Message from State Deputy

My Brothers All,

Hope you all enjoyed the Summer Leadership Meeting held on July 17 thru 19 in Pasco. We have received a number of good comments about the content of information presented. For those that wish to view the presentations (again or for the first time) please go to our state website (www.kofc-wa.org).

As you may have seen, our Supreme Council assigned goals for Washington State Council are as follows:

- Intake goal - 930 --- this is the total new or reactivated members we need to gain this year.**
- Net goal - 560 --- this is the total intake minus all suspensions and withdrawals.**
- Net-Net goal - 275 --- this is the total intake minus all suspensions and withdrawals minus deaths.**
- New Council goal - 1 --- this is the total new councils we must establish.**
- Round Table goal - 47 --- this is the total round tables we must set up and REPORT.**
- Star Council goal - 27 --- this is the total councils that must make Star or higher (double, triple).**

These are the goals the Supreme Council tracks for us as a State Council. For years we used to make our Supreme Council goals....however, these past few year we have not attained them. It is high time Washington State reaches for the Stars and attains our goals. We can't do that as State Officers....it takes you individual members and collective members in your councils to attain this. Your council is assigned a membership recruitment goal and if you attain your goal, then the State of Washington will attain theirs. We will provide every tool necessary for you to attain yours....so can you reach for Star too?

Please see the outstanding incentives our State Membership Director as well as Supreme has established to encourage us to perform at a high level....by recruiting new members.

As you have heard over the last year or so....**visible programs are key** to success at our council level. Whatever program you do - make it visible. Our community needs to see and hear about it. Our churches need to see and hear about it. Our families need to experience it. Art Smalley provided some neat ideas and suggestions on how to do just that. Please see his presentation if you missed it.

Speaking of Art, I reluctantly accepted Art's resignation as our General Program Director for the State of Washington. Art has put in countless hours in support of our state programs but decided to step away from that role. As such, I have appointed State Warden Greg Mahoney to replace him and hope you all take time to welcome Greg to his new role. I have every confidence that Greg will perform his new duties in this role with distinction. So, your State Directories will need to be updated already.....

I hope and pray that your summer is going well and that you are all safe from the many wildfires that are setting our state ablaze. I am praying for rain to help control these fires. God Bless. Vivat Jesus!

New State Chaplain Announced

The Washington State Council is pleased to welcome Father Kenny St. Hilaire as our new State Chaplain! If that name sounds familiar, it should - - Fr. Kenny is the nephew of State Historian Joe St. Hilaire

The Scriptures tell us that God is love (see 1 Jn 4), and at the very heart of love is gift: the gift of oneself to another. God is the great giver of gifts, as we well know. To receive and experience the love expressed in the gift, gratitude is key. When we are ungrateful, we fail to recognize the giver, and we ultimately lose the gift. On the other hand, the more we are grateful, the more readily we see the gifts that are being given, and the more deeply we experience the love of the giver.

I begin with this short reflection on gratitude because I don't want simply to write, "I'm thankful to be your new State Chaplain," and leave it at that. I regard my service as State Chaplain as a great gift and therefore a tremendous opportunity for me to experience the goodness of God at work through it. I trust, too, that God will use me somehow to help you know him and receive him more deeply in your life.

I was born and raised in rural Pasco, WA, the youngest of seven children in a devout Catholic family. I attended St. Patrick School through eighth grade and graduated from Pasco High School. From there, I pursued a degree in Mechanical Engineering Technology at Central Washington University. However, I never worked as an engineer. God had other plans for me, and (once I started seeking God's will instead of my own) I entered the seminary at Bishop White in Spokane, where I studied mostly philosophy for a year.

Fall of 2003 took me to Rome for further studies, and after receiving good instruction from the Dominicans and Carmelites, I returned home in 2008 with a degree in theology and a licentiate (a kind of specialization) in spiritual theology. I had been ordained a priest on June 29, 2007, prior to my final year in Rome. Since that time, I have served in a small handful of parishes in Spokane and in the wheat country west of the city, as well as at Bishop White Seminary.

It was shortly after becoming a seminarian that I became a Knight of Columbus, taking the First Degree in (Pasco) Council 1620. After becoming the Pastor at St. Patrick in Spokane, I transferred to St. Michael the Archangel Council 14394, where I am still a member although I am no longer in that parish. I observed the Second and Third Degrees, and I hope to become a Fourth Degree Knight before too long.

My own Dad is, for me, one of the best models of what it means to be a Knight. For over ten years now, he has been very actively involved with KC Help. At 82, he still makes deliveries of hospital beds, lift chairs, bedside commodes, walkers, and other equipment to people in need. Always ready to be of assistance, he usually goes out on a handful of calls each week. It's the fruit of going to Mass every day and praying the Rosary daily with Mom. The gifts they receive from God pour out into the lives of the people they serve.

