Message from State Deputy

My Dear Brothers All:

Peace be with all of you! Our Holy Father, Pope Francis, calls us to witness as lay leaders with “The Light of Faith” in charity, unity and fraternity. He calls us to be in the public square, to the best of our ability, in our parishes, communities and state; that effort, my Brothers, our Holy Father refers to as “the highest form of charity” a Catholic man can perform, as it serves the common good. We are all called to multiply our membership to build up the body of the Order as Fr. McGivney began so many years ago...with the generous gifts, love and peace Christ brings to each one of us!

Lady Sharon and I send our warm, gracious and heartfelt “Thank You” to all Ladies and Knights that attended the Annual Convention the past week in May! What a wonderful occasion it was at the Bellevue Hilton - to meet with all of you; do the annual business of the Washington State Council, Columbus Charities and Pennies for Heaven Corporations; and, to celebrate the past year and to share in a message of hope for the future. It was special indeed for all of us to witness the love, unity and fraternity exemplified by all in attendance.

We offer our congratulations to all councils that submitted their programs for this year’s competition...they were all truly outstanding! While each of you and your councils are winners in every respect...we finally selected a few, as we do each year; and, we sent them on to the Supreme Council for possible selection as International winners.

Your Family of the Year – Joseph & Nathalie Schroeder Family; Knight of the Year – Renato Sacramento, DD; and all General Program winners were simply exceptional examples of our charitable works...Church Award – Covington 11780; Community Award – Colbert 8872; Council Award – Issaquah 7907; Family Award – Kennewick 8179; Youth Award – Marysville 7863; Culture of Life Award – Olympia 1643. The Harry J. Tucker, Jr., Award went home to the Harry J. Tucker, Jr., Council 11780.

I also took the opportunity to recognize several of our long time members that have labored many long years as Directors, District Deputies, Chairmen and Consultants...all doing the principal work of the State Council. They too deserved our recognition for exemplary, dedicated and loyal work. Romy Ablao, DDM – New Council; Thomas Williams, DD – New Council; Tim Philomeno – Communications and IT Director; Ken DeVos, DD – Youth Chairman; Wayne Hogan, PSD – Ceremonials Director; David Konzek, PGK – Financial Secretary Consultant; Edwin Broadhurst, PGK – *State Bulletin* Editor and Financial Secretary Consultant; and, John Walker, PSD – Executive Director! Photographs and presentation messages follow on the next pages!

Lady Sharon and I look for more council officers and wives to attend the Annual Convention next year in Spokane at the Hilton Doubletree and Convention Center...a new venue! Please mark your calendar and plan to attend next May!

This will be my last message for this Fraternal Year (FY), and I am proud to report that we’ve had a Banner Year these past 11 months with an increase in new membership; the development of exceptional programs in councils, parishes and communities demonstrating the vision and work of Fr. McGivney; and, an increase and improvement in our communications as validated by your efforts, attendance and participation at our various state council meetings. It is up to us to make it a “Super Year” in this month of June!

What have we accomplished with regard to our Supreme Goals and Objectives?

- We have not yet met our Goal of 950 new members. We relapsed in our growth plan for May and currently stand at 740 new members. We have 210 left to gain this month in our “Run to the Finish Line”. With our new mindset of “One Member per Council per Month” we will make it with everyone working in Unity.
- We’ve met our New Council Goal of 2 new councils...Our Lady of Perpetual Help Council 15838 at the Space Needle in Seattle, and Pope St. John XXIII Council 15968 in Spokane.
- We have really fallen down in having a presence in every parish and mission with a Roundtable. We have only documented 26 and need 19 more. I’ve asked every District Deputy to accept one for themselves before this month is out! We’ve easily reached 70 in past years so it is unacceptable that we can’t do it every year!
- We are well on the way to reaching our Star Council Goal with 27 Councils poised with membership in hand and only insurance goals remaining that can be achieved with the purchase of \$100 annuities for new members. The efforts of these councils are priceless. Here you are...

829	Bellingham	175%	894	Yakima	225%

15684	Cle Elum	100%	15721	Seattle	475%
15730	Vancouver	350%			

It bears repeating as often as we can, the new mindset of “One Member per Council per Month” with a prompt 1st Degree is the answer to meeting our growth obligations. Every member can make a difference! So how do we do it?

First, we must accept and make the paradigm shift to “Servant Leader” by adopting their characteristics that exemplify strongly based ethical behavior and demonstrate the core values of trustworthiness, respect, fairness, responsibility, caring and citizenship. These core values are further demonstrated by a keen ability to listen, to work with others and to enhance personal growth.

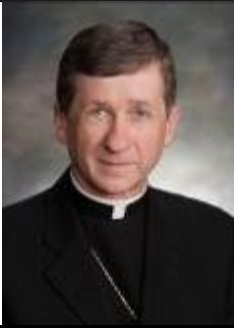

We must be willing to also demonstrate our caring and behavioral characteristics like persuasion, empathy, foresight, awareness, commitment and stewardship...all vital traits to making a commitment to growth of your council and building up our parish, community and the Order. We can’t do all that we are called to do without more men and their families. We need men that will become dedicated to giving some of their time; Men that will stand shoulder to shoulder with their Bishops and Priests; Men dedicated to their faith and willing to fight for their religious freedom; Men that are called to a life of love and dedicated service as husbands and fathers for good as expressed by Supreme Knight Carl A. Anderson.

Men...this is not about me. It is about you that are willing to run to the finish at month end with me. It is not lost! This month of June can be; should be; and, must be about finishing the FY strong meeting all our goals including membership and roundtable goals too. We’ll celebrate with you in Yakima at the Summer Organizational Meeting! I look for all Grand Knights, Deputy Grand Knights, Financial Secretaries and Program Chairmen to attend!

Vivat Jesus!

At the June meeting of the American Hierarchy in New Orleans, the Bishops will be calling on Catholics to make a full court press in the coming weeks on two important issues that are of urgent concern to our Church: peace in the Holy Land and immigration reform.

Regrettably, U.S. sponsored Israeli- Palestinian peace talks are on hold, and the tensions in the area continue to mount. Likewise, immigration reform is also stalled and needs bipartisan support at a time when there is little bipartisan cooperation. These realities demand both our prayers and public advocacy.

