## KNIGHTS OF COLUMBUS

*"Unapologetically Catholic"*

### Message from the State Deputy

My Dear Brothers,

In September we will begin a series of five Regional meetings around the State. These meetings are primarily for the benefit of the GKs, and Membership/Programs Chairmen of the Council. At this time, we plan to visit Spokane, Yakima, Everett, Tacoma, and Bremerton. These meetings are scheduled to last four hours or less. We will be presenting the latest in Programs and Membership information along with an FS trainer available to help any FSs or FCs that attend. Please take advantage of this opportunity to learn a bit more and spend some quality time with your brothers and the State Council Officers. A light lunch will follow at each.

Summer is almost over and congratulations to those Councils that have managed to bring in new members. Always a difficult time to recruit new folks due to vacations, etc. While some Councils claim to "take the summer off," that usually runs afoul of their own by-laws that state they meet every month. If your Council is one of those ask yourself...does that Parish take the summer off?

Your State Council and its chairman never take the Summer off? Does your Priest take the summer off without a replacement to celebrate Mass for you and the other sacraments?

The forces that work very hard against Christianity don't ever take time off. They are out there in full force all year long and we need to be there to support our beliefs and our Church against them.

There are a few Councils that have very successful Summer events to support their Parish and we should all be doing the same. Please consider becoming one of them next year. Remember, no new members will create a downward spiral for your council. Don't let that be your legacy. Be proud of what you have built and share it with new men so that future generations can benefit from your Councils charitable efforts.

Fraternally,

Pat

## State Chaplain's Message

I attended my fourth Supreme Convention of the Knights of Columbus last month in Minneapolis, and my expectations were well met. The celebrations of the sacred liturgy were extraordinarily beautiful, as always. Supreme Knight Carl Anderson's annual report was inspiring, as always. The overall spirit of the convention was very upbeat and energizing, as always.

After all that, I have only one regret... as always! I wish more Knights from our jurisdiction could have been there. In fact, I wish ALL our Knights could have not only witnessed the grandeur of the event, but also experienced the sense of pride and renewal that is palpable at every Supreme Convention.

How wonderful it would be if a large contingent from Washington could attend! It's true that we can only send ten delegates. However, keep in mind that the convention is open to more than just delegates. I realize that financial limitations may prevent many of our members from traveling across the country to the convention, but if finances are not a deterrent for you, I strongly encourage you to consider attending. It's well worth the investment.

One possibility is to try to include the Supreme Convention in your vacation plans. I believe the convention will be held in Washington, D.C., next year and in Denver, CO, the following year. Both of these are nice places to take a vacation. And--as long as you're already there--why not take in the Supreme Convention?!

Yet another option is to find out when the Supreme Convention might be held a little closer to home and attend then. I don't know if the convention has ever been hosted in the Pacific Northwest in the past, but if and when it happens in the future, be sure you are in attendance!

A final option---perhaps the most feasible for us all---is to access the video coverage of the Supreme Convention available online. EWTN broadcasts the opening Mass and Supreme Knight's annual report---as well as some of the other events---and makes the video available on their YouTube channel. Keep an eye on [kofc.org](http://kofc.org) to see what convention coverage might become available there. You should at least be able to read Carl Anderson's report, which is quite impressive in itself.

I can't recommend strongly enough that you consider attending the Supreme Convention. If that's not likely ever to be a possibility, then at least watch some of the coverage of this truly momentous event. It will make you proud to be a Catholic and a Knight of Columbus.

Personally, I am somewhat spoiled in that I get to go to the convention every year as a guest of the Supreme Council. They invite each State Chaplain to take part in a special annual meeting at the close of the convention. We meet with the Supreme Knight and the Supreme Chaplain, Archbishop William Lori of Baltimore. It's a time for sharing of ideas, addressing of special issues, and being encouraged in our work. I always come home renewed, recommitted, and grateful to be a Knight---and especially grateful to be your State Chaplain. God bless you and your families!

Vivat Jesus!

