#### **Katrina Update**

When hurricane Katrina hit the Gulf Coast, the Knights of Columbus swung into action. At the Supreme level, the Supreme Board **announced the largest disaster relief effort in its history and pledged to provide \$2.5 million in financial assistance**, the Supreme Knight organized multiple conference calls of State Deputies and challenged local Knights *to contribute to the Knights of Columbus Katrina Relief Fund in an amount equal or greater than the Order's pledge*, and Columbian Magazine set up an e-mail address to collect stories (send updates to [Katrina@kofc.org](mailto:Katrina@kofc.org)). **As of Sept. 26, the Order's Hurricane Katrina relief fund has received 2,407 gifts totaling \$448,189.**

Supreme Knight Carl A. Anderson toured areas of Louisiana and Mississippi devastated by Hurricane Katrina. He said the Knights of Columbus will be involved in relief efforts in the Gulf region for at least the next two years. Anderson also met with Houston area Knights helping evacuees in Texas. **In Biloxi, two of the four Catholic high schools and 4 of 14 elementary schools were destroyed and 7 other elementary schools were severely damaged.**

At the State level, we set up a Relief Fund, solicited donations to collect a total equivalent to at least one dollar for every Knight in the state, put regular updates on the website, and **appointed IPSD Pat Maloney to the new position as state chairman for disaster relief** to coordinate responses with Supreme not only for Katrina, but for similar events. (An alias e-mail address has been set up for Pat for the Katrina Relief Fund - [Katrina@kofc-wa.org](mailto:Katrina@kofc-wa.org).)

At the Council level, individuals showed the innovation and initiative to raise funds and supplies for the evacuees. As of September 17, 2005, the donations from Washington State councils to the state fund had reached \$10,000, well on our way to achieving our goal of \$15,500 (one dollar for every member in the state). **Please remember to send your donations to State Secretary John Walker.**

Some of us in our past have been injured, had a vehicle or a house damaged, lost loved ones, been unemployed, forced to move to another state, lived for a while in motels or RVs, etc. But how many of us have had this all happen at the same time? **That is the situation for the hurricane evacuees and we need to help them out.**

When this is all said and done, I know the Brother Knights of the Washington State Council will be able to say, "We saw the hungry and fed them. We saw the thirsty and gave them water. We saw the strangers and took them in." **And we will - because we're the Knights of Columbus, a Catholic, family, fraternal, SERVICE organization!**

#### **Special Days at the Special Olympics**

State Deputy Karl Hadley presents a check for \$10,000 to David Taylor, Member of the Board of Directors for the Special Olympics. The Special Olympics were held in Everett and Meadowdale August 27 & 28 for two days of sporting events and a gala celebration Saturday Evening at the Boeing Cafeteria in Everett. The staff of the SO Washington along with the athletes wish to say thanks to all the knights in the state for the check which helps pay for the summer games. I want to give my thanks to all who came and made lunches, worked the dinner and dance.—Ed Caballero

## Message From State Deputy Karl Hadley "At the Confluence"

### Worthy Brother Knights:

On October 10, 1805 Lewis and Clark entered present-day Washington State at the confluence of what today are the Clearwater and Snake Rivers near Lewiston and Clarkston. Clark wrote, *"The Countrey about two forks is an open Plain on either Side...the water of the South fork is a greenish blue, the north as clear as cristial."* *"our diet extremely bad..."*

### tas one either side, are you ready to run the rapids?

Lewis and Clark had the help of the Shoshone, Salish, and Nez Perce and other local natives to help them along the way (and Sacajawea to guide them). The Nez Perce people generously shared a round root and flatbread made of this same root with the hungry Corps of Discovery. Today we call the plant and its edible root camas. Fortunately, you Grand Knights

They then journeyed down the Snake River to the Columbia River. Entries in Clark's log in October included, *"The hills or assents from the water is faced with a dark rugged Stone."* - William Clark, Oct. 12, 1805. *"proceeded on...to the junction of this river (Snake) and the Columbia which joins from the N.W."* *"In every direction from the junction of those rivers the Countrey is one Continued plain...except a range of high Countrey which runs from S.W & N E..."* (today's Horse Heaven Hills). - William Clark, Oct. 16, 1805. *"...the Countrey rises here about 200 feet above The water and is bordered with black rugged rocks..."* *"...saw a mountain bearing S.W. Conocal form Covered with Snow"* (Mt. Hood). - William Clark, October 18, 1805.

