## KNIGHTS OF COLUMBUS

“BE MEN OF ACTION”

### Message from State Deputy

My Brothers All,

Welcome to February! We are moving closer and closer to our State goals, however, we are nowhere close to our ultimate goal. Nor are we even half way there. Washington State is ranked 58 out of 74 jurisdictions. We are better than that! We have some ground to make up but know that we can do it with all our collective support. Don't hold those candidates.....exemplify them! Get them into the Knights so they can put some of that new enthusiasm to work for your Council! If each of you recruit just one new member.....you would make up the ground needed to put your Council into the running for Star Council and Washington State back on track, too. Please see to it that you ask that new parishioner, that new Catholic, that new 18 year old, that man that sits on the pew next to you!!!

Lent is a good time to conduct/host prayer services. Maybe bring in a speaker on some spiritual topic.

If you haven't heard from your District Deputy about the Holy Family Prayer Program.....please search him out and see when you are going to be hosting the Holy Family Prayer Program. Wouldn't it be great to have each and every Council host at least one Holy Family Prayer program as the Icons travel the state.

The last couple of years you have voiced your desire to not raise State Per Capita.....please help do your part to keep things costs down by PAYING YOUR COUNCIL BILL! The longer you don't do the right thing and you postpone payment - the more the State has to spend by producing, printing and mailing another invoice. Let's just get it done - take care of your Council State Per Capita and other funds owed to the State.....

Finally, my wife Dawna, and I wish you a very worthwhile and prayerful Lent. Use Lent to bring yourself, your family, and your Council closer to God. Give up something that is just taking up time and replace it with something that moves you more close to God (more spiritual reading, more prayers, etc.).

God Bless.

Vivat Jesus!

## State Chaplain Message

Our next reflection concerning Jesus Christ as the perfect model of masculinity may seem obvious. We have already looked at Jesus' habits of prayer and work, as well as his gentleness and his devotion to Mary. Now we note an aspect of his life which most people already consider a trait of genuine masculinity, but which will still profit us for a brief meditation.

Jesus was brave. His courage was unfailing, no matter the circumstances or situations he faced. Jesus was not one to fall into fear, anxiety or worry, and most certainly never gave in to a spirit of cowardice. This is evident throughout the gospels.

After Jesus was baptized, the Spirit drove him into the desert, where he was tempted by Satan (see Mt. 4:1-11; Mk. 1:12-13; Lk. 4:1-13). Here, just as Jesus was on the verge of beginning his public ministry, he endured what—we imagine—might have been a terrifying encounter with the enemy of God. However, he gave no indication of being ruffled even in the slightest, but instead countered the devil's temptations by confidently invoking the Word of God.

Consider also how the scribes, the Pharisees, the Sadducees and elders of the people were out to get him. After they learned what Jesus was about, they were constantly trying to trip him up so that they could bring a formal accusation against him (see Mk. 12:13-17 and Jn. 8:3-11, for just two examples). Did Jesus cower in fear that these adversaries would ultimately triumph? Of course not. He continued to speak the truth boldly and to carry out the work which the Father had sent him to accomplish.

Another area in which Jesus demonstrated extraordinary courage was in his concern for the sick (think, for instance, of his lack of inhibition in dealing with lepers) and the sinner. The societal norms of his day ruled out the possibility of his association with those who were deemed unclean (see Mt. 8:1-4), and no upstanding Jew would have ever considered entering the home of a tax collector or conversing with a prostitute (see Lk. 7:36-50; 19:1-10). Here again, Jesus gave no indication of nervousness about these interactions; he had full confidence that his merciful Father wanted him to go out precisely to these souls most in need.

A final example comes from the Lord's Passion. Who can imagine how frightful were the bodily torture and psychological duress that Jesus suffered for our sake? To say that Jesus was brave in what he underwent would be a gross understatement. It only takes a viewing of a film like *The Passion of the Christ* for us to begin to fathom the depth of Jesus' trust in the Father and the magnitude of his courage.

These are just a small handful of examples, given to us by Jesus himself, showing what it means to have manly bravery and courage. Our milieu today is, naturally, different from that in which Jesus lived. Nevertheless, we, too, face situations of temptation, persecution, societal pressure and physical pain (and remember: these are just a few examples) that could very well lead us into fear.