## State Secretary's Message

### State Secretary Report September 2019

Brothers,

Councils have now been billed for their annual liability insurance premiums. About 50% have paid and I'm certain the rest will follow in a timely manner.

There was an error in my SIX MONTHS letter. The DD meeting is December 6<sup>th</sup> through the 8<sup>th</sup>. No matter how many times I proofread, something always gets by me.

That being said, I reworked the SIX MONTHS letter to update and include many items that had not been covered before. It is a real tool to help councils work with in our Order. I think you will find it beneficial. I will have copies available at a Regional meeting near you this month.

I ask that you attend a Regional to get a more, one on one, learning experience. There are many things that have changed for the better and you will find the meeting a good place to learn and bounce off ideas.

## State Treasurer Message

Brother Knights,

As you might expect, I do not have much to report this month. My goal is to process your checks as soon as I can. The Exemplification Fund status chart is as of August 22, 2019. A \$7 fee per each new member brought into our Order is due to WSC soon after the Admission Degree. If you have a balance due, please mail your check payable to Washington State Council with *Exemplification* written on the memo line. Ensure your council number is on the check.

Send checks to:  
Kim Washburn  
WSC State Secretary  
10555 Fox Rd.  
Leavenworth, WA 98826-8723

Remember, all checks go to State Secretary Kim Washburn first.

The new fraternal year is underway. Council Program and Membership Action Plans should be set for implementation. Order the necessary supplies you need to be successful and be that visible council whose members are being the best version of themselves; that is, men who protect, lead, serve and defend.

A reminder that the Washington State Council is a Keynote Sponsor of the **Cornerstone Catholic Conference, October 18-19, 2019, in Tacoma**. This is the largest gathering of Catholics in Washington and the event is hosted by the Washington State Catholic Conference (WSCC). I encourage you and your families to attend this important event in Washington in support of the Culture of Life. Register now and let's be a visible force for life. See the flyer included in this bulletin for more information. Learn more about the WSCC and the Cornerstone Conference at <https://www.wacatholics.org/>.

Vivat Jesus!

## EXEMPLIFICATION FUND REPORT (as of August 22, 2019)

## State Advocate's Message

Brother Knights,

Happy Labor Day and welcome to the new school year! I hope that you will have had a relaxing weekend as we come to the end of summer and the children head back to school.

I want to provide an overview about Safe Environment training, and why it is so important for you to meet these requirements. Supreme tracks this information and the state receives a monthly update for all Councils and all positions that require. This should be a review for most of you, but it is important that we are all on the same page.

First of all, Supreme is dependent upon the timely submittal of Form 185 Report of Officers Chosen for the term (due June 30<sup>th</sup>) and Form 365 Service Personnel Report (due August 1<sup>st</sup>) to identify the members of each Council who are required to take the training and/or background checks. There are four Councils who have not yet submitted Form 185 and 24 Councils who have not yet submitted Form 365. Gentlemen, this is not acceptable – let's get 'er done!

Starting next month, I will be posting the Safe Environment tracking statistics in the monthly bulletin and reaching out to Councils who are not yet certified. Please note that Councils who do not meet the training requirements are not eligible for Star Council, and they are unable to host events primary for children (soccer challenge, free throw competition, etc.). There is no wiggle room on the Safe Environment training requirements.

### Safe Environment Training Link:

<http://kofc.org/un/en/members/programs/youth-activities/safe-environment-program.html>

### Training is required for the following positions:

State Deputies  
State Advocates  
State Program Directors  
State Youth Directors  
State Community Directors  
State Family Directors  
State Squire Chairmen  
Grand Knights  
Program Directors  
Community Directors  
Family Directors  
Chief Counselors (Squires)  
Counsellors (Squires)

In partnership with *Praesidium*, an organization that has worked to provide knowledge and tools that safeguard against sexual predators for more than 20 years, Knights of Columbus continues its strong tradition of maintaining the highest standards regarding the protection of children and other vulnerable persons. Through this partnership, Knights of Columbus provides fraternal leader and youth leaders with current best practices and resources to keep children safe, including *Praesidium's Armatus*® training, background checks, and an exclusive hotline to report child safety concerns (1-844-KOFC-SAFE (1-844-563-2723)).

