KNIGHTS OF COLUMBUS

"Unapologetically Catholic"

Message from the State Deputy

My Dear Brother Knights,

This month I would like to talk on a bit of a different subject than just membership. While membership is one of our most important subjects, as the Order depends on new members to continue, we also have something else that is just as important.

I am speaking about our individual and collective respect for and support of our Priests. I realize that none of us would intentionally insult or disrespect any of our Priests however, there have been a few incidents over the last few years that certainly border on a less than respectful attitude towards their mission and their responsibility. We are asked in our Knighthood Degree to revere our Priests whether in public or the privacy of our homes and to support them in their mission and vocation, yet once in a while people let their personal opinions get in the way of that.

As a Holy Priest, and often a Pastor of a Parish as well, they are in a position to make decisions that not are all happy with and once in a while some even become openly vocal with their opinions of what they think Father should or should not do at a given Parish or Liturgy. Opposing opinions regarding liturgies usually stem from a lack of information or understanding on the part of the laity but in the end, it is our Priests that we must respect and follow—willingly—in all matters of Faith and that includes liturgies.

So too, must we understand that as a Pastor they are responsible to their Bishop for the success or failure of the Parish that they are assigned. That includes not only their pastoral duties but also the function of the parish as an organization as well as the facilities and business of a Parish. Please remember that all of our Priests are scholars when it comes to theology, but few are trained extensively in administrative practices, so it up to us to support their decisions. Yes, it is wonderful that so many of us are willing to offer information and advice, but in the end, he must make the final decision and we must support him and his decisions.

I am asking that we all live up to our responsibilities as Knights and support our Priests in all matters, regardless of our personal opinions. If you feel so strongly about an issue and your position runs counter to that of your Priest/Pastor I would ask that if you cannot remain silent on that matter that you consider changing Parishes while he remains in charge of that particular Parish.

Thank You for your patience and consideration on this matter.

Pat

State Chaplain's Message

At the Supreme Convention in Minneapolis in August, supreme knight Carl Andersen made an urgent plea that the Knights of Columbus lead the way in promoting civility in the sphere of politics and even within the Church, where--he noted--personal attacks and refusal to dialogue are becoming more and more common.

Archbishop William Lori, the supreme chaplain, reiterated this appeal. He said, "The anger and polarization that are sadly so much a part of our culture now also are finding their way into the life of the Church." He asked all of us Knights to support a campaign for civility organized by our Order. You will probably see information about this campaign in upcoming issues of *Columbia* magazine.

When we think about our culture's growing lack of civility, we may be inclined to think first about the very public sphere: political candidates slinging mud at each other in television ads and during debates, well-known figures in the Catholic world writing stinging articles about the Pope or bishops, and so forth. However, I find that personal attacks, refusal to dialogue, anger, and polarization are closer to home than we'd like to admit.

I see it all the time, in fact. We make enemies out of the people who disagree with us or who offend us. Someone says something or writes something or does something that offends our sensibilities, and rather than confront the person directly about it, we harden our heart toward them or go on the attack against them.

How wise Jesus was to give His followers the instruction: "If your brother sins [against you], go and tell him his fault between you and him alone" (Matthew 18:15).

I know from my own experience how difficult it can be to muster up the courage for this conversation. There is always the temptation to go and hash out the issue with someone else, or even (in some circumstances) to take up the matter with the person's superior instead of the person himself.

Rule of thumb: the easiest way is not always (or even usually) the best way. It's amazing how often a conflict can be resolved by taking up a conversation with the perceived offender. "What did you mean when you said _____?" Or: "I took your actions to mean _____. Is that what you intended?" Chances are, the person may respond with a clarification that puts our mind to rest and eases the tension. Nine times out of ten, I'm sure, no personal affront was intended.

However, even if the person's response confirms that he really meant what we thought he meant, at least the foundation has been laid for further discussion and the door of communication is already open. It doesn't have to become a knock-down, drag-out fight!