This is the story of countless Knights and their wives. We ought to be proud to be numbered among the ranks of such dedicated and generous people. The more we grow in gratitude for the gifts God gives, the more we'll grow in dedication and generosity.

May God bless you and your families abundantly!

Fr. Kenneth St. Hilaire
State Chaplain

Late-breaking news from Supreme Convention

We have some late-breaking and wonderful news from the Supreme Convention, courtesy of State Deputy Ed Parazoo! Two Washington State Council programs and one Assembly program have received international awards this year. Congratulations to the winners and thanks for your hard work!

5th Place—Church Programs

St. John Bosco Council 11762 – Grand Knight Porfino Montes

“Gateway to Heaven”

This memorial honors beloved Pastor Father Lee Hightower who passed away on May 7, 2013. Forty one Knights worked some 690 hours to build a Memorial Gateway in the lovely Meditation Park at St. John Bosco Church in Lakewood.

2nd Runner Up—Family of the Year

Mike and Cindy Reisenauer of Richland Council 3307

This year’s Family of the Year is deeply involved within their Church and Community as well as their Knights of Columbus Council.

Within the Church our Knight has served as President of the Parish Council. The major school fund raising event has been an all family event. They were leaders in a youth mission program to the Catholic Heart Work Camp in Ashland, Montana where 15 youth of the parish worked on the Northern Cheyenne Native American Reservation doing manual labor and clean up. The family organized a breakfast after three Sunday morning masses and enabled the participating youth to lobby for contributions to support their mission.

Carrying on a family tradition started decades ago they decorate the parish sanctuary each Christmas with the Manger scene that really brings Christ’s birth to the worship environment.

Our Knight originated the youth choir over 2 decades ago and continues playing guitar and chanting at the youth Mass.

Within the Community the family have helped out delivering durable medical equipment to the poor in the community. The family have led the Parish Boy Scout program during their children’s formative years.

Within the Knights of Columbus our Knight is a long time member of his Council’s First Degree Team which in the past has won the State competition. He has also been his Councils Bulletin Editor. His approach to service within the Knights has been one of a servant leader, whether it is washing dishes, cooking pancakes, or putting together slide show presentations. In responding to requests of the Council’s Grand Knight for an activity they do so with a “can do” attitude as the family has led several of the Councils annual Turkey parties.

First Place—To Be a Patriot Award

Our Lady of the Americas Assembly 3123
Bothell, WA

Support "Heartbeat - Serving Wounded Warriors"

Our Lady of the Americas Assembly partnered with the non-profit group "Heartbeat - Serving Wounded Warriors" to conduct several programs in support of wounded warriors throughout the 2014-2015 fraternal year. The services the Knights provided were an ongoing and meaningful presence in the lives of the veterans. Knights assisted with activities ranging from Christmas events (Giving Tree, production of stockings and a Christmas party) to making a float for the Fourth of July parade, to conducting fundraisers and presenting Patriotic Service awards.

"To Be a Patriot" Award was established in 1985 and annually recognizes the three best patriotic programs conducted by Fourth Degree Assemblies each fraternal year. Entries are judged at the district, providence and international level.

Message from State Secretary

My Brothers All,

I got a chance to address the District Deputies at the Summer Leadership Meeting and I had a ball doing it. My message was a simple one. Make friends with your Grand Knights and you will be successful together. That's what worked for me when I was a District Deputy. I sure hope that all who attended got a lot out of the meeting and are energized to have a great year. We are really overdue to have a good one, so let's allow ourselves to be successful and most importantly, let's enjoy it all the way!

Now that the first big blast of information and action is over for the State Deputy, he is going to take some time to show me what I need to do to get a State bill into the hands of the Financial Secretaries.

Now that we know that the Liability Insurance will only be \$1 per man, we can start billing and collecting (my favorite part). Please pay promptly so the state can take care of the invoice when it arrives from the insurance company. I know some of you have events this month, so please make sure we get those insurance certificates requested in time for your event. Information is available on the State Website (www.kofc-wa.org).

I'm new at my job, so I ask you all to be patient with me, but don't be afraid to ask questions if you have some. We can learn together. God Bless!

Message from State Advocate

Worthy Brother Knights,

Supreme sent me an update on EIN revocations and potential revocations, along with all other council filing dates. Six councils/assemblies were in the revoked status, five were in the warning zone (less than a year from revocation), and six that I see as future problem areas. If you haven't heard from me, you are not in any category mentioned above. I am happy to say that fifteen are on the road to correction. If all fifteen follow through, there will only be two councils left in the headache category.