## State Advocate's Message cont.

State deputies, grand knights, and faithful navigators (if their assembly sponsors a circle) must complete youth protection and safe environment training, **but are NOT required to undergo background checks UNLESS they also hold a youth leader position.**

A Knights of Columbus “youth activity” is an activity whose principal subjects are minor children, e.g., Columbian Squires, Basketball Free Throw, etc.

As it is the policy of the Knights of Columbus that all council Youth Directors are required to be background checked and trained in accordance with the Knights of Columbus Safe Environment Program, the Order expects the council Youth Director to be present at all youth activities sponsored by the council.

Please note that the Knights of Columbus Safe Environment training will not fulfill any diocesan training requirements, or fill the requirements for any other group such as Boy Scouts. Each organization has its own unique requirements and you must remain informed and compliant with their requirements and training.

### Knights of Columbus Reporting Protocol

1. Report suspected abuse to law enforcement;
2. Notify the local diocese of the suspected abuse; and
3. Notify the Knights of Columbus of the suspected abuse at 1-844-KOFC-SAFE (1-844-563-2723).

If you have specific questions about Safe Environment Training, please reach out to me at the email address below, and I will be happy to work with you.

## State Warden's Message

### State Warden's Report – Planning Ahead

The Washington State Council Summer Leadership Training Meeting is behind us. Now what?

By now every Council should have an operating plan and, at the very least, a preliminary budget for the 2019-2020 fraternal year. A good way to check your operating plan for the fraternal year is to lay it beside the Monthly Service Program Report template provided by the Washington State Council and the Fraternal Planner that was sent to all Councils by the Supreme Council. This will enable your Council members to identify and understand how your goals conform with expectations of the Supreme and Washington State Councils and how you can schedule activities and adjust or modify your operating plan so that your Council is successful during the 2019 – 2020 fraternal year.

Request assistance from the Washington State Council officers if you have questions or need support. We are here to serve and can assist with establishing objectives and goals, developing an operating plan for the fraternal year or preparing a budget that is based on projected revenue from all sources and anticipated expenditures.

I will pray for all of you as you work together with your Brother Knights to provide for the physical, emotional and spiritual needs of all those whom we serve. Please pray for me as I carry out my duties and responsibilities.

Vivat Jesus!

## Immediate Past State Deputy's Message

Hi Brothers,

I sure did enjoy this last month's living!!! I went to the Summer Leadership Meeting and got a chance to hear all about becoming a Financial Secretary. It seems like a job that takes a lot of commitment and most guys who do that job seem to do it for a long time- that may be just right for me.

I also went to the 137th Supreme Convention. We had a great cadre of guys from Washington and I had quite a bit to do in the whole thing. I was on the Distribution Committee, which meant I got to pass out a bunch of handouts and wake up early every day to do it. Valerie and I also got to take up the gifts during the Memorial Mass and that was a great honor. I also was able to receive an Award for Washington for the two New Councils that were formed last year.

Every State Deputy really wants to make the Circle of Honor Award also, because it means so much to The Supreme Council in terms of how they view us as a Jurisdiction and as a State Council. This is their main measuring stick to gauge our success- How well we grew the Order. Interestingly, only six states out of fifty received the Circle of Honor. Sure would be nice if we made it this year. It would be a great honor for all of us, so keep on recruiting,

One of the guys who went to the Supreme Convention this year was Past State Deputy Rob Roberts and his wife Mira. He was the guy who bought the Seattle Seahawks jacket and he is well pleased with it. He is also into Indian Jewelry and he found a piece that he gave to me that was a beaded Green Bay Packer necklace. I guess that makes me a "Packer Brave!" GO PACKERS GO!!!!