On his deathbed, King David tells his son Solomon, "Take courage and be a man!" (1 Kgs. 2:2). We would do well to heed that advice, too, so that in being brave and courageous men, and overcoming every fear, we may—by his grace—follow the way our Lord Jesus laid out for us.

Vivat Jesus!

## Supreme Knight Message

CARL A. ANDERSON  
SUPREME KNIGHT

**KNIGHTS OF COLUMBUS**  
MAKING A DIFFERENCE FOR LIFE

Worthy Grand Knight:

During the World Meeting of Families, Pope Francis called for a new alliance between the Church and the family. “May God grant us this gift of a renewed closeness between the family and the Church,” the pope said. “Families need it, the Church needs it, and we pastors need it.”

Today, the Knights of Columbus is positioned to play a key role in this new alliance. To meet this call from our Holy Father requires that we adopt new methods and that our Councils become even more active and integrated within our parish communities.

In light of this, I announced at the mid-year meeting of State Deputies in San Antonio an Orderwide initiative to strengthen both our parishes and our families. It is entitled: Building the Domestic Church While Strengthening Our Parish. The details of this initiative were also shared at the recently concluded jurisdiction mid-year meetings.

Highlights of the new initiative include:

- Collaborating with our pastors to promote greater incorporation of our Councils into the life of our parishes.
- Accelerating our movement towards parish-based Councils and away from the home association buildings
- A commitment to providing authentic and robust Catholic Scouting experience through parish-based troops.
- Support for parish-based youth ministry efforts and full integration of Knights of Columbus youth activities, including active Squires circles, into the parish mission and pastoral strategy.

Throughout the next year we will continue to incorporate new and existing programs into this initiative. The full text of my address on the initiative is the content of my December column in Columbia, which continues to be available online at [kofc.org](http://kofc.org). A video of the speech is also available for you to show to Council leaders.

The Supreme Council will be hosting a webinar on Saturday, February 20th at 2:00 p.m. EST. More information on the webinar and a full invitation will be sent out from our Fraternal Training department. I invite you to attend this training session so that you can become more familiar with the new initiative’s goals and objectives for our Order.

It is my expectation that you and your Council officers meet with your district deputy to discuss how the Building the Domestic Church initiative will impact and influence your Council activities in the coming months and years. Additionally, I am asking that each grand knight meet with his pastor to determine how his Council can more fully serve the men and families of our parishes. Questions should be directed to Corporate Communications through [Knightline@kofc.org](mailto:Knightline@kofc.org) or (203) 752-4264.

As I told the state deputies at their meeting in November, the “content” of the Knights of Columbus has not changed. We are a Catholic brotherhood based upon the principles of charity, unity, fraternity and patriotism. We are dedicated to faithful and unparalleled service to the Church. What will change is the “expression” of that service so that our work may become even more relevant and effective. The history of our Order has proven that the closer the Knights of Columbus becomes to parish life; the closer we work with our parish priests; and the more we support Catholic families, the more our Order has grown in membership and charity.

## Supreme Knight Message continued

The challenge of effective leadership is to lead change, not to be led by change. The leadership of the Knights of Columbus has always succeeded in leading change. And this is what I am confident you will succeed in doing in the days ahead.

Fraternally,

Carl A. Anderson  
Supreme Knight

## State Secretary Message

Greetings Brothers,

It was great to see you all at the Regional Meetings! (Don't ask me about the 6 hour white-knuckled drive home from Olympia...It wasn't pretty, but we made it home by the Grace of God!) We are all back at it with a New Year now and a lot of new things are going on for everybody.

First off, I sent out bills for the State Per Capita for the year along with other odds and ends. I also sent the Council Pennies For Heaven goal for the year. The Per Capita amount is due upon receipt, please pay promptly. Per Capita must be paid **prior** to State Convention time or your Council delegates cannot be seated, according to State By-Law.

Secondly, Resolutions that you wish to put forward for the State Convention need to be in my hands no later than March 15 - with Council seal attached. No exceptions.

Third, each Council received a Certificate of Election with your Per Capita bill that needs to be filled out after your Election of Delegates to the State Convention and sent back to me. I need this data to input into the State database if you want to have your Council delegates paid their Mileage & Per Diem payment.