We too are at a confluence of sorts. We have just entered the fraternal year and are now at the confluence where the "Summer River" of organizational meetings and reports meet the "Fall River" of membership recruitment and program implementation. **With the steep cliffs of high membership and insurance quo-**

have the help of your State Officers, District Deputies, State Chairmen, and council members (and your wives to guide you). **You've been given the charts and know where the shoals are located. You know your destination. You have the Bread of Life. Go forth and "Discover a Knight!"**

As of September 30, 2005, only 46 of 138 councils (33%) have recorded new members with Supreme. (Congratulations to councils 829, 6686, 13606, and 13794 for having already achieved 100% or more of their membership quotas and councils 8455, 13560, and 13606 for achieving 100% or more of their insurance quotas!) As with Lewis & Clark we have a long way to the coast!

Vivat Jesus!

### Feedback from Our WA State Senators

Following the 2005 Supreme Convention, the State Deputy sent Senators Maria Cantwell and Patty Murray some of the resolutions pertaining to the Congress. Here are some excerpts of their responses:

#### Senator Cantwell:

"Thank you for contacting me with your views about abortion. I support a woman's right to choose, as well as efforts to strengthen family planning."

"Thank you for writing to express your views on the nomination of John G. Roberts to be a Justice on the United States Supreme Court .... I believe it is critical that we conduct a comprehensive evaluation of each nominee's qualifications...."

"Thank you for contacting me to express your view on a Constitutional Amendment to protect the American flag. As a free speech advocate, I oppose this amendment...."

#### Senator Murray:

"Thank you for contacting me.... I appreciate having the benefit of your views on these matters."

## Silence in Spiritual Growth by Fr. Wilmar O Zabala

I wrote this article in the balcony of my hotel room in Tampa, Florida. I was in this beautiful city because I recently attended the Annual Vocation's Conference sponsored by the National Conference of Diocesan Vocation Directors, or simply referred to as NCDVD, a sweet-sounding acronym indeed! (By the way, please note, lest I be suspected of living a rather extravagant life, I said, "Vocation," not VACATION!) What was happening below my hotel balcony that afternoon inspired me to reflect on this theme of silence as important and necessary in our spiritual growth.

A huge group of employees of perhaps a big organization was having what appeared to be a concluding dinner and party around the hotel's swimming pool. There was a band playing music. It was loud! I noticed

that those in conversation almost had to shout in order to be heard. Some were dancing. Many were sunbathing. They were having a wonderful time. This seems to be a great organization to work for. What distracted me was the competing sound coming from the neighboring hotel. There was also a band playing music as equally loud. What eventually became very obvious to me was that the competing sounds were completely ruining the beautiful music that each band was making. I immediately realized that my observation captured a spiritual experience for many of us. There are many voices that compete to get our attention, often drowning that one voice that matters the most, that one voice that can ultimately bring us rest.

Our Blessed Mother is an example of one who listens attentively to that one voice that matters the most, that one voice that can ultimately bring us rest. St. Augustine once said, "The Blessed Virgin Mary clearly carried out the will of the Father, and therefore it is a greater thing for her to be a disciple of Christ than to be his mother. She is more blessed in being a disciple of Christ than in being the mother of Christ." Indeed, in the gospel of Luke, Jesus says, "Blessed are those who hear the word of God and act on it." Mary heard the word of God and acted on it because "she treasured the words in her heart and

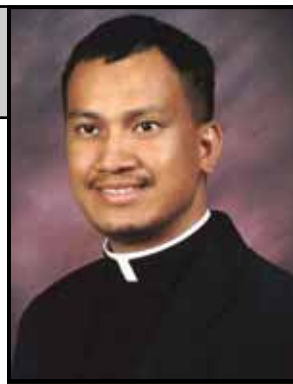

pondered them." "Treasuring" and "pondering" make up her spiritual communion with God. "Treasuring" and "pondering" seem to be a foreign concept for many of us because we are always on a run, because we are always busy and don't have time, because we think that "prayer" should be "full of words," because the noises we encounter around us do not give us "silence" necessary for reflection. It's often said that "silence" is a prerequisite of prayer.

That's the reason why "silence" has an importance place and value in our liturgy. A period of silence between our readings at Mass is encouraged so that we can "treasure" and "ponder" what has just been read. A period of silence after the homily is important so that we can "treasure" and "ponder" what was said, and, yes, we still do that even if there's nothing worth "treasuring" and "pondering" in the homily at all!

Mother Teresa used to tell the Missionaries of Charity that they "will never learn to pray until they keep silence." She values those words because she knows that "the fruit of silence is faith. The fruit of faith is prayer. The fruit of prayer is love. The fruit of love is service." But remember that silence in prayer is more than the absence of noise. Sometimes our prayer life, "our treasuring and pondering," suffers because our hearts are not silent. God speaks only in the silence of the heart. Only after we have listened can we speak and act from the fullness of our hearts. There is a sentence, really a gem of spiritual wisdom, in Kathleen Norris' book "Amazing Grace" that I find myself returning to when my own life becomes too noisy and distractions overwhelm me: "Silence reminds me to take my soul with me wherever I go." Indeed, we need silence to be alone with God, to listen to him, to ponder his words deep in our hearts. To pray is to be alone with God in silence in order to be renewed and to be transformed. I believe that "renewal" and "transformation" are the fruits of "treasuring and pondering." "Treasuring" and "pondering" are spiritual ingredients to an authentic discipleship with Christ.

