### Message from State Deputy

My Dear Brothers All:

I am preparing this message while waiting for the results of what I believe is the first International Church Membership Blitz. As most of you already know, we have moved into Lithuania and the Ukraine...and the Order continues to spread the vision of our Venerable Servant of God Father. Michael J. McGivney. We pray for his intercession to help us, and we pray for his being elevated to the honors of the altar.

So what have we done this past month...today being the 31<sup>st</sup> day? Did we all do our best to bring in new members to the Order? Or did we make it someone else's job? Remember that we are called to imitate Jesus and evangelize for our faith by bringing new members into the Order...the simplest way for us to evangelize. Our Catholic brothers need to hear the *Word* too and live their Catholic faith in action serving others too.

This month of October has gone very quickly for me and Lady Sharon. We've been busy traveling around the jurisdiction doing all we can do to carry the message of fraternity and family. We began with the 100<sup>th</sup> Anniversary Celebration of Toppenish Council 1699 on October 1st. DD Louis Garcia also installed the Council Officers at that dinner. Next, I had a meeting with a fellow Knight, Senator Mike Padden, to discuss issues coming up in the Washington Legislature.

The first weekend, October 5, 6 and 7, put us on our way to Seattle again. A DDM Meeting with Romy Ablao at the Bothell Council Hall was a joy with so many smiling faces. We had a good review of issues and concerns from everyone present...and I thank the Grand Knights attending too. Sunday began with a Chili Cook-off effort at St. Luke's with Shoreline Council 14689 and their Star Council presentation. Congratulations! The cook-off was a wonderful event where we tasted 19 different chilies. And finally, we finished Sunday with a Respect Life Dinner at St. Mark's Parish. We unveiled the first of the four new Icons at the dinner with "*The Immaculate Conception*".

I next attended a First Degree at St. Aloysius Council 15143 with Gonzaga Council 12583 in attendance too. We had 10 new members with 8 from Gonzaga Council and 2 from St. Al's. Then it was on to a Vocare gathering at Gonzaga Law School. The Vocare group began in Seattle with a mission to become more involved in the public square on Catholic issues impacting Catholic teaching and tradition. A group was formed in Spokane and they encourage all Catholics to become involved.

We had a need to search for a new Certificated Public Accounting firm to provide services to the Washington State Council, Columbus Charities and Pennies for Heaven. Our former CPA firm decided to no longer offer services to non-profits so we're looking for a replacement. Mid-week, I attended a gathering at Spokane Council 683 for the kickoff of their Spiritual Speakers forum. Most Rev. Carlos A. Sevilla, S.J., Bishop Emeritus of Yakima, and our Former State Chaplain, was the first guest speaker. He spoke eloquently about the issues surrounding immigration as it affects our Catholic brothers and sisters offering suggestions on what might be done to remedy the problems they encounter in our jurisdiction and countrywide.

We next attended a Serran Priest Appreciation Dinner where I had an opportunity to present the Icon of "Our Lady of Guadalupe" to our State Chaplain, Most Rev. Blase Cupich. We previously presented a similar Icon to Bishop Sevilla; and, we have others yet to present to Most Rev. J. Peter Sartain, Archbishop of Seattle, and Most Rev. Joseph Tyson, Bishop of Yakima. Bishop Cupich quickly donated his Icon to Bishop White Seminary.

## Message from State Deputy

Then it was on to a party at Wolf Creek Lodge in Coeur d'Alene, Idaho (a former stage coach stop); a DDM meeting in Prosser followed by an Image Point breakfast in Selah ...and onward to the Holy Bowl in Walla Walls between DeSales and Tri-Cities High Schools. We left the game with an overnight drive to Vancouver for an early Saturday morning 3<sup>rd</sup> Degree at Vancouver Council 15730 followed by a special spaghetti dinner at Vancouver Council 12983. And on Sunday, we attended the Proto Mass offered by Archbishop Sartain before driving back to Spokane arriving at almost 2:00 AM.

We take on each day with charity, unity and fraternity offering our personal enthusiasm, and Monday morning was no exception that began with a coffee shop meeting with Senator Mike Padden again where he briefed me on the issues with our mission to defeat the remake of the insurance bill and our need to support the parental notification bill.

My last duties of the month included a day run over and back to Yakima for a meeting with Bishop Tyson concerning our state wide support of the issues noted above, and to offer advice on how we can extend ultrasound efforts to include pre-natal and post-natal care assisting the WSCC and Catholic Charities. Bishop Tyson offered to attend the DD Winter Meeting in Bellevue to brief the DD's and State Officers on these issues too. I closed the month with passing out candy to trick or treaters and greeting their parents as they came to visit.

What did you do this past month? Did you offer your time and talent to engage and entertain our councils within your area of responsibility? Hopefully, we all plowed some new ground in October and planted our winter wheat. Our harvest time is a time to keep busy as winter will quickly overtake us if we are complacent with our duties! God willing, the Holy Spirit will push you and me to the finish line.

Let me finish with this comment..."Your time of volunteerism is not just a slogan...you are now committed!" The marine, soldier, sailor and pathfinder does not stop half way into the mission and say, "I'm too busy to finish this task" and begin to turn back! He happily completes his mission to the best of his ability. We Knights are called to do the same albeit we do not put our life on the line...some of us do! We put our faith, good name and pride on the line. I wish you a Good Harvest!

God Bless You!

Vivat Jesus!

## Message from State Secretary

My Brothers All,

Since at this last State Convention we had a resolution looking to address the woeful mileage and per diem reimbursement....I thought it would be helpful to try and shed some light on the Washington State Council budget and expenses that need to be paid for.

Topics or items that I have been asked about that I hope to cover.....Where does all that per capita go? Why do the meals cost so much at the State Convention and Summer Leadership Meetings? Why do we get so little reimbursement at the State Convention when we pay in \$9 per member in per capita? Etc, etc, etc, etc, I even get questions about paying for the GK Success Planner Binder that was given out at the Summer Leadership Meeting. So, in the following months, I intend to take portions of the Washington State Council budget and discuss it with you - as a learning tool.

The following is an outline of items I will be addressing over the next months:

### Income

- Per Capita
- Exemplification Fund
- Insurance
- KCIC
- PFH
- State Convention Meals
- Summer Leadership Meeting Meals
- District Deputy Meeting Meals

### Expenses

- Exemplification
- Insurance
- State Convention
- Summer Leadership Meeting
- Ceremonials Meeting
- Regional Meetings (5 or 6)
- State Officer Meetings
- District Deputy Meeting
- KCIC Expenses
- PFH Expenses
- Audits
- Bank Charges
- Chairman Expenses
- Website and Bulletin Expenses
- Printing and mailing Expenses
- Membership Expenses
- State Officer Travel
- Computers, Projectors, and other Supplies
- Supreme Convention
- Washington State Taxes
- State Pins

If you have a topic that I have not covered or you would like it addressed next.....please let me know and I can try to work it in. Anyway, that is the idea and I hope it helps you know more about your State Council and its operations.