I will keep reminding you that I am the guy who sends out **GET WELL CARDS** and **CONDOLENCE CARDS**. When you report an illness to the State Secretary, Kim Washburn, just remember to include the name and an address and I will send out a get well card. When you report a death, make sure that you include the name and address of the next of kin and I will send out a condolence card. As a matter of courtesy to those that are grieving, it is very important to let the State Secretary know as soon as possible. That way I can send out the card in a timely manner. Nothing is worse than a **LATE SYMPATHY CARD**. It's hard enough to live through the passing of a loved one once, without having to be reminded of it a month later. If I feel it's been too long (later than three weeks) I won't send the card.

God Bless You All and Have a Great Month!

## Membership Director's Desk cont.

The format is easy to implement and gets results! The key element is that you must request a Council landing page from Supreme at <http://info.kofc.org/pagerequest>. You will need to provide a name and email address (Grand Knight or Membership Director) and a description of how you want your Council described.

Use the form below to request a customized online prospect form for your council. Please note that turnaround may take a few days. Since this project works in concert with the Online Membership program, it is currently available in the **United States and Canada only**.

First Name:	*	<input type="text"/>
Last Name:	*	<input type="text"/>
Email Address:	*	<input type="text"/>
Council Number:	*	<input type="text"/>
State:	*	<input type="text"/>
Please provide the date the page is needed, how you would like us to refer to your council, and the name and email address of the contact person (if it's not you).	*	<input type="text"/>
<input type="button" value="Submit"/>		

My brothers, thank you for the hard work you are doing for our Order and Church, please keep up the good work. Remember that we are building God's Kingdom here on earth.

## State Program Director's Desk

### Program Director's Report

There are a multitude of Faith, Family, Life and Community programs that Councils can incorporate in monthly routines to enrich members' lives, strengthen their faith, help men to become better husbands and fathers and provide personal satisfaction while we, as Knights, serve our Communities in many different ways. In an attempt at tracking these activities, the Washington State Council has developed the Monthly Service Program Report, using a point system to encourage monthly completion of these reports.

Why does the Washington State Council maintain a scoring system for Council activities? Why should Councils report activities? What difference does it make if Councils don't report their activities? The answers to these questions may not be obvious. However, there are a number of benefits, both local and global, that accrue for the Washington State Council as well as the Council making the report.

The scoring system for Member Service Program Reports provides Councils with a metric that can be used to determine if a Council is meeting Supreme, State and Council expectations. In addition, the monthly Member Service Program Report, when completed by the Deputy Grand Knight performing his duties as the Council Program Director, enables the Deputy Grand Knight to familiarize himself with personal as well as Council sponsored service activities of individual Council members. This knowledge is invaluable when the Deputy Grand Knight becomes the Grand Knight. As the Grand Knight, he is aware of the individual talents of his members and can organize and plan programs that interest his Council's members and take advantage of member's talents. Another advantage of the Monthly Service Program Report is availability of information required for the SP-7 Columbian award application as well as the Form 1728 Annual Survey of Fraternal Activity.

Our existence as Knights of Columbus in an increasingly secular environment is supported by information included in the Monthly Service Program Reports. These reports provide justification based on facts for our existence as a faith-based organization that adheres to our Founder, Michael J. McGivney's, principles of Charity, Unity and Fraternity. This information is essential as our Order responds to local, state and national government challenges to our credibility as Knights of Columbus.

Twenty-four Councils within the Washington State Jurisdiction provided Monthly Service Program Reports for activities during July of this fraternal year. Eight Councils are well on their way to achieving membership in the 2019-2020 fraternal year 1,000 Point Club. The Camano-Stanwood Deacon Donald F Hanika Council 8476 in District 31 is one-third of the way toward earning this distinction. Kent Council 8150 in District 27 is one-quarter of the way. The Four Chaplains Council 10652 at Joint Base Lewis-McChord in District 34, Colbert St. Joseph Council 8872 in District 32, the Kennewick Holy Spirit Council 10653 in District 7, the Lakewood St. Francis Cabrini Council 4322, also in District 34, the Black Diamond St. Barbara Council 11736 in District 27 and the Renton St. Stephen the Martyr Council 13374, also in District 27, are well on their way toward becoming members. The other Councils that submitted Monthly Service Program Reports are listed along with point totals in the accompanying Table. Please verify that Council total points have been correctly recorded.