Since taking over as Advocate, I have learned some interesting facts of which you might not be aware.

As you know, you must file a 990-N (Postcard) <\$50,001, 990 EZ <\$200,000 or 990 <\$500,000 each year, depending on your receipt totals. If you do not file each year (which you should), you must file within 3 years or you will lose your Tax-Exempt EIN status. Reapplying is costly and cumbersome, as some have found.

An important fact I just learned, and maybe the source of trouble for some councils', if you do not file by the deadline, and file afterward, it will not be accepted and you will never know until there is a problem.

Example: Council 1234 filed a 990-N in 2012 before the due date of 5/15/2013 (this depends on your council's established tax year). For 2013 tax year, your council filed 5/30/14, 15 days past deadline. You, unknowingly, didn't know your filing of 5/30/14 was not accepted. Tax year 2014 was filed 6/30/15, and unknowingly was not accepted. Now you get a call from me asking why you have not filed taxes for the past two years and that your EIN will be revoked if you do not file by 5/15/16. Your response, well I filed each year. There would be no record of 2013 or 2014 because you were beyond the deadline and not accepted by the IRS.

Easy fix, file your 990 whatever by 5/15/16 and you will not lose your EIN tax exempt status (if the IRS does not lose your paperwork, which is a good reason to file each year).

If you do not file by 5/15/16, you will be revoked and need to go through the lengthy, costly process of reinstatement. Supreme makes this easier by sending a package to reinstate, but it is still cumbersome.

Avoid the whole problem by filing each year WITHIN THE DEADLINE.

Thanks guys!!! Any questions, I will do my best to answer or find the answer.

2015 Summer Leadership Meeting

Brother Knights, it was very good to see many attend the Summer Leadership Meeting in Pasco. I greatly appreciate your patience during registration. I want to extend a special thank you to our brother knights from Pasco Council 1620, for their support rendered during envelope stuffing on Friday night and attending to the registration table on Saturday morning. WFS Bob Spinler, you did a super job coordinating support for registration and for the 4th Degree Honor Guard during Mass, and the Installation of State Officers and District Deputies. I believe everyone in attendance received their charge loud and clear – to be Men of Action. All of us should be servant-leaders dedicated to advancing the vision of Fr. McGivney. Lead, be professional and use the tools presented at the summer meeting and you will be successful with regard to the three pillars of membership, insurance and strong visible programs. Briefings presented at the summer meeting are posted on the WSC Website for your reference. Any questions on the briefings, do not hesitate to contact me at StateWarden@kofc-wa.org.

Message from Supreme Membership Program Consultant

My Brother Knights.

First let me introduce myself. My name is Ray Lopez and I come from the state of Utah. I spent the last 23 years as a police officer before retiring and joining the Supreme Office. My wife of 25 years Rebecca, but she likes Becky. I have 4 children Spencer, Kate, Nicole and Joe. I have been a knight for over 20 years and served in many roles as Grand Knight, Faithful Navigator, District Deputy, Conferring Officer and State Deputy of Utah from 2010 to 2012.

It was my pleasure to be with you at the recent Summer/Organizational meeting. First let me thank you all for your kindness and hospitality. I truly felt like a brother for my first time visit. I enjoyed the training provided and must applaud your State Deputy Ed, and his team of trainers for the excellent work and effort they did to help you all prepare for the coming year. I hope you all are back planning Programs and Asking men to join you in service.

Remember Membership 365; any time is a time for service, charity and recruiting. Always be ready to help and always be ready to ask "Are you a Knight, and will you join us." Live this mindset because you never know when you will be called to serve. I am happy to announce our first arranged Training session in October 7, 8, 9 and 10th in the Spokane area. With Saturday having special focus on the benefits for Police, Firefighters, and Military. If you are planning on attending and want a subject covered please let the host District Deputies know so I can make sure it is covered.

I am excited to be your Membership Program Consultant and look forward to meeting many more of you. I am excited to on what I can bring to your state and take from your state the best practices so together we can grow and strengthen the order in service to our Catholic Faith.

Vivat Jesus!

5th Sunday Rosary Program

5th Sunday Rosary Program Fact Sheet

What is the 5th Sunday Rosary program?

- Knights of Columbus councils are encouraged to sponsor Rosary prayer services on the fifth Sunday of the following months:
 - ◊ August 30, 2015
 - ◊ November 29, 2015
 - ◊ January 31, 2016
 - ◊ May 29, 2016

When and where can councils conduct 5th Sunday Rosary prayer services?