As always, call or email if you have questions or need some other assistance.

Vivat Jesus!

## 2014 Synod Consultation

**STATE VICE-CHAPLAIN  
VERY REVEREND  
Steve Dublinski**

In what is nothing less than a major historic development, Archbishop Lorenzo Baldisseri, the Secretary General of the Synod of Bishops, has written to the world's bishops on behalf of Pope Francis, calling for a wide consultation in preparation of the Extraordinary Assembly of the Synod of Bishops, scheduled for October 2014.

He explained that there is a two-stage process. At the 2014 Extraordinary Assembly, the Synod will identify pastoral issues related to marriage and family life in the context of evangelization – that is, knowing and living out the Gospel. In 2015, the Ordinary Assembly of the Synod will address how to respond to the challenges identified.

In the past, bishops were invited to share their personal views on the topic to be discussed at the Synod. But, given the nature of the topic, The Pastoral Challenges of the Family in the Context of Evangelization, the Holy Father is asking for a wider consultation this time, one which involves parishes, in order to be in touch with the lived experience of people to first identify what those challenges are. In a word, Pope Francis wants bishops to take the pulse of their local Churches on this important issue.

Yet, it is important to be clear, since media reports have not fully represented the aim of this historic initiative. The goal for this first stage of the Synod process is to identify challenges related to living out the Gospel in marriages and family life. It is not about offering suggested solutions or criticizing present policies, and surely it is not about voting on what policies the Church should keep or change. The Holy Father wants us to provide the lived experience of people and the challenges they face. This is in keeping with his counsel to ordained leaders that they have to work so closely with those they shepherd that they "know the smell of the sheep."

These are historic times, nonetheless. So, as they say in television land: "Stay tuned for more."

## State Treasurer Message and Forms Reminder

Greetings Brothers,

**Nice Job on the Forms submissions guys!** We only have a few Form 185's and 365's to go. We are chiseling away at the August Audit 1295's also, so if you haven't completed your Audit yet, or you are a few behind (a few Councils), please schedule them and get them done so that we can put those behind us as well. The lists of missing forms are below. If your Council is still listed as missing one of the forms, please find the time to accomplish that submission. The rest of Washington is waiting on you. **We want and will get 100% submission!** DDM's & DD's please keep pressing your Councils to accomplish this important task.

### FORM 185 OFFICER CHOSEN FOR THE TERM DUE JUNE 30, 2013

The following Councils are late on getting in this most important and first form of the year:

**7149 and 8266.**

### FORM 365 SERVICE PROGRAM PERSONNEL REPORT DUE AUG 1, 2013

The following Councils need to submit this form that allows Supreme to communicate with your program personnel for success during the year. Timely submission of this form is a Star Council Requirement.

### EXEMPLIFICATION FUND

**AFTER THE SECOND BILLING CYCLE WE CONTINUE TO DO WELL THANKS TO THE FINANCIAL SECRETARIES!** These billings have really helped us catch up and the State Secretary and I continue to work towards a financially healthy Knights of Columbus Organization here in Washington. Please stay patient if you have issues or concerns...we make mistakes and so do you...let's work through the issues without causing any hard feelings.

FS's remember \$7 for each new member you exemplify with the four R's (Reapplications, Readmissions, Reactivations, Reinstatements) and priests at no charge. As always, I will continue to publish what is owed monthly at the back of this and every bulletin.

It was apparent to me this month that not everyone knows about the history behind and reason for the Exemplification Fund, so I asked the "Wizard of Washington" if he could address this in his article. He did, so see the piece on Exemplification Fund under "Wizard of Washington" later on in this bulletin.

God Bless!  
Bob-ST

***Your first hour of the week goes to Jesus! After that hour at Mass on Saturday or Sunday, are you spending the other 167 hours wisely?***

## The Wizard of Washington presents:

**Question:** Worthy Wizard, Why do we have a Exemplification Fund and what does it pay for?

**Answer:** As you know, when a member goes thru the First Degree, your council pays for the rosary, the book and other associated costs. That's pretty easy to manage because these are done in your council. But now think about the Second and Third Degree you went through. This was a District event with many candidates and one third degree team or a second and a third degree team that traveled to get to that degree. Those team members were paid for meals and their travel to put on that degree. Where did the money come from to pay them? Sad to say, while the fair thing would have been for each council to pay for their members who were going through the degree, if they did not, which was often, the burden to pay for this travel landed on the DD... hardly fair, but the team needed to be paid for their meals and travel. Something needed to be done.

So the State agreed to have the State Treasurer create and manage an Exemplification Fund for the State where each Council would be charged \$7 per new member to cover the cost of travel and meals the second and third degree teams incurred without putting that on the DD's. That is why you are not charged when your members go through the second and third degrees... Your council already paid that with the Exemplification Fund fee.

You might ask, with the change in the Third Degree and Supreme now paying for the team to travel to put on the Third Degree why do we still have to pay \$7. The answer is that each member going thru the new 3rd degree receives a Medallion that costs \$5. What about the other two dollars? We use those dollars to pay for the annual Ceremonials Meeting travel expenses for those attending and for the durable supplies and paraphernalia associated with the new third degree. These include the cased chalices for \$500 per and projectors, DVD players, and portable sound systems that are needed for that degree.

I can also tell you what the Exemplification is not: It is not a cash cow for the state to make lots of money on. This program is a convenience for the DD's and councils and it requires a lot of work by the State Treasurer. **YOU'RE WELCOME!**

**-God Bless! The Wizard!**

## Message from State Advocate

My Brothers,

Christmas is nearing and many things will be consuming our minds in the next few months so...

Just a quick reminder to be sure you have your EIN status current and be looking forward to filing your "Postcard" with the IRS for this year...Council FS responsibility. We don't want unpleasant Christmas Gifts next year as a few councils have received in the past and struggled through an arduous process to get their Number reinstated...

"Council By-Laws On-Line" on the Supreme Website is the quickest way to get a new set of By-Laws published. If you have made changes (or need to), please remember to follow the procedures outlined in your present set of By-Laws or contact me.

## General Program Director Message

I want to thank all the councils that are taking the time to fill out their Monthly Service Report. With your diligence we have exceeded 50% participation, which I think is a first. It is still not too late for the rest of you. I will continue to accept reports from July-September.