You know that during his recent visit to the Holy Land, Pope Francis is offering leadership on the first issue. You know that he recently made an historic trip to the Holy Land; the Holy Father invited the presidents of Israel and the Palestinian Authority to join him in Rome on Sunday, June 8, to pray for peace. He began his prayer in the Holy Land as captured by two striking images: his prayer at the security barrier in Bethlehem and his prayer at the Western Wall in Jerusalem.

As to the second issue. On May 29, members of the USCCB Committee on Migration celebrated a “Mass for Immigrants and their Families” at St. Peter’s Church on Capitol Hill in Washington, D.C. Catholic lawmakers we called upon to show the political courage to act on this vital issue of immigration reform. This gathering was a follow up to an earlier event held at the U.S. - Mexico border April 1.

Your participation in prayer is much appreciated, but so is your advocacy with our elected officials, asking them to move forward without delay on comprehensive immigration reform. These two issues stand at critical junctures, prayer and advocacy become especially timely and urgent. Only with God’s help will peace and justice prevail.

**Statement of Most Reverend Joseph E. Kurtz on Immigration Reform
Archbishop of Louisville, Kentucky
President, U.S. Conference of Catholic Bishops
June 5, 2014**

In his first message to mark the World Day of Migrants, Pope Francis wrote: “Every human being is a child of God! He or she bears the image of Christ! We ourselves need to see, and then to enable others to see, that migrants and refugees do not only represent a problem to be solved, but are brothers and sisters to be welcomed, respected, and loved.”

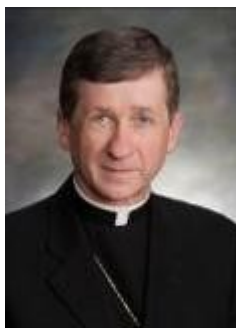

In this spirit, I call upon our political leaders to reform our nation’s broken immigration system. The time to act is now.

As pastors, we see the human consequences of this broken system each day in our parishes and social service programs, as families are separated, migrant workers are exploited, and our fellow human beings risk everything to find a better life for themselves and the ones they love. Our nation should no longer tolerate an unjust system.

We will pray for and work with members of Congress so that they might reform our immigration laws in a manner that properly balances the protection of human rights with the rule of law.

And as we approach our General Assembly next week in New Orleans, I would ask my brother bishops to join me in offering our prayers, works, and joys of that meeting for the intention that the human dignity of all immigrants be fully respected, that they may be treated, truly, as “brothers and sisters to be welcomed, respected, and loved.”

**Declaración del Reverendísimo Joseph E. Kurtz sobre una reforma migratoria
Arzobispo de Louisville, Kentucky
Presidente, Conferencia de Obispos Católicos de los Estados Unidos
5 de junio, 2014**

En su primer mensaje durante la Jornada Mundial de Migrantes, el Papa Francisco dijo que “cada ser humano es hijo de Dios. En él está impresa la imagen de Cristo. Se trata, entonces, de que nosotros seamos los primeros en verlo y así podamos ayudar a los otros a ver en el emigrante y en el refugiado no sólo un problema que debe ser afrontado, sino un hermano y una hermana que deben ser acogidos, respetados y amados.”

En ese espíritu, exhorto a los líderes políticos a reformar el sistema migratorio inadecuado de nuestra nación. El momento para actuar es ahora.

Como pastores, vemos a diario las consecuencias humanas de este sistema inadecuado en nuestras parroquias y en nuestros programas de servicios sociales, cuando las familias son separadas, trabajadores migrantes son explotados, y seres humanos lo arriesgan todo por encontrar una vida mejor para ellos y sus seres queridos. Nuestra nación no debe tolerar más un sistema injusto

Oraremos por y trabajaremos con miembros del Congreso para que ellos puedan reformar nuestras leyes de inmigración de manera que provean un balance entre las leyes y las protecciones de los derechos humanos.

Al acercarnos a nuestra Asamblea General la próxima semana en New Orleans, quisiera exhortar a mis hermanos obispos a que se unan a mí y ofrezcan nuestras oraciones, trabajos y satisfacciones de esa reunión para que la dignidad humana de todos los inmigrantes sea respetada y que puedan ser tratados ciertamente como “hermanos y hermanas que deben ser acogidos, respetados y amados”.

Message from Membership Director

My Brothers in Christ,

During this last month of the fraternal year, we need to stay focused on growing our Order and continue to strive for our goals to be a Star Council!!! As of the end of May, we are at 742 new members and need about another 210 to reach 950 new members to make our membership goals as set by the Supreme Council and be a member of the Supreme Knight's Circle of Honor. Don't give up...there is still time to reaching this goal in the time that remains.

As you strive for growing your council, keep in mind our Worthy State Deputy's two State-wide incentive programs: 1) A Membership Challenge to every Council and Brother Knight and 2) A Membership Incentive to Every Grand Knight and District Deputy.

In the challenge for every Council and Brother Knight, I remind you that Our Worthy State Deputy has committed to providing the following prizes in two categories:

- The Council that recruits the most new members in each of the five Division in May and June will receive a cash prize of \$200.
- The Brother Knight who recruits the most new members in May and June will receive a cash prize of \$100. The second and third place recruiters will receive cash prizes of \$75 and \$50, respectively. **To assist us with tracking this part of the challenge, please remember to send us (myself and our WSD) copies of your signed form 100s as you process them at Supreme!**

These awards are in addition to current programs of Supreme VIP Points and Awards available to all councils and individual recruiters!!!

In the incentive for every Grand Knight and District Deputy, I also remind you that our Worthy State Deputy has committed to providing a beautiful pocket watch for the following accomplishments in the May and June of this fraternal year.

- To All GKs who achieve Star Council...
- to All DDs who achieve Star District...
- To All GKs who go from Star to Double Star Council...
- To All GK's who go from Double Star to Triple Star Council...

All GK's going from Star to Double Star Council and Double to Triple Star Council during May and June will also get an additional pocket watch for their Membership Director.

Each watch awarded will have your personal initials on the front cover and the Emblem of the 3rd Degree on the reverse cover. The pocket watch comes with a chain and is nicely gift boxed.

All of these awards will be provided after the end of the fraternal year at the Summer Leadership meeting in July.

I'd like to extend my congratulations to those councils who have already achieved their membership goals for the fraternal year (see list below): 1) Ten councils have reached over 200% net growth and 2) Sixteen councils have reached between 100% and 200% net growth.

