"Unapologetically Catholic"

Message from the State Deputy

My Brothers,

A NEW DAY IS DAWNING...

As of this writing the COVID Vaccine has arrived in our State and is beginning distribution as we speak. It is estimated that many will not see an inoculation until late January or February but at least there is real hope on the horizon. THANKS BE TO GOD!

Our message this month is short: prepare for the coming of the Lord. CHRISTMAS (NOT Xmas) is nearly here. As we prepare to celebrate the birth of our Lord we also need to take a look back at this last year and remember how grateful we should be that so few of our members and families have been taken by this terrible Pandemic.

It is also time to look forward and continue to pray for our Clergy and each other and our families. Please also pray for our elected leaders, regardless of who you voted for, these are the ones in power now and they need our prayers. Pray that they will be more favorable to the Culture of Life and not the culture of death. Pray that Religious freedom be protected at all costs, and pray for our Church that many who have fallen away will return and bring others with them.

We are at a crossroads now. It is clear we will not reach our original goal of new members this fraternal year but for very good reason. Everything possible must be Virtual for now. Each of us must remain vigilant to avoid in-person meetings when not absolutely necessary. I know many thoughts are well intended but lives are at stake here. We can do a lot more good for a long time after this has passed, if we are still alive.

God bless you all and have a very Merry Christmas and a Happy New Year.

Fraternally,

Pat Kelley/SD

State Chaplain's Message

Dear Brother Knights,

Happy new year! I wish all of you and your families all the blessings of the Christmas season, which continues through the Feast of the Baptism of the Lord on January 10. I hope you haven't taken your Christmas decorations down yet!

2020 was a rough year in many ways, and I'm sure a lot of people are beginning this new year with a lot of hope that it will be better than last year. Everyone I talk to is eager to see an end to the pandemic and a return to at least some semblance of normality, even if it doesn't look quite exactly like the pre-COVID world.

I hear statements like, "2020 was a bummer of a year" and "2020 -- *that* was a waste!" People's sentiments are expressed in this quasi-biblical question: "*Can anything good come out of 2020?*"

Perhaps I exaggerate.... but maybe not.

People are sick and tired -- literally, in many cases -- of the increased hardships of life brought on by the pandemic. Strong feelings of anger and frustration are dragging many good people down and even testing their faith to the point that they forget that God is greater than this plague, and He wouldn't be permitting it to happen if no good could come from it.

I am reminded of the "First Principle and Foundation" of St. Ignatius of Loyola in his *Spiritual Exercises*. He says: "God created human beings to praise, reverence, and serve God, and by doing this, to save their souls." And he goes on to state that the rest of creation exists to help us achieve that goal. So, we should take or leave the things of this world based on whether they help or hinder us in our relationship with God.

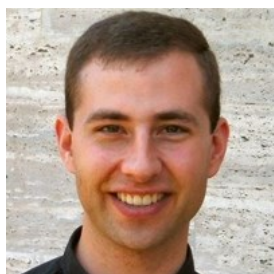

Finally, Ignatius writes: "For this it is necessary to make ourselves indifferent to all created things as much as we are able, so that we do not necessarily want health rather than sickness, riches rather than poverty, honor rather than dishonor, a long rather than a short life, and so in all the rest, so that we ultimately desire and choose only what is most conducive for us to the end for which God created us."

Does this not strike us as odd, or even a little bit crazy? Who wouldn't prefer to be well instead of sick, or to be honored rather than dishonored? It seems like these types of preferences are just part of our human nature. We would rather have ease than hardship, comfort rather than suffering. This is why we're so eager to put 2020 behind us and launch into 2021, hoping it will be an improvement over what has gone before.

However, the wisdom of St. Ignatius' insight rests in its recognition that there is something of greater value than what riches offer over poverty or health over sickness or 2021 over 2020, namely, the eternal benefit to be derived from the person's *experience* of riches, poverty, health, sickness, 2021 or 2020. The bottom line is this: we should set our hearts on growing in the love of God, and thereby welcome whatever means the Good Lord wants to use to move us in that direction, whether it suits our palate or not.