- Ideally, prior to each Mass or a selected Mass on the weekend of the fifth Sunday. Alternatively, a 5th Sunday Rosary Prayer service can be conducted in the parish hall or council meeting place at a convenient time on that weekend.
- It is important that, when planning 5th Sunday Rosary prayer services, councils work with the pastor and/or council chaplain, so as not to conflict with other scheduled parish events.

What support will the Supreme Council provide in support of this program?

- Councils will be sent, upon request, a 5th Sunday Rosary Program kit, which will contain a supply of Rosary rings and instructions on how to use a Rosary ring.
- It is important to note that participants can also use their personal Rosary when participating in a 5th Sunday Rosary Prayer service. Knights of Columbus members, for example, may wish to use the Rosary they were given when they took their First Degree.
- The 5th Sunday Rosary Program kit will also contain materials and information that can be used to promote the council's 5th Sunday Rosary Prayer service and a Rosary Prayer card, which contains information on the Mysteries and Prayers of the Rosary.
- The 5th Sunday Rosary Program Kit order form will be sent to each council in July, and posted to kofc.org/forms.

Conducting this Church Activity on each of the 5th Sunday's during the 2015-2016 fraternal year will fulfill all four requirements for the Church Activities section of the Columbian Award. In addition, it provides a visible "faith formation" program that will engage current members and their families, and will give parish families who are not yet part of the council an opportunity to experience the faith and fellowship that comes with being a member of the Knights of Columbus.

Special Olympics

Reinforcing Special Olympics

Do you ever catch yourself thinking one day, “Hey, we used to help out that charity or cause every year but we have not in a very long time.” That phrase is often SO common these days it seems in charitable organizations, including the Knights of Columbus. We get so busy with certain programs and membership that sometimes some programs quietly just slip away. Sometimes we/councils let certain programs slip out of our fingers over time because of new programs or possibly never finding a chairman to take that program over when the other man is done.

Here sets Special Olympics. Worldwide we do SO MUCH for Special Olympics! Statewide, we do SO MUCH for Special Olympics....kind of.

In this state we are doing an EXCELENT job of raising money for Special Olympics through the Tootsie Roll Program. In fact, we are one of the largest donors/supports of the Special Olympics in the state when it comes to money donated. But then, there is everything else. Special Olympics has SO MANY events around the state year round that they need help with that has nothing to do with the Tootsie Roll Program. They need mostly MAN HOURS on a lot of these events. Some of these events include the Winter & Summer games, Softball Tournaments, bowling tournaments, and of course the newer Polar Plunge to name a few. Currently, there are just a few handful of councils helping out by providing lunches/man hours to help out the Special Olympics. On one side of the Special Olympics, we are doing a great job. The part I am talking about now, we need help!

As we start the new fraternal year, please consider having your council be a part of the Special Olympics by donating hours. Some programs are fundraising events as well like the Polar Plunge in the winter time. But most of them they are in need of just man hours.

When we talk about what it takes to be a HIGHLY VISIBLE COUNCIL, this is a perfect opportunity to get the Knights of Columbus name all around the state. It's not that we aren't doing a good job brothers, it's that we are taking a little nap and we need to wake up and take an highly active part with time and money with the Special Olympics. Our goal should be to be the TOP donator of money & man hours to the Special Olympics. Some things money just can't buy. We need to be close with these special athletes who are amongst some of the bravest in our loving country. The time is NOW to start building this part back up of the Special Olympics.

You will be seeing many emails from us over the fraternal year on how you can get involved with the Special Olympics around you. We pray that you all have a successful and fruitful year, and if you need anything at all, please do not hesitate to contact either of us.

KNIGHTS OF COLUMBUS
MAKING A DIFFERENCE FOR LIFE

July 8, 2015

Ygnacio Calderon
10405 NE 124th Ave
Vancouver WA 98682-1612

Dear Brother Calderon,

The Our Lady of Guadalupe- One Life One Rose Silver Rose Program has been a Knights of Columbus tradition for 55 years. This tradition would not be possible without your hard work and dedication, along with that of the countless other Knights who have helped to make this program such a success through the years.

Thank you for all that you do in support of this multi-national program. Beginning every spring and culminating on the Feast of Our Lady of Guadalupe on December 12, Knights of Columbus councils from Canada to Mexico conduct prayer services in spiritual unity with their brother Knights throughout North America. You should be proud of the role you play in this flagship program of the Knights of Columbus.

Again, thank you for your support of the Silver Rose Program. Please also convey my gratitude to all the Knights in Washington who helped make this year's Silver Rose program a success. Now that the Rose has completed its journey through Washington, please remember to submit your Silver Rose log form so that our records will accurately reflect your participation.

Looking forward to having Washington participate in the 2016 Silver Rose, I am.

Fraternally,

George W. Hanna

The Start to a New Fraternal Year!

Every time I leave the summer meeting, I feel so energized and pumped up ready to go for another fraternal year. I compare the Summer Meeting to a football huddle. We all gather together in Pasco to learn these new “Plays” and learn the tools and technique necessary to run the play right. Everything from how to run a successful meeting, to all of the wonderful programs that are pillars to our success as knights. Once we get together for the last time for the weekend, we all get into that huddle and hear that final play. We then break from the huddle, to go execute that play to the best of our abilities to all of our local councils.

The reason I compare this to breaking from the huddle is that all Grand Knights now **MUST** go huddle up your Officers and Chairman to get them trained and **PUMPED** up for your council’s next play! Having an officer and chairman meeting after the summer meeting is **CRUCIAL** because now all of you can work on being able to lay out the foundation of the new fraternal year and set the expectations the council will have with programs and membership.

I just want to give you all a reminder that as your State Council Chairman, I **WANT TO HELP YOU!** If you have any questions at all about how things are supposed to get done, what to fill out, how to send certain things in, call me! There is no such thing as a dumb question because there is a lot to learn and the point of my position is to help you guys out if you need anything. Need more training? I am here for you! I remember when I was a Grand Knight, I had so many questions!

Remember that your first Monthly Service Report is due by August 10th for the month of July. Also, I encourage you to visit the state website. There are several nice resources that you can use to help you out. The website is <http://www.kofc-wa.org>. There you will be able to go to “Officer Resource Tab” and click on your title you are looking for (GK, DGK, FS, or CHAN). The GK tab has the most information as of right now. There you can get an electronic copy of the GK handbook and shows when all of the forms and awards are due. Just keep in mind the website is still being fine-tuned in that area so it is not 100 percent but most of the information you need is there.

I want to reiterate the importance of being a leader of your council. You are the one breaking that huddle so to speak. So when you’re calling the play, make sure you inspire your brothers!

Vivat Jesus,

Joe Wolleat

General Programs

Our WSD has given me permission to announce a change in the area of General Programs for this fraternal year. I am now the General Program Director for the WSC. I want to thank Brother Art Smalley for his service and his hard work in developing our paradigm shift to Strong Visible Programs over the course of the previous fraternal year. I intend to keep the focus on Strong Visible Programs and will collaborate with the Chairmen of the six program categories to do everything possible to assist councils in their service programs. Contact the Program Chairmen directly for answers and help regarding any of the Supreme Eight Featured Programs or programs in general. Contact information for Program Chairmen can be found on the WSC Website at <http://www.kofc-wa.org/Family/Chairmen/nChairmen.aspx>

Grand Knights are expected to finalize their fraternal program calendar in July and August. Use your Fraternal Leader Success Planner distributed at the summer meeting to plan early for success. GK's and DD's should contact me soonest if you did not receive a Success Planner. In addition to the many noteworthy programs councils conduct every year, I strongly encourage councils to continue or to start incorporating the strong visible programs sponsored and supported by the Supreme Council.

July and August are the months to order supplies from Supreme and promote the following programs: **Catholic Citizenship Essay Contest and the Soccer Challenge**. These programs should be conducted in September/October.

You should begin planning Coats for Kids and the Tootsie Roll Program during August.

I encourage all councils to promote and run one or any number of the following programs year round: Gary Sinise Foundation, Warriors to Lourdes Program, Global Wheelchair Mission, Habitat for Humanity, Marian Hour of Prayer, RSVP, Special Olympics, Ultrasound Initiative, Food for Families and Building the Domestic Church.

State Program Chairmen will be proactive in forwarding to GK's and Council Program Directors information regarding the Supreme Council's Surge with Service manual and ongoing and season specific programs, to include order forms, program brochures, guidelines and timelines, monthly service program reports and service program award applications. Service Program Award Applications are due to the State Program Chairmen in April. Submit your noteworthy programs and recognize the great works your brother knights are doing. Always keep in mind to Be Men of Action and help build up Christ's Church. Vivat Jesus!

Greg Mahoney

Tootsie Roll

Knights of Columbus
Columbus Charities

Started in 2011, the **Tootsie Roll Program** is
One Sweet Deal, having raised over **\$420,000**
since its inception, benefitting more than **45 Organizations**,
most notably the **Special Olympics**, with over
\$150,000 in contributions. We are *Knights in Servitude*.

It's one of the many things we do, as Knights.
It's what we do best.

The graphic includes the Knights of Columbus logo, a collage of photos showing volunteers in aprons and vests, and a large image of a woman wearing a Tootsie Roll apron. A Tootsie Roll candy bar is also shown.

