Inside This Edition		Supreme Court Justice	
State Deputy Message	2	Do you think that the Supreme Court vacancy created by Justice O'Connor's resignation is not important?	
Vice-Chaplain Message	3	Forty years ago, who would have thought that abortion on demand throughout all nine months of pregnancy, even up to a "partial birth abortion," would be ruled constitutional, despite the Declaration of Independence's recognition of an "unalienable right to life"?	
Membership Message	4	Thirty years ago, who would have thought that the phrase "Under God" in the Pledge of Allegiance, or displaying the Ten Commandments, crèches, or crosses on public property, or allowing children to read Bibles in public schools (much less pray), would be questions before the Supreme Court rendering the First Amendment's words meaningless? (How is a display a "law," a posting an "establishment," or an acknowledgement of God a "religion"?)	
Membership Standings	5	Twenty years ago, who would have thought that the Supreme Court would rule that private property, homes and businesses could be taken by local government for a private developer (despite the words in the Fifth Amendment regarding "public use" and "just compensation")?	
General Program Director Msg	6	Ten years ago, who would have thought that the definition of marriage as the union between a man and a woman would be in question or that access to pornography was a "right"?	
Family Messages	6	President Bush recently nominated D.C. Court of Appeals Judge John Roberts to replace Justice O'Connor on the Supreme Court. Already we have seen Judge Roberts under attack because he is a Catholic (and presumably pro-life). After all, he was raised in a Catholic family, went to a Catholic high school, and attends mass every Sunday. He has two adopted children and is no doubt grateful that their birth mothers did not abort them. His wife, Jane, served as Executive Vice President of Feminists for Life from 1995 to 1999 and currently serves as its pro-bono legal counsel.	
Retention Chairman Message	6	Pope John Paul II stated, "Now is the time of the lay faithful." The Supreme Knight added, "Now is the time of the Knights!" Will we allow the pro-abortion special interest groups to "Bork" Judge Roberts by submitting him to a religious litmus test?	
Vocation Message	7	Write or e-mail to Senators Cantwell and Murray and let them know your feelings.	
Recruitment Message	7	Senator Maria Cantwell (D-WA) 717 Hart Senate Office Building Washington, D.C. 20510-4705 Web Site: cantwell.senate.gov	
Youth Message	7	Senator Patty Murray (D-WA) 173 Russell Senate Office Building Washington, D.C. 20510-4704 Web Site: murray.senate.gov	
Retention Chairman Message	7	The ancient Roman Senate used to end every session with the phrase, "Carthage must be destroyed!" Perhaps we should end every council meeting with "Roe v Wade must be over-turned!"

Message From State Deputy Karl Hadley

"Make a Positive Imprint"

Worthy Brother Knights:

I hope that those of you who attended the Summer Leadership Meeting in Wenatchee took home enough information to get you started on a successful year. There were over 67 Grand Knights, 39 Financial Secretaries, 23 Council Program Chairmen, and 41 others in attendance – **an increase of over 45% from last year!** Also, 83 ladies enjoyed a wonderful program by Claire Rudolf Murphy on Sunday morning.

ized that I had neglected to call for those items that were on the Grand Knight checklists for you to bring to the meeting. **Thank you to the Grand Knights of the following councils** who turned in the items without being asked:

Lists of Seminarians Supported: 4196, 4385, 7117, 8455, 8872, and 9833

Schedule of events: 766, 4385

Phone Tree: 11789

List of Prospects: 4385

Grand Knights who were unable to attend and did not have a representative attend, **contact your District Deputy for the packets of information** that were distributed (these packets include **two state directories for each council** – one for the Grand Knight and one for the Financial Secretary).