## Message from Membership Chairman

It's time to *Discover a Knight* with the October Blitz! We're suggesting sometime close to Columbus Day for the Blitz, but remember that it's up to you to pick a date that works for your council and your parish. By now you should have met with your pastor and should be well underway to make it happen. If not... it's not too late! It's a scramble, but it's worth the extra effort to gain some new members for

your council.

The Supreme Council's website, [www.kofc.org](http://www.kofc.org), has some excellent resources for membership including presentation materials to assist in preparing for the Blitz. It also provides an order form for Blitz materials and handouts.

Don't forget that councils achieving 100% of their membership quota by December 31 can earn a Knights of Columbus jacket for the Grand Knight. These jackets are excellent and they're being proudly worn by many of last year's winners. Also, in addition to the signed commemorative book the State Council will award to each Grand Knight that achieves 200% of their membership quota by June 30, 2006, the Supreme Council now awards a "Double Star" lapel pin for councils that earn a Star Council award and achieve double their membership quota. District Deputies can earn a KC jacket for achieving 100% of their district quota by December 31, and can earn an "All Star" varsity jacket if all of their councils achieve the Star Council Award.

Finally, a reminder about an incentive prize each Grand Knight can win for reporting the council's participation in the Blitz. We will be awarding the new book, *By Their Works*, which provides stories about Knights in action throughout the Order. Five books will be awarded by random drawing, and an additional book will be given to the most successful Blitz council in each size division based on reported signed Form 100's. Remember to submit your reports to the District Deputy and to me by November 15, 2005.

Vivat Jesus!

## Message from General Program Director

Worthy Brothers,

As the first reporting time has come and gone only 43% of the councils submitted their July/August Service Program report. In districts 5, 18, 28 and 31 no councils reported. I congratulate districts 7 and 24 for having 100% reporting. Several districts lacked one and a few

lacked two from being 100%.

One of the sadder facts is we still have 5 councils not having submitted their form 185 report of elected officers and 28 councils who have not submitted their form 365 report of council committees. Those councils know whom they are, so get the job done!

Your council audit should have been completed and turned in. 50% of the councils still have not submitted their audit to the State Deputy. Presuming your audit is complete please turn in the form.

Your activities should be turned toward the membership blitz, basketball free-throw and keep Christ in Christmas program. Another area which should concern you greatly is where in your area is the next 2<sup>nd</sup> and 3<sup>rd</sup> degree. Don't let an opportunity slide by to assist your Brother Knights in advancing to Knighthood.

Remember, the membership blitz is your opportunity to achieve or surpass your council membership goal for this fraternal year. Another point to consider is each new or reinstated Knight is a potential insurance member thus helping you achieve your insurance quota goal.

Fraternally

## Message from Family Chairman

Brother Knights,

The "Family of the Month" Program is in full swing and more and more Councils are participating. THANK YOU for your participation!!!

Congratulations to the following Washington Families who were drawn by the Supreme Council Office to receive a Holy Family Statuette:

JULY 2005:

Family of Paul & Lisa Quimby  
Council 1327 - Vancouver

Family of Juan & Karen Lezcano  
Council 7528 - Federal Way

AUGUST:

Eugene & Linda Dickneite  
Council 3611 - Anacortes

Charles & Linda Simmons  
Council 5495 - Burien

Jeff & Lynn Rickard  
Council 8102 - Redmond

Only 39 councils recognized families of the month in July and only 42 in August. Surely each council can recognize a family of the month?

Brothers, our families are one of best gifts given to us by our God. Please pray for all of the families that have gone through the recent hurricane disasters. Imagine how devastating these disasters have been for them physically, financially, and emotionally. Find time to thank God for all of your blessings this month. Also find some time this month to appreciate your family, and to show them how much you care.

Peace,

*Bob Baemmert*

State Family Chairman

## Message from Vocations

I now have a list of seminarians who have little or no support through the RSVP program, and invite Councils and Assemblies to contact me directly. Early in September, I sent out letters to all Grand Knights, asking them to consider supporting additional candidates, and advising them whether or not I had received the 2004-5 RSVP report from them.

At this date, there are still seminarians who need support, and there are a number of participating Councils and Assemblies who have not responded to my plea for the RSVP form. Please respond - this inquiry will not go away - and if necessary, the District Deputy will be contacted to assist in gathering this information.

"Every Seminarian Supported" - it will again be accomplished by Washington State Council.