The listing of these councils is found on the next page of the bulletin

A total of thirty-two other councils have reached between 50% to 100% net growth and are in position to achieve their membership goals by the end of the June. I would encourage all councils to keep up their membership efforts through the remainder of the fraternal year so they can reach their ultimate goal as "Star Councils".

Good Luck to all Grand Knights, District Deputies, and Brother Knights in the remaining two months of the fraternal year!!!

As always, be prayerful in all you do and at every gathering with your Brothers offer special prayers for all members of your council both active and inactive, for new potential prospects, and for the success of your council in accomplishing its goals for the coming year.

Wishing you and your families the best.!

Marcel

Legislative Advocacy Report

Dear Brother Knights:

In an effort to respond more quickly and have a greater direct impact in Olympia, the State Deputy has asked me to develop a group of dedicated Knights from around the state who would be willing to act on short notice when the legislature is in session to write/call/email their legislators.

As I have mentioned in several reports, if a bill favorable to family or life is submitted to a committee for consideration, we need to be able to act quickly and contact the committee chairperson and the rest of the committee to help move that bill from the committee to the floor. Oftentimes, dedicated Senators and Reps will get the support needed to introduce a bill, but then it just dies in committee.

This will not be a big time commitment...it will only take a few minutes to send an email or make a phone call, or possibly a half an hour to write a letter...I will prepare sample letters for you too. And it is only when the legislature is in session, starting in early January, that we will be needed to venture into the public square as the Holy Father calls us to do... *"to the best of your ability!"*

If you would like to answer the Pope's call to get involved in the public square, then join me in this endeavor. Send an email to Legislative@KofC-wa.org, and let me know the legislative district in which you reside. Your email address will remain confidential.

Thank you in advance for your kind support and participation.
 Regards to all,
 Stephen Czerwonka, Legislative Liaison

Message from State Secretary

My Brothers All,

It was so nice to see you at the State Convention! Hope you enjoyed the events and fraternal bonding.

Thank you for your vote of confidence and electing me to serve another year as your State Secretary. I strive to assist where I can and make improvements in the office and process so it will be easier for my successor. If you have any ideas for improvement, please let me know.

Looking forward - Grand Knights, please keep your council on track and make sure your bills are paid prior to your leaving office. We have a few of you that have not paid your State Per Capita assessment! Also, please plan for your council and successor to attend the Summer Leadership Meeting in July. These meetings are a valuable chance to get your council started off on the right track.

Our liability insurance is due once again. We have been successful in holding our premium to the same as in past years (\$1 per member) with one minor change this year. Assemblies have not paid in years past but will be assessed 50 cents per member this year to help hold costs down. Mailings will go out shortly for those amounts owed. Please pay promptly so the state can take care of the invoice when it arrives.

Looking forward to seeing you all at the Summer Leadership Meeting in July!

As always, call or email if you have questions or need some other assistance.

Vivat Jesus!

Roberts Rules – Today's Lesson:

Often times we shortcut certain items of Robert's rules, much to our own detriment. The Convention Resolutions session is a good example of just that so let's look at it a bit.

After several speakers, a member rose to the microphone and said "I call the question". In our own councils we would likely have proceeded much the same way we did at the Convention, but... as another member reminded us, and rightly so, in his "point of order" that a "call the Question" is actually a motion of its own and requires not only a 2nd, but a 2/3 vote of the council as well to end the discussions phase of the previous motion already on the floor. That is the purpose of "Calling the Question".

The member "calling for the question" (as it is wrongly phrased) should have stated: "I move to call for the previous question" as this is the true language of a motion not merely a statement of those wanting to move forward to a vote on a given motion on the floor. The "calling for the question" motion works similar to an amendment to a motion already on the floor and must be discharged on its own before moving forward on the original motion.

It is a fairly common misconception that, after debate has continued for some time, if any member shouts out "Question!" or "I call the question!" debate must immediately cease and the chair must put the pending question to a vote. This is simply not the case. Any member who wishes to force an end to debate must first obtain the floor by being duly recognized to speak by the chair and must then move the Previous Question. Such a motion must be seconded, and then adopted by a two-thirds vote, or by unanimous consent. It is not in order to interrupt a speaker with cries of "Question" or "Call the Question," and even if no one is speaking, it is still necessary to seek recognition. [RONR (11th ed.), p. 202; see also pp. 35-37 of RONRIB.]

Please note that the issue of recognition also applies to those wishing to call a "point of order".

Fraternally.

Pat Kelley, Advocate
Washington State Council

The Wizard of Washington presents: Q & A

Question: Worthy Wizard what is the **CIRCLE OF HONOR AWARD**?

Answer: The Circle of Honor Award recognizes all State Council's that achieve 100% or more of their annual Membership Quota as set by the Supreme Knight. Of the 72 Jurisdictions in the Order, only 13 State Deputies were recognized at the International Supreme Convention in San Antonio for their State Council's achievement. The "Circle of Honor" award also places the state's delegation with front row seating at the State's Dinner...the Convention Banquet. The State Deputies also receive an award. This coveted Award was last received by the Washington State Council at the 2010 Convention during the 2010-2011 Fraternal Year. A fine distinction for State Deputy John Wallace and all Washington State Council Members.

It doesn't take a Wizard to realize that this is a huge accomplishment!

God Bless! The Wizard

P.S. If you have a question for the Wizard of Washington, submit it to the State Treasurer at StateTreasurer@kofc-wa.org

General Program Director Message

I hope you were able to attend the Convention. I was busy, but enjoyed seeing and fraternizing with everyone. For my General Program Report, I am going to include my Convention Banquet introduction speech. It carries my heart felt feelings of what you do for programs. I have said it before, and will again, this is where membership lies.

“Being the Program Director, I have had the privilege of seeing the good our Councils do throughout the year tracking Monthly Service Reports, Grand Knight 1000 Club, and State Service Program Award applications.

There are six Program areas and each council selects the best programs to submit for State competition as the best of the best. Just because a council is not recognized here tonight is not a reflection of their success at home. It is the State Chairmen and Officers who are given the arduous task of selecting a winner in each category. I can tell you, we do not take this task lightly. The scrutiny is detailed and lengthy. I, for one, do not like picking a winner because they are all truly winners to me. In previous year's, the selection process was difficult at best and this year is no exception. Grading, literally, comes down to a point or two.