There will only be one item you will not get credit for and that would be the "Timely submission of State Report" under the Council Program.

Remember, the main purpose in filling out this report monthly is not to give you something to do, but to assist in filing the Columbian Award application due June 30<sup>th</sup>. With this documentation filed each month, it will be much easier to recall the great things your council has been involved in throughout the year. This will also put you in the running for the Grand Knight 1000 Club issued at our Convention.

Here are a few examples of the great work our councils were doing last month.

- Prayed the Prayer for Life around the Altar after all three Masses to begin Forty Days for Life.
- Mass on the Grass support and provided deserts afterward.
- Annual Honey Crisp Apple Sales as a fundraiser.
- Provided security for the annual Saints Peter & Paul Polish Festival (even though they were not Polish).
- Many area County Fair Pro-Life booths.
- "Seminarian Century" bike ride for Bishop White Seminary.
- Hosted appreciation BBQ for parish volunteers and council families.
- "Connect Event" for the homeless was supported by Knights and family cooking over 800 hamburgers and 500 hotdogs. 400 pairs of socks, sun screen and lip balm were distributed.
- Donated a pressure washer to the parish.
- Knight volunteers participated in the Pacific Northwest Historic Auto Race which raises funds for the Seattle Children's Hospital Uncompensated Fund.

This is what we need guys, people seeing Knights out in the Community making a difference. Then you will give the Catholic Men of the community a reason to join the Knights.

Remember, it's that time of year to collect information for your Annual Survey of Fraternal Activity report for activity January 1<sup>st</sup> – December 31<sup>st</sup>. The Fraternal Survey Report is one tool in retaining our Non Profit status as a Fraternal Order and is used in promoting the Knights of Columbus around the world. Please take this duty serious, our Order depends on it. Your Monthly Service Report filing can aid in this report, as well.

Brothers, I am saying it again, I am so fortunate to be receiving the Monthly Service Report and see first hand the great work you are doing for our Order and community.

God Bless you all,  
Kim Washburn  
State Warden

## Message from Membership Director

### My Brothers in Christ,

With the Holiday season just around the corner, this coming month is a great time to be think about “*A Knight Before Christmas*” and giving the gift of Knights of Columbus membership to qualified men, especially some of those new prospects you identified during your Fall Church Drive. Use the Thanksgiving and Christmas season celebrations that your council sponsors as opportunities to tell qualified men about the Order and ask them to join.

If you conducting the “Light Up for Christ” ceremony this year, distribute Knights of Columbus promotional materials, Columbia magazine, council newsletters and other items of interest to non-members at this event. Sponsor a reception, an evening of caroling or a similar event after your ceremony. Invite non-members to this event and have K of C promotional flyers and posters on hand. Also, show one of the Order’s promotional videos.

If your council is planning a Christmas social or similar activity, set a date and time for the event well in advance to ensure a positive turnout from your council and family members. Recruit volunteers to help set up for the event, run activities, serve food, clean up, etc. Along with your council families, invite your pastor and other members of your parish and the Catholic community to come and join in the festivities.

Partner with your parish in sponsoring a Christmas event. Invite all parishioners to attend, and ask them to bring an unwrapped new toy as part of a drive to provide gifts to needy children. Ask the pastor or your council chaplains to announce the event at Masses and in the parish bulletin.

Plan some entertainment for both adults and children. Invite the families of council members and prospects alike. Contests, raffles, singing Christmas carols, and holiday videos are just the type of things to keep your guests entertained.

To get prospects and their families interested in the Order, have a display materials and items that show your council’s history and the various types of projects you conduct. Have plenty of recruitment flyers and other information on hand. Also, have a supply of Membership Documents (#100) available for interested prospects. Also, ask your field agent to be on hand at the event, and solicit his advice on planning and recruiting.

Along with members and prospects, invite former members, inactive members and their families. Ask for assistance from the financial secretary, past grand knights and trustees in collecting information about these former members and the circumstances of their leaving the Order. Review the list to determine which former members still live in your area and invite them to your celebration.

Finally, invite all prospects to attend a council volunteer effort — such as an evening of working in a soup kitchen, collecting toys for needy children, cleaning the church, sponsoring a Coats for Kids event, or a holding Food for Families drive — to show prospects firsthand what the Knights of Columbus does for the Church and the community.

As always, be prayerful in all you do and at very gathering with your Brothers offer special prayers for all members of your council both active and inactive, for new potential prospects, and for the success of your council in accomplishing its goals for the coming year  
Yours in Christ

Marcel

## District Master's Message (East)

Worthy Faithful Navigators and Officers of the 4th Degree;

I am very excited, as you are aware, after several years of trying to establish an Eastern Washington District for the Fourth Degree it has now become a reality. Supreme has approved the new Eastern Washington District. It is truly an honor to have been appointed the Master of the District. Along with this appointment comes the challenge of establishing all the District needs. The District is composed of the diocese of Yakima and Spokane and includes sixteen Assemblies.

Since this is a new District, there are many items needed to function. These items include: a lap top computer with software including power point, printer, flags, Marshals cape and chapeau (2 sets), 50-100 social baldric and lapel pins. Office supplies such as membership cards and exemplifications certificates. So with these costs in mind we are in need of raising funds to support our District. Any donations from the Councils or Assembly's would be greatly appreciated.

The Faithful Navigators and Marshalls have recommended a mechanism to raise the funds. It is recommended that raffle tickets be sold at \$20 each. A maximum of 250 tickets will be printed and the winning items will include: first ticket drawn \$1000, 2nd ticket drawn \$500, 3rd ticket drawn \$250 and the 4th ticket drawn \$250. The remaining proceeds will go to the Master fund. (If all the tickets are purchased and the winning funds dispersed, this will provide the Master Fund with a balance of \$3000.) We appreciate your assistance in this project.

One Nation Under God

District Master

## First Degree Team Ceremonial Competition

Wayne C. Hogan, PSD, FVSM  
State Ceremonial Director

The first level of the First Degree Team Ceremonial Competition has been completed. The second level is the regional selection which will be held in November and December. If two or more First Degree Teams are submitted in a region, evaluators will be assigned to evaluate those teams and one team will be selected to represent the region during the Regional Meeting in January 2014.

**All district deputies are to report if they will or will not be having a team representing their district.** The district deputy is to provide me with the name of the council. I will have the regional evaluators contact the grand knight and schedule date, time and location for the regional evaluation. The district deputy is to inform me if there will not be a team representing his district.