Tootsie Roll Program August 2015 columbuscharities.net

Worthy Tootsie Rollers,

Tom Williams, Bulletin Editor, is trying to get the Bulletin out as close to the 1st of the month as possible, however, Supreme data takes some time to record so the best he can do is the 4th of the month. That being said, those that have not ordered Tootsie Rolls and/or Aprons have time before their drive in September/October. Tootsie Rolls and Aprons take about 3-4 weeks for delivery.

I still have Tootsie Rolls available for those on the Westside of the mountains at cost, but they are going fast. You will need to arrange pickup in Olympia though. I have other connections for Tootsie Roll cases throughout the State, so let me know.

Get involved with this worthy program. Few programs show what the Knights are all about like the Tootsie Roll Program. We have raised over \$420,000 and contributed over \$369,000 to those with disabilities in just 4 short years. We are now the third largest donor to Special Olympics Washington. If you haven't been involved with this program, do it. If you have been involved, but stopped for some reason, pick it up again. We have many more resources for success and manning locations than we did two or three years ago, so "Don't Be Afraid".

Statewide, 91 cents of every dollar goes to aid the disabled. The rest is for product, aprons and printing which continue to reduce each year. I challenge any organization that raises funds to come close to these numbers. We are a well-oiled machine now.

If you haven't already, fill out the Council Chairman form, get your locations, and worry about the logistics later. Fred Meyer is our best partner, but QFC and Walmart are great too, all you need to do is ask. I can help you find Special Olympians, along with guardians, to man locations. Just do it!!

Remember 80% of the net proceeds can be granted to organizations that deal with the disabled in your area. That is the beauty of the program, keeping funds local for visibility.

Tootsie Roll continued

Joe and Erin Wolleat have done a great job with our columbuscharities.net website. Check it out!! Everything is there under the Tootsie Roll image. Left click it and you will see.

Do your council proud and get involved, you will not regret it!!!

Founders Award

ACHIEVING YOUR COUNCIL'S INSURANCE QUOTA (Founders Award)

Every council can attain its insurance quota simply by promoting the guaranteed, flexible, tax deferred annuity offered by the Knights of Columbus. However, any application completed or initiated by a council must be signed by a licensed insurance agent. Following are procedures on how to achieve your insurance goal.

1. Target your associate and newly initiated members, uninsured council Chaplain or Pastor. Remember that insured members applying for an annuity will not count towards council quota. Note: Some Councils are buying annuity for their uninsured Chaplain, Pastors, or new members to achieve their goal.
2. Form required - 600Q-WA 3-07. This form can be acquired from the KC Supply system, your Agent or General Agent. Note: If no agent is assigned to your council, call me and I will send you a form.
3. Form Completion. The form is a 12 page application. All pages must be fully completed and signed by the applicant/annuitant. On page 1, the applicant and the annuitant is the same person. Any page(s) which requires the completion of an agent must be left blank. All other pages are self explanatory. Call me if you have questions concerning completion. I will provide guidance.
4. Required Deposit. All applications must be accompanied by a \$300.00 check or Money order payable to the Knights of Columbus.. Do not send cash or council check. It will not be accepted. (Note: Guaranteed interest rate is 1.50%, Current rate is 2.50%)

Send completed application and the \$300.00 check to your field agent. If no agent is assigned to your council, send to me or to your General Agent.

“Don’t Be Afraid”

Meet with your pastor soon!

Schedule at least two membership drives on the parish calendar!

Ask for a roster of members and compare with those that are Knights!

Incentives for July, August, September and Star Council!

July is typically a slow month and this year was no exception. As you can see by the intake numbers, we were short by 42 members in meeting our goal. Not to worry, take advantage of the tools we are giving you and success will be yours.

Let’s talk a little about Membership Team Coordinators (MTC’s).

My vision of the MTC was to assist with membership recruitment, pulpit announcements and membership drives. While they are my assistants, the DD is still in charge of their district, and the GK in their council, and you all work together in deciding the MTC’s level of activity. My thought was to lessen the burden on the DD and work with the GK, in regard to membership only. The MTC is required to report to me with figures and data as a result of your district/council efforts with membership, further aiding the DD/GK. These figures will be used by the State Deputy and our Supreme Membership Consultant.

I’m sure each of you has seen pulpit announcements/membership drives that were both effective and ineffective. The MTC’s job is to make that experience as professional as possible and making that first Knight impression a good one. Pulpit announcements could be accomplished by, either the MTC, DD, GK, or anyone that presents well, followed by a membership drive attended by the DD, GK and Insurance Agent. Ideally, the MTC would be present too, along with other members of the council to field questions.

I need your assistance in giving this new idea a chance, and see what our success level can be. With any new idea, it takes some time to work out the bugs and change is always difficult, but I think you will like the results if given the opportunity. If you haven’t heard from your MTC, you will shortly. Work with them and see the possibilities. Here’s our current Membership Team list.