Keeping open the lines of communication without taking offense is one of our absolute best strategies for fostering civility in our spheres of influence and beyond. It's part of what it means to be "Knights of Unity" in a world that tends so readily toward division and polarization. I heartily encourage you to practice civility in social discourse. Let's all be models of charity and patience in the way we receive others and listen to what they have to say.

State Secretary Report October 2019

Brothers,

We held Regionals around the State in September. I want to express my appreciation to the hosts' for all the time and effort they contributed to these Regionals. I know it is a lot to ask and I greatly appreciate it.

About 62% of the councils have paid their liability insurance as of September 16th. If something happens during one of your council events, and your premiums are not paid, you're on your own. This would not be a good position to be in for the council, or the church. Please avoid any financial heartache and pay your premiums. The premiums are cheap for what we get.

We have one more Regional in Bremerton October 5th. If you can make it, please do. Hope to see you there.

State Advocate's Message

My brother Knights,

We are in the midst of the regional meetings so this will be a short note. Many thanks to all of you whom have come out to the regional meetings, I have appreciated your questions and the energy you bring. Even though the schedule is not easy, I would not change since I enjoy getting to see friends and make new ones around the state!

A quick follow up on Safe Environment training - if your Council changes one of the positions that requires Safe Environment training, be aware that if the new man does not have the required training it will change your Council from compliant to non-compliant. This question came up at a regional meeting, and it is good warning to be aware of how any change may affect your Council. We are making good progress on getting Councils to be compliant and I want you to be aware of the possible impact of a leadership change.

Please remember that I am here to help you with any questions about home corporations or any legal/procedural issues in your Council - do not hesitate to reach out! I do work during the day so if I am unable to take your call during the day I will certainly call you back in the evening,

Vivat Jesus!

State Warden's Message

Brother Knights,

Please consider the following message sent by the Supreme Council to Washington State Deputy, Pat Kelley:

Worthy State Deputy KELLEY:

Last month at the Supreme Convention, Supreme Knight Carl A. Anderson announced a new initiative designed to strengthen our support and solidarity with our Christian brethren in Iraq.

Through the [Adopt-a-Parish initiative](#), councils commit to raising \$2,500 a year for two years for a sister parish in Iraq. During that period, they will have the opportunity to communicate with the pastor of that parish, learn more about the Christian community in Iraq, and receive specialized support from the Supreme Council's Fraternal Mission and Charities Departments.

Interest and support for this initiative have been strong, and we will soon have every Chaldean Catholic Church in Iraq partnered with a Knights of Columbus Council in the United States. We noticed that your jurisdiction is not yet represented by a council in this initiative – and we wanted to provide you with the opportunity to participate before all the parishes are matched up.

Please let us know of a council in your jurisdiction that would be well suited to participate in the Adopt-a-Parish initiative. With your support, we hope to have every U.S. jurisdiction represented in this effort to support the Catholic Church in Iraq.

Any questions can be sent to Evan Holguin by email (evan.holguin@kofc.org) or phone number (203-752-4164), or to info@kofccharities.org

Immediate Past State Deputy's Message

Hi Brothers,

Last Saturday night, after our first Regional meeting in Olympia, the State Secretary, Kim Washburn, and I went to visit the Mothers at Holy Theophany Monastery. This Monastery was founded in the year 2000 and is the only Greek-Catholic Monastery for women in the Western United States. It is also the sole Monastery for women in all of North America that follows the authentic Byzantine Monastic Tradition common to Melkite and Romanian Greek-Catholic Churches. Mother Anastasia explained to us that the Catholic Church is actually comprised of twenty-two equal Churches, with the Roman Catholic Church being the largest. Most of the non-Roman Churches are referred to as Eastern Catholic Churches and these nuns belong to this group. Our mission was to simply present them with a \$10,000 check on behalf of the Knights of Columbus to further their mission and to assist them in their vocation development. Interestingly, one of our very own District Deputies, Mike Colosi (DD04), has been "adopted" by the Mothers of the Monastery as their fix-it man. Mike has built a spectacular out-door altar and patio for them, and he takes on any other projects that the Mothers need help with. When we were there, Mike was helping them with a nasty water leak that damaged walls and flooring. So, contact Mike if you have the wherewithal to help these "Angels on Earth." Donations are always accepted!