As you can surmise with the grading so close, if your council project was not selected as a winner, you might consider resubmitting next year if your council repeats events like most councils do. The winners here tonight will represent our State in the International Supreme competition.

I would like all six program Chairmen to line up here in front of the podium. Church first, then Community, Council, Family, Youth and Culture of Life, in order. Ed Broadhurst will stand in for Community and John Williams for Culture of Life.

I will now give a very brief description of their winning program and trust me, there programs were much more involved than I will read tonight (*to be found elsewhere in the bulletin*). The winning submissions will be on our State website after the Convention, but give us a few days to make that happen. By the time you read this article, all State Service Program winner applications will be at Supreme for their International consideration. Let's keep our fingers crossed as we have some really strong program winners this year.

We had 11 Councils that attained the 1000 point Club and I want to thank all councils that participated. I hope it has or will help you in your Columbian Award application, Food for Families and RSVP.

FAMILY OF THE YEAR

He is an ordained Deacon and preaches the Gospel giving Homilies at least once a month. As a Deacon his responsibilities include doing Baptisms, Weddings and Funerals as well as bringing communion to the homebound. He is the Parish Host and Coordinator of the “That Man Is You” men’s spiritual program which presents the vision of man fully alive. It combines the teachings of the Church and wisdom of the saints with the best research from modern science in an interactive multimedia format. The program is held on Friday morning’s beginning at 5:30 for breakfast and runs to 7:00. Over 60 men in the Parish have benefited from the program. He has assisted the Parish Youth Coordinator and upon her leaving has stepped in to fill the void.

He and his wife are Baptismal Preparation class presenters and Marriage Preparation instructors. They are presenters for the (RCIA) Program at the Parish, both are Facilitators of Theology of the Body for Teens in addition to being Grade School Catechist Teachers.

The family’s effort to help the community spans many area’s: a 4th -6th grade bake sale fundraiser for the homeless men at the House of Charity; Christmas Programs at various nursing homes bringing Home school children to sing Christmas Carols and visit the elderly; Son Jayme is currently a nurse in Alaska, and in his spare time trains a search and rescue dog. This past winter they were both credited with saving a man’s life by utilizing this training.

Along with his sons Jayme, Jacob, Patrick, and Matthew, they are all Knights of Columbus members of this Council. The family is active in many Council activities including the Council Halloween Carnival, Youth Soccer Kick Contest, and the Sprague Lake Rest Stop assisting motorists on Interstate 90. When he is at Church in his Knights vest he is everything that the Knights of Columbus represents which can be seen by all members of the Parish.

Based on these activities the family schedule is very full, however, unlike most people their priorities in life are well grounded. He is an inspiration to his fellow Knights as well as all the members of St. Joseph Parish. He and his wife are respected for the life they lead and their efforts to help their fellow man. They have raised a family of six children and done so in a manner that their children understand the important values of life. Not by just word alone but in sharing the experiences of life together.

This family was chosen as the “model” family of St. Joseph Council 8872 because of the commitment they have made to serve their God, Church, Community, and their Council.

Join us in awarding the Family of the Year to

KNIGHT OF THE YEAR**COMMUNITY SERVICE AWARD**

We have been blessed to have great candidates for KOY and this year is no exception. This candidate does not choose to stand out but is seen in many facets of the Knights of Columbus.

This year's selection has been a member of the Knights of Columbus for 31 years. He has served in many offices, including past Charter Member Grand Knight, Faithful Comptroller, Faithful Scribe and current Treasurer and District Deputy.

His council, assembly, and State involvement this year are many including Spaghetti Dinner, Oktoberfest, pancake breakfast, annual picnic, formed new council, attended many state meetings, received several awards. As DD he has 2 Star Councils, 1 Double Star and 2 District Deputy Awards.

His Church involvement is as follows; parish office coordinator, Liturgical Ministry coordinator, parish website webmaster, parish sacristan, directed work on Virgin Mary Grotto, and many activities of the church, school auction, Living Rosary and more.

In his Community he is past President of FIL-AM Association for 13 years and current President for 2014-2016. He is Past Commander of Bataan Corregidor Survivors Association and their families. He continues to be very active in the Filipino Community of Seattle.

He is very active in membership recruitment, won multiple awards and involved in all levels of the Degrees.

Through his long years of tireless service, dedication, sacrifice, serving God and others in the true Spirit of Christian Love and Service, he is very much in accord with the high ideals and principals of the Knights of Columbus. He believes in the true values of the Holy Catholic Church, practices and carries out those values without regard for himself.

Our 111th Annual Convention Knight of the Year 2014 is Renato Sacramento.

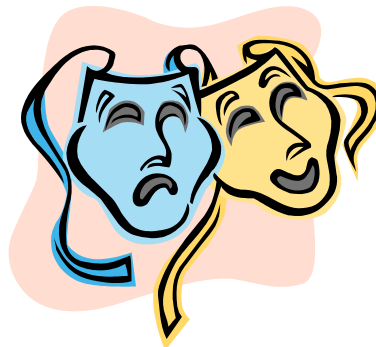

We don't know what possesses men to dress like women, but when it comes to raising money for Habitat for Humanity, Charity House and North County Food Pantry, it becomes clear that it works.

Creating theater productions is nothing new for this council. The previous undertakings have brought in over \$5,800, but they set a lofty goal of raising \$8,000 this time.

Sales, costumes, scripts, advertisement, 12 rehearsals, props, scenery production, clear down to the stage itself were created by this council. With 112 council members, including 22 cast members and 8 stage crew ranging from 19 to 82, and over 2000 man hours, they were able to recreate the old familiar theater production "Annie" How fitting that Annie should be used as she, too, had her struggles with poverty, helplessness and homelessness.

When all was said and done, they had exceeded their goal and raised \$8,200 net.

It is a pleasure to present the Community Service Program Award, to Colbert Council 8872 Grand Knight and Chairman Art Smalley in the "Production of Annie".

CHURCH SERVICE AWARD

This has been a Parish project for many years, however, after the construction of the New Husky Stadium and the elimination of Husky Fever, The University's Booster Club for Sports Program, the Seat Cushion Project fell through the cracks. The Knights knew this was a great project for the council and parish, so the work began.