God had a purpose in all that came to us in 2020: our growth in holiness. If we missed the opportunity in 2020, let's not miss out in 2021. God truly does make *all* things work for good for those who love Him, who are called according to His purpose (Romans 8:28). Vivat Jesus!

State Secretary's Message

STATE SECRETARY JANUARY 2021 (as of December 19th, 2020)

Brothers...Farewell to 2020!!! Don't let the door hit you in the rear end leaving!

First off, I want to thank Council 676 for letting Columbus Charities ride the coattails of their \$50,000 donation to Special Olympics. That allows us to continue our Silver Level donor status and annual Community Partner Sponsorship Award presenter for Special Olympics Washington.

The Knights enjoy visible exposure in our State from Special Olympics involvement. This allows us huge visibility in our state, under normal circumstances. Without Council 676, I don't think this would have been possible despite some very generous donations received from the few Tootsie Roll Drives and GoFundMe.

A BIG SMOOCH for 676!!

Just learned this week that something I have been promoting for years was a myth. With the involvement of the Tootsie Roll Program, therefore Special Olympics, I was lead to believe that submitting a "0" on the 4584 Special Olympics form counted as involvement. While I found this to be strange, I was assured by neighboring State Deputies, numerous individuals, including two Supreme representatives, that this was the case over the years. I had hammered this at every Summer Meeting and Regional, you probably remember.

After some research from our Asst. Regional Growth Dir. Chuck Davlin, he found that this used to be the policy back in 2005. Originally it was to get councils involved in Special Olympics. He, and other jurisdiction officers, believed as I did that this was still the case.

Now, how do we fix this??? To continue Supreme supported donations to Special Olympics Washington, there must be some involvement by councils, monetarily, volunteer hours or otherwise. This is rather short notice, but if you would send \$5 or more to Columbus Charities on behalf of your council, or personally with your council number in the memo area, that will qualify your council as being INVOLVED in Special Olympics. Reason, Columbus Charities has huge involvement with Special Olympics mainly attributed to the Tootsie Roll Program. Most, if not all the funds you send will go to Special Olympics.

If you already have council involvement in Special Olympics, no need to send me \$5. That's just a suggestion to those councils that cannot participate.

Your FS needs to be notified of the money sent to me payable to Columbus Charities, or just a council donation. Then he will submit the Special Olympics form 4584 before January 31st, 2021 allowing us Supreme Washington Jurisdiction credit.

Last year Washington State Special Olympics received \$4,200 representing the number of submissions received from councils in our state (apparently without a 0). The year before it was \$7,000+, so you see it is significant. It goes directly to Special Olympics Washington, but that makes no difference. Special Olympics recognize it as being from us here in Washington.

If you have donated to the recently set up GoFundMe for Columbus Charities, notify your FS and those funds count toward your council donation to Special Olympics. Here's the link <https://www.gofundme.com/f/tootsie-roll-program> Anyone can donate and be credited to your council. If any of your family participates, that counts as involvement too.

State Secretary's Message (cont.)

I am now down to 12 councils that have NOT paid their insurance premiums due in July. I have now collected 92.57% of what is due from councils. If you are one of the councils that have not paid, please do so. The District Deputies and our Rewards/Support/Forms Chairman, Kevin Fraley has notified all councils. I know Covid is a problem, but your liability continues with the least bit of involvement. Our WSC pays the insurance premium for you, so we need reimbursed through your premium.

I am gearing up for per capita and Pennies for Heaven billing. Invoices will be sent around the 15th of January. Please be ready to pay, as I will be gearing up for the Convention and moving on to another position. Payment doesn't require a vote from your council. Please make checks payable to Washington State Council for per capita and likewise Pennies for Heaven.

We have had so many deaths the last few weeks. All death notices come through me, so I see them. I only know of two that were officially Covid related, but since cause of death is not reported to me, it is likely there are more. I have lost close friends, Knights and otherwise, that have passed from Covid. Pray to God this vaccine works, and kudos to those responsible in the implementation of Warp Speed and its success.