Let your MTC’s, Hispanic Membership Team, DD’s and Insurance Agents help you.

Incentives:

New members brought in during the months of July, August and September will not be required to pay the \$7 Exemplification fee to State. This can be a huge savings, take advantage.

For the other incentives; individual, council, District and Supreme, refer to July’s Bulletin.

Help us make this year a success and return to the Circle of Honor.

God Bless you,

Kim Washburn

Pulpit announcement

Thank you, Fr. _____, (and celebrant) for allowing me to speak on behalf of the Knights of Columbus. Fr. is a _____? _____ Degree member of the Knights of Columbus, and Archbishop Sartain has been a Knight for 37 years and is a 4th Degree member.

My name is _____ and I serve as _____ for the Knights of Columbus. I'm grateful for the opportunity to speak to you today.

The Knights of Columbus is an international, Catholic fraternal men's organization, founded in 1882 by Fr. Michael J. McGivney, a parish priest, in New Haven, Connecticut. Members belong to parish-based councils, where they unite in faith and fraternity to serve the Church and their civic community.

Knights enjoy a unique, multi-cultural, solidarity or fellowship with each other, and work together to understand and practice their common faith, particularly in helping those in need. In other words, Knights put their Catholic faith into action, working together to be better husbands, fathers, parishioners and community citizens. We are a growing Christian organization with nearly 2 million members worldwide.

Whether councils are sponsoring a blood drive, collecting donations for the intellectually disabled, performing improvements or cleanup around the parish buildings and grounds, __Council specific ____, hosting youth or family events, promoting vocations to the priesthood and religious life, supporting the local pregnancy resource center, Global Wheelchair Mission, Habitat for Humanity, and many more, it's all part of the organization's founding principles: charity, unity, fraternity and patriotism.

Membership is available to Catholic men, 18 and older, however the wives are just as much a part of the Knights of Columbus as the men. We are a strong family organization.

Membership, also, affords you the opportunity to participate in our Order's Insurance Company, which is the 2nd largest privately held insurance company in the United States. The insurance arm of the Knights of Columbus has grown into a \$21 Billion company with \$100 Billion of insurance in force.

For those in search of an opportunity to strengthen your faith and provide organized, meaningful support to the Church and community, and help neighbors in need, the Knights of Columbus provides a road map to help you on your way.

Please introduce yourself after Mass. I'll be available, along with a few others, if anyone has interest or questions.

Thank you for your attention and may God Bless you.

New Council Development and Round Table Programs

New Council Development and Round Table Programs As your New Council Development (NCD) and Round Table (RT) Chairman, I look forward to working with District Deputies and Grand Knights in expanding the charitable reach of our Order. Our goal this year for RT's is 45. We can do this. Grand Knights and District Deputies are expected to identify which parishes do not have councils, make an appointment to visit the pastors and introduce the RT Program and ask pastors how the knights can assist them in their ministry. Do not forget the potential for ethnic RT's, even at parishes that may already have a council. RT Coordinators must file an Annual Report of RT in June. The RT Program guidelines are found in pamphlet 2632 7-14.

Our goal this year for NCD is 1, but I believe we can develop 2 to 3 new councils. We can do this. District Deputies are expected to assess their areas and determine the potential for new councils in their districts. I will follow up with District Deputies by August 21, for their assessments. The NCD guidelines are found in pamphlet 2119 7-14. Another helpful tool is the Action Plan for Developing New Councils in Only Seven Weeks, flyer 4808 5-15. This is only a tool and it outlines one way to establish a new council.

Fraternally,

Greg Mahoney

Summer Leadership - 50's Dinner Dance

If were not there, you missed the 1950's emerging from the mists of time at the Summer Leadership meeting banquet. Below are some the luminaries whom attended the dinner and dance!

"Cher" made an appearance and was advising General Agent Roth on how best the run his agency . . .

George Dilloo was there with his smokes rolled up in his sleeve and his size 18 boots . . .

One Family Meal A Day!

Here are ten reasons why:

1) Creating the sense of Family

When we talk about the “sense of family”, what do we mean, exactly? The “sense of family” is the sense of oneness, the sense of belonging to a unique family in which each member is uniquely valued. We feel that we are all made of the same stuff, members of the same body. So we defend our own as we defend our own limbs. A daily family meal tremendously enhances this sense of family. And *the sense of belonging* is the best psychological/emotional help you can give a human being.

2) A chance to talk, to listen, to bond

Family meal time is the best of quality time. It is a time when, after all are served and appetites are appeased, parents have a chance to calmly converse with their children, listening and talking about the things that are important to them. This interest promotes trust, respect and family bonding. It will also provide the opportunity for parents to show their concern and to inquire into what may be troubling their children. Only God knows how many problems are avoided in a family who shares a meal a day. Good food has the power to satisfy, calm and relax. These are the times when joy is promoted, trust is nurtured and growth is supported.

3) Appreciation, Confidence and Decorum

Little by little, children will begin to feel more appreciated because of the fact that mom and, sometimes dad, go through the trouble and effort of cooking a homemade meal for them—everyday. They will complain about this or that, *I hate vegetables*, and that sort of thing, but as they grow older, in a subtle, imperceptible way, drop by drop, day by day, they will develop a deep sense of self-worth, directly linked to their parents’ daily dedication to their well-being.

A young priest was recently asked in an interview who was the person that influenced his vocation the most; he said: *“My mother. Though not particularly religious, she never failed to serve our family. I wanted to serve others like she served us.”*

Another important part of this is a well set table. When a friend invites you out it is a treat. But when you arrive and realize the meeting place is a fine restaurant, with the best of china and service, you feel indeed valued in friendship. In the same way, in a family, children who are treated to a daily well-prepared-meal on a well-set-table, begin to feel that they are worth it.

This is a key point in children’s formation. Confidence and decorum learned not from a book but through daily habit generates secure men and women capable of navigating any social situation. They will have the inner self-assurance needed to face the world confidently and not be engulfed by it.

4) A time for instruction

Few places are better for instruction than the family table. The table is a place where parents can instruct their children in what we call Christian Civilization, and there is no better place than the dinner table to learn good manners. (*“Susan that is not the way you hold your fork.” “Thomas, say please when you ask for the salt.”*)

5) A time for discipline

As children grow older, they must be taught to control their appetite:

- To wait until all are served or not to pile a huge amount of food on their plate. If they are really hungry, to go for seconds, but not all at once.
 - To use a napkin and not the table cloth, shirt sleeves or arms to wipe their mouths.
 - To sit up straight and not stick their faces into their food, and
 - To learn to wait until the last one is served before beginning on their dessert. Later in life they will be able to discipline others.
-

One Family Meal A Day!

7) Good taste in food

I once commented to my mother that three brothers who are my friends, are very good cooks. My mother's reply was: ***"I know their mother and she cooks very well. They grew up knowing what good food tastes like, so they strive in their adult lives to duplicate it."***

8) Eating healthy

A family meal a day is a way to ensure that the family enjoys not only good food but healthy food. A healthy meal goes a long way to keep people healthy and to avoid medical bills. And in this world of fast food and preservatives, this is crucial. The meal is therefore a benefit for soul and body. A meal a day will also help children not to raid the fridge or snack all day. With one sure daily meal, mom can establish a few rules as to resisting the easy carbs in between meals.

9) Instilling the sense of God and gratitude for His benefits

A family meal should always begin and end with grace, blessing and thanking God for what He has given us. The idea that we owe the daily bounty to God is a crucial concept to instill in children, the concept of gratitude and religion.

10) A great place to learn the art of conversation

Besides all the above benefits and things to do at the family table, there is also the added benefit that while sitting around and enjoying a meal (minus electronic devices) we also learn to take notice of others and interact. This is a prime opportunity to develop the art of conversation.

Pro-Life Out & About

The big news on the Pro-Life front has been the release of several videos that show top executives at Planned Parenthood casually talking about and negotiating the price for organs harvested from aborted babies. For the first time, many Americans were forced to face the grim reality of abortion and ask themselves some hard questions. Indeed, if the unborn child is simply a clump of cells or a non-human entity, how can human organs be harvested?

Predictably, the reaction was muted or non-existent from the national media and frenzied from the left, bringing up the old “War on Women” argument.. Planned Parenthood sent a series of threatening communications to news outlets, warning them of the dire consequences of airing this story.

One hope is that both the US House and Senate have bills at press time on the floor to defund Planned Parenthood and use those monies for women’s health issues. Passage of those bills faces an uphill battle and certainly would be vetoed by President Obama if they did pass.

So what is a Knight to do when faced with such evil and disregard for human life, especially when we live in Washington State, named as the most pro-abortion state in the US by LifeNews.com? We must continue to speak out for the sanctity of life in all forms and all stages. We must pray the rosary daily. We must continue to fight to move society in a direction that embraces women and their unborn children. We must never cease in our efforts.

One resource to check into is the Prepares program. From the Seattle Archdiocese website:

Prepares - Pregnancy & Parenting Support

Prepares is a nurturing response of the Catholic community of Washington State to assist pregnant women, fathers, and their families by walking the journey from the first moment of conception through their child's fifth birthday.