Negotiations with the UW, several meetings and tons of emailing, they were able to secure the program. A contract for three years was negotiated that would benefit the UW, the Parish and the Knights of this council. Now the real hard work was at hand in coordinating, devising a team concept of duties, advertisement and the sign up and need for over 200 Knights and Parishioners. Child Care was provided so more workers could be recruited.

The project was to install 13,000 seat cushions August 17th, 2013 and remove January 11th, 2014. All positioned, installed correctly, remove, clean and store for the following year, over 200 persons were required to install and 125 to remove. Despite the inclement weather, the job was done on time. All said and done, the project netted \$20,750 to help the parish and its finances.

We award the Church Service Program to Harry J. Tucker Jr. Council 11780 Covington-GK Peter Cunningham, Chairman Lyn Johnson.

FAMILY SERVICE AWARD

This one is tough to summarize as it covers Catholic faith, parish multi-cultural interaction, societal influences, family, and that delicate relationship between a father and his daughter. The intention was to bring fathers and daughters closer together, through a special evening without the distractions of other family members or friends. To create an evening where the fathers would have the opportunity to show their daughters the way a young lady should be treated, and to leave an impression on them that affirms their innate sense of how they should be treated by men and to give them a standard to hold in their memories for the future.

This Council devised a plan with their council members, Women of St. Joseph ministry, and Catholic Daughters to hold a Father Daughter Ball called "Winter Wonderland".

With a budget of only \$500 and no illusion that this service project would raise funds, they began their work transforming Dillon Hall into a Winter Wonderland. Fifty handmade snowflakes were made and hung from the ceiling. Invitations and tickets and programs were made. The all-inclusive price of \$20 included music, dancing, a corsage, dinner, beverages and more.

The evening of January 4th started at the door with six Knights in 4th Degree attire, including white gloves, greeting the young ladies with their fathers. Formal coats were checked from a staffed coat room, and then it was off to the next table where ladies pinned corsages on the daughters. Tables were elegantly adorned and decorated with linens and lighting. The daughters could participate in several fun craft projects, such as making their own picture frames for their portrait and make fun jewelry.

Fathers escorted daughters of all ages from less than one year old to adulthood. Many fathers had more than one daughter. They had to limit the ticket sales to 200 and they sold out in a hurry, however, some were shoehorned in on the day of the event. After weeks of planning the finished product was a beautiful and pride instilling evening.

We are pleased to awarding the FAMILY SERVICE PROGRAM AWARD to St. Joseph's Council 8179 Kennewick-GK Jerome Wildgen, Chairman Art Holman for, "Father Daughter Ball "Winter Wonderland".

COUNCIL SERVICE AWARD

The City of Issaquah sponsors a very popular street fair every year on the first weekend in October, called "Salmon Days." More than 150,000 people attend this event every year. Many vendors set up temporary concession stands selling merchandise, food and beverages.

This Council felt it would be a great opportunity to raise funds for various charitable purposes, activities, and increase visibility of the Knights of Columbus, St. Joseph parish and St. Joseph School.

The Chairman for the Council was Robin Pavlish and he obtained the necessary permits, equipment, materials, organized and trained volunteers, to prepare churros onsite for consumption.

The booth was manned 8 hours a day for both Saturday and Sunday netting \$2,300 for the weekend. Subsequently, some of the parish volunteers became Knights in their council.

We have awarded the COUNCIL SERVICE PROGRAM AWARD to Fr. Anthony McGirl Council 7907 Issaquah-GK David Johnson, Chairman Robin Pavlish for "Salmon Days".

A Tip from the Tootsie Roller

Fred Meyer has been a great partner of ours and Zach Stratton, Assistant Community Relations Coordinator, is very aware of the program and helpful. Obtain a solicitation application from the customer service department at the Fred Meyer of choice, fill out the form and send to the address indicated in Oregon. An authorization will follow in about 3 or 4 weeks. Disregard the 60 days before event limitation to file. Zach will accept this form for the Tootsie Roll Program anytime. Consider soliciting at your parish after mass, with priest approval, of course.

One Sweet Deal!

CULTURE OF LIFE SERVICE AWARD

Being in the shadow of the State Capitol in Olympia, this Council is under constant duress from political tactics that are always looking for that weak moment.

One of the many Culture of Life events this council supports throughout the year is the March for Life. This endeavor has been around as long as Roe vs. Wade when murder was made legal and considered Choice.

Since the Archdiocese took over this program, Archbishop Sartain has relied on This Council to handle the parking situation for 2500+ that attend the Mass at the St. Martin's Pavilion, dubbed the Mass for Life. Coordination and directing buses, clergy, staff, musicians, shuttle buses, and many cars converging from all over the State is quite a task. They were able to clear 5 parking lots after Mass in 20 minutes, but that's not all.

Members assist with Mass and attend the actual March for Life that follow providing ancillary assistance and especially prayer.

When the March for Life is over, this Council hosts a free lunch termed Lunch for Life, and is available to everyone. This lunch is quite popular, since it is prepared by one of our resident chefs, Sam Pellegrino (past family of the year recipient), owner of Pellegrino's Italian Kitchen.

As long as Roe vs. Wade is law, this Council will be there to stand firm and have their voices heard.

We proudly award the Culture of Life/Herbert Liebert award goes to, Fr. Nicholas Rausch OSB Council 1643-Darren Johnson GK, Chairman Ed Sauley (another former State Family of the Year winner and 3rd place International).

YOUTH SERVICE AWARD

The Marysville School District has 4,978 students enrolled, of which 2,675 or 54% are identified as being at risk for not having enough food to eat during the weekends. The purpose of this project is to contribute time, talent and treasure providing substance to the needy and homeless of the District. Through Darlene Fails and her husband, John, FS of this Council, and Fr. DeFolco, this program was born.

Every Thursday morning the Knights and their wives met and put together food for breakfast, lunch, dinner, snacks (including juice and milk) and toiletries for both Saturday and Sunday. Additional foods are placed in bags for siblings. These bags are then delivered to Marysville and Lakewood schools where school staff members discreetly place the bags in the children's backpacks.

A large wooden box has been placed in the Parish Hall for donations of food, toiletries and cash to keep the program going all year long. Knights of Columbus provide breakfasts, bake sales, raffles and all proceeds go to the Backpack Program. One check in the amount of \$8,461.25 was delivered to the Food Bank for Backpack usage from the fundraising.