Recently, I received a letter from a seminarian studying for the Archdiocese of Seattle, Ray Cleaveland. He writes:

I am writing to thank you for your letter of September 1st about vocations. I appreciate all the support that the Knights have been giving me. I am a 3rd degree Knight from Council 829 in Bellingham, so I know the Knights' good work as well.

In addition, I have already applied for the Bishop Daily scholarship through the Supreme Council for the year 2005-6. I hope to hear the results soon.

Typical Lewis and Clark encampment

May God continue to bless you and the work of all the Knights.

Yours in Christ, Ray Cleaveland

Supreme renewed a Bishop Thomas V. Daily Vocations Scholarship for the 2005-2006 academic year in the amount of \$1,250.00 for Matthew J. Nicks at North American College in Rome. He is a member of Spokane St. Peter's Council 8398.

Supreme renewed a Father Michael J. McGivney Vocations Scholarship for the 2005-2006 academic year in the amount of \$1,250.00 for Broooks F. Beaulaurier at Mount Angel Seminary in Oregon. He is a member of Yakima Council 894.

Supreme awarded a Father Michael J. McGivney Vocations Scholarship for the 2005-2006 academic year in the amount of \$1,250.00 for Raymond V. Cleaveland at Mundelein Seminary in Illinois. He is a member of Bellingham Council 829.

The checks will be forwarded to the rectors of their seminaries so that they may be applied to their accounts for tuition, room, and board. A second check for each in the same amount will be forthcoming in time for the second semester.

## Message from Recruitment Chairman

We are through three months of the fraternal year and on your way to having a great year as Grand Knight. I know that as I look back on my tenure as Grand Knight I was all pumped up to achieve my goals and make star council. One of the areas I did not look at until the very end of my term was membership.

Membership chairmen for each council have the job of getting new members to join the council. But as I found out if something goes wrong, or a number of things come up during the year, your council may not get new members signed up. So, as Grand Knight of your council you need to always be aware of recruiting new members all year long and make sure your membership chairman and program are actively recruiting new members.

By now you have all received your Membership Newsletter and Blitz Program from Supreme. Both of these mailings list the steps or phases of conducting a recruitment blitz program. I would like to summarize the steps or phases for you. I have found in teaching that repetition is a great tool for learning.

**Phase 1: The Preparation Phase** begins by getting permission from the pastor to hold a membership blitz at the church during a specific weekend and get the event advertised in the church bulletin. Next be sure to order enough recruitment materials to have on hand. Then inform your insurance agent and recruit enough members to be on hand to answer questions of prospective candidates.

**Phase 2: The Execution Phase** starts by setting up information tables at every door of the church before Mass. Have plenty of prospect cards and pencils on hand for each prospect. Make arrangements with the pastor to have a membership recruitment announcement made during each Mass. Lastly have brother Knights on hand to answer any questions and to collect prospect cards.

**Phase 3: The Follow-Up Phase** takes place within 48 hours when contact is made with each prospect that you got during phase two. Be sure to let each prospect know that you will be holding an informational meeting and give them the time and date and offer transportation if needed.

**Phase 4: The Orientation Phase** begins with your organizing of the informational session. Be sure to have plenty of recruitment brochures and information about your council on hand. Consider showing a video on recruitment from Supreme. Have a member explain requirements for membership and then offer each candidate a form #100 to fill out before leaving. Announce the date and time of the next First Degree.

**Phase 5: The First Degree** should be scheduled no more than two weeks after your informational session. Be sure to contact each candidate to remind them of the degree date and insure they have transportation. Order degree certificates as a fitting way to recognize your new brother Knights. Explain the Shining Armor Award program and get each new Knight involved.

Well that should summarize how to conduct an effective membership recruitment blitz. All that remains is for you to put it into action. Remember that taking action is the key to accomplishing your membership goals and I wish you all much success. Any questions, ideas, or for help, call me. **Home #425-742-0239**

Vivat Jesus!

## Special Message from Bulletin Editor

This is an important message for the next few months starting in September. For a future Columbia story, Supreme would like contact information for

Knights who have returned from Iraq/Afghanistan and may be willing to talk about the role of faith in their lives before, during and after being sent overseas.

Please send names, phone numbers and/or e-mail contacts to me and I will collect them and send them on to Supreme.

Please keep the cards and letters (email) coming folks. I need your inputs for the Bulletin each month by the 20th so I can have time to organize all the articles in the bulletin and get it to the printers a couple of days before the 1st of the next month.

Also please don't forget that I can help you submit articles in the Columbia Magazine.

Please try to send any pictures in JPEG format if possible. They take up a lot less room than TIF or bitmap.

Thanks,

## Message from the State Treasurer

### Exemplification Fund

Each District Deputy has received an update of the Exemplification Fund balance for councils within his district for the past Quarter (July-September). I've asked them to pass this information along to the councils for action.