Six of the twenty-four submitted their reports by 1 August. The remaining Eighteen all gave up fifteen easy points because their reports were made after 1 August. Think of the Member Service Program Reports submitted by the first of the month as a guarantee of 240 points, almost one-quarter of the points that make your Council a member of the 1,000 Point Club. There are a multitude of Faith, Family, Life and Community programs that Councils can incorporate routinely in their activities that will provide personal satisfaction while we, as Knights, serve our Communities in many different ways.

Identifying a Family of the Month and a Knight of the Month every month can provide almost one-half of the points necessary for recognition as a member of the 1,000 Point Club. Participating in the required programs for Community Service, Faith, Family and Life will provide an additional 200 points. The remaining points are easily obtainable by simply recording individual member service activities.

As Knights of Columbus, we need to let our communities, our states and our nation know that we are able and willing to serve. Please help to document this service by submitting Council Member Service Program Reports in a timely manner. Twenty-four Councils reporting out of a total of 166 is only 14.5%. We can do better.

Respectfully Submitted

**State District Deputy Director's Message**

Worthy District Deputies,

By now, all District Deputies should have completed the required Online training for District Deputies. Once completed, you can review sections as needed for a refresher. Log in to Officer's Online, click on Fraternal Training and then click District Deputy. To remain in your position, the training requirement must be completed. If anyone has not completed training, I will let you know.

The State of the District Report was sent to you via email mid-August, and your initial report was due August 19. You will not be able to complete the entire report but complete what is relevant now. Subsequent reports are due the beginning of each quarter. We do not have all the Admission Degree schedules or the District Organizational meeting dates yet. Send your State of the District Report to [DDD@kofc-wa.org](mailto:DDD@kofc-wa.org).

For those who were not able to attend the Summer Meeting, your District Deputy Appointment Certificate and District Deputy packet are on the way through USPS.

When visiting councils, please remind them about the Delta Church Drive training and the kits to order now for the October/November Church Drives. Encourage all members to attend a training session.

Inform councils about the **Cornerstone Catholic Conference in October** – see the flyer included in this bulletin. We are a Keynote sponsor this year and we strongly encourage as many members and their families to attend as possible. DD's should take this opportunity to lead by example by registering to attend. Learn more about the WSCC and the Cornerstone Conference at <https://www.wacatholicism.org/>.

When the going gets tough, the tough get going. Remember the pledges we took at the Summer Meeting Installation. We have an important mission to accomplish, let's put forth our best effort.

## State Faith Director's Report

**KNIGHTS  
OF COLUMBUS**  
IN SERVICE TO ONE. IN SERVICE TO ALL.

*Faith In Action Our New Watch Word*

### September 2019 Faith Programs

Brothers as we launch ourselves into the new Fraternal Year take advantage of this year's "Fraternal Planner" for 2019 – 2020. Especially noteworthy are the "Faith In Action Programs" which are categorized by year long, quarterly, monthly, and required. Accordingly, "when you choose to run your program is at the discretion of the council"...

I would ask your Program Director and or Faith Director to revisit their KnightLine Magazine September 2018 Volume 35 Number 8...this Volume entry is "Rewrite Your Council's Faith Story With the "Five Ps of Success"...these Faith programs are, Holy Hour, Into the Breach, Marian Prayer, Vocations Support (**RSVP**), Rosary, Sacramental Gifts, and lastly Spiritual Reflection. **Council participation in Spiritual Reflection is required** to qualify for the Columbian Award. Check your inside cover of your "Fraternal Planner" for a well-organized listing of Helpful Links.

Remember Domestic Church progress should include the acquisition of a Kiosk. This reading program tool does much to benefit parish families, our faith, and those contemplating coming back to Catholicism. See your financial secretary for requisition of... **Building the Domestic Church Kiosk (#BDC-K)**.

To achieve your council goal's this Fraternal year, ensure you attempt, at a minimum, one program in each "Faith In Action" model... these encompasses Faith, Family, Community, and Life...tailor to your council's parish community....Like I indicated last month, take the time to review what you are doing well within your parish and model a selected program accordingly. And always remember to seek guidance and approval through your parish priest.