I hope we have prepared you this weekend to get your team of **officers** in place, your **chairmen** named, your **budget** developed, your **schedule** of service activities for the year prepared, your **fundraising** activities planned, your list of potential **candidates** compiled, your plans for **award applications** for the State Convention envisioned, your **council bulletin** published, your required **reports** submitted ahead of schedule, your **seminarians** supported, and **much more!**

For those not in attendance, here are the goals for the year:

WASHINGTON STATE QUOTAS (set by Supreme)

New Councils	6
Round Tables	45
Net Membership Growth	539 (3.5%)

WASHINGTON STATE GOALS

- Exceed all Supreme Quotas by 25%
- Every Council will be Membership Active
- All reports will be submitted prior to their due date
- All Third Degrees will be held as scheduled
- All Seminarians will be supported
- State membership will exceed 16,000 members by June 30, 2006

In reviewing the forms that were turned in at the meeting, I real-

The first 100 days of a new administration, such as in the White House, is a time to put a team in place, announce an agenda, and set the tone for some quick achievements. In a one year tour as Grand Knight, you don't have that much time. After all, your team of officers was elected with you and **your program chairmen report is due August 1st.**

Philosopher Sidney Hook, in his recent book The Hero in History, divided historical figures into two categories – event-making and eventful; i.e., those who actually drove events and those caretakers who merely dealt with events.

So I ask you - **will you be an event-maker or a caretaker?**

Mr. Hook illustrated this with the example of the little Dutch boy who put his finger in the dike influenced events, but almost anybody in that situation would have done it. He said that **an event-making leader "leaves the positive imprint of his personality upon history – an imprint that is observable after he has disappeared from the scene."**

I challenge each Grand Knight to take every lesson you heard at the Summer Leadership Meeting and go forth determined **to make a positive imprint on your council.**

Vivat Jesus!

CARLOS A. SEVILLA, S.J.

Cultivating Your Soil—By Fr. Wilmar O Zabala

Like many of you, summer is my favorite season. There's something magical about summer. And what I see during this time always brings joy to my heart. How could it not be! Weather is fantastic – of course, depending on where you are in Washington. I love the scorching summer weather in the Tri-Cities. I'm that kind of guy! School is out. You see kids ride their bikes on their way to the public swimming pools. Baseball and soccer are in full swing. This, of course, brings mood swings to parents due to exhaustion from driving their kids from one place to another for these sporting events. And, oh, the gas! Expensive! More mood swings! Yes, summer is when we take the time to care and love. We take a break from our busy lives to remember distant or separated family members, relatives, or friends. We visit them – despite the high gas

prices. We get together. We enjoy each other's presence. Ah, the sights and sounds of summer.

I love the summertime for something else: weddings and anniversaries. I witnessed sixteen marriages on my first year as a priest. I must have set the record for the most number of weddings in my class! One of the many joys of my priesthood is preparing couples for marriage. The mandatory four to six months of preparation truly give me the chance to get to know them more personally. They often remark that the more they get to know me, the more I sound like their moms. In response I tease them that if they survive me, they will survive anything else in their marriage! There is a beautiful marriage prayer that I often invite couples to recite at the conclusion of our marriage preparation session.

I invite you, too, to make it a part of your everyday prayer:

God, we stand before you, ever mindful of your presence and truly grateful for your many blessings on this union.

Grace us, loving God, so that our love for each other may always reflect your love for us.

Grace us, faithful God, that we may always be faithful in love to each other.

Grace us, compassionate God, that we may always be understanding and slow to anger.

Grace us, forgiving God, that we may always forgive each other's failures in love.

Grace us, ever-present God, that we may always be present to each other in times of need.

Grace us, loving God, that we may always grow in love and love you more as we grow.

On behalf of Bishop Carlos Sevilla, I congratulate those of you who are celebrating wedding anniversaries. I pray that your marriages continue to model the kind of relationship that Saint Paul upholds and encourages in his Letter to the Romans:

Let love be sincere; hate what is evil, hold on to what is good; love one another with mutual affection; anticipate one another in showing honor. Do not grow slack in zeal, be fervent in spirit, serve the Lord. Rejoice in hope, endure in affliction, persevere in prayer. Contribute to the needs of the holy ones, exercise hospitality. Bless those who persecute you, bless and do not curse them. Rejoice with those who rejoice, weep with those who weep. Have the same regard for one another; do not be haughty but associate with the lowly; do not be wise in your own estimation. Do not repay anyone evil for evil; be concerned for what is noble in the sight of all (12: 9-17).

The hyperlinks in the Table of Contents on the MS Word version is somehow pointing to my CD burner drive. Below is a work-around so you can still use the hyperlinks from the CD.

For Windows users:

NOTE: Do not type in the quote marks (").

Click "Start" and "Run"

For NT or XP users: Type "CMD"

For ME, 98 users: Type "COMMAND"

Press "Enter"

Type: "CD \"

Type: "SUBST drive1: drive2:path"

where drive1 is "E:"

where drive2 is your CD drive

After you finish and wish to undo this, type in "SUBST E: /D"

If you copy the MS Word version to your hard drive and do not have an E: drive, instead of putting your CD drive as the target above, point to the folder where you have placed the GK Handbook.

Message from Membership Chairman

I had a great time visiting with many of you and sharing some ideas about membership during our Summer Leadership Meeting in Wenatchee. As you have figured out by now, it's time to push hard to ensure your council gets off to a great start for the fraternal year. You've probably set up a calendar of events for your council. Did you include a schedule of your first few First Degree exemplifications? It

makes recruiting a lot easier if you can tell that prospective Knight when the first degree will be held, including a backup date if he says he's got a conflict for that date. Another great way to get started for the year is to ask each of your council officers to commit to recruiting two new members this month. Ask them to tell you by name at least five men they will approach at Mass this weekend, and follow up to make it happen.

One of the incentives we discussed at the Summer Meeting is an opportunity for each Grand Knight and District Deputy to win a KC jacket for achieving their council or district membership quota by December 31. I saw quite a few proud Grand Knights last year sporting their jackets, and I hope you'll join them this year.

I'm really looking forward to seeing the monthly membership report when it comes out in a few weeks. From talking to many of you, I expect we'll be off to a great start this fraternal year. For the sake of the many eligible Catholic men and their families throughout the state, I pray that I'm right!

One of the enjoyable activities from the recent Summer Leadership Meeting was the opportunity to present the membership leaders from last fraternal year with their awards. The leaders overall and in each division received a beautiful framed canvas print of Our Lady with Angels, with an engraved plate showing their council's achievement. Please join me in congratulating the following councils and their Grand Knights for the fraternal year 2004-2005:

Overall Membership Leader (Net)
Net Gain 78 members
Council of Jesus No. 13606, Seattle
Grand Knight Jeff Schumacher

Division V Membership Leader (Net) – 27 Members Net Gain

Council 3307 – GK Ron Kimball

Division V Membership Leader (Percent) – 94.0%

Council 763 – GK Christopher Bly

And last but far from least, I had the distinct honor of presenting your Immediate Past State Deputy Pat Maloney with a framed print commemorating his successful leadership of our jurisdiction in achieving the Circle of Honor last year, with 571 members net gain and 106% of quota!

Yet another group of winners will receive incentive prizes soon as well. A select group of fourteen Grand Knights achieved 200% or more of their membership quota as of June 30, 2005 and will receive a commemorative book signed by our Supreme Knight, Carl A. Anderson. These councils are shown in bold face type on the final Membership Report in this bulletin. Please join me in congratulating these councils and striving to join their ranks next year!

Message from General Program Director

Worthy Grand Knights,

It was great getting reacquainted at the summer leadership training meeting in Wenatchee. I trust all of you took good notes to train your officers and program chairmen to get the most success this fraternal year.

Now to get down to business – let us begin with form 185 report of council officers. As of this writing fourteen (14) councils have failed to submit their report of council officers to the Supreme Council and they are: 8398 St. Peter Council, Spokane; 9145 St Rose Council, Cheney; 1401 Fr. Parodi Council, Ellensburg; 6097 Athanum Mission Council, Yakima; 3044 Okanogan Valley Council, Okanogan; 8079 Centennial Council, Des Moines; 8015 Stillaguamish Council, Arlington; 11253 St. Thomas Council, Tukwilla; 3645 Renton Council, Renton; 8150 Kent Council, Kent; 3153 Columbia Basin Council, Ephrata; 12483 Visitation Council, Tacoma and 1449 Aberdeen Council, Aberdeen. I am requesting the Regional District Coordinators get with the DD's in their region and correct this situation. **Please send me a copy.** Worthy Grand Knight, if you submitted your form 185 between the summer leadership meeting and this newsletter, thank you.

Form 365 report of council chairman is due August 1st in Supreme Council office. Only 60% of the councils have submitted their report to Supreme. For the absent 40% of the councils I urge you to submit form 365 **ASAP** and **send me a copy**. Here again I urge the Regional District Coordinators contact the DD's in their region to assist in bringing this to a 100% turn in.

As you are pursuing these tasks keep in mind the semi-annual audit report is due August 15th in Supreme Council office. So far only 5% of the councils have submitted their completed audits.

As of this date only two councils have submitted a phone tree. For those Grand Knights who have forgotten please send

Message from Family Chairman

Brother Knights,

August 6-14, 2005 is Knights of Columbus Family Week! The Supreme Council has sent out a flyer on suggested activities your Council might consider to honor your Families.

They include an outdoor rosary or a Mass before a family picnic. Sponsor a family Mass with children participating as altar servers and family members serving as ushers, lectors and Eucharistic ministers. Hold a renewal of marriage vows ceremony. Consider a memorial Mass for deceased members of the council family.

Other more service oriented projects include: Sponsoring family visits to convalescent homes for family, friends and fellow parishioners. Organize volunteers to repair, paint and clean the home of a needy person or family. Assist crisis pregnancy agencies by collecting baby items and donations. Serve a meal at a hospice or community soup kitchen. Deliver gifts to a senior citizen center or veteran's facility. Provide transportation for needy families, or people who are unable to drive. Host a blood drive.

These are just a few suggestions from that flyer. The idea is to support family unity by either directly recognizing your Council's families or by having the families of your Council participate to improve the lives of other human beings.

Remember brothers that "Family is First" in our order. Find a way to honor your Families not only during Family Week, but throughout the year.

Thank you to the Grand Knights who have found a way to give me a copy of your Family of the Month submission already. I truly do appreciate your participation in the program and my only wish is that more Grand Knights would consider participating in this most worthy program. I haven't come up with a way to reward Grand Knight participation in this program yet, but give me some time. I'll figure something out. I'm a master at bribery. Maybe you can help... drop me a line at Family@kofc-wa.org

Peace,

Bob Baemmert

Message from Retention Chairman

At the Summer Leadership Meeting, some councils were confused as to how the State processes Notices of Intent to Suspend (Form #1845). Here is a review:

The "Original Copy" is sent to State Retention Chairman, not to the member as printed on the form. The State Retention Chairman will send a letter to members that are in danger of being suspended.

If the delinquent member does not meet his obligations or arrange a satisfactory payment schedule within 60 days following the processing of the form 1845, the council may file a Form #100 Membership Document indicating suspension. However, the suspension will not be processed at the Supreme Council Office unless a "Notice of Intent to Suspend" has been on file for 60 days. The "Notice of Intent to Suspend" will become null and void 90 days following the date it was recorded at the Supreme Council. After the 90-day period has elapsed, the form will be removed from the file under the assumption that the council has been successful in retaining the member. If a council has filed a "Notice of Intent to Suspend" and decides to suspend the member after the 90 day period - the council will have to restart the entire cycle on that member.

Financial Secretaries are to inform the State Retention Chairman of the final disposition of each form #1845 transaction at the end of the 60 day filing deadline. This can be done either by sending him a letter with the member's name, council #, membership #, and final disposition action or by sending a photocopy of the form #100.

If after 75 days, the State Retention Chairman has not heard from your councils, he will call your financial secretaries regarding the final disposition.

In addition, any responses, whether negative or positive, that the State Retention Chairman receives will be copied and forwarded to your District Deputy for issuance to the respective council(s).

Message from Vocations

Thank you for a most generous donation to this year's Pennies For Heaven fund drive.

The interim total for the year is over \$57,000 - add to that an expected \$93,000 plus indirect aid to seminarians and candidates for the consecrated life, the combined totals are in excess of \$150,000.

At the Saturday family dinner, plaques were awarded by Washington State Council to the top three councils who led in percentage of goal given, and a plaque was awarded to the council which gave the largest dollar donation. In addition, a personal gift of KofC cufflinks and matching tie bar was given by me to the District Deputies and Grand Knights of the winning councils.

The award for highest percentage of goal was awarded to St. Stephen the Martyr Council 13374 with 1003 percent of goal.

The award for 2nd highest percentage of goal was awarded to Bud Dorr Council 13422 with 646 percent of goal.

The award for 3rd highest percentage of goal was awarded to St. Theresa Council 7908 with 368 percent of goal.

The award for highest dollar contribution was awarded to John E. O'Brien Council 3361 with a total contribution of \$3361.

Keep up the good work! I will be assigning Councils to seminarian support this fall just as soon as I receive the enrollment lists from the three dioceses.

Message from Recruitment Chairman

1. Have information about the Knights of Columbus and their history
2. Be able to speak about your council activities

3. Ask the candidate about himself his family and his interests
4. Show interest in the candidate and enthusiasm as a Knight
5. Most important be motivated, positive and uplifting to your candidate
6. Ask the candidate to join the Knights
7. Have a form #100 with your name and membership number
8. Know when the 1st Degree will be held and offer to drive the candidate there

Motivation to recruit a man to join the Knights of Columbus is key to each council, district, state and the entire order world wide. Why do I feel motivation is key and the single most important item in recruitment?

Without motivation or desire nothing will ever happen. We don't get everything we want, but we have to want everything we get. When we have a fire in our belly to do something two things will happen for sure:

1. People will get out of your way or
2. People will help you get what you want.

Either way you will achieve what you set out to do. So, don't worry about the technical items to start with, get motivated and excited about recruiting a Knight and you will find all sorts of help and answers along the way. I challenge each and every Knight here today to put a fire in their bellies to recruit and nothing can stop us from achieving our membership goals. Here are a few one liner sayings to help you focus on recruiting:

Plan your work and work your plan.

People who fail to plan, plan to fail.

If it's going to be, it's up to me.

If I get someone to feel about the Knights the way that I feel about the Knights, they will join the Knights.

Message from Youth Chairmen

Please contact us if you want to form a Squires Circle.

We are anxious to help.

Existing Circles must submit their Officers, Chairmen, and Counselors' Reports (Form #468) by August 1st.

The Squires are also a great source of new members to the Knights. Each month Grand Knights receive a list from Supreme of those Squires turning 18 the coming month. When a Squire turns 18, he may be a member of both the Squires and the Knights of Columbus. So, there's no need to wait until year-end to sign up a new 18 year-old Squires for Knights membership! You can recruit former Squires now, current Squires in the month of their 18th birthdays, and the fathers of former, current and new Squires

**WE SALUTE
THE SQUIRES**

It is simply a matter of conveying your feelings. We all practice doing this when we talk to someone about the things that we feel passionate about, like golf, fishing, hunting, skiing, cooking, sports. Why not feel passionate about the Knights and convey that passion to the next man you meet at church. Excitement breeds excitement and it is truly contagious. So, what are you all waiting for? Begin building that fire in your belly to recruit or Discover a Knight.

Please call me for any help with your recruiting. 425-742-0239

KNIGHTS OF COLUMBUS

Message from History Chairman

I wish to convey my sincere thanks to the five councils submitting histories during the past several months. Updates to the history include:

Burien 13462, Colville 12273, East Wenatchee 13186, Granite Falls 13560 and Seattle 13606. The updated history is available from the link found at:

<http://cee-nt.ce.wsu.edu/KofC/>

Our goal is to have some form of a history for each council in the jurisdiction by the end of the fraternal year. We need your help to make this happen. Histories are needed from councils 3044, 9721, 9941 and nearly all councils with numbers above 11780. Exceptions are councils 11906, 12273, 12983, 13186, 13462, 13560, and 13606.

Check out the above website and take a look at other council histories. They will be of assistance to those wishing to write a history but not knowing where to start. Your council is in possession of two documents that contain much of your history: the Charter (which is probably hanging on the wall of your meeting room) and the Minutes Book. The Charter contains the date of institution and a list of the charter members. The Minutes Book contains information about officers, activities and important events.

New histories (or updates to old histories) can be sent to by postal mail or email. Feel free to give me a call if you have any questions. All my contact information is below.

Thank you and Vivat Jesus!

New Council Development, Round Table East

What a fully packed and informative weekend in Wenatchee, WOW.

This years training went very well I thought, and a special thanks goes to our State Deputy Karl Hadley for giving us all a chance to benefit.