In addition, Knights and their wives purchase food items during the week, sort foods, and breakdown boxes of food into individual portions for distribution. They also, collect supplies, including 175 school binders, during a school supply campaign.

With pleasure, we award the YOUTH SERVICE PROGRAM AWARD to Fredrick Harrington Council 7863 Marysville-GK Daniel Pradera, Chairman John Fails for, "BackPack Project".

HARRY J. TUCKER JR. FRATERNALISM AWARD

A project that started with Jim Grad and Howard Baus, both deceased, and soon joined by Jerry Spring, aiding brother to brother in their council and parish, has blossomed into a fully operational, homeless care machine. Who is your brother? This project called Homeless Outreach Mobilization Effort or H.O.M.E. collects food from various sources provided by food distributors. Each week a team of knights go to food distributors and pick up from 4,000 to 10,000 pounds of donated food. Much of it is damaged in a way that is safe for consumption, but is not capable of being sold in a commercial venue.

They are able to serve 30+ full course meals 3 days a week, as well as breakfast foods and lunch supplies for every day of the week. There are 5 cooking teams that share the responsibilities among brother knights. With an overabundance of food left over to keep the Covington Food Bank fully supplied.

The council has developed a familiar program modeled after the World Champion Seahawks, "Next Man Up". If a brother knight gets sick or has other obligations, there are several other knights waiting to step up. This same group also cooks breakfast for all the donors at their council Blood drives, again with volunteer labor from the council and donated food. 75% of the members participate in this program volunteering over 1000 hours of service each and every month.

After the passing of Howard and Jim, the parish, in conjunction with the Knights of Columbus held an Auction to purchase the men a new trailer for their supplies. The response was overwhelming and they raised more than enough to purchase a real nice trailer. They dedicated it to Howard and Jim.

Though it has been close in previous years, Harry J. Tucker Jr. Council 11780 Covington, the council that bears his name, has never received this prestigious award, until now. Harry would be proud.

Please join us in bestowing this honor on Harry J. Tucker Jr. Council 11780 Covington Grand Knight Peter Cunningham, for the "H.O.M.E. Project".

Hispanic Membership Chairman's Message

Granger: A Self-giving journey:

Without a doubt, self-giving must be difficult for any individual. Trusting that all you have planned for the next 24, 48, 72 hours is going to come out OK, even under any adversity is a gift that comes to us through faith. And that is exactly what faith means, trust. When it comes to recruiting our friends, acquaintances, strangers or anybody, trust is vital.

The First Degree video rituals were the manner used to induct seven new members in Granger. Most of the guys spoke Spanish, the one that didn't have the same fluency in Spanish was able to concentrate and assimilate the content. This was one of the first times the video was used, it went well, the message by Supreme Knight at the end give all of us a better picture of the importance of recruiting those that speak Spanish.

Members from Mesa Redonda de Familias of St Joseph, Yakima, Sunnyside and Prosser council gave Granger's new membership support and confidence in the fraternal order, something they may have heard for the first time during the weekend of the event.

The new knights helped us to understand the importance of this trust without the constraint, without even trying to make sense of what is coming. Mike trusted that some how things were going to come out OK and they came out OK. John Rodriguez also trusted that even without the full support of the members of his council things will work out. For those that came from Yakima and Prosser, thank you, you heard Jesus, go out into the world as my disciple and evangelize.

The art of giving people something to do manifested itself in the introduction of these seven individuals to a movement that they will get to know soon. Thanks to the Grace of the Holy Spirit, present at every event, today we have the opportunity of introducing to you the Knight of Columbus Round Table of Granger with the spiritual Assessor Father Gustavo, Coordinator John Rodriguez and the engine of this exercise Mike.

Any other council or parish throughout the state that wishes to evangelize whether small or large community or a parish that has no council or Mesa Redonda, call Mike, his number is listed under Hispanic Chairman.

As we close out this fraternal year and look forward to the next fraternal year, let's take stock of:
What we have done...
What we are doing...
What we can do...

...For Fraternalism

The Knights of Columbus is a fraternity, a brotherhood, and it requires constant efforts to strengthen those bonds. Does your council have fraternalism?

Does your council have an Aid to Brother Fund?

When was the last time you gave a brother a ride to a meeting?

Do you send your updated list of members and family members in need of prayer to the state bulletin? (To be discussed at the Summer Meeting)

Do you have members assigned to maintain contact with brothers in need?

When was the last time you visited a brother in a care facility?

Do you report deaths of members and family members to Supreme, State Secretary and State Bulletin promptly so that proper and timely condolences can be offered by Supreme and State? (To be discussed at the Summer Meeting)

Is your retention committee fully populated and fully aware of their responsibilities?

Does your council send out First Class mailings to all members on a regular basis in order to keep current with their addresses?

Please join us at the Summer Leadership meeting in Yakima, July 18th to 20th

Family Chairman's Message

THOSE WERE THE DAYS

(FARM FAMILY VALUES)

When the rolling snow clouds have covered the last of the light from the fading winter sun, when the power of the winter northern comes in to shake the farm buildings and throw the loose shingles into the air and swoop down through the rafters of the barn, when horses, cattle and men stomp their feet in an attempt to shake off the cold, to get warm. There was no place on the farm that looked and felt so good as grandma's kitchen. The farm dog, knew what the final shutting of the barn door meant, he crawled out of his bed of straw, and follows us down the snow trail to the back door of the farm house, where ice has formed on the back door. We bust the ice from the outer door and "break into" the warmth of the kitchen. The kitchen where there is warmth, food and a place for each of us within the four walls of the farm kitchen. Today's homes have their big living rooms, their modern spacious kitchens and their addictive technology. What modern kitchen could ever compete with grandma's kitchen, the old wood stove with a crock of baked beans sitting on top and an oven door that the old man could let down to warm his feet on? In grandma's kitchen, where the big wood cook stove was, there, also, was the very essence of home.

Grandma's kitchen stayed basically the same for most of my youth; comfort came first. As the years passed, the oil lamps may have given way to electricity, the little hand pump to running water, but the old wood stove remained as the queen of the house. Throughout the winter months, when snow covers the farm in deep snow drifts, or when everywhere you step in the farmyard is the mushy cold mud, it was the shining old stove that radiated a comforting warmth mingled with the wonderful smells of coffee, homemade bread, pies, popcorn and many delicious mysteries from inside the large oven.

Opposite the stove, the kitchen table sits in the warmth of the stove with one of Grandma's checkered tablecloths covering it. Neatly tucked away in another corner of the kitchen sits a small trash burner that usually had a pot full of hot water sitting on top of it or a big bowl of popcorn warming on it. The windowsills had brightly colored figurines and several potted herbs that Grandma used in some of her cooking. Along the wall between the kitchen and the dining room was a built in bench that had a seat that flipped up and revealed a storage area that was kept full. The old worn hardwood rocker was tucked alongside the little trash burner stove, near the door where Grandma always kept it. So many tired babies have been rocked to sleep in that old rocker, how many clothes were mended and quilts started and ended there. The old house cat is all curled up in a ball next to the little trash burner, purring peacefully. When we came in from outside we loved to sit in the kitchen out of Grandma's way in our stocking feet soaking in the glow of the kitchen. The farm dog is in his favorite spot between the cook stove and the big wood-box behind it. Today cats and dogs are not allowed to hangout in the kitchen, in fact most kids and husbands are banned from hanging out there to. Kids and fathers are shooed out of the kitchen along with the dogs and cats. It has become a temple to the gods of Hygiene and the prepackaged Sciences, where efficiency has replaced comfort as the household standard. No more drowsy evenings around the kitchen stove! Cold toes and chapped hands are forgotten after supper as they gather around their technology.

Tonight out in the deserted kitchen is the old wood stove, an older Steve with his toes wrapped in heavy wool socks sitting in the old rocking chair, a bowl of popcorn in his lap with his feet by the open oven door, living his dreams.

Tootsie Roll Chairman's Message

This year at the Convention, we issued the Tootsie Roll Awards at the Saturday Luncheon. As you know I am very fond of this program and I hope you are all planning to participate this year. I have already secured a grant from Wal-Mart for my council. You might consider applying to the Wal-Mart Foundation and submit a grant application. If you have any questions how to do that, let me know.

We had 48 councils participate this year, down from 58 the year before, and we had 15 councils that participated over the last two years that did not participate this year. I hope all will return to the program and those that have not tried it, need to do so. You can either purchase Tootsie Rolls from another council, to try the program, or I have cases that I will sell to your council at cost and no shipping. You will need to make arrangements to pick them up though.

I can't stress enough that you need to secure locations now, if you haven't already. Spots fill up fast. Worry about coverage later. You can always work with another council if you are short on man/woman power. Remember to solicit help from potential benefactors, especially Special Olympians. Our Columbus Charities and Councils that designated their funds to Special Olympics donated over \$30,000 this year as a result of the Tootsie Roll Program.

Here are the winners from this year's Tootsie Roll Drive.

I will be your chairman again this next year with help from Tommy LaCour of 11780 Covington. He brings a lot of energy to the program and has already met with many of you on the Westside.

I am always up for a presentation if you so choose. With my time issue, I can't do many, but will help where I can. If you could get a few councils together, that would be best.

Let's break the \$150,000 barrier this year.

See you at the Summer Leadership Meeting.

Vocations Chairman's Message

Answers to Questions

Last year I accepted the position as the Vocations Chairman for the Washington State Council. It has been such an eye opener in dealing with our seminarians, directors of vocations and you, my brother knights. I sense a real commitment on your part to support our seminarians, but I have been asked many times several questions. So I thought I would try to answer them here:

1. Why hasn't the seminarian cashed my check? The assumption might be that if he doesn't cash the check, maybe he doesn't need the money. That is FALSE. Many seminarians bank in cities other than where they attend seminary. For example someone attending seminary at Mount Angel may have to mail your check to a family member back home to make the deposit. Other reasons may be they were very busy with exams or obligations and didn't have a chance to get to the bank. The fact is the seminarians don't understand our financial system and that we need those checks to clear before we can do an audit or request a refund. Quite simply, you must communicate with the seminarian and let him know that it is important to cash the check as soon as practical so that your record keeping is not delayed.
2. Why can't I have the seminarian's phone number and email address? This is actually a policy established by the diocese to protect the privacy of the seminarian, and to not burden him with too many calls or emails. You should always try to communicate with the seminarian by writing letters, postcards and greeting cards. You may ask the seminarian to provide his phone number or email, and it is his choice to give that to you and set limits on its publication.
3. How many seminarians are there? This past year there were a total of 51 seminarians across the three diocese of Washington.
4. What does our RSVP money do for the seminarians? The intent of the RSVP program is to provide financial support for the personal needs of the seminarian such as cost of toiletries, entertainment, transportation and other expenses. Some seminarians use the money to reduce their seminary or tuition debt, but it is their choice. In any case, these funds help reduce the amount of support their families must provide. The seminarians also work summer jobs to help pay for their seminary and college expenses.
5. Can I give directly to a seminarian? Yes! If you would like to support a seminarian with a monthly stipend, you may but it is NOT subject to the RSVP refund. Neither is it a charitable donation and cannot be claimed as such on your taxes. Direct donations would be the same as if you were sending money to one of your own children for their support.

If you have additional questions you would like answered in a future bulletin, please send them to me at vocations@kofc-wa.org.

Culture of Life Chairman's Message

GAIN THE WORLD

Jim Thomas, the Director of Life, Justice, and Peace at the Archdiocese of Seattle has the following quote from Pope Francis on his diocesan email distributions: "Inequality is the root of social evil". That quote reminded me of the quote from 1Tim 6:10 that reads, "Love of money is the root of ALL evil", and also of MK

8:36 that "what does it profit a man if he gains the world, and forfeits his life".

A recent PEW research poll found that from 2010 to 2013 the number of Catholic Hispanics has dropped from 67% to 55%. In that same time span "unaffiliated" Hispanics (those not attending any church) has risen from 10% to 18%.

Is our desire to create social equality greater than our desire to save souls?

Retention Chairman Message

To the retiring Grand Knights:

I would like to thank you for your time and cooperation this past fraternal year. It has been a pleasure working with you and your councils trying to lower the suspension rate for both the council and the state. I hope that I have left with you some ideas on how to lower your council's losses.

To the Grand Knights elect:

I am looking forward to working with each of you in reducing your council's suspensions. We will be using clearly defined guidelines which have been established over the past 20 years. Quite possibly we can create some new ideas for us in tackling *any* possible suspensions.

I will see you all at the summer meeting.

Financial Secretary Prayers, Tips & Tricks

Venerable Father McGivney created this organization 132 years ago with the thought in mind that the Order would help the widows, orphans and the members of the Knights of Columbus. That was and is the primary focus of our Order. Today, 114 councils do not avail themselves of the opportunity to seek and get the prayers of the 17000 plus member Knights and their families of our order in the state of Washington by simply providing a list of members and family in need of prayer to be published in the **WSC BULLETIN**.

When the Grand Knight asks the question "before we go to the good of the order, does anyone know of a brother in need..." and that is the list you should create and send to bulletin@kofc-wa.org. You should also offer the statement to include those in need listed in the state bulletin to be included in your council's prayers. Simply keep your list current with us, adding and removing as needed.

When a member of council or family member dies, it is the FS responsibility to ensure that Supreme is notified promptly (via Member Management or by form 100) to ensure that proper condolences are conveyed from Supreme. Also, you need to notify (email is fine) Worthy State Secretary Parazoo of name, next of kin and address so that condolences are sent by State Council and the member or family member is added to the Necrology for the Memorial Mass conducted at the state convention each year. A copy of your email notice must also be sent to the Bulletin Editor so that the deceased member or family member will also be announced in the next issue of the Bulletin

Sending an annual list for the necrology will get them in the book, but is certainly not in the spirit of fraternalism. These families in distress need and deserve our support and sympathy. Simply said...

The issues with email in Member Management to those with Yahoo or AOL addresses has been resolved, but the resolution should be communicated to all. Collective emails will show as being sent from "No-reply@kofc.org". One of two things can happen. The sender will not be recognized and it will not be read or the email program may still flag the message as spam Please tell your members to add "no-reply@kofc.org to their email address book to resolve this issue.

The Directory Update form will soon be available on website for 2014-15 directory. Be sure to update councils and Assemblies for GK/FN, FS/FC and Chaplain as soon as possible.

I have found some issues on rosters pertaining to degree levels obtained. Because input of the date or Yes/No for degrees obtained is then manually input in Supreme's main data base, there are some input errors. If you review the online roster and the degree dates are blank instead of having a date or Yes/No, you need to send email to experts@kofc.org requesting a correction. Please provide the member's name, member number and dates if known by email and it will be fixed.

Immigration Reform

Today ... U.S. Bishops Urge Congress to Act on Immigration Reform.

**They are lead in part by our own Most Reverend Eusebio Elizondo,
Auxiliary Bishop of Seattle and Western Washington and
Chairman, USCCB Committee on Migration.**

The Washington State Catholic Conference calls us to join them.

Immigration reform is controversial for many Americans. So why does the Catholic Church call us and all people of good will to engage Congress today?

Dignity of the human person!

We Catholics firmly believe in our inherent, God-given human rights from conception to natural death. Dignity is the core reason, although there are others.

America must reflect the teaching of Jesus that we be the Good Samaritan for all people in our country, no matter how they got here, no matter whether they are documented or undocumented, legal or illegal.

Please join the U.S. Bishops in asking Congress to pass comprehensive immigration reform.

Members of the U.S. Conference of Catholic Bishops'(USCCB) Committee on Migration, including those who celebrated Mass at the U.S.-Mexico border in Arizona April 1, will travel to Capitol Hill, May 29, to urge lawmakers in the House of Representatives to act on immigration reform legislation.

YOU can join the Bishops by participating in the National Call-In Day on May 29th:

Call toll-free 1-855-589-5698, and ask Members of Congress to:

- Vote for immigration reform,
- Support a path to citizenship,
- Preserve family unity, and
- Employ safe and humane immigration enforcement practices.

You may also wish to send a message to your U.S. Representatives, click [here](#) to send a message.

To learn more about the issue go to the [USCCB website](#) and there you may read the [statement](#) from our own Bishop Eusebio Elizondo.

The McGivney Prayer

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord. Amen.

No Veteran Dies Alone

Before the State Convention in Bellevue I was asked by the Chief of Volunteer Services if I wanted to take part in the "No Veteran Dies Alone" program because of my interaction with veterans that I drive to and from their appointments.

A group of trained volunteers visit a Veteran at the CLC (Convalescent Living Center) on the Vancouver campus of the Portland VAMC and ICU (Intensive Care Unit) at the Portland Medical Center Division. They sit and talk to the veteran and keep them company. Many veterans at the twilight of their lives have no family to visit them. This group is called the "Twilight Brigade"

That is what I have been doing this past year with the loss of four Brother Knights in my council spending time visiting them. I helped two other veterans that were declining with age issues by visiting and playing cards with them, taking them shopping, running other errands and joining them for Friday morning breakfasts in the past few years. I have been mowing the grass of my neighbor across from me who is in home hospice care he is a Viet Nam Veteran. His Marine Veteran daughter lives with him but, is going to school full time on her G I Bill time.

I have to attend a class to explain the "do's and don'ts" for the Twilight Brigade before I can make my first visit. It is easy for me to establish common ground with a veteran with my own experiences as a veteran. I soon will be recovering from shoulder replacement surgery so I will not be able to drive veterans. However, I will be able log volunteer time as a member of the Twilight Brigade after my out-patient physical therapy appointments.

The "No Veteran Dies Alone" program is in its infancy, not all VA Medical Centers have it yet. We as Knights are bound to visit our sick and disabled brothers, to assist their families under the Order's three principles. We invoke the fourth principle of Patriotism when we take care of our nation's sick and disabled veterans and now we will do so more than ever under this program. You probably have heard the recent news on the VA Health Care system. That will not stop me, nor should it stop you, from helping veterans in the twilight of their lives.

Thanks for the Memories (and Diapers)

George, Thank you for the detailed summary of our meeting. I appreciate you taking the time to do this. I wanted to share with you what the Council at Lady of Lourdes prepared for CAPA.

Starting in April they reached out to the parishioners at the Cathedral to do a diaper drive for our families. This went on for a 6 weeks, Martin Howser was the contact person and created a detailed plan to implement the drive. As of last night they had collected over 9,000 diapers. I have attached a picture of the group and the diapers. I just wanted to share with you the good works of one of your councils.