The list would be way too long to mention, but my God we have lost a lot of very good men and family members. May they rest in peace.

Now on to me, I by passed my last PSA because of a severe infection in the genitals hoping this might be the culprit affecting the results since my prostatectomy. I feared it was cancer, but an ultrasound proved that wasn't the case. I can tell you after 10 days of antibiotics, it is only slightly better. Not sure if I am going to need further treatment, or just ride it out. At this point, I don't think riding it out is an option due to its severity.

I plan to have another PSA next week (December 23rd). Hopefully the infection was responsible for the continued increase in PSA numbers. The urologist doesn't think it will, but what does he know??

Sorry this has been a long message, but it is all pertinent.

Get your PSA checked at least annually!!

State Treasurer's Message

Brother Knights,

Happy New Year to you and your families! The State Council's financial accounts are in good standing. Thank you for your continued generous support of The Pennies for Heaven Fund. State Deputy Pat Kelley has marked this program as our signature program in the State Council and you have delivered despite fundraising challenges over the last several months. Through your generous donations over the years, the State Council recently cut checks to each diocese in WA and to Bishop White Seminary in support of seminarians. The good news is that Bishop White Seminary is expanding, and we are assisting in a renovation project.

In case you missed the Supreme Secretary's announcement in November, the Board of Directors waived all January 1, 2021, Supreme Council Assessments. Please consider using some of those resources to advance one or more of the ***Leave No Neighbor Behind*** programs at your parish or in your local community.

State Advocate's Message

My Brother Knights,

Welcome to the second half of the fraternal year! We may have some good news on the pandemic front, as I write this article the first vaccines have been approved and are shipping. I hope and pray that the scourge of COVID-19 may start waning and allow us to resume a more normal life. Please plan how your Councils can continue to take care of business and prepare themselves for this time.

There have been some big changes in the Safe Environment Program that will affect many members and Councils. Effective immediately, each SEP position (Grand Knight, Community Director, Family Director and Program Director) will require a unique email ID, associated only to that member. This can affect you in two ways – if you don't have an email address, you will need to get one. Second, if you are using a generic email ID such as Council1234GK@gmail.com you will need to use a personal email. District Deputies have been given this same information so expect to hear from them if you fall into one of these categories.

Note – we understand that some men who currently hold SEP chairman positions do not have a computer or an email address, and some even took the SEP training via a hard copy book. We are working with Supreme on how to address this issue and will have more information in later communications.

The second big change is that Councils where the Grand Knight fills all four SEP positions will no longer be considered as compliant. The monthly SEP graphic later in the bulletin does not yet reflect this information as the change came out a couple of weeks ago and Supreme has not yet updated their reports. For this fraternal year end 2020-21 a Council must have at least two fully compliant members holding the Grand Knight, Program, Family, and Community director roles. Ideally that 2nd member should really hold either the community or family director role so that there are two background checked members overseeing activities.

Again, if your Council falls into this category you should expect to hear from your District Deputy as we work to get Councils back into compliance. Please know that you have my thanks and gratitude for all the efforts to take the training and become compliant!

Remember, my brothers, this is our time and the world needs our example.

Vivat Jesus!

Tom

State Warden's Message

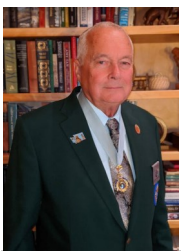

January State Warden's Report

Each Knight in Washington State is asked to complete an "Annual Survey of Fraternal Activity." The "Annual Survey of Fraternal Activity" is important because collected information supports our organizational tax status. However, more important, the "Annual Survey of Fraternal Activity" provides us with a way to review how well our Councils performed based on a comparison of accomplishments with the goals that we set for our Councils during the last half of the previous fraternal year and the first half of the current fraternal year. Please make sure all Council members are aware of why the "Annual Survey of Fraternal Activity" is important and when the survey should be returned to the Council's Financial Secretary. The survey Form 1728A is available in electronic format at kofc.org/forms.