Finally, all Councils need to submit a summary of yearly accomplishments that are due to your District Deputy on April 1, 2016. Then the District Deputies compile them and submit their summary to me for publication in the Convention Booklet. **It's really great for your Council to read this and to be proud of it, so don't miss the chance!** The State Chairmen and DDM's also submit a summary of their area accomplishments and then those along with the DD summaries are submitted to me by April 10. Please guys, send these reports electronically in a MS WORD file format.

Now that our teams both fell short of the Super Bowl, we have no excuses not to keep our hands to the grindstone and work hard for the rest of the year. **I'm proud to be a Knight and even more proud to serve with you and to call you all my Brothers!**

**God Bless!**

## State Deputy—Support Catholic Military Chaplains!

Worthy Grand Knights,

We are in grave need of Catholic Military Chaplains! The Knights of Columbus established a scholarship program to help fund the education of seminarians preparing to become Catholic chaplains in the U.S. armed forces.

The program was developed to distribute \$1 million in scholarship money to the Archdiocese for the Military Services, USA, over a period of five years at a rate of \$200,000 per year. These funds, in turn, will help produce a new generation of much-needed Catholic chaplains to minister to U.S. military personnel and their families.

It can be very difficult for Catholic members of the armed forces when they're on forward deployments. When this program started, the U.S. military archdiocese, which supplies Catholic chaplains, estimated that they needed 800 priests to fully serve all of the Catholic men and women in uniform today, but they were only able to supply 280 – barely a third of the number needed! Catholics in uniform face the **hardship of having to go weeks – and sometimes months – without being able to attend Mass or receive spiritual guidance from a priest.**

We are in the final year of this fundraising campaign and we Washington State Knights have fallen short.....we are **\$4,000 behind our allotment.**

Please bring this plea to your Council membership for quick action. Just think, if we only donate \$1 per active member.....we would be well past our allotment! **Aren't our Catholic men and women in uniform worth ONE DOLLAR?** I believe they are worth much more than that!

All checks can be forwarded to your respective Master of the Fourth Degree. We can attain our allotment goal with your support. Please join me in sending a check in now!

## State Treasurer Message

My Brothers,

While most Fraternal Survey reports are flowing in rather well (congratulations), the December 2015 Audits are at a trickle. While there is still about 2 weeks left till the due date at Supreme, many have already arrived...that's great...Well Done.

To those Grand Knights that are not in process yet, please move quickly so you can make the deadline of 15 Feb. Any questions on audit specifics should be referred to our resident "Audit Expert"...PSD Rob Roberts. His information is in the directory (or on the Webpage) under Council Audits Coordinator.

Rob has a wealth of knowledge and experience in this area and is glad to assist anyone that asks. Please take advantage of this valuable resource.

Worthy District Deputies,

A word of caution to you for your Grand Knights, please keep a close eye on your Councils for these audits and remind them that after the 2<sup>nd</sup> missing one... their Council will lose their bonding for their FS and Treasurer.... And this is a part of STAR Council Award.

For your reading pleasure...the Supreme Reports:

## State Advocate Message

Inter-Council SW is now in compliance with Supreme and name change to Columbus Park.

Everything else in this report is a reiteration of last month. This is important information, so read and comply.

If you have trouble getting approval for a home corporation name change, call the Corporation Division of the Secretary of State's office at (360) 725-0377.

Remember, for those of you that operate your Council on the calendar year have until May 15<sup>th</sup> to file your 990-N, 990-EZ or 990 Standard. Both 990-N and 990-EZ can be filed electronically (takes about 15 minutes with all your information ready). You will receive an acceptance notice right away from what I understand.

If you file after May 15<sup>th</sup>, your filing will not be accepted and you will never know it. Nonprofits are different and no notification is required. That puts you into the following year to file by May 15<sup>th</sup> again. If you fail to do that, you are in jeopardy of losing your EIN status. Trouble is you may never know until it's too late or I call you. You do have a three year moving window, but don't push it. Sometimes I don't know until it's too late either.

Resurrecting a revoked EIN is horrible at best and costly, \$400 - \$1,600.

God bless you all!!!