**Request this information as soon as possible but no later than November 20, 2013.** Need time to form an evaluation team and schedule the evaluation.

The First Degree Team Ceremonial Competition handbook, revised 07/01/13, provides information on the participation, prerequisites, schedule, evaluation, reports, notification and recognition. Appendix A is an overview of the three levels, District, Regional, and State. Appendix B is the Evaluation Form that will be used to evaluate the degree teams.

'The Best of the Best' First Degree Team Ceremonial Competition travel award will look great hanging in your council's hall. **Where it is located next year depends on you!**

If you have any questions or want additional information, contact me via email at [kofchogan@comcast.net](mailto:kofchogan@comcast.net), or [Ceremonials@kofc-wa.org](mailto:Ceremonials@kofc-wa.org). You can also contact me at my office phone number (253) 581-5952.

## Webmaster Request for Assistance

Brothers,

If you attended the summer meeting in July, you may have heard me announce that I was looking for a few good men to help me with the state website. At that time I had a number of people talk to me and I was trying to keep track of everyone but unfortunately, I have misplaced my notes.

At any rate, I have finally gotten caught up to the point where I am ready to give this a try. So, I am asking again for anyone that wants to help with web site development to send me an email at [webmaster@kofc-wa.org](mailto:webmaster@kofc-wa.org). It would be helpful if you have a basic knowledge of HTML and ASP.NET.

Knowledge of MS SQL Server is a plus. If you don't have these skills but know of another brother that does, please let them know how to contact me.

I am hoping to put together a team of 3 or 4 guys that are willing to spend a few hours a week learning the site and participating in the updating and maintenance. I will teach the specific skills necessary if you are willing to learn.

Thanks for your patience.

## Family Chairman's Message

### THE MORNING WALK

He was a distinctive figure, a loner, emerging from quietness every now and then when he attended mass, filled a grocery cart, or visited the sick, he was otherwise content to mind his own personal business. Occasionally he would write short articles for newsletters or various publications. He wrote beyond the horizons' of the casual reader, he thought of writing as an art rather than sidewalk entertainment. Such writers tend not to be abundant, they work hard on their sentences. Most of his stories or articles were short exclamations of brevity, his talent seemed happiest in the concentration, the focus, of the short story. Like Henry James he was exhilarated by the challenge of restriction.

On this morning's walk, it's a foggy day, he feels the beads of his rosary, prayer holds him like a pause in time. A chill gets under his clothes, under his skin. The rows of the vineyard slope out of sight under the mist. A cow moans in the distance. All this worry about the everyday... when what he really wants is to escape the everyday, the straitjacket of loneliness and tedium. To go home, to find her there, to share a cup of coffee, to share thoughts and feelings, to hold her hand.

*The doctor had pulled him aside in the waiting room, "your wife's x-rays don't look so good."* He is not the same man since he lost his wife a few months ago, they were mutual shadows, joined at the soul. He was a Knight, (they were Knights,) they gave themselves to their church and the Order, they asked for nothing more than the opportunity to serve. Her last words to him....*"Don't stop living and giving, I'll be watching and know that I'll be waiting for you."* The sun comes out, the mist lifts and little birds emerge from their places in the trees, hopping and tweeting. He pauses to take off the hoodie and put it in his backpack.

He is buried in thought and prayer on his daily two-hour walk along the public footpaths and farmers' roads, between ditches and razed crops littered with shredded branches and shrubs. A bare tree here and there. He startles a deer, it jumps over the stumps and disappears in the trees. He stands and watches a moment and then turns and heads for home. He has a Council meeting tonight, faces to greet and faithful hands to shake.

### "FAMILY OF THE MONTH" OPERATORS MANUAL

**FAMILY OF THE MONTH/YEAR** Simple, but time-sensitive program offers a chance to recognize Council families for involvement with activities that make the Order proud. Get to know members better and report the selection of the Family of the Month to Supreme before the 15th of each month. Use the Supreme Council's Form 1993A found in the Surge Kit and on the Supreme Council's website (<https://www.kofc.org/un/en/officers/forms/council.html>) to report the Council's selection either on-line or through the mail. Each month Supreme selects 100 of the Family of the Month nominations received Order-wide to receive a special gift depicting the Holy Family. Take advantage of this no-cost opportunity to share the Council's pride of those families who help make the Council programs successful.

**The Family of the Year** form can be found only in the Family of the Month booklet (Form #1993) from the Surge Kit. The booklet can also be downloaded from the Supreme Council's website (<https://www.kofc.org/un/en/resources/service/family/famofthemoth.pdf>). This form requires additional documentation, so collect photographs, newspaper or newsletter articles or media recordings. Send the completed package to the **State Council (not Supreme)** by April 1, 2013 for consideration by the State Council in the selection of the State Family of the Year. ## Tootsie Roll

Brother Knights,

I am so thrilled to look in my mail and see those checks and reports come in. You are all Knights of the highest standard. If we can make a difference in the lives of People with Disabilities every year, just imagine our Lord's pride in carrying out his commands. Thanks you and well done.

Don't forget to look on page 16 of the Tootsie Roll Manuel, After the Drive. At your council's discretion you can save the left over Tootsie Roll or ..... On page 17, the manual explains how to fill out your "Council Drive Report" (page 18) including which expenses **are allowed** and which **are not allowed** to be deducted. This form, expense receipts, and check need to be submitted to me no later than 30 days from the last day of your drive.

The final form due is the Request for Distribution. This is due by December 31<sup>st</sup>. This will allow plenty of time to get the checks out in a timely manner. As a Past Grand Knight, I have looked forward to getting that check and presenting it to our Spokane L' Arche community. We are familiar with groups that have benefitted from our Columbus Charities these last two years. If you have a new charity in mind, please use due diligence in assuring their tax exempt status as a charity that works with people with disabilities and that there are no conflicts with our Catholic beliefs.

And finally, it is not too early to get your Facilities Request forms turned in to your local stores. Many stores fill up fast, as they are in high demand. Please talk to other councils in your district and work together to come up with options for sharing stores on different weekends. Remember. You can plan a council drive from mid September through the end of October. This should give every council the opportunity to maximize their fundraising options.

As we wrap up our third year with the Tootsie Roll Program here in Washington State, remember to look back at all these raffle tickets we had to sell. This is sure a lot easier, more fun, and it is a great visual reminder to our local community that we are all called to help those in need. On my Judgment Day, I would not want to explain to Our Lord why I turned my back to one in need. "What so ever you do to the least of my brothers that you do unto me." Conversely, what so ever you do not do for the least of my brothers that you do not do for me.

