KNIGHTS OF COLUMBUS

“BE MEN OF ACTION”

Message from State Deputy

My Brothers All,

Final Month Of the Fraternal Year

To all you brothers whom attended the State Convention last month, wasn't that great? I love attending and meeting so many of you and hearing of your awesome activities and programs! We do have some truly outstanding Knights and programs in this state!

If you didn't get to the Convention, please see our state website for additional information on some of the winners and activities that went on. Please plan to attend next year....we will be in Olympia in May next year.

As we move into this final month of the fraternal year let us make sure we have done everything we can to make our state and your Council better for your leadership. Let's make sure we complete all those things "you have been meaning to get done." Please prepare to leave your Council in better shape than it was when you took over. Better financially, better membership health, better programs, better communication with your membership, better in all ways that you can. We don't always get the chance to plan for next year - please take as much time as you can to plan for your next leadership's success. Help them in any way that you can.

For all those Grand Knights and other fraternal leaders that are finishing your term and are not continuing.....please make sure your successor has the tools and support he needs to succeed. THANK YOU for all you have done. We appreciate it and I am sure your Council and parish does, too.

For those that are continuing in your role.....THANK YOU for continuing in your demanding role. I know at times it can be daunting.....but with planning and support, you will succeed and make your Council better for it. Just remember, your Council has placed their confidence in you once again - do all you can to earn that confidence. Make them proud!

As always.....I do appreciate all you and our Council does for the needy, for our youth, for our communities, for our families, for our Church, and for all the causes that are near and dear to your heart! Without you, we would be less of a fraternity - THANK YOU for all you do.

God Bless.

Vivat Jesus!

State Chaplain Message

With the month of June comes the celebration of Fathers Day, and in keeping with our reflections on Jesus as the perfect model of masculinity, we take a moment now to reflect on what Jesus teaches us about fatherhood as an indispensable aspect of manliness.

“Hold on there, Padre,” you may be saying. “For starters, Jesus wasn’t a father. And besides that, you can’t possibly mean that every man has to be a father in order to be authentically masculine!” Here we must make an important distinction between physical fatherhood and the fatherhood that belongs to a man by virtue of the fact that he is generative. True, Jesus was not physically a father, and thus he shows clearly that the biological begetting of children is not of the essence of masculinity.

However, if I asked you whether Jesus generated life in others, you would have to agree with me that he did, and he did in a major way! Not only is he (with the Father and the Holy Spirit) the Creator of all that exists, but through the gift of his body and soul on the Cross, he also gave life in a unique, unrepeatable, and preeminent way.

The Gospels also give us numerous examples of times when Jesus either literally brought the dead back to life (e.g., Lazarus in John 11:1-44, the widow’s son in Luke 7:11-17 and Jairus’ daughter in Mark 5:21-43) or restored people in a way that brought them a new beginning (e.g., blind Bartimaeus in Mark 10:46-52, the Gadarene demoniacs in Matthew 8:28-34 and the man at the pool of Bethesda in John 5:1-18).

Are we, then, as men trying to pattern our lives after the life of Jesus, supposed to generate life by raising the dead and working miracles for those afflicted with physical or spiritual infirmities? Jesus did say, “Amen, amen, I say to you, whoever believes in me will do the works that I do, and will do greater ones than these...” (John 14:12). Plus, I believe we generally underestimate the power of the Holy Spirit. However, that will have to be the theme of a different article someday.

Besides having children, we can be generative by the way we choose to treat other people. Have you ever noticed how compliments, words of encouragement or expressions of affection give life to those who receive them? What an easy way to engender good will, love and unity!

Works of mercy and charity are also means by which we give life to others. This is an area, as you know, in which Knights of Columbus excel. We can generate life in our brothers by supporting them in living the Christian life to the full and walking with them through times of difficulty.

Many men find their experience of generativity through creative activities like music, woodworking, building things or doing art. These are important, too, and they give expression to our deeply-rooted desire to bring something into being.

A good litmus test to determine if we are being generative (i.e., practicing the life-giving aspect of masculinity) is to ask ourselves how often we stand back and look at something we’ve made, said or done and say, “That was good!” There is a real sense of satisfaction in experiencing this generativity. It truly is a kind of fatherhood.