## State Warden Message

My Brothers,

I am humbled as I continue to review all of the Monthly Service Reports from Councils. It is inspiring to know first-hand all of the great charitable, fraternal and patriotic works of our brother knights in the Washington State Council. In this Jubilee Year of Mercy, we are truly living what our Supreme Chaplain, Archbishop Lori, describes as authentic signs of the Father's mercy. As we help brother Knights, distribute coats to kids, conduct soccer challenges, give food to the hungry, provide wheelchairs to the disabled, support vocations, host fellowship events, conduct Tootsie Roll drives to raise money for people with disabilities, send Warriors to Lourdes, render assistance to fire victims and provide help to our local parishes – just to name a few – we help our neighbor and draw closer to meeting Pope Francis's challenge to be practitioners of mercy.

During the season of Lent, let's continue to be acutely mindful of God's gift of mercy and reflect on how we can live our call to mercy more abundantly in light of Fr. Michael McGivney's vision for our Order. By actively living charity as envisioned by our founder, we return more abundantly to God.

Take a look in the General Program Director section of this newsletter. This month, I highlight one of our Council's activities in its efforts to be a practitioner of mercy in our jurisdiction. Each month I intend to showcase a Council and feature programs that your Council can adopt as a way to bring your Council closer to Christ by being practitioners of mercy.

This Lent, in addition to giving something up, consider proposing a new program for your Council to inspire Knights to do something more in light of their faith.

Vivat Jesus!

## Membership Director Desk

Brothers,

December and January are traditionally slow months, but we held our own. We brought in 55 new members for January and I am appealing one that came in on Monday, Feb. 1st. If I am successful, we will have brought in 56 members for January and qualify for the second level payout of \$280. For now, we are at \$215 for January.

Now we gear up for the second best two month period, February/March, of the year. Why, because of parish membership drives across the State. As in October/November membership drives, we get a real boost from February/March. Hopefully, you have those membership drives scheduled. If not, get with your priest and parish secretary. Easter comes early this year, so plan accordingly.

Great work by our membership inactive Councils, statewide, we are down to 51 Councils that are not membership active. That is down from 62 this time last month.

Just an FYI, here is where we stand internationally as a jurisdiction (74 jurisdictions):  
Intake-57<sup>th</sup> at 43.23% growth  
Net/Intake-37<sup>th</sup> at 55%  
Net/Net-37<sup>th</sup> at 45.82%

I have Filipino membership material available. Let me know and we'll see about getting them to you.

Keep up the good work and keep bringing in the hands to make our Councils prosper.

## General Programs

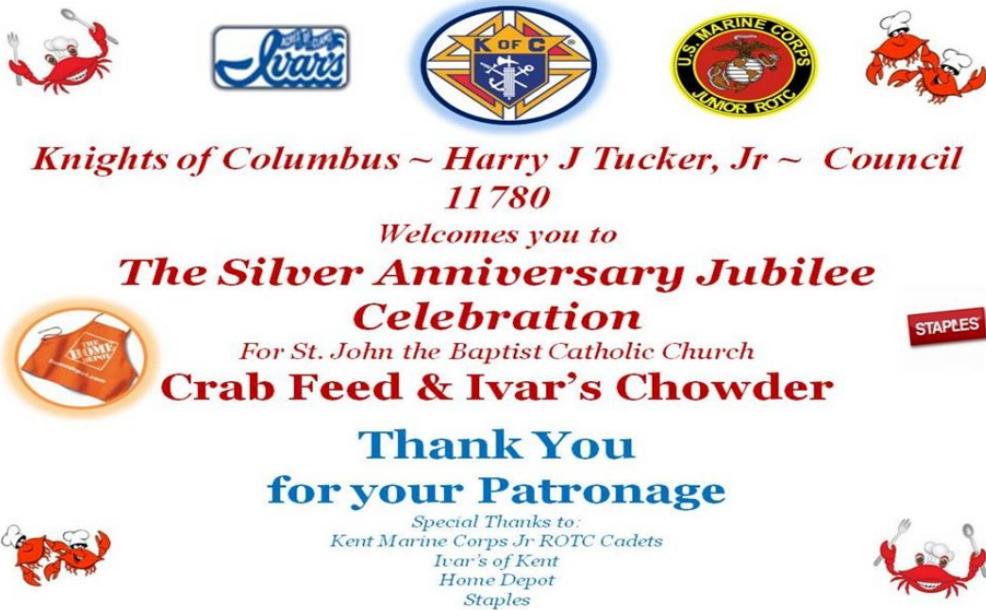

Brother Knights,

In commemoration of the Silver Jubilee Year Anniversary of St. John the Baptist Parish in Covington, WA, Council 11780, under the leadership of WGK Tommy LaCour, hosted a splendid Crab Feed dinner to honor the parish's 25 years of service to the community.

The Knights partnered with the Kent Junior Marine Corps ROTC Program to foster fellowship between the parish and the local community. The dinner was a sell out and proceeds from the Crab Feed benefited the ROTC Program. Fifty-three Cadets assisted in this event with set-up, food preparation, serving, and clean up.

In keeping with the mindset of Strong Visible Programs, notice in the dinner advertisement depicted below evidence of partnering with local businesses to help conduct this program activity. This requires planning and communicating the event well in advance.

Subsequent photos reflect a **well-advertised, well-coordinated and well-attended event**. Congratulations to Council 11780 for supporting the church, for extending its charitable reach to the youth in the community and for encouraging service to our country. Don't forget to **thank** parishioners and community members for supporting this successful event.

Fraternally,

Greg Mahoney

# Knights of Columbus - Free Throw Competition

Here is the tentative free throw schedule for 2016. This year we are bringing back the state free throw tournament. Councils and District Deputies should read the free throw guide lines to familiarize themselves the rules and regulations.

Council free throw chairman will hold all score sheets and brings the participant's score sheet representing the Council to the district competition. Council winners will advance to the district competition.

If the Council winner is unavailable, ask the runner up, etc until a Council participant is available to represent the Council at the district competition.

### **Early February - District Competitions**

District Deputies should be in contact with Councils to see who is participating and work to set up a time and location for the district competition. If possible, this should be set up before Council competitions so Council winners know the date and time of the district competition.

If the district winner is unavailable, ask the runner up, etc until a district participant is available to represent the district at the regional competition.

District Deputies have district medallions to award district winners. State Youth chairman will provide district winning certificates.

Thank you to the Councils that supported the KCIC poster contest. All entries have been received and state judging is happening. State winners will be forwarded on to Supreme for further consideration.

## Council Chairman

### It's Never too Early to Start!

Time sure is flying by this fraternal year! We are a little more than halfway through the fraternal year. That means that award submissions deadline is right around the corner! The first round of award submissions are due by April 1<sup>st</sup>.

You are probably asking yourself, "Why is Joe sending us this information in February?" Well, the answer to that is because it is never too early to submit your applications to the chairman. Plus, we do not accept any late entries so it is very important that all Councils turn their award submissions in as early as possible!

Below is all the information you need for the first round of awards that are due. This is my favorite time of year! Getting to read all the great things Councils partake in around the state, and all the great Knights and Families we have doing God's work.

## New Council Development/Round Table

Brother Knights,

Round Tables are an effective means of stimulating interest in the Knights of Columbus for Catholic men in parishes without a Council, and in parish demographic groups not active with the Knights. **Our goal is 45 RT's by the end of the Fraternal Year. We have 21 RT's established to date.** Worthy Grand Knights, let's work towards an active Knights of Columbus presence in all parishes in WA State. The RT Program guidelines are found in pamphlet 2632 7-14. This process is very easy. Do not wait for someone else to do it.

**Congratulations to District Deputy Darren Johnson (DD 4) and District Deputy Bret Fleming (DD 6) for their work in establishing new Councils in December – super job!! The two newest Councils are Council 16361 in Lacey, WA, and Council 8294 (reinstituted) in Yakima, WA.**

As our Supreme Knight has often reminded us, “We have a moral obligation to invite every eligible Catholic man to join the Knights of Columbus.” The NCD guidelines are found in pamphlet 2119 7-14. Another helpful tool is the *Action Plan for Developing New Councils in Only Seven Weeks*, flyer 4808 5-15. This is a tool that outlines one way to establish a new Council. Use these tools.

Vivat Jesus!

KCIC Chairman Darrel L. Wehr would like to remind any Council that has not yet paid for their Christmas card order to send their payments in as soon as possible so that he can close the books on 2015.

Brother Darrell can be reached via e-mail at KCIC@kofc-wa.org if you have any questions on your bill.

Darrell does a great job every year so if you still owe money please make an effort to get it in now!

## Vocations Chairman

### Seminarian Profiles: These two seminarians are in formation for the Spokane Diocese.

Peter Fazzari (left), age 21, graduated from Gonzaga University with a BA in philosophy and a minor in music. Peter is now in his first of four years of priestly formation Theological College at The Catholic University of America, Washington, D.C.

In 2013, Peter was accepted into the seminary formation program at Bishop White Seminary, on the campus of Gonzaga University. He hails from Assumption of the Blessed Virgin Mary Parish in Walla Walla, the product of home schooling and the Running Start early college credit program. His first year of college was spent at Eastern Washington State University, where he began his academic career with studies in music education.

Raymond Kalema (right), 28, continues his path toward the priesthood in his second year of theology formation at Theological College at The Catholic University of America, Washington, D.C.

Raymond is a transfer seminarian from the Archdiocese of Kampala in the central African nation of Uganda. He was born in Entebbe. Raymond entered seminary formation in high school at Kisubi Minor Seminary, and has continued along the path of priestly formation ever since.

The year 2007 found him at Uganda Martyr's National Major Seminary, from which he earned his bachelor's degree in philosophy. After completing what he refers to as a "spiritual year," he entered St. Mary National Seminary, from whence he applied in 2013 to come to the Diocese of Spokane.

Raymond has said that the path has not been without its challenges and dangers. He has told of attending seminary classes under the guard of soldiers who protected the seminarians from neighboring rebel groups. Through contacts and conversations between diocesan officials from the Diocese of Spokane and the Archdiocese of Kampala, Raymond found his way to the United States. Fluent in English and his native tongue, Luganda, he spent last year in residence at Bishop White Seminary, where he has engaged in its formation program while working at Spokane's House of Charity.

If you are supporting these seminarians under the RSVP Program, you are thanked by them and by me for your generous support.

## Tootsie Rolls Update

**\$112,025.42**

Brothers all,

We had 51 Councils that participated and we ranked 2<sup>nd</sup> in the most raised since inception. Of course, if Councils that had participated in the past had contributed, we would have been well over \$150,000.

Another interesting point, our cost of fundraising went up to 11 cents on the dollar, compared to 9 cents last year. This number will vary from year to year with some Councils ordering more tootsie rolls than they need. More Councils are taking advantage of the banner program too, so that makes a difference, however the banners will be good for at least 10 years if taken care of.

I had a very pleasant meeting with Judi Swift, the Fred Meyer representative that approves locations for us. She is encouraging each Council to submit a Doorway Activity application form ASAP so she can assure a spot for you. This is very easy to do, so pick up your application at customer service, fill out and send to the Portland home office listed on the form. **DO NOT TURN IN TO THE CUSTOMER SERVICE DESK**, they have no authority to schedule, only the home office. Worry about staffing later; just get that location and confirmation letter pronto.

Work on other locations now, as well. QFC is a great partner too and is associated with Fred Meyer under the Kroger name. Wal-Mart continues to be a good location. I only name these since they are name brands. You know your local area better than I.

This has been a great year and I thank all of you that participated.

I am looking forward to next year already. Thank you for all you do!!!

## St John Paul 16176 First Year of Service

St. John Paul II  
Council 16176

New Council First Year of Service to:  
St. Joseph's Parish and St. John's Mission

Cinco de Mayo Breakfast - A wonderful beginning for the Council and we were able to make a financial donation to "Hearts and Hands - Pregnancy Center" focused on preventing abortions and helping expectant mothers in need of supplies.

Knights attack leaking basement at St. Joseph's by forming and pouring a 3 ft. wide concrete apron on two sides of the building. The church is over 120 years old and until the Knights organized to fix major problems there was no one to make it happen.

Knights also provided over 900 hours of work on the "Hearts and Hands Pregnancy Center" new facility. There was carpentry, plastering, painting, floor work, concrete pours, roof replacement and other exterior repairs. Combined major project to repair and replace church and rectory windows and install new rain gutters. This was a massive effort with many hours of labor by the Knights before the wet weather was upon us.

## St John Paul 16176 First Year of Service continued

Fall and the rain saw the Council working on “Keeping Christ in Christmas” by selling cards and conducting the Youth Poster Contest; Knights leading the Rosary and holding a breakfast on the first Sunday of Advent; and, helping with the celebrations for Our Lady of Guadalupe and the Christmas Posada. It’s been a fruitful first 9 months for our small Council including two new members.
