers, it's not too early to start working on Award write-ups for your Council's Programs. April is right around the corner and good Award write-ups take time. Once the write-up is complete it needs to get to the right place. Here are the Awards and who to send them to:

Bishop White Seminary Update
By: Fr. Darrin Connall

Worthy State Secretary,

Following the regional meeting, I shared many of the programs of concern with council 10543 at our regularly scheduled meeting.

I am pleased to advise you that the members responded positively to the wheelchair program and the Bishop White Seminary debt relief request.

You should anticipate two checks; the first for \$200 for the wheelchair program, the second for \$250 for the seminary debt.

As always, we wish we could do more and will look for the opportunities to do so.

Vivat Jesus!

WA State Session Started Jan 10, 2011

10 Things You Need to Know

On Jan 10, 2011 Washington's 62nd State legislature convened for the first time. Here are a few things that pro-family advocates will want to be aware of in the coming months.

- **1-800-562-6000** is the number for the legislative hotline. Put it into your phone. It allows you to contact your legislators any time, even if you don't know who they are.
- There is nearly a \$5 billion budget deficit for the upcoming biennium (2 year budget cycle).
- This budget deficit exists even though the state will have more revenue in the next two years than it had in the last two years.
- Washington State spends more than \$7 million a year aborting it's youngest citizens.
- In Washington, a 14 year-old cannot go to an R rated movie, get a tattoo, go to a sun bed, or get hear ears pierced without her parent's permission. However, she can get an abortion without her parent's awareness.
- The abortion industry in Washington is attempting to pass legislation to severely restrict the ability of pro-life pregnancy resource centers to exist. This is despite the fact that pregnancy resource centers receive no tax dollars and provide more than \$15 million in free services to their communities every year.
- Taxpayers pay the cost of more than half of Planned Parenthood's clients through a program called "Take Charge". This means the majority of Planned Parenthood's revenues come from taxpayers.
- Last year, Planned Parenthood received \$363 million in revenue from government grants and contracts nationwide. Between 2008 and 2010, Planned Parenthood and NARAL's (National Abortion Rights Action League) political action committees spent \$1,263,554 electing candidates in Washington state.
- The Governor's budget proposes to eliminate General Assistance Unemployable, a program that provides funds for the mentally and physically handicapped, but includes funds for Take Charge that provides millions of dollars to Planned Parenthood through contraceptives purchased with tax dollars.

MESSAGE FROM THE CHURCH CHAIRMAN

After joining the Knights of Columbus in 2002, one of the things that really impressed me about the organization was their involvement with the Church. I was amazed at the high percentage of members who were in attendance at events such as weekday Masses, Stations of the Cross, Parish Rosaries, and similar functions. It appeared as if the Knights were really taking their faith seriously.

I found out that in 1999, our Council began sponsoring a weekly prayer service, which included the Rosary, the Chaplet of Divine Mercy, (photo to right) and the Litany of the Sacred Heart of Jesus. This service is not only open to Knights and family members, but also to Parish members and anyone else who wishes to attend. It takes place every Thursday after the evening Mass. This has become very popular, and has continued to the present day. My wife and I joined the group after I became a Knight and we are regular participants.

However, I must admit I didn't get off to a very good start, and I will now relate the reason why. On the very first prayer service I attended, the following thing happened. At the end of the service, our group finishes by offering prayers of petition. Upon standing up to begin the prayers, I began to get a severe cramp in one of my legs. It must have been the way I was sitting on the chair. I spent a few miserable minutes trying to work the cramp out of my leg

while standing in a circle holding hands. I finally succeeded in getting rid of the cramp as the prayers were ending. As I was leaving the building, I made a comment something like, "that was complete agony"! The leader of the group heard my comment, turned around, put his hands on his hips and said, "what?" I then spent the next few minutes explaining that I meant my leg had cramped up, and that I was not talking about the prayer service. I think I finally convinced him.

My point in writing this is that our prayer service is a very important part of our Church life. Many people have joined us through the years for our Thursday evening service. Also, on New Year's Day, our group sponsors a Rosary for World Peace after the Mass.

If your Council is looking for a spiritual project, please consider forming a prayer group. The benefits are tremendous and you will be supporting your Church in a meaningful manner. Just be sure you do your best to avoid getting a cramp in your leg at the first meeting.

Also, I would like to give you a reminder about the Church service reports that are due on April 15th. The date is approaching very quickly, so you should be planning this soon, if you haven't already completed it. I know that you all do very worthwhile projects to help your Parish. It would be a shame to not be recognized for the good work that you do. Find someone in your Council who is a good writer, and give him all the information and pictures connected with your project. The format for the report can be found in the Grand Knight handbook. Remember, you can't win the State Church award if you don't turn in a report.

God Bless all you Knights for the things you do for the Church!

*Fraternally,
Joseph Carson,
State Church Chairman*

DISTRICT MASTER'S MESSAGE

"How Many Enumerated Powers Were Granted to Congress?"

Worthy Faithful Navigators and Brother Knights:

In the last words of Common Sense, Thomas Paine stated, "...until an independence is declared, the Continent will feel itself like a man who continues putting off some unpleasant business from day to day, yet knows it must be done, hates to set about it, wishes it over, and is continually haunted with the thoughts of its necessity."

Are you haunted with the necessity of joining the Fourth Degree? Now is the time to stop putting off this unpleasant business that must be done and attend one of the below exemplifications!

The next Fourth Degree Exemplification in Western Washington will be held **February 26, 2011 in Everett** at Naval Station Everett, Building 1950, The Commons, 2000 West Marine View Drive, Everett (Registration at KofC Hall, 2913 W. Marine View Dr.). The Host is John F Kennedy Assembly 1530. **The Honoree will be Archbishop J. Peter Sartain.** Degree requirement = 1st degree on or before August 25, 2010 (see notice elsewhere in this bulletin).

SPECIAL CONSIDERATION

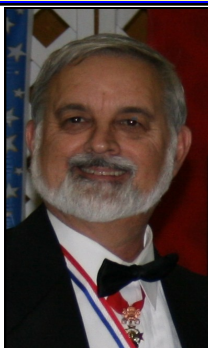

To gain access to Naval Station Everett, you **MUST** submit your name, driver's license number/State issued and date of birth by **February 18, 2011**. This information can be submitted to Dan Grumbach at 360 653 5387, or email at dpgrumpy1@frontier.com.

The next Fourth Degree Exemplification in Eastern Washington will be held **March 19, 2011, at Holy Family Parish in Yakima.** **The Honoree is Bishop Carlos A. Sevilla.** Degree requirement = 1st degree on or before September 18, 2010 (see notice elsewhere in this bulletin).

June 11, 2011, in Spokane (St John Vianney Parish, 503 N Walnut Road, Spokane Valley, WA 99206) hosted by John J Mertens Assembly 2414, Faithful Navigator - Ed Schiffner (509-928-3525). **The Honoree is Thomas J. Sokol.** (Degree requirement = 1st degree on or before December 10, 2010.)

ACTION ITEMS

The Annual Fraternal Surveys were due January 31, 2011. If you have not yet submitted your assembly's survey (to Supreme, VSM Wayne Hogan and me), please do so immediately. This document is one of our best defenses against the state legislature or Congress taxing non-profit organizations!

Patriotic Quotes from our Nation's Founders

The House of Representatives opened its recent session with a reading of the Constitution, the first such reading in the history of Congress. In doing so, they may have noticed that there are only 18 enumerated powers granted to Congress in the Constitution.

"Congress had not unlimited powers ... to provide for the general welfare, but were restrained to those specifically enumerated; and that, as it was never meant they should provide for the welfare but by the exercise of the enumerated powers." - **Thomas Jefferson in an 1817 letter to Albert Gallatin**

"Some ... have grounded a very fierce attack against the Constitution, on the language in which it is defined. It has been urged and echoed, that the [Constitution's] power ... to provide for the common Defense and general Welfare of the United States' amounts to an unlimited commission to exercise every power which may be alleged to be necessary for the common defense or general welfare. Had no other enumerated powers of the constitution than the general expressions just cited, the authors of the objection might have had some color for it.... But what color can the objection have, when a specification of the objects alluded to by these general terms immediately follows, and is not even separated by a longer pause than a semicolon." -

James Madison in Federalist Number 41

A Ponderism

An old preacher in the South once said this to a Knight after he was in the Order for awhile....

STATE DEPUTY'S SHORT NOTES

"FORTUNE FAVORS THE BOLD"

BLITZ-BLITZ-BLITZ: = New Members

The State Goal = Each council recruit a minimum of one new member per month.

You have to think, anyway, so why not think big? **BE BOLD**

24 Round Tables are needed by June 30.

550 new members are needed by June 30.

"We can do it."

Every council, pray the Rosary before each council meeting: one decade for our country; one decade for the Knights of Washington State, one decade for priests and bishops. Don't forget families.

Keep the council meeting short and interesting.

You are the hands and feet of Christ.

Don't forget to pray. Pray each day, all day.

For a Council or a District to be successful, you have to **make the decision to want to be successful. Do it.**

In order for the State Council to be successful, **YOU must be successful.**

Everybody wants to succeed.

Time to put the pedal to the metal. And fill the tank with enthusiasm.

Do you know what the Power of 10 can do for your council? You will be surprised. This is a must for all councils. The time has arrived to make this happen.

Does your council want to buy or join in buying an Ultra-Sound machine? You pay half; Supreme will pay half. Send checks to State Secretary Don McBride.

District Deputy Director Message

The "Next Six Months" is now and it is the time to be planning for those events that are going to come due in the March and April time frame in preparation for May and the State Convention.

However, before I tell you where we are going with that, I need to review some very important areas that I discussed with you at the Winter Meeting, and I am going to ask that all District Deputies might like to have their Grand Knights read my articles. If nothing else it will reinforce the leadership that you are giving to them and may be a little more receptive if they understand that you are under the gun the same as they are.

District Deputy Semi-Annual reports (Form 944's) are due as an evaluation of what the council is doing in particular areas and let's supreme and the state deputy understand where problem areas are and what assistance we can offer in certain areas. District Deputies should discuss each of the areas with the Grand Knight, Trustees and council officers and any areas that need assistance should be so annotated.

Audits – Semi-annual audit (Form 1295) for 31 Dec is due no later than 15 Feb 2011. We have asked all councils to invite their District Deputy to sit in and observe the trustees as they conduct the audit. Any assistance needed can be offered by the District Deputy and each District Deputy should insure that Supreme, State Deputy, the council and the District Deputy receive a copy of the audit, and trustees should be furnished a copy also for their personal files. This audit form requires the signature of at least two trustees and must be mailed. This form is not available to be filled out and emailed. Remember it must be signed by at least two trustees at the time of the audit.

Fraternal Survey (Form 1728) – as each District Deputy is aware this is of vital interest to the legislators in the state of Washington as an issue and has been explained in detail to them. They in turn should advise you of the added importance of the submission of this form by all councils.

The "Next Five Months" are the busiest time of the year and it has already started. Each council has received its annual Per Capita due list along with the suggested donation by each council for the Pennies for Heaven Fund (PFH). This is usually a no brainer since Per Capita is not an arguable item as the rules and By-Laws of the Order are very specific. No need to vote – automatic, No Pay – No delegates at the State Convention.

Each District Deputy should already be prepping their councils for what is to come as to the report required by each Grand Knight and District Deputy for the State Convention Handbook. The election of delegates for the State Convention has to be completed. Submission of these delegates is required to be in hand of the State Secretary by a certain date. The next big area is the awards area which you will receive written instructions on how to write these for submission, who to send to and what date it is required (timeline). By the way, it is best to start now on all of these awards, Knight/Family of the Year, Surge with Service area awards for each pro-

gram, Humanitarian Award and so on. Your District Deputy has a list of all of the awards that need to be ready to go between 1 and 10 April. So how much time do you really have left? The State Convention will be here before you know it and another year is almost over. Almost forgot what about the council programs of Star, Columbian and the most important event of all Grand Knights, the election of new officers for the coming year. Planning begins almost as soon as it is over, the state convention that is. The current council officers should start setting up an agenda for the coming year for 1 July when the new Grand Knight takes over. He doesn't have to accept it but it sure is nice to have something to start with.