God grant all of us the grace to be, like Jesus, channels through which his life and mercy can reach into our homes, our neighborhoods, our parishes and beyond.

State Secretary Message

Brothers,

What a GREAT STATE CONVENTION!!! One of the best ones I ever have ever been involved with! Seeing old friends! Making new ones! I really get a kick out of the "BIG SHOW!" Lots of great jokes this year (Karl) and everyone stayed happy! Hopefully, we can build up some momentum from the great Convention, finish strong and use that momentum to propel us forward into our next fraternal year.

We have 99% of the State Per Capita collected which means there are only 4 Councils that haven't paid. If you are one of the Final Four Councils that have not paid in full, you might consider either paying now because it is overdue or visit with the State Deputy so that you can get things worked out.

April 28th was our cutoff for names that will be read at the Necrology Mass at the convention. Any names we receive now will be read at next year's Necrology Mass. If you had a submission that was close but didn't make the deadline, make sure that you submit the name to me for next year.

Finally, THANK YOU for voting me in as your Secretary for next year. You will, as always, get my best!

God Bless you and enjoy your summer until I see you at the Summer Leadership Meeting!

State Treasurer Message

Did you submit Your SP-7 Columbian Report?

My Brothers,

June is here.... The Convention is in the books and the Summer Leadership meeting is just around the corner. Our State Secretary tells me that we are doing exceedingly well in the Per Capita coming in and the Exemplification fund is well in hand.

This is a time of year that we start looking to our newly elected leaders to take their first steps. Your presence at the Summer Leadership meeting is extremely important to you and the leadership of your Council. This is where all the new information from Supreme and the reintroduction of existing knowledge is conveyed to those in attendance.

Special “break-out” sessions are already planned for specific Officers and chairmen to help them focus on their duties *but none can learn if they are not there*. Grand Knights, Program Chairmen and Membership Chairmen are especially important as well as Financial Secretaries. There’s something for everybody and this year’s meeting promises to be special for all.

While there are still several reports still outstanding from numerous Councils, there is still time to get them in. Submitting your directory information for Council and Officers is critical to all those who seek to find you for any of a dozen reasons...make it easy for them and get it in now. Don’t lose your chance at Star Council Award over paperwork. Did you submit your SP-7 Columbian Report?

Worthy District Deputies, please see the Supreme Report on the Website for the 8 remaining Councils that have not submitted their 365 Service Personnel Report and **CALL THOSE GRAND KNIGHTS, HAVE A BLANK FORM IN YOUR HANDS AND FILL IT OUT FOR THEM...** you can sign the report for the GK and submit via Kofc.Org

Looking forward to seeing you there.

Vivat Jesus

State Advocate Message

Well...The IRS is at it again, targeting nonprofit organizations.

Please read the statement from Supreme referring to a question from one of our Council financial secretaries in regard to 990N filings.

From Ed Parry:

I have been trying diligently since early May 2016 (our financial year ends 31December) to file our 990 e-postcard with the IRS, to no effect. I have been able to file through the Urban Institute, but the IRS recently recalled that activity back to itself.

I'm not able to even establish an account (see attached graphic).

I would appreciate any assistance you may be able to provide, as well as this information for the 990-EZ

- Group Exemption #**
- Tax-exempt status (501c3, 501c#, 4947a1, 527, etc.)**
- Form of Organization**

Thanks for your help!

Teresa at Supreme:

Yes, the Urban Institute filing process was working beautifully for all our Councils, so what does the IRS do? Changes the system to an IRS filing system and completely screws the whole thing up. Your tax dollars at work!

For no apparent reason, the IRS has launched a new site for Form 990N (e-Postcard) filings. **All users must register as a first time user even if you were previously registered in the old system.** I have attached screen shots of the new registration and filing process as well as the link to the new site.

(See attached file: Form 990-N .pdf) [IRS Form 990N \(e-Postcard\) filing link](#)

Predictably, there have been numerous problems with the new IRS website. If you receive an error code 5500 or 505 (or similar) or a blank screen after you get so far, this indicates a problem with the IRS server. Keep trying, possibly at night or over the weekend when traffic on the site isn't as heavy.

State Advocate Message continued

If you receive an error code 9905 (or similar) this indicates an error with your operating system. Typically it means that your software may be outdated and you should try to gain access to a different computer to file your Form 990N.

