KNIGHTS OF COLUMBUS

## Message from State Deputy, John Wallace

**A**S I was walking out of the room after the closing of the Summer Meeting, a Knight came up to me and asked if I "had my seat belt on". My answer to this unusual question, since I was not near my car, was, "What do you mean?" His reply to me was perfect, because the result we State Officers were hoping for during the Summer Training Meeting, was to energize all of us to achieve a very successful 2010-2011 year. His response to me was, "Hang on, because we are going for it!" What a great attitude. I hear it all the time from GK's, DD's, Chairmen, State Officers and members; that they are going for it. Any leader in any area of responsibility cannot help but be overjoyed by these words.

You need to put on your seat belts, also, for as Pat Maloney, Supreme Membership and Program Coordinator, said in his closing remarks; "It's time to put the pedal to the metal," and that's what I expect you will do. Fill that gas tank with good attitude and go for it. Be bold in all you do. Train each other to be winners and reach out to your brother knights with this winning attitude. It is catching.

As St. Paul tells us, encourage each other. Ask each other, "Have you invited someone to join the Knights of Columbus this month?" Be bold and try it. You may be surprised. "Dare to ask." "Just do it." Our State Membership goal this year is 1100 new members, 80 round tables, 4 new councils and all required forms in on time. Last, but not least, every council membership active. Almost every council bring in one new member every month, except large councils bring in 2 new members per month. You've got 11 more months to achieve this. Let's get started and go for it, by being bold and daring to ask. I expect the best from each of us, and that includes me.

John M. Wallace  
State Deputy of Winners

Worthy Officers,

## !! ATTENTION DISTRICT DEPUTIES !!

There is a new award that you can strive for and I look forward to being able to present one to **each** of you.

The award is for 100% participation of your councils in the Wheelchair program.

### Here are the requirements:

All councils in a District must contribute a minimum of 2 wheelchairs (\$300) in order for you to be eligible.

These donations must be separate from any monies received through a "Wheelchair Sunday" parish drive.

Monies must be in the hands of the State Secretary by April 30, 2011. The awards will be presented at the State Convention during the Men's Awards Luncheon.

**BE BOLD** and get all your councils involved!

John Rowley  
Wheelchair Program Chairman

## !! ATTENTION SUMMER MEETING ATTENDEES !!

In your packets at the Summer Meeting you received a brochure entitled Wheelchair Foundation – item # 4690. **PLEASE DESTROY THEM!** This brochure will only confuse you, but the mailing address given will go to the wrong place. If someone sends money to this address, we will never know about it, and the donor will not receive proper credit.

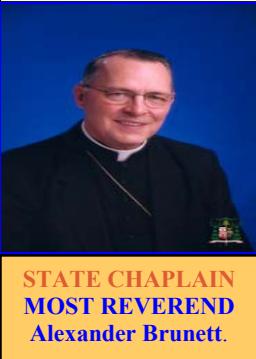

Only The American Wheelchair Mission is the authorized partner with the Supreme Council.

## GOD'S UNIQUE CREATURES

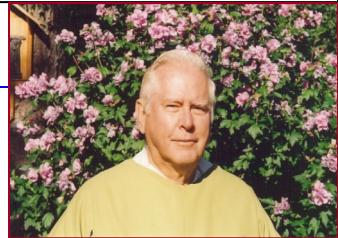

We are unique among all of God's creatures. We live in two worlds, one a spiritual world and one a material world. The spiritual is certainly the more important, but the material world often is more pressing and more influential on our lives. Our problem is to find ways to direct our material lives to lead us toward our spiritual destiny.

The American culture today offers us all kinds of temptations which, if followed, will direct us away from God. One of these temptations is that our culture offers us idols or models as patterns according to which we should direct our lives. Unfortunately these models or heroes are anything but spiritual heroes who lead us to God. Athletes or entertainers who spend their time conducting dog fights, swapping wives or husbands, or forcing themselves on star struck teenagers are not the type of people God would have us imitate.

There are, however, models who will lead us to God if we have the wisdom and courage to imitate them. The saints of old and the saints of our own era should be held up as examples for us and for the youth of our times. During this month of August we celebrate many saints, Mary's Assumption being the most important because she is the model for all Christians. I have chosen two others who are models for us as Knights.

The first is St. John Vianney, a French priest also known as The Cure of Ars, who was a country pastor in the early nineteenth century. He is the patron of all diocesan priests throughout the world. He was noted for his clear and exact preaching on Church dogma and morals. In his own personal life he did much penance and he encouraged his penitents to avoid sin and strengthen their resolve

by getting control of their spiritual lives. He often spent as many as sixteen hours hearing confessions and giving spiritual direction to the hundreds of pilgrims who came daily to his parish from all parts of Europe.

**STATE VICE-CHAPLAIN  
THE REVEREND  
Lee Hightower**

The other is St. Maximilian Kolbe, a Polish Franciscan, who had tremendous devotion to Mary and is the founder of the movement called Maria Immaculata. He was a prolific writer during the early years of his priesthood and he developed the Maria Immaculata movement in many countries throughout Europe and even as far as Japan. Maximilian was arrested during the Nazi occupation of Poland and was held at Auschwitz. When the prison guards if he could take the place of a young polish soldier who had selected ten prisoners to be executed, Maximilian asked the commander a wife and two children. Permission was granted and after two weeks without food, Maximilian was executed by a phenol injection on Aug. 14, 1941.

St. Jean Vianney, physically strong but intellectually challenged, and St. Maximilian Kolbe, intellectually gifted but physically weak, two men whose journeys led them through many harsh events to the throne of God. All of us have been called for special tasks in this world even though most of us have not been called to do great things for the Lord, but, as Mother Theresa said, little things done with great love will lead us to eternal happiness with God.

Even though this is not a course in spirituality I suggest you do the following homework; read the life of your patron saint or some other saint about whom you would like to know more. Most parish libraries have many books on the lives of saints. God bless!

## FATHER MICHAEL MCGIVNEY GUILD

### The compassion of Father Michael J. McGivney

One outstanding attribute of those generally recognized as being holy is a heightened sense of compassion. Truly outstanding were the efforts of St. Frances Xavier Cabrini, who ministered to those less fortunate, especially the orphan or those in need of medical care; St. Dominic Savio and his companions, who out of compassion for sinners chose along with others to deny themselves Holy Communion, in a time when frequent Communion was not the norm, in order that sinners among them might not be exposed; St. John Vianney spent hours in the confessional; and Father Michael J. McGivney out of compassion for widows and orphans founded the Knights of Columbus.

Formed in hardship and tragedy, a compassionate Michael J. McGivney sought to serve the Lord through the priesthood, and left us a legacy of service to Almighty God through acts of compassion toward others, which we simply refer to as the vir-

tue of Charity.

We would do well to emulate the virtues of the Saints in whose footsteps we now walk the path of faith. Especially should we follow the example of the Venerable Servant of God, Fr. Michael J. McGivney in caring for the less fortunate among us. If we are to be truly Knights of Columbus and followers of Jesus Christ, can we do anything less?

### Worthwhile Quote

“Your living is determined not so much by what life brings you as by the attitude you bring to life; not so much by what happens to you as by way your mind looks at what happens.”

### A WEBER FAMILY AFFAIR

(L-R) Back: Pat (1980), Jerry (1974), Bernie (1973). Middle: Chad Ryle (2010), Nathan (2002), Marty (1978), Nick (2003). Front: Brady Morrow (2008), LeRoy (1949), Tom (1965), Ryan (2000).

Due to the example set by LeRoy Weber, together with his father and grandfather, the Knights of Columbus has become an important part of Colton Council 1565's history. LeRoy's grandfather, Barthol, was a member of the Council's second class initiated on November 19, 1911. Bennie Druffel, the father of LeRoy's wife, Trudy, was also a member of the class. LeRoy's father, George was the Charter Advocate of Uniontown Council 1823 which was formed in 1916 by members of the Colton Council.

All of LeRoy's sons – Tom, Bernie, Jerry, Marty and Pat – have joined the Council. Additionally, Jerry's son Nathan and nephew Chad Ryle have joined, as well as Marty's two sons, Ryan and Nick. Brady Morrow, the husband of granddaughter Katie, recently joined Msgr. Pautler Council 3455 in Clarkston.

Bennie Druffel, LeRoy, Tom, Jerry and Marty have served the council as grand knight. The latter three also served as district deputies and state chairmen. Tom served as State Deputy of the Washington State jurisdiction for the 1995–1997 fraternal years.

It is obvious that this is truly a Knight of Columbus family – a family inspired by their grandfathers and fathers - with LeRoy, the quiet example, as a model for the present family generation of Knights.

### STATE ADVOCATE'S MESSAGE

#### Change and Technology.....aren't they great!

As we work through the fraternal year, change is bound to be part of that process. Let's start now to change for the good. Let this be the month and year that we change some old ways of doing things and strive to make our councils better. Change for change sake isn't good....but change to make things better, more efficient, and less time consuming is good.

Technology can be frustrating sometimes but where would we be without it? Technology is ever changing and attempting to make your lives better.

So, mix the two and what do you have? You have technology to change the way you and your council does things to improve, streamline, and hopefully make things less time consuming for you.

The web-based Member Management system was put in place by the Supreme Council to do just that. It is a good start to getting a number of your reports and forms automated. Take the form 185 for instance – did you know if you record your officers chosen for the year into the Member Management system – it automatically updates Supreme records and therefore, negates the need to file a manual form 185? Tis true! Same thing for the form 365...just update your council program chairman information in the Member Management system and you have automatically updated Supreme records with that information and therefore, you do not need to file a manual form 365. Unfortunately the system has yet to be updated so the State Officers can view your reports online, so you will still need to email or snail mail a copy to the State Deputy.

To those 12 councils that have not yet filled their form 185 – what is the hold up? According to Supreme, State and your council by-laws, council elections should have been held in May or June. Filling out the form 185 or recording that information in the Member Management system should have been one of the first things the Financial Secretary did after the meeting. Let's change your mindset and utilize technology to update Member Management and get the 185 information keyed in. Shouldn't be hard, your roster is right there.....be bold and get your council started off on the right foot.

The form 365 due date is August 1 – let's get those in as soon as possible. Remember, fill out one (or better yet, use the Member Management system) even though you might not have all chairmen spots filled. You can always go back and update the Member Management system when other chairmen get appointed. Please let's continue our change and get them done in a timely manner.

Thanks for your attention to your council reporting forms....it will make my job easier and it will cut down on the emails I will be sending to get the information from you!! Technology.....isn't it great?

## MEMBERSHIP DIRECTOR

At this time of year many things come to mind as we enter the 2<sup>nd</sup> month of the Fraternal Year. As each of you consider the "Next Six Months", realize that one month is already gone...

Did all Councils with a 1<sup>st</sup> Degree team put on a Degree in July? Have any of the councils without teams, made any efforts to form one? These and many more questions should cross your minds as we all go ahead full force into the new Fraternal Year.

This month Your Membership Directors, Tom Sokol and I, will be meeting with the State Deputy and the Supreme Programs Coordinator to exchange new ideas, revamp the "Divisions" concept that has been used in this jurisdiction for many years, and discuss new programs from Supreme. A restructure of the Recruiting Incentives which have offered in the past is also on the agenda. Watch the future bulletins for changes.

In line with the thinking presented at the Summer Meetings, that Membership is MORE than just recruiting, remember that it is also important for your Council's Membership Chairmen, Admissions and Retention committees, and all those that might propose a new member to take stock of their programs and approaches towards Recruiting and Membership as a Lifetime endeavor rather than just numbers to be achieved by the end of each year.

It is not helpful to your council or the Order to bring in a new member this month and see him disappear 3 or 4 months later, but it happens every month. Why you might ask... ??

In most cases this occurs because no one gave him "something to do". None of us joined to be ignored. We are members because we *WANT* to do something. It is not just the Grand Knight that is responsible here... the Membership Chairman and most of all, the member's Proposer have let him down.

Offer him a chance to serve as an Usher or Greeter at Mass and assign him a schedule so he knows what is expected of him. Assign him something. Get him a name badge immediately... and insist that it be worn any time there is a Council or Church function, anywhere, anytime. Take him to his 2<sup>nd</sup>/3<sup>rd</sup> Degree at the first opportunity. This year's schedule is already established. REMEMBER...

"DO... or Do Not... there is no try"

Pat Kelley, Washington Membership Director (West)

## FAMILY CHAIRMAN

### Serving the Family of Man

Recently, I attended a meeting of St. Joseph Council 4782 in Vancouver. I am truly impressed with their level of commitment to the Family of Man through many projects and commitments to the parish and community with donations of Time, Talent and Treasure. Their pastor, Fr. Gary Lazzaroni agrees, calling their presence indispensable to the parish community. Their level of support for seminarians over the past decade and beyond has been most remarkable. Indeed, this Council tends to set a standard for Charity that we should all seek to emulate.

The Family of Man is well served by the Knights of Columbus. At the Supreme Council level, Knights provide wheelchairs around the world to those in need through an organized effort to raise funds for that purpose, and delivering the wheelchairs in person.

Here in the State of Washington, Councils in the Tri-Cities area do much the same thing by accepting donations of durable medical equipment, refurbishing it as may be necessary and providing it at no cost to those in need through the KC Help program, which is an Internal Revenue Service recognized section 501(c)3 charity.

Two years ago, my wife received a four-legged cane; last year, three wheelchairs were brought back to Vancouver to assist those who were mobility afflicted. This July she received a powered wheelchair and I also was able to bring back with me a wheelchair for a Brother Knight severely afflicted with Parkinson's disease – he can no longer operate his power wheelchair. The contact in the Tri-Cities for this program is Brother Knight Jerry Rhoads at (509) 377-4298. Perhaps other KofC districts in the state could do the very same.

The opportunity to serve the Family of Man is there; needs exist within your own community waiting to be discovered, and the opportunity is there for you to truly serve those who need your help. Will you accept the challenge?

## General Program Director Messages

Brother Knights,

Welcome to the new Fraternal Year! It sure was a good Summer Leadership Meeting! I got to spend some time with you and hopefully you received a bunch of information that will help you for the next year.

Just a reminder that the first Service Program Report of the year is the combined report for the months of July and August and it is due September 10th. I tried really hard this Summer Meeting to explain the State Deputy's 1000 Points Program and how to fill out the Service Program Reports. If you have any questions or need forms contact me at [StateWarden@kofc-wa.org](mailto:StateWarden@kofc-wa.org) and I will be happy to help. I expect every Council to participate this year, if for no other reason than to avoid getting hit with the State Deputy's shillelagh.

It was an honor to spend a few hours with the Council Program Chairmen at the Summer Meeting. Those that attended were given a look at a number of Programs including: The Wheelchair Program, The Ultrasound Program, Food For Families, Special Olympics, Coats for Kids, Squires, Fr. McGivney Guild, Family of the Month, PFH & Vocations, Bishop White Seminary Campaign and The Soccer & Free-Throw Programs. The State Program Chairmen are very enthusiastic about their programs this year and we hope you support them by participating.

We still have a little time left in the summer and I, for one, am looking forward to a little time on the river to recharge my mental batteries for our new fraternal year. We had an awesome year last year and we need to be proud of that, but after your little break, roll up you sleeves again and get back to work- "God's Work is Never Done!"

God Bless You & Keep You Safe!

Bob Baemmert-SW  
General Program Chairman

**First Degree Team Ceremonial Competition**  
**Wayne C. Hogan, PSD, VSM**  
**State Ceremonial Chairman**

We are entering our first month of the first level of the First Degree Team Ceremonial Competition. This level is the district level and is conducted in August, September, and October.

*Have the councils informed their district deputy that they want to participate in the competition?*

*Have the district deputies encouraged their councils to participate in the competition?*

**All councils in Washington are eligible and encouraged to participate** in the First Degree Team Ceremonial Competition. If your council does not have a certified first degree team, your district deputy may certify it during the first level of competition. If your council has a certified First Degree team, however, there are still one or two members who need to be certified, your district deputy may certify them in conjunction with the first level competition. The council will normally schedule this evaluation during an actual exemplification.

The first level is conducted during an actual exemplification in the council's regular meeting facility. An honoree should be selected for each degree. The honoree and all council knights are encouraged to attend the exemplification.

All grand knights are encouraged to contact their district deputy and schedule an evaluation of the council's first degree team. Remember, that under no circumstances will a 1st Level - District evaluation - be conducted after October 31. The second level competition will be conducted in November and December. Additional information on the second and third level competition will be published in subsequent state bulletins.

The Grand Knight's Handbook CD was issued to all grand knights at the Summer Leadership Meeting in Pasco. Also, on the CD were two handbooks. The first is the First Degree Team Ceremonial Competition, revised 07/01/09. This handbook provides information on the participation, prerequisites, schedule, evaluation, reports, notification and recognition. Appendix A is an overview of the three levels, District, Regional, and State. Appendix B is the Evaluation Form that will be used to evaluate the degree teams. The second is the Host and Co-Host District Deputy's Second and Third Degree Ceremonial Procedures, revised 07/01/10.

'The Best of the Best' First Degree Team Ceremonial Competition travel award will look great hanging in your council's hall. **Where it is located next year depends on you!**

## DEATH AND SICK NOTICES

State Vice-Chaplain Fr. Lee O. Hightower celebrates monthly Masses for deceased and ill Brothers and family members of the Knights in Washington State. In addition, a get-well card (in the case of an illness) or a card of condolence (in the case of a death) is sent to the member or next of kin by the State Secretary.

He also forwards this information to the Bulletin Editor, Ed Hebert, for publication in the State Bulletin. **For this process to be effective, it is imperative that the notification is accurate and timely and that the name and address of the next of kin is provided. Also be sure to include the relation of the next of kin (e.g. son, wife, brother, etc.)**

Notification of deaths may be transmitted to the State Secretary by sending a copy of Form 100 or any other form of written communication (e.g., by e-mail). Illness notices can also be transmitted via e-mail to the State Secretary. Information on Survivor's Assistance and a Survivors' Assistance checklist can be found in Section III-54 in the Grand Knight's Handbook.

July 13, 2010

Dear John,

I thank you for the opportunity to take the place reserved for Archbishop Brunett or Fr Hightower on the pilgrimage to Rome. It was not a religious vacation for me but truly a time of renewal. I have never experienced the combination of prayer, fraternity with brother knights and priests, and communion with saints through their relics and the sites where they lived in faith and died in faith. It was a very unexpected gift and a great grace.

The pilgrimage began in New York where I connected with the group identified by their light blue, "Smurf blue" shirts. Unfortunately, mine did not arrive before my departure but that did not pose any problem. Joining us on the trip were: Deputy Supreme Knight Dennis Savoie and Mrs. Savoie and Donald Kehoe and Mrs Kehoe, the former Supreme Knight Virgil Dechant and Mrs. Dechant and quite a crew of staff from Supreme. Supreme Knight Carl Anderson also joined us later. They were truly gracious and so humble, easy to be with. The pilgrims, priests and bishops, were all ages and the great diversity of cultures among the knights was striking. There was a great sense of fraternity within the whole group throughout our days.

Our first and second day in Rome we celebrated Mass in St. Peters. Bishop Lori was the celebrant and took the opportunity each day to give an excellent homily that drew on the importance of the place and drew us through prayer into the experience of pilgrimage. On the third and fourth day the morning was spent at St. Paul's Outside the Walls, the site of the tomb of St. Paul. We had a presentation each day arranged by the Congregation for Clergy which was followed by Mass. The presentations were translated into English for us. On the afternoon of the fourth day, Friday, we attended the opening of the exhibit marking the 90 years the Knights have served the people of Rome through youth centers and other charitable works after the wars. The exhibit is at the museum at city hall.

The Papal Mass on Sunday drew the priests that could be seen all over Rome for days into St. Peter's Square to give thanks for the gift of our ministry. The Mass was very hot with perhaps 10,000 priests concelebrating, but there was no short supply of water nor patience.

Our last day was spent at Assisi. We ate with the Friars at their noon meal after celebrating Mass in the Basilica over the tomb of St. Francis and a tour of the site. In the afternoon we visited the Poor Clare sisters, who received assistance from the Knights after the earthquake that had destroyed the Basilica of St. Francis. The community of sisters is still very committed to their contemplative life; they do not even have a gift store! Because their convent was not a tourist site like the others, they had not received assistance from the Italian government like the other historical sites.

We arrived back in New York two hours late. Most of the pilgrims from the west had already planned to stay the night in New York, and with the delay several more were forced to stay in New York. Once again the staff from Supreme took care of every detail for food and accommodation.

Before going on the trip I had shared with you my interest in a retreat for Knights. I had the opportunity to ask other chaplains if they had developed retreats or other means of spiritual renewal for their councils. I now have three contacts and promises to share information: Fr Aaron Damboise in Maine, Fr Chad Wilhelm in North Dakota and Fr Andres Balvanera in Mexico. I look forward to the information they share.

Once again, thank you for asking me to join the pilgrimage. I will never forget the trip and am sure the graces from this experience of pilgrimage will bear fruit in ways that I will enjoy discovering!

Please give my warm regards to Sheila. I hope you have a great experience at the convention in August. I have included a booklet that explains the frescoes at the little chapel where St. Francis and then St. Clare lived in such simplicity, a holy card with St. Francis and a holy card with a text from Pope Benedict I very much enjoy.

Fraternally,

Fr. Bob Turner

## Columbus Charities Funding for Special Olympics In Jeopardy

For years the Knights of Columbus have provided significant financial support for the Special Olympics Program in Washington State. The funds for this support came from Columbus Charities Inc., a non profit corporation that was set up to distribute funds to charitable causes supported by the Knights of Columbus in the state. The income for Columbus Charities Inc. came largely from a yearly raffle. A few years back, the raffle was discontinued and an Endowment Program was established to replace it. At present, Columbus Charities Inc. is in the process of transitioning from a "raffle driven" income to an "endowment driven" income.

The Endowment Program gives members the opportunity to further Knights of Columbus supported causes even after their time here on earth is over. The long-term success of the Endowment Program is not in question, but the short-term financial need to continue to support programs like the Special Olympics is becoming acute. Without council support in the form of **donations** to Columbus Charities Inc. **right now, this year**, programs like Special Olympics will suffer. If your council can help out with this short-term problem by a donation, that would be fantastic. Columbus Charities Inc. has traditionally provided \$13,000 in support of this program every year, so we will make that our goal. Eventually, we

trust enough of our members will participate in our Endowment Program that Columbus Charities Inc. will once again be financially stable, but until that is the reality we truly appreciate your help right now. It is our Order and our Organization and I know we can get past this problem.

To donate make the check payable to:  
Columbus Charities Inc. and mail to the Washington Knights of Columbus State Secretary

God Bless You!

# Soccer challenge

As we begin the new fraternal year, I am looking forward to an exciting year in sports throughout Washington state. Last year we held the inaugural state Soccer Challenge championship, which ended up with our state 10 year old boys champion, Justin Masterson representing Federal Way council 7908, being named International Champion by the Supreme council. I hope you were at the state convention where we presented Justin the international Champion trophy.

I hope more councils get behind the Soccer Challenge program and experience the excitement that this program brings to the youth that participate.

## District Deputy Director Message

The District Deputy Summer Meeting is over and I feel that a lot was accomplished. The time spent as a group under the leadership of our State Deputy John Wallace gave a lot of valuable insight in the new and continuing role that you will play as District Deputies. It is easy to present programs when you have such tremendous leadership as we have along with the right attitude – 100%. However, one of the great attitudes at the summer meeting was the challenges of the year past and to exceed those goals established. DD Handbook was handed out to all District Deputies with an update format to become more familiar with the need to understand the forms required and how the District Deputy help the council achieve on time reports.

Forms accountability was the most important area discussed and correct filing out of the forms. The Audit, Semi-annual council report, Fraternal Service report along with several others were clarified. The audits being conducted need to be accomplished law the new Financial Secretaries Handbook dated December 09. Information contained in this handbook is most important, especially the areas of concern of the Grand Knight and Trustees doing the actual audit.

Understanding the myriad tasks assigned the district deputy was covered concerning degrees, youth activities and reports, involvement in the “Surge with Service” activities areas of Family, Youth, Church, Council, Community and Pro-Life, the need for Columbian report submission and many others were covered.

All District Deputies were give a CD from Supreme listing all of the material that is basically available on the website such as forms, documents and other materials on how to. The State CD also given for not only the District Deputy but the Grand Knights of each council. These CD's can be downloaded to your desktop or laptop not only by the Grand Knight but by the Financial Secretary and any others you wish to have them. They should open them and become familiar with the material contained thereon, i.e. Grand Knights Handbook, for those who say they no longer have their copy it's on there. Make a copy for permanent records; degree works books are on there along with District Deputies Handbook, forms that may need to be required for reports, etc. It is important that each council GK, FS and officers be aware of where to find out information they may need.

Lastly, the goal and accomplishments last year were outstanding and everyone did their job and it to be commended. No one person did anymore than any other so to say that “I” did this, that isn’t being a team player; “we” is the name of the game because as a jurisdiction we win or lose as a team. The State Deputy said it was a team effort and it was. You are the team and now is the time to look at the new goals and set yours.

Every District Deputy should look to the next 6 months to get his feet on the ground and running. You may have heard of the saying, “Go or No Go” situation and this is meant to tell you when to take the next step. You should always be in a “Go” situation and that means several things need to be accomplished, positive attitude in

where you are heading with your councils and to accomplish this means you have proper planning and holding District Meeting meets this requirement. You should hopefully furnish me with agenda and minutes of the meeting or a cursory overview of what took place during the meeting.

Planning to hold Blitz's or recruitment forums is first and foremost on your agenda list along with monitoring your council's suspension agenda. If every council is membership active by the 31<sup>st</sup> of December and this means only recruitment of one new member or inactive member, you will be on your way to earning star council. Of course this will be far short of each council's goal of a minimum of 5 so this should be the goal but first things first and let's get council active.

Remember your “Go, No Go” situation I mentioned above and attitude, in order to meet this “Go” situation those areas that are required areas of completion are the beginning of your “Go” situation. Without completing all of these area's you are in a “No Go” situation and truthfully speaking are going to be behind the power curve the rest of the year. You will constantly be asked for these areas until they are completed. Success as outlined in the DD Handbook keys is predicated on the fact that planning for the preparation of what you are going to do begins before now. IF you are just preparing for events that are going to happen in July and August you have already hit the wall and are in a “No Go” situation, however if you are planning for your Blitz in late August and September then you aren't fully in a “Go” situation but at least you are in the window of being prepared.

I personally am not one to expound on the rewards of meeting goals to receive a monetary gift but in some cases it does work. However, I have seen the satisfaction on many District Deputies and Grand Knights faces over the years on receiving a handshake and sincere thanks for a job well done. Everything we do is for the “Good of the Order” and in God’s name so I thank you for your dedication to the Order. I want to beforehand thank each of you for your devotion to the Order and your sincerity in doing what you do. Truthfully, I hope each of you reach all of your goals; realistically I know that many of you won’t not because the attitude is not there but just because of the circumstances.

I want to leave you with one phrase given to me a long time ago when I attended for State Deputy Tom Weber a State Deputy's meeting:

## Food For Families Program Check Presentation

Deputy John Wallace is seen presenting a check to Archbishop Alex Brunett on Wednesday July 21. The check presented was on behalf of the Knights of Columbus and the "Food For Families" program. The money is earmarked to go to the diocesan programs that support feeding those in need. Approximately \$31,000 was awarded the three dioceses of Washington.

The "Food For Families" program encourages each state jurisdiction in the United States and each provincial jurisdiction in Canada to work with their local parish churches and other public places to collect food for food banks in their area. Those states and provinces in which a significant number of councils participate were allocated a portion of the \$1 million grant for food banks in their areas. The amount of the grant awarded was based upon the programs and activities that were reported by local councils and on their efforts for feeding the hungry. State Warden Robert Baemmert was the chairman for this program in Washington. Congratulations to those councils that reported on their activities in support of this goal. The "Food for Families" program is expected to continue this new fraternal year.

"Food for Families" is one of the many projects in the Knights of Columbus "Neighbors Helping Neighbors" initiative. The initiative began at a summit on volunteerism as a response to the economic crisis, which the Knights organized in New York City in February 2009. That summit drew leaders from scores of the nation's top charitable organizations, including: The Salvation Army, Volunteers of America, United Way, Catholic Charities, Points of Light, the National Fraternal Congress, and scores of other groups. It is through these efforts and many other efforts that the Knights of Columbus are continuing to celebrate the "Year of the Volunteer".

Here's the one photo of us in the online Herald this morning. Unfortunately no photo of the float. The float, depicting this year's theme, 'Imagine Whatcom County in a Decade,' had a track with space ships going high in the air, circling the moon, and returning to Bellingham. Sign at the bottom said, 'Ticket to Moon (one-way) - \$10'. Sign at the Moon Station said, 'Ticket to Earth - \$1 Million.'

The Bellingham Herald and KGMI this morning say that our float won the Grand Sweepstakes Award

## Urgent information needed – please read

Does your council/assembly have its Employer Identification Number (EIN) filed at Supreme? Before you jump to an answer please check with me. The Supreme Council has provided me with a list of those that have – and we are 23 short! I have a list of those that are not recorded with Supreme and it is essential that each council have an EIN and have it registered with Supreme in order to avoid losing its tax exemption. You are not covered under the tax exempt status unless your EIN is on file with Supreme!

As you probably know, each council was supposed to do this when it was formed. There were instructions provide by Supreme when you were established.

Please don't delay getting with me to see if your council is in that list! I have a form that can be used to apply for the federal IRS EIN – which can be found on the WSC website for your use.

Your prompt attention to this matter is of utmost importance.

## STATE DEPUTY'S SHORT NOTES

### BE BOLD AND ASK

#### BLITZ-BLITZ-BLITZ

Means: Council membership quota met  
 Means: District membership quota met  
 Means: State membership quota met  
 This year go for 1100 New Members

The Round Table Form 2630 signed by the Pastor and Grand Knight is due. Send a copy to Supreme and to State Deputy. **If you use the Website Form 2630 to E-mail, signature is not required.**

Columbian Award is past due. Even if you can not fill it all in, send a copy to Supreme and to State Deputy or State Advocate. This is a must for every council.

Form 185, which is a list of Council Officers, is past due. FS is responsible. Get 'er in.

Why not think big? BE BOLD

This past year you brought in 1030 new members, 63 Round Tables, & 4 new councils. For 2010-2011, let's go for 1100 new members, 80 Round Tables and 4 new councils, every council and district to achieve their goals and receive the Star Award. Let's make it happen.

Every council, pray the Rosary before each council meeting. One decade for our country; One decade for the Knights of Washington State.

A leader does not surrender to problems.  
 A leader faces them and resolves them.

Don't forget to pray. Pray each day, all day.

For a Council or District to be successful, you have to **make the decision to want to be successful.**

In order for the State Council to be successful, **YOU must be successful.**

Do you know what the Power of 10 can do for your council? You will be surprised. This is a must for all councils. The time has arrived to make this happen.

Does your council want to buy or join in buying an Ultra Sound Machine? You pay half; Supreme will pay half. Send checks to State Secretary Don McBride.

Washington State was successful because you followed this simple process:

**Remember: 3=1=SUCCESS**  
**If not, try three more.**

### "BE BOLD AND ASK"

Does your area want the road Show? Call the State Deputy.

Let's get the Special Olympics Forms in, with your check, even if you have done nothing for Special Olympics. Each form determines what Supreme will send us.

Support Columbus Charities. Send checks to the State Secretary.

The Form 365 and Audits are now due.

St. Joseph Pray for us

*John M. Wallace*  
 State Deputy

## Bishop White Seminary Update

*By: Fr. Darrin Connall*

*Fr. Connall with Bishop Blase Cupich during his first visit and tour of Bishop White Seminary*

Dear Brother Knights,

By now you have heard that Pope Benedict XVI has named Bishop Blase Cupich to be the sixth bishop of Spokane. We are grateful to the Holy Father for sending us such a capable shepherd to lead and guide our diocese.

Bishop Cupich comes to Spokane with a significant amount of experience in vocations and priestly formation. From 1989 until 1996 he served as President/Rector of the Pontifical College Josephinum in Columbus, Ohio. Moreover, he served as chair of the United States Conference of Catholic Bishops Committee on Vocations from 2004 to 2007. Bishop Cupich's experience and interest in priestly formation will no doubt help to further strengthen and enrich our program at Bishop White Seminary.

Bishop Cupich will be formally installed on September 3<sup>rd</sup>. One of the items I will share with him after his installation will be the statewide efforts of the Knights of Columbus to retire the construction debt at Bishop White Seminary. I trust he will be grateful for the sacrifice and commitment the Knights are making on behalf of the seminarians who attend Bishop White from Seattle, Yakima and Spokane.

This update gives me the opportunity to thank those Councils who have already pledged support and to invite those who have not, to consider a pledge to the campaign. May God bless you for your generosity!

Sincerely in Christ,

Fr. Darrin Connall  
 Rector

## 51 WA Knights of Columbus groups and/or Columbus Clubs that are about to lose their tax exempt status!!!

Tax-exempt organizations that do not satisfy annual filing requirements for three consecutive years [automatically lose](#) their tax-exempt status. The IRS is providing [one-time relief](#) for such organizations that have filing due dates on or after May 17 and before October 15, 2010. The list includes organizations for which the IRS does not have a record of a required annual filing for 2007 and 2008, and whose 2009 return, due on or after May 17 and before October 15, 2010, has not yet been received. The list, which was generated on June 30, 2010, includes only organizations with an annual filing requirement.

Check the attached list downloaded from the IRS website of those organizations that will lose their tax exempt status if something isn't done my October 15!!!! I included only Knights of Columbus or others that have Columbus in the name (Columbus Club, etc...).

Please check this out to make sure your council/assembly is not on the list even if you are sure you filed.

As you know a change in 2007 required filing by every non-profit to file a 990 each year.

I have information on the state website on criteria about how to determine which 990 form to file, there are 3 versions depending on your gross receipts.

There are instructions on the IRS website for those that have filed but are incorrectly on the list. Or if you are curious about other organizations that are on the list see:

### SILVER ROSE TRANSFER CEREMONY

This program began in 1960 and involved a group of Columbian Squires in Mexico, with help from the Knights of Columbus. Council 2312 in Monterrey Mexico came up with the idea of running a rose to Our Lady of Guadalupe in Monterrey. They wanted to honor Our Lady by presenting her with a rose. The group wanted to involve others to participate in this endeavor, namely others from the United States, and Canada. The first run started from Ontario Canada and went through the United States, and into Mexico. The following year, a silver rose was fabricated to replace the natural one.

This tradition symbolizes unity and especially the international brotherhood that has resulted from this. The Icon consists of two large silver roses, a smaller rose between them, indicating life and future growth. The stems of the roses circle each other indicating unity and at their base are twelve additional small roses representing the twelve Apostles. The base is made of marble and silver.

In recent years, the rose has traveled from London, Ontario Canada through 10 states in the United States and then to Monterrey Mexico, crossing the International Bridge. This year, there will be 3 Rose Icons traveling simultaneously starting in London Ontario and then traveling on the west coast, central United States, and the east coast. All three roses will meet at the same time in Texas to travel over the International Bridge to be handed over to our Brother Knights from Monterrey.

On Sunday, July 25th, the Icon will be transferred from the British Columbia officials to Washington Knights after a brief ceremony

at the Peace Arch in Blaine. Knights in regalia will be present, during this part of the ceremony. Then, at 2 pm there will be a special Mass at St. Joseph Church in Ferndale. Plans are now being made for the Icon to travel to different locations along the I-5 corridor, with a trip to Kennewick, and then returning to Lakewood and finally on to Vancouver. It will be given to the Oregon Knights on August 15th.

This journey of the Silver Rose Icon is not only a tribute to Our Lady of Guadalupe, but also expresses the Unity of our Order, and also reaffirms the Order's dedication to the sanctity of human life.