The old adage about a never ending cycle would have to be correctly directed toward the Knights of Columbus for those who have been members for 60 years or however long will tell you. It never ends but it may change a little in format or whatever. A few awards have been added and some deleted but the cycle remains the same. 1 July a New Grand Knight and Council Officers, will require forms 185 and 365 to be submitted.

WGK Ed...What great news! Fr. Darrin Connall, Rector of Bishop White Seminary, will be very pleased to hear your good news too.

The vision, message and leadership that you have so aptly demonstrated with your council members follows in the footsteps of our founder, the Venerable Michael J. McGivney. He, like you, responded to the need and made it happen. Our seminarians will be our future priests; and we all know how important mobility is to our disabled brothers and sisters too. You all are truly living our message this Fraternal Year..."I am my Brother's Keeper!"

With your approval, I would like to have your message reprinted in the February issue of the "WSC Bulletin" with a challenge to our Brothers across our Washington jurisdiction to promptly join our Brothers in Prosser Council 10543. I'll look for your further advice.

Fraternally yours in Christ,

George Czerwonka

Pennies For Heaven Frequently Asked Questions

The Pennies For Heaven Goal letters have gone out and I have been receiving questions regarding the program. This column will attempt to answer some of the more frequently asked questions. But first, a correction – the goal is based on membership as of December 31, 2010 – not July 2010 as mentioned in the cover letter.

What period of time does the goal cover? While the goal is based on December membership, it is for 2010-2011 which starts on July 1, 2010 and ends on July 31, 2011. Note that while the fraternal year ends on June 30, the PFH year is extended by 1 month.

Are there any awards? Each council that meets or exceeds its goal will receive a 365 Certificate. In addition, four plaques will be awarded for Highest Dollar Amount and First, Second and Third Highest Percent of Goal. The awards are based on the amount received by June 30th.

Is our council **required** to pay the goal? No. The goal is a suggestion not an assessment – that is to say, councils are not required to submit a check for the goal amount. The goal amount represents “a penny a day” for each active member. Many councils contribute more than their goal, others contribute less. The point is every penny counts and it all goes for a worthy cause – the support of our seminarians in the three dioceses in Washington State.

Where do I send the PFH check from our council? You can either mail your checks directly to the State Secretary, Donald McBride, or bring them with you to the State Convention and drop them off in the PFH room.

A Special Thank You - One of the foundational principles of the Knights of Columbus is Charity. Earlier this month I got to witness an exceptional act of charity by the Brother Knights of Council 1643 and the Sir Knights of Assembly 1183 when GK Ronald DeGroot and FN Sam Pellegino presented Archbishop Peter Sartain with a check for \$12,000 for vocations. What a shining example and an inspiration for all Brother Knights. Well done gentlemen!

February Birthdays – Please join me in wishing a Happy Birthday to the following seminarians: Michael Humphreys, Colin Pickett, and Cesar Izquierdo. Remember them in your prayers.

Vivat Jesu!

STATE SECRETARY'S MESSAGE

I enjoyed seeing many of you at the recent Regional Meetings across the state. These meetings provide a great opportunity for dialogue, and I think those who attended will attest that the training and information provided this year was excellent.

One item I distributed at these meetings was a letter covering several upcoming topics for action or information during the next six months. If you did not receive a copy of the information, please feel free to download it from the State Council website or email me and I can provide it. The topics covered in the memo include Per Capita Assessment, General Liability Insurance, Sick and Death Notices, Necrology for the Memorial Mass, State Convention Certificates of Election, Annual Reports, and Long Range Meeting Dates and Locations.