Please accept my wishes for a prosperous, healthy and happy New Year. Stay safe, watch out for each other and **Leave No Neighbor Behind!**

A Message from the Immediate Past State Deputy

Hi Brothers,

We live in exciting times! Vaccinations to move us beyond the pandemic has turned my thinking back to the times when Council Meetings could be held in person and the buzz at the meeting was what new project we were gonna get into this month for God and Country.

One of the issues that started to surface before the pandemic was how good the Supreme Council has gotten at making it attractive to join the Knights of Columbus and how easy it was to move on for a new guy in the ranks. I'm referring, of course, to On-Line Membership and the Combining of the Three Degrees into a single half-hour.

We all know that the Knights of Columbus has a culture all its own and that it takes years to learn it. So, before you get to witness all your new, easily attracted members walk out of the door, I urge you to consider forming a Mentorship Program for your Council. Include pairing a seasoned veteran of your ranks with a new guy, so he can show him the ropes. Use the Shining Armor Award to help the new guy with goal setting and participating in the Council projects. Make the commitment for the first year and you will keep your new guy for life. That's the goal.

God Bless you and Happy New Year!

State Membership Director's Desk

My brothers,

As we start the second half of the year, I would like to present an analogy of how the year is like a football game – after the first half, we review what worked and what did not work, then plan on how to make changes in the second half. Plus, as a Seahawk fan, I always remember that the Seahawks are a second half team (please ignore the NY Giants game!).

As we begin the second half of the fraternal year, it is clear that what we did in the first half is not working and we need to make some changes in the second half.

Our membership numbers are as follows at the time this article is being written:

New Members – 127 or 18.14% of our goal of 700

Net Members – **(-11)** or **(-4.58%)** of our goal of 240

While some Councils are succeeding and have even achieved their yearly membership quotas, this is the toughest time for the Knights in our lifetime and our numbers reflect that struggle. However, we have tools that can help us even during this pandemic. Please read through the items below that we can leverage to make a difference in the second half of the year.

Father McGivney's Beatification

Blessed Father Michael J. McGivney's Beatification is a great opportunity to start a conversation! Fr. McGivney himself died in a pandemic but the organization he created to provide for the poor and marginalized lives on. Supreme website has great resources to share:

<https://www.kofc.org/en/events/father-mcgivney-beatification/index.html>

Online Membership

Social media and online membership can be a great way to reach Catholic men in a way that follows guidelines for safety. Most if not all Councils have members who are savvy in social media – leverage them to set up a Council page and start sharing your good work. Supreme even has a webpage dedicated to social media: <https://www.kofc.org/en/news-room/social-media-hub.html>. The State has a Facebook page and a Twitter site, and we are always looking for men who are interested in contributing material for the feeds to keep them fresh and relevant.

<https://www.facebook.com/KofCWA>

<https://twitter.com/KofCWA>

Remote Programming Guide

In the Fraternal Advisor #17 sent out on 12/03/2020, there is a reference to the Remote Programming Supplement document. Guide for how to deliver programs during the pandemic. Program Director Scott Hulse will have more on this soon and the document has been posted on the state website: <http://www.kofc-wa.org/FrontPageContent/SW/11139RemoteProgramSupplement.pdf>

New Supreme Meeting Guidelines

Supreme has published a new Council meeting guidelines document and a FAQ document. Grand Knights, you should read these documents and determine what changes you may need to make for Council meetings. The goal will be to make the general membership meetings more interesting and fun, and encourage more men to attend. If you have questions or concerns, please reach out to your District Deputy or myself for guidance: <http://www.kofc-wa.org/FrontPageContent/SA/GuidelinesforCouncilMeetings.pdf>
<http://www.kofc-wa.org/FrontPageContent/SA/NewGuidelinesQandA.pdf>

WSC Website

Finally, our WSC website is getting a makeover and we are adding more content, pictures and articles all the time. Please visit the site to check out the new information that has become available: <http://www.kofc-wa.org/nnDefault.aspx>

I hope that this has given you some ideas and guidance on how we approach the second half of the fraternal year. Times like this are made for what the Knights stand for and do. We want our communities to remember when the pandemic is over who were the ones helping during that tough time. While we must stay safe and follow all the applicable guidelines, we must not be silent and quiet during this time.