Some councils are in arrears from past years. Request the Grand Knight and Financial Secretary of these councils attempt to make the payment. Any questions on the due payment can be resolved if contact is made with the State Treasurer. Our hope is that all non payments can be cleared.

As a reminder, each 1st Degree Candidate (except priests or seminarians) are requested to pay \$8.00 toward the Exemplification Fund. The Fund supports the 3<sup>rd</sup> Degree team expenses as they travel to your area to administer the 3<sup>rd</sup> Degree Exemplification.

The Financial Secretary is requested to collect the \$8.00 and forward the monies, with a note on the number of candidates required to pay, to the State Secretary.

For any questions or discussion of past year arrears, please contact me for resolution.

*How Much Does and Abortion Cost?*

**One Human Life**

## Pro-Life Message

In June 2000 the Supreme Court of the United States took center stage in the abortion issue by striking down a Nebraska law that banned partial birth abortion, jeopardizing similar restrictions in 30 other states. The Supreme Court action keeps partial birth abortion legal. It was a split vote 5 to 4. The fact that it was a split vote, one so close is a faint ray of hope. Often, that is all that is needed for those who believe in the power of prayer, fasting, penance and perseverance <sup>1</sup>.

In the coming months our nation will be deciding two Supreme Court justice appointments. Abortion is still the issue. Prayer is still needed. Fasting and penance is still needed.

Your Financial Secretary should have received the Respect Life Program 2005-2006 from Supreme Headquarters. Pointed out in the program is that every council has in place an active pro-life chair couple or a least a pro-life chairman to initiate pro-life projects and carry them through.

Together we can be successful.

Abortion is still the issue. Prayer is still needed. So is fasting and penance..

## Table Protocol

For those Grand Knights who have access to the Grand Knights Handbook published by PSD Wayne C. Hogan, under the council section pages III-3 to III-5, you will find an excellent outline of protocol. There is a section that covers head table protocol but if you would like a order of seating, the Fourth Degree Color Corps Handbook on pages 6 and 7 will give you a general overview.

Normally, in the third degree, the State Deputy will sit on the left side of the podium (center out) and the ranking guest on the right, be it the Archbishop, Bishop, Clergy, Supreme Representatives or whoever is the guest of honor. This is a very easy understanding using the two documents reference above. The Grand Knights Handbook and the Color Corps Handbook will answer most of your questions.

The only difference will be, if the function is a Fourth Degree affair, then the Master will replace the State Deputy on the left hand side of the podium and the sequence will follow from there. This would be the Archbishop, Bishop, Clergy, State Deputy, Vice Supreme Master and so on.

The rest of the list is pretty self explanatory, just remembering which function we are dealing with, Third or Fourth Degree.

Submitted by,

*Rob Roberts*, PSD, FMFD

## New Council Development, Round Table West

My friends, it looks like the start of another busy month, with the kids back to school, and sports programs starting up. More and more time will be spent with family. Well Brothers, there are families within our own parishes that need our help. They are the families of Brother Knights who are in the Military. The member is serving our country, while their families are here at home. Ask the Financial Secretaries "Who are these members?" Find out if they need any help.

On another note, have you given any thought of starting a Spanish round table at your parish? You know you can start a round table within your own council. if your parish holds a Spanish Mass. The community already exists; why not ask! Which parishes have bilingual services? Aberdeen (St. Mary's), Amanda (Our lady of the Olympics), Bellevue (St. Louise), Bellingham (Assumption), Bothell (St. Elizabeth Ann Seton), Burlington (St. Charles), Chehalis ( St. Joseph), Enumclaw (Sacred Heart), Forks (St. Ann), Harmony (St. Yves), Kent (Holy Spirit), Longview ( St. Rose), Lynden (St. Joseph), Marysville (St. Mary), Monroe (St. Mary of the Valley), Mount Vernon (Immaculate Conception), Renton (St. Anthony), Seattle (St. Mary, Holy Family and Christ the King), Shelton (St. Edwards), Sumner (St. Andrew), Tacoma (Sacred Heart), Vancouver (St. John), and in Winlock (Sacred Heart). Be part of the solution and keep the dream alive.

## First Degree Team Ceremonial Competition

October is the last month of the three-month district level competition. If your council's first degree team has not yet been evaluated, contact your district deputy soonest and schedule an evaluation. What if your council's first degree team is being formed or has just been formed but not yet certified, can it still compete in the

State First Degree Team Ceremonial Competition? The answer is a definite yes. In fact, participating in the ceremonial competition can be an incentive to finally form a first degree team, the team be certified, and be selected as the district's representative in the regional level competition. I cannot guaranty that your council will be selected as your district's representative first degree team. I can guaranty that if your council's first degree team does not participate in the ceremonial competition, it will not compete at the regional or state level and it will not be selected, at least this year, as the 'Best of the Best' first degree team in Washington.

If your council's first degree team has not yet been certified, the team may be certified concurrently with the district deputy's evaluation. Your District Deputy, in addition to certifying the team, can certify individual team members. Remember, the district deputies are to submit the name of the council whose first degree team will be representing your district to me no later than October 31.

The second level of competition, the Regional Level, will be conducted in November and December. If the council is concerned about traveling to the degree site and using an unfamiliar site, do not be concerned. The second level - Regional competition evaluation, will be conducted at the council's meeting facility. You do not come to us, we come to you. At this level, you will be using the same chamber that you have used for years. Your team members do not have to travel and neither do your candidates. And if you thought it could not get any better, it does. You schedule the date and time of the degree in addition to scheduling the location as long as it is in November or December. The only thing preventing a council from participating in the ceremonial competition is its desire to participate. Some councils say that their team is not good enough to compete, what a defeatist attitude. If you believe that you are not good enough, you will become not good enough. If you believe you can never achieve a goal, you will never achieve a goal. Never quit before you compete in any endeavor. Believe your council can be successful, work to make it successful, and it will become successful.

If you have any questions or want additional information, contact me via email at [kofchogan@comcast.net](mailto:kofchogan@comcast.net), [Ceremonials@kofc-wa.org](mailto:Ceremonials@kofc-wa.org), or [COHogan@kofc-wa.org](mailto:COHogan@kofc-wa.org). Or you can contact me at my office phone number (253) 581-5952, which is also my fax number.

'The Best of the Best' First Degree Team Ceremonial Competition travel award will look great hanging in your council's hall. **Where it is located next year depends on you!**

## Revised First Degree Ceremonial Books

The original plan was to issue the revised first degree ceremonial books to all councils that were issued ceremonial books by mid-September. However, due to the magnitude of the printing, over 40,000 ceremonial books each of which has to be numbered with a unique serial number, recorded at Supreme for accountability, packaged and then mailed to the financial secretaries of over 6,000 councils, this targeted date is not achievable.

The new anticipated mailing is mid-October 2005. The package of five first degree ceremonial books will be mailed to the council's financial secretary. In addition to the five ceremonial books, there will be instructions on returning the old first degree ceremonial books. Also Supreme will include a self-addressed pre-paid envelope to return the council's ceremonial books to Supreme.

If the council cannot find their books, there will be instructions on what to do and what the cost will be. At the Summer Leadership Meeting all district deputies were provided a list of all councils in the State that were issued first degree ceremonial books. They were to conduct a personal inventory of each council that was issued first degree ceremonial books and provide me with a report on this inventory. I have received replies from about a third of the district deputies. The goal was to have every council that was issued first degree ceremonial books be inventoried and be ready to immediately respond to Supreme's requirements as it pertains to returning the old books, informing Supreme that the council does not have any or a portion of the books, and paying for the lost ceremonial books. To the grand knights, if your books were not inventoried, please contact your district deputy immediately and have the inventory conducted.

### A Bit of Humor

A father was approached by his small son who told him proudly, "I know what the Bible means!"

His father smiled and replied, "What do you mean, you 'know' what the Bible means?"

The son replied, "I do know!"

"Okay," said his father. "What does the Bible mean?"

"That's easy, Daddy." the young boy replied excitedly, "It stands for 'Basic Information Before Leaving Earth.'"

## Katrina Hurricane Relief

For those councils who can contribute to the Katrina Hurricane Relief Fund, please send your checks to State Secretary John Walker payable to the Washington State Council. We will consolidate the funds into a check and forward it to Knights of Columbus Charities USA, Inc. and designate it for Katrina Hurricane Relief. Individuals may send tax deductible donations directly to:

Gift Processing Center  
PO Box 9028  
Pittsfield, MA 01202-9028  
Attention: Hurricane KATRINA Relief

The Supreme Council of the Knights of Columbus provided initial relief funds for the victims of Hurricane Katrina in Louisiana, Mississippi, Alabama and Florida today, and Knights of Columbus everywhere are being asked to donate to a special fund for hurricane relief efforts.

Initial contributions of \$10,000 each were made available to Knights of Columbus state councils in Louisiana, Mississippi, Alabama and Florida, and Knights of Columbus members and the general public are asked to donate to a disaster relief fund administered by Knights of Columbus Charities.

There are nearly 50,000 Knights in the tri-state area devastated by Katrina. In addition, more than 45,000 live in Florida, where Katrina delivered its initial blow before growing into a Category 5 hurricane in the Gulf of Mexico. All four states have been declared federal disaster areas by President Bush.

Donors in the United States should make checks payable to Knights of Columbus Charities USA, Inc. and donors in Canada should make checks payable to Knights of Columbus Canada Charities, Inc.

One hundred percent of contributions will go directly to hurricane relief, and all donations to Knights of Columbus USA are tax-deductible.

## Message from Fr McGivney Guild Chairman

At this year's Supreme Convention held in Chicago, the attendees had the wonderful opportunity to attend the debut of a new play entitled *He Was Our Father*. Written by playwright Dominican Father Peter John Cameron and staged by actors from the Blackfriars Repertory Company from New York, *He Was Our Father* was an artist's interpretation of the life of Father McGivney.

The play in eight scenes touches upon the life of Father McGivney and the pastoral effect he had on the church and the community he served. The play was a wonderful opportunity to put to life the image of the man who founded our Order. His person, his voice, his influence, and his holiness came alive through the actor portraying him. It was a special opportunity to get to know him even more.

The Fr McGivney Guild also plays an important role in making Father McGivney better known to us. The Guild helps us get to know Father McGivney in more. It also helps us spread the word about his life and his works. We thank all of those that have chosen to join the Guild. The spiritual heritage of Father McGivney is his precious gift to the Knights of Columbus. We owe it to him and our church to share his gift with those we meet and with those we work. Your membership in the Guild helps towards that Guild.

As you must know, joining the Guild doesn't cost a thing. It allows you to keep current with the cause of our founder while also getting to know him that much more. By enrolling in the Guild, as a member, you will be sent information about our Founder and happenings in the cause of his canonization.

You can join the Guild in one of several ways. You can go online to the KC website ([www.kofc.org](http://www.kofc.org) <<http://www.kofc.org/>> ) and click on The McGivney Guild. Or, you can fill out the simple form that can be found in most issues of the Columbian magazine. You can call or e-mail me and I will mail you a form if needed. Or finally, you can call the Supreme Council directly and ask to be connected to the McGivney Guild and ask to be enrolled.

A minister parked his car in a no-parking zone in a large city because he was short of time and couldn't find a space with a meter. Then he put a note under the windshield wiper that read: "I have circled the block 10 times. If I don't park here, I'll miss my appointment. Forgive us our trespasses."

When he returned, he found a citation from a police officer along with this note "I've circled this block for 10 years. If I don't give you a ticket I'll lose my job. Lead us not into temptation."

## Vatican Document Declaration on Procured Abortion

It is true that it is not the task of the law to choose between points of view or to impose one rather than another. But the life of the child takes precedence over all opinions. One cannot invoke freedom of thought to destroy this life...

The role of law is not to record what is done, but to help in promoting improvement. It is at all times the task of the State to preserve each person's rights and to protect the weakest. In order to do so the State will have to right many wrongs. The law is not obliged to sanction everything, but it cannot act contrary to a law which is deeper and more majestic than any human law: the natural law engraved in men's hearts by the Creator as a norm which reason clarifies and strives to formulate properly, and which one must always struggle to understand better, but which it is always wrong to contradict. Human law can abstain from punishment, but it cannot declare to be right what would be opposed to the natural law, for this opposition suffices to give the assurance that a law is not a law at all...

It must in any case be clearly understood that whatever may be laid down by civil law in this matter, man can never obey a law which is in itself immoral, and such is the case of a law which would admit in principle the liceity of abortion. Nor can he take part in a propaganda campaign in favor of such a law, or vote for it. Moreover, he may not collaborate in its application.

See [Vatican Document](#) for Complete Declaration

## HURRICANE KATRINA RELIEF FUND HONOR ROLL

Once again when the call goes out the Knights of Columbus of Washington State always meet that call. Listed below are the Councils who have sent donations into the WSC for **KATRINA RELIEF** as of September 16, 2005. (Many others are in the process of sending in their donations but because the State Secretary is off to New York celebrating the 50<sup>th</sup> anniversary of blissful happiness with his wife Tessie, the honor roll will not be updated until next month.)

The following are listed in order of receipt of their donations:

**Sequim Council 8455**  
**Fr. Justin P. Garvey-Bothell Council 6686**  
**Pope John XXII-Burien Council 5495**  
**Holy Cross-Granite Falls Council 13560**  
**Fr. Richard Stohr-Seattle Council 12175**  
**St. Thomas More-Spokane Council 11134**  
**Padre Pio-Battleground Council 7117**  
**St. Michael's of Snohomish Council 9664**  
**Sacred Heart-Pullman Council 7360**  
**Cascade-Everett Council 9617**  
**Mary Queen-Spokane Council 9237**  
**Kennewick Council 8179**  
**St. John Vianney-Spokane Council 8201**  
**Colfax Council 1488**  
**St. Marys Presentation-Deer Park Council 9721**

Donations from the above councils totaled \$10,773. That puts us at just over 2/3 of our goal of \$15,000 set by State Deputy Karl A. Hadley. We have many more donations committed so I am sure we will not only meet our goal but exceed it.

It is never too late to make the honor roll. Send your check to the State Secretary, John L. Walker at 805 So. Morain, Kennewick, WA 99336-4417.

## Suggested Petitions\*

**Oct 2**—That on this Respect Life Sunday we re-commit ourselves to seek an end to the bloodshed of abortion and a restoration of justice for all citizens, born and unborn, we pray.

**Oct 9**—For an end to the Culture of Death that daily seeks to overwhelm those who believe in the beauty and sanctity of life, we pray.

**Oct 16**—For those in leadership positions that they may use their power to respect the right to life of all people they are called to serve, we pray.

**Oct 23**—That all people may come to see the unborn, the handicapped, the comatose and in infirm as neighbors whom we are called to love and serve, we pray.

**Oct 30**—That God will continue to raise up people to proclaim and protect the right to life of every person, we pray.

## Parish Bulletin Inserts\*

**Oct 2**—As another Respect Life Sunday confronts us with new challenges, let us reflect also on our gains. After reaching a high of over 1.6 million in 1990, the number of abortions annually performed in the U.S. has begun to drop back to levels not seen since the late 1970's. Two independent sources confirm this decline: the government's Center for Disease Control (CDC) and the Alan Guttmacher Institute (AGI), Planned Parenthood's special research affiliate monitoring trends in the abortion industry.

**Oct 9**—President George W. Bush on May 24, 2005 gave testimony against embryo-destructive research by introducing to the public several children who had been adopted when embryos. "The children here today remind us that there is no such thing as a spare embryo. Every embryo is unique and genetically complete, like every other human being. And each of us started out our life this way. These lives are not raw material to be exploited, but gifts."

**Oct 16**—Following a May 25 vote by the House against a measure that would have allowed elective abortions to be performed at military hospitals overseas, one veteran observer noted: "Our military hospitals have a proud and honorable tradition of saving lives in the most threatening regions and circumstances. They should not be forced into the dishonorable business of abortion." (Cathy Cleaver Ruse, director of planning and information for the bishops Secretariat for Pro-Life Activities)

**Oct 23**—British prosecutors refused to file charges against a doctor who aborted a 28-week old unborn child with a cleft lip and palate. Commented columnist George Will, "The refusal implies that any abnormality can qualify as a serious handicap because seriousness is determined not by the handicap's impact on the handicapped person's life chances but by the parents' reluctance to be inconvenienced by it. How else is one to understand abortion as an alternative to surgery that corrects cleft lips and palates?" *San Diego Union Tribune*, "Toward a society free of disabilities," April 11, 2005.

**Oct 30**—In the recent House debate on funding embryonic stem cell research, a variety of representatives made some telling observations. "This is scientific exploration into the potential benefits of killing human beings," said one. "You and I were once embryos. All you add is food and climate control and some time, and the embryo becomes you and me," said another. A third congressman, an obstetrician, played a recording of a fetal heartbeat and declared, "This is what it is all about." *San Diego Union Tribune*, May 25, 2004

\*From National Right to Life "Choose Life..." Pamphlet

In the presence of then-President Clinton and his pro-abortion wife, Mother Teresa told a prayer breakfast: "America needs no words from me to see how your decision in *Roe v. Wade* has deformed a great nation. The so-called right to abortion has pitted mothers against their children and women against men. It has portrayed the greatest of gifts - a child - as a competitor, an intrusion, and an inconvenience."

## Certificate of Insurance

If you need a certificate of insurance for an additional insured location, you can get one by calling or emailing the following:

Andrea L. Davidson at  
Western States Insurance. Phone:  
1-800-659-9916 or at email:  
[adavidson@wsi-insurance.com](mailto:adavidson@wsi-insurance.com)  
or thru [statesecretary@kofc-wa.org](mailto:statesecretary@kofc-wa.org)

It will be faster to go through Andrea as the State Secretary just has to relay the same information to her. Make sure you have the name and address of the location where you want it sent when you contact her.

Human Life is sacred and inviolable at every moment of existence, including the initial phase which preceded birth. All human beings from their mother's womb, belong to God who searches them and knows them who forms them and knits them together with his own hands, who gazes on them when they are helpless embryos and already sees in them the adults of tomorrow whose days are numbered and whose vocation is even now written in the "book of life".

### A Bit of Humor

The pastor was preoccupied with thoughts of how he was going to ask the congregation to come up with more money than they were expecting for repairs to the church building. Therefore, he was annoyed to find that the regular organist was sick and a substitute had been brought in at the last minute. The substitute wanted to know what to play.

"Here's a copy of the service," he said impatiently. "But, you'll have to think of something to play after I make the announcement about the finances."

After the homily, the pastor paused and said, "We are in great difficulty; the roof repairs cost twice as much as we expected and we need \$4,000 more. Any of you who can pledge \$100 or more, please stand up."

At that moment, the substitute organist played "The Star Spangled Banner."

And that is how the substitute became the regular organist!