A couple of reminders I should mention to the Grand Knights regarding Round Tables. Time is short at training meetings to provide every last detail; however after looking through the Council Report Forms Booklet, and the Grand Knights Handbook, some remaining questions will be answered. I need to also mention that any Council who has not sent their form 2630 in from the last fraternal year, to please get that copy submitted ASAP. The same thing should be done as well to form number 2629, for this fraternal year so those Round Tables can be recognized in your Council, and that records can be kept accurate. If you have questions on any of those two forms, please feel free to call me. (509-924-1231)

Much topic matter was discussed with the District Deputies regarding New Council Development and the formation of Round Tables. I will tell you that this information was clear and honest and given with much passion, because Rick Wessling Chairman on the west side, and myself on the east side, feel motivated to serve District Deputies, and Grand Knights to have a prosperous year.

Let us all work together and chart that course for success. I am eager to help District Deputies and their councils have the best year possible.

Fraternally yours,

Dave Olson

FINANCIAL SECRETARY EXEMPLIFICATION FUND

The Exemplification Fund was established to cover the expenses of the Ceremonial Teams that travel throughout the State administering **3rd degree exemplifications**. To maintain the Fund, each candidate at his 1st degree exemplification is asked to pay \$8.00 to support the fund. Priest and Seminarian candidates or any new members to your council not taking the 1st degree are not required to pay the extra eight dollars.

The Financial Secretary is requested to collect the \$8.00 from each candidate and forward the monies to the Knights of Columbus Washington State Secretary as soon as possible after the 1st degree exemplification.

When forwarding the monies to the State Secretary, please provide the number of 1st degree candidates minus the Priest and Seminarian candidates. Providing this number will ensure that your council is given the correct credit and will prevent a notice being sent to the council. We have discontinued the requirement for the council to send the monthly statement from Supreme.

In closing, the summer meeting was a great time to come together and share our love for the Knights of Columbus. The high point for me was the Saturday evening Mass with Bishop Sevilla celebrating the Eucharist with brother Knights and our families. It does not get any better.

My thanks to all Financial Secretaries who make this program work so well.

John M. Wallace,
State Treasurer

International Substance Abuse Poster Winner

The 2004 – 2005 Knights of Columbus International Substance Abuse Poster Winners were announced in July. Maddie Eiden representing Council 3307 from Richland finished 2nd Place in the 12 – 14 year old age category. Maddie's poster titled Addition was judged a winner in the Alcohol Awareness category.

A total of 12 international champions were announced by the Supreme Council from two different age groups and the two different content areas. In a personal letter, Supreme Knight Carl Anderson congratulated each winner and thanked their entire family for their enthusiasm and participation in this year's special KC Youth program. The champions were selected from 14,000 other entries from 66 states and provinces participating throughout the US and Canada.

Congratulations to Maddie for a Job Well Done - and her sponsoring council – Richland 3307 for supporting this program. To find out about the new fraternal year's Substance Abuse Poster contest, contact your DD or the General Program Chairman for details.

A minister waited in line to have his car filled with gas just before a long holiday weekend. The attendant worked quickly, but there were many cars ahead of him. Finally, the attendant motioned him toward a vacant pump.

"Reverend," said the young man, "I'm so sorry about the delay. It seems as if everyone waits until the last minute to get ready for a long trip.

"The minister chuckled, "I know what you mean. It's the same in my business."

First Degree Team Ceremonial Competition

The Washington State Council's First Degree Team Ceremonial Competition will begin this month and culminate at the Washington State Convention in May 2006. All councils are eligible to participate. If your council does not have a certified First Degree Team, your District Deputy can certify it during the first level

of competition.

The ceremonial contest will consist of three levels, district, regional and state.

- ▲ The 1st Level - District, the District Deputy will select a team that will represent the district and advance to the second level competition.
- ▲ The 2nd Level - Regional, the State Ceremonial Chairman will appoint evaluators to select a team to represent each of the four regions and advance to the third and final level of competition.
- ▲ The 3rd Level - State, the state officers will judge each of the four finalists at the Regional Meeting and will select "The Best First Degree Ceremonial Team in Washington".

The ceremonial contest is open to all officially certified first degree teams in the Washington State Jurisdiction. The team and individual team members may be certified concurrently with the 1st Level - District evaluation. All teams and team members must be certified to participate at the 2nd and 3rd levels.

For all three levels of competition, all parts must be completely memorized. The presence of a First Degree Ceremonial book "black book" at the ceremonialist's station will not be allowed. A team prompter may be used, but should not be in view of the candidates. Grading on memorization for each team member will be based on the First Degree Ceremonial Book, dated January 1, 1981, with changes. The grading of the team will begin with the warden's rap on the chamber door for admission, refer to the First Degree Ceremonial Book, page 12, section "IN CHAMBER" and continue until page 23 at the "Three raps".

The first level of competition will be conducted in August, September, and October. The council will, in coordination with the district deputy, schedule the date, time and location of the evaluation. Under no circumstances will a 1st Level - District evaluation - be conducted after October 31.

The second level competition will be conducted in November and December. The evaluation will be conducted at the council's normal meeting facility. If the facility is not conducive for conducting the exemplification, the grand knight must immediately notify the Washington Ceremonials Chairman and recommend an alternate site.

All team members must be certified for the position in which they are performing. Further, they must be members, in good standing, of the council for which the team is certified at the time of this level competition.

The Washington Ceremonials Chairman will, in coordination with the council, schedule the date, time, and location of the

Message from Fr. McGivney Guild Chairman

This fraternal year will be an important year in the cause for the canonization of Father Michael J. McGivney. The Roman process of investigation into his life and holiness is nearing completion and the investigation into a reported miracle is progressing. The Fr McGivney Guild plays an important role in making Father McGivney better known and spreading the

word about his power intercession. We thank all of those that have chosen to join the Guild. The spiritual heritage of Father McGivney is his precious gift to the Knights of Columbus. We owe it to him and our church to share his gift with those we meet and with those we work. Your membership in the Guild helps towards that Guild.

As you must know, joining the Guild doesn't cost a thing. It allows you to keep current with the cause of our founder while also getting to know him that much better. By enrolling in the Guild, as a member, you will be sent information about our Founder and happenings in the cause of his canonization.

I want to thank those of you who joined the Guild during the Summer meeting and those of you that took enrollment forms back to your councils to sign up other members and their families. Your interest is to be congratulated.

You can join the Guild in one of several ways. You can go online to the KC website (www.kofc.org <<http://www.kofc.org/>>) and click on The McGivney Guild. Or, you can fill out the simple form that can be found in most issues of the Columbian magazine. You can call or e-mail me and I will mail you a form if needed. Or finally, you can call the Supreme Council directly and ask to be connected to the McGivney Guild and ask to be enrolled.

Pat Maloney, IPSD

Fr. McGivney Guild Chairman

evaluation. This evaluation will normally be scheduled during an actual exemplification by the council. Under no conditions will a 2nd Level - Regional evaluation - be conducted after December 31.

The third level of competition will be the same as prescribed for the second level. One degree team will represent each of the four regions: the northwest, west-central and southwest, east-central and southeast, and eastern regions. The Washington Ceremonials Chairman will coordinate with the regional meeting host grand knight to determine the location of suitable rooms to be used as the chamber and antechamber.

The Washington Ceremonial Chairman will, at least two weeks prior to the scheduled evaluation, inform the degree team's grand knight of the location of the Regional Meeting, rooms to be used as the chamber and antechamber, the time the team can arrange the chamber and conduct a rehearsal, the name and phone number of the host grand knight, and other appropriate information.

August 7—Commenting on the Bush administration policy banning the use of federal funds for research in which a human embryo is destroyed, a leading scientist made this chilling statement: "This policy shows how far this country has gone toward being controlled by religious precepts rather than scientific opportunity and is a terrible omen for our being able to maintain our position as the country that leads in biomedical research." In essence what the president of the California Institute of Technology is saying is that science must be allowed to proceed with no moral restraints. *San Diego Union Tribune*, 4/27/2005

August 14—Simple facts of life and death: As a result of the Supreme Court's Roe V. Wade decision mandating that abortion be available all nine months of pregnancy, each year there are 1.3 million abortions in the United States with nearly 20,000 occurring after the 21st week of pregnancy. These figures are difficult for the mind to comprehend but we see the consequences of this society's embrace of the culture of death all around us. *The Catholic Light*, 1/20/2005

August 21—Researchers at St. Elizabeth's Medical Center in Boston have identified adult stem cells that may have the capacity to repair and regenerate into most tissue types in the body. "This is a very unique property that until this time had only been found in embryonic stem cells," commented the head of the research team whose findings were published in the February 1 issue of the *Journal of Clinical Investigation*. *Catholic News Service*

August 28—As his own life was weakened by illness, Pope John Paul II reminded the public that the commandment, "Thou Shalt not kill," must always be respected. "It is a command that applies even in the presence of illness and when physical weakness reduces the person's ability to be self reliant." *San Diego Union Tribune*, 1/28/2005

Ceremonial (continued)

(Continued from page 11)

At least one week prior to the evaluation, the grand knight will inform the Washington Ceremonials Chairman as to the number of candidates or if the degree will be conducted with stand-ins.

The grand knight will select the exemplification's honoree and complete the Honoree Scroll. The candidates, not the stand-ins, and the team members will sign the scroll prior to presentation to the honoree.

Suggested Prayers*

August 7—That our ears may be opened, that we may hear the voice of God in the unborn child's plea for life, we pray.

August 14—That those who work for peace and justice may remember the words of Mother Teresa who said abortion is the greatest destroyer of world peace, we pray.

August 21—For all elected leaders, that they may justly use their God-given power to protect the weak and defenseless, we pray.

August 28—That each and every Christian may recognize his or her obligation to speak out against the evils of abortion, immoral research and euthanasia, we pray.

Protocol of the Knights of Columbus

Protocol of the Knights of Columbus is probably the most misunderstood as to the proper procedure for the Knights. The best guide to use is that which is published in the Fourth Degree Color Corps Drill Manual (808 7/94) on page 7. This explains the proper line up and can basically be used for any function in a council or assembly for presentation of speeches, line up at head tables, procession into a formal gathering, mass functions or any other social function where you wish to use proper protocol. Basically the line up is as follows:

- | | |
|------------------------|-------------------------|
| 1. Assembly Officers | 10. State Officers* |
| 2. Council Officers | 11. Vice Supreme Master |
| 3. Faithful Navigators | 12. Supreme Directors |

In cases where we have visiting dignitaries, i.e. State Deputies from another state, they should precede the State Deputy of the host Jurisdiction. In the case of another organizational dignitary, they should not be presented after any of the Orders Supreme Officers as in the case of Supreme Director, Supreme Master, etc., if they are to be in the program line up. The above line up is the official order as stated in the Color Corps Handbook, any other dignitaries place in the line up will be at the discretion of the State Deputy. However, at no time should a member of the clergy or hierarchy ever be followed by a member of the Knights or any other organization.

Next month: protocol of inviting State Officers and other dignitaries.

Bishop White Seminary

Bob Grandinetti

Dean Loberg

Congratulations to all of our assemblies and councils who have participated in the first half of the Bishop White Seminary Campaign, "Here I Am Lord, Send Me" for the many hours of hard work in putting together their fundraisers. In kicking off the next 12 months of this capital campaign, our appreciation goes out to our brother Ed Broadhurst and all of the Knights at Council # 12273 in Colville, Washington in putting on a successful par 3 Golf Tournament and Dinner, raising \$3900.00 which will be presented to Fr. Darrin this month in Spokane. There is still a lot of work to be done to get to a ground breaking event. We are asking all of our DD's in our State to help get the word out to all of our newly elected Grand Knights, and Faithful Navigators and

to all Financial Secretaries to start planning your next fundraiser for the Bishop White Seminary Capital Campaign now. By participation, may all of us Knights realize that we have made a difference in the life of a seminarian, our future Priests.

Please make checks payable to: WSC Knights of Columbus Bishop White Seminary Fund and mail them to John Walker, our State Secretary.

Featured Grand Knight Message of the Month

We Are Knights-

Why did you become a Knight? In order to answer that question, you need to know what a Knight is. When Fr. McGivney began the Knights of Columbus he had a vision of Catholic men with mutual encouragement, strengthening their faith. Their faith is strengthened by charity and service to their community. Being a Knight embodies Knightly ideals of spirituality and service to church, country and fellow men. St James, the apostle said "faith without works is dead". We as Knights must strive to uphold this belief. We must be dedicated to the ideals of Columbianism; Charity, Unity, Fraternity and Patriotism. Knowing all of these facts, ask yourself the same question, "Why did I become a Knight?"

As practicing Knights of Columbus we should all own a copy of the booklet, "These Men They Call Knights". If you do not have one, please contact me.