Thank you for your work to support our Church and Order.

Vivat Jesus!

Fraternally,
Tom

State Program Director's Desk

Each Knight in Washington State is asked to complete an "Annual Survey of Fraternal Activity," one piece of information that is used to assess each Council's progress. The "Annual Survey of Fraternal Activity" is important because collected information supports our Order's tax status. However, more important, the "Annual Survey of Fraternal Activity" provides us with a way to review how well our Councils performed based on a comparison of accomplishments with the goals that we set for our Councils during the last half of the previous fraternal year and the first half of the current fraternal year. We are half-way through the fraternal year and into the 2021 new calendar year. It is time to take inventory of each of our Council's accomplishments by assessing our members efforts as these relate to our commitment as an Order to the principles of Charity, Unity and Fraternity. Assessment results provide Councils with a way to identify successes as well as short-falls and guidance for modifying operational goals taking current social, environmental and regulatory conditions into consideration. Councils are encouraged to seriously consider the level of member activity so that they can assure the safety of members and their families while meeting collective as well as individual commitments to our principles.

We may be able to resume group activities again during the 2021 calendar year providing we are able to minimize risk and protect our members. However, resumption of group activities is dependent on a number of factors, some of which we cannot control. Possibly the most important of these will be effectiveness of inoculation programs. However, continued compliance with regulatory requirements as well as common sense practices are still going to be necessary.

The Washington State Council is planning to resume the Pilgrimage of the Silver Rose during 2021. District Deputy Mike Taylor (DD16) will be assisting by shepherding the Silver Rose in Western Washington during this year's Pilgrimage. We expect to receive the Silver Rose 3 May 2021 and will transfer custody of the Silver Rose to the Idaho State Council 13 June 2021. The Pilgrimage will begin at the Canadian border, proceed south to Monroe 9 May 2021 and then proceed on to the Washington State Council Convention for the opening Mass 14 May 2021. The Silver Rose will be in Aberdeen and District 30 during the week beginning Sunday, 16 May 2021. The Silver Rose will follow the Columbia River east to the Yakima Valley from Aberdeen and then to the Tri Cities and Walla Walla. The last week of the Pilgrimage is reserved for District 8 in the southeastern corner of Washington State.

The Marian Icon, St Michael the Archangel, was originally to have been released during January, 2021. That release has been rescheduled for 2022 because regulations related to the ongoing COVID-19 pandemic restricting group gatherings would limit access to the Icon.

All Councils are encouraged to continue submitting their Monthly Service Reports. In addition, please consider sending applications for the Faith in Action Service Awards as well as the Knight of the Year, Family of the Year, Harry J. Tucker Fraternalism Award, the George C. Turk Gift of Life Award and the Wade S. Walden Platelets Heros Award to the respective Faith in Action Directors or to me by 15 March rather than 1 April if at all possible to facilitate timely evaluation of these.

Please accept my wishes for a prosperous, healthy and good NEW YEAR. Stay safe, watch out for each other and **Leave No Neighbor Behind.**

Vivat Jesus!

Scott E. Hulse

State District Deputy Director's Message

Worthy District Deputies,

Yes! We made it through our first virtual Mid-Year DD Meeting. I trust you have also conducted your District Mid-Year Meetings or will soon complete them. This a critical time for all leaders to assess how well we are fulfilling the mission of the Order. The fruits of that assessment should lead to implementing strategies that will enable councils to be successful. Never let a pandemic damper your spirits!

As I mentioned at the Mid-Year meeting, the assessment begins with each leader individually. Review what I call the *DD Examen* and honestly answer those questions. You'll find them in the December State Bulletin. I'm not typing them again.