Again, I thank you for all your works and deeds, not just for the Tootsie Roll Drive, but for all you do as Knights.

Remember, all forms and procedures are in the Tootsie Roll Manuel and can be found at [www.columbuscharities.net](http://www.columbuscharities.net).

We are not just knights. We are Knights of Columbus. Saving Lives and Changing Lives for 131 Years.

## Community Chairman's Message

In honor of St. Francis of Assisi and our Holy Father, the Supreme Council is encouraging all councils to conduct outreach programs in the months of October and November to those less fortunate than ourselves in our communities. Our Order has many programs to assist those who need help. Your council could host a food drive or prepare to serve a meal at a soup kitchen. This need for food to feed the hungry families is on-going. In order to encourage increased outreach to food banks, soup kitchens and food pantries, the Knights of Columbus will continue to offer financial rebates to councils that donate food or money. The Supreme Council will again refund \$100 for every \$500 or 500 lbs. of food donated. The maximum refund will be \$500 per council per fraternal year. Indicated contributions of food and/or money should be cumulative for the fraternal year. Councils must report Food for Families outreach using the Food for Families report form. Councils must also have documentation from those receiving monies or food in order to get this refund. These donations and forms must be submitted and complete no later than 30 June. Frankly, those that run food banks love to have cash donations, as they allow the food bank to procure exactly the food items that they need.

Think about providing warm winter coats to those who need one. Through our Coats for Kids Program, 12 brand new winter coats cost \$220 (shipping included for U.S. orders.), and \$245 for orders shipped outside of the U.S.. NOW is the time to place these order! In these challenging economic times, no family should have to keep their child home from school for the lack of a warm winter coat. Last winter, Knights throughout the U.S. and Canada purchased and distributed more than 42,000 coats to needy children. Councils can download a "Coats for Kids" order form at [kofc.org/forms](http://kofc.org/forms).

Consider taking part in a Habitat for Humanity building project. This program is one of Supreme's 8 "featured programs". If your council provides at least 200 hours of volunteer service and also contributes a minimum of \$1000, it will fulfill all Four (4) Community activity requirements for the Columbian Award! (Use the Habitat for Humanity Report form #10092 as well as Form #1728 to complete this requirement.)

Conducting any or all of these community outreach programs provides a membership recruitment opportunity. Invite prospective or inactive members to join you in these works. Additionally, use these events to tell ... and sell ... your council's story. Men want to join active councils that conduct and participate in meaningful events. Remember, more members mean more charitable works, more needy people helped and a greater ability to assist the Church at the local, diocesan and universal levels. Pope Francis has called upon Catholics to engage in personal service to the most needy and forgotten in society. As Supreme Knight Carl Anderson stated at the Supreme Convention, Knights have "a historic opportunity" to stand "shoulder to shoulder" with the Pope to "advance a great chapter of Catholicism in our lifetime." One new member per council per month! To all, have a fabulous and meaningful ... as well as faith-filled Thanksgiving. Until next month ...

Fraternally,  
Ron Girkins  
State Community Chairman

## Council Chairman's Message

Who are our Council Chaplains?

Again I ask who our Council Chaplains are. How many of our subordinate councils have selected a Council Chaplain? If you have, I'm sure they were included on the Report of Officers Form 185 that was submitted to Supreme. Why then were they not included on the Directory Change Form which was filled out with the Grand Knight and Financial Secretary for this fraternal year?

We have 156 councils. Do we have 156 Council Chaplains listed in the State Directory? The answer is no. I do know that there some councils that for various reasons do not have a Council Chaplain. For the vast majority of councils, I ask that you publicly acknowledge your Council Chaplain in the State Directory. It would be nice, if needed that the State could communicate with the Council Chaplains.

Treat it as a Christmas gift to your Council Chaplain to acknowledge them as your Council Chaplain. Here is how to do it, go to:

## Legislative Advocacy Program

Brothers All: The 2014 Legislative Session will be here soon. It begins on January 13th and is only 60 days long. That is right; our citizen legislators will only be in Olympia for 60 days in 2014, which is the same for all even years. During odd year sessions the legislature has to pass the two-year budget, like 2013, and so the session is 105 days in odd years.

There are a few critical bills that I will mention shortly, but I first wanted to remind you that your legislators are real people like us, and they want to hear from you. There aren't many better ways for us to spread the good news of Christ and create a relationship with your legislators than to send them a Christmas Card. It is really easy, too. Just a few nice words say a lot. Just remember not to discuss bills or politics in your card. Look up the address for your legislators' home office so that they get them before they arrive in Olympia in January.

home office so that they get them before they arrive in Olympia in January.

Now, there are two bills that we need to act on. One we want to support, and the other we want to defeat.

The bill we want to SUPPORT is Senate Bill (SB) 5156, the Parental Notification of Abortion Act. This bill would prohibit someone from performing an abortion on a pregnant minor unless that minor person has given at least 48 hour of notice to one parent or legal guardian. This bill is currently only in the Senate, so write, call, or email just your senator. For more information, see [here](#).

The bill we want to OPPOSE is House Bill (HB) 1044, the Abortion Insurance Mandate Act. This bill requires all health insurance companies in Washington to provide coverage for abortions if they provide coverage for maternity services. The bill states that while a woman may choose not to have an abortion due to conscientious objection, she must still pay for abortion coverage. This is clearly an assault on our religious freedom. There are many other points to include in your letter [here](#).

One last thing is a reminder about the March for Life in Olympia on January 21, 2014, starting at noon on the steps of the Capitol. So grab your Rosary and a red rose and plan on arriving around 10:30 to allow plenty of time to park. Or better yet, get a big group together from your parish and charter a bus. Many parishes charter busses every year. Try to stick around in the afternoon after the march and go visit your legislators.

## Vocations Chairman's Message

### Discerning Vocations

“Then He said to His disciples. “The harvest is ready but the laborers are few. Ask the harvest master to send out laborers to gather his harvest.”

*Mt. 9:37-38*

Vocations to the priesthood and religious life are essential to the life of the church. Discernment is the process in which men and women in the Catholic Church consider their vocation to serve God and their community. Discernment can also refer to discerning a vocation to marriage or a single life. However, discerning a vocation usually refers to the special vocation of the priesthood or religious life. It has been argued that this common restriction of the term is a mistake, and even decreases religious vocations, because it discourages people who don't immediately feel called to the clerical state or consecrated life from engaging in vocational discernment.

Second-career vocations are not a new trend in the Catholic Church; for instance, all the apostles were men who had previous careers before they answered the calling of Jesus Christ. Today, people from all walks of life leave successful careers as nurses, lawyers, engineers, teachers, accountants, etc. to become priests or join a religious community. These men and women bring a wealth of talent to the clergy and religious communities whether it be management know-how, a professional background, technical skill, or just life experience.