Just keep trying and eventually most Councils are getting through. But it shouldn't be this hard - we really need someone who will reform the IRS!

Thanks,
Teresa

There you have it, another hurdle. Please follow through and don't let them win.

State Advocate

Brothers,

In the month of May, we brought in 52 (104 hands), still behind our goal but making strides. The ironic part is that we lost 52 members for the month, so a total of 0 hands were added.

Next fraternal year, we are starting a new, different and fun membership program. Everyone that brings in just one new member will benefit. A little teaser...

Washington...the 42nd State...These are the voyages of Knights of Columbus principles; Charity, Unity, Fraternity, Patriotism. It's continuing mission....

It has something to do with a starship, get the picture??? We have a challenge from our State Deputy that will be fun to watch all year, too.

Scott Hulse has done a fantastic job with the Silver Rose Program this year. He has identified potential new Councils, Round Tables and new members. He has had such a great experience that he can't wait until next year. Kudos Scott!!!!

I am looking so forward to next fraternal year (2016-2017) with membership. Supreme has been petitioned, and they have granted \$3,000 to our new membership program. This way, it will not be a burden on our state membership budget. Always watching the bottom line, you know!!!

125 Councils have been membership active this fraternal year, leaving 38 inactive. Hopefully, with the new program, we will be above 140 this time next year. Some have no choice but to be membership inactive because of demographics, parish size and/or agriculture area. The only way they can get a new member is for one of their sons to turn 18. These same Councils, though, are strong in programs, and that is just as or more important than membership. Don't tell anyone that I said that.

The first of the planets we visit in July will be Planet Covington. Stay tuned...Don't take the Summer off.

Don't Be Afraid to ask!!!

Fraternally,
Kim Washburn

New Council Development/Round Table

Worthy Grand Knights and District Deputies, you are the point men in Round Table (RT) development. We have a month to meet our goal of 45 RT's by the end of the Fraternal Year. We have 21 RT's established to date. Worthy Grand Knights, let's work towards an active Knights of Columbus presence in all parishes in Washington State. Meet with pastors to describe the program. The RT Program guidelines are found in pamphlet 2632 7-14. This process is very easy. Do not wait for someone else to do it.

All Round Table Coordinators must submit the Annual Report (Form 2630) to Supreme by June 30, 2016.

Round Table Coordinator, Grand Knight and Pastor need to sign this form. Send a copy to the State Deputy, to your District Deputy and to the State Round Table Chairman. Link to the Round Table Annual Report: https://www.kofc.org/un/en/forms/Council/roundtable_report2630_p.pdf

District Deputies, you are the point men in New Council Development (NCD). As our Supreme Knight has often reminded us, "We have a moral obligation to invite every eligible Catholic man to join the Knights of Columbus." That translates into engagement with parishioners in parishes without Councils as well. Be Bold, Be Catholic and begin dialogue with pastors in those parishes by asking how we can help them in their ministry.

Also, share with those pastors all of the programs we have to offer. The NCD guidelines are found in pamphlet 2119 7-14. Another helpful tool is the *Action Plan for Developing New Councils in Only Seven Weeks*, flyer 4808 5-15. This is a tool that outlines one way to establish a new Council. Use these tools.

Feel free to contact me anytime to discuss the dynamics of RT and NCD initiatives. This process is quite rewarding.

Vivat Jesus!

Fraternally,

Greg Mahoney
NCD/RT Chairman, WSC

State Community Award

The H.O.M.E. Project (Homeless Outreach Mobilization Effort)

Congratulations to Harry J. Tucker Council 11780 for their efforts in serving homeless men in the Covington community.

Knights of Columbus Council 11780 started their involvement with the H.O.M.E. project 14 years ago. It began with a trio of Knights cooking for homeless men in shelters that were part of the CCS homeless program. Howard Baus (now deceased) and Jim Grad (also deceased) first started collecting donated food from various sources until they had enough to feed the men. Today the project is a fully operational program and facilitates the feeding of up to 30 men a full course meal 3 days a week, every week of the month.

There are five cooking teams that share the responsibilities among 30 or more Council members. Thanks to the conscious effort of the Knights they not only feed the men at the shelters but also collect enough food to keep the Covington Food Bank with full shelves, so they rarely turn away a person in need. A team of Knights go every week to local food distributors and pick up anywhere from 4,000 to 10,000 lbs of donated food. So far this year, they have collected over 390,000 lbs of donated food for use in their community.

To keep the program going, the Council has developed a familiar way of operation called "Next Man Up"..... if a brother Knight gets sick or passes there are several others waiting to take their place. This same group of men also started cooking breakfast for all the donors at the Council Blood Drives. Today the Council Blood Drives have become a great time for socializing with brothers while donating blood.

After the passing of both Howard Baus and Jim Grad, the Parish in conjunction with the Knights of Columbus held an auction to purchase a new trailer for their supplies and equipment. The most interesting thing about this program is that it just keeps giving. The joy of what the program does for the community encourages more and more Knights to get involved. The Council also sponsors a healing rosary for those in need of prayer and for other needs in their community. They hope that Brothers working together will make a difference in their community and encourage others to become active Knights.

Respectfully submitted by Michael McCloskey, State Community Program Chair

General Agent Update

Happy Father's Day.

Fathers Plan, Fathers Protect

From the beginning, the Knights of Columbus has been a family-first organization. Father McGivney was striving to find Catholic men who could come together to protect and support the families in their communities who needed it most – including their own. Today, the mission remains the same. And, as we celebrate Fathers' Day here in the United States, it's a great time to evaluate how we're doing.

As we approach the beginning of 2017, the Knights of Columbus has more than \$100 billion of life insurance in force, covering the lives of hundreds of thousands of our members and their families. Knights across North America continue to trust their Order to protect them and to see to it that their loved ones are well taken care of once they're gone. And the numbers keep increasing. The year 2015 marked the 15th consecutive year of increased new business life insurance sales. More and more members are preparing to leave behind legacies of protection for their loved ones. But how are each of us doing on an individual level? How well protected are our families? Are we certain that the insurance that we have in place is enough to cover their needs? Is it enough to allow those left behind to remain in their homes, to attend college, to continue to live the lives they are accustomed to? Would we even know how to begin calculating and projecting those needs?

There are a lot of moving pieces and parts that go into calculating just how much your life is worth in dollars and cents. You're worth far more to your family than simply a number on a page, of course, but you do provide for them. And, if you're no longer able to, you want to make sure that their lives are not further devastated by your absence. These calculations and determinations are not ones that you need to make on your own. Your agent can help you identify what you need to do in order to adequately protect your family. The Knights of Columbus provides members a comprehensive, complimentary needs analysis titled "Profiles & Forecaster," a proven industry tool that helps you determine your needs. Your agent will gladly perform this custom analysis for you and your family absolutely free.

It's a fraternal benefit that costs you nothing, but could tell you a lot. The Profiles & Forecaster analysis will help you identify surpluses and shortages, insurance and income replacement needs, final expenses, and more. How could you turn down a free comprehensive analysis from one of the "World's Most Ethical Companies?" Why would you pass up on a complete review from North America's most highly rated life insurer?*

Helping your family to prepare for life without you is one of the most selfless actions you can make.

So, this Fathers' Day, as your family shows you how much they love you and how much you mean to them, show them how much they mean to you. Make an appointment with your agent for your custom analysis, and begin to build an insurance portfolio that will guarantee their protection after you're gone.

You can obtain your agent's name and phone number from your General Agents office

Culture of Life

I am the newly appointed Culture of Life Chairman for the State Of Washington. My name is Ron DeGroot and I am a PGK of Council 1643 in Olympia and PFN for Assembly 1183. I have been the Culture Of Life Chairman for our Council for the past five years and my passion is the culture of life.

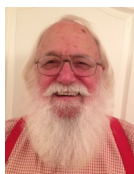

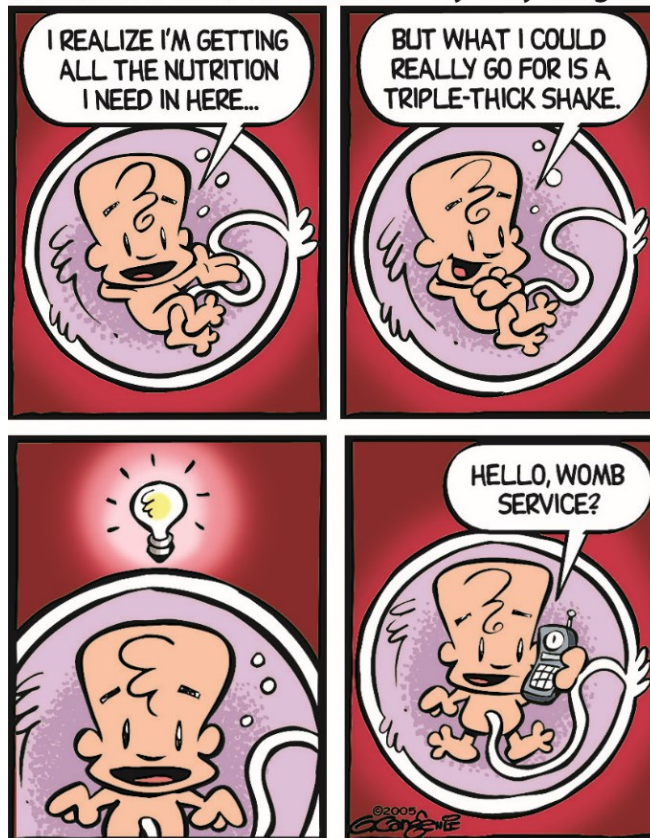

My first official duty for this position was to judge the applications for the Hubert Liebert Pro Life Service Program as well as Pro Life Essays and Posters. We had many great entries from which to choose. This was my first time to run these programs and I was quite impressed by the written entries as well as the beautiful posters. I would like to thank the men who helped so much with posting and judging the posters.

I am proud to announce that we were able to raise the necessary funds to purchase a beautiful life size sculpture of a 3 month old fetus in a mother's womb. This was only because of a special donation by Stanton Healthcare through Shane Gehring (the State Secretary for Idaho K of C and board member for Stanton Healthcare) as well as your delegates and their wives.

This sculpture will be a great tool to gain access to students as well as the general public to understand and respect life. If you will let me know of your special Culture of Life events as well as local fairs and other venues where you represent Life I will try to get it on my schedule to make it available. I will concentrate on the Westside of the state but Brother Tom Emerson (Council 15143 will take it to events on the eastern side of the state. Let's work together and see what this fantastic tool will do.

Tootsie Roll Update**\$2,127.86**

Worthy Tootsie Roll Men,

You've heard it before, get those locations scheduled and worry about staffing later.

It's time to turn in your Council Chairman form, so go to the <http://columbuscharities.net> website for everything you need.

I am turning over the reins to Tommy LaCour. While I will still be at hand to help, it's time for someone else to take over. I love this program, but it needs a new face and ideas to keep it fresh. I have a full time job now, continued Knight Duties and there are only so many hours in a day.

I put in a 40 hour week (sometimes more) at work, 30-50 hours devoted to the State position, family, daughter that is a 17 year old senior and in running start for college credit, property keep up...you do the math.

I can't tell you how proud I am of the support you have given me for this program's success. Look how far we have come!! There is still much room for growth and Tommy is the man to lead us there.

Tommy and I will have several cases available for purchase at cost, to encourage smaller Councils to participate. While we are on the Westside, there are several options for other areas. We have State meetings throughout the summer where we can distribute, but we will need to know how many and payment is mandatory at time of delivery. Tommy and I can make it happen.

Look for things to change on the website soon. My name is plastered everywhere, so it will take time. If you send me forms, checks, paperwork, etc. I will make sure it gets to Tommy, or you can find me in New Zealand sipping a Mai Tai.

The summer meeting is just around the corner, so get ready.

Thanks!!!

Note from the Editor

Please remember that every three months I have to remove all existing entries in the Members and Family In Need of Prayers section, unless I hear from the FS of the Council in question. I do this to make sure the list is as current as possible and stays at a manageable size. July is the next month for me to clear out the existing entries.

Each Council FS should send a list of the people whom need prayers each month, as close the first day of the month as possible. I will continue to add names up to the point I finalize the bulletin layout and save any submissions received too late for the next month. Please be sure to include your Council number, it saves me a lot of time looking it up and trying to track it down.