Congratulations to the top five Districts in Membership Growth as of December 1, 2020:

DD4 Michael Colosi – 42.1% of goal
DD2 Larry Devlin – 25% of goal
DD23 Jim Chambers – 25% of goal
DD28 Alan Kempen – 25% of goal
DD5 Thomas Holm – 21% of goal
DD3 James Plowden – 20% of goal
DD27 Dennis Thueringer – 18.7% of goal

A few things to be on top of in the next few weeks. Complete your District Mid-Year meetings and inspire councils to be engaged using the **NEW Remote Programming Supplement: A Guide for Expanded Participation**. You Can download it from the Fraternal Advisory, Vol. 17. Look for Round Table and New Council opportunities. Complete your **DD Semi-Annual report (Form 994A)** and submit. Those reports were due to Fraternal Mission by 12/31/2020. Remind your councils to complete the **Annual Survey of Fraternal Activity** and submit to Fraternal Mission by 1/31/2021. The **Special Olympics Report** is also due on 1/31/2021.

Keep councils informed of Regional Training and Fraternal Webinar schedules.

“Better to illuminate than merely to shine.”
St. Thomas Aquinas

Happy New Year and Vivat Jesus!
Fraternally,
Greg

A new *St Michael the Archangel* Icon and associated pilgrimage through Washington State is coming soon! This was announced during a Zoom conference with Supreme Faith Director Evan Holguin. More details are forthcoming.

There's about five months remaining in our quest to attain recognition for services rendered to the parish. You endured much this past year. Undoubtedly you will continue to do well during the months to come. The culmination of our fraternal year encompasses the pursuit of Star Council. Our associated Faith Programs lend weight to attainment of this coveted honor. Amidst all the turmoil, I do hear of slow but steady influx of new members. This is a good sign and attributable to the qualities of leadership required to attain these goals.

With regard to our Supreme web-site and navigation therein, simply select any of the specific topics listed above for direct access to the Faith program area of interest.

On another note, toward the later part of the fraternal year you will be asked to develop your input for Faith Award category. If you haven't consolidated your good works for submission or haven't a plan to do so, now is the time to give it some serious consideration. Think of the narrative and supporting material to support your effort...you might search for someone in your Council that has a skill-set for compiling information on your events. The submission of a good chronicle of accomplishments and supporting write-up will strengthen support for your entry. Council Program Directors and or Faith Chairman are especially central to making this a rewarding experience. Its been a hard year indeed. Do your best and plan ahead.

Brother District Deputies, This is a good time to ascertain the well-being of your district. An exchange of ideas and objectives for the remaining fraternal year is prudent. I hear that many Councils are accomplishing wonderful outreach programs within their parish communities. Your District Council Program Directors and or Faith Chairman need to capture selected Faith Programs details. This is most important. Especially the mandatory programs.

Supreme Chaplain's Monthly Challenge

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense and myrrh. (Gospel for Jan. 3, Mt 2:10-11) It's quite a magnificent scene: Intellectuals from a faraway land, not even of the Jewish faith, travel to pay homage to the newborn king. Their gifts acknowledge the child's kingship and foreshadow the sacrifice he was to make. They are also a sign of what a gift this newborn king is to the entire world. We must also recognize every child as a gift to the world, created in the image of God himself. May we recommit ourselves with renewed vigor to protect and cherish the life and dignity of every human person.

Challenge by Supreme Chaplain Archbishop William E. Lori: I challenge you to take a concrete, tangible action to support the cause for life in your community, by donating money or supplies to a pregnancy resource center, praying outside an abortion facility or joining your parish's pro-life group. Second, I challenge you to participate with your brother Knights in the Faith in Action Novena for Life program or, if possible, the March for Life program.

Questions for Reflection: Do you see the image of God in every child, in every person, or do you sometimes look at others as objects to be used? What does taking action to defend life show you about how individuals can impact the world? What more can you do to support the cause for life, whether the contribution is great or small or consists of prayer or works?

13th Promise of Mary to Christians Who Recite the Rosary: "I have obtained from my Divine Son that all the advocates of the rosary shall have for intercessors the entire celestial court during their life and the hour of death."

Any Brother Knight interested in assuming the Chairmanship of the Marian Prayer Program, under the "Faith" category, please contact me at the email listed below.

A Message from the State Vocations Director

With the Apostolic Letter *Patris Corde* ("With a Father's Heart"), Pope Francis recalls the 150th anniversary of the declaration of Saint Joseph as Patron of the Universal Church.

To mark the occasion, the Holy Father has proclaimed a "Year of Saint Joseph" from 8 December 2020, to 8 December 2021. Saint Joseph is the patron saint of the Universal Church, patron saint of fathers and also patron saint of workers. He is also the patron saint of families (and selling homes if that is your need).

Many of us look at vocations as just the priesthood and religious life and forget that marriage and family life are essential vocations and the first vocation created by God.

God's call to marriage is a particular way of living the universal call to holiness. The true meaning of vocations is "to love", that is to love in an intimate relationship with a spouse, or "to love" all of God's people through the priesthood and religious life.

As we begin a new year let us ponder on our own vocation and ask God to help us renew our own call to holiness through our vocation. As we begin a new year let us ponder on our own vocation and ask God to help us renew our own call to holiness through our vocation.

Tim Coyle

Vocations Chairman

State Culture of Life Director's Report

Washington State Bulletin for January 1, 2021

I hope all had a Blessed and Merry Christmas and I wish you and yours a great New Year. I think we are all ready for a new year with a fresh start. The pandemic has forced us to do new things, many of which may turn out to be a true blessing. Because they were working from home I believe our children had a great opportunity to work on and develop computer skills that weren't available in the past. So many of us have had the opportunity to work from home and many will be able to continue long after the COVID-19 pandemic is history. We have all learned new ways to do things and I believe that will be a good thing.

I am very grateful to have had the BEST BY FAR Pro-Life President in the history of our nation. Unfortunately we may have elected the most Pro Death politicians in our history for the next four years. There will be many changes ahead! That being said, I know our hope is secure in Jesus Christ. It is important that we know of the challenges ahead and do all we can to mitigate the damage. We must remember that God has a plan and put our Faith in Him. I believe prayer is our best ally. I know many have prayed diligently over the course of the past six months for "4 MORE YEARS" but God knows best. We can't give up on our efforts and prayers to protect life. Prayer is our strongest defense!

The 2021 national march for Life in Washington DC will be held on Friday, January 29th. The latest information I have is that the Washington State March for Life is still in the works but it is still in the planning process. For the first time in the last 25 years or so **THERE WILL NOT BE A LUNCHEON AT SACRED HEART, LACEY** following the march due to the pandemic, social distancing and all. I don't have any information on the Northwest Walk for Life in Spokane at this time. The March for Life San Francisco is scheduled for Saturday, January 23rd with preliminary events planned for Friday, January 22, 2021.

Now is the time to organize your efforts for the Knights of Columbus Pro-Life Poster and Essay Contest. You will need to distribute the rules by February 1st. The essays need to be returned to your council in time for you to judge them and get them to me by April 1. Also the posters need to be returned to you in time for your council to judge them and bring the winning posters in each classification to the State Convention. Drop off only the winning posters in each of the 3 categories at registration on either Friday or Saturday. The state judging will begin at noon on Saturday.

We currently have two new ultrasound programs awaiting funding from Supreme. The first is for the Palouse Care Network for their new center on the Washington State campus sponsored by John Payton Council #15338 in Seattle, WA. and the second is Next Step Pregnancy Services in Lynwood, Washington. This center is sponsored by Seattle Council #676. When funded that will make 6 ultrasound machines placed in 2000.

GREAT JOB WASHINGTON COUNCILS!!

God Bless all of my Brother Knights and their Families,

**Ron DeGroot,