There are many pathways to discernment, but the basic steps for discernment are:

**STAY CLOSE TO THE SACRAMENTS:** Participate in Mass every Sunday, on holy days of obligation, and daily when your schedule permits. Go to confession frequently, once a month or even more often. Not yet confirmed? Do it NOW!

**GET A SPIRITUAL DIRECTOR:** Ask a priest to meet with you once a month for 30 to 60 minutes to discuss your spiritual life and for confession. Tell him you're considering priesthood or religious life.

**PRAY EVERY DAY:** Develop a daily prayer routine with your spiritual director. Pray for God to give you not only knowledge of what He wants you to do, but the courage to do it.

**GOOD READING:** Read a bit of the Scriptures, especially the Gospels, each day, and read a bit of some spiritual classics like the life of saints, the Catechism or books on Catholic theology.

**DEVOTION TO THE BLESSED VIRGIN:** Ask Our Lady to accompany you on your journey of vocational discernment. If you are not in the habit of praying the Rosary, begin today, even if it's only a decade. Pray three Hail Marys before going to bed, asking her for the virtue of holy purity and to help you know your vocation.

**SERVE YOUR PARISH:** Seek opportunities to get involved in parish life. Choose one parish and register – don't float from parish to parish.

Discernment is a very personal journey, and you can only know where that journey leads by making a plan for your discernment process. All of the people in your life will support you, but only you can make that decision to serve God in this special way. If you do these things and still think you might have a priest's heart, if you are feeling an attraction to the priesthood or religious life at some level, it's probably time to contact the Vocation Director in your diocese to find out more.

**Disclaimer:** Certain age restrictions may apply. Side effects may include overwhelming feelings of purpose, persistent contemplation with prayer and periodic jubilation. If these feelings last more than six months, you should see a priest for immediate help.

Vocations Chairman

## 2013 Knights of Columbus College Conference

My name is Peter Guthrie. I am a 4<sup>th</sup> Degree Sir Knight and Seminarian attending Bishop White Seminary for the Archdiocese of Seattle. I am in my Junior Year in my studies at Gonzaga University and serving as Grand Knight of Gonzaga Council 12583 for the second time. Many of you know the challenges our Council faced the past year, and I can report that we have been welcomed back to Gonzaga by President Thayne M. McCulloh.

On September 27<sup>th</sup> to 29<sup>th</sup>, I had the great fortune and blessing to attend the “2013 Knights of Columbus College Conference” in New Haven, Connecticut. The conference was attended by over 150 college aged men representing more than 50 college councils from the United States and Canada. I was the only Grand Knight attending from the Pacific Northwest.

Let me share my experience with you...

I left Gonzaga University on Friday morning at 4:00 am for the airport. After two layovers and an hour long taxi ride, I arrived at the Omni Hotel in New Haven, Connecticut at 6:30 pm for the welcoming dinner at 7:00 pm. We were addressed by Worthy Supreme Knight, Carl A. Anderson.

His message centered around two key themes: the spirituality of America, and the importance of fraternity. The main point was that America is *not* becoming more secular, it is becoming more *individualistic*. People no longer believe in large religions because their personal idea of Jesus and their spirituality is more important; they see religion as a barrier to developing an authentic relationship with the person of Christ.

This is what we as knights combat and that is why our fraternity, our community, is so important. Community strengthens us in our faith and holds us accountable for our beliefs. Christ promotes community! We are communal people and that is what makes our order so essential and so strong. That is a very quick summary, but it shows the need for the Knights to be the “strong right arm of the Church”; we need to set the example of true fraternity and community to bring people to the faith.

The Supreme Knight also said, “You are not the future church, you are the church now. Yes, what you do will have effects on the church in the future as well, but your actions actively bring about the Kingdom of God now”. We Knight’s make a difference now as we are actively participating in the mission of the church today. I retired for the night in prayer.

On Saturday morning, following breakfast, we opened the day's work sessions beginning with a talk from Fr. Robert J. Spitzer, S.J. Fr. Spitzer was President of Gonzaga University when our Gonzaga Council was formed in 1999. In his talk, he had five key points.

*First, he said that we are spiritually hardwired; we engage in a spiritual combat between good and evil; and, without training, our actions can make us feel isolated, or with a proper preparation, our actions can make us feel fulfilled. He said, “You must be the hero! You must be the Frodo or his companion. You must do something to turn the tide between cosmic good and cosmic evil.”*

*Second, the Holy Spirit is actively present in our lives and helps us combat the powers of darkness.*

*Third, we must never be sucked in by the culture’s view of freedom; the ideas of I can do and get anything I want, instant gratification, and no worry of commitment. Rather we must hold onto real freedom; freedom from slavery to evil, to live for the highest purpose. But, this requires commitment, discipline, effort, and yes, sacrifice. Fr. Spitzer remarked, “Rise to the noble sacrifice because our destiny is to build the Kingdom of God in this world. Pay the cost and join the few, we happy few”.*

*Fourth, he gave definitions and spoke of the importance of prudence, temperance, fortitude, justice and caritas.*

*Lastly, he warned of the seven deadly sins and about the cultural lies about them, and he encouraged us to “fight the good fight”. It was a very powerful speech and later that evening he gave another brief speech and showed a movie about the new proofs for the existence of God using physics which mostly came out of his book, *New Proofs for the Existence of God*; it has some exceptionally profound insights.*

After that, we broke out into small group sessions where we talked about leadership qualities and how to develop leadership, recruitment and retention, organization skills, and other various topics to make for successful leaders, events, and councils. I took a lot out of these sessions and was able to learn a lot that I will apply to my Council which is still in the process of shaping itself. We also had the opportunity to share ideas, things that work and do not work for Jesuit schools, Catholic schools and state schools including popular events, how to fundraise, and various miscellaneous topics that will strengthen our councils

(Continued on next page)

## 2013 Knights of Columbus College Conference (continued)

Following the breakout sessions, we were addressed by College Council Director Michael Brewer, and he gave a talk we have entitled #Winning. It was essentially a talk on how to succeed, or win, as a college knight on campus, and he did this by examining the four pillars of our Order.