Speaking of Per Capita Assessments, these are now due and I am starting to receive payments- thank you to those who have been so prompt. Please be sure to get the assessments paid quickly. All councils should have received a mailing packet containing the Per Capita Assessment, Pennies for Heaven Goals, and Exemplification Fund Balance totals. As with all checks, these should be payable to Washington State Council and mailed to me. Please contact me by email if you have not received your packet.

Vivat Jesus,
Don McBride,
State Secretary

**STATE CEREMONIALS
CHAIRMAN**

Worthy District Deputies,

On Dec 26, 2010, I sent an email, subject Recording Serial Number of Large Print First Degree Book. In the email I provided instructions as to recording the serial number in the Large Print First Degree book all the councils in Washington received. I further requested that all District Deputies send me a letter or email listing all their councils and the serial number assigned to the large print first degree book as soon as possible but no later than January 15, 2011.

Further, I requested the District Deputies confirm that the first degree books are being properly secured. To date, less than a third of all District Deputies have confirmed that their councils have received the Large Print First Degree book.

I have received information that some councils received the Large Print First Degree book but not the CD, while others did not receive the Supreme Knight's letter nor the Supreme Director of Ceremonials memo, while other reports have indicated that many councils have not received the packet from Supreme which was mailed in early December.

For me to contact Supreme and request the reissuing of items not received in the Large Print First Degree packet, I need accurate information and soon. Accordingly, I have prepared a Larger Print First Degree Book Status Report, copy attached. Also, attached is the summary of the Supreme Knight's letter and the Supreme Ceremonial Director's memorandum for your information.

Instructions on completing the form is explained in the upper portion of the report form. Also, the procedure for recording the serial number is in the upper portion of the report form.

The Large Print First Degree Book and CD must be properly secured in a strongbox with lock and key. If the book is given to a ceremonialist, he must sign for it and a sign-out record must be retained.

Some of the reports I have been receiving indicates that the revised First Degree books, issued in December 2005, were given to the team members and still have not been returned and properly secured. Regret to acknowledge that some councils have lost and/or cannot find some of the First Degree books issued just five years ago.

Request all District Deputies complete the attached Large Print First Degree Book Status report and email it to me soonest, but no later than February 15, 2011. With this information, will contact Supreme and request a onetime reissuing of items that were not received.

Yours in Christ,

Wayne C. Hogan, VSM, PSD

MEMBERSHIP DIRECTOR WEST

We are called... immediately

Often we hear things and although we think highly of those messages... the thoughts fade, all too quickly. Our Council representatives have been to the annual Regional meetings and many great presentations were given. Much of those messages were in regards to recruiting. But, how much of that inspiration have those folks actually reported back to their councils? How many inspiring messages are heard by ALL of the council members?

Unless those individuals plan to do all of their council's recruiting, by themselves... they need to pass it along... to inspire the rest of the members. Recruiting is not a one man job and inspiration is what gets everyone involved.

So it follows that we need to recognize that "we are called" to take action and if we think about the Apostles, we know that Peter, Andrew, James & John all responded to Jesus *immediately*. They put down their nets and followed him... at once. So too must we take up the duties we are called upon to do in his name. Building your council *IS* building his church here on earth and it truly does make you "your brother's keeper". (...and your council's).

As of this writing on 1/25 we are finally over 50% of our annual membership goal (hooray), but we are also well over 50% of the fraternal year, so time is of the essence and we all need to be more aggressive. Don't wait for the Spring Blitz to be your "Hail Mary" to make your goals... do it now. Our January numbers at a net loss so far for both membership and insurance. In case no one noticed, the chances of your council reaching it's insurance goals are more dependent on your total membership gain than hoping that the Insurance agents can sell every new member a policy or annuity. It is highly unlikely that they can obtain new accounts from 100% of your new members each year. However, if you exceed your membership goals their chances grow exponentially... and so do yours.

Never see your goals (set by Supreme) as a Maximum... see them as minimums and know that we are all called to do all that we can to exceed them and grow the Order. Remember, that the best things come to those who wait... (As long as you work like hell while you're waiting)

See you next month

Pat

**CHALICE PRESENTATION
SAN JUAN ASSEMBLY 1176**

The chalice has engraved on its base the names of four deceased Sir Knights of San Juan Assembly. In attendance at the presentation, and shown in one of the photos (see below), were the widows of three of the four deceased Knights: Dorothy Urbick, Lorrie Banning, and Maria Silva (left to right in 3133). The fourth widow, LaDonna Reinke, was unable to attend.

Sir Knight Julian Silva

Sir Knight Julian Silva has been a Knight since 1974; he became a Fourth Degree Knight in 2004. Julian's life was dedicated to his faith. He was active in Lynden Council 12420 and was instrumental in bridging the gap between the Hispanic and Anglo communities. Julian was the "go-to" person when there was an event happening in the parish, and he would make sure ALL people were included. Helping those in need and touching lives was a daily event. When called upon he was there. He was truly the best example of what it means to have a servant's heart. His message was simple: Don't take life for granted, love your family, always have faith, and never fall to desiring things that have no value in your heart. SK Julian died April 5, 2009, and he is survived by his loving wife Maria.

Sir Knight Merlyn L. Reinke

Sir Knight Merlyn Reinke entered the Order in 1979 and the Fourth Degree in 1989. Merlyn and his loving wife LaDonna were very active in San Juan Assembly activities and Merlyn was Faithful Comptroller for many years. He was a charter member of Holy Family Council 7356, Ferndale, and had served as Grand Knight. SK Merlyn died May 5, 2009.

Sir Knight Leo P. Urbick

Sir Knight Leo Urbick joined the Knights of Columbus in 1948. He was a member of Boulet Council 2126, Mount Vernon, for many years, serving as Grand Knight and other positions there. Then he was a charter member of David Barber Council 9941, Burlington. He also was the Faithful Navigator of San Juan Assembly. He was an active member, with his loving wife Dorothy, of St. Charles Parish. SK Leo died April 7, 2010.

Sir Knight Richard E. Banning

Sir Knight Richard Banning joined the Knights of Columbus in 1987. He took his entry into the Order very seriously and immediately became a very active member, making his Fourth Degree in 1989 and becoming the charter Grand Knight of Fairhaven Council 9941. He also was Grand Knight of Bellingham Council 829, 2000-01, and held many other offices. With his loving wife Lorrie, Dick was a faithful and hard-working member of Sacred Heart Parish. In the Knights he was known as a great cook in the kitchen, and in later years he and Lorrie often were the cashiers and ticket-takers at Knights events.

MEMBERSHIP DIRECTOR EAST

Worthy Grand Knights:

As we prepare for a strong recruitment program I wish to remind you of the basic fundamentals of recruiting. Starting at the Summer Meeting in Pasco last July we stressed finding a recruiting team that was **DEDICATED** and **ENTHUSIASTIC**. Once you have your team together you can put recruitment strategies into play. Recruitment is the lifeblood of our Order and **YOU'RE COUNCIL**. We need to discover new members who will discover the advantages that come with membership in the Knights of Columbus.

Included in the State Bulletin you will find a **Membership Recruitment Activity Planner (see page 13)**. Although it is for a full year (give your Council a head start for next year) look at it very closely. It requires you to set recruitment goals that need to be written down and followed; with goals written down you can now go to the bottom of the page and look at the various recruitment techniques.

The Grand Knight should set specific membership goals, whether they are the ones set by Supreme or his own. Every Grand Knight should set his goals to achieve Star Council. As a leader, you must discover ways to get members moving, excite them about the Order, and recruit new Knights, reward members that bring in New Knights.

To quote from the Membership Handbook in years past and still remains prevalent today: "There is a constant call for action, involvement and commitment. As Knights, it is our responsibility to answer this call from our Church, community and fellowmen. Yet, if the council is to respond to the specific needs or problems which face their parish or community, then councils must be fully equipped with sufficient manpower and the knowledge of available programs. There are many things that can be done to make a council better. Enlist new members to join in working to fight abortion and eliminate poverty, drugs and pornography. Return former members to active status (WELCOME BACK, BROTHER) and seek their assistance.