Did you actually received instructions from your District Deputies on when and where your District Organizational meeting will occur? Again, ask questions, get focused on Faith, Family, Community, and Life programs and do what you do best. And by all means, please document what you do, build the narrative, and be prepared to submit your Council for State Faith award for 2020 convention.

The *Supreme Chaplain's Monthly Challenge* (August) is ideally done during monthly Knights of Columbus meetings, but can be done in a separate group or individually.

### August 2019...Supreme Chaplain Archbishop William E. Lori:

**"Gird your loins and light your lamps and be like servants who await their master's return from a wedding, ready to open immediately when he comes and knocks. Blessed are those servants whom the master finds vigilant on his arrival."** (Gospel for Aug. 11, Lk 12:35-37)

*Semper Paratus* — Latin for "always ready" — is the motto of the U.S. Coast Guard, but it also could serve as a motto for you and me in the Christian life. In this Gospel passage, Jesus calls us to constant vigilance. My brothers, whether it's day or night, we cannot allow our perimeter to be breached by any of the powerful temptations to anger, possessions, lust or other sins. Tomorrow is not guaranteed to any of us. You and I can recall someone whose sudden death reminds us that we do not know when we will be called to account. May our master find us vigilant on his arrival!

### Challenge by Supreme Chaplain Archbishop William E. Lori:

I challenge you to exercise daily vigilance through the time-tested practice of a simple examination of conscience at the end of each day before going to bed. I also challenge you to watch with vigilance with your council through the Faith in Action Holy Hour program, or by spending some time in Eucharistic adoration on your own.

Be vigilant my Brothers! Ask our Holy Mother to intercede for us to Her Son Jesus. Request guidance and assistance for this upcoming fraternal year. Holy Mother, dispenser of heavenly treasures, I shall always ask your help with lively confidence for your never-failing assistance. My brothers, pray to our Holy Mother and recite all or part of the rosary often.

Fraternally and Vivat Jesus,

Tom Pursley, State Faith Director

## State Culture of Life Director's Report

### Bulletin COL Article for September, 2019

#### **The Novena for Life is a new program!**

I need someone to step up and chair this program. Please contact the LIFE Director if you are interested.

Council participation in the Novena for Life program in the Life category is required to qualify for the Columbian award. The purpose of this program is to lead the community in the spiritual fight to establish a Culture of Life in our community.

The protection of life from conception to natural death is a sustained prayer intention of the Church, and in particular of the K of C. The Knights remain firmly committed to the right to life of every human being. To accomplish this, a council will promote a novena, nine days of prayer, to build up the COL in our parishes, homes and local community.

**DEVELOP A PLAN!** Determine the perimeters – one parish, two parishes or more, and local community. Determine the format – 9 consecutive days, weeks or months Include various diverse nationalities and language. Anchor it at each end to public church services – Mass, Rosary... Set the dates!

With approval from your pastor a council can begin a program in their own parish or join with other councils in your district and have a traveling Novena. An example would be to organize a nine week novena of the Rosary for Life traveling to a different parish each week and at the end of the ninth week you might share a pot luck dinner including all participants and their families. This would be a great opportunity for children to meet other Catholic children.

#### **The March for Life is a featured program.**

Your council's involvement in a local, regional or national March for Life shows commitment to the defense of all human life including the unborn.

There will be many Marches for Life across America in 2020. The 2020 March will be the 47<sup>th</sup> Anniversary of the Supreme Court decision known as :Roe v Wade. The following is a list of the better known Marches and where you can find further info.

## State Culture of Life Director's Report (Cont.)

NOTE: The location of the Mass for Life in Olympia is yet to be determined. It was originally scheduled for Saint Martin's Pavilion but due to scheduling conflicts. It will likely once again be split between Saint Michael, Olympia and Sacred Heart, Lacey but **that is TENTATIVE ONLY AT THIS POINT!!**

2020 Walk for Life Northwest, Spokane, WA

Saturday, Jan. 18, 2020

Google "Walk for Life Northwest"

DEVELOP A PLAN ! – Organize carpools or arrange for bus service for all members of your parish. Some councils have held fundraising events using the funds raised to provide bus service to and from the March. Attend a local Mass for Life.