*Charity is not just giving money; it is a complete outpouring of us for the betterment of the other. We must always do the best and most we can, and never ask the question, as most of us do in our college classes, "What is the least amount of work I can put into this and still get by?"*

*Unity was central to Christ's message; God is perfect unity and so our church must be united. Unity is the basis for community and from this community springs fraternity.*

*We must be an example of authentic fraternity on our campuses. People must see the love we have for each other because it leads them to crave that love and it leads them to Christ and it is our only tool to use against the Greek system's fraternity.*

*Finally, he spoke of patriotism. We are citizens of the United States, but we are also citizens of the Kingdom of God. We must live life in a way that shows we are always aware of that "second passport". Patriotism calls us to recognition that yes we belong to a nation but we are also sons of Holy Mother. That love of church and of our nation and schools naturally calls us to continually make our schools and society better so it will better reflect the Kingdom of God. He concluded by saying that if we hold fast and true to these pillars we will not only succeed at school, we will win at life.*

Later that evening, we all boarded buses and headed off to the Knights of Columbus Museum. It was such a joy to view the history of our Order and the life of our founder, Venerable Servant of God, Fr. Michael J. McGivney. After the museum, we arrived at St. Mary's where we were greeted by the parish priest and attended Mass. I was so awestruck at the beauty of the St. Mary's Church and the fact that I got to participate in Mass in the very place Fr. McGivney once walked, preached and founded the Knights of Columbus!

After Mass ended, I had the chance to go to the back of the church and spend a few moments in prayer at the sarcophagus of Venerable Fr. Michael J. McGivney, and while there, I took some time to pray for my Council back home at Gonzaga.

For the rest of that day and even today, I still remember these words the priest said, "Welcome brothers. This parish is home to all knights. Welcome home!" It truly did feel like home, so much so that I was honestly somewhat sad when I had to leave.

When I arrived back at the hotel, I had yet another once in a lifetime spiritual opportunity. At the conference there was a priest from the Blessed John Paul II Shrine in Washington D.C.; and, he brought with him a relic of Blessed John Paul II. It was a piece of his blood stained cassock from the failed assassination attempt. My Brother Knights and I got to participate in veneration and afterwards, I was allowed to touch my Knights of Columbus rosary to the relic and have my own relic to pray with! After a short visit with fellow brothers afterwards, I turned in for the night.

Sunday morning, the last day of the conference, we began with a rosary before breakfast. After a talk about employment opportunities for graduating college knights, we closed the conference with prayer. Many of us toured the Yale campus for a couple of hours, but eventually, it was time to leave. So, we all said our good-byes, befriended each other on Face book, and got in our taxis to head back to the airport.

While at the airport and on my plane ride home, I read the Supreme Knight's book, *A Civilization of Love*, that we were given as a gift for attending the conference, and I could not have thought of a better way to end a truly informational, inspirational, and holy weekend.

Vivat Jesus,

Peter Guthrie GK/FN

## FATHER MICHAEL MCGIVNEY GUILD

Honor Our Founder and Join the Guild  
Taken from *Knightline*, April 2011

One of the best ways to honor our founder during the months ahead is to join the Father Michel J. McGivney Guild. The guild serves as a source for information about the life works and spirituality of Father McGivney. The guild distributes informational materials about him, receives reports of favors granted through his intercession and oversees the distribution of relics.

Guild members receive regular updates on the progress of Father McGivney's cause for canonization and are invited to participate in promoting devotion on the Venerable Servant of God. Members of the Knights of Columbus are not automatically guild members and must choose to join the guild. *The Father Michael J. McGivney Guild Newsletter* is published bimonthly except July-August, and is sent free to guild members. To join the guild go to [fathermcgivney.org](http://fathermcgivney.org) or see coupon elsewhere in this bulletin.

Our membership in the State of Washington is 17,000 plus strong

Our membership in the Father McGivney Guild as of October 1,  
2013 in the State of Washington  
Is only 3,139

That number includes non-knights as well. Please take a moment to reflect in prayer on the life of Father McGivney and consider joining the Father McGivney Guild. Give yourself and your family an early Christmas gift by joining.

## Wheelchair Program

The wheelchairs are so close to being here. I want to thank the following councils for placing their orders or letting the state make the distribution on their behalf: 3361, 3611, 7117, 7528, 7908, 8476, 8872, 10652, 12591, 12983, 13395, 13794, 14268, 14689 and 14922 as well as assembly 3006. I also want to thank Henry and Betty Therrien for their contributions.

I still need to hear from the following councils as soon as possible as to their intentions: 1327, 8137, 10543, 11762, 11789 and 12899. Will you distribute your purchased wheelchairs or let the state make the distribution on your behalf. Councils 8137, 10543, 11762, 14689, 12899 and 12983 still have balances that they can use to purchase another wheelchair or we thank you for your additional donation. I know that some of these councils have indicated that a check is forthcoming to purchase an additional wheelchair. We also thank you for purchasing another wheelchair. There are still wheelchairs that you can purchase. They come in sizes 16, 18 and 20 inch.

I want to encourage all councils and assemblies to continue their fund raising efforts for those in need of mobility. Once we have raised another \$16,500 we can place another order. If your parish does not have a wheelchair, please send \$150 immediately to the State Secretary, Eddie Parazoo and reserve one.

THANK YOU    THANK YOU    THANK YOU

We are well on our way toward purchasing our second container of wheelchairs thanks to the great efforts from our Brothers at Council 13374 and parishioners at St. Stephen the Martyr Parish in Renton. They did a Wheelchair Sunday and brought in over \$10,000.

If other councils could hold a Wheelchair Sunday and collect what their respective parishes could donate, just imagine how quickly we could raise funds for the Wheelchair Program. We could be purchasing our next container sooner rather than later.

Council 13374 has shown us the Wheelchair Sunday Program works. Let's get aboard the train and keep those wheels a turning.

### Honor Veterans Program in schools

With Veterans Day this month I look forward to all the activities that going on, one program that I really enjoy and makes one feel that all veterans are an important part of our community. In 2003 Heritage High School of Evergreen School District in Vancouver opened their doors, since then they have put on a tribute to all the veterans they invite to their program. I have been on their mailing list since the first year. My Daughter is a 2007 Graduate of Heritage and it just happens to be the closest high school to my house.

Every year the school improves the program. The program is in five parts it is nearly all day if one would stay for all the parts. The program starts after check-in at 7:20 am at the school's flag pole with the first part by The "Raising of the Colors". An honor guard from the local VFW post presents arms along with the marching band playing the National Anthem. The second part: is a group photograph inside the lobby. Third: We are escorted by students to the gym for an assembly. The group of veterans is recognized for the branch of service and the era that they served. A video presentation is shown of photos of faculty and graduates that served. The Veterans are treated to "USO Type show" with a "Bob Hope" Master of Ceremonies. The entertainment consisted of song and dance from the 1940's to present day. One could tell that the students put in a lot of time preparing for each number. Part four: After the show lunch is served by the Students. If the Veteran signed up to speak at classes they are escorted to the class rooms by students. The remaining Veterans are free to depart the school.