DD04 Mike Colosi, Mother Irene, Mother Johanna (AKA "Mother Money-Bags"), Novice Claire and Mother Anastasia-Hegumenissa (AKA "Boss")

What an enriching experience this evening was for me. These dedicated women of God were absolutely the most charming women I have ever met. Joyful, Witty, Dedicated and Humble are the words to best describe the Mothers of this Monastery. Pioneers for their church, these women have totally accepted, without reservation, God's Providence for them, regardless of the struggles they face. Fund-raising is tough for this Contemplative Order. Most of their time is dedicated to prayer for all of us. They have tried raising honey-bees, creating mosaic art, and they have a small gift shop and they offer retreats. But their efforts only goes so far. They are always open to ideas of creative new ways to fund their mission.

I was deeply honored to represent all of the Washington Knights of Columbus whose generosity to our Pennies for Heaven Program has made this deserving support possible. Thank you Brothers!! - Bob Baemmert- IPSD

State Membership Director's Desk

My brother Knights,

We are approaching the end of the first quarter of the fraternal year, how are your efforts going? You should be close to achieving 25% of your membership goals by now on your journey to Star Council! Many Councils have a slow start over the summer months but all Councils should be fully active now.

Fall Church Drives

Have you scheduled your fall Church Drive? Have you taken the Delta Church Training from our Assistant Regional Growth Director Chuck Davlin? These are a great way to run your Fall Church Drive—I strongly encourage you to sign up for this important and useful training.

Tuesday 10/08 8:30 PM - 9:30 PM Pacific

Monday 10/14 8:30 PM - 9:30 PM Pacific

Tuesday 10/15 8:30 PM - 9:30 PM Pacific

Join the meeting from your computer, tablet or smartphone: <https://global.gotomeeting.com/join/734028765>

You can also dial in using your phone: United States: +1 (646) 749-3122 Access Code: 734-028-765

So how are we doing as a State in our membership goals? To date, we have recruited 105 new members, with a net of 73. This is a little more than half of where we need to do be at this point of the year. The WSC always gets off to a slow start but there are some Councils that are doing really well:

In addition, 20 Councils have achieved at least 25% of their Membership

State Membership Director's Desk

Congratulations to St. Ann Council 15462 in Tacoma, led by Grand Knight Porfirio Montes. Brother Porfirio and his Membership Director have earned Personalized Sport Tec jacket for their efforts. Councils 13395, 11789, 14268, 14852, 11642, 894 and 17257 are all on track for the same prize. Who wants to join them? I challenge you to spend the state's money on new jackets!

Currently, we have 59 Councils are membership active (have recruited at least one new member this fraternal year). My question to the other 107 Councils, what can I do to help you? Please remember that every program you do is a chance to recruit new members! Other than a very few Councils who Supreme recognizes as having saturated their area, you should have opportunities to bring in new members. Remember that strong programs are the best way to attract new members, and have new members allows you to do more programs.

One area where we are shining is online membership. Our goal this year is to attract 10-15% of our new members via online membership - we are currently at almost 25% of our new members coming via online membership. Please remember that online membership does not replace your Council's efforts, this is a new way to reach potential members.

Finally, please share with me your recruiting successes and I will publish them in the bulletin. Your success and methods can inspire other Councils to emulate you and jump-start their own efforts.

Thank you for all your efforts and let me know what I can do to assist you.

Vivat Jesus!

State Program Director's Desk

State Program Director

Start preparing to host the Our Lady Help of Persecuted Christians Marion Icon, for the 2020 Pilgrimage of the Silver Rose, for the mid-winter District Deputy's meeting as well as all of the other Council events that are planned during the next six months. Please let your District Deputy know now if your Council would like to host the Our Lady Help of Persecuted Christians Marion Icon during the remainder of 2019 and if your Council would like to participate in the Pilgrimage of the Silver Rose during the 2020 Pilgrimage so that your Council can be included in the schedules for these events.

District Deputies, please follow up by asking your Councils whether they intend to host the Marion Icon during 2019 or if they would like to participate in the Pilgrimage of the Silver Rose during 2020. The Our Lady Help of Persecuted Christians Marion Icons are currently available on the west side of the Cascades and in the Yakima Valley.

Contact Federico Lopez, Hispanic Membership Co-Chairman if your Council is in the Yakima Valley and Dan Pradera, Hispanic Membership Co-Chairman if your Council is on the west side of the Cascades if your Council would like to participate during the Pilgrimage of the Silver Rose. Contact Federico Lopez or Scott Hulse, State Warden, if your Council would like to host the Our Lady Help of Persecuted Christians Icon. **Contact your Parish Pastor before scheduling these events!**

The Pilgrimage of the Silver Rose will be southward from the Canadian border along the I-5 Corridor and through the Yakima Valley and Walla Walla during 2020. The Supreme Council has not released the schedule for the Pilgrimage of the Silver Rose; however, the Washington State Council will probably receive the Silver Rose from our Brothers in the British Columbia/Yukon State (Provincial) Council sometime after April 1, 2020.

We will try to have the Silver Rose available for a Sunday Mass at a Parish in the northwest corner of our State depending on whether we receive the Silver Rose from our British Columbia/ Yukon Brothers during a Saturday Mass. District Deputies are responsible for negotiating the schedule for the Pilgrimage of the Silver Rose in the areas that they are responsible for. This means that District Deputies in adjacent Districts should be talking to one another. Parishes with Catholic schools should be a priority during weekdays since the Silver Rose can be included during the weekday Mass with the Parish Pastor's permission. The Silver Rose will be available for a Sunday Mass in the Seattle-Tacoma-Olympia area, a Sunday Mass in the Chehalis-Centralia-Longview-Vancouver area, a Sunday Mass at the northern end of the Yakima Valley and a Sunday Mass at the southern end of the Yakima Valley, where we will turn custody of the Silver Rose over to our brothers in the Idaho or Oregon State Councils.

Thank you to all who have or will participate in the Marion Icon Prayer Program and the Pilgrimage of the Silver Rose. These events provide us with a very public opportunity to reaffirm our devotion to Mary, Mother of Jesus, Mother of Our Church, Patroness of the Unborn, Protector of the Disadvantaged and Mother of ALL the Americas.

State District Deputy Director's Message

Worthy District Deputies,

Inform councils about the **Cornerstone Catholic Conference in October** – see the flyer included in this bulletin. The State Council is a Keynote sponsor this year and we strongly encourage as many members and their families to attend as possible. DD's should take this opportunity to lead by example by registering to attend. Learn more about the WSCC and the Cornerstone Conference at <https://www.wacatholics.org/>.

I look forward to receiving your State of the District Reports this month. Your second quarter report is due the first week of October. You will not be able to complete the entire report but complete what is relevant now. Some DD's still have not submitted their district's Admission Degree schedules or the District Organizational meeting dates. Send your State of the District Report to DDD@kofc-wa.org.

Check your DD report from Supreme and ensure any council in arrears corrects the problem by October 9. Supreme will suspend councils in arrears on October 10. Let's not give them the opportunity to do that.

When visiting councils, please remind them about the Delta Church Drive online training and the kits to order now for the October/November Church Drives. Encourage all members to attend an online training session. Let's put forth a great effort to organize church drives this year, and it starts by coordinating with your pastor. The Delta Church Drive is a new and better way to recruit new members, embrace it and move forward.

State Faith Director's Report

October 2019 Faith Programs

Again, Brothers, as we launch ourselves into the new Fraternal Year take advantage of this year's "Fraternal Planner" for 2019 – 2020.

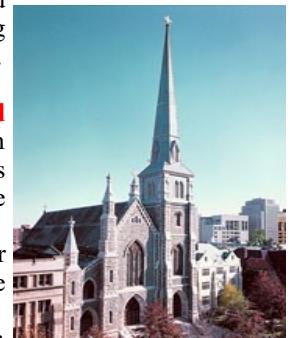

We started off in September with our Regional Meetings with each Program Director asked to brief the **required** programs under Faith, Family, Community, and Life. Our Worthy State Warden placed special emphasis on "Steps to Success When Communicating With Your Pastor or Bishop" remember, it's important to understand that your Council is **in service** to the Parish!

Our Guest speaker Chuck Davlin, our Assistant Regional Growth Director – West, presented a wonderful briefing which echoed our State Warden's emphasis on "communication". We came away fully understanding importance of each Council's Program Director/Faith Chairman requirement to fulfill the needs of the Parish Priest. Accomplishing this partnership, whether big or small, is the key to success...strong visible signs will indeed demonstrate your Council's backing of your Parish Priest...in due course, sustaining strong Catholic families fully integrated to our Faith...and the drawing of additional Brothers to our Order.

Take the time to review what you are doing well within your parish and model your **Required Faith Program "Spiritual Reflection"** for that reason, remember to plan ahead, know Spiritual Reflection program inside out...ensure you having reference material available...and your approach to gaining Father's approval is critical!! Remember your Parish is full of activity especially your Pastor...seek to accommodate him and his Parish schedule.

To reiterate last month's guidance, "**Council participation in Spiritual Reflection is required**" to qualify for the Columbian Award (SP7). The program is essentially a day long spiritual retreat...recommend this be organized for men or families of your parish. Although men are mentioned, put emphasis on the family.

Holy Trinity Council 11789 Bremerton attained the Faith Award for last Fraternal Year by execution of a successful Spiritual Reflection program. Would highly recommend making contact with DD 2 and or GK for lessons learned (see state directory)...And review kofc.org...Programs...Faith... provides direction on how-to-accomplish program.

September 2019: Supreme Chaplain Archbishop William E. Lori: "Whoever does not carry his own cross and come after me cannot be my disciple. Which of you wishing to construct a tower does not first sit down and calculate the cost to see if there is enough for its completion?" (Gospel for Sept. 8, Lk 14:27-28) "In more than four decades as a priest and bishop, I've been involved with building a number of new churches and schools. We often start by "dreaming big." Then reality hits: What are we willing to spend? Jesus is asking each of us a similar question about our life of faith. In our lifelong journey to become saints, are we regularly sitting down to consider the cost and fully prepare ourselves to pay it? My brothers, above all other things, may we always prepare to carry our crosses and give our entire lives to Christ." The **Supreme Chaplain's Monthly Challenge** for September is ideally done during monthly Knights of Columbus meetings but can be done in a separate group or individually.

Challenge by Supreme Chaplain Archbishop William E. Lori: This month, I challenge you to learn more about the life of one of the martyrs and how he or she was prepared to pay any price to follow Christ. Second, I challenge you to participate in the Faith in Action Into the Breach program or read *Into the Breach* (order# 340 8/18) on your own with a particular eye toward how we can best prepare to carry our crosses.

Picture Inset: The Blessing of the new Sacred Heart Crucifix by Chaplin Tim Ilgen 1643. Fr. Ilgen requested a life size Corpus which was hand-carved by Sir Knight David Wickersham with cross itself crafted by Sir Knight Ray Groethe—a demonstrated act of love and devotion to our Lord Jesus Christ and 3 years to complete and a splendid example of "Faith In Action."

Always be attentive my Brothers! Ask our Holy Mother to intercede for us to Her Son Jesus. Request guidance and assistance for all that we strive to accomplish in His name. Holy Mother, dispenser of heavenly treasures, I shall always ask your help with lively confidence for your never-failing assistance. My Brothers, pray to our Holy Mother and recite all or part of the rosary often.

State Bulletin COL Article for October, 2019

I've started my article for October and in the process I have looked at what I wrote last year and I really liked what I wrote. Because October is Respect Life month, the month of the Rosary and Clergy Appreciation month I am updating and re-using my message from last year:

We've had a lot of activity in the Ultrasound Initiative over the last few months. We started this calendar year by placing the 26th Ultrasound Machine in the state since 2010. The center is Care Net of Mason County located in Shelton, WA. We have since submitted two Diocesan Evaluations to the Archdioceses for their approval. The first is Care Net of Puget Sound sponsored by Anthony McGill Council #7907, Grand Knight Joel J. Edwards. The second Diocesan Evaluation that we have submitted is Care Net Federal Way. It is being sponsored by Mary Queen of Peace Council #9833, Grand Knight John Rodman.

I have visited 2 more Pregnancy Centers; the first is Image Point Medical Services located in Yakama, WA. The sponsoring council is Yakama Council #894, Grand Knight Steve Royce and the second is Possibilities Woman's Center located in Centralia, WA I have a possible sponsoring council but it is still pending.

We have 3 more centers that have been identified as centers in need of an ultrasound machine. I am working to get them into the application process. The first center is Palouse Care Network / Wish Medical - the tentative sponsoring council is Saint Mary Council #4196. Grand Knight Greg Hanson. The 2nd identified Center in need of an ultrasound machine is Care Net of Okanogan County and we are looking for a sponsoring council. The 3rd identified center in need of an ultrasound machine is Pregnancy Choices of Skagit County and they are also looking for a sponsoring council.

As I have mentioned last October, building a culture of life takes time and a consistent, purposeful effort. It is best to plan activities for both the Domestic Church and the Parish each month throughout the year. Here are some suggestions for October.

October is the month of the Rosary. Plan a special way to involve your Parish in saying the Rosary. You might work together with the school or youth group and recite the rosary before each Sunday Mass. You could work with the different ethnic communities and have each community lead one decade. I have heard of some councils joining with the youth of the parish to hold a Balloon Rosary for Life at a nearby park. (Google "Balloon Rosary for info on the Balloon Rosary") Use pink balloons for one decade and blue balloons for the next, then pink, then blue then pink. If you are going to use public property for your balloon rosary remember to work with local public officials to get their blessing. It might involve getting a permit or other incidental issues.

October is also Clergy Appreciation Month. Host a Clergy Appreciation Night for your Parish. Invite families to bring food, serve the clergy first, and end the evening with the Rosary in honor of the clergy.

October is also Respect for Life Month as well as part of the Fall 40 Days for Life Campaign which begins on September 25th and runs thru Nov. 3. Find a nearby campaign and participate. For those that can't participate in front of the nearby abortion mill you might ask your pastor if you could lead the rosary at the altar after each Sunday Mass for the intention of the Unborn.

October is a good month to plan your Council's involvement in the March for Life in mid January. Some councils have joined together in the past to rent busses for their parishioners to travel to the March. That is a great way to show off what your Council is doing for the parish.

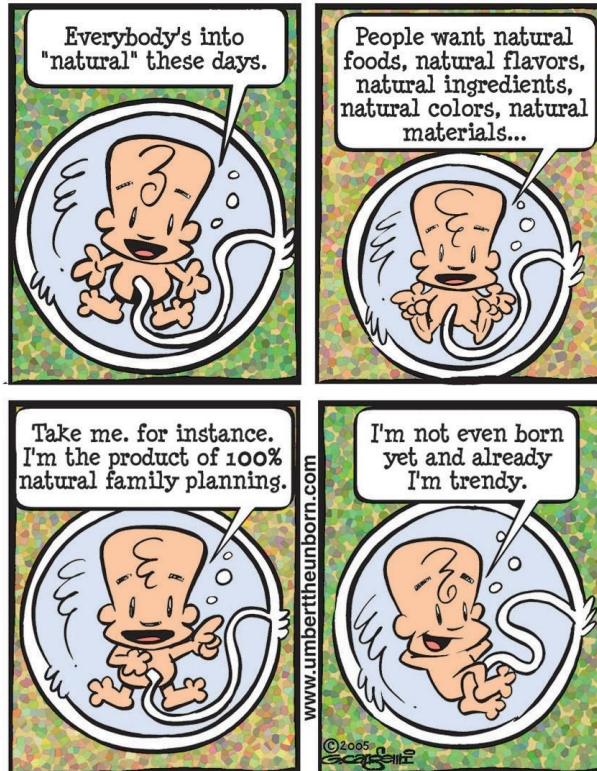

State Culture of Life Director's Report (Cont.)

The 2020 Walk for Life Northwest will be held in Spokane, WA, on Saturday, January 18, 2020. The March will follow the Mass for Life at Our Lady of Lourdes Cathedral in Spokane which will begin at 10:00 AM. Again the date and time for the Mass have not yet been confirmed. The 47th Annual March for Life in Washington DC will be held on Friday, Jan. 24, 2019. The March for Life in Olympia, WA will be held on Tuesday, Jan. 21, 2019. The Mass for Life which proceeds the March in Olympia will not be at Saint Martins' University in 2020 as the facility will not be available. When I get further info regarding the 2020 Mass for Life in Olympia, WA I will post it on the State K of C Website. Finally the Walk for Life West Coast will be held in San Francisco on Saturday, January 25, 2019. We will also be celebrating Life Chain Sunday on Sunday, October 6. Annually, on the first Sunday in October, LIFE CHAIN invites the churches in each city and town across North America to stand on a designated local sidewalk and pray for 90 minutes. Google Life Chain Sunday for more information and a location near you.

We will be voting on Tuesday, Nov. 5th. Please inform yourself with the issues and the candidates. Our Country needs good men and women to step up to lead us out of the desert now more than ever. Your vote can help us to lead the way to recapturing a government Of The People, By The People and For The People.

FAMILY "KEEP CHRIST IN CHRISTMAS"

Realizing there is some time before the holidays getting set up early is a definite plus. Although the title may direct you to our "Keep Christ in Christmas" Christmas card sales program, which is a different program under a separate chairman.

This is to highlight the "**Keep Christ in Christmas**" poster contest. I am encouraging all councils to consider promoting this program in your local parishes. The prizes awarded to the winners is strictly up to the individual councils to decide.

The Knights of Columbus offer activities that promote Christmas and the season of Advent and Christmas poster contest is one of them. The program centers on the example of the Holy Family and the Nativity of Our Lord and Savior, Jesus Christ. The new "**KCIC**" program encourages councils to prompt their neighbors to shift from a preoccupation with materialism to the Light of Christ and the spirit of giving.

Poster contest is open to all children between ages 5 to 14 years with age eligibility as of November 1, 2019. Councils should begin the contest during November concluding by December 15th with judging completing by December 31st. Winners at council level are sent to the state Youth Director for state judging. If more than one council conducts a **KCIC** poster contest a district judging should take place.

Each poster must reflect the KCIC theme with a visual image. Contestants may submit only one poster. For exact contest rules and regulations go to the Supreme website under KCIC poster contest you can download the rules. You can order the program kit from supplies on line. If that fails just type in "KCIC Poster Contest" in the search box and from that list you will locate the full poster contest rules and order form.

Edward P. Hebert Sr., State Family Director

A Message from the State Vocations Director

RSVP/PFH

As our seminarians begin their new year of study and discernment there is an optimism in the air. For the first time Bishop White Seminary has 23 seminarians, completely full. This past year the State of Washington saw 5 new priests ordained. The Knights of Columbus provided direct support to seminarians last year at a record level \$111,008.00 to the 43 seminarians in the state as well as many in religious orders.

This is my seventh year as your state vocations chairman, and I am honored and humbled by the great response we got from our councils and assemblies in support of RSVP this past year.

Every Council should be supporting Pennies For Heaven. However, this past year less than half the councils submitted a check to the Pennies For Heaven fund. These funds go directly to the three diocese of Washington to help cover the cost of vocations programs. The PFH year ends December 31st, so please raise money and send it in as soon as possible. Make your check out to Pennies For Heaven and send it to the Kim Washburn, State Secretary, 10555 Fox Rd., Leavenworth, WA 98826.

Tim Coyle
Vocations Chairman

A Message from the State Youth Director

Brother Knights,

Your fraternal year should be well underway and your programs starting to take shape. There are two Supreme sponsored youth programs that should be included in your current council activities. Catholic Citizenship Essay and Soccer Challenge.

Catholic Citizenship Essay:

This contest encourages today's youth to be more connected to their community and their faith. The goal of this program is to involve young Catholics in 8th through 12th grade (public, private, parochial or home schools) in civic discourse and instill in them religious and life-affirming values. The essay should be approximately 500-750 words. Entrants will be judged on grammar, style, and how clearly they present the theme – which should showcase creativity, imagination and overall development of the topic.

2019-2020 Catholic Citizenship Essay Contest Theme:

Discuss the meaning of Virtue and how you live and embody the virtue of Charity.

"Charity is the theological virtue which we love God above all things for his own sake, and our neighbor as ourselves for the love of God" - Catechism of the Catholic Church, 1822

Councils will need to order the Catholic Citizenship Essay Kit (#EA-KIT) through supplies online

Timelines:

Council level competitions September and October

Council winners sent to State Youth Director by November 1 2019

State winners to Supreme January 31 2020

Soccer Challenge:

The Soccer Challenge is a fun way for Knights of Columbus councils to engage youth in their communities with an athletic event that encourages the values of sportsmanship and healthy competition. Children demonstrate the most important skill in soccer – shooting accuracy on the penalty kick – and compete to reach the international level of competition. The program also offers an opportunity to introduce the Knights of Columbus to the community and recruit faithful family men of service.

This is an athletic outlet for youth ages 9 to 14 in your community. Designed for players to demonstrate their skills in the penalty kick. Councils can sponsor a competition by ordering a Soccer Challenge Kit.

A Message from the State Ceremonials Director

October 2019 State Bulletin Message On Ceremonials

My Brother Knights

As you're planning to put on and participate in all of the degrees organized for the coming year, I want to impress upon each of you the importance of your roles in encouraging your new and existing members to advance through the Admission, Formation, and Knighthood degrees. Your personal commitment to our ceremonials is a vital key to the success of your Councils, Districts, the State Council and the Order. The more new and existing members can participate in all three of these degrees, the more dedicated and committed your brothers will be to actively participate in the Council activities and projects.

We have scheduled and organized a total of 30 Knighthood degrees throughout the State and the year. That schedule is on the website and it will be updated throughout the year. Your responsibility as Grand Knights and District Deputies is to carefully plan your Admission and Formation Degrees in an appropriate manner so that your members can be ready to participate in the planned Knighthood through the year in your area. Please take advantage of these opportunities.

The following degrees are scheduled in October and November 2019.

* denotes Saturday degrees
 ** denotes Wednesday degree
 *** denotes Tuesday degree
 ****denotes joint 2nd & 3rd degrees
HDDs are in Red

Contact the HDD or check for information on these degrees on the State Calendar. All DDs, who are listed as the **Host DD in**

It is imperative that the degree information be posted on the state web-page and personally provided to all Co-Host DDs by the Host DD.

As always, be prayerful in all you do and at every gathering with your Brothers offer special prayers for all members of your Council both active and inactive, for new potential prospects, and for the success of your Council in accomplishing its goals for the coming year