Enjoy the March!

Visit your legislators – ask if they are Pro-Life and if not why; if they are - thank them for standing for Life. It is important to show respect for their position but do your best to share your thoughts and why you feel as you do.

If you are attending the March for Life in Olympia consider attending the luncheon after the March at Sacred Heart, Lacey. The luncheon is put on each year by Fr. Nicholas Rausch, OSB Council 1643. Share your experience at the March and any conversations you have had with your legislators. This is an opportunity to meet other pro-life folks to hear what they do for Life.

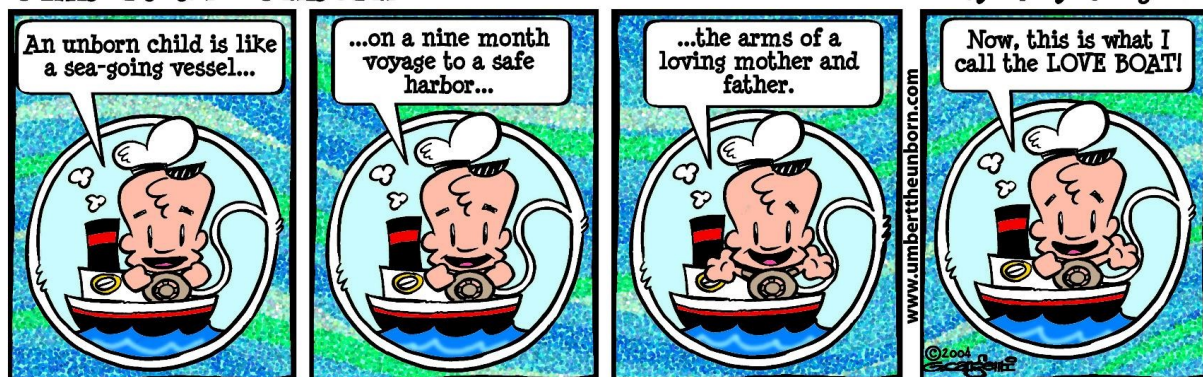

Report to the Parish how you enjoyed the experience.

**NOW IS THE TIME TO START PLANNING FOR THE MARCH – MEET WITH YOUR PASTOR TO GET HIS THOUGHTS.** If he likes your plan he will help to spread the word throughout the parish.

Remember to check out the WA State Council website [KOFc-WA.ORG](http://KOFc-WA.ORG) for the theme and Rules for the 2019-2020 poster and essay contests for Grades 1 thru 8. You will find them in the Life tab in the bottom right corner and click on the Pro-Life Poster and Essay Contest

## State Family Director's Report

### **FAMILY of the MONTH/YEAR**

#### **A Higher Purpose**

Promote and support the development of strong and vibrant families. Each council establishes a committee to recognize a deserving Family of the Month and Family of the Year with potential for recognition on the international level.

#### **Overview**

Each month, the council Family of the Month committee selects one parish family that models Christian family values and visibly lives them every day. Once a year, participating council also selects one of the previous twelve Family of the Month winners to represent the council/parish as the potential international Family of the Year. The Knights of Columbus Family of the Year is chosen by the Supreme Council and recognized each year at the annual Supreme Convention.

#### **Chairman Role and Responsibilities**

Working with your pastor, assemble a committee of council and parish leaders to serve as that year's Family of the Month committee.

Each month, ensure that the winning family is selected and formally recognized in the parish and local media.

At the end of the fraternal year, prior to your state convention, select one of the previous twelve monthly winning families to represent your council and parish as Family of the Year.

Complete and submit all associated reporting forms to the Supreme Council Department of Fraternal Mission.

#### **Action steps**

1. Working with your pastor, put together a committee of council and parish leaders to serve as that year's Family of the Month Committee.
2. Order the *Family of the Month Kit* through Supplies Online, the supply ordering portal on Officers Online.
3. Each month, hold a committee meeting to select the Family of the Month. To be selected a Family of the Month, each family should stand out as an exemplary model to others in the parish. They should meet the following criteria:
  - Is the family tight-knit? Does the family spend quality time together?
  - Does the family attend weekly Mass together? Does the family pray together outside Mass?
  - Has the family made significant contributions to the parish and church community?
  - Does the family serve as a model of Catholic family values?
4. Once the Family of the Month has been selected, formally present the *Family of the Month Certificate* (#1843) to them. Make sure that they are duly recognized! This could be after Mass, at a Knights of Columbus event, or at another parish event. Enlist a fellow Knight or community member to photograph the event.
5. Use the Family of the Month sample press release as a model to create and distribute a tailored release to local media.
6. Recognize the Family of the Month in your parish and larger community through a variety of efforts:
  - Bulletin announcements
  - Pulpit announcements
  - Posting on your council and parish website/social media pages
7. At the end of the fraternal year, prior to your state convention, select one of the previous twelve monthly winning families to represent your council and parish as Family of the Year. Make sure to contact your state family chairman to stay informed of deadlines and where to send entries.
8. To gain credit for your program, complete the associated reporting forms and submit them to the Supreme Council Department of Fraternal Mission. Remember to retain copies for your council records,

Fraternally,

Edward P. Hebert, Sr.  
Family Director

## A Message from the State Youth Director

Brother Knights,

Your fraternal year should be well underway and your programs starting to take shape. There are two Supreme sponsored youth programs that should be included in your current council activities. Catholic Citizenship Essay and Soccer Challenge.

Catholic Citizenship Essay:

This contest encourages today's youth to be more connected to their community and their faith. The goal of this program is to involve young Catholics in 8th through 12th grade (public, private, parochial or home schools) in civic discourse and instill in them religious and life-affirming values. The essay should be approximately 500-750 words. Entrants will be judged on grammar, style, and how clearly they present the theme – which should showcase creativity, imagination and overall development of the topic.

2019-2020 Catholic Citizenship Essay Contest Theme:

**Discuss the meaning of Virtue and how you live and embody the virtue of Charity.**

“Charity is the theological virtue which we love God above all things for his own sake, and our neighbor as ourselves for the love of God” - Catechism of the Catholic Church, 1822

Councils will need to order the Catholic Citizenship Essay Kit (#EA-KIT) through supplies online

Timelines:

Council level competitions September and October

Council winners sent to State Youth Director by November 1 2019

State winners to Supreme January 31 2020

Soccer Challenge:

The Soccer Challenge is a fun way for Knights of Columbus councils to engage youth in their communities with an athletic event that encourages the values of sportsmanship and healthy competition. Children demonstrate the most important skill in soccer – shooting accuracy on the penalty kick – and compete to reach the international level of competition. The program also offers an opportunity to introduce the Knights of Columbus to the community and recruit faithful family men of service.

This is an athletic outlet for youth ages 9 to 14 in your community. Designed for players to demonstrate their skills in the penalty kick. Councils can sponsor a competition by ordering a Soccer Challenge Kit.

Councils will need to order the Soccer Challenge Kit(#SC-KIT) through supplies online

## Tootsie Roll Update

### Helping People with Intellectual Disabilities (Tootsie Roll Program)

#### Worthy Brothers

Before you know it, it's going to be that time of year again to kick off for your annual Helping People with Intellectual Disabilities Drive.

The specific dates for the Tootsie Roll Drive are September 15th to Columbus Day (October 8<sup>th</sup>). Many councils hold drives throughout the year and that's ok. If you hold a drive "outside" of these parameters, please be sure to let me ([tootsieroll@kofc-wa.org](mailto:tootsieroll@kofc-wa.org)) know via email.

By the way, I'm working on putting a few finishing touches on the new 2019 – 2020 Tootsie Roll Manual. It's due to roll out by the end of September. I'll notify the Grand Knights and Financial Secretaries that it'll be available to download (once it's on-line).