Speaking at the Classes rooms is my favorite part to be able to tell the story of my service time is important to me. I usually speak at two back to back history classes to tell about the time I served, the countries I traveled to, and the small part of history was made. I shift to what a high school student can do by volunteering at the VA Medical Centers, the scholarship that are offered by veterans organizations that are available if they plan on furthering their education after high school. I am with two other veterans that also take their turn to speak. I believe that it is a great teaching tool for the student is not sure of their future after they graduate. The faculty and students put in allot of hard work to make their program great. Most Schools do not put on a Program of this magnitude. Sadly many schools do not have a Tribute to Veterans program. Are the schools in your town put on a Veterans Day tribute program?

## Soccer Challenge

### Soccer Challenge

The goals are set, the nets are up, the balls are pumped up and the score keepers are in place. With all this, it can only mean one thing; it's Soccer Challenge time again. For the our 5th year, Auburn council 3598, Grand Knight Donald Hall, and District 12, DD Gerry Garrison, hosted the state Soccer Challenge finals. For once we did not have to put up tarps and rain shelters. As usual the participants were full of anticipation and enthusiasm, which made for a wonderful event.

Having to complete with fall soccer schedules makes for a trying time to host an event, twenty-one winners representing 9 age groups came to give their best kicks to become a state champion. This year the competition was opened up to 9 year olds, 4 none yeas champions joined us this year. The talent and energy level of the competitors makes this a rewarding event to hold. Depending on the area of the goal the participants are kicking at, they can score 5, 10 or 20 points per kick, with a maximum value of 500 point. All participants get 25 kicks.

A special thank you to State Warden Kim Washburn for making the time to help out with the awards presentation and District Deputy 27 Dang Nguyen for stepping in a being the official photographer.

The state champions for the 2012 Soccer Challenge with scores of out a possible 500 point are:

Age	Girls	Boys
9	Leslie Jimenez (7908) 165	Xzavian Gonzalez (4367) 150
10	Ashley Fieser (11780) 190	Joshua Pocon (3598) 155
11	--	--
12	Rosalind Garcia (4782) 95	Dylan Grentz (809) 145
13	Cameron Fieser (11780) 165	Jose Gonzalez (7117) 215

Thanks you to all councils and district that took part in this year's competition.

## Blue Mass at St Charles Parish Spokane

## Eagle Scout Court of Honor

An Eagle Scout Court of Honor for David Michael Hohl (son of Brother Ted Hohl, Council #10653) was convened on October 26, 2013 at the Parish of the Holy Spirit in Kennewick for the purpose of formally presenting David with his Eagle Scout award. David is a member of Troop 275 in Kennewick, WA, and joins his older brother TJ Hohl as an Eagle Scout.

A major requirement to earn the rank of Eagle Scout is to plan, develop and provide leadership to others in a service project. David's project comprised of building 120 feet of elevated boardwalk on a local nature trail that would flood from overflow of a nearby creek for most of the year. David planned the project, including the design of the boardwalk, procured and prepared materials, and he and his work crews spent close to 300 hours of time to complete the project. Congratulations to David Hohl on achieving Boy Scouting's highest honor.

## Holy Bowl Results

“We stood up to them and stopped  
their running game.”  
(Irish head coach Mike Spiess)

**By STEVE SNELL**

**OCTOBER 25, 2013: WALLA WALLA** -- Tonight the Irish knocked Tri-Cities Prep from the unbeaten Southeast 2B ranks as DeSales won its fourth consecutive Holy Bowl with a 16-14 win.

“I thought our biggest challenge would be the physical part as they were much bigger up front than we were,” Spiess said, “Physically, I was pleased with our effort, mentally (five fumbles and eight penalties) not so much,” Spiess added. “We’ve got to get past this young team and guys-hurt thing and toughen up mentally. (But) I liked the things we can do. They (T-C Prep) came in here 5-1. We competed very well against them.”

**The Irish defense limited the Jaguars to 146 rushing yards, nine first downs, and 73 yards through the air. RUSHING — TCP:** Cole 6-20, Rudolph 17-63, Forbes 5-29-1, D. Pedersen 7-49, Team 2-(-15); **DeS:** Richard 7-16, Healy 17-92-1, Galloway 3-21, Kimball 1-6-1, Scheel 1-1, Team 3-(-8). **PASSING — TCP:** D. Pedersen 5-13-1, 73 yards, 1 TD; **DeS:** Richard 15-25-0, 203 yards, 0TDs. **RECEIVING — TCP:** Cole 1-9, Forbes 2-29, B. Pedersen 1-26-1, Jones 1-24; **DeS:** Kent 3-46, Koopman 1-14, Scheel 4-76, Galloway 6-62, Elmenhurst 1-5

At the end of the day, DeSales had for the fourth year in a row, paid the rent for another year on the Holy Bowl Trophy's place in their trophy case!

We were much honored to have many KC dignitaries & Knights in attendance

- Bishop of Spokane, Most Rev Blase J. Cupich (14922)
- State Deputy George H. Czerwonka, Jr. (12583) and his wife Sharon
- Fourth Degree Color Guard from the Tri-Cities presented the flag in opening ceremonies.
- Three State Chairman
- District Deputy #7, Jeff Kadinger
- Most of the GKs from District #7
- Members from every Council and Assembly within District #7
- The Pro-Life truck was on site

A special recognition must go to the outstanding efforts by the Co-Chairmen of The Holy Bowl Committee, J.P. Kent (766) and Marcel Bergeron (10653).

By the way there was a great tailgate party before the game, everyone gathered around the fire pots and stories of our past "glory days" were running wild in the parking lot. Laughter, meatball sandwiches and 1/4 lb. hot dogs were contagious. This was hosted by Council #766, well done gentlemen. There was a 50/50 raffle drive with the proceeds going to the host school. The evening was a great collaborative effort between the Knights, the Schools, the Booster Clubs and many members of the District's Councils.

In the closing ceremonies the traveling Holy Bowl trophy was presented to the Irish football team by Bishop Blase J. Cupich. Two Sportsmanship Awards were given to one player from each team, chosen by officials from the opposing schools. The Holy Bowl Trophy will remain in Walla Walla for another year. Holy Bowl V will take place in the Tri-Cities next year.

### A PRE-GAME PRAYER

Protect them from injury and harm.  
And finally, we pray for your grace,  
that you would provide us with the endurance  
to pursue our heavenly prize:
